GR 8436 Your news and advertising phone number. All copy must be in Tuesday night for Thursday's Pointer.

VOL. 1, NO. 29

PARKLAND, WASHINGTON, THURSDAY, MARCH 28, 1946

Office: Basement PLC Chapel, Parkland

The subscription campaign was started the past week. The editor of the Prairie Pointer visited about 150 homes in Spanaway and has many interesting and unusual stories to tell about the people that he met. As in every community, there were people of every type and stripe.

Coffee and Cake

When one is met at the door with a smile and an invitation to come in and sit down and talk about a sale over a cup of coffee by a complete stranger, one is inclined to believe that the famous southern hospitality has moved north. That is what happened late Friday morning in Spanaway. A middle-aged lady and a recently returned war veteran were the hosts and will be remembered as the most hospitable home visited to date.

Anti-Union

An elderly gentleman I met Saturday had not read the free copy of the Pointer we had mailed to all of the residents of Spanaway because he thought our publication was published by a labor union. He felt that the unions were responsible for all of the evils now running rampant in the world and was bitterly opposed to everything they did and stood for. When he learned that we were nothing more than a local newspaper interested only in serving the communities in the South End he subscribed and was happy.

No Liquor Ads

One of the few people who were hostile to the Prairie Pointer was an old timer who resented our advertising policy of carrying no liquor ads. He said that when we carried the first liquor ad he would subscribe to our publication. I guess he will have to keep borrowing his neighbor's copy for quite a while.

An Artist

There is an ex-army captain who lives in Spanaway who was injured severely in the war and is confined to his home. Before the war he traveled a lot and had been slightly interested in art. Now it has become more than a hobby with him. He does all of his work in black and white with a pencil. His outdoor scenes depicting big game roaming and frolicking with a background of canyons, waterfalls and mountains are magnificent.

A Cheerful Lady

Oftentimes those who suffer the most are the most cheerful and happy. I met a gracious lady in Spanaway who had been confined to the house for over three years because of an accident or illness that had hurt her limbs. I talked with her for a few minutes and was most interested in the fact that she did not mention one word about herself or her illness. She was the most cheerful lady I had visited with in many a day.

Summary

Of the 150 homes in Spanaway that I visited, at about 50 no one was home. Of the remaining 100, over 80% placed a subscription order with me for the weekly publication. Only a very, very few were unresponsive. It was most interesting and encouraging to meet so many fine people. Their actions speak well for the Prairie region and its future.

The residents of Midland have reacted most generously to the news story in the Prairie Pointer of last week which told of the complete loss by fire of home and household possessions of the Bullock family of that community.

The Midland-Harvard P-T.A. took action at its March 20th meeting. A miscellaneous shower was planned for Wednesday, March 27th, in the Midland School basement at 2:30 p. m., at which time gifts of household articles and money were presented to the stricken family.

A committee headed by Mrs. Clarence Johann was appointed to take charge of the solicitation and shower arrangements. Members on her committee were: Mrs. George Turner, Mrs. R. B. Simpson, Mrs. Joe Fetta, Mrs. Louis Weir and Mrs. Harry Beshaler.

Mr. and Mrs. T. H. Olson of Parkland returned Saturday from a trip to San Francisco where they attended the marriage of their son, George O. Olson, PhM 2c, to Patricia Wilson, daughter of Mr. and Mrs. Clarence Wilson of Fresno, Calif.

The double ring ceremony was performed by Rev. Harold Brown at Trinity Lutheran church, San Francisco, at 6:30 p. m. March 20, 1946 in the presence of nearly a score of close relatives and friends.

The bride, given in marriage by her father, wore a street length dress of two-tone gray crepe and a corsage of gardenias. Her hat was gray, trimmed with dusty pink ribbons and flowers. Her only attendant was Joan Reece, Y 3c, a former college classmate. Baxter Kimbro of the Coast Guard was best man for Mr. Olson. Immediately after the ceremony

ITEMS FROM CLOVER CREEK MRS. RUTH ALLEN, Reporter

Those on the trip were Mary Jane Leonard, Thomas and Lucella Keene, Nina Jane and Nancy Boness, Charles Werner, Bessie and Edward Roland, Beverly Cruts, Ruth Failey, Ronald Ellstrom, Lois Joan Southwell, and Pete McLeod assisted by Mr. and Mrs. Roland.

