Mullins Recommends Odorless Cleaning

"Three hundred gallons of cleaning solvent per minute is used in the Puyallup Laundry and Dry Cleaning plant dry cleaning process and it is in this continuous flow of clean, crystal-clear cleaning solvent that your clothes are gently cleaned until all dirt and soil is removed. The continuous-flow system eliminates all possibility of a stale or rancid odor clinging to your garments. It assures thorough cleaning and odorless cleaning," reports Moon Mullins.

For Puyallup Laundry and Dry Cleaning service phone Puyallup 5-6651. FREE pickup and delivery is promptly assured.—Adv.

Shaking Hands
 with
Don Eastvold

If every mile I traveled last week would turn into a vote for me next fall, I'd be in! The trips to Los Angeles and New York were very interesting but they would have been more enjoyable if my luggage and I had not been separated at the outset. I first went to I. A., but my baggage went to San Francisco and it never caught up with me until I returned to Seattle.

In Los Angeles, Jimmy Roosevelt did not show up for the debate but sent a substitute. He claimed that he had lost his voice at the Democratic convention and was in no condition to participate in an hours long T.V. show. During the T.V. debate, 40 operator girls received telephone calls from people all over that area, giving their presidential preference. Of the more than 20,000 calls, Ike was the favorite by better than two to one, which of course made me feel very happy.

When I got to New York I was met by Elmo Roper. He had invited U. S. Senator Blair Moody and me to be his guests for dinner. When we walked into the Algonquin restaurant the head waiter kept staring in my direction. I looked around to see who was following me. Finally he rushed up to me and said, "Aren't you Senator Eastvold from Washington?" He had seen me on T.V. at the Chicago convention. What a memory! I guess that's why he holds his job as head waiter.

During the dinner Elmo Roper, who is a nationally recognized pollster and has his finger on the political pulse of the nation, made these observations: 1) Eisenhower is the most personally popular man in America today and is better qualified by his background, training and experience to deal with the problems of Peace and War than any other man. 2) The American people are deeply concerned about corruption in government, high taxes and that one party has been in power too long. But in spite of these facts Roper predicted that the odds at this time slightly favored the Democrats because of the strong support of labor, among Negroes, the large number on the federal payroll, and a good possibility of the solid south once again supporting the Democratic party.

But my major assignment is campaigning for Attorney General here in the state of Washington and upon my return to Tacoma I started a heavy schedule. Last Friday we journeyed to Ferndale where I spoke at the Old Settlers picnic. About 2,000 people were in the park and I was introduced between two acts of professional vaudeville. Competing with merry-go-rounds and ferris wheels was a new experience in campaign speaking. One woman came up afterwards and said she was so far back in the audience that she couldn't hear a thing I said (Continued on Page Five)

STEEN WRITES OF WONDER PALACE, ISTANBUL SIGHTS

The Rev. Ernest B. Steen, pastor of Trinity Lutheran church of Parkland, writes the following very interesting letter from Istanbul, capital of the Moslem world.

"A real surprise is sometimes in store when a person is not expecting much. Frankly, I did not expect much at Istanbul when Dr. Eastvold and I arrived there from Beirut by plane. But I left this large city in Turkey very much amazed.

"Istanbul is a city of 1 1/2 million people. It is located on two continents, Asia and Europe. The sea of Marmara and the Bosphorus join there and form a splendid harbor. It is a city of 520 mosques. The domes and minarets are everywhere. Some of the mosques are amazing cathedrals in size, beauty and architectural grandeur which compare with the finest cathedrals anywhere in Europe.

"Istanbul is the seat of the most magnificent palace seen on this trip. It surpasses Versailles. The front of it extends a half-mile. There are 400 magnificent rooms in it. The value of it is estimated at \$600,000,000. The gold used for interior decoration is worth \$130,000,000. The tapestries, Oriental rugs, period furniture, vases, chandeliers of crystal glass weighing up to 5 1/2 tons and other furnishings leave a person speechless.

"The last sultan to live in this palace had 920 wives and 300 virgins in his harem. When deposed in 1923 (he was neglecting the affairs of state) he left to live in Italy with 56 wives.

"But, a banker from Chicago said, 'You haven't seen anything yet! The climax came when we saw the crown jewels. We had seen the crown jewels in the Tower of London and did not believe anything could surpass that amazing display. But the Turks have them backed off the map. There is room after room of so many kinds of jewels and articles decorated with fabulous jewels that I'll describe but not one.

The Peacock throne in the days of the sultans stood in the throne room of the royal palace. It is 900 years old and in perfect condition. There is 3/4 ton of gold in it, 200 pounds of enamel, 30,000 pearls, 15,000 rubies and 5,000 emeralds and valued at \$112,000,000. The royal collection claims the largest pearls in the world, the largest ruby and the largest emerald. I quote the banker again—'Now I've seen everything!'

"Turkey seems to be prosperous and progressive and confident of the future. Our guide said: 'We have fought 22 wars with Russia and were prepared and unafraid of No. 23!'

I asked the guide if they were receiving aid from the Marshall plan and they do. I asked him if they didn't have a plan whereby they could help debt-ridden U. S. or at least present a gift so Trinity Lutheran could build a new church. Our guide whose name is Mohammed, grinned from ear to ear.

Franklin Pierce High Ready For Fall Term

Franklin Pierce high school will start regular classes for students in grades 9 to 10 on Wednesday, Sept. 3. Those students who were in the district last year, and who registered last spring, will not need to report before September 3. Those who are new to the district are asked to register before school opens.

This registration will take place in the Parkland grade school office any day on and after Monday, Aug. 18. Anyone seeking information may call Granite 7235 at that time. Mr. Weeks, high school principal, will be in charge of the registration.

Bus routes and other information will be announced in later editions of this paper.

"Clarabell" At Parkland Tuesday

"Clarabell," the silent clown featured on the popular HOWDY DOODY television program, will make a personal appearance at Soine's Parkland Shoe Store next week. The TV comic will greet local children and distribute free gifts in the store on Tuesday morning, Aug. 12, between 10 a. m. and 12 noon only.

One of the favorite figures on one of America's favorite TV shows, "Clarabell" is expected to receive a warm welcome from the younger generation during the appearance. Although the clown does not speak, she will "honk a hello" to every youngster present, says Malcolm Soine.

