Football season is here again... these cool fall days certainly bring the atmosphere which goes along with football and all its fanfare. PLC opens its season next Saturday (20th) with a game against their traditional rivals CPS. It should be a good game as these two teams always pit their wits and strength against each other on the field in quite some seriousness.

The game is in the Lincoln Bowl starting at 8:00... CPS has enjoyed the edge in these past games but all ways it is the thought that next time... so here we are again... next time... Coach which Mary Harshman and the Glads from PLC.

Had a pleasant surprise over the Labor day weekend to have a friend of mine from Kansas City, Mo. drop in for a few days... we spent several weeks in the Coast Guard together during the days of way back when it seems. It was a lot of fun showing Carl around to some of the different numerous points of interest surrounding Tacoma... Its amazing how much we have to offer the tourist and visitor to our State... I never really appreciated it as much before... but to have an outsider ooh and aah over some of the commonplace points of interest and scenery makes one realize that we in the Northwest have something to offer.

Carl was particularly interested in the new Tacoma Narrows Bridge which he had never seen. He took enough pictures to show everyone (Continued on Page 8)

B-Line Busses Begin Operating Today

The B-Line Transit Co., Inc., a corporation formed by local business people who banded together to bring to the South End communities a much needed service, announces the beginning of regular operation over new routes at noon today.

To acquaint the residents of the area with the routes and connections, there will be no charge made for local trips this (Thursday) afternoon and all day Friday. Everyone is encouraged to get on the buses and ride over the routes. All stockholders in the corporation and their families were given a ride over the routes Wednesday evening. A large crowd turned out to voice approval of the routes and the newly painted and overhauled buses.

Unites Midland and Parkland
The barrier is down. At last people living in Woodland, Collins and Midland districts can ride to Parkland and Spanaway and vice versa. The B-Line Transit Co. and the Woodland Bus Co. have worked together to give this service. Buses will meet and transfer passengers at Airport and Polk streets. Through fares will be paid upon entering the buses of either company and a transfer issued eliminating the necessity of passengers paying two fares. Parkland, Spanaway, Midland and Summit merchants proclaim this new service to be the greatest step forward to insure the growth and prosperity of their respective districts in many years.

Boon to Military Workers
Workers and personnel of McChord Field, Mt. Rainier Ordnance Depot and Fort Lewis need no longer risk life and limb in the family car getting to and from work over crowded highways. The Tacoma Suburban Lines have also co-operated wholeheartedly with the B-Line company in working out details to provide transportation of employees and personnel to and from the points mentioned. The Tacoma Suburban and B-Line buses will meet at Airport and Highway 99 and at Sales road and Highway 99. Through fares will also be sold with transfers for these points. This will also bring about the long-needed cross-town connection with South Tacoma.

Travel to Tacoma Offered
For the folks who have longed to be able to travel to Tacoma during the day, the new company offers connection with Tacoma Transit buses at 96th and Pacific.

Time Schedules Available
Time schedules may be obtained from any of your local merchants and from the bus drivers of any of the companies mentioned; a schedule will also be found in the B-Line Transit ad on Page 5 of this paper.

Company Policy
The B-Line Transit Co., after careful consideration and much hard work, believe that they have arrived at the finest service that can be offered in a community such as this. The company offers you courteous service, modern, safe buses and reasonable

rates. All suggestions and criticisms are gladly received and will be given every consideration.

Ask Your Support
The new bus company asks and believes it deserves your support. For years, people have asked for better bus service. Here it is. It will help the community grow and prosper. It will increase real estate values and generally perform a great service to the community. It's your local bus service—use it. Support it and it will always be there to serve you. See ad and schedule on page 5.

Parkland P-T.A. Announces Board

Introduction of new officers and chairman will fill the program in the coming meeting of the Parkland Parent-Teacher association, which has been postponed to a later date because of Fair week. Mrs. Stanley Reynolds will preside.

Serving with her are Mesdames George Rolstad, first vice president; H. G. Clothier, second vice president; Lawrence Hultgren, secretary; Mel Pederson, treasurer; Rufus Parker, program; Boyd Dickinson, membership; Clarence Berger, publicity; Quincy Carrell, magazine; Clinton Williams, hospitality; Neal Gaiser, year book; Stanley Pietrzykowski, spiritual; Joe Anderson, historian; John Brunton, founder; Bart Payne, health; Robert Gotschalk, advisor; Robert Ofut, safety; E. Thorne, record; George Rolstad and H. G. Clothier, ways and means; Mr. David Freeman, legislation; Mr. Paul Larson, civil defense.

Room mother chairmen are Mrs. James Stanzisa, Mrs. Adrian Kerstetter, Mrs. H. E. Motteler and Mrs. Trav Dryer.

Parkland Preschool president for the year is Mrs. E. Perryman.

Spanaway Cub Scouts

Den No. 2 of Pack 34, Spanaway Cub Scouts, met at the home of the den mother, Mrs. Orem, Aug. 27. Six members and the den chief were present. After a discussion of next month's project and other business, the boys and their den mother visited the LaCrosse printing plant where they saw how a newspaper is put together and also saw a linotype machine in operation.

Den 2 is just beginning and any boys west of the Mountain highway in the Spanaway area who are eight years old or older are invited to contact Mrs. Orem, if they are interested in joining the Cub Scouts.

Sgt. EDWARD R. ANDERSON, whose wife resides at 10228 So. L St., has been admitted to the Army and Navy hospital, Hot Springs, Ark., as a patient, it was learned here recently.

Midland Volunteer Fire Department Offers Fine Show

The featured attraction at the Aug. 17 Field Day at Dawson field was the spectacular exhibition put on by the Midland Volunteer Fire department. The men turned out in force to demonstrate modern methods of fire fighting. Their equipment includes two fine trucks, the second of which the men of the local department built on their own time, thus saving the taxpayers of the county a substantial sum of money. This truck is seen in the foreground of the above picture. Twenty men of the department are included in the picture, as follows, left to right: Knackling, front row, Charles Cooper, Lewis McCarthor, Verne Blauvelt, Robert Hardey, Ralph Taylor, C. B. Smith, Jack Absent, Freddy McPherson; Second row, Don Kemp, Clarence Johann, Andy Christensen, Larry Bowlin, Floyd Jensen; standing, Al Bombardier, Frank Baskett, Frank Johnson, Merle Kemp, Jerry Sulkey, David McPherson (Chief); in truck, Jim Hartley.

Franklin Pierce Schools Crowded; More Next Year

By Morris Ford, Superintendent

An extremely large enrollment in the Franklin Pierce schools this year is causing considerable worry on the part of school administrators as to just where to house the large increase.

Last year on the opening day of school there were 2507 children enrolled in the kindergarten through the 8th grades. This year these same grades have an enrollment at the end of the first week of 2801, making an increase of 294 pupils over last year, or an increase of 11.7%. In addition there are 395 9th and 10th graders currently enrolled in the new high school, making a total enrollment in the Franklin Pierce schools of 3196 students.

