## B-LINE TRANSIT BUSES OPERATING; PARK CARS FREE

The B-Line Transit Co., Inc., organized with the co-operation of the business people of the Spanaway and Parkland area, started regular operation Thursday, Sept. 11, inviting all residents of the community to ride its buses free that day and Friday. Many enjoyed making jaunts around the district.

A new development, of special interest to those living beyond Spanaway, is the parking lot which Martin Gibbons of Gibbons' Spanaway Food Center is providing for the free use of bus customers. It is pointed out that it is a real advantage to workers at McChord Air Base, the Rainier Ordnance Depot, Fort Lewis and Madigan hospital to leave their cars here and take the bus to their work, thus avoiding traffic hazards and parking problems at the bases. Others are entirely welcome to use the parking lot, which will accommodate 55 cars.

People are just beginning to realize the value of the new service. Those in outlying areas are able to get to the shopping centers of Spanaway and Parkland to do their buying in the daytime, even if the husband needs the car during working hours.

Those who have friends can go visiting on the spur of the moment, traveling quickly and comfortably to Summit and Midland by transferring to the Woodland bus, returning home the same way. The transfer point is Airport road and Polk street.

Transfers, via Tacoma Suburban Lines will also take people to McChord, Ft. Lewis, Rainier Ordnance Depot, Fort Lewis, and DuPont, the two bus lines making connections at Airport and Highway 99 and at Sales road and Highway 99. Transferring at these same points, customers may also ride into downtown Tacoma or South Tacoma.

Passengers who live in outlying sections served by the B-Line bus may also transfer to Tacoma Transit Co. buses at 96th and Pacific avenue.

A bus line of this kind has long been considered a "must" in the rapidly growing district where many groups of new homes are too far from existing bus lines for satisfactory service to residents. The B-Line Transit Co. routes are mapped with the intention of giving the greatest benefit to the most people possible on a scale which the community can easily support if people use the service when it is to their advantage to do so. Those who have bought shares in the corporation have no dreams of getting rich—their only hope is of providing a needed service which will promote the development of the community, increase real estate values and aid in the business life of the section. The success of the venture is in the hands of the people. The service is available to them at reasonable rates. Those who can use the service should do so now, thus giving support and encouragement to the area's newest enterprise.

PFC ROLAND CHRISTEL, son of Mr. and Mrs. Soile K. Christel of Rt. 4, Tacoma, has arrived in Japan where he is training with the 24th Infantry division.

## Legion News

Parkland Post and Unit No. 228, American Legion

The office of secretary-treasurer, vacated by the resignation of Mrs. Frances Berry, was filled by the unanimous election of Mrs. Virginia Blakely. Mrs. Blakely, a graduate of Washington State college and a member of many civic organizations, has already shown her outstanding ability in her new office by preparing the treasurer's books to be audited at the next executive board meeting. She has also mailed membership cards to all members who have paid their 1953 dues.

Mrs. Ruthy Amon, child welfare chairman, was elected second vice-president and Mrs. Nelda Fritz, Girls' State chairman, was elected to one year on the executive committee.

Two distinguished visitors, Mrs. Frances Smith, past Department Constitution and By-Laws chairman, and Mrs. Ray McGrath, past District Constitution and By-Laws chairman, aided the membership immensely in the parliamentary procedure during the meeting.

Mrs. McGrath also presented a gift to Mrs. Nelda Fritz in appreciation of her assistance during the state convention.

Various activities chairman reported, among whom were the convention delegates, Mrs. Helene Linder and Mrs. Phyllis Blackstone. Also reporting was Child Welfare Chairman Mrs. Ruthy Amon. Mrs. Amon is asking all members and non-members for used clothing in order to aid needy families. Children's clothing is especially needed. Pick-up of donations will be made by the chairman. Phone LA. 3611, extension 24101.

A very interesting report was made by Mrs. Mary Lanz, rehabilitation chairman. A film on mental cases will be shown at the American Lake hospital October 23 and at the present time there is a need for voluntary workers at the hospital in the library and shock therapy.

Mrs. Helen Haddon reported that September 28 will be observed as Gold Star Mothers Day in all churches and urged all members to attend church on that day.

Mrs. Lillian Scheyen gave a short talk on "I Am An American Day." Sept. 14 was officially proclaimed "I Am An American Day" by Governor Langlie and the American flag was displayed in all parts of the state in recognition.

The executive board and committee will meet at the home of Mrs. Blackstone, 4507 New Lane S.W., Tacoma, on Monday, Sept. 22, 1 p.m.

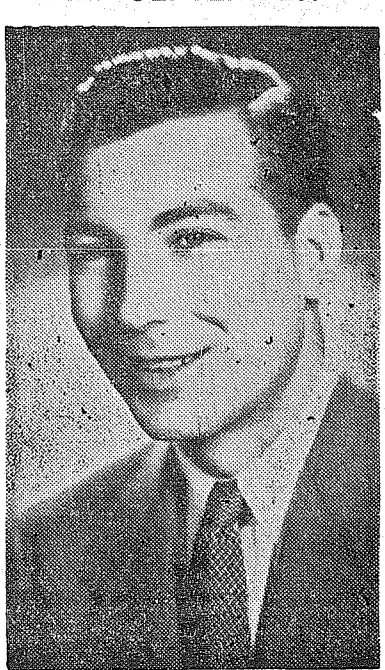

Members of the Post will meet at the home of Commander James Linder on Sept. 24 for their monthly executive board meeting. The meeting will start at 7:30 p.m.

The next regular meeting of the Post will be on Sept. 26 at the Sunshine hall at 8 p.m. Highlight of the evening will be the Boy Scout Honor Guard Court for Explorer troop No. 228. Al Seaman is in charge of the affair and further information concerning the events of the evening will be published in next week's Times.

### Preschool

The first full meeting of the Kapowsin-Elk Plain Preschool will be held Tuesday, Sept. 23, at 9 p.m. in the kindergarten room of the Kapowsin grade school. A good attendance of all kindergarten parents of both communities is urged. Mrs. Reinstrom will explain the daily schedule of the kindergarten child; also several problems are to be discussed.