The children packed lunches, and one of the highlights of the trip was feeding sea gulls that swarmed about the boat. The Bessie M is a 35 foot fishing boat and Mr. Roland intends to take her to Alaska soon for the fishing season.

SPANAWAY FIRE TRUCK COMING

DEPARTMENT HAS \$1,100 AVAILABLE FOR BUYING FIRE TRUCK

The Spanaway-Elk Plain Volunteer Fire Department met in the Spanaway School Monday evening, March 25. The purchasing committee made a report on their progress in obtaining adequate equipment. The only thing that stands in the way of securing immediately the equipment that they have selected is the inability of the selling party to establish a price. Over \$1,100 is available in the Fire Department's treasury and will be used to purchase equipment in the near future.

The election to establish a fire district which was approved by the county commissioners last week will probably be held at the end of April.

Two movies were shown which were very interesting to the men present. One depicted the outdoor life of Alaska as viewed from the air, and the other was an elaborate presentation of the Pasadena rose parade. In the relatively near future a film entitled "Fighting Oil Fires" will be shown by the fire department and will be open to the general public.

MIDLAND CUBS HAVE BIG NIGHT

PACK 84 PRESENTS FINE PROGRAM WITH WILD WEST AS THEME

Cub Pack 84 met Thursday night at the Midland Community Hall. An elaborate program featuring a Wild West theme was ably presented by the boys. To get the Cubs' parents and friends in the mood for the gala occasion, the group was led by Clarence Johnson in community singing of "Don't Fence Me In."

Den 1 depicted Indians on the warpath in a skit directed by Mrs. George Turner, den mother, and Darrel Brittain, den chief.

"Home on the Range" was sung by the Den 2 boys. Mrs. E. A. Brittain, den mother, and Jack Crossman, den chief, helped the boys plan and prepare their number. The musical Wild West show had its own band, consisting of Den 3 boys under the direction of Mrs. Smith, den mother.

No wild west show would be complete without spinning hoops and crepe paper streamers. This addition to the ceremonies was contributed by the boys of Den 6, supervised by Mrs. Clarence Johnson, den mother.

Achievement awards were presented to many boys in the ceremony conducted by Clarence Johnson. The awards were as follows:

William Turner, wolf badge, Ronald Turner, lion badge, Louis De Lu, lion badge, Delmar Brittain, gold arrow, and Glen Brown, gold and silver arrow.

One of the highlights of the evening was the presentation by Dave McPherson of two cub scout motion pictures, "The Cub Scout in the Den," and "The Cub Scout in the Pack."

Mr. McPherson announced that the projector, owned jointly by the Midland Community Club, Fire Hall and Sportsmen's Club, is available to any Midland group wishing to rent it.

After Scoutmaster William Rolley gave a short talk explaining many cub pack activities to the audience, the meeting was adjourned with a simple flag ceremony. George Turner, cubmaster, announced that the April 18th meeting would feature a minstrel show.

Three new boys taken into the pack at the meeting were: Tommy Hansler, Larry Cook and Dean Brittain.

PARTIES FOR YOUNG PEOPLE

Clover Creek Grange Will Sponsor Entertainment For Youngsters of Their District

Realizing the need for wholesome and constructive entertainment for the youth of Clover Creek community, the Clover Creek Grange No. 851 voted to arrange parties, to be held every six weeks. These parties will be primarily for the young people of the Grange, but the older Grangers are included in the invitations and will have just as good a time as the youngsters. While the Youth committee, Mrs. H. T. Markstone, chairman, has charge of these entertainments, the Lecturers committee and Ways and Means committee are cooperating to make this a successful undertaking.

Thursday, March 21, the three committees met at the home of Mrs. Bernice Libak to make plans for the parties. It was agreed that in order to meet the expense that will be incurred, supper will be sold at each entertainment, alternating with an occasional basket social.

Youth Committee

The Youth committee is composed of Mrs. Markstone, J. Harold McCammon, Stephen Halliday, Henry Libak, Donald Smithlin and Marjorie Allen. Lecturer's committee, Mrs. Roy Renner, chairman, Marjorie Allen, Mrs. George Allen and John Lee. The Ways and Means committee has Mrs. George Allen as chairman, and Mrs. Franz Anderson, Bertha Renner, Bernice Libak and J. H. McCammon, members.