The most alarming trend is found in Parkland and Midland where kindergarten enrollment has grown far beyond any expectations. It has been necessary to add an additional half-time teacher at Midland to accommodate their increase, while at Parkland, where the kindergarten enrollment reached 266 children, two additional teachers have been added, and now the school is desperately searching for rooms in which to put these teachers and the children. With this large kindergarten enrollment one cannot help but wonder what the next few years will bring in the way of enrollment.

Summit Women Aiding Boy Scout Troop

A new women's group has been organized in the Summit area. Their aim is to furnish assistance wherever needed in the furtherance of the activities in Boy Scout troop 76. This group was responsible for the tents which caused so much favorable comment on the recent trip of the boys to Camp Hahobas, and with the assistance of other interested ladies baked cakes for a sale held at Rhodes Bros. which supplied much needed camp equipment.

At the present, the organization is composed primarily of mothers of the Scouts but a sincere invitation is extended to any lady who would like to join and lend a helping hand to the boys of the community. Mrs. Harold Leaman was elected president; Mrs. L. E. Lovitt, vice president; Mrs. Henry Brakelush, sec.-treas., and Mrs. E. Dawn, publicity. Ladies wishing to help in this worthwhile activity are invited to contact Mrs. Leaman at GR 3900 or Mrs. Dawn at GR 8274.

Rally Day

Sunday, Sept. 14, is Rally Day for the Elk Plain Sunday school. The boys and girls will receive their bronze crosses that day. An invitation is extended to all to attend the unified Sunday school and church service from 10 to 11:50 a.m.

Membership Drive

Franklin Pierce Hi Booster club announces the beginning of the 1952-53 membership drive Monday, Sept. 15. The main drive will be conducted through the schools. An envelope will be sent home with each pupil in the Franklin Pierce district. Drive chairman, Mrs. Harold Teeters asks that all parents and friends of the new high school become members by sending back the envelope with \$1.00 for their membership and Hi Booster button. Money raised thus is used for equipment which cannot be purchased with state school funds.

Summit Boy Scouts Make Fine Record
Highlighting a summer of many fine outdoor activities, 17 Boy Scouts of troop No. 76 have just returned from a week of Scouting at Camp Hahobas.

The summer camp, strictly an out-of-doors adventure, was under the direction of Scout council headquarters and included instruction in practically all of the outdoor Scouting skills. The boys of troop No. 76 certainly entered into the competitive spirit of participation in all the activities.

The all-around versatility and color of the tents made by the troop women's auxiliary was the envy and object of praise by all the boys and leaders in the camp.

John Peterson set a new speed record for tying all the knots in the knot yard, beating the old record by a big margin.

The explorers of troop 76 were chosen to light a very impressive campfire for the final award campfire of the year, at which Dennis Leaman was called out in a very impressive ceremony to accept a coveted nomination to the Order of the Arrow, a National group of proficient campers.

The boys attending were: Explorers Paul Anderson, Robert Hren, Dale Parker, Charles Southworth, Boy Scouts Bruce Barnes, Roger Dawn, Dean Gibson, Wesley Johnson, Dennis Leaman, Roger Lovitt, Bill Morrow, Dick Nelson, John Peterson, Donald Ramsay, David Kessler, David Shea, Gary Southworth, James Toburen.

The trip was made possible by the cooperation of the Summit Feed Co., Isaac Morrow, Harold Leaman, Explorer Advisor Jim Barnes, and Scoutmaster Truman Dawn.

Troop 76 is sponsored by the Central Ave. P.T.A. and is composed of boys in the Summit area. The troop was started February 2, 1951 with eight boys registering. It now has 25 active members. The group meets in the attic of the garage and shop of the Central Avenue School each Wednesday at 7 p.m. During the time the troop has been operating the boys have been on eight field trips and have had nine training hikes to their outdoor camp site in the woods on the Dawn place. Advancements in Scouting have been very satisfactory and it is felt that the value of such a group is reflected in the boys themselves.

Considerable difficulty has been experienced in enlisting adult participation in the activity.

Five committeemen and an assistant Scoutmaster are urgently needed if the troop continues. A sincere plea is being made by the Troop to enlist this help. If you want to help your son or a friend's son, you can contact T. E. Dawn, GR 8274 or L. E. Lovitt, GR 5532 and they will tell you how you can help.

The young Texan visiting New York for the first time was asked how he liked the city. "Fine," he replied, "it's the first time I've ever been over to this part of Texas."

PACIFIC LUTHERAN COLLEGE READY TO OPEN FALL TERM

Four new faculty faces and a number of campus improvements will greet returning students at Pacific Lutheran college this fall. Freshman week and registration of upper classmen get underway Monday morning. A sizeable freshman class is anticipated.

A record demand for housing for women students has resulted in the remodeling of four classrooms in Old Main and one of the war-surplus units on 121st street to provide dormitory accommodations for 40 more women.

New teachers are two in the economics-business administration department, one in history and one in Norwegian. There are also several additions and changes within the administrative staff.

New assistant professor of economics and business administration is James E. Jensen of Madison, Wis. He received his bachelor and master degrees at the University of Wisconsin and expects to receive the doctor's degree next year. In the commercial department will be Miss Kazuye Takai, who has been a graduate assistant at the University of Washington.

Back at PLC for the third time is Dr. Walter Schnackenberg, who will be associate professor of history. He was a student here for two years in the mid-1930's, instructor and dean of men for two years in the early 1940's. More recently, he has been teaching at Augustana college in Sioux Falls, S. D.

Garl Tanberg of Oslo will join the faculty as an exchange professor in Norwegian. He has been a lecturer at the University of Oslo. Prof. Gunnar J. Malm is now in Norway as an exchange for Tanberg under the provisions of the Fulbright act.

Choir director during Malmin's absence will be Frederick L. Newham, voice teacher, who, before coming to PLC in 1950, was already widely known as a soloist throughout the northern United States, Canada and Great Britain. Byard Fritts will conduct the chorus.

Oatmeal Raisin Bread

1 1/2 cups sifted, all-purpose flour
1/2 teaspoon baking powder
1 teaspoon baking soda
1/2 teaspoon salt
3/4 cup uncooked rolled oats

3/4 cup raisins
1 egg
1/2 cup sugar
1/2 cup Fat Milk
3/4 cup water
1 tablespoon vinegar
1/2 cup dark, cooking molasses

Stir together into mixing bowl flour, baking powder, baking soda and salt. Mix in oats and raisins. Beat egg until light and fluffy. Beat in sugar gradually. Stir in a mixture of milk, water, vinegar and molasses. Add all at once to dry ingredients, mixing quickly but thoroughly. Put into greased loaf pan about 8 x 4 x 3 inches deep. Passes Bar Exam
John Hansler, son of Mr. and Mrs. Robert Hansler, has received word that he passed his bar examination, given in July at the University of Washington. He is leaving this week for San Francisco where he will work for at least a year with Homer T. Bone in the circuit court of appeals.