## CONTROL COLDS IN SEPTEMBER

MOON MULLINS

"Few people realize the re-infecting power of the average bed pillow when it comes to such common diseases as a cold or the flu. Keep bed pillows clean and sanitary and this re-infection is greatly reduced in any family," says Moon Mullins, salesman for the Puyallup Laundry and Dry Cleaners. "At the Puyallup Laundry and Dry Cleaning plant we wash pillows in live steam. Returned to your home after this Muroza cleaning process, your bed pillows are absolutely sanitary, and soft and fluffy as new. Call Me at Puyallup 5-6651 for pillow cleaning. I'll guarantee complete satisfaction and give you FREE pick up and delivery service."

## White-Nelson Rites At Trinity Church

Miss Joyce White and Robert Melvin Nelson were wed Aug. 29 at the Trinity Lutheran church. She is the daughter of Mr. and Mrs. Charles White and he is the son of Mrs. Dina Nelson.

The bride chose a gown of white satin with a V neckline trimmed in seed pearls for the double-ring ceremony. Her tulle veil was attached to a crown that was also trimmed with pearls. She carried a bouquet of pink roses and white carnations.

Mrs. Francis Getty, sister of the bride, was matron of honor. She wore a ballerina length gown of green organza and carried a bouquet of yellow gladioli. Miss Marilyn Grossman and Miss Charlotte Foster were the bridesmaids and their gowns were of pink organza and they carried bouquets of green gladioli.

Lloyd Larson was the best man and ushers were Kenneth Shaffer, Norman Nelson, Clarence Nelson, and Norman Pribnow.

Wearing yellow organza were the candlelighters, Misses Lola Northrup and Geraldine Zachary. Miss Margaret Tubbs sang, accompanied by Miss Barbara Hedlund.

Mrs. White wore a navy blue dress and Mrs. Nelson a green suit, while both mothers' costumes were enhanced by pink carnation corsages.

The church basement, adorned with gladioli, was the setting for the reception honoring the newlyweds. Honored guests were the brides' grandmothers, Mrs. Hilda Anderson and Mrs. Hilda White. Assisting at the affair were Mesdames George Adams of Sumner, M. O. Bigelow of Parkland and I. G. Young of Tacoma.

The new Mrs. Nelson changed to a navy blue suit for traveling; her corsage was of pink roses. Both the young couple are graduates of Lincoln High School.

## Central Avenue Preschool Due

Central Avenue Preschool will meet at 8 p.m. Thursday, Sept. 18, in the kindergarten room at the school. A musical program will present Calvin Knapp of the Juillard School of Music, New York, in instrumental numbers and as accompanist for Mrs. Jack Stuart, formerly of the Lincoln capella choir, who will sing. Bobby Walsh will play accordion sections.

Hostesses for the social hour will be Preschool officers: President, Mrs. Charles Tennent; vice president, Mrs. Joseph Holt; secretary, Mrs. S. C. Hart; treasurer, Mrs. Glen Carmack.

## Parkland Business Club Due Wednesday

Parkland Business club will hold an important meeting Wednesday evening, Sept. 24, at 8 p.m. at the National Bank of Washington, Parkland branch. Roger McDonald will preside and the highlight of the discussion will be the proposed sewer district project.

Mr. McDonald urges all local business people to be present as the matter is of vital importance to the community.

## Ties for Top Honors

Kay McKee of Graham tied for top honors in the clothing, crafts, canning and home management divisions at the Western Washington fair at Puyallup, sharing the distinction with Wallace Lee of Puyallup. Each girl had 11 blue ribbons and a total of 16 blue, red and white ribbons. Pierce county 4-H members won 219 ribbons in the four divisions, girls belonging to clubs in Times-Journal territory taking home an imposing number of awards.

## Dance at Graham

The Graham community is giving a benefit dance at the Graham Grange hall Sept. 27 at 9 p.m. for Effie and Cliff McGee who had the misfortune of losing their home in a fire Tuesday night, Aug. 26. Donations, \$1. Music by the Rhythmairs; everyone come and help.

### Correction

In last week's Times-Journal the photograph of the Midland Volunteer Fire department team putting on the fine show at the recent Field Day at Dawson field was credited to McCaw Studio of Parkland. The picture was taken by James Teal of Tacoma.

Wes McKewen of the studio at Parkland has given generously of his time and talents on many occasions when a credit line was accidentally omitted from the printed copy, so perhaps last week's error evened up the score at bit, especially when Mr. Teal had no complaint.

## New TV Shop Now Open on Pacific

Siler's TV shop opened last week at 11230 Pacific avenue and is now showing a fine line of Motorola television sets as well as table model radios. Other items will be added in the near future and the shop will feature service on all makes.

Jack Siler is owner of the business, with Don McLean, formerly with Northwest Radio, as manager. Salesmen are Robert Purcell, Al Shumacher and Gene Bekinski. Siler's has a very special offering to mark the shop opening, detailed in a large advertising space in this issue of the Times-Journal. The formal opening event will be announced for an early date.

## Mostly About Horses

By Clarence La Crosse

The Parkland Junior Show turned out to be a huge success with a lot of entrants . . . everyone had a good time and got a lot of dirt all over themselves but then what's a little dirt at a horse show?

Uncle Ned's Horse and a Half Ranch once again hummed to the tune of a crowd, horses and the atmosphere which it once was famous for. Many a fine show and rodeo has been held at Uncle Ned's and by the looks of things it will not be the last show.

Northwest Hitching Post

I would like to inform all my good friends that I have sold the Northwest Hitching Post to the editor Jeanne Fitch who will continue to publish the magazine. One can only do so much I am finding out, therefore, it is often necessary to make changes according to the amount of time one has. The Hitching Post has already found a host of interested friends who are anxious of having a localized publication of this nature. I am sure the new owner will continue the magazine as you would like to see it.