Clarabell will distribute gifts to each child during her personal appearance. These gifts will be free to all, and there will be no obligation to buy shoes in order to obtain them. The Soines just want the kids to meet Clarabell and Clarabell will sure want to meet the kids.

New Insurance Service Available

Lyle Greer announces he has discontinued his downtown office and

his services are now available to residents of this area Mr. Greer has been associated with the Farmers Insurance Group for the past seven years as district agent in Pierce county and will continue to give his full time to the company as a representative in this area. Farmers Insurance Group has long been known as the West's leading writer of auto truck and fire insurance. The company offers a substantial saving on all types of insurance. Mr. Greer is a resident of Parkland at 125 So. 116th St., where he will maintain his office.

Anyone interested in making a saving on his insurance should call Mr. Greer at Granite 3637. Mr. Greer is always happy to quote rates, with no obligation of course.

New Grade School For Franklin Pierce

A new grade school is assured for the Franklin Pierce district, according to a statement made this week by Morris Ford, superintendent. Work has just been received from the Federal Security agency, Office of Education, Washington, D. C., that a total of \$388,080.00 has been placed in reserve for use in the construction of a new grade school on Airport road at Sheridan.

The entire school construction is to be financed through federal funds. This money comes to us under public law 815, which provides help for districts that have become overcrowded through military activity. Because of the nearness to McChord Field, Fort Lewis and Mt. Rainier Ordnance Depot, the Franklin Pierce district, in particular the Parkland area, has been faced with a serious overcrowding for some time. The new school will do a great deal to relieve this condition.

Construction should start in time to assure its opening by September, 1953.

By the way, have you seen the new high school? It would pay you to stop and get out of your car and walk through.

AMERICAN LEGION CONVENTION IN TACOMA AUG. 14

TACOMA. (Special) — The National commander of the American Legion, Donald R. Wilson of Clarksburg, W. V., and U. S. Senator Harry P. Cain will be principal speakers when the 1952 state convention of the Legion opens here Aug. 14.

The three-day convention, continuing through Aug. 16, will draw an estimated 5,000 delegates and guests to Tacoma, according to Fred Fuecker, state adjutant of the organization.

Other speakers at the Legion convocation will include Brig. Gen. John Burns, commanding general of Fort Lewis; Rear Adm. Allan Smith, commander, 13th Naval district; Washington State Governor Arthur B. Langlie and Mayor John H. Anderson of Tacoma.

A former mayor of Tacoma, Val Fawcett, is serving as general chairman for the 1952 convention.

A red-hot race for the office of state commander of the Legion looms when the convention gets under way.

Two avowed candidates are Lloyd Stoddard of Everett and Maurice H. Needham, Shelton, both "west side" residents.

Although there is no constitutional requirement, the Legion's No. 1 position is usually alternated each year between East and West Side candidates. Harry L. Gornall of Pullman is the present state commander.

Stoddard is a World War II veteran and served two terms as commander of the Everett Legion post. Needham, a World War I veteran, is a former Shelton post and Fourth district commander. Both have been active in the organization for years.

Concordia 4-H-ers Receive Two Awards

Blue and red ribbons were won by Marc and Keith Parker at a recent 4-H demonstration contest. The awards were presented to the boys by Mrs. Iver Johnson, leader, at her home at the July 12 meeting of Concordia 4-H club.

Keith received his ribbon for his illustrated talk on "How to Store Root Vegetables During the Winter," while Marc won his high award by illustrating "How to Keep worms Out of Vegetables." This makes Marc eligible to compete in the demonstration contest at the annual Pierce county 4-H fair which will be held at Spartan field, Sumner, Aug. 21-23.

Priscilla Pedersen and Beverly Stimpson have completed their required projects for first year sewing.

The second year girls are busy finishing their four-piece cotton outfits they will wear in the dress revue at the fair. Those entering this event are Lynne Hansen, Ingeborg Johnson, and Sigrid and Mary Alice LCMaster. All girls are learning to recognize many kinds of cotton materials and to judge sewing.

Two evenings of last week were spent in visiting and judging gardens of 4-H members. They were judged on these five points: Straightness of rows, health, staking, weeding and thinning. Gardens of the following were judged: Ingeborg Johnson, Artha Johnson, Marc Hansen, Mary Alice, Sigrid and Ross LCMaster, Priscilla Pedersen, Beverly Stimpson and Keith Parker.

The next meeting will be held Saturday, Aug. 9.

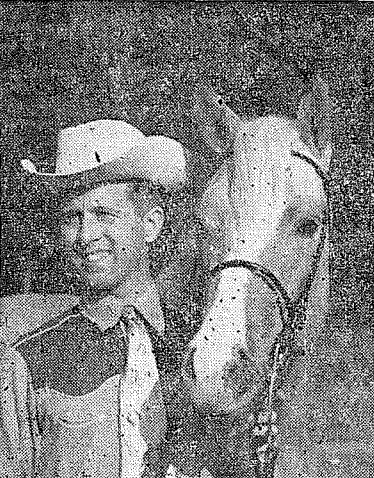

The outstanding presentation of the Olympia Riding club has come and gone but not without many a pleasant memory for those participating in the gigantic affair. Probably more than ever after attending the Olympia show one was aware of the many hours of hard work which one must put into training a horse in order to compete against the finest horses and riders in the state.

The show definitely ran to the Arabian horse... which seems to be a tendency of that particular show. Perhaps the Arabian horse is coming into its own in this section of the country because it seemed that the majority of the better horses shown and winning were Arabians.

I don't believe that I have ever had the experience of participating in a show as well organized nor as smoothly operated as the Olympia show was. The grounds, too, are completely outstanding... instead of a cloud of dust every time a horse entered or left the arena the sandy terrain of the arena was wet through and through absolutely without a speck of dust. Shade, too, was a thing of predominance... no one had to be in the sun to see and enjoy the show.