Midland Girls 4-H
The Midland Girls 4-H club held a meeting last Thursday evening at the home of their leader, Mrs. Walter Corrigan. Record books and fairs were the main topics of discussion. Mary Benson, vice president, presided over the business session in the absence of Joan Arterburn. Beverly Corrigan, secretary, called roll and read the minutes of their last meeting. Work was done on a display for the Brooklake Community fair. The girls gave a model meeting, demonstrations, style show and initiation last January at one of their community club meetings and since then they have formed 10 different 4-H clubs in that community so they asked us to have a display and exhibit articles at their fair, held last Saturday and Sunday. Midland girls exhibiting and receiving awards were Joanne Morud, 3 blue ribbons in clothing; Beverly Corrigan, 3 blue ribbons in clothing;

The H.M. & L. Firemen's auxiliary will hold a bake sale at Johnny's Thriftway store in Midland Center, Sept. 20th. Peggy Christensen is chairman and promises lots of good home-baked goods.

Altar Society
St. John of the Woods Altar society held their first fall meeting last Thursday afternoon at the parish house with Mrs. Katherine Logan as hostess, assisted by Mesdames Peter Coleman, Jr., Ambrose Coleman, Larry Cleary, Frank Couture and Walter Corrigan.

Mrs. Larry Cleary presided over the business session in the absence of Mrs. Peter Krapp, who is visiting in Germany with her family.

It was decided to hold a bake sale the third Sunday in September, the 21st after both Masses. Ladies in charge of the sale are Mesdames Irl Harrison, Frank Couture, Augustine Galivan, Chris Bendheimer, Harold Thaden and Larry Cleary. The coming convention in Seattle and the cleaning of the church were also discussed.

House Guests
House guests of Mr. and Mrs. Sigurd Christenson at their home on East 72nd St. last week were Mrs. Christenson's parents, Mr. and Mrs. Layton Baldwin, of Salt Lake City. The Baldwins will go to Victoria and Vancouver, B. C., before returning to their home.

Sew & Sew Club
The Neighborhood "Sew and So" sewing club met at the home of Mrs. Charles Colver last Thursday evening, Aug. 28, and those present enjoyed themselves very much. Besides the hostess, Shirley Colver, those present were Mesdames Lucy Nougier, Orpha Siehl, Shirley Lorraine, Phyllis Carson, Billie Tuller, Irene Piper, Nadine Dimond, Ann Carson, Jerry McNabb and Viola Townsend. The next meeting will be held at the home of Mrs. Nadine Dimond, Sept. 25.

Good Neighbor Club
The Good Neighbor club will resume its monthly meetings on the second Fridays, the first one for the fall to be held Friday, Sept. 12, with a potluck lunch at the home of Mrs. Lucy Nougier on Golden Given road. Each one attending is asked to bring a handkerchief which they will give to some old ladies' home. This Good Neighbor club is open to anyone wishing to attend and bring cheer to those less fortunate than themselves. During the past year, this club has taken treats to the Midland Home for the Aged, the Rainier State school at Buckley and has remembered members who have had sickness or who have gone on trips. Here's hoping they keep up the good work.

CANYON ROAD
Mrs. K. W. Struensee

(Crowded Out Aug. 28th)
Mrs. Ten Dennis and children left for their home in Kinzua Mountain, Oregon, Monday after spending a week with her sister, Mrs. Robert Colby, at her home on 84th and Canyon road. Mrs. Dennis will be remembered as the former Beatrice Nelson.

Home From Hospital
Mrs. John Folk of Canyon road returned to her home Monday after a week at St. Joseph's hospital for surgery. A week before going to the hospital Wilma was in an auto accident and sustained a cut chin and multiple bruises. Looks like Wilma is having all her troubles at the same time, although the accident was not responsible for her trip to the hospital. We are glad to hear that Mrs. Folk is getting along as well as she is, and hope she will be entirely recovered soon.

September 2 marked the opening of the college football practice thru out the country. Hundreds of candidates, for a position on their respective teams, will spend the next few weeks working hard to get in shape for the opening game. Judging from returning veterans and capable players, Maryland should be one of the top teams in the nation this year.

Other teams to watch are Illinois, Georgia Tech, Michigan State, Oklahoma, Tennessee and California. The Pacific Coast Conference should prove to be one of the strongest in the country. California will be at full strength as usual and Stanford, the defending champion, will be dangerous. Washington State and U.S.C. are both loaded with talent and will play a very definite role in the final outcome. Washington is not rated to be a top contender, but with the return of Don Heinrich, the veteran quarterback, could be a surprise. All in all, it will be a rugged season of football. I will venture a guess and pick U.S.C. to take the crown.

It is certainly a pleasure to see some relaxation of the television ban on football this season. Each Saturday this season, one of the top games of the nation will be televised. Even though we will not be able to view our coast teams in action each week, we will have a chance to see the top teams in action. I hope, in the not too distant future, we will have a complete change in the television regulations so that we may follow the teams on the coast by way of our television screens.

With the baseball season nearing completion the race for the American League crown has developed into a furious battle. The New York Yankees are leading the league by a mere two games over the ever-dangerous Cleveland Indians. Also to be considered to be possible pennant winners are Boston, Philadelphia, Chicago and Washington. Washington is holding down sixth position,

only eight and one half games off the pace. The ultimate winner in this league could be decided in the final week of play. The National League is not quite so hotly contested with the Brooklyn Dodgers having a commanding lead over the New York Giants.

Mrs. Jacqueline Pung of Hawaii staged a surprising comeback and captured the Women's National Amateur Golf championship in Portland last Sunday. The 210 pound Honolulu housewife defeated Shirley McFeters of Long Beach, California after being 5 down at one point in their match. Mrs. Pung, an unknown in the golfing world, proved to be one of the longest hitting women players in the country during this tournament.

Kenny Lehman, the ex-Hollywood hurler and more recently a member of the Fort Lewis Rocher team in the City baseball league, has been purchased by the Brooklyn Dodgers. Since his discharge from the army, he has been with the St. Paul team in the American Association where he has a record of two wins and one loss. With Brooklyn almost a cinch to be playing in the World Series, Mr.

Lehman may play a very important part in the Bums chances for the championship.

A funeral director wired a man to inform him that his mother-in-law had died and asked whether he wanted her buried, embalmed, or cremated. The reply read: "All three—take no chances."

WALLER ROAD

By MRS. VERNE FOGLE GR. 5210

The Waller Road Grange meets Friday, Sept. 12. If you are a member, please be there. Your attendance is needed.

Home Again
Ray Whitman is back home again after being discharged from the U. S. Navy. Welcome home, Ray!