Show at Twin Rivers 28th

Your next show in the area will be at the Twin Rivers Riding Club at Orting where a fine show with plenty of action is being presented by that aggressive group, Washington State Horsemen rules will prevail thus assuring one of standardized presentation. As soon as I get the events I will list them for you . . . meanwhile, don't forget the date 28th of September at Orting.

## KIWANIS TO PUSH FRANKLIN PIERCE FOOTBALL TICKETS

The Kiwanis club of the Parkland area has undertaken the project of promoting the sale of tickets for the opening football game of the new Franklin Pierce high school, the date of the game being tentatively set for early October. The exact date and the name of the opposing team will appear in next week's Journal.

Each year the Kiwanis club celebrates National Kids Day by doing a good turn for the youngsters of the community. Last year's event was a big free movie for all children of the area. Another year, the Kiwanis sponsored a kids' field day on the PLC athletic field.

This year, with National Kids Day falling on Sept. 27, the club will extend its full efforts to make the Franklin Pierce football opener a huge success. Marv Tommervik, youth counselor for the club, is chairman of the committee in charge of the ticket drive.

All proceeds of the game will be used to outfit the football squad in new uniforms and to pay for insurance covering the 60-odd players turning out for practice. Full details of the game will be ready for publication next week.

## Parkland P-TA Meeting Sept. 24

Mrs. Stanley Reynolds will open the meeting of Parkland P-TA Wednesday, Sept. 24, at 8 p.m. in the school gym.

Speakers for the evening will be the Franklin Pierce school directors and the subject to be discussed will be "Functions and Problems of the School Board."

During coffee hour, hobbies will be exhibited and should prove interesting to the dads as well as mothers. The art of basket weaving and how ceramics look from the raw form to the finished product will be demonstrated.

Mrs. H. Hart, hostess chairman, will be assisted by Mesdames C. Williams, John Clark, Carl Foster, Rufus Harvey and Ballman.

## SUMMIT NEWS

By MRS. M. S. RAU  
GRanite 8391

On Tuesday afternoon the W-S-C Volunteer Fire department was called

to a barn fire on Johnson at what is known as Miller's Dairy. The barn had 34 tons of hay and it was totally destroyed but by good hard work of our firemen a milk house about 10 feet away was saved, also a field of standing oats about 10 feet away.

Two more fires, one at 72nd and Canyon road and one on Central

avenue near Knapp, both grass fires, were reported in the latter part of the week and were put out before any damage was done.

A ways and means committee of the d-partment met in the fire hall Sept. 12 and plans were made for a benefit ham and turkey dinner, to be held in the fire hall Sunday, Sept. 28. If anyone cares to donate food of any kind for the dinner, the committee

would greatly appreciate their help; call Mrs. Leaman, GR 3900.

## Pretty Wedding

A pretty home wedding was held Thursday evening at the new home of Mr. and Mrs. Bennie Ward when their niece, Miss Lois Mae Peters, daughter of Mr. and Mrs. Alvin Peters of Collins road, was married to Wm. Wilson of Tacoma. Rev. Christensen of the Summit church officiated.

Miss Marilyn Frangen was the maid of honor and Jerry Harlick was best man. The bride wore a navy blue suit with a corsage of pink roses. Tall baskets of fall flowers framed the fireplace and lighted candles on the mantle made a pretty setting for the ceremony. The groom, who is in the armed service, leaves for Wyoming when his furlough ends.

Navy Enlistment  
Marvin Bush, son of Mr. and Mrs.

LeRoy Bush, Sr., of Central avenue, has enlisted in the Navy and is in San Diego for basic training. Marvin is a graduate of Central Avenue school and graduated from Puyallup high school in June. All his friends wish him good luck.

## Home From Hospital

Remember—Friday, Sept. 26, is the big style show at the school, sponsored jointly by the P-TA and Preschool. Models will be neighbors and children of the community.

Mr. and Mrs. Karl Cortes entertained out-of-town guests over the week end. They were Mr. and Mrs. Myron Page of White Salmon, Mr. and Mrs. Milton Gustafson of Seattle and Earl Bradley of Portland. Mr. Bradley is Mrs. Dan Anderson's brother.

## Son Goes East

Mr. and Mrs. Don Porter have received word from their eldest son, Don Jr., that he has arrived at Lamoni, Iowa, where he will attend Graceland college this year.

## School Notes

Mr. Sutter reports that Woodland school had 341 registered students the first day of school, the largest enrollment in the history of the school. The kindergarten is a big success with 47 pupils enrolled in the two classes. Miss Mager is doing a grand job, according to the youngsters who are having a fabulous time. Last week each child took a toy to either loan or donate. Mr. Sutter spread the word of needed toys to the other grades and the response was excellent. Thank you, children, for sharing your toys and making the new kindergarten YOUR kindergarten too.

## 4-H News

The September meeting of the Woodland Girls' 4-H club was held last Wednesday at the home of Dorothy and Karen Keil. The girls elected their new officers and worked on the record book to be sent to the county agent's office Sept. 26. A number of the girls are entering canning and baked foods at the Puyallup fair. Refreshments were served. Present were Rosie and Mary Harbor, Sondra King, Sharon Lee, Cora Brown, Jarleth Hoffman, Karen Hanson and the co-hostesses, Dorothy and Karen Keil. The October meeting will be at Jarleth Hoffman's.

Severe and painful chest and leg burns were sustained by Mrs. Walter Burkette when a pressure cooker blew up in her face recently at the home of her daughter, Betty. We're certainly sorry, Mildred, and hope you'll soon be feeling better.

## Homecraft Club

Members of the Homecraft club enjoyed a smorgasbord luncheon at the Top of the Ocean last Wednesday. Attending were Mesdames Alma Keil, Belle Jordan, Marie Ray, Lucille Tucker, Eleanor Tucker, Helena Keil, Mabel Litton, Clara Cook, Frances Sutter, Barbara Cordes, Theresa Lee, Renee Kelly, Ruth Coffman, Alice Johnson, Elizabeth Adler, Virginia Brown and son Bryan. The next meeting will be held Oct. 8 at the home of Mrs. Goodner. Highlights of the day will be the revealing of pals and drawing of new pals' names, also the election of officers.