Tacoma area horsemen took home a good share of the ribbons... with Earl Craig and the Palms leading the group. I was extremely pleased to win a ribbon in the Stock Horse class inasmuch as it is the first time for both me and my horse... in fact if Keith hadn't talked me into entering I certainly would have sat on the fence and watched the rest of the fellows have all the fun... it seems that you just have to get in and do these things if you want to have fun. Hope I don't miss anyone but here are a few of the local winners: Jack Caddigan's Duke, Barbara Nolte, Virginia and Topper Bekinsky, Jean Stanley, Earl Craig, Bus Carmel, Dec Parham, Chuck (Continued on Page Six)

Summit church, regularly called for Aug. 14, has been canceled this month because of the vacation Bible school which is being held Aug. 4 to 13.
Firemen Busy
The WSC Volunteer Fire department was rather busy Thursday afternoon and evening. The men were

called to a fire in the old garbage dump in the Canyon, fighting it for two or three hours, thinking it was out. They were called back early in the evening and spent about the same time. They were called out Sunday afternoon for a grass fire at 92nd and Vickery. This hot weather we are thankful for these men who are willing to drop their work and answer the call of the siren, all a free service to their community.
Recovering
Raymond Wagner, son of Mr. and Mrs. Ira Wagner, is recovering from what might have been a very serious accident. Raymond fell out of the family car when the back door flew open as his father turned the corner at 72nd and McKinley Ave. He suffered some bad face lacerations, bruised shoulder and shock. He was

X-rayed for broken bones and is recovering at home.

Mustering-out Pay Due In \$100 Payments

WASHINGTON.—Personnel on active duty can expect their mustering-out pay in \$100 installments the Defense Department has announced.

Regulations and procedures for administering mustering-out pay authorized by the recently signed K-Vet Bill were also outlined in the announcement. Only veterans already honorably discharged or released will receive the payment in a lump sum. They must, however, request payment through application.

The new law stipulates that mustering-out pay will be paid to enlisted personnel and officers below the grade of major and lieutenant commander. The exact sum of the payments are given as \$100 for less than 60 days service, \$200 for more than 60 days service without foreign duty, and \$300 for more than 60 days service including foreign duty.

Personnel honorably discharged or released after June 26, 1950 are eligible for the pay except:

1. Personnel transferred or returned to the retired list who receive retirement or retainer pay. Those retired or separated because of physical reasons are excepted.
2. Personnel who are discharged or released on their own request to accept employment and have not served outside the continental limits of the U. S.
3. Personnel whose total period of service has been as a student in a civilian institution.
4. Personnel discharged to enter the U. S. Military Academy, Naval Academy or Coast Guard Academy.
5. Personnel whose only service has been as a cadet or midshipman in the three Service academies or in a prep school for candidates to one of the Service schools.
6. Personnel ordered to active duty merely for training or physical examination for a period of less than 60 days.

Personnel who are honorably discharged in order to reenlist will also receive mustering-out pay in monthly \$100 installments. They will have the option of collecting the money either at the time of discharge or at the end of their re-enlistment period.

Personnel who have been discharged to reenlist before the passage of the K-Vet bill and who are eligible for the mustering-out pay should first contact their personnel officers for verification of their separation and then their Finance officers to begin processing their claim for payment.

Veterans discharged or released before the passage of the bill have until July 16, 1954 to submit an informal application for the lump sum payment. Included with the application must be the original copy of Report of Separation from the Armed Forces of the United States (DD214).

Legion News

Parkland Post and Unit No. 228, American Legion

Dedication of the greenhouse and a tour of the hospital and grounds at the American Lake Veterans hospital will take place Aug. 11 at 1:30 p. m. The greenhouse is an American Legion Auxiliary project and was built by donations from the many auxiliary units in the state. Veterans at the hospital will take an active part in the ceremonies along with department officials.

Immediately following, the visitors will have the opportunity of witnessing another great and memorial dedication, the dedication of the new Veterans American Lake dock.

The old dock, which was destroyed three years ago during the blizzard and heavy freeze, has been replaced by a new and better dock, thanks to the untiring efforts of Severin Kittelson, Department Hospital chairman. Mr. Kittelson, a past commander of the Parkland post and a past commander of the Fourth district, traveled many miles, at his own expense, in order to make his dream a reality. American Legion posts and auxiliaries of the Fourth district were not slow in rallying to his call for donations to help our hospitalized veterans. A project which was started in February, 1952, by a man who had the foresight and the initiative to get things done, will be ready for use on Aug. 11. The new dock is 72 feet out in the lake from the lake shoreline and measures 12 feet by 32 feet. The approach to the dock is 65 feet long, fenced all around with a gate to the approach.

As the patients arrive at the dock to fish or spend the day, they must first walk through the picnic area where a huge outdoor fireplace and grill, also built by Legionnaires, awaits their pleasure. A cement patio, 10 feet by 45 feet, is being poured directly in front of the fireplace. Many of the men cook their catch of fish at the fireplace, eat and spend all day at this favorite spot.

The dock will be worth more than \$2,000 upon completion and will be worth more to the patients and Dr. T. J. Hargrove and his staff, and Mr. McKee, manager of the V. A. V. S. and his staff in aiding them in the rehabilitation program at the hospital.

Many American Legion dignitaries from all over the state and state officials are expected to take part in the ceremonies. The public is most cordially invited to attend.

To Initiate Youngest Member
Miss Patricia Marie Puett will become the youngest member of the unit when she is initiated into the American Legion auxiliary Friday night. Patricia will join her mother, Esther, and sister, Carol Ann, in making her family a 100 per cent American Legion family.

Miss Puett, born June 25, 1952, was signed up for membership in the auxiliary on June 26. She is eligible to membership through her father, Al Puett, a World War II veteran, and also a member of the Parkland post.

Others to be initiated are Mesdames Betty Cusano, Ruthy Amon, Lillian Holman, Violet Louis and the Misses Von, Judy and Jana Amon, Judy Grant and Barbara Bromgard. The initiation will be under the direction of Mrs. Lona Jorgensen, junior past district president, and members of the Fourth district ritual team.

Roland Durst, Fourth district commander-elect and a member of Olympia post No. 3, will be the principal speaker for the evening. His main topic will be on voting and registering to vote.

The meeting will convene at 8 p. m. Friday, Aug. 8, at the Sunshine hall. The public is invited and following the meeting refreshments will be served by Mrs. Virginia Blakely, hostess.

