

The meeting June 25 was not as well attended as the Commander wished, but that is nothing to kick about because he looks for a full house every time. It was, however, a lively and enjoyable evening, packed full of action and interesting reports.

One feature of the meeting was the selection and election of a slate of officers to conduct the affairs of the Post or the ensuing year. The confidence of the membership was expressed in the following well-balanced list: Commander, William L. Bailey; Senior Vice Commander, Jens Jensen; Junior Vice Commander, Carl Swanson; Adjutant, Warren Stinson; Chaplain (Holy Joe), Bill Long; Sergeant-at-Arms, Alex Young. With that lineup, work for the coming year should hold no terror for Clover Creek Post 118. We are quite sure that something of interest will happen at every meeting, so the old latch-string is hanging out for all you Legionnaires and unit members to come and put your shoulders to the wheel—and PUSH.

The Ladies' Auxiliary Unit also conducted an interesting meeting at which delegates to the Department Convention were named. They are Irma Long, Mabel Hart, Bertha Bailey, Rose Stinson, Amy Wornald and Frances O'Hearne. That combination should be able to pass any resolution which they might favor. Uncle Pete says they could talk the leg off of an iron kettle.

The members of the Unit were very pleased over the report of Miss Virginia Lee Queen, the Clover Creek choice for Girls' State, Pullman. Besides telling of the organization, program of daily procedure, guidance personnel and the necessary good times which one hundred and forty young ladies enjoy, Miss Queen emphasized the fact that the knowledge she gained from her experiences was of inestimable value to her.

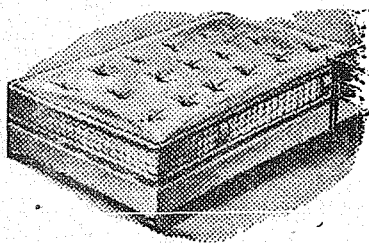

Now the comrades of the Post, not wanting to be outdone by the ladies of the Auxiliary, are trying to put a feather in their cap by seeing that Ronnie Bradshaw, their young bugler, is financially able, in his own right, to go to the Boy Scout summer camp.

All Legionnaires are cordially invited to attend meetings and make good on the organization's obligation to the community, state and nation, and share in the fun and pleasure which we enjoy by the wayside.

The meeting last Friday night was thoroughly enjoyed by all who attended and considering the fact that the weather was perfect and vacations were beckoning, there were quite a few in attendance. The ladies were in charge and did a wonderful job and from the eats to the entertainment there was never a dull moment. Several varieties of baked beans were augmented by plenty of the usual accessories and only the lazy or the bashful have cause to say that there wasn't enough to eat. The entertainment was tops and enjoyed by young and old alike.

The uniform of the day was the oldest and most tattered shroud available; failure to comply with the order was trial at the Kangaroo Court. Before the evening was over it was found to the dismay of many that there were various and sundry other charges that would insure the offender a trial at the austere court. Judge George Lange presided with an iron hand. The human side of the judge came to light when he very obligingly informed each defendant that they could save the 15 cents defense

After the potluck picnic dinner and a short business meeting conducted by Mrs. Jennie Palmer, club president, Mrs. Smith was called upon to share some of her reminiscences.

## Club Postpones Smorgasbord; to Sponsor Dance

Members of the Spanaway Progressive Community Club decided to hold a dance July 31 to raise money to pay for their resuscitator, instead of the smorgasbord they had been planning.

If any need for the resuscitator should arrive, Spanaway residents should call their fire department at GR 7026 beginning July 2.

The club has raised \$200 to date for the resuscitator, according to Merle Prettyman, chairman of the drive.

Ozzie Olson and his orchestra will play at the dance which will begin at 10 p.m. in the Elk Plain grange.

Mrs. Louis Symmons is in charge of tickets while Harry Smith has charge of the music. Paul Fread, president of the club, will take care of the other arrangements.

The group met Monday night at the home of Mrs. Symmons to discuss arrangements. Twenty members were present.

The smorgasbord has not, however, been cancelled but will be held some time during the first of September.

## Midland, Harvard Improvement Clubs May Consolidate

A joint meeting of the Harvard and Midland Improvement Clubs was held June 22 to discuss the possibilities of consolidating the two clubs.

No definite decision was made, and as only a small representative from each club was present, a committee was picked from each club to bring the matter before their own clubs.

The Harvard club will meet July 14 to discuss the proposal. Midland will meet July 6.

The membership and attendance at both clubs has dropped so low, that members believed the clubs could be built up into a better organization if the two groups combined forces.

## South End Sports . . .

### Scoreless Tie

A scoreless tie resulted after nine thrilling innings of hard play in the game between the Spanaway firemen and University Place last week. O'Leary was the starting pitcher and Bob Henrichson finished. Bill Righetti was the catcher.