## Boy Scouts

Woodland Boy Scouts wish to thank Mrs. Karl Cordes for being instrumental in securing passes to the wrestling matches at the Tacoma Armory last Friday night. As president of the P-TA, the Scouts' sponsoring institution, Mrs. Cordes wrote the management and received almost immediate response and assurance that the passes would be at the box office. Thanks also go to George Newcomer, Mr. Matthews and his son Russell, who furnished the transportation.

## W. R. Dickey Passes

Word has been received that W. R. Dickey, former resident of Woodland, passed away in Burlington, Mo. Having gone there for his health, he was at the home of Mrs. Dickey's father when the fatal heart attack occurred. Mr. and Mrs. Wendell Dickey, who had accompanied them to Missouri, had just returned home when they received the news and it was necessary for them to again make the long trek back.

Mr. Dickey is survived by his wife; two sons, Wendell and Raymond; a daughter, Arlene, who graduated from Woodland school last June, and three grandchildren.

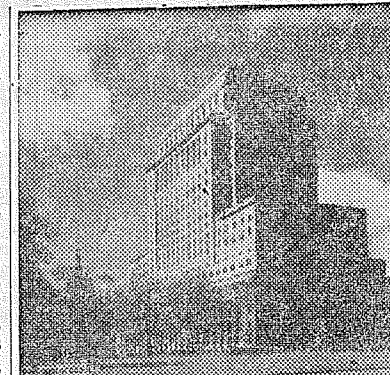

The Roadnuts put on the races at Fort Lewis last May, an event enjoyed by many. At the Shelton airport will be seen cars and drivers from Canada to California touring at speeds in excess of 100 miles an hour over the three-mile course which includes many right and left hand turns.

## Preschool Study Group

Dr. Roy Cochrane, research director of Tacoma public schools, will lead the discussion for the Parkland Preschool Study group at its first fall meeting Tuesday, Sept. 23, at 8 p.m. in the kindergarten room of the Parkland school. The topic is "Child Discipline." Mrs. William Betts will preside.

All parents are urged to come, bringing a thermos of tea or coffee. Cookies will be provided.

Anyone needing a responsible girl to care for children is asked to call the Parkland school, GR 7235 and ask for the P-TA baby sitters list.

By Mary Lee Taylor

## Hash Dumplings

Broadcast: September 27, 1952

1 lb. corn corned  
beef hash  
2 tablespoons chili  
sauce  
1/2 teaspoon salt  
1/2 teaspoon pepper  
1/2 cups pie crust  
mix

4 teaspoons Pet Milk  
4 teaspoons water  
1/4 cups grated  
American cheese  
1 teaspoon dry  
mustard  
1/2 cup Pet Milk

Mix hash, chili sauce, salt and pepper. Put pie crust mix into quart bowl. Stir in a mixture of 4 teasps. milk and water. Roll on floured board, into sheet 1/4 inch thick and measuring about 12 inches square. Cut into four 6-inch squares. Put equal parts of hash mixture in center of each square. Bring points of pastry together at top. Press edges together firmly. Cut 4 small holes in top of each. Put in shallow ungreased pan. Bake in very hot oven (450) about 20 minutes, or until pastry is brown. While dumplings bake, mix cheese, mustard and 1/2 cup milk in saucepan. Cook over boiling water until cheese melts and mixture is smooth, stirring often. Serve hot over the dumplings. Makes 4 servings.

## Two McChord Fliers Die In F-94 Crash Near Here

Two fliers were killed instantly Monday afternoon when an F-94 Jet Interceptor of the 318th Fighter Squadron crashed on a farm five miles south of McChord while making a normal landing approach in bad weather.

Dead are 1st Lt. Martin A. Klock, pilot, and 2nd Lt. Robert A. Nelson, radar observer. Lt. Klock is survived by his wife, Lila, and their four-year-old son, Michael, who live at 4715 Bala Lane, Lakeview Village. Lt. Nelson, married only a few weeks, is survived by his wife, Doretha, residing at 1412 Commercial Street, Steilacoom.

The sleek fighter was flying in formation with another F-94 at 4000 feet in a normal landing approach pattern. Due to the thickness of the cloud formation, the flight leader, Captain M. Morlan, in the lead aircraft, directed Lt. Klock to make a turn to the right and hold his position.

A few seconds later when Captain Morlan's aircraft "broke out of the overcast," his radar observer, Lt. R. C. Johnson, saw the doomed fighter heading toward the ground in a 70

degree dive, banking to the left. Lt. Johnson stated he saw Lt. Klock's aircraft hit the ground and disintegrate in fire and explosion. The jet was smashed upon impact but the wreckage was confined to a small area no bigger than the plane itself. Both men in the plane were killed instantly by the crash.

There was no violation of flying regulations but the exact cause of the accident will be determined by an accident investigation board.

At such a low altitude and at the great speed the jet was traveling, there was no time for anyone to use their parachutes.

**NEW MANAGEMENT** — 1st Lt. Eleanor J. McCallum, left, receives the keys and best wishes of 2nd Lt. Ruth Thompson as she takes over the position of commanding officer of the 18th WAF Squadron last Monday. Lt. Thompson, former commanding officer, will soon transfer to the 567th Motor Vehicle Squadron.

## New W A F CO Assumes Her Duties

Assuming the duties of commanding officer of the 18th WAF Squadron at McChord last Monday was 1st Lt. Eleanor J. McCallum. She relieved 2nd Lt. Ruth Thompson who will transfer to the 567th Motor Vehicle Squadron.

Lt. McCallum reported to McChord from Hamilton AFB, California, where she had served as assistant Adjutant of the 19th WAF Sqdn.

She was commissioned in the Air Force Reserve in April, 1952, and completed Officer Training School at Lackland AFB, Texas. She received her Bachelor of Science degree from the University of California at Los Angeles in 1950, and served on the Board of Education in Los Angeles before entry into the Air Force.