Returns to Duty
Doug Fogle left Sunday for San Diego after spending a pleasant two week at home. He is stationed there with the U. S. Navy.

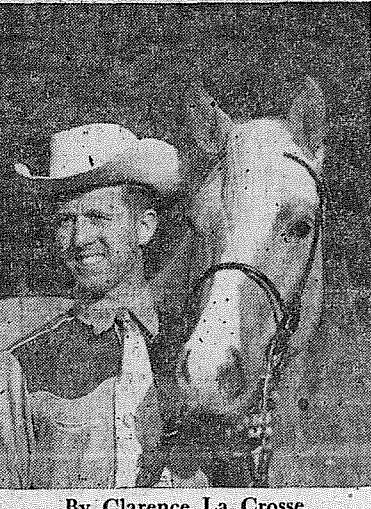

Home From Trip
Mr. and Mrs. Ivan Fogle and daughters Nancy and Lois are home again after a trip to Montana to visit relatives. Returning with them were Mrs. Fogle's mother, Mrs. Mary Johnson, who will make her home in Tacoma, and Verlin McVintosh, a nephew of the Fogles, who will make his home with them.

Now in Tacoma
Miss Mary Lou Geise has returned to Tacoma General Hospital school of nursing after spending a month's vacation at home. Mary Lou will graduate with her class Thursday evening. Exercises will be held in the First Methodist church, Tacoma.

Visit Here
Mr. and Mrs. William Thompson and children of Portland spent a very pleasant week at the home of Mr. Thompson's parents, Mr. and Mrs. Earle Thompson of Waller Road. Mrs. Imogene Preston has returned with her grandson to their home where she will visit for a while, then Mr. Thompson will take her to Pleasantville, Ore., to visit other relatives.

Community Fair a Success
A hearty "thank you" is extended to all who helped make the Waller Road Community fair a success—the ladies who furnished the delicious food served, to all who helped in the various booths, to the judges and to the merchants who gave donations and to Mrs. George Kutcher for furnishing the tickets used in the

Mostly About Horses

By Clarence La Crosse

I owe a lot of thanks to a lot of good friends for all their help given in the promoting and presentation of the show last week at Del Wright's ranch which proved to be a huge success in that everyone had a good time. There were entries for all who wanted to have fun and most of the participating horsemen had more than their share of fun and plenty of riding.

As usual when one gets out to the track a race must be run and the Hitching Post Show was no exception so an open race was called with the winner taking all . . . so many turned out for the event that two heats had to be run in order to get all the horses on the track.

Marie Pain riding Bill Goodwin's quarter horse Melody ran away from the pack in the first heat. . . . Buster Smith riding a gray fast footed animal by the name of Dolly beat the second heat home.

The bareback relay team from the Sheriff's posse are a few shacks to the good for their part in winning that race against a large entry list. The event was jacked with the winner taking all.

My personal thanks to Larry Kirkwood, Sally and Jay LaVergne, Kent and Connie Erickson, Glenn Betts, Jack and Jean Caddigan, Frank LaCrosse, E. K. Dorwin, Fred McMaken, Del Wright, Washington horsemen, Roy Nyström and the Sheriff's posse, Dec Parham, Hank Polin, Dorothy Parham and those hard workers at the concession stand, Sam, Arden and Jean . . . and of course to Ruby, my wife for all her help along with Grace Kirkwood and Dorothy Wise and everyone else who helped make a good show . . . thanks a lot.

Junior Show Next Sunday
Don't forget the all Junior Show at the Horse and a Half Ranch this Sunday. The Parkland Junior Riding club is presenting their fall show. All Junior judges will judge this strictly junior enterprise. Adelyn Wickline, their adviser has worked hard to get the Juniors in show shape. I believe the Colts and Fillies are putting on their drill for the occasion.

The place again is the Horse and a Half Ranch, just off 159th and Pacific Avenue in the Spanaway area.

Pendleton Roundup This Week
Fo those of you who annually make the trek to Pendleton to see the extravaganza of the horse world hereabouts don't forget that Thursday, Friday and Saturday of this week is the time . . . Pendleton, Oregon the place.

Cutting Horses Getting Popular
The once "horse without a price," the cutting horse of the cowboy of yesterday, is on the way back . . . in fact hereabouts it is back.

Bill Goodwin owns one of the best drawing.

Mrs. Alfred Lasley of Tacoma won the grand door prize and baby show winners were Billy Turner, three-months-old son of Mr. and Mrs. N. G. Turner, Patrick O'Hern, son of Mr. and Mrs. Leonard O'Hern, and Becky Weeks, daughter of Mr. and Mrs. Harvey Weeks, Jr. Each winner received a lovely gift.

(Crowded Out Last Week)
Gone for Winter
Mr. and Mrs. Ray Kulpu (Jeanne O'Brien) left Friday morning to spend the winter in Lawler, Minn., the former home of Mrs. Kulpu.

Home Again
Mr. and Mrs. Roy Nelson and family are home again after a week's vacation trip to Oakland, Calif. They were guests of Mr. and Mrs. Harold Swanke, Mrs. Nelson's cousins.

along with Fred McDonough and Art Wiley and a few other ardent fans of that particular well trained type of horse.

It takes a lot of training plus a heck of a lot of horse sense on the part of the horse and rider to make a good cutting horse. To see these highly intelligent horses in action cutting animals from the herd makes you realize why a good cutting horse is so valuable to the stock owner who must separate cattle from the herd. Some of the highest priced horses in the "Using Horse World" are cutting horses.

Bill, Fred, Art and Del spend most of their spare time on Sundays out keeping their horse alert to the wiles of the bovine . . . I haven't heard, but I imagine Wally Squires is in that group too.

Calf Roping Clubs
Calf roping is back . . . and to stay for a while it appears. Out at the headquarters for this popular sport, Lloyd and Speck Alton's at the First action a plenty goes on every Tuesday, Thursday and Sunday when members of the Calf Roping club meet and try their skill on the fast moving Herefords the brothers own.

You have to move fast to beat experts like Lloyd Alton and Junior Dove. Junior riding his Taffy mare can get a loop on one of those calves before it gets very far from the shoot.

I tried it for the first time two weeks ago with the luck of a beginner catching two calls out of three tries . . . can't brag anymore though . . . the last time out there I couldn't even get my horse to stand in the barrier . . . guess it must take practice. Chuck and Al were out there doing mighty good.

Del Wright tells me he is getting some calves for the winter to rope so it looks like there will be plenty of cowboys too far off.

Twin Rivers Show The 28th
Just a reminder now that the Twin Rivers Show of Orting is scheduled for Sunday the 28th . . . it will be a good one they tell me. Plan to attend . . . No doubt it will be one of the last shows of the season.

