Thursday in his honor. Swindland has worked in the Parkland area since the National Bank of Wash, opened a Parkland branch in 1949. He has been with his presentemployer the past 46 years.

He entered the banking business in 1919 as a \$50 per month messenger boy for the Scandinavian-American.When that bank liquidated its assets a year later, Swindland joined the staff of the old National Bank of Tacoma, renamed the National Bank of Washington

Recalling his early days in the banking business, Swindland stated that persons seeking a checking account would submit references, previous credit statements, along with their detailed application. After waiting 10 days for the bank to complete a detailed investigation, the applicant was notified if he could qualify for a checking account.

"In those days overdrawing a checking account was a cardinal and unforgiveable sin," he stated. "Anyone who overdrew his account a second time had his account cancelled out automatically."

After a moose hunting expedition into British Columbia. Swindland said he and his wife will take advantage of retirement by touring Southern California.

BILL HUNTINGTON'S

Here is a real PRIZE WINNER ...

... this beautiful display was the work of Stella's Flowers, 12169 Pacific Avenue in Parkland. If this was only in color (as they say on TV) ... the photograph almost looks like a painting, but this display at the Western Washington Fair last week is the real thing. The girl in the picture isn't real, I don't think, that's the only thing my wife wouldn't let me near . . . Congratulations are certainly in line for Stella and

OFF WE GO . . . last week our action packed series featured high flying, Bill Brand . . . and no sooner did instructor Willy come back to earth when a new member of the rapidly growing staff at Spanaway Airport shows up on the scene. Introducing . . .

... the back side of instructor KEITH STIGEN, approaching the front side of a Cessna airplane. Keith became a private pilot in 1948 at Port Orchard. September 1st marked the end of 20 years service in the Air Force. He has 11,000 hours in the air as a crew member or pilot. As Keith puts it, he is married and has a handful of children (namely five), sounds more like a house full to me. Now if you're interested in flying, Keith and Bill will let you take the wheel of a beautiful Cessna for only \$5. After you find out how much fun it is and how easy it is to fly you won't want to come down. I took a ride with Bill last week, and all I can say is, me-oh-my what fun. I really had a ball, it put the Great Green Ground Grabber to shame.

Did you happen to go to the fair . . . oh what a group of people . . . never have I been so cramped . . . I walked side ways for two days after the fair. My biggest worry was that I might fall down, be missing for days . . .

#### What Happened?

Holy upset, gridman . . . whatever happened to the fine art of pigskin prognostication? I leave town for two days and half the district comes a cropper.

An unexpected Yelm tornado did a nasty bit of damage by upending the Orting Cardinals 13 to 12 in a game as

tight as a Scotsman's pursestrings. And if that weren't bad enough, the Fife Trojans and the Bethel Braves both get edged by what were considered to be their "country cousins."

Oh, well . . . just goes to show you . . . the game of football is as unpredictable as tomorrow's weather. Lat's hope for clearing skies and try to improve our 10-4 record.

Our condolences to Jim Owens, Bert Clark and Bob Ryan. Big Jim's Huskies were victims of their own mistakes and Air Force hustle. Bert's boys simply ran up against too much speed plus Bo Burris, a

gambling quarterback who thinks a two card draw to an inside straight is money in the bank. WSU's Jerry Henderson filled the Astrodome with footballs, completing 21 of 39 attempts for 221 yards. Logger coach Ryan need only look at "fumbles lost" to see why his team came out on the short end of a 19-10 ballgame. UPS gave up the pigskin 4 times, twice deep in Wildcat country.

Lookin; over the upcoming slate, this week's games should end up something along these lines.

PUYA LUP vs EVERGREEN. Looks like the Vikings have a solio team. They should make it three straight in the young season. Puyallup 20, Evergreen 6.

FRANKLIN PIERCE vs LINCOLN. The Abes are going to find the Portland Avenue address much more difficult to deliver than Gettysburg. We like the Cards in a close one. Cardinals 14, Lincoln 7.

BETHEL vs NORTH THURSTON. The Brave's scalping party will not be caught on the horns of dilemma, but on the horns of the Rams. North Thurston 27, Bethel 6.

FIFE vs MOUNT SI. The Trojans are hungry for victory, and the Wildcats will serve the purpose. Fife 19, Mount Si 0.

SUMNER vs FOSTER. The Spartans are rolling . . . this could be one of their better teams in recent years. Sumner 13, Foster 6.

EATONVILLE vs YELM. The Tornados upset Orting last week, but who ever heard of a Tornado in Cruiser country? A few broadsides will reduce Yelm to a soft summer breeze. Eatonville 26, Yelm 13.

ORTING vs WINLOCK. Coach Cecil Meiser will do a little reshuffling with his stacked Cards and come up with a pat hand. Orting 19, Winlock 7.