Lt. McCallum is the daughter of Mrs. Vern McCallum, 7121 Kittyhawk, Los Angeles.

## Jewish Holy Days Begin September 19

Jewish High Holy Days Rosh Hashanah, the Jewish New Year, begins at sundown September 19, and ends at sundown September 21, and Yom Kippur (Day of Atonement) begins at sundown September 28 and ends at sundown September 29.

As in the past years, the Jewish Welfare Board is making plans to accommodate the Jewish members of the Armed Forces in this area by arranging home hospitality in Seattle and the opportunity to attend religious services of their choice.

Jewish personnel desiring Seattle home hospitality contact Chaplain David Silverman, Main Chapel, Ft. Lewis, Phone 22172, or Base Chaplain, McChord at 5731 or 5978. Those desiring to attend either or both of these services are requested to report to the Chaplain's office, Chapel No. 1, for the purpose of filling out a questionnaire which must be submitted to the Jewish Welfare Board not later than September 15.

Dunkleberg, CO 1703rd ATGP; Col. A. B. Cannon, CO 1700th ATGP; Kelly AFB, Texas; Major General James S. Stowell, Commanding General, Continental Division; Capt. P. F. Bodell, CO VR-3 Sq., Moffett Naval Air Station, Calif.; Col. G. M. Hoyle, CO 1701st ATGP, Great Falls, AFB, Mont. Second row, from left: Col. Jack N. Stovall, CO 1705th ATGP, McChord; Col. P. O. Easley, CO 1707th ABWG, West Palm Beach Municipal Airport; and Col. T. H. Watkins, CO 1708th Ferry Gp, Kelly AFB, Texas.

## Reserve Officers May Receive Indefinite Appointments

First actions to put into operation provisions of the Armed Forces Reserve Act of 1952, for tendering indefinite term appointments to officers and warrant officers of the Army and Air Force who on July 9, 1952, held definite term appointments, have been announced by the Department of Defense.

Reserve officers and warrant officers of the Army now on active duty will be offered indefinite appointments in the Army Reserve immediately. Army Reserve officers not on active duty will be offered indefinite appointments later, but prior to July 1, 1953.

Indefinite appointments will be offered to Air Force officers at an early date, in all cases prior to July 1, 1953.

Appointment will be in the individual's permanent Reserve grade. Those serving in higher or lower temporary grades will continue to serve on active duty in those grades.

Navy Reserve, Marine Corps Reserve, National Guard, and Air National Guard officers' appointments are already on an indefinite term basis and therefore are not affected by the Act. Reserve Officers of the Coast Guard are affected, but will be governed by regulations issued by the Secretary of the Treasury.

Current five-year appointments of Reserve officers which have been extended by law and Presidential executive Orders are due to expire Oct. 28, 1952. Should the President issue another such Executive Order, which has been authorized by Congress, these appointments would expire April 1, 1953.

To expedite the program, no physical examinations will be required and only the individual's acceptance in writing and execution of an oath of office are necessary.

Individuals whose current appointments will continue for several years under the five-year term also are included in the program, and will be afforded an opportunity to convert to the new indefinite term appointment.

Letters of notification of eligibility which include the tender of appointment, will be forwarded to personnel of the Army who are concerned. They will be requested to reply within 60 days after receipt indicating acceptance or other intentions.

Those who decline to accept a new indefinite term appointment will continue to serve under their current appointment as extended by law or until its normal date of expiration, whichever is later, unless sooner released from active duty.

Regulations pertaining to active duty agreements for stipulated periods of time, not to exceed five years, as provided by law, are expected to be issued at an early date. It is contemplated that only personnel holding indefinite term appointments will be eligible to enter such agreements.

## Heads Discuss Unit Progress And Problems

A tour of the 25th Air Division Headquarters and local operations brought to a close the Continental Division, MATS Commanders' Conference hosted by the 1705th Air Transport Group at McChord.

The visiting conferees, headed by Major General James S. Stowell, Commanding General of Continental Division, MATS, began arriving on the 3rd of September and attended a cocktail party, given in honor of General Stowell, later that evening.

Two morning meetings were held; the first with presentations given by the Division Headquarters Staff members. The next day unit commanders spoke of their individual progress and problems. Questions and discussion periods followed both meetings. The afternoon briefing, by Lt. Col. Wilson, Director of Operations, 25th Air Division, included

ment of non-service-connected disabilities, but whose transfer from one hospital, to another has been requested by authorized officials for medical reasons.

Group 6 — Wartime, post-Korea, and peacetime veterans with compensable service-connected disabilities or discharged for line of duty disabilities requiring hospitalization for non-service-connected disabilities.

Group 7 — Wartime, post-Korea, and certain veterans retired from the U. S. Armed Forces for physical disabilities, having no compensable service-connected disabilities and not discharged for line of duty disabilities, who require hospitalization for non-service-connected disabilities.

Group 8 — Non-veterans whose hospitalization has been requested by authorized officials, excepting U. S. Armed Forces personnel whose hospitalization is directed by the VA Central Office in Washington, D.C.

Group 9 — All eligible veterans currently hospitalized in another VA hospital who have requested transfer for personal reasons, but whose transfer is not necessary for medical reasons; and certain eligible veterans whom VA has hospitalized in non-VA hospitals and who have requested transfer to VA hospitals for personal reasons but whose transfer is not necessary for medical reasons.

mission and operations information. General Stowell received a special briefing from Colonel Bennett.

General Stowell spoke briefly on the importance of training Squadron Commanders to effectively accomplish their mission as leaders of men. He also pointed out, in a later talk, the importance of accurate and timely reporting procedures and how they affect the efficiency of a military unit.

Colonel E. L. Jenkins, Director of Personnel met with officers of the 1705th ATGP and held discussions on the place of the USAF officer in the MATS and USAF organization. He also talked of the advantages the services had to offer and the desirability of an Air Force career.

Colonel Jack N. Stovall, Commanding Officer of the 1705th ATGP, made reference to the fine support given by the base in conveniences and comfort for the conferees.