Here and There
See the Fisch's have a brand new 80 acre ranch out in the Brookdale Creek way . . . P-TA publicity chairman is none other than Fern Berger . . . B. F. Fluty offering Montie De Jarnette for sale . . . Gene Bekinsky with a new Westerner trailer . . . Francis Nordyke with a few rodeo tricks on Junior his new Palomino . . . Joyce Parham telling me that it was Yo-Yo, her horse which threw her husband Ed in the relay race (she says it takes a good horse to throw Ed) . . . Art Wiley with his newly acquired stock horse, Butch.

Zelma Laurinat Buys Ladies' Apparel Shop

A newcomer in the business life of Parkland is Zelma Laurinat who last week concluded the purchase of Myrtle Mockel Apparel and is now personally in charge of the business. She is enjoying making the acquaintance of women and girls of the community and solicits the trade of all customers of the store as well as the general public.

Mrs. Laurinat has a wide knowledge of feminine apparel, having been engaged in this line of business for many years. She has been operating a smart shop in Yakima for some time but is leaving that to the management of her partner so that she may be with her husband, W. F. Laurinat, who is associated with the Furniture Arts Co. of Tacoma. The couple presently live in Puyallup but will move to Parkland when a suitable residence is found.

Mrs. Laurinat is very enthusiastic about Parkland and the shop she purchased. She compliments Mrs. Myrtle Mockel, the former owner, on the exquisite taste shown in her selection of stock and promises her customers to maintain the same high level of quality and smartness. With fresh fall merchandise arriving daily, the shop has a very attractive array of dresses, blouses, skirts, sweaters, sportswear, lingerie, etc., for all needs.

Plans are already taking form for a grand opening, to be held early in October. This event, timed to the peak of fall buying, will be highlighted by many special items that reflect the latest trends of the season. Parkland women will be watching for the date—See this in the Times-Journal.

The many friends of Mrs. Mockel will be glad to know that she is recovering steadily from injuries sustained in an automobile accident Feb. 8 last. Recovery from such serious hurts necessitates a long convalescence, however, and Mrs. Mockel thought it best to sell her business at this time.

Parkland Man Honored

First Lt. Paul A. Spencer, Parkland, has received the Commendation Ribbon for outstanding performance of duty in Korea. Spencer, who was with the Korean Military Advisory Group (KMAG), has returned to the United States under the Army's Korean rotation policy. KMAG is the U. S. Army group that is supervising a training and revitalization program for the entire Republic of Korea Army. High military officials have called the improvement of the ROK forces under KMAG guidance the most significant single event of the past year. The lieutenant has been in the Army since 1940 and served in Korea as a personnel officer. His wife, Beulah, lives in Parkland.

War Casualty

Among the seven Washington servicemen listed by the Defense department last week as casualties of Korean fighting was M/Sgt. Alexander D. Arick, husband of Mrs. Signe G. Arick, 415 120th St., Parkland, who died of wounds.

The Navy received \$7,090,438 from the sale of alltypes of scrap metal in the last fiscal year.

Many Guests For Church Wedding

Miss Patricia Eleanor Strachan, daughter of Mr. and Mrs. Harold Strachan, and William Edward Stavig, son of Mr. and Mrs. Harold Stavig, were united in marriage in a lovely double ring ceremony at the Immanuel Presbyterian church Saturday evening, Sept. 6. The Rev. Harold B. Long officiated the rites before 250 guests.

Given in marriage by her father, the bride wore a gown of Chantilly lace with a candlelight satin bodice. A lace Juliet cap with tiny rosebuds held in place her scalloped fingertip veil of French illusion. A full circled skirt and court length train completed her outfit and she carried white roses and stephanotis in a cascade bouquet trimmed with net and white satin leaves.

Miss Jo Ann Sommerville was maid of honor and bridesmaids were Miss Bette Shaffer and Mrs. Richard Tibbetts. Miss Sommerville wore a soft blue dress of velveteen and net with a velveteen jacket. She carried a cascade bouquet of yellow gladioli while the bridesmaids wore gowns of the same style and color with bouquets of yellow carnations.

Attending the bridegroom was Lawrence Otto as best man and ushers were Messrs. Richard Landon, Merle Clapper, Robert Stavig and Ted Vaughn.

Iver Belsvig sang "Because" and "Through the Years", accompanied by Miss Elinor Holmes on the organ. The bride's mother, Mrs. Strachan, chose a gown with tangerine lace bodice and skirt of the same color. Her small pink feather hat was matched by pink gloves and a corsage of pink rose buds. Mrs. Stavig, the bridegroom's mother, wore a dress of blue moire taffeta with Peter Pan collar and buttoned bodice with pink hat and gloves and corsage.

Mrs. Russell Stark, the bride's aunt, and Mrs. Walter McDonald, the groom's aunt, poured. Also assisting were Mrs. Lawrence Otto, guest book; Mrs. David Hulle, punch; Mrs. Paul Jensen and Mrs. William Mitchell, cake; Mrs. Robert Lewis, Mrs. Harry Dickman and Miss Helen Dickmon, gifts; Miss Linda Lewis, Miss Alice Lewis, Miss Susan Stark and Miss Sally Stark.

With a motor trip planned for Canada, the bride chose as her going away costume a tan suit with dark brown hat and lizard brown shoes and purse. The couple expect to be at home at the end of September at 941 1/2 Croft St.

The new Mrs. Stavig was a graduate of Lincoln high school, which her husband also attended. He is a Senior at the College of Puget Sound and a member of the Sigma Nu fraternity.

Several bridal showers honoring Miss Strachan were held recently. Her co-workers honored her at Crawford's with Mrs. Ernst Wartenbe and Mrs. Don Anthony as co-hostesses. Present at this shower were Mesdames D. Pratt, D. Hillberg, Wm. Calligan, Lawrence Otto, Bud Smith, W. R. McMinn, James Nylander, Vern Parkan, John Hreha, Cliff Welch, Ernest Wartenbe, Cleo Florence, Don Anthony, Al Sierling, Harold Stavig and Harold Strachan and the Misses Shirley Hillberg, Betty Shaffer, Carol McSherry, and Phyllis Stanley.

Her maid-of-honor, Jo Ann Sommerville, gave a shower at her home with the following present besides the hostess and honored guests: Mesdames David V. Hart Hulle, William Mitchell, Richard Tibbetts, H. Wise, Paul Jensen, Harold Stavig and Harold Strachan.

Mrs. William Holmes and Mrs. Russell Stark were co-hostesses recently at the Strachan home and present were Mesdames Robert Lewis, George Dickman, Harry Dickman, Vern Dickman, Chuck Witsner, Earl Wigdon, Lawrence Baskett, Robert Lewis, William Cunningham, Niles Aylsworth, Dora Hewitt, Jess Eastman, Don Dunn, Harold Stavig, Harold Strachan and the Misses Helen Dickman, Virginia Higdon, Linda Lewis and Alice Lewis.

At the home of Mrs. Frank Murray, a kitchen shower was held Sept. 3 with Mrs. Donald Strachan and Mrs. Frank Murray as hostesses.