Ready for State Convention
With the state convention only a few days away, Commander James Linder has announced that the souvenir concession project is nearing completion and will be ready for the Legion visitors when the festivities begin in Tacoma on Aug. 13. Commander Linder has been assisted on this project by Leonard Blakely, Walter Fritz, Ed Schweyer, Severin Kittelson, James St. John and Frank Berry.

Improving
Joe Lanz, junior vice commander, is convalescing at his home following a serious illness he suffered a few weeks ago. Mr. Lanz, an active member of the post for the past two years, has been missed at the meetings and the membership wish him a speedy recovery.

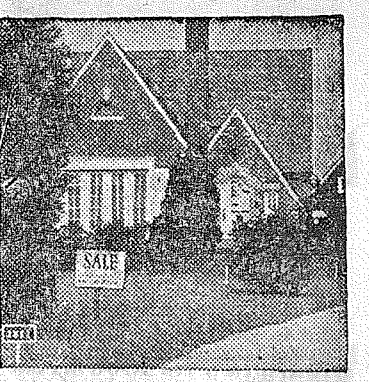

Next Meeting Aug. 8
The next regular meeting of the post will be at the Sunshine hall on Aug. 8 at 8 p. m. Visitors are invited.

RECIPE OF THE WEEK
By Mary Lee Taylor

Skillet Dinner
Broadcast: August 16, 1952
6 slices finely cut bacon
2 large, firm tomatoes
1/2 teaspoon salt
2 cups well-drained whole kernel corn, cooked or canned
1 can condensed cream of mushroom soup
1/4 cup Pet Milk
1 Tablespoon liquid oil
Cook bacon in skillet until crisp. Drain bacon fat from skillet. Remove crisp bacon and save. Return 2 tablespoons fat to skillet. Cut tomatoes in halves crosswise. Sprinkle with 1/4 teaspoon salt. Put tomatoes in skillet. Cover and cook over medium heat until tomatoes are just tender, or about 5 minutes. Remove to warm platter. Keep hot. Put corn, soup, milk, liquid oil and 1/4 teaspoon salt into skillet. Cook and stir until steaming hot, but do not boil. Serve hot corn mixture over the tomatoes. Top with bacon. Makes 4 servings.

MIDLAND NEWS

Beverly Corrigan — GR 8545

The Neighborhood "Sew and So" club met at the home of Mrs. Jo Hart last Thursday evening, July 31. Those attending besides the hostess were Mesdames Helen Zook, Jerry McNabb, Darlene Harris, Faye Harris, Orpha Siehl, Nadine Dimond, Shirley Lawrence, Shirley Collier, Ann Carson, Viola Townsend and Billie Tuller. The hostess served a delicious lunch.

County Camp Great Event

A tired group of campers returned home Friday from the annual Pierce County 4-H Camp held last week at Millersylvania park on Deep lake past Olympia. Everyone thoroughly enjoyed themselves. The classes were especially interesting. The news-writing class, under the direction of Gal Anderson from the Washington State college, put out a daily newspaper called International Camper which kept each one up on the latest news and gossip.

The crafts classes, under the direction of Florence Allen, county agent, Mrs. Saxton and Shirley Andrews, made many articles of leather and also wooden dish plaques which they decorated with painted designs and then varnished; girls at charm school classes, under direction of Mrs. Buchanan, learned how to walk, stand, keep their hair groomed and sit properly and that to act naturally will make you more attractive. Social dancing classes, under the direction of Ernie Hopp, county agent, learned the basic steps of the fox trot and the waltz; 4-H ceremonies classes, under the direction of Morrill Delano, county agent, had charge of the impressive candle lighting services held Thursday night.

The photography class learned to tell a photograph from a picture; the skits and stunts class, under direction of Helen Heil, put on several skits for entertainment after meals, and the swimming classes, under the direction of Mrs. Rose Crosseto, Mrs. Edith McGill and Mrs. Genevieve Mladinich, really accomplished wonders in the short time they had for classes and several members received Red Cross certificates.

Monday evening the counselors were selected from among the senior members and those elected for the camp session were Joan Arterburn, head counselor; Dale Tibbits, Beverly Natucci, Donna Severson, Dorothy Keil, Marion Iversen, Gene Smith and Katherine Jensen and each one was in charge of a group of campers for the entire session.

The nurse, Mrs. Baginski, was kept pretty busy with minor afflictions. The meals, one of the big items of any camp, were wonderful and were in charge of Miss Gertrude Armbruster, county agent, and the able hands of Mrs. Harry Lee and Mrs. Heil. All members were sorry to hear that this was the last official act for Miss Armbruster as a member of the Pierce County Extension staff as she will be leaving Aug. 8 for Cornell university in Ithica, N. Y., where she will be employed in the foods and nutrition department and will also do some teaching. Claude Doran and George Purcell, county agents, were also

present as were quite a few visitors.

Flag raising and flag lowering ceremonies, held every morning and evening, were very impressive. Evening programs were also very interesting with slides and movie pictures, all in color, shown and narrated by Cal Anderson, who is extension information specialist from the state office at Pullman, on his trip taken last year through Italy, Greece and Turkey. Mrs. Anderson was a former county agent and consented to be an advisor to the council and their daughter, Susan were also at camp.

Wednesday evening was International night and many of the members dressed for the occasion and later put on skits pertaining to different nations, with mixed dancing finishing up the evening. Tuesday evening, besides the movies, there was also a scavenger hunt, marshmallow roast, group singing and Indian stories told by Florence Allen. Thursday night was the candle lighting ceremony, beside the slides, and then finishing up with mixed dancing.

Attending from Midland were Marlene Corrigan and Elizabeth Weir from the Midland Clover club, Jeanine Malray from the Happy Hearts club and Joan Arterburn, Joanne Morud, Sharron Espetser, Glenna Parriott, Sandra Little and Joyce Webber from the Midland Girls 4-H club, with Mrs. Elmer Morud and Mrs. Walter Corrigan and Pat as chaperones.

