Spanaway Fire Fighters Plan Open House 14th

The Spanaway-Elk Plain Volunteer Fire Department has recently received two new modern fire trucks, one for Station No. 1 at Spanaway, the other for Station No. 2 at Elk Plain. To celebrate this achievement, the men are holding open house at both stations Sunday, July 14, 12:00 noon till 5:00 p.m.

There will be firemen on duty at both stations to show the beautiful new trucks and explain their operation, also other new equipment received during the year. At present the fire district has in operation two pumpers, one tanker and one ambulance based at Station No. 1 and two pumpers based at Station No. 2.

In commenting on the progress made, John Farren, chief of the Spanaway-Elk Plain Fire Department, says: "We have come a long ways toward a successful fire department since the night of Oct. 8, 1945, when a small group of Spanaway and Elk Plain men got together in Judge Del Bresemann's court room in Spanaway park for the reorganization of the fire department, which at that time had a 1917 Ford truck.

"We are sincerely grateful to all our former Commissioners, fire department members and the Ladies Auxiliary for the part they have played in our success. We are glad to have in our ranks today some of the original Commissioners, firemen and Auxiliary members who deserve a lot of thanks for their loyalty. We cordially invited each and every one of them to drop in and talk over old times over a cup of coffee and cake."

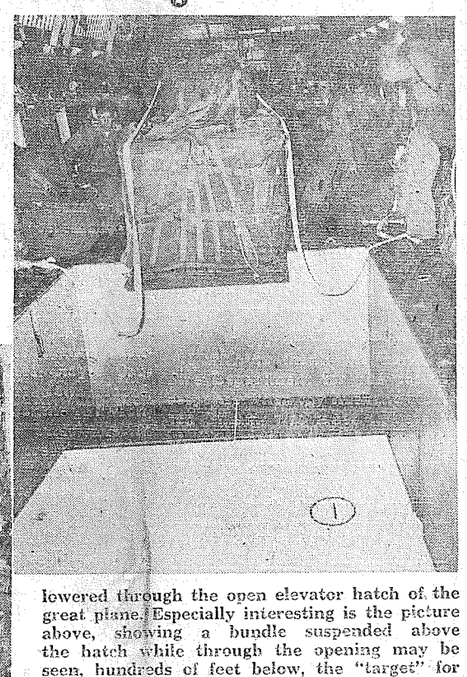
Operation BLUE GLACIER Big Success

ALL IN THE DAY'S WORK—Last week's paradropping of 60,000 pounds of food, scientific equipment and supplies on Mt. Olympic Glacier in the Mt. Olympic range appeared a stupendous task to civilians privileged to see the operation. To airmen of the two huge C-124 Globemasters from Larson AFB it was a routine chore—plotted, planned and accomplished without serious mishap. The supplies were dropped on the sites of two camps on the glacier where a party of University of Washington Department of Meteorology and Climatology scientists will spend the next 14 months in study of glacier behavior and the relationship, possibly, of such behavios to cycles of climatic changes, a project of the International Geophysical Year observation. Below one of the many bundles is being



lowered through the open elevator hatch of the great plane. Especially interesting is the picture above, showing a bundle suspended above the hatch while through the opening may be seen, hundreds of feet below, the "target" for the drop, a 100-foot well marked circle in the snow which shows here as little more than a dot. So accurate was the paradropping operation that only two bundles failed to land within the circle, one due to an accident to the parachute. During their long vigil on the glacier, the scientists will have two helicopters for routine use, the Globemaster being needed only for transporting the bulky, heavy supplies needed to set up and operate the camps.

Summit Picnic Planned July 14 At Spanaway

Sponsored by Cub Pack 76, with reinforcements from Scout Troop 76, the Summit community picnic to be held July 14 at noon in Metropolitan park, Spanaway lake, should be a big affair, according to Carl Escene, chairman of the Troop committee. Coffee and ice cream will be supplied by the Cubs and Scouts and there will be games and the usual picnic activities. At 4:00 p. m. a Court of Honor will be held.

Attendance at the monthly Troop 76 committee meeting, held at Central Avenue school July 1, was nearly perfect, only Bill Sharbone being absent. Present were: Carl Escene, chairman; Fred Arbuckle, secretary; Don Slenkamp, Scoutmaster; George Lind and Dick Rave, assistants; Otto Kostelecky, transportation; Elaine McKanna and William Yotty, advancement; Elmer Neustel, property; George Haaland, record keeper, and William Rave, publicity.