Acting in the capacity of Special Hosts, Col. T. Alan Bennett and Col. W. L. Turner appeared before the conferees to assure the visitors that Division and Base facilities were available upon request.

In departing, General Stowell commented that only at McChord would such cooperative efforts be so willingly and spontaneously extended.

Since 1934, we've been expanding our system to bring telephone service to the Columbia Basin area.

## When the Columbia Basin needed telephones

### Making a desert blossom meant building a complete, new communications system

Twenty years ago, much of central Washington was sagebrush wasteland. Then came the Columbia Basin project with its plans for a huge dam and thousands of miles of irrigation canals. Right from the beginning, one of the important "tools" needed was telephone service. And we began, even before a yard of earth was moved, to create a new telephone system in the desert. We've invested hundreds of thousands of dollars to build the new facilities in the Columbia Basin...an investment which will mean much to the West and to the nation. For it is helping turn barren land into rich, food-producing farms.

Highway mobile telephones have been helping contractors and engineers build a network of canals over the vast area. In 1934, we put a private line circuit from Coulee Dam to Ephrata. Today the dam itself is webbed with miles and miles of telephone lines...a nerve system over which practically all operations are controlled. And throughout the Basin area we've been building huge amounts of telephone facilities to take care of its amazingly rapid growth. In Ephrata, for instance, three operators handled all calls in 1942. Today, although dial equipment handles local calls, 25 operators are needed. In Moses Lake, there were 66 telephones in 1935. Today there are more than 2000...and the real growth still lies ahead. Eventually, irrigation water will reach more than a million acres. And we'll keep doing our best to see that the people who move there will have telephone service equal to that in other areas we serve here in the West.

**Your telephone is one of today's best bargains**

Throughout the West, the Columbia Basin telephone story has been told in hundreds of rapidly growing communities. And, fast as the West's growth has been, the telephone has grown at an even faster rate...twice as fast in the territory we serve. For at today's prices, the telephone is so economical more people can afford it...so useful, more people want it.

**GOOD HEALTH**

2. HOW FAST DOES AN ATHLETE'S HEART BEAT?

3. HOW CAN WE DEFEAT TUBERCULOSIS?

1. IS APPENDICITIS A MAJOR CAUSE OF DEATH?

Answer to Question No. 1:

1. The appendicitis death rate has been dropping at an astonishing rate. Metropolitan Life Insurance figures show that whereas 10.2 persons per 100,000 died of appendicitis in 1939, the rate was 2.2 in 1949. New drugs to control infection and improved surgical techniques are largely responsible, but early recognition and early operation are important.

Answer to Question No. 2:

2. Athletes' hearts beat slower than the average person's under comparable conditions because the heart of an athlete has been developed by exercise to do more work per beat.

Answer to Question No. 3:

3. The National Tuberculosis Association estimates that there are 250,000 undiscovered cases of tuberculosis in this country. Every person in every community should have a chest X-ray picture. This is nearly 100 per cent reliable. In almost every community this can be done without charge. The tuberculosis death rate has been reduced 80 per cent in 40 years.

**TESTED MEAT RECIPES**

**MEAT BALLS with Spaghetti**

1 lb. ground beef  
1/2 lb. ground pork  
1 cup bread crumbs  
1 small onion, grated  
1 egg, slightly beaten  
1 tablespoon salt  
1/2 teaspoon pepper  
1 teaspoon ground sage

Sauce  
1 cup tomatoes  
1 cup water  
1 medium-sized onion  
1 teaspoon salt  
1/2 teaspoon pepper  
1 teaspoon chili powder  
1 tablespoon brown sugar

Combine first eight ingredients and mix thoroughly. Form into small balls, about 1 1/2 inches in diameter and roll in flour. Brown balls lightly in lard. Mix sauce ingredients together thoroughly and boil for three minutes. Add meat balls and simmer 45 minutes, until meat is well cooked. Pour mixture over platter of cooked spaghetti and serve with sprinkling of dry grated cheese.

## Weatherman Average High

It is common practice for most of us to think of the weatherman as "that idiot" who promised a fine day for the picnic that was completely rained out. Pilots may remember a comparable example of inaccurate weather forecasting for a flight, such as the time he was briefed for good weather all the way and then ran into a blizzard over Pittsburgh and had to turn back.

Remember? Of course, you remember those times when the weatherman

turned out to be a bad prophet. But jog your memory a little harder and bring to mind the many times his forecasts came through right on schedule. Then draw a quick comparison between the numbers of good and bad forecasts. What's his batting average?

For the past several years, the USAF Air Weather Service unit at Tinker Air Force Base in Oklahoma conducted a continuous survey into the accuracy of weather forecasts. Believing that that forecast is best which serves the need of the pilot who receives it, the AWS unit at Tinker carried on its survey by a pilot comment card system. Each pilot who received a weather briefing was given a post card on which he was asked to indicate his opinion of various aspects of the weather service furnished him.

The latest compilation of results from the Tinker AFB survey, covering four weeks in winter, when forecasts are most likely to go wrong, showed the following: Promptness and Efficiency of Weather Briefing (3117 pilots reporting)—98.95% reported "good, 0.6% "fair" and 0.9% "poor"; Weather Forecast (2997)—97.1% "satisfactory" and 2.9% "unsatisfactory"; Wind Forecast (2997)—95.1% "satisfactory"; Landing Weather from Tower (3048 pilots)—99.2% rated it "accurate".

This is an overall batting average of .976 for all factors of the weather forecast. Ty Cobb at his best for Detroit in 1911 reached a batting average of only .420, and the great Roger Hornsby batted the highest recorded average in 1924 at .424.

Beverly Corrigan — GR 8545

Miss Christine Morris was guest of honor at a wedding shower given her by Beverly Corrigan Saturday, Sept. 6. Miss Morris will wed Bob Hooper, U. S. Navy, Sept. 19 at the home of Mr. and Mrs. R. Anderson. Those present at the shower were Misses Sally Alstead, Beverly Morud, Barbara Hanson, Sallymae Windsor, Edna Morris, Betty Smith, Norre La Mar, Gwen Gregory, Marlene Corrigan, Beverly Corrigan, and Mesdames Walter Corrigan and R. Anderson.