Home From Hospital

Little Barbara Rodrick, daughter of Mr. and Mrs. George Rodrick, Jr., is now home from her long siege at the hospital and is walking around on her own power with the aid of braces. She has made a wonderful recovery and we all hope that everything heals fine so that she will not need any more operations. It is certainly a wonderful thing that they saved her leg after the terrible accident when she was shot below the knee. She still has a long pull before everything turns out right and we all wish her lots of luck!

HM and L Plans Field Day

The HM and L Volunteer Fire department is sponsoring a field day at Dawson field Sunday, Aug. 17, to which all people of the area are cordially invited. Bring picnic lunch for the 1 o'clock dinner.

A pet parade for children is scheduled to start from the Midland Improvement club hall at 12:30, the children to parade to Dawson field. The fire department will put on a big demonstration. Other groups are invited to participate with demonstrations of various kinds. Anyone interested should contact Floyd Ayers or Dave McPherson.

Mrs. Frank Becklund just returned from a two weeks vacation trip to California with her mother and father where they visited relatives.

Moceri States Qualifications

Armand R. Moceri, candidate for State Representative 25th District, Democrat, is the son of Mr. and Mrs. Paul Moceri of Sumner. He is 28 years of age, was born and educated

Armand R. Moceri

in Pierce county, having graduated from Sumner high school in 1942 as the valedictorian of his class. Upon graduation from high school he became operator and later co-owner of Paul Moceri Farm near Sumner which he has successfully managed. Armand Moceri has been active in agricultural circles in Pierce county. He has been elected four consecutive terms and is present chairman of the Pierce County Farm Labor Committee. Elected as a director of the Puyallup Valley Berry Growers Association, and secretary of the Pierce County Farm Labor Advisory board.

Intimately acquainted with the needs of the 25th district, Armand Moceri will advocate enactment of farm marketing legislation. Such legislation has brought greater prosperity and stability to the agricultural areas of California and other progressive states. We have no statutes in our state which provide for the marketing of the principal agricultural products of our district.

The present inadequate conditions of our county and small city roads and bridges are due to the lack of funds. This deplorable condition must be remedied by a reallocation of gas tax revenue so that more money will be available for this purpose. Armand Moceri will fight for more money for these roads and bridges.

One of the most serious problems of our county is drainage and diking. Present state laws pertaining to drainage and diking are inadequate and

largely unworkable. Legislation should be enacted which will clear the way for a practical and integrated solution of the drainage problems of our area. Among other problems which face us is the immediate planning for the long range financing of a school construction program adequate to meet the needs of our rapidly growing population.

The program of restocking of lakes and streams with game fish should be intelligently expanded to include more lakes and streams that are readily accessible to the general fishing public.

Armand Moceri believes that a serious effort must be made to solve these and other problems. He feels that he has the qualifications to properly represent and serve the people of the 25th district.

Let's Get Acquainted Says Don Eastvold

"Today I begin my campaign for the important office of Attorney General. During the course of this campaign I intend to visit every county in the state of Washington; but first, let's get acquainted.

"I am 32 years old and have a charming wife and five lovely children. The family home is in Parkland, a suburb of Tacoma. In addition to serving as a State Senator, and practicing law, I teach two courses of business and labor law at Pacific Lutheran College of which my father, Dr. S. C. Eastvold, is President.

"I am a member of Trinity Lutheran Church in Parkland and President of the Lutheran Brotherhood in the South Puget Sound Circuit. I have been an active adult scouter and served for two years as chairman of the Southeast District of the Mt. Rainier Boy Scout Council. I am a World War II veteran and belong to the American Legion and Veterans of Foreign Wars. I am also a member of Kiwanis, Scandinavian American Fraternity, Elks, Eagles, Sons of Norway and the World Affairs Council in Tacoma.

"I promise to conduct a vigorous, hard hitting, but fair campaign for the office of Attorney General."—Adv.

AIR FORCE RESORT—Tanwax Lodge, McChord's own resort, is expected to go into immediate operation. Facilities for rest and recreation are in abundance at this mountain resort. Swimming, boating, fishing, pool and other indoor games, are just a few of the many activities of Tanwax. Personnel may obtain permission to visit Tanwax by contacting Personnel Services.

Tanwax Lodge Open Again for Personnel

Rest and Recreational Facilities Available at McChord Resort

Tanwax Lodge—with its many facilities for rest and relaxation—will again be opened for the recreational use of McChord personnel. Captain H. G. Anderson, personnel services officer, has announced.

Beginning this week, a three-day rest can be assured at the mountain for the fishers, indoor games for those who prefer, and other amusements available, Tanwax will accommodate 48 men over the weekend.

The lodge will be operated as a rest resort this year under the supervision of Personnel Services. A schedule is posted to insure that everyone has opportunity to enjoy the advantages. Friday, Saturday, and Sunday of each week will be reserved for unmarried airmen. Monday will be cleanup day, Tuesday, Wednesday, and Thursday will be reserved for married men who wish to take their wives with them. Officers will be afforded this opportunity during the last full week of each month. WAFs may visit the lodge during the middle of the week when the married men and their wives are present. No children can be accommodated at the lodge at present but facilities are planned for their use.

No personnel will be permitted to use the facilities of the lodge unless they have proper permission to be present. Authorization can be obtained through squadron orderly rooms by getting one, two, or three days off and then making reservations with Personnel Services, phone 5151. Men may remain as long as their pass permits but will be restricted to the schedule set forth. They may go as many times as their orderly room permits.

Twelve rooms, each furnished with four regulation beds, will house the guests for their stay. Located on the second floor and running the entire length of the building, six of these rooms face the lake with the others opening to the hillside.

A spacious center room faces the setting sun over the lake with an open fireplace in the back to add atmosphere as well as warmth. This lounge can quickly be cleared for an evening of dancing or other entertainment.

On the ground floor is located the dining room with a recreation room to one side. The equipment room and staff quarters occupy the remainder of the downstairs. A barbecue pit is planned for the outside.

Operating as a rest spot for the Air Force, flying personnel will have preference in obtaining reservations, Captain Anderson said. Separate ration personnel will be expected to pay for their meals.

Eight boats are provided for the lodge with outboard motors furnished on two. A lifeguard will be on duty during the morning and afternoon swimming periods with plunges being restricted to these times. A neighboring summer resort will be placed off limits to all except the non-swimmers who use its beach since there is none at Tanwax.