### Catches 27-inch Trout

Word came to us of a fisherman catching a 27-inch rainbow trout in Alder Lake. His pole started to break as he was pulling the fish in, but "to heck with the pole," he exclaimed, and saved the fish. Another fisherman is said to have caught a 7½-pound fish in Spanaway Lake.

### It Was Close

The Parkland firemen retained their undefeated lead in the firemen's league when they defeated Lakewood—but it was close.

Lakewood led the Parkland outfit 12 to 6 in the last inning when the latter team rallied back to score 7 runs, winning the game 13-12. Woody Cline pitched for the winning team. Ozzie Ellingson was the catcher.

Other players were Morris Ford, Eldon Cook, Bob Lynd, Bob Haner, Bud Larson, Ernie Skance, Haley Peterson.

Parkland will play Spanaway next Monday.

### Tigers Undefeated, Too

Another undefeated team is the Parkland and South Tacoma Tigers, a team of boys 16 years old and under, managed by W. H. May.

The Tigers won 11-1 over Firecrest at Jefferson, Monday, with Wilkerson and Steichen as the battery, and again from the Eagles at Whitman field, Tuesday, 13-9. May and Botts were the pitchers and Steichen the catcher.

Boys playing on the Tiger squad are C. Botts, Don Steichen, Bob Roller, Dick Lack, Dale Steichen, R. Simerson, R. Storaasli, Woodard, Ron May, R. Wilkerson, J. Spezia, G. Tamasi, Don May, Bob Weiler.

## Postal Notes

FROM THE PARKLAND POST OFFICE . . .

### Holiday

Postal employees get a two-day holiday this weekend. The Fourth of July falls on Sunday and regulations provide that all government offices shall observe Monday as a holiday. The post office will thus be closed Sunday and Monday and there will be no incoming or outgoing dispatches of mail on those days.

Mr. and Mrs. Elmer Lankford and young son Johnny will leave on Saturday for a month's trip through the middlewest. Lankford is dispatch clerk in this office and is using his annual leave time for a visit with relatives in Minnesota and Illinois.

### Up-Grade

Today (Thursday) is the start of the 1949 fiscal year for all post offices and word came recently from Washington, D. C., that the Parkland office had been raised one grade due to an increase in revenues. Previously the grade was based on \$15,000 annual stamp sales. During the 1947 calendar year sales went over the \$18,000 mark, resulting in the boost.

## Firemen Back On the Job At Spanaway

Spanaway volunteer firemen are back on the job after resigning their positions several weeks ago, naming "lack of cooperation from the fire commissioners" as their reason.

However, the two fire groups and the commissioners have decided to go ahead and work out their difficulties together.

All members of the Spanaway-Elk Plain fire department and the three commissioners were present at a special meeting held June 21.

Frank Tally, retired fire chief from Los Angeles, now living in Spanaway, acted as spokesman for the commissioners. He said they admitted they had made some mistakes but that they would try to remedy them.

Tally has agreed to act as fire chief to get the districts working together as a unit. Merritt Shandrow, former fire chief, will be assistant fire chief in charge of Station No. 1 at Spanaway. Lloyd Dillingham will also be an assistant and will have charge of Company No. 2 at Elk Plain. Clarence McClure will be the deputy chief.

## Clover Creek Girl Hostess at Shower

Miss Bessie Roland of Clover Creek was hostess to a group of friends at a bridal shower for Miss Florence Keane and Mr. Russell Everline. The shower was held June 25 in the home of her parents, Mr. and Mrs. Omer E. Roland.

The evening was spent in games and contests. Those winning prizes were Paul Nichols, Florence Keane, Mrs. Robert Hammond and Nancy Boness.

Guests present were Nancy Boness, Leona Sweet, Mr. and Mrs. Robert Hammond, Mrs. Paul Stranahan, Paul Nichols, Mr. and Mrs. Omer E. Roland, Edward Roland, the hostess and honored guests.

## Parents Welcome At Teen-Age Dance

A dance, open to both teenagers and their parents, will be held July 1 at the Midland Improvement hall.

Mixed dancing will be featured. Refreshments will be served. Admission is 35 cents.

## Spanaway Couple United in Double Ring Ceremony at Methodist Church

Pastel hues of the gowns in the wedding party formed a garden scene with veri-hued flowers on the altar of Epworth Methodist church June 25 when the Rev. Francis Kinch read double ring vows uniting Miss Barbara Helen Jackson of Tacoma and Robert Frederick Pollock of Loop Road, Spanaway.

While Mrs. Vivian Steelman and Miss Virginia Mamlock played organ and piano music, candles were lighted by the Misses Enid North and Betty Mommson. Miss Lois Daly sang "Because" and "Always."