Is It True? Is it cheaper to throw your old radio away and buy a new one when it "goes dead?"

Answer: No. Most "dead" radios have troubles we can find quickly and repair at a price anybody would find reasonable.

**Midland Grads Outstanding**

The 1950 graduating class of Midland junior high school is really showing a good example for the new classes at Franklin Pierce. They're carrying on their good tradition at Lincoln high school and Annie Wright seminary. Darryl Schinell was elected president of the a capella choir at Lincoln. Keith Vaughan is business manager, Barbara Madsen Norman will take over the duties of secretary of the choir, while Maralyn Mercer was elected costumes chairman. Mary Clinton will lead the famed Lincoln girls' marching group, Marcetti Ki as its president. The newly elected treasurer of Usher club is Janice Fisk, another 1950 Midland grad. Maralyn Mercer was elected president of Takola. She attended Takola camp recently for all Takola presidents with in the Eugene, Oregon; Bellingham and Spokane area. A professor from the University of Oregon gave a series of lectures to the girls for improving and adding to their own achievements and goals in their local Takola's. Annie Wright seminary is proud of the girl elected to be the student body president, Grace Hansler. Congratulations, Midland graduates of 1950, you are making a great record!

**Visit Ends**

Mrs. George Rodrick Jr. and children, George, Donnie, Barbara and Roy and Mrs. Walter Corrigan and Pat saw their sister, Mrs. Marie Thomas, and their mother, Mrs. Bertha Brunner, off on the Milwaukee train Friday afternoon, enroute to Binghamton, New York.

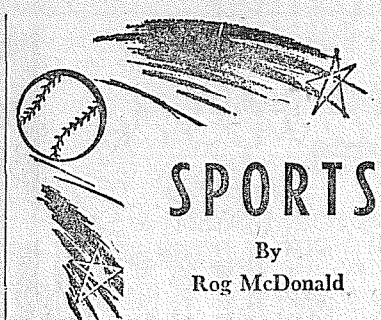

Mrs. Lucile Wright had as her guests for two weeks her cousin, Mrs. Florence Gibson Winchester and daughter Ann of Los Angeles. This is the first time in 23 years that they seen each other and they naturally had much to talk over. While there, the Wrights took their guests on many trips and scenic tours of our wonderful Northwest country such as a trip to Mount Rainier, a drive over the new Narrows bridge, many of the beautiful parks and the grand trip to Victoria and Vancouver, B. C. This is the first time the Winchesters have visited this part of the country and they were favorably impressed and hope to locate here in the near future.

**Bake Sale Saturday**

Don't forget the Harvard-Midland Women's auxiliary big bake sale to be held this Saturday, Sept. 20, at John's Thriftway store in Midland Center. Mrs. Peggy Christensen is chairman and would like to see everyone stop in and buy some of their delicious home-made delicacies and help out your community at the same time.

**Recovering**

Mrs. Walter Knack, recovering from a three-week illness, wishes to thank all friends for cards and flowers.

## SPORTS

By Rog McDonald

Saturday marks the opening of the 1952 football season with all the color and excitement that goes with the great game. To the local fans, Pacific Lutheran college and the College of Puget Sound clash in their annual rivalry for the King's X crown.

Both squads show good strength and this could be a real knockdown-drag-out affair. Coach Harshman of the Lutes has been experimenting with his backfield combinations and we might find Glen Huffman at the quarterback spot this year replacing Frank Karwoski. Huffman, an exceptionally fine end, may be the answer in the Lute backfield with Karwoski taking over one of the half-back spots. Kickoff time is 8 p.m. in Lincoln Bowl, Saturday, Sept. 20.

The Pacific Coast Conference gets off to a flying start with several good tussles on tap. University of Washington goes against Idaho in Seattle, and Washington State meets the University of Southern California at Los Angeles. Washington should have little trouble with Idaho, but Washington State will have its hands full with U. S. C. I'll go out on a limb and pick the U.S.C. boys to win, but it will be close.

With the baseball season nearing the end, both of the major league races appear to be driving finishes with the outcome in doubt at the moment. The New York Giants are closing the gap on the Brooklyn Dodgers in the National league and

hamton, New York. Mrs. Thomas has been visiting all her relatives here for the last three weeks and is taking her mother back with her for a six weeks' vacation.

this could be a finish such as was witnessed in 1951, when the Giants nosed out the Dodgers in a playoff. In the American league, the New York Yankees are still maintaining a slight advantage over the Cleveland Indians, but the margin is so slight that anything could happen. Anyway, it is a cinch we will have a winner in each league and we will be fortunate enough to be able to see the World Series by means of television direct from the playing field.

While on the subject of baseball, Fred Hutchinson, one of the northwest contributions to big time ball, took charge of the Tigers in the middle of the season this year and has

done a fairly good job with the material he had to work with. If he is given a free hand to form his team for next year it is a certainty that the Tigers will be a much improved club in 1953.

With the hockey season only a few weeks away, the Tacoma Rockets are preparing to get their teams organized under the guidance of coach Muzz Patrick. At present, Muzz is back east looking over some of the young talent and hopes to strengthen the Rockets

with a few new players. Most of the veterans will be back again this year, including Wingy Johnson. Johnson will take charge of the Rockets in their practice sessions until Patrick returns from his trip to the east. Incidentally, Muzz Patrick is my backyard neighbor so when he returns maybe I can get some first hand information on the teams chances this year. I am sure we can look forward to a fine representation in the league from Tacoma.