Appreciation

I wish to thank the Parkland Fire Department for the prompt response when my husband, Clinton Gillum, was taken ill recently. The men rushed him to the hospital, probably saving his life. I am deeply grateful.

Collins Grange Members Hear Of State Meet

By Mrs. Lyle Parker

Members attending the June 27 meeting of the Collins Grange heard their delegates, Lyle Parker (Master) and Birdie Parker (Lecturer) report on the 68th Annual State Grange Session.

The Grange Convention was held at the Whitworth college in Spokane with an attendance of more than 2100 registered for the five days.

Registration began at noon Sunday, June 16; at 7:30 p.m. the Grange Talent program and the Quartette Contest took place before a full auditorium.

Monday morning Grangers were ready for the 9:00 o'clock session and some were attending an earlier Leadership Development Program.

What are Grangers interested in? Anything that is for the good of humanity.

Whether they are producers or consumers, they are interested in dairying, poultry, livestock, in fact agriculture of any type; conservation, public utilities, transportation, taxation, legislature, education, the home, community, state, nation and the world.

Besides they are interested in hobbies, sewing, home economics in general, also in acting and singing as was proven by Sunday nights performance.

They are interested in youth, and in "young old people." Grangers never really grow old, perhaps that's because they seem to have a sense of humor and know that "He who laughs—lasts."

This is only a portion of their interests, and after a heavy schedule all week, Friday's session lasted until 3:25 Saturday morning; it was grey dawn when very weary Grangers left the auditorium.

With so many varied interests, does the Grange accomplish much? The answer is, "Yes." How does it reach its goal? The Grange motto is, "In Essentials, Unity; in Nonessentials, Liberty; in all things, Charity."

We learn at a convention how much is accomplished and how much more there is to do, and that there is always room and need for more Grangers.

Collins Grange will meet this Thursday) evening at 8:00; this is the only meeting in July and all members are urged to be present. The Safety program scheduled for July has been postponed till August.

Pair Feted On Golden Wedding

Many friends attended the reception given in honor of Mr. and Mrs. George Schnelle Sunday, June 30, at their Spanaway Lake home on the occasion of their golden wedding anniversary, which was Monday, July 1. The couple were married in St. Paul, Minn., and made their home in Fargo, N. D., before moving to Spanaway in 1942.

It was an extra happy occasion because all the children were present. Children are Mrs. George Wallace of Welch, Minn.; Mrs. George Profitt of Portland and Mrs. Bert Thomas, Mrs. Ernest Hubachek and Willard Schnelle, all of Tacoma. There are 11 grandchildren and eight great-grandchildren.

Mrs. Schnelle is an active member of the Spanaway Auxiliary of the fire department of District 7, of which her husband is an active member. She is also an active member of Plumbers Auxiliary and Grandmothers club; both are members of All Saints Epescopal church.

A grand couple and we all wish them good health and happiness in years to come.

WALLER ROAD . . .

Car Accident Mars Holiday

The Roy Nelsons of East 64th St. will remember July 4, 1957, for a long time and consider themselves lucky that they came through the day with only bruised knees, blackened eyes and minor cuts and scratches after being rammed by a car whose driver failed to stop at an intersection on Lincoln Ave.

Seven-year-old Danny Nelson was treated at a local hospital for facial lacerations. Mrs. Nelson, holding Timmy on her lap, protected the baby from injury but suffered badly bruised knees as the result of bracing herself for the crash.

The family, despite being "all shook up," consider themselves fortunate. Besides Mr. and Mrs. Nelson, the car carried Roy Jr., Trudy, Charles, Michael, Danny and Timmy. The family had enjoyed a picnic at the home of relatives at Browns Point and were on their way home. Their car was badly damaged. The car which rammed them was driven by Wayne McPherson of Gordon, Neb.

Outings the 4th

Mr. and Mrs. Jonathan O'Brien drove to Richland for the Fourth to visit their daughter and husband, Mr. and Mrs. Ray Kulju.

