Resent Council Move

The Roy city council, of Roy, came out in a statement today that it was an unwarranted action on the part of the county planning board to hold a hearing to take 10 square miles from the original Roy district to give it to Yelm. The council urges all citizens of the town of Roy to be present on Thursday, May 10, at 9 p.m. at the Roy grade school to protest this action. The council has filed a protest with the county superintendent of schools and is making its view known to the press and radio.

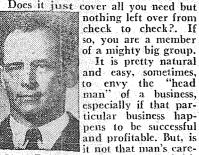

The resolution was signed by Mayor Wilbur Joubert; councilmen, Henry Harrison, Roy C. Nixon, Fred W Porsch and Maurice Goodwin.