Sunday, March 24, was voted to be clean-up day. There was a good turn-out of members and a nice amount of work was done, principally painting the new stations and cleaning the grounds and hauling the trash away. A pot-luck supper was enjoyed. Those working were: Roy Renner, Bertha Renner, Mr. and Mrs. S. I. Carlson, Florence Keane, Wallace Markstone, Tony and Frank Hiblar, Jim Hansen, Alberta Carlson, Bob Parr, Mr. and Mrs. Henry Washburn, John Kuper and J. H. McCammon.

Sales Grange Hears Clover Park Chorus

On Thursday evening, March 21, the James Sales Grange held its regular meeting in the Grange Hall. The special attraction of the evening was the presentation of the Clover Park High School boys' and girls' chorus. Their musical performance stirred many James Sales members to continue their efforts in the direction of forming a mixed chorus of their own.

The regular order of business proceeded with definite action being taken to initiate the addition of a dining room to the present hall. The secretary, Mildred Gates, was presented with a five-star certificate from the state grange for her prompt reports during the past year.

Orville Critchley, a assistant steward of James Sales, was elected as an alternate delegate to the state grange convention which will be held in Bellingham during the second week in June.

A light lunch was served by the ladies present and the next meeting was announced for April 4 at 8:30 p. m.

BIGGER, BETTER SPANAWAY

LEGION POST 118 WILL TACKLE PROBLEM OF COMMUNITY UPLIFT

A bigger and better Spanaway is wanted by American Legion Post 118. The American Legion has always been an active community minded organization and the Spanaway post is anxious to live up to its reputation.

Some of the subjects discussed on March 24 pertaining to community betterment were the proposed Spanaway-Elk Plain fire district, the installing of new street signs, installation of a water and sewer system, improved street lighting and speed limits, regulating auto traffic.

Plan Baseball Team

Plans were also made for the co-sponsoring by Spanaway businessmen and the American Legion of an amateur baseball team. The members of the local organization are anxious to build a new hall of their own. In the coming weeks they plan to sponsor some parties and community affairs which will enable them to build up a treasury for this purpose.

Some of the men who took part in this civic discussion were:

Ernest McGinnis, Adjutant A. E. Bragg, Committee Chairman Frank A. Talley and Committeemen Sgt. Walter Hunt, Robert G. Sixel, and Leonard O'Hern.

The next meeting will be held in the Spanaway school on the second Friday in April.

Benefit for Scouts Saturday Night

The Parkland Boy and Cub Scout committee has arranged an evening of fun and relaxation for the residents of their community to be held at the Sunshine Hall, Saturday, March 30, beginning at 9 o'clock.

The basket-auction which will begin at approximately 10:30 is slated to be the feature attraction of the party. As an inducement to the ladies a pair of nylons will be given for the most attractively decorated basket.

Stanley Stemp's popular orchestra will furnish the old-time music. At intermission time free coffee will be served and hot dogs will be sold.

The money collected at this gala social event will be used to purchase equipment and supplies for the Boy Scouts in the community. The men and women who have arranged the party are anxious to see the residents of Parkland support this worthy cause and at the same time enjoy themselves in an evening of festivities.

Firemen Praised For Quick Response

"We heard the siren before hanging up the receiver," was the comment of the Misses Elsie and Freda Blandau after they called the Parkland fire department to their apartment Monday afternoon at 5:30 o'clock. An overheated range caused them concern when the walls nearby started to scorch and they called the firemen to stand by. The Blandau apartment is located in the home of Mr. and Mrs. William H. Chambers at Airport Road and Park avenue, Parkland.

No appreciable damage resulted. However, the occupants wish to acknowledge the quick response of the firemen.

LEONARD SMITH HOME AFTER DISCHARGE

The Leonard E. Smith family on Hayes street, Parkland, was reunited when Mr. Smith returned home last week to his wife and children, Judith Ann and Ardelle Camdic. Smith, an athletic instructor, was discharged at Memphis, Tennessee on March 10, after two years in the service. He is employed at the Dieter Typewriter Company in Tacoma and had lived in Parkland for about five years before entering the service.