JOHN UTZINGER, son of Mr. and Mrs. Vernon Utzinger of Parkland left Monday to visit friends in Waukesha, Wis., before returning to his studies at Occidental college in Los Angeles. He is a senior majoring in philosophy. His father is on the teaching staff at Pacific Lutheran college.

ALBERT F. OTT, son of Mr. and Mrs. Albert Ott, Rt. 4, a University of Washington student, is among 730 Naval Reserve Officers Training corps midshipmen on a summer cruise aboard the battleship USS New Jersey now in European waters.

Legion News

Parkland Post and Unit No. 228, American Legion

Mrs. James Linder, junior past president of the Parkland Unit, is now ready to start the membership drive in the fourth district. Mrs. Linder was installed as vice president of the district at the state convention held in Tacoma during August. She is well qualified for the office having been a continuous member in the Auxiliary for more than 15 years and has held nearly every office and chairmanship. Mrs. Linder has devoted her life during these years to working for the Auxiliary and to the veterans of the past and present wars.

September is the month for music in the program of the Auxiliary and it is with sadness that "Auld Lank Syne" becomes appropriate in bidding farewell to Mr. and Mrs. Frank Berry. Mr. Berry, junior past commander of the Post is departing for Elma, Wash., where he will assume a new role as teacher in the Elma high school. Frank is a graduate of P.L.C. and until recently was an employee of the U. S. post office in Tacoma.

The Auxiliary is also going to miss Frances who served them for many years in a number of chairmanships and is leaving her present office of secretary-treasurer. Mrs. Berry, a registered nurse, was formerly employed by the Pierce County hospital.

To Frank, Frances and son Michael, your Post and Unit wish you loads of good luck in your new home.

Miss Barbara Bromgard, Unit historian, is also leaving this week for Pullman where she is entering college. During her absence, her mother will take over her office for the Auxiliary.

The next regular meeting of the Post and Auxiliary will be September 12, at 8 p.m. at the Sunshine Hall in Parkland. Commander James Linder and President Phyllis Blackstone urge all members to be present at this meeting. Hostess for the evening is Mrs. Walter Fritz.

Fire Department In Demonstration

McChord's new fog and foam crash truck 010 was demonstrated last week by a crew of base firemen at the Washington State Firemen's Association convention held in Yakima.

As part of the demonstration the McChord crew used the truck to quell a simulated aircraft fire made of old auto bodies covered with gasoline and set aflame.

A base drill team took part in the "make and break" hose contest at the convention and captured fourth place. The contest consisted of deftness in making and breaking hose couplings. McChord's team was composed of crew chief Tom Kirkwood, civilian, and S/Sgt. L. R. Zeiler and A/2c M. F. Ownes. Also attending the convention was S/Sgt. G. R. McRobbie.

Fire Chief P. J. McCarthy conducted classes on crash fire procedures during the training period of the conference. The conference officers and fire chief of the Yakima Fire Department expressed their appreciation for the active part McChord took in the Firemen's Fire School.

World's Tallest Peak

New Delhi, India (APPS)—Mt. Everest, the world's highest mountain, has grown. In fact according to a Swiss climber, it's growing higher every year.

Last month an expedition had to turn back in its quest to reach the peak with only 900 feet to go. According to their measurements, Everest now towers 29,610 feet. It had been listed as 29,002 feet.

Movement of the earth's crust has raised the mountain's height in the last 100 years. Raymond Lambert, who made the highest ascent of the group, is the only man to have returned alive from that high up on Everest.

To Honor Teachers

A reception to honor the teachers will be held in the Collins school gym Friday, Sept. 12, at 8 p.m.

Morris Ford, superintendent of Franklin Pierce schools, will be present to introduce the faculty. The affair is planned, to enable parents to meet the teachers and other staff members entrusted with the teaching and general care of their children while they are in school. It is hoped that at least one parent from each home will be able to attend.

Ray Gogan, Collins P-TA president, will introduce the executive board. Under the direction of Mrs. Myrtle Nussbaum, social chairman, the executive board will act as host for the evening.

The teachers' reception takes the place of the regular September P-TA meeting.

Authurium Club

The monthly meeting of the newly organized Authurium club was held Aug. 27 at the home of Mrs. Arne Olson. The delightful luncheon was followed by the usual afternoon of pinocle. Members and guests present were Mesdames Louise Woodford, Richard Simpson, Walton Wiklund, Jack Willard, Warren Hayt, Maurice Fletcher, James Hanson, Monte Johnson, G. Marshall, B. A. Thayer, and Harry Neilson.

Spanaway Methodist W.S.C.S. will meet at the parsonage Thursday, Sept. 18, with lunch at 12:30. Anyone interested is welcome.

SPANAWAY Community club meeting, scheduled for this Tuesday evening, has been postponed until Tuesday evening, Sept. 16.

HUMAN BULLETS FEATURED AT PUYALLUP FAIR

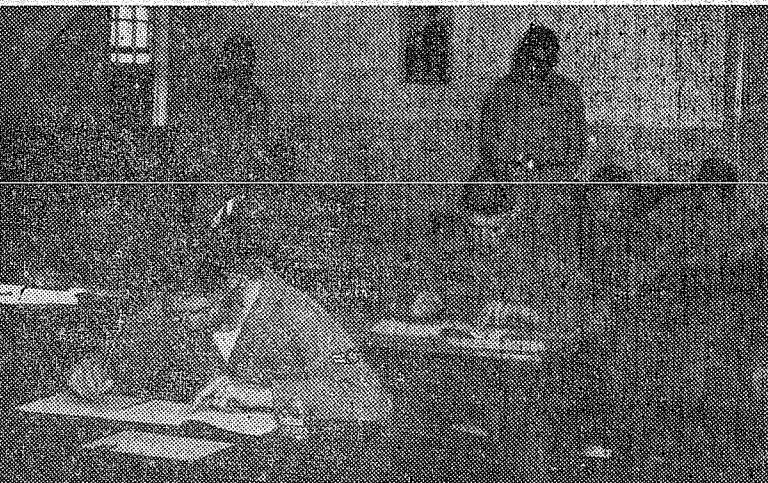

Popular demand has returned the famous Zucchini circus family to the arena at the Western Washington fair, Puyallup, offering its 49th show from Sept. 13 through Sept. 21.

Internationally-famous for their thrilling cannon act, it which two members of the Zucchini troupe are actually fired from a mammoth cannon. Here they are shown in mid-air, propelled 200 feet through the air. During their "flight" they turn complete somersaults, landing with terrific force in safety net.

The Zucchini troupe has thrived in Paris, Tunis, Cairo, England show goers and millions of people at fairs and expositions throughout this country. The troupe has been headliners for years. At Puyallup they will also appear in a high trapeze number and a comedy trampoline act, just a portion of more than two score colorful arts.