A television set, pool, pingpong and other games will be available. Also a beer garden for those who indulge.

The lodge will remain open until closed by bad weather, said A/1c Billy J. Stultz, NCOIC of the lodge. He will be assisted by possibly nine other men in the operation of the resort.

A special menu will be served at the lodge, said Airman Stultz and unrestricted hours will be observed except for the meal hours.

Got \$6 Month

A paragraph from the Congressional Record—June 1775: "... the pay of the officers and private be as follows, viz. a captain 20 dollars a month; a lieutenant 13 dollars and one-third of a dollar per month... privates, 6 dollars and two-thirds of a dollar per month; (all) to find their own arms and clothes."

In these days of huge Defense building, it is easy to think of our little Congress as having it pretty soft in creating an army 177 years ago. But they had it just as tough to raise taxes to pay an army as we have today.

But the American soldier of 177 years ago could be a "wheel" in town on Saturday nights with his six and two-thirds dollars per month. Whiskey at a penny a shot (a shilling a gallon) and a sack of tobacco for little more—and the girls of that time still considered walking a form of entertainment.

So You Think You Know Baseball

By Harry Simmons

When the major league Rules Committee next meets, it may have before it a beef from Cardinal Manager Eddie Stanky over a batting lineup row in a Cards-Braves exhibition game this spring. Here's what actually happened—now let's see whether you go along with Stanky or the umpire.

In the second inning, score 0-0, with a man on base and one out, catcher Jack Parks was due to bat as No. 7, followed by shortstop Johnny Logan as No. 8 and pitcher Vern Bickford as No. 9. Instead, through a misunderstanding on the Braves' bench, Logan was sent to bat. He was retired, and Parks came up and doubled. At that, Stanky appealed the batting out of order. The umpire sustained him, called an out and the Braves took the field.

The Cards failed to score. At the start of the next inning, the Braves sent up their No. 1 hitter, Jack Daniels. Stanky strongly insisted that Bickford, not Daniels, should come up to bat. He may have been thinking of a 1948 Boston game, when he was with the Braves. In a similar tangle then, No. 7 in the Braves' line-up batted ahead of No. 6 and was retired. No. 6 then singled but was declared out for batting out of turn. After some debate the umpires let No. 8 bat next.

Stanky felt so certain that the same thing applied in 1952 that he announced he would take the case to the Rules Committee. He also offered to bet a couple of hats that the umpire was wrong.

Who, in your opinion, gets the hats?
 Answer
 For it to cause another out and with his protest long enough, Stanky decided to let that out enough. But no seeing Logan retired, Stanky ordered before the first pitch to Parks. Parks would have been out if Stanky had protested Logan's batting out of order before the first pitch in the preceding inning. As for the players who have come to bat had the players been put out by preliminary play in the preceding inning.

Who, in your opinion, gets the hats?
 Answer
 For it to cause another out and with his protest long enough, Stanky decided to let that out enough. But no seeing Logan retired, Stanky ordered before the first pitch to Parks. Parks would have been out if Stanky had protested Logan's batting out of order before the first pitch in the preceding inning.

Aqua Follies Stars Arrive

Katherine Rawls (upper) holder of more titles and awards than any other woman in the history of swimming and diving, and 16-year-old Marion Parks, youngest divolet of the Aqua Follies troupe, are shown as they arrived in Seattle for the big water and stage show at the Green Lake Aqua Theatre.

The Aqua Follies of 1952 is now thrilling the Seafair crowds nightly with a two-and-a-half-hour swim-musical. In addition to the nightly performances, which will continue through August 13, there will be another glamorous moonlight matinee this coming Saturday, August 9.

The Aqua Follies ticket office is open at the Aqua Theatre beginning at 12 noon daily and Sunday, and mail orders are also taken at 1624 Fourth Avenue, Seattle.

SHAKING HANDS
with Don Eastvold

(Continued from Page 1)

but she was fascinated by the way I waved my arms around.

My most embarrassing moment last week was when I took my little boy Carl to a political picnic. Right in the middle of my speech he made his way up to the platform, came over and tugged at my coat and said in a loud voice, "Daddy I gotta go." Needless to say there was a five-minute recess.

During my activities last week I met two animals, a little elephant and a big horse. I had to feed the elephant and ride the horse and I had trouble doing both. The baby elephant, Gov-

ernor Langlie and I were on a money raising program for the Republican party in Seattle. We struggled for a half hour trying to get the elephant to hold still for a picture with the governor. I must have used a dozen oranges, tempting and teasing the little beast to hold still. I can now report just how it feels to have half my arm in an elephant's trunk!

Then while attending a political picnic on Mt. Rainier a reporter from the P-I, who was doing a feature story on the natural beauty of the area, insisted that I have my picture taken sitting on a horse, shaking hands with and welcoming a visiting tourist. The horse must have had some Democratic donkey in him for it was at least a couple of kicks, a couple of bucks and a half hour later that the picture was taken.—Well, such is the life of a candidate for public office.

Wedmark-Olson

Now welcoming friends at their home on the Muck-Kapowsin road, Rt. 1, Box 301, Spanaway, are Mr. and Mrs. Oswald Olson, who were married July 5 in Tacoma by Judge William Richmond. The couple recently returned from a honeymoon trip to Minnesota.

The bride, Mrs. Esther Willman Wedmark, is an accomplished musician and the pair were drawn together by their mutual interest in orchestra work.

Corine Wedmark, young daughter of Mrs. Olson, is enjoying her new home in the country and especially having her own horse to ride. She is still spending part of her time with her grandmother, Mrs. Theresa Willman, in Tacoma but will be with her mother after September and will attend Elk Plain school. Mr. Olson is a building contractor with extensive interests in the Parkland area.

SPORTS
By
Rog McDonald

The World Series of sports has ended in Helsinki and athletes from all corners of the world are on their way home to prepare for the Olympics of 1956. The United States contestants emerged victorious after a hard fought battle with the Reds, 610 to 553 1/2. The Russian athletes, after leading the field for 12 days, were overtaken by a strong contingent of U. S. swimmers and boxers and had to be satisfied with the second best position. Old Man Stalin will probably use the whip when his flock comes wandering home without the title.