Better Movies

In a few weeks the South End will have its own theater located at Parkland on the Mountain highway. Most of the residents of the prairie welcome this addition to our community. Every effort is being made to make it a fine neighborhood theater. It was needed and will be appreciated.

Movies are the most potent single factor influencing human behavior in our time. Millions attend the theater daily. An estimated 80,000,000 see a movie at least once a week. Movies have great appeal as they educate, entertain, inspire and teach moral lessons.

There are people who will not attend any movie because some are bad. Let us remember that in every home and every school room there are influences for good and evil but no one would suggest the abolition of the home or school because of some unrighteousness. Rather would we work towards the eradication of the evil and the addition of good. This vital matter must be dealt with in a realistic and positive manner.

"The armed forces early recognized the worth of training films because they recognized that people don't forget what they see. Our boys had to be taught the rudiments of warfare quickly and effectively. There was a training film on every subject from baking bread to digging foxholes.

The Catholic church has faced the problems involved in the moving picture industry in a realistic manner. Many have seen such Catholic movies as "Going My Way," "Song of Bernadette" and "Hells of St. Mary's." These movies have excellent casts and have been given the greatest possible publicity. These movies were produced because pressure was brought to bear on Hollywood by a large group of people. Protestants and non-church people can learn much from the actions of the Roman Catholic church on this score.

The motion picture industry is here to stay. Whether we like it or not it will continue to mold and create public opinion. If we are to be realistic we must recognize this obvious fact and exert our efforts to make this great organization produce more and more wholesome and inspirational pictures and fewer and fewer that degrade moral and Christian teachings.

Passing of a Landmark

A bit of nostalgia comes to the publisher of the Prairie Pointer upon reading in last week's issue of the Vancouver Sun about a proposed farewell to Vancouver Barracks. As a kid we roamed the reservation and learned to swim by jumping into the Columbia river from the barracks dock.

Many memories of the wonderful military reviews, parades and athletic events come to mind and it seems as if a great tragedy is being perpetrated in the abandonment of this historic garrison.

Certainly the passing of this military post should be marked with fitting ceremonies. There are very few places in the Pacific Northwest which have played such a vital part in the early history of Washington and Oregon. In this respect let us quote from The Sun's proposal for such an occasion:

"The Sun suggests fitting ceremonies—on a scale drawing national attention—to mark the passing of historical Vancouver Barracks. "Such a ceremony, arranged with thought and dignity, would, in a measure, help soften the sadness felt by many in Vancouver, Portland, throughout the Northwest and in the nation at large over the elimination of this historic spot—outstanding in our country's history down through pioneer days to the close of World War II.

"Military figures like General Ulysses S. Grant, General Phil Sheridan, General George C. Marshall and a host of others have come and left us, but 'the memory lingers on.' "Grandsons of Grant, Sheridan and others among the illustrious survive to fight our most recent battles and today are fresh home from the battlefronts. Among them are many who would come here for such an occasion as can easily be arranged by city, county and state officials, and it would be gracious of us to invite participation by civic and patriotic organizations of our esteemed neighbor, Portland, whose love of the Barracks is not less than our own.

"Vancouver and Clark county, of course, through officials and groups, should take the initiative, and without loss of time. "President Harry S. Truman undoubtedly would appropriately lend his thought and interest to the farewell ceremony, and cooperation in every way would naturally be forthcoming from Governor Mon C. Wallgren, Mayor Fred W. Sinclair, Chairman A. N. Stanley of the county commission and the other members, as well as from officials of neighboring states.

"The proper military touches can be arranged by augmenting local troops with detachments from Fort Lewis. An assemblage of all the military flags that have flown over the Barracks would add color. The opportunity for impressive ceremonies is nearly limitless. "Let us relegate for a brief period thoughts of what's to be done with the 640-acre reservation.

"Let us reverentially devote a day or more to solemn tribute to the men of all stations in our armies who have paused here in their careers and to the stately old Barracks itself.

"Let us invite the thousands of little or great renown, who have known and loved the Barracks, to join with us in a farewell salute in the grand manner that befits a noble warrior who has arrived at taps."