Although the pro season is just beginning to shape up, it looks like Green Bay and Dallas are the powers this year. If they should happen to meet for the title, I'd be inclined to go with the Cowboys . . . how do you stop a guy like Bob Hayes? Vince Lombardi has probably lost a few night's sleep pondering that same question. Best bet would be with a constant red dog pressure on Don Merideth, Dallas

By Jeannie Crumb

Franklin Pierce students are still talking about the Music for Modern Americans Assembly, held last week. The Spurrlows, a singing group sponsored by Chrysler, Inc., presented an impressive program, featuring popular songs of today and "oldies but goodies" of the past.

Being a Frosh at Eatonville High School did not mean being too terribly dignified last week. In order to complete the initiation week, the lowly freshmen had to obtain a list of senior signatures, a task which included wearing signs from the neck to the toes, bowing to all seniors, tying upperclassmen's shoes, and singing the school song at the top of his lungs, until the poor frosh turned bright magenta. Maybe he'll have better luck as a sophomore next year.

Career Day will be coming up November 10 at Eatonville, and EHS is starting to choose sessions this week. Professionals from all occupations come and students can attend the sessions they're interested in.

"Up with the Juniors" and "Down with the Seniors" echoes throughout the Fife High School gym when the students held their season ticket drive. Each class presented a skit before the counting of student body tickets began.

The seniors placed first in the following divisions: best skit, costumes, originality, most tickets sold and best allaround. The juniors managed a first in the spirit and yells division. Both tied for best conduct.

Congratulations to the Puyallup Band, one of five bands honored at the annual University of Washington Band Day on September 17.

After joining the other bands in the pre-game and halftime shows, which took weeks of practicing, the PHS band members enjoyed watching the game.

## Local Gridders Plagued By Upsets Fife, Bethel And Orting **All Suffer Setbacks**

Fife's Trojans travel to North Bend Friday to meet the Mt. Si Wildcats in what shapes up to be a "must" game for Coach Rich Daniels' gridders.

The Peninsula's Seahawks scored in the first quarter and added a safety in the third stanza to upend the men of Troy 8-6 in a squeaker. In between the scores by the Seahawks, Fife's Tom Merritt counted on a one yard

"Our offense broke down, but our defense came along and we solved some of our problems," mused Coach Daniels. "Our kids must believe in themselves as we are a good team," he concluded.

Friday's opponent, Mt. Si, employs the outmoded single wing attack and according to Coach Daniels, "We expect a lot of running off tackle." If the Trojans can get their defense and offense clicking simultaneously, they will be

#### Bethel-Mt. Si

BETHEL - Bethel plays host to the unbeaten North Thurston Rams Friday night, as they hope to get back on the winning track after being dumped by Mt. Si 70.

Don McCronkey scored the only touchdown on a 5 yard scamper. He carried the ball six times for 33 yards in the 38 yard drive.

North Thurston brings a 2-0 record into the tilt as they have whipped Fife and Tumwater while the Braves have an even ledger, beating Tumwater and losing to the Wildcats.

#### Pierce-Evergreen

Puget Sound League Southern Division powerhouse Franklin Pierce steps from the loop to meet rugged Lincoln of Tacoma Friday night on the Cardinal field.

The Cards blanked Evergreen 26-0 last week for their second easy win of the year as Gary Hammer and Gary Stevenson led the way. Hammer scored twice in the lopsided contest as the cards completely dominated the tilt.

Franklin Pierce held a 17-0 halftime lead and ran it to 26-0 at the end of the third frame. Along with the TD's, the Cards scored on a 25 yard field goal by Marr and a safety on a blocked punt in the end zone by

Harshman. Lincoln meanwhile slammed East Bremerton 20-7 in its opener last week.

#### Eatonville-Rochester

EATONVILLE - Eatonville Cruisers, with two sound victories behind them, may run into trouble when they meet the doughty Yelm Tornadoes in Eatonville Friday night.

Rick Hermsen, Chuck Chappell and Don Rose led Coach Larry Hosley's Cruisers past Rochester 34-0 in their latest outing. Hermsen ran for one touchdown and passed to Chappell for two more. Rose, the contest's leading ball packer with 91 yards, scored the other

TD n a 57 yard gallop. While the Cruiser's were blasting Rochester, Yelmedged Orting 13-12. This made two upsets in a row for the Tornado eleven as the week earlier they had dumped St. Martins 21-0.

#### Orting-Yelm

ORTING - Coach Cecil Meiser's Orting Cardinals, after being nipped by Yelm 13-12 last week, face Winlock Friday night in Orting.

Yelm scored as they took the opening kickoff and drove in for the touchdown and received the second half kickoff and reached pay dirt a second time. The Cards scored with about a minute to go in the first half and again in the fourth period. The margin of victory proved to be an extra point scored after the initial Yelm

Winlock dumped PeEll 14-7 last week for their second win of the season against one defeat, an identical record as that of Orting.

#### Sumner-Laughbon

SUMNER - Sumner's Spartans with their heavy artillery ready to explode, entertain the Foster Bulldogs Friday night at Spartan Field.