Tacoma's entries in the State Baseball tournament did not fare so well, in fact, the strong Fort Lewis Rockets did not play. At the last moment, most of the Rocket squad received their orders to be transferred to other places so the management decided not to send the remainder of the team. This was a very unfortunate situation since they had an excellent chance for the title. Busch's Drive In, the other Tacoma qualifying entry, lost their first outing and were eliminated.

The City-County Softball Championship tournament is in full swing at Athletic Park this week. Many exciting games have taken place with many more to follow. If you want to see softball at its best, drop down and watch an evening session.

And now, here are the details on the local golf tournament I have mentioned in previous articles. Wednesday, Aug. 13, at the Brookdale Golf course is the day of the big event. This tournament is open to anyone wishing to participate. Hank Peters, one of Parkland's ardent golfers and owner of the Parkland Upholstery, is the acting chairman of the tournament and can give information if you have any questions. Just call him at GR 3201 or call me at GR 8624 and we will accept your entry. All entries must be submitted no later than Monday, Aug. 11. The entry fee will be one dollar plus green fees. A system of handicapping has been outlined to give everyone an equal chance for the trophy and other prizes. The golf course will be available all day Wednesday with no group starting later than 6:30 p. m. Everyone will have a grand time so call in your entry right away.

Whether you are a regular golfer or not, plan to come out and have some fun. Remember, this tournament is open to anyone who wishes to enter. The Famous Gold Cup speed boat race will be held Sunday on Lake Washington with Seattle's own Slo-mo-shun V the defending champion. Speed boats from all over the country are here for the big event. Some of the eastern entries are confident of victory this year after the sound thrashing they took last year here in the Northwest.

Kansas Gathering

The Tacoma area Kansas Club is sponsoring a picnic gathering of Kansas people at Lincoln Park on August 10, according to C. O. Johnson, club president. The picnic is expected to start at 1 p. m. It is one of those bring-your-own-lunch affairs, but coffee will be furnished by the club. The club was formed to enable people from Kansas to get acquainted. Membership dues are 25 cents. All Kansans are invited to attend the gathering. Bring your friends.

Two Texas girls were talking about an oil man they were about to meet. "He's worth in the neighborhood of one million dollars," remarked one. "Good," said the second enthusiastically. "That's my favorite neighborhood."

The XC-99, the Air Force's cargo version of the B-36 bomber, spreads its giant wings over Texas, where it operates out of Kelly AFB. The world's largest land-based plane, it is reportedly one of the few experimental aircraft in history to help clear its own initial development costs. The XC-99 makes a routine of carrying 100,000-pound-plus loads of high priority freight. The wingspan of the silver giant is 230 feet and more than 182 feet long.

MOSTLY ABOUT HORSES

Rohr, Jimmy Robinson and his bareback relay team, Marie Palin, Martha Palin, Linda Lu Craig, Mrs. Gilpin, B. F. Fluty, Joyce Thayer, Iris Bryan, Char Crossman, Claire Ressler, Carole Roslie, Barbara Risley and a few others which I probably have forgotten or neglected to note on the program since there were so many past entries.

Picnic Sunday for Sheriff's Posse. Sunday is the day of the annual picnic of the Pierce County Sheriff's Mounted Posse which will take place at Lake Benbow. Posse members, their families and friends are expecting to have a full day of fun and pleasure.

Horse Show Sunday at Manchester. The Kitsap Saddle Club, Inc., of Port Orchard is staging their zone show this Sunday at the Manchester school grounds just out of Port Orchard a bit. Time is 1:00 DST. A good program has been arranged for any and all local horsemen who would like to show. I believe Earl Craig will do the judging. Classes include Open Jumping, English Pleasure, Arabian Halter Class, Equitation (under 14), Trail horse, Western Pleasure, Stock Horse (trophy and ribbons to four places, Pair Class (English and Western) Hal Arab Western Pleasure . . . and of course pole bending (team).

You will enjoy the hospitality of this fine group and club. They are always happy to have you at their shows . . . see you Sunday.

Coming Events. There are a host of horse show events on the calendar for the next month or so yet . . . here are a few:

I understand Graham will have a show next Sunday (the 17th that is) more about that next week . . . sure missed their fourth of July show this year as did many others who bothered to mention the fact.

Also scheduled for the 17th is an All Girl's Drill Team competition at Silver Lake Horsemen's Center near Everett . . . this is a comparable event to the annual Sheriff's Posse competition for men . . . it will be well worth seeing.

"August 17th marks the first annual show of the Evergreen State Women's Mounted Drill Teams, Inc. This will be an entirely new type of show that will have a definite appeal to all horse enthusiasts. Participating in this colorful array will be Women's Mounted Drill Teams from the entire state of Washington. Highlighting the show and consuming fifty per cent of the points, will be the State Drill competition, each drill team being judged according to precision, horsemanship, uniforms, etc. An outstanding program of entertainment, featuring some of the top women riders of the state will ride to win in such events as relay races, pole bending, trailer loading, stock horse reining and many others. Each event is limited to drill team members competing for high points trophy awards. This unique display of all girls competing in all Western Gymkana and horse show events will take place Sunday, Aug. 17, at Silver Lake Horsemen's Center, six miles south of Everett, Wash., at 2 p. m. (P.D.T.)."

Bremerton will be the scene of a big state show on the 23rd and 24th of this month . . . more later about this as soon as I can find my program. Pleased to see that George Prescott will be the master of ceremonies—see you there, George.

Del Wright, too, is in the show business these days with a two-day show scheduled for Labor Day weekend . . . this will be a combination rodeo and show to be held at his Bar-None track at 84th and So. Pine. There will be plenty of action for you there . . . make your plans now to attend some of these shows.

And above all, don't forget the Ellensburg Rodeo, a three-day show which will attract thousands from all over the Northwest and elsewhere. . . I have application blanks for tickets here at the Hitching Post office . . . drop in and get yours as the tickets are going fast. Will also be pleased to accept your subscription to the Northwest's newest horse magazine, The Northwest Hitching Post . . . published in Parkland.

There is an Indian village in Brooklyn. Some 400 Mohawks live as neighbors in comfortable, modern apartments. Most of the Mohawk men are employed in steel skyscraper construction, for which they show a particular aptitude.