Large Attendance at Trinity Lenten Series

Dr. S. C. Eastvold, president of Pacific Lutheran College, together with the Trinity Lutheran choir and Miss Lydia Lentz, soloist, have been greatly encouraged in the outpouring of people at the Lenten services held every Thursday night at 7:30 until 9:00 p. m. The parish secretary states that the Thursday evening meetings are better attended than even the Sunday morning services and that the attendance is the largest in the history of the Lenten services held by the church through many years.

Mrs. G. J. Malmin has become a favorite in the prelude of fifteen minutes during which she has given the worshipping audience the old favorite Lenten hymns on organ and chimes.

Speaking on the general theme, "Women and Men at the Cross," Dr. Eastvold will at the meeting tonight (Thursday) discuss the theme "A Shipwrecked Governor." The Board of Deacons of Trinity Lutheran Church very warmly welcomes people of the South End to attend these meetings during the three remaining services before Holy Week and Easter.

Pellett-Klinzman Wedding March 6

In a lovely home ceremony, the marriage of Miss May Elois Pellett, daughter of Rev. and Mrs. C. A. Pellett of Parkland, to Mr. John Herman Klinzman, son of Mr. and Mrs. Henry Klinzman of St. Francis, Kansas, was solemnized by the bride's father on the evening of March 6, the birthday anniversary of the groom.

Nineteen guests were present at the double-ring ceremony which was preceded by a vocal duet, "O Perfect Love" sung by Miss Emma Thoren of Puyallup and Mrs. Helen Johnson of Tacoma. They were accompanied at the organ by Rev. Pellett.

The bride wore a bright rose jersey dress with a lace-edged corsage of white carnations and blue iris tied with silver ribbons. Attending her was Miss Nora Kjesbu of Mossyrock, Washington, who wore a moss green dress with a corsage of pink and white carnations.

Mr. Hans Jacobsen of Eatonville, an old friend of the family, was the best man.

The bride's mother wore a black dress and a pink carnation corsage. After the ceremony, Mrs. Vern Johnson of Tacoma, the bride's great aunt, presided at the coffee table which was covered with a lace tablecloth and centerpiece of white stock and blue iris between two candlebras with blue and white candles.

The bride is a graduate of Pacific Lutheran High School and a member of Trinity Lutheran Church. The groom was discharged from the army in October, 1945 after serving four years and seven months.

Letters to the Editor

Editor, Prairie Pointer:

I am one of your out-of-town readers and always look forward to receiving your paper. I am amused a bit at the great amount of space devoted to some sort of fire district in your vicinity. Every week something new has been added, and now a Ladies' Auxiliary.

The purpose of this letter, however, is in answer to an editorial in one of the last of your editions that seemed to indicate that you wanted to start a civic luncheon club out in Parkland. I would like to state a few facts regarding our newly organized Active International. This is a young men's club that grew out of Rotary, Kiwanis, Lions and the rest that seem to favor the older men, and as a result, the young fellows are just members until they get old. Our group is different. No one can hold office if he is over 40, thus it throws the whole administration into the younger men's hands, which is the way it should be. We have a Wednesday night dinner in a cafe down town and follow it with a short business meeting and entertainment. If no outside talent is available, we resort to three-minute speeches by members. Our motto is "Child Welfare."

I would suggest you contact the Active Club in Tacoma to have them sponsor you or have some fellows like Paul Larson, Stan Willis, Paul Preus and Stan Dahl come up to one of our meetings and be my guest for the evening to see what we are doing.

Thanks again, I enjoy your paper so keep them coming.
RAY HINDERLIE,
Rt. 4, Port Orchard.
P. S.—Stener Kvinsland, former P. L. C. student, is an enthusiastic Activian here.

Sirs: Your Prairie Pointer has just come. Thanks are poor when I would say what's in our "office-heart" today for you and all the generous people. Please accept—all of you—our deep appreciation. —Mary Stacy Thompson for Mrs. Gunderson, Chairman, Public Information, Red Cross.

Mrs. O. J. Stuen returned to Parkland last week from a ten-day stay in Colfax at the home of her son and daughter-in-law, Mr. and Mrs. John Stuen, where she enjoyed a visit with her grandson, John Paul.

Mr. and Mrs. J. G. Hanson and family were dinner guests of Mr. and Mrs. Clifford O. Olson last Saturday evening.