## SCIENCE and HEALTH

**PIGLETS SEPARATED FROM MOTHER AT 2 DAYS, FED NEW SYNTHETIC SOW'S MILK—TERRALAC—GROW FASTER, GET MORE PORK ON TABLE.**

**More Pork Chops for Everybody**  
More little pigs will go to market, from now on, because they'll drink Terralac—a new, synthetic sow's milk that makes them grow up faster. A baby pig's worst enemy is its own mother—a huge lumbering creature which lies on her piglets, steps on them, and gives them fatal infections. A third of all little pigs die from such hazards; they can be taken from their mothers 48 hours after birth, and fed the new wonder-milk. Terramycin is the secret of the piglet's rapid growth. Terralac pigs can be weaned at 5 weeks, instead of the usual eight. Kept on a terramycin-supplemented diet, they'll grow to market weight—235 pounds—in 40 days less than ordinary pigs. Terralac has already been tested successfully on more than 3,500 pigs with phenomenal results in cutting costs, increasing stock, and reducing mortality to 5 percent. On a national scale, this could mean an increase of several billion pounds of pork a year for the American Consumer.

### SPANAWAY NEWS

Mrs. Oliver Omat. GR 6466  
The Spanaway Volunteer Firemen's auxiliary will have the first card party of the season Friday, Sept. 26, at 8 p.m. at the Spanaway fire hall. Hostesses will be Mrs. Clyde Slater, chairman, assisted by Mesdames Bob Steidl, George Stephenson, Wayne Swinney, Louis Symons, Emerson Tarpenning, Irwin Timm and Harry Thomas.

**Altar Society**  
The St. Benedict's Altar society met last Monday at the home of Mrs. R. W. Perkins with Mrs. Howard Klockner as co-hostess. The meeting was called to order by Mrs. Harry Harigan with 25 members in attendance. Plans were made for the annual card party which will be held in November. Luncheon was served by the hostesses.

**Congratulations**  
Congratulations go to Mr. and Mrs. Leonard O'Ren who are the proud parents of year-old Patrick, who walked away with the silver cup and blue ribbon at the Waller Road Community fair baby contest.

**House Guest**  
Mr. and Mrs. Joe Barsotti have as their house guest, Mr. Barsotti's father,

Enjoying the rodeo at Ellensburg recently were Mr. and Mrs. Emerson Tarpenning, Mr. and Mrs. Orville Thomas, Mr. and Mrs. Robert Rhone and Mr. and Mrs. Jim Righetti.

**Secret Pal Club**  
The Spanaway Secret Pal Sewing club met for potluck dinner at the Spanaway fire hall Thursday, Sept. 11. The ladies are working on a beautiful afghan which will be one of the prizes at the annual bazaar of the auxiliary, planned for December 5.

**Silver Wedding**  
Mr. and Mrs. Ernest H. Long were honored with a silver wedding anniversary party given by their son, Bob Long, and their daughter, Mrs. Frank Ingerson, Saturday evening, Sept. 6, in the Metropolitan hall. Ms. Lydia Long of Lakewood, mother of Mrs. Long, was present, also many of their brothers and sisters came long distances to join their many friends in congratulating the charming couple. The evening was spent in dancing and many of the guests entertained with songs.

**P-T-A Meeting**  
Spanaway P-T-A will meet at 8 p.m. Wednesday, Sept. 24, at the school. The highlights of this get-together affair will be the introduction of teachers. The executive officers will be hostesses for the social hour.

**Board Session**  
The Spanaway P-T-A executive board met Tuesday evening at the home of Mrs. Nelson Hodges. Plans were made for the coming year and the annual carnival date was set for early November. Present were Mesdames H. L. Patton, John Newell, Sam Green, Dudley Hensley, Edward George and Carl Holder. Refreshments were served.

## Construction of WAF Barracks Completed; Modern Housing Offers Numerous Facilities

Newly constructed walls that retain the aroma of fresh wood, stairs that show no sign of heel prints, unmarred floors and unscratched paint do not make a home. But the WAFs at McChord moved right in, added the feminine touch and now the three new barracks are a home.

The three new two-story buildings, finished in gray shingles with green trim, boast two rooms with four singles in each unit. Wide windows permit all the light needed though indirect lighting inside adds the soft glow after dark. Built-in cabinets and closets for each girl add to the comforts of home.

The furnishings of the rooms is left

to the occupants with the limitation that bed spreads must match and the floor length window curtains must be fire resistant, said Lt. Eleanor McCallum, commanding officer of the squadron.

Desk lamps, covers for footlockers and other trimmings belong to the girls.

An alcove on each floor with lounge furniture permits the usual gatherings without crowding into a room. Drinking fountains nearby solve the problem for the long speakers.

An almost complete and modern washroom goes with each building. An electric clothes washer stands next to an automatic dryer which can be

controlled to any degree of dampness. Conspicuously absent is an ironing board.

The quarters were started in February, this year, with the first occupants moving in last week. Following a G-I party and a reported eight coats of wax, the girls readied for the first room inspection this week.

These new quarters will not accommodate the entire squadron said Lt. McCallum, so it will be necessary to continue using the old barracks next to main street. The newest comers to the squadron will be housed there, she said, as will transits. The new quarters only house 32 to a building.

### Scout Troop Being Organized

Boys who are twelve years of age and older, dependents of Air Force personnel, are invited to become members of the Boy Scout Troop being organized on McChord.

The year's first meeting will be on Monday, September 15 at 7 p.m. in the Chapel Annex.

In the autumn the adventure trails beckon to the growing boy. An able guide to the boy is the program provided by the Boy Scouts of America. Familiarity with the out-of-doors is gained through hiking in the woods, camp making, nature study and the charting of the stars.

Such skills as swimming, compass reading, knot tying, first aid, and the life saving are developed. These proficiencies enrich the boys daily life and prepare him to face successfully whatever emergencies may arise.

READY FOR INSPECTION—A/2c Frankie Rasaga puts the finishing touches to the bed before the first inspection of the newly completed WAF barracks. Completely modern in furnishings, including an automatic laundry room, each building will accommodate 32 girls. Two single rooms are on each of the two floors with the remaining rooms double. The furnishing of the "home" are in the hands of the girls, but the bed spreads must match and the window curtains must be fire resistant.
