## MOBLEY'S ADDITION - PARKLAND'S NEWEST BUILDING SITE

H. E. MOBLEY, (upper right hand corner) Parkland business man and World War Two veteran is developing this new residential site opened to the public. This aerial view shows a portion of the project in the first stages of development. Pacific Ave. may be seen in the upper left hand corner with A street plainly shown to the left. The Pipe Line road appears in the right center of the picture. There will be approximately 1/2 mile of streets built. Upon completion they will be taken over and maintained by the county. One street is under construction but does not show in this view. E. J. Rody and Sons, Contractors, are doing the construction work. Survey work on the addition was done by E. E. White, registered surveyor. The Parkland Light and Water Co. stand ready to put in water mains as soon as they have ten memberships in the new area. The Tacoma City Light will put in power lines at the rate of two poles per customer. Much interest has been shown in Mr. Mobley's project. Prospective buyers may be seen in the photo looking over the lots. Mr. Mobley reports sales of the lots are moving along nicely. All road work should be finished in the next three weeks. Mr. Mobley says that the advantage of building a home in this area falls in the fact that it is centrally located within four blocks of city bus service, school buses pass on A street, it is near the new Parkland bank, and the New Franklin High School will be built nearby to the East of the area. Lots are selling for as little as \$450 to \$650, but are subject to change without notice. They run in size from 65 ft. x 120 ft. to 70 ft. x 150 ft. Why not look over these building sites. You may find just the spot you've been looking for. They are selling on a low interest rate with only \$10 down and \$10 per month.

Broadcast: October 15, 1949  
1/2 cup Pet Milk 16 marshmallows, halved  
1 envelope unflavored gelatin 2 slightly beaten egg  
1/2 cup cold water 2 tablespoons lemon juice  
1 cup canned peach slices 1 1/2 cups canned, sliced cling peaches, drained  
2 tablespoons sugar 1/4 teaspoon salt  
1 teaspoon grated lemon rind

Chill milk until ice cold. Soften gelatin in cold water. Mix peach juice, sugar, salt and lemon rind. Add marshmallows. Cook and stir over very low heat until marshmallows are just melted, about 3 min. Stir in softened gelatin. Then stir into beaten egg. Add 1 tablesp. lemon juice and 1 cup peaches. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until fluffy. Add remaining 1 tablesp. lemon juice; whip stiff. Fold into peach mixture. Put into cold 9-in. baked pastry shell. Garnish with rest of peach slices. Chill until firm.