A birthday party was held at the home of Mr. and Mrs. C. M. Olson on Saturday to honor their daughter Linda, who celebrated her eighth birthday. After the games and prizes, refreshments were served to the following schoolmates: Judy Smith, Ardelle Smith, Kathy Johnson, Louise Duffy, Carolyn Coltom, Janice Coltom, Sharon Lee Seger, Rosalie Rosso, JoAnn Hanson and Bonnie Lillehay.

B. M. Johnson, owner of the Johnson Service Station, has been confined at home for a few days, unable to work because of a back injury received some time ago at the Motor Base.

Rev. George Cooper of the Parkland Methodist church is in a Tacoma hospital recovering from an operation which was performed on Monday of this week.

Mr. and Mrs. J. S. Brye of Parkland left Monday evening for Moscow, Idaho, to visit their son Joseph, who is on the music staff at the University of Idaho. They will also attend two different concerts given by the university music department this week. Enroute home Mr. and Mrs. Brye will visit relatives and friends in Spokane.

Newcomers to Parkland are Mr. and Mrs. Walter Ebinger, who have purchased the Trygve Blix home on Wheeler Street. Mr. Ebinger is the new owner and operator of the H. B. Fuel Company at 44th and Portland Avenues in Tacoma. The Ebingers are from Miles City, Montana, and each has parents living in Tacoma. Having lived in the country while in Montana, Mr. and Mrs. Ebinger preferred to make their home in the suburbs of Tacoma. They feel that Parkland is an ideal spot and are anxious to become better acquainted with the community.

Mrs. Ira Tisch of West Hendricks street Parkland, is temporarily "a house wife" only. In

SPANAWAY

Miss Shirley McKenzie, Reporter On Friday evening, March 29, a teen age party will be held at the Spanaway School gymnasium. This is to be a trial social event and if successful will be followed up with a series of such dances.

Each party will be attended by at least two older couples who will act as official chaperones. Chaperones for this Friday night will be Mr. and Mrs. Fay Cooley and Mr. and Mrs. Harvard Bradshaw. All parents are urged to attend whenever possible. No children under twelve will be admitted unless accompanied by a parent or responsible chaperone.

The "Teen Age" parties are being sponsored by a managing board consisting of parents, seventh and eighth grade pupils and school officials under the general chairmanship of Harold Chrisman. The primary purpose of the dances is to provide good, clean entertainment for the "teen-agers" and to help buy athletic equipment.

Music will be provided by "The Merry-makers," a five-piece orchestra consisting of Arthur Mulvaney, Ed Cooley, and James Ochfen of Spanaway, and Donald and Howard Fude of Midland. These boys really give forth with good, peppy music.

On Sunday, March 24, Mr. and Mrs. John Rohr entertained at a birthday dinner in their Spanaway home. H. M. & L. Firemen Add New Members
The Midland firemen were honored at a party given by the H. M. & L. Ladies' Auxiliary at the Midland Community Hall on March 17.
The evening was spent playing games and visiting. A light lunch was served by Mrs. George Turner and Mrs. David McPherson.
Five men and their wives were initiated into the fire department and ladies' auxiliary. They were: Mr. and Mrs. E. Chalberg, Mr. and Mrs. B. Kreshak, Mr. and Mrs. C. Eagon, Mr. and Mrs. E. A. Brittain, and Mr. and Mrs. Stanley Lipke.

GUARD AGAINST RACKETS
Veterans' administration officials are urging discharged veterans to "stop, look and listen" before they engage in business. There are scores of rackets being worked against veterans who get out of the army or navy with cash in their pockets and with the privilege of borrowing money under the G. I. bill for purchase of a farm, a home or a business.
"We won't tell the veteran what to do," says N. D. Hathaway, director of contact service for VA, "but we will advise him to the best of our ability."
"The best advice we can give him is, 'Use your head. Don't rush into an investment. Seek good advice. Investigate until you are satisfied yourself. It is better to be sure than sorry.'"

In the meantime the veterans' contact service refers veterans to banks, or to the Better Business Bureau in the city or town where he plans to invest his money. They give him the address of the legal aid bureau where legal assistance is free to veterans, if they cannot afford to hire a lawyer. Contact advice always urges veterans to convert their national service life insurance. The VA does not tell the veteran where to invest or in what to invest his money. There are too many variable factors, so their only counsel is extreme caution.