Enjoying the 4th of July on the Cispus river at the summer home of Mr. and Mrs. Earle Thompson of Waller road were Mr. and Mrs. Rudolph Geise and Don and Jim, Mr. and Mrs. Herbert Foss and Linda, Mr. and Mrs. Frank Swalander and Mrs. Lezetta Harris. The Churchill family, neighbors of the Thompsons, also shared the picnic.

The summer cottage of Mr. and Mrs. Charles Sienkiewich on Ohop lake was the scene of a pleasant outing over the Fourth, with friends and relatives invited to share the day. Included in the party were Mr. and Mrs. Leonard Sienkiewich and sons, Mr. and Mrs. Walt Hanson and children of Morton, Mr. and Mrs. Leo Heather and Mr. and Mrs. Len Heather of Tacoma, Mr. and Mrs. Lon McMahill and children, Mr. and Mrs. Ron Fogle and daughter, Mr. and Mrs. Verne Fogle and Mr. and Mrs. Charles Severson.

Grange Meeting

Waller Road Grange, after being on vacation, will resume meeting July 19 at 8:00 p. m. Members are urged to attend—the Grange needs YOU!

Playground News

The seventh annual Pierce County A. A. U. Junior Olympics, one of the summer's outstanding athletic events for boys and girls, will be held July 17 at Lincoln Bowl. There are events for boys 12 and under, 13 to 14 and 15 to 16. Girls' age groups are 12 and under and 13 to 15. Trophies and ribbons will be awarded. The Franklin-Pierce School District has made available a bus to take entrants to and from the meet. Pick-ups will be made at the playgrounds the day of the Olympics. Entry blanks and further information may be obtained from your playground leader or by calling Fulton 3-2496.

Flowers will be studied in the playground nature clubs this week. Further emphasizing the flower theme is the Flower Show which is one of the feature special events. Everyone is encouraged to bring flowers to the show and local garden clubbers could be of great assistance in judging.

Another exciting special event for the coming week is a cookout. The local playground leader will arrange the time and place. Campfier songs and stories are to be a part of the menu as well as typical cook-out foods.

Other events of the week are to be a tether ball tournament and a Hat Day Contest featuring every and any hat that can be found.

The swim program to Spanaway continues to be enjoyed by more and more children. A hearty vote of thanks to Superintendent Ford and the Franklin-Pierce School District for their fine cooperation is certainly in order.

Take advantage of your playground activities. Handicrafts, softball, story telling, ping-pong, volleyball and many, many different games are featured every day of the week.

Wolves Continue Bantam Lead

Rich's Wolves continued to lead the Bantam South League after the fifth week of play.

The Wolves are still unbeaten in five games and lead the second place Boys' Club by one game.

In third place is Midland with a 4-1 record.

The Wolves downed McLaughlin in league action, 10-0, and edged by the West End Pirates, 2-1, in exhibition play last week.

Dan Hobert fanned five in notching his fourth league victory this season. He allowed only three hits.

Dan Hobert singled in Larry Larson in the first inning which proved to be enough for Hobert.

However, they added three insurance runs in the third inning on walks to Dale Tommervik, Larry Larson and Dan Hobert plus RBI singles by Jim Rich and Dave Gamache. Tom Tommervik's infield roller produced the third run.

Bill Hobert doubled with two out, stole third and scored on Tom Tommervik's long single in the seventh inning against the Pirates.

Bill fanned 13 in that one.

Spanaway clung to its one game lead in the Valley League's Eastern Division with a 5-2 win over Edgewood Sunday at Western State.

The loss stopped Edgewood's winning streak at four games.

Edgewood scored single runs in the second and fifth innings to take a 2-0 lead, but Spanaway came back brilliantly.

Vic Crowston, the Edgewood starter, wild pitched Buzz Eley home in the sixth and an error scored Jimmy Olson with the tying run in the eighth.

Dick Foran relieved Crowston in the sixth and lost it in the ninth.

A walk, an error, a sacrifice and Jimmy Olson's two-run single scored the eventual winning runs.

Bob Brewer racked up his third win without a loss.

Elk Plain needed a victory to gain the title last week, so they bounced Roy 26-7.

The Spanaway Auctioneers, who finished second with a 4-1 mark, downed Kapowsin, 16-7, but to no avail.

Elk Plain handed the Auctioneers their only loss of the season on June 20 by a score of 20-13.