Opening Battery of Proficiency Tests Is Administered to McChord Airmen

THE FIRST BATCH of Airmen Proficiency tests were administered here this week to airmen in the supply, maintenance and administrative career fields. Shown above is the first group taking the test. In the background are Capt. William G. Corpe (left) and Lt. Kimber Barlow, test control officers.

The first series of the new airman proficiency tests were administered here this week to airmen in the supply, administration and maintenance career fields.

Approximately 270 men were scheduled for the tests, which will continue through this afternoon and possibly Saturday morning. The regular testing period ends this week, but men who missed them because of emergency leaves or TDY will have the opportunity to take them the week of September 15 through 20.

Results of the tests will be sent to squadron orderly rooms where they will be entered on the form 20's of the airmen. The tests are being sent by air mail to grading centers at Scott, Mitchell and Bwee AFB's at the end of the week's testing.

Lt. Kimber Barlow, test control officer of the 567th Air Base Group, said results of the test may be available within two weeks to a month after they are given.

Each airman is allowed only one test for each six months period. If he flunks the first test he may take the same one six months later. If the airman flunks the second test he may take a third one only after a review of a classification board.

The next group of tests to be administered tentatively include the following career fields: Air Traffic Control and Warning, Communications, Operations, Vehicle Maintenance, Transportation, Food Service, Personnel, Security and Law Enforcement, and Munitions and Weapons Main-

WOODLAND NEWS

Renie Bartolatz, Reporter
 Phone Puyallup 5-2902
 EDITOR'S NOTE—In the rush of getting the Times-Journal out in one day last week, the Midland News heading was accidentally placed over the Woodland column. We hope our Woodland readers realized what had happened and recognized the news items for their neighborhood.

The first Woodland P-TA meeting of the year will be held at the school Wednesday, Oct. 8, at 8 p.m. The change in date is due to the teachers' institute being held Oct. 9-10, when there will be no school.

This first meeting will be the annual reception for the teachers and the Boy Scout Court of Honor.

Officers and chairmen of the P-TA are: President, Mrs. Karl Cordes; vice president, Mrs. Orin Stager; secretary, Mrs. Ben Ruyle; treasurer, Mrs. Flora Lester; ways and means, Mesdames George Cole, Don Porter, L. B. Brown and Larry Bartolatz; program, Mrs. Panter and Mrs. Minchew; membership, Mrs. Harold Hanson and Mrs. Kenneth Keil; hospital-ity, Mrs. Fred Fox and Mrs. John Art.

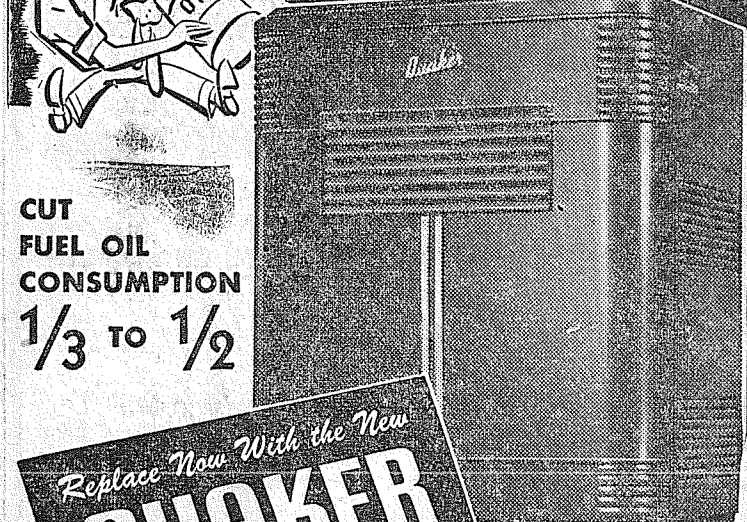

Art, Mrs. Ward Paddelford; corsages, Mrs. Jeanette Lampshing; publicity, Mrs. Walter Challendar; radio, Mrs. Burt Badham; year book, Mesdames Clifford King, Walter Challendar, Orin Stager and Flora Lester; music, Mrs. Fred Sutter; phone, Mrs. Renie Bartolatz; study club, Mrs. Tom Eldson; juvenile protection, Clarence Otto; parliamentary, Harold Hanson; citizenship, Fred Sutter; Founders Day, Mrs. Don Porter; P-TA youth council representatives, Mr. and Mrs. Art Lincoln.

The Woodland P-TA welcomes all new parents and members to the community and wishes to extend an invitation to attend the first meeting Oct. 8. It offers an opportunity to see the school, meet the teachers and make friends with neighbors. The 8th grade room mothers will serve and 8th grade students will take part in the program.

SPANAWAY NEWS

Mrs. Oliver Omat, GR 6466
The first board meeting of the Spanaway Preschool was held at the home of the new president, Mrs. Clifford Anderson. Other new executives are Mrs. John Cotten, first vice president; Mrs. Herbert Clink, second vice president; Mrs. Talbert Long, secretary; Mrs. Lola Breseman, treasurer. Chairmen chosen for the following posts are: Membership, Mrs. Harold Welton; Mrs. Walter Gotten, sunshine; Mrs. James Anderson, program; Mrs. John Cotten, ways and means; Mrs. John Golden, publicity; Mrs. George Worack, historian; Mrs. Gordon Small, hospitality; Mrs. Harry Thomas, magazine; Mrs. James Fullman, hostess; Mrs. Talbert Long, well baby clinic.

Spanaway Preschool will hold its first fall meeting at the school lunchroom Sept. 17 at 8 p.m. Mrs. Clifford Anderson presiding. This first session will be a get-acquainted affair and all interested parents are invited to come and help plan an interesting

year. Refreshments will be served by the board members.

Friendly Dozen
The Friendly Dozen Birthday club met at the home of Mrs. S. Kintz with Mrs. Walter Ellis as hostess. Mrs. Emerson Tarpennings' birthday was honored. Also present were Mesdames Emily Ball, Edward Flannery, Jack Kanton and Oliver Omat.

Attend Instruction School
On Thursday evening a group of Preschool and P-TA ladies attended the school of instruction for officers and chairmen at the Puyallup high school. Included Mesdames John Cotton, George Cotton, Ida Nord, Clifford Anderson, Carl Holder, Ed George, H. L. Patton and Oliver Omat.

Bethel Hi P-TA Board
The executive board of the Bethel Hi P-TA will meet at the home of Mrs. Ben Kuper Friday, Sept. 12, at 7:30 p.m.

House Guests
House guests over the weekend of Mr. and Mrs. Don McLellan were: Mr. and Mrs. Gordon Heidl and three sons from Yakima. They hadn't seen each other in 20 years.

Ill In Hospital
Mrs. Alice Kinsman has been seriously ill in a local hospital.