With the passing of Rick Zydek to Marvin Woelever complementing the running of halfback Rick Fabiani, the Spartans have a potent offensive attack and should be able to handle the Bulldogs.

Last Friday night the Sumner Spartans took their second straight win by dropping the Laughbon Panthers 19 -6. Mary Wolever led the Spartans at the Fort Lewis Field by scoring two of Sumner's touchdowns.

The first quarter of play was on the defensive side as neither team was able to move the ball. Midway through the second stanza Wolever snagged a Rick Zydek pass for a first Spartan score. The conversion attempt by Don Reeves was blocked.

Later in that same period Sumner's Rick Fabiani charged down field 40 yards for the Spartans second tally. This time Reeves kick was good for the extra point. Halftime had its Sumner's favor 13-0.

The third period belonged to the Panthers as they scored on a 78 yard pass interception by Mike Bitow. The Spartans were unable to pull their offense together in that per-

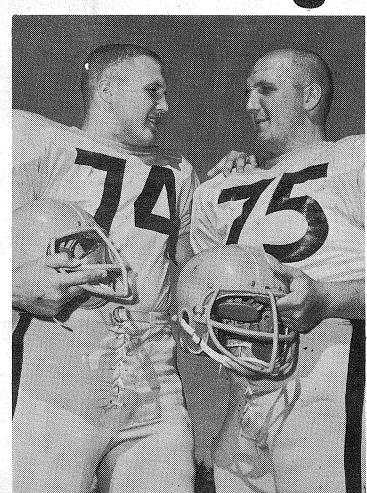

Laughbon threatened to tie the score in the fourth stanza but Coach Anderson's boys regained the ball deep in their own territory. Before the period ended quarterback Mark Templeman completed a T.D. pass to Mary Wolever, his second of the game. The score then stood 19-6 in favor of the Sparts.

#### Puyallup-Tyee

Puyallup's Vikings, high after their second win of the season in their 33-0 shutout over Tyee last week, host Evergreen Friday night in another non-league battle.

Guided by the steady hand of quarterback Dave Graham, who tallied twice himself on a who tallied twice himself on jaunts of 3 and 28 yards and passed 1 yard to fullback Mike Haynes for another TD, the Viks completely outclassed Tyee. Puyallup's overwhelming defense bottled up the Totems and led directly to two touchdowns. Tackle Marv Thompson recovered a blocked punt in the endzone and Dory Clauznitzer skirted end for 7 yards and a score after a short Tyee punt went out of counds on the Totem 8.

Friday's opponents Evergreen holds a 1-1 record after they were dumped last week by Franklin Pierce 26-0. The week before they were victorious over Federal Way in their opener.

TWO BIG REASONS why the PLU Knights are tough up the middle are Bill (74) and Bob Krieger (75), a couple of six footers who fill the starting tackle slots with 434 pounds of beef. Lute head mentor Roy Carlson says Bob should be one of the best tackles in the league and Bill is the most lege, led the Lute attack and consistant performer. Both will see lots of action against Linfield this Saturday.

## Knights To Host Linfield Saturday

Making their debut in Northwest Conference football play, the Pacific Lutheran University Knights will be at home Saturday to the defending Pierce Stadium.

Led by senior quarterback Terry Durham, Linfield has a veteran ball club which is one of the most powerful teams among the nation's small colleges. Last year they went to the finals in the N.A.I.A. national competition. In their opener they trounced the Whitworth Pirates, 61-0, a club which the Lutherans defeated 35-27 last week. The Wildcats were derailed 22-7 last Saturday by Cal Poly at San Louis Obispo, but figure to come back strong this week.

The Knights showed marked improvement in their ground game against Whitworth when they rolled up 301 yards from scrimmage. Senior quarterback Tony Lister and junior halfback Ken Harding, a transfer from Grays Harbor Colscored two touchdowns each. Lister leads Knight ball carriers with a net of 111 yards in 26 carries for a 4.3 average and Harding is next with 79 yards in 20 tries for a 4.0 average.

With his offensive shortcomings showing improvement, Coach Roy Carlson of PLU is concentrating on pass defense in practice sessions this week. Whitworth completed 15 aerials out of 40 for 229 yards against the Knights, and Linfield figures to be just as good a passing team as the

Defensive standouts against the Pirates were senior end Art Hooper, who made 7 tackles and knocked down two passes; freshman tackle Dave Thorn, who made seven tackles and intercepted a pass for a touchdown; and senior end Oliver Johnson, who made 5 tackles, blocked a punt and knocked down a pass. Hooper went both ways, filling in on offense for the injured Jeff Carey. Junior end Carey injured his leg in the opener against UPS, but is expected back this week.

A shortage of farm labor throughout the state has created harvest problems for many growers. The economic problems of the farmer, as well as the living conditions of migrant workers highlight the need for the current study.