Platter Chatter

By Mickey Hamlin

In accord with the present trend of reviving an old standard and dressing it up with a rock 'n roll flavor throughout the background, the Teenagers have just pulled the old favorite "Goody, Goody" off the shelf of yesteryear in an attempt to put it at the top of the hit parade. Frankie Limen, who sings the lead, does his usual fine job with the lyrics. The background is toned down quite a bit in comparison with some of the group's earlier hits, but it still maintains the destinctive style of the Teenagers. The boys haven't had a big hit in some time, but, with sufficient plugging, "Goody, Goody" could lead the Teenagers into the top ten once again. But only time and you, the public, can tell.

* * *

"A Fallen Star," which has been recorded thus far by Jimmy Newman, who has the big country-western version; Ferlin Husky, whose rendition is runner-up to Newmans and Dick Nobel, who has tried to establish the song as a ballad in the pop market, has recently been 'covered' by the Hilltoppers. They are also trying to turn the song to the pop field. The group does a fine job of the already popular tune, but Jimmy Newman and Ferlin Husky will lead in sales due to their earlier country-western recording.

* * *

Half-notes: Billy Ward seems to have something with his version of the old standard "Stardust" . . . The Del-Vikings have dropped one 'l' from Dell and are now recording for the Mercury label. Their former releases, "Come Go With Me" and "Whispering Bells," were for Dot. Their first two sides for Mercury are 'CCol Shake" and "Jitterbug Mary" . . . You jazz fans will be happy with the reissue of the four "History of Jazz" albums by the Capital folks . . . Carol Jarvis' "Rebel" seems destined for the top ten. Flip is "Whirlpool of Love" . . . "Today, Tomorrow' and Forever" by Patsy Cline of "Walkin' After Midnight" fame could break from the country-western field hit charts into the pop market. It's worth keeping an eye on . . . Johnnie Ray has a new hit with "Build Your Love On a Strong Foundation." All of his recent releases have been top pop material . . . Billy Williams' version of yet another old standard, "I'm Gonna Sit Right Down And Write Myself A Letter", could be headed up, up, up on the popularity polls . . . Be on the lookout for Elvis Presley's new long play album from "Loving You." It combines seven tunes from the show, including "Teddy Bear" and "Loving You," with five typically Elvis ballads.

Volkswagen Club

The next monthly meeting of the Volkswagen club of Tacoma is Thursday, July 11, at 8:00 p. m. at 5636 South Tacoma Way.

Plans will be made for an auto caravan trip for later this month.

All Volkswagen owners, not yet club members, are invited to attend this meeting and join in the fun plans of the Volkswagoneers."

Building toward a brighter future

In the past six months National Bank of Washington has reaffirmed its faith in the healthy growth of the areas it serves.

It has done so by adding two new offices to the banking family—Villa Plaza-Lakewood Branch in the growing Lakewood District near Tacoma . . . Mabton Branch in the lower Yakima Valley . . . plus a new building at Kent and new motor banking facilities at the Central Yakima Branch in Yakima.

National Bank of Washington's family now includes a total of twenty-two offices. The aim of each one of them is to provide you with the best in banking service.

Financially, too, National Bank of Washington is building toward a brighter future, as shown in the statement of condition for June 30, 1957.

Local Grange Hears of Meet

Delegates to the State Grange convention gave their reports at the regular meeting of Fruitland Grange Friday evening, July 5. Juvenile Matron Helen Greene reported that Fruitland Juvenile Grangers were awarded the Progress Plaque for their help in the Community church and observing holidays.

In state Grange contest work 2 blues and 1 red ribbon were received on Safety scrapbooks; 8 blues, 1 red and 5 white on corsages. Barie Greene received honorable mention on his Christmas card and Cathy Mullins a red ribbon on sewing. In the Hobby group, 8 blue, 7 red and 11 white ribbons were awarded the young Grangers by the State Grange.

Susan Van Etton and Barie Greene attended the Juvenile division of the State Grange and gave their report at the meeting also.