Birthday Party
Little Miss Ruth Hamilton celebrated her eighth birthday with a

party. Sharing the fun were Claude Fueston, Sandra and Diana Crooks, Royce Currah, Arthur Carol, Bennie, John and Marion Porter, Donna, Connie and Shirley Bly, Cheryl Wilson and Judy Omat; also Mesdames Edward Currah, William Wilson and Franklin Bly and the hostess, Mrs. A. Hamilton.

Firemen's Auxiliary
The Spanaway Volunteer Firemen's auxiliary met Monday evening with Mrs. Edward Flannery presiding. Plans were made for the card party to be held this month. The date for their bazaar was set for Friday, Dec. 5. Two new members who joined Monday evening are Mrs. Harold Welton and Mrs. Merle Handy, Jr.

Home From Trip
Mr. and Mrs. Clifford Anderson have just returned from a month's vacation trip which took them to Minnesota where they visited Mr. Anderson's parents, Mr. and Mrs. Anton Anderson. They were accompanied home by Mrs. Ida Nord of Winthrop, Minn. They came back through the Black Hills, S. D., and visited Yellowstone park. They are now enjoying an outing at the beach.

This is to advise my many friends and past customers that I have sold my shop, Myrtle Mockel Apparel, in Parkland. It will continue under the same name but, with new management, and I invite all customers, past, present and future, to make Myrtle Mockel Apparel their headquarters for distinctive apparel.

My warm and sincere "Thank You" goes to all the fine people who were my customers, all of whom became my friends.

Sincerely,

Dr. S. C. Eastvold, left, traveled through 17 foreign countries this summer, only to have what he terms the greatest thrill of his life provided for him right here in the United States by his own son, Don, right. Don is the Republican candidate for state attorney general. Dr. Eastvold is president of Pacific Lutheran College at Parkland.

Scout Activities For School Year To Be Launched

Plans are being made to launch the school year activities on McChord of such youth groups as Boy Scouts, Girl Scouts, Cub Scouts and Brownies. The two latter organizations are ready to announce their first meetings of the new year.

Cub Scouts will meet Wednesday, 10 September, at 4 p.m. Boys of the ages 8 through 11 are eligible to be long and are invited to be present. Brownies are scheduled to meet Friday September 11, at 4 p.m. Girls who were Brownies last year are urged to attend and to bring guests who may become members. Both groups are to assemble in the Chapel Annex, Building 182.

It is hoped that definite plans can be made for the meeting of Boy Scouts September 8, and Girl Scouts, September 9. Both organizations need leaders to develop and direct suitable programs. Persons who have had experience in these fields, or those who possess an interest in such work, are invited to contact the Base Chaplains office in Chapel No. 1, telephone extension 5731. Through the leadership of qualified personnel a wonderful year of opportunity can be made to yield a rich harvest of personality and character development for scores of McChord's young people.

Ends Long Trip; Finds Son Making Political History

Through 17 countries in Europe, Asia and Africa, Dr. S. C. Eastvold, president of Pacific Lutheran college, traveled this summer, but it was news of the accomplishments of his son, Don, which provided the greatest thrill.

Don, currently campaigning as Republican candidate for state attorney general, was chosen by Eisenhower leaders at the national convention at Chicago to make the key speech from the floor in support of Ike's delegates from two southern states. He followed this with two national television appearances.

It was two weeks after Don made his "big pitch" that Dr. Eastvold learned of his son's part in the big show. He bought a copy of Time magazine at a news stand in Cairo, Egypt, opened it to read the convention news, and there was his son's picture looking up at him. Learning of his son's candidacy assured his return to Parkland this week, just in time for the primary election.

Chief among reasons for Dr. Eastvold's tour was the Lutheran World federation convention at Hannover, Germany. He began his junket in June when he dedicated a large church in Duluth, Minnesota and was unanimously elected first vice president of the Evangelical Lutheran church with a membership of 750,000 persons. He dedicated much of his time to visiting the Biblical lands, with spiritual experiences only temporarily interrupted by such incident as his temporary arrest in Damascus for seeing too many of the sights.

Dr. Eastvold had a half-hour interview with King Haakon VI of Norway with special invitation of the 80-year-old monarch. A similar interview was given by Crown Prince Olav.

And if only people in Norway could vote in Washington. There, where Dr. Eastvold visited relatives, a newspaper printed a lengthy interview with the college president. To read it, you might think he was proud of his son—it was mostly about Don!

Franklin Pierce Schools Crowded

(Continued from Page 1)
mentary school enrollment. These 266 children, projected into the first grade next year, will mean that Parkland will be forced to operate eight, or possibly nine, sections of first graders in September of 1953. Birth rate records also show that we can expect similar enrollment entering the schools for the next two or three years.

Barring unforeseen population movements, this would mean that the new school on Airport road at Sheridan when completed will do no more than take care of the increase in the district for this year and next.

We wish to thank the parents of the district for their wonderful cooperation and understanding in the many problems that have arisen at the opening of this school year. Every possible effort is being put forth to house the children and to eliminate the many transportation problems which have developed.

Herbert & Son New Feed Store Owners

Many of the residents in this area will be interested to know that W. H. Herbert and his son are the new owners of the feed store at Summit View. The store, formerly known as Rainier Feed Co., will be known as Herbert Feed Co.

Mr. Herbert and his brother-in-law, Russell E. Smith, started the Woodland Bus Co. in 1934 and in 1950 Mr. Smith sold his interest to Cecil Herbert.

When the draft called the young partner to army service in November, 1950, it was decided that the bus business be sold.

Sergeant Cecil Herbert, who has been stationed at Fort Worden for the past two years, is now home on a 30-day furlough and is due to be discharged in November.

Herb Senior, and Herb Junior, wish to extend a cordial invitation to all their many friends to come in and say "hello" at the new place of business on the corner of Airport and Canyon roads.

ALONG THE ST.
(Continued from Page 1)
back in Missouri. I was quite interested in seeing Art Baker's show on TV last night when pictures of the fall of the Narrows Bridge were presented.

The first rains of the season certainly are a reminder to fix those leaks in the roof and to get the downspouts cleaned out, take the leaves off the roof and a host of other fall chores.

Now that the primaries are over . . . is your favorite candidate still in the race?

Parkland area can well be proud of another of its outstanding and famous citizens . . . I am referring to Dr. Hinton Jones of course, who has won international fame in his tireless research in behalf of others in his chosen field.

Much has already been said in the daily press and radio about this humanitarian who so generously gives of his knowledge, time and efforts so that others may enjoy the benefits of a healthful life. His research in the field of Multiple Sclerosis is completely outstanding and deserves that we recognize Dr. Jones and his outstanding work . . . Good luck to you Dr. Jones . . . the world needs more unselfish men like you.

I hear a lot of talk already about the hunting season . . . these hunters live from one hunting season to the next when they can once again slip into those red shirts, bet their gun from its rack and take off to the mountains in search of a deer or an elk . . . more about this later.