The white bridal gown and train worn by Miss Jackson was one belonging to her aunt, Mrs. R. Simons of Portland. Her veil of French illusion was bound by a small matching headpiece. She wore a gold cross, a gift of the bridegroom, and carried a white orchid on a Bible. She was given in marriage by her cousin, Robert S. Turner.

Attendants were Mrs. Robert S. Turner, cousin of the bride, as matron-of-honor, wearing peach; Misses Grace and Gladys Miller, Penny Munter and Joan Davis, in yellow, rose, blue and green, respectively, all with matching floral headpieces. R. E. Erickson, a cousin of the bride, was best man and the ushers were Leonard Glaser, Val Harkness, Eddie Asp Jr., and Gene Harkness.

In the fireplace room of the church guests were greeted by the couple, and Mrs. Florence Jackson, mother of the bride, Mr. and Mrs. J. H. Devlin, parents of the bridegroom, and Mr. and Mrs. E. G. Erickson, uncle and aunt of the bride.

Presiding at the coffee table was Mrs. P. L. Miller, while Mrs. R. Simons cut the cake. Also assisting were Mrs. Ruth Simons, Mrs. E. G. Erickson, Mrs. Moak, sister of the bride, and Miss June Baldwin.

For her going away suit the bride chose orchid and white accessories and a white orchid. After a ten-day honeymoon the couple will be at home at 211 North Yakima Avenue.

Mrs. Pollock attended Stadium high school. Her husband is a graduate of Clover Park high and attended Pacific Lutheran College. He also spent three years in the Naval Air Corps. He is now in the employ of the government.

### Ride 'Em Cowboy

Clover Creek has an up and coming bronco buster in Lee Hawkins, an employee at the Kuper dairy farm. Hawkins entered a rodeo in Chelalis over the weekend and won the second prize of \$90 for Brahma bull riding.

### Service to Begin

Parkland has looked like a beehive for state patrolmen during the last week with the four employees of the Northwest Armored Car Service walking around town in their uniforms which look remarkably like those of the state patrolmen. The armored car for the company has arrived and the service will start operating July 1.

**Consolidation Desirable**

The possibility of consolidating the Midland and Harvard Improvement clubs has now come before the two groups.

The membership and attendance in both clubs has fallen so low that it is probably wise that the clubs do combine forces. The larger membership resulting from the consolidation would give the group much more power than two small groups in achieving improvements for their community. It would also provide more workers to take on the tasks which need to be done.

However, it is too bad that the people in each community have taken so little interest in their improvement clubs that this measure seems to be the only one feasible to save the club from total disbandment.

The residents in both communities should have had more pride and community spirit than to let this happen.

**Back on the Job**

The property of Spanaway residents is again protected from fire as the Spanaway firemen are back on the job.

The two companies in the Spanaway-Elk Plain fire department and the commissioners have decided to work their difficulties together.

This is not the first time the Spanaway-Elk Plain fire department has had difficulties among its forces. Let's hope this time that their difficulties can be worked out permanently so that they may again function as a co-ordinated unit, giving the residents in the Spanaway-Elk Plain district the maximum protection possible from fire.

One of the recent outcomes of the new "working together" policy of the department has been the preparation of a trailer which holds 2,000 gallons of water for use in putting out fires. This instance gives hope that their difficulties will be worked out in time.

**Have a Safe Holiday**

All you South Enders who are planning to celebrate Independence Day by shooting off fireworks might take heed of a warning issued by the Parkland fire commissioner, Clarence Marsh.

Be sure to keep all fireworks in a safe area, cautioned Marsh, to avoid any chances of starting a fire.

It won't be much of a holiday season for anyone injuring himself or his property through careless use of fireworks.

Don't sit with a chip on your shoulder when the traffic officer tells you to "take it easy"! He stops and warns dozens of Simple Simons every day—to save them and others from accident and death. Safety is his business.

Speed—the greatest cause of fatal accidents—kills 10,000 and injures 400,000 every year.

You can help make the highways safe. Respect the rules of the road. Observe all speed limits. Never drive too fast for road or traffic conditions.

Think right—drive right! You won't lose much time—and you may save a life!

attorney fee as he already had his mind made up and they were guilty regardless of argument. The Clerk of the Court came out with a substantial amount in the treasury, which was turned over to the Ladies Auxiliary to be used in their treasury.

Edna Bromgard favored the audience with a breathless display of water glass balancing. In a

brief pantomime, Al Seaman made like a jealous husband and threw Jim St. John all over the place. Jim wishes to state that he or anyone else who might have aspirations for the affections of Al's lovely wife had best do their admiring from a distance—the farther the better.

Miss Frances St. John won first prize for the ladies' costumes while the men divided their prize as the contest for the best costume was

too close. Mr. H. Doering won the prize for the most comic costume.

All in all everyone had a swell time with good, clean, old-fashioned fun being predominant.