Newly-weds

There were 60 present at the bridal shower given for Janet Miracle and Tom Elsdon Saturday evening, June 29, in the Fruitland Grange hall by Leah and Maude Swalander. The men (about 20) played cards upstairs while the shower was in progress. The hall was beautifully decorated in summer flowers, with a white umbrella above the gift table. Many beautiful gifts were received by the honor guests. The couple were married July 6 at the Revised Latter Day Saints church in Puyallup. Parents of the pair are Mr. and Mrs. Ben Miracle and Mr. and Mrs. Thomas Elsdon.

Pickers Needed

Raspberry pickers are badly needed in the Woodland area; since we are about two weeks later than the Valley, the harvest is at its peak now, a good time for you housewives and older children to make extra money and get a sun tan. You'll see "Pickers Wanted" signs all along the roads.

To Japan

Airman 1st Class and Mrs. James Pope and daughters, Michell and Sherry left for San Francisco Monday June 24 to fly to Japan, where Airman Pope will be stationed with the Air Force for 3 years. Mrs. Pope is the daughter of Mr. and Mrs. Earl Conway of Thomas Road.

Surprise Party

The past president of Woodland P-TA, Art Horbor, will remember his year as president as he enjoys his new pipes his executive board gave him at a surprise party Tuesday night, June 24. Those present besides Art and his wife Bernice were Henry and Mary Bassi, Robert and Elaine McMahon, Betty Snider, Maude Swalander, Kathrine Grass, Flora Ruyle, Dorothy West and Margaret Mullins.

Cub Scouts

The Cub Scout Pack 91 held their annual picnic at Enumclaw Pete's Pool on Saturday, June 22. Those families present from Woodland were: John Haines, Walter Wests, L. Fuestons, Armond LeBlances, Charles Ferguesens, Art Harbors, R. Joslins, W. Longs, and Victor Gawleys. The Pack will disband for the Summer but will resume their activities in September.

In Posse

Two of our Woodland resident, Albert Bannerman and Ted McMaken, were with the Pierce County Sheriff's Posse that won the over-all state championship at the State Mounted Sheriff's Posse Convention held in Yakima June 21, 22, and 23. The convention was held in conjunction with the State Sheriff's Convention. There were 19 Posses participating with some 400 horses and riders.

Robin Roepke, son of Elmer Roepke of Walnut Road, is on the critical list at St. Joseph's hospital in Tacoma with a skull fracture. His bicycle broke, it is believed, while he was riding down a steep hill and he was thrown to the pavement. Robin was operated on Tuesday, June 25; a blood clot was removed and the doctors say he is coming along fine.

Move to Puyallup

Mr. and Mrs. Robert Schaeffer and family moved from Woodland road after living there 8½ years to Linden Drive in Puyallup. The Schaeffer family are quite a musical family and Woodland residents remember their playing for P-TA and talent shows in the area when their son Lynn was home. Lynn is now at Amarilla, Texas, in the Air Firce. Lynn played the accordion; Larry, now a Junior in Uuyallup High, played the drums; Mr. Schaeffer, the saxaphone and clarinette; Mrs. Schaeffer, the piano, and Lyle, now to go in the 5th grade, was quite small at the time and played a toy accordion in the family group. We will miss them as Woodland residents but their friends will still be able to visit them.

New Homes

Two of our new homes in Woodland will be finished and occupied soon after the first of July. The home of Mr. and Mrs. Berry Buttsford on Woodland road across from the Woodland Grocery. Mrs. Butsford is the daughter of Mr. and Mrs. Gilliland,, owner of the Woodland Grocery, and the home of Mr. and Mrs. Ed Swalander on Lundblad road. Ed is the son of Mr. and Mrs. Oscar Swalander also of Lundblad road.

ELBE . . .

Sewing Club In Busy Meeting

The Mineral-Pleasant Valley-Elbe Sewing Circle met June 25 at the home of Mrs. Pearl Engel in Elbe, with 15 present to accomplish much.

We were very happy to have with us two members who for some time had been hospitalized. Mrs. Jay Bickford had been ill at the Morton hospital, with several weeks of convalescence before she was able to be with us again. Also Mrs. Dan Auvil, who fell on an icy street a few years ago and broke her hip, which failed to heal until she was taken to an Army hospital in the east by her son, Merle Auvil, who is in the Army. After 10 months' treatment she is able to walk again. It was a real joy to have her back home and with us after so many months of absence.

