LOCAL BOYS HELP TAKE BURGLARS

Three local lads, taking their girls home in the wee small hours of Easter morning, ran right into adventure when they were deputized to help Merchant Patrolman C. K. Haney capture two burglars at the Daniels Hardware store at Parkland.

Haney, on his regular rounds, noticed a car parked in front of the store and, looking into the store, saw man moving there. He approached the car and ordered its occupant, a 16-year-old boy, to get out and lie down on the ground. Just then the three young men came along and stopped to see what was happening. Sensing that they could be trusted, Haney asked them to help him and gave them one of his guns, then entered the store.

It was some time before he located the burglar, who had hidden under a pile of baskets. Marching his pris-oner outside, Haney found a fight go-ing on as the young bandit, after trying to bribe his captors by throwing about \$100 on the ground, had leaped to his feet and started punching one of the boys, breaking his nose. At this point, everybody got into the fracas and both burglars were soon standing against the wall at gunpoint.

The three young men who helped in making the arrests were Ralph Coats, 7636 Winnetka; Vernon Clamens, 607 So. 116th, and Dick Hutchins, Rt. 7, Box 56, Parkland.

Taken to the Pierce county cour house, the two burglars confessed to three other jobs earlier in the night. They had stolen the car they were driving from the D. & D. Auto Sales on South Tacoma Way, money and cigarettes from Ted & Bill's Service at 88th & Pacific, and money and merchandise at French's U-Serve at Sales and Pacific, where they did considerable damage. They also admitted robbing a used car lot at 11th and Tacoma avenue. In all, Haney recovered \$183.51 in cash and checks. recovered \$183.51 in cash and checks. The name of the younger burglar cannot be printed because of his age; Grange, with music by Bernice Libak's orchestra.

COMDR. EMMET E. NOR-WOOD, Navy medical corps, has been awarded the Navy Unit commenda-tion for service at the U.S. Naval hospital, Yokosuka, Japan. He is the son of Mr. and Mrs. George M. Norwood of Eatonville.

This year, be sure that your chicks get the kind of start that assures a *profitable* laying flock next fall and winter. Start your chicks on Albers feeds and keep them on Albers from brooding through rearing and right on into the laying house.

Follow the Albers Plan also. It is a tested program of successful poultry management developed from years of scientific feeding and management trials at the Albers Research Station near Carnation, Wash.

Make it a point to call at our store and ask for full details on the Albers Plan the next time vou're in town. We'll be glad to furnish Albers helpful chick brooding booklets without cost or obligation.