Don't worry if your hair is thin . . . few people look good in fat hair anyway.

The Fourth district degree and drill team, under the able direction of William Bierer, accompanied by Mrs. Phyllis Blackstone, added much to the interest and impressiveness of the ceremony.

The enjoyable occasion was one to be long remembered for its dignity, spirit of goodwill and patriotic, inspiring messages. Highlighting the evening's program was the unusually good report of the Yelm unit's Girl Stater, Miss Marie Louise Kosola, who urged all citizens to participate in their civic duties as seriously as members of the Evergreen Girls' State performed their obligations, adding "Then we would indeed have a clean, perfect government."

Representatives of many posts and auxiliaries of the Fourth district present for the evening's pleasure built up the spirit of American Legion solidarity to the end that each one present, urged by district officers, renewed the obligation to exemplify in daily life the spirit of loyalty, justice, freedom and democracy promulgated by the American Legion.

Following the installation, a social hour afforded an opportunity for cementing pleasant comradeship under the gracious and genial hospitality of Mrs. Eunice Hughes, president, and Elmer Friscoe, commander, of the Hedberg Legion. Clover Creek post and unit, with Mrs. Ellen Lehto, unit president, and Owen Lehto, post commander, extends best wishes to the Yelm Legion.

Clover Creek Post, Auxiliary Install

Clover Creek post No. 118 and auxiliary held a joint installation with the Hedberg Legion post and auxiliary at Yelm July 22.

Presiding were the Fourth district officers: Kenneth Knudson, commander, and Mrs. Biddie Berdue, president. Assisting were the officers-elect: Roland Durst of Olympia and Mrs. Mabel Storlee of Puyallup.

Highlighting the evening's program was the unusually good report of the Yelm unit's Girl Stater, Miss Marie Louise Kosola, who urged all citizens to participate in their civic duties as seriously as members of the Evergreen Girls' State performed their obligations, adding "Then we would indeed have a clean, perfect government."

Representatives of many posts and auxiliaries of the Fourth district present for the evening's pleasure built up the spirit of American Legion solidarity to the end that each one present, urged by district officers, renewed the obligation to exemplify in daily life the spirit of loyalty, justice, freedom and democracy promulgated by the American Legion.

Following the installation, a social hour afforded an opportunity for cementing pleasant comradeship under the gracious and genial hospitality of Mrs. Eunice Hughes, president, and Elmer Friscoe, commander, of the Hedberg Legion. Clover Creek post and unit, with Mrs. Ellen Lehto, unit president, and Owen Lehto, post commander, extends best wishes to the Yelm Legion.

There is an Indian village in Brooklyn. Some 400 Mohawks live as neighbors in comfortable, modern apartments. Most of the Mohawk men are employed in steel skyscraper construction, for which they show a particular aptitude.

Don't worry if your hair is thin . . . few people look good in fat hair anyway.

The Fourth district degree and drill team, under the able direction of William Bierer, accompanied by Mrs. Phyllis Blackstone, added much to the interest and impressiveness of the ceremony.

The enjoyable occasion was one to be long remembered for its dignity, spirit of goodwill and patriotic, inspiring messages. Traffic cop (producing notebook): "Name?"

Motorist: "Aloysius Demopolis Zybryscowicz."

Traffic Cop: "Well, don't let me catch you again."

Sgt.: "This coffee tastes like dirt."

K.P.: "Well, it was ground this morning."

The great big car drew up to the curb where the cute little working girl was waiting for the bus. The driver stuck his neck out and said, "Hello, I'm driving west."

"How wonderful," said the girl. "Bring me back an orange."

Reunion Saddened By Death

While several members of the family were guests at the home of Mr. and Mrs. Chet McAtee, word was received of the death of Mrs. Ida Packard, sister of Mr. McAtee, at Lebanon, Ore. Mr. and Mrs. McAtee motored to Lebanon Sunday. Here for the family reunion were Mr. McAtee's mother, Mrs. Lottie Ward of Enid, Okla.; a

brother and wife, Mr. and Mrs. Loyal McAtee, and their daughter, Sharon, and another brother and wife, Mr. and Mrs. Dale McAtee, and son Skippy.

Tripp to Yakima
Miss Wanda Joy McLellan enjoyed a trip to Yakima recently, going over with her sister and husband, Mr. and Mrs. Neal Gallagher, to visit relatives. Community Club Aug. 13
The Spanaway Progressive Community club will meet at 8 p. m. Tuesday, Aug. 13, in the Spanaway fire hall.

Secret Pal Club on Trip
The Secret Pal Sewing club went to Victoria on Tuesday, July 29, on the excursion ship Patricia. From all reports they had a wonderful time shopping, sight seeing, having luncheon at the impressive Empress hotel and dinner on the ship on their way home. Those enjoying the day were Mesdames Harry White, Bob Rhone, Bob Seidel, Beulah Ballard, Edward Flannery, Emerson Tarpinning, Jack Henrickson, George Stephenson, Robert McCullough and Ted O'Neil.

Altar Society
St. Benedict's Altar society will meet at 8 p. m. Monday at the home of Mrs. Ferdie Kanton with Miss Eutrophia Kough as co-hostess.

To Kirkland
Mr. and Mrs. Emerson Tarpinning motored over to Kirkland recently and visited Mr. and Mrs. Robert Manning, former Spanaway Lake Shore residents.

Recovering
Mrs. Robert Fyre is home and reported recuperating slowly but surely from a recent illness.

Critically Ill
Harry Pillsbury is reported critically ill at his home. He has been confined to his bed with a heart ailment since January.

Army Visitors
Mr. and Mrs. Harry Harrigan have had as their guests Mrs. Harrigan's sister and husband, Maj. and Mrs. Elmer O. Dry from the Presidio, San Francisco. The couple have also visited Mrs. Dry's mother, Mrs. Harvey Johnson, and other relatives in Tacoma.

Joint Anniversary Party
Mr. and Mrs. Jack Henricksen and Mr. and Mrs. A. Hart are having a joint wedding anniversary party Saturday evening at the Henricksen home, a gathering of the two families. August 6 marks the 27th anniversary of the Henricksens and the 37th anniversary for the Harts.