Back From Italy

Mrs. Ceccanti Sr. returned home from Italy last week. She took the trip by plane. She enjoyed her visit with relatives in Italy and spent two days with Mr. and Mrs. Lucas (her daughter Mary and husband who live in New Orange, N. J.) before flying to Italy. On her return she spent four days with them. The weather was bad most of the time she was in Italy so she did not have the opportunity to visit as many as she had wished, nor to see many places she had planned to see. The busy time for the farmers here made her feel that she should get back to her duties at home so she came back and she says it seems good to be at Elbe again and there is no place like home.

Reporter, Mrs. Pearl Engel,

Mrs. Norma Setzer of Seattle has been visting her parents, Mr. and Mrs. Kenneth Fitzer. They celebrated her 21st birthday June 27.

Mrs. Charles Kirkpatrick went to Aberdeen recently to visit her mother, who is ill.

Mr. and Mrs. William Drussell of Tacoma visited their place in Elbe recently and spent the day mowing the lawn and other clean-up jobs.

Harold Milbrath and his son Robert have returned from a pleasant trip to Idaho, Montana and Wyoming where they visited relatives and friends.

Jack Hadley of Tacoma, of the Excise Tax Commission, visited Elbe recently. As a boy he attended the Elbe school when his uncle, Mr. Bramlett was the principal. At the time there were only three teachers in the school; Mr. Bramlett, Mrs. Minnie Bradbury and Mrs. Pearl Engel. Jack's father was the proprietor of the Park hotel, 8th and A Sts. in Tacoma.

In Hospital

John Fraser took suddenly ill recently and was rushed to Tacoma General hospital in Tacoma where he underwent an appendix operation.

Reporter — Mrs. Pearl Engel, Elbe.

Visitors

Mrs. Earl Hightshoe of Omaha, Neb., Mr. and Mrs. Archie Hightshoe and children of Ashland, Neb., and Mr. and Mrs. Harold Retynski and children of Seattle spent the Fourth with Mr. and Mrs. S. A. Hill of 610 South 140th. Mrs. Earl Hightshoe is Mrs. Hill's aunt whom she hadn't seen for 20 years; Mrs. Retynski and Mr. Hightshoe are cousins of the Parkland woman. The family enjoyed a picnic at Point Defiance park.

Busy Fingers Fete Mothers

The Busy Fingers 4-H club held their annual Mothers' Festival Friday, June 28, at the McCarthy home. The guests were the girls' mothers, Mrs. Florence Allen and Miss Lorraine Hughes. The tables and yard were decorated by the girls in the traditional green and white and colorful summer flowers.

Judy Thompson, president, was mistres of ceremonies; Mrs. M. O. Hammar, leader, gave the address of welcome; Linda Hammer, Peggy McCarthy and Susan Fordice gave cooking demonstrations, while JoAnne Snowden and Kathy Hamblin demonstrated on sewing techniques. Kathy Hamblin played the clarinet and several others gave a skit titled "A Typical 4-H Club Meeting."

The garments and articles made by the Busy Fingers in their sewing projects this year were displayed in a dress revue.

Mrs. Hammer's club presented her with a "thank you" gift and a luncheon, prepared and served by the club members, folowed.

Peggy McCarthy was voted to be the club's representative as junior prinees at the Junior Fair August 15, 16 and 17.

Boy Scouts

Stephen Sallee, Troop 84's representative to the National Scout Jamboree, and other Mt. Rainier Council Scouts, arrived this week in Valley Forge, Pa., where the camp began Tuesday.

Plans for Camp Hohobas were made at the Troop 84 parents' meeting Wednesday night, July 3, with Howie Snoden presiding. The 19 boys attending camp had their physical exams Monday night at the regular troop meeting and will be in camp July 14-20. Fathers Howie Snowden, James Wooldridge, and Charles Spragg will also spend the week at camp.

A work party consisting of Carl Heinicke, James Wooldridge, Forrest Sallee, William Reynolds, Howell Snowden and Edwin Brennheise spent last Saturday at the Scout Hall, tearing down the tower and putting on a new roof.

The next regular meeting will be September 4.

At Camp

Your reporter, Marlene Corrigan, and Pamela Gress, both June graduates of Franklin Pierce high school, are attending the Washington State Sportsmen's Council Girl's Junior Sportsmen's Camp at the National Guard Headquarters Camp at American Lake, this week. The program will include clases in water safety, outdoor cooking, bait casting, fly casting and tying, salt water tackle and hunter safety, parliamentary procedure and how to organize clubs. There will be films and discussions by personnel from the State Fisheries, Game, Forestry and Pollution Departments.

Marlene and Pam are both counselors in their respective cabins as they both attended the first camp of this kind last year at Pack Forest. An interesting and enjoyable week has been planned for these Junior Girl Sportsmen. Marlene is being sponsored by the Paul Bunyan Sportsmen club.

Altar Society

The Altar Society of St. John of the Woods Parish will hold their annual picnic at the Frank Reding summer home on Lake St. Clair near Olympia this Thursday, July 11, rain or shine. It was postponed once before because of rain. They will meet in front of the church at 10:30 a. m.

In Service

Putting in his six months in the service is Ronald Morud, son of Mr. and Mrs. Elmer Morud. He is stationed at Fort Ord in California. Ron has been attending the U. of W. His sister, Mrs. Ross Shultz, the former Beverly Morud, is attending the summer session at the U..or W. now.

Bridal Shower

A bridal shower honoring Miss Lorraine Hughes, County Extension Agent in Home Economics, was attended by over 60 leaders and 4-H members Friday evening, June 28, in the Midland Improvement club hall. Miss Hughes is leaving the Extension office about the middle of July to go to her home in Pullman to prepare for her coming marriage to Jack Albright on August 17. They will reside in California after the wedding where her husband-to-be is on the teaching staff of a college.

Those present at the shower enjoyed a program which included a humorous wedding skit, put on by Sandra Kittinger, Donna Ayers, Donna Freeman and Marlene Corrigan; Human Droodles" imitations by Roxanne Johnson and a ventriloquist act by the Baker twins from Waller road. Games were played and refreshments served. The tables were decorated in pink and white with little pink and white crepe paper covered umbrellas over nut cups. Girls in the flower arranging project made lovely flower centerpieces for the tables, all in pink and white. A large umbrella covered in the same colors and motif as the favors was used to attach all the beautiful cards presented to the bride-to-be. Assisting with the party and arrangements were Mrs. J. C. Kittinger, County leader president; Mesdames Walter Corrigan, Robert Lewis, Albert Bombardier, Frank Baskett, Frank Kobe, Kenneth Graves, William Hager, Myers Wheeler, Gilbert Carlson, and members of the Midland 4-H Clover club and the Midland 4-H Cloverbuds.

Mrs. Allen Zook is home again after her recent operation and is feeling quite well. We hope that she keeps on improving and will be able to be out and around again soon.

Elected

Larry L. Cleary of Midland was elected president of the Sixth Avenue Lions club at the June meeting. He owns and operates the Advance Sign Company of Sixth avenue and is greatly interested in the civic affairs in Tacoma as well as at Midland.

hello

Summertime is a wonderful season in these parts. Patio living is at its best these balmy evenings in Western Washington. This is a wonderful season for exploring the Pacific Northwest. Before you pack up the family car for that vacation trip, how about checking your reservations with a telephone call? The cost is low, especially if you call after 6 p.m. on weekdays or at any time on Sunday. Even if you're going to visit relatives or friends, you'll find it's best to call ahead and make sure. Use your telephone these summer days . . . it will run countless errands for you and keep you in touch. The more you use your telephone, the more you enjoy it and the more valuable it becomes.

Carol Wagner, one of our attractive Tacoma Service Representatives, will be glad to assist you in equipping your home with telephones in every room you use a lot.

Phones in the kitchen . . . bedroom . . . teenager's room . . . basement recreation room or laundry are part of *relaxed* living. And, relaxed living is inexpensive . . . three extension phones, for example, cost *less* than a dollar a week. More and more families are enjoying this low-cost luxury.

Of course, you'll want your phones in *color* . . . to suit your taste. You have your choice of eight decorator colors. Why not call me today and find out how easy it is to have color phones installed in *your* home?

With so many phone numbers changing throughout this area, it's a good idea to collect all those new numbers you use frequently in one spot where they'll be easy to find. A good place to write them down is in the handy Blue Book. We'll be happy to give you one. Just call, write or drop in . . . the Blue Book of Telephone Numbers is yours for the asking.
