### Lightning Strikes

The South End was plunged into darkness last Friday afternoon when lightning struck power lines in two different spots. A bolt whammed into the power line near 98th and Pacific and a few seconds later another charge hit the high tension line alongside the Parkland school. No serious damage resulted, but line crews worked into the night replacing frayed wires. A splinter of wood about twelve feet long was ripped out of a light pole at the southeast corner of the school grounds.

### Fixit Shop

Cy Duryea, who has resided in these parts for the past 15 years, has recently opened the Fixit Shop in the former Clover Creek Market building at Brookdale. Cy is a well known mechanic with many years' experience "just fixin' things." So if you have household gadgets, electrical or otherwise, in need of repair fetch 'em in to the Fixit Shop.

### Careless Cyclers

Several persons recently have reported to the Pointer that boys riding bicycles along the highways are becoming careless and wobbling about in the traffic lanes. Some serious accidents are feared so parents are asked to warn their children of the hazards of bicycling carelessly on busy highways in these parts.

### A Beauty Spot

What might be expressed as a rose among the thorns is the Pixie Shop operated by Mrs. Smith Campbell at 98th and Pacific. Among a group of garages with their accompanying autos in various stages of repair, this shop is a spot of brightness. Mrs. Campbell, assisted by Mrs. Roy Stratton, decorates wooden articles in bright colors and artistic designs. She also carries a line of odd glassware pieces in attractive patterns. This place is worthy of a visit from South Enders.

### Bear Spotted

Although the South End is considered pretty well settled, there is still some rugged country left and apparently inhabited by wild animals. Last Saturday just after Instructor Norm Hondle and myself (Beard, the publisher) took to the air on another flying lesson we spotted a good sized black bear in an old orchard in the Clover Creek area. We circled the spot a couple of times at five hundred feet altitude watching the animal, which appeared to be feeding on windfall apples. It was not in the least disturbed by the plane.

### Landing Technique

For this report, another two lessons of landing have been taken, but that perfection of setting a plane with a three-point smoothness is not yet within the grasp of this neophyte birdman. I've taken off, circled the field, and come in for a landing so many times now that Wayne Russell, owner of the establishment, is getting circles under his eyes. He says it's a good thing there are pilots out that can fly because if he had only me to look at he'd lose faith in the future of aviation. However, my instructor has the fortitude to stick with me and he keeps urging me on. "Try it again," he says. So away we go.

### Miscellaneous

I've approached that Forest Grove airport at the greatest assortment of angles and altitudes one could imagine. First I'm too high then not high enough. Next it's off too much to the right or vice versa, then a wing gets too low and the other too high. By the time I get all that stuff straightened out the Taylorcraft is bouncing off the runway like a red hot tennis ball. And while all this is going on, Hondle sits calmly alongside urging me to do better things by his aircraft. Maybe I'll be able to some day—I hope.

### Still Fun

However, flying is still fun for me and coupled with weather such as we had last Saturday and Sunday it is a marvelous experience. And there are plenty that will agree for on those days Russell's planes were constantly in the air. You should try it some time.

### SPANAWAY PRE-SCHOOL GETS NEW MEMBERS

"Our Blood Bank As An Asset," was the subject of a talk given by Dr. Norman Magnuson, Tacoma, when he was guest speaker at the October meeting of the Spanaway Pre-school Club which met at the home of Mrs. Robert Snyder on Wednesday of last week with Mrs. James Gray as co-hostess. Five new members were admitted to the club as a result of the membership drive. A delicious lunch was served with Mrs. Joseph Snyder and Mrs. O. A. Gilberts pouring. The time and place of the next meeting will be announced later.

### \$700 Fire Damage To Parkland Home

Fire did \$700 damage to the home and Mr. and Mrs. R. D. Marshall lost some of their furniture and personal affects before the Parkland Fire Department could subdue the blaze. Apparently faulty wiring started the fire in the house at Harrison and Tacoma Avenue in Parkland at 10:45 a.m. Thursday, October 4. The building is owned by V. L. Lucas.

### H. M. & L. GETS RESUSCITATOR

Midland Firemen Purchase Life-Saving Apparatus For Use in Emergencies

The H. M. & L. Fire Department last week purchased a resuscitator and brought to 12 the number of such machines in Pierce county. This piece of equipment is known as an Emerson dual portable model and will be paid for with money the firemen will raise through their second annual ball, planned for November.

Fire Chief Dave McPherson is an expert in the use of the resuscitator and other members of the fire company will be trained in its operation. One important feature of the machine is its double masks that provide for the care of two patients simultaneously.

Doctors, police officials and neighboring fire departments have been notified by the Midland firemen that the resuscitator is at their disposal in any emergency. Location of other resuscitators in the county are Tacoma Fire Department, two; Tacoma Police Department, three; sheriff's office, two; Eatonville Fire Department, one; Puyallup, one.

### West Clover Creek In Fire District

A section of the Clover Creek area was officially admitted to the Spanaway-Elk Plain Fire Protection District at a meeting of the fire department and fire commissioners Monday night in the Spanaway school. The portion annexed is that part of Clover Creek from the Noble Road west.

There were representatives from this area present and membership in the fire department has been opened to residents from there as well as other parts. The rolls must be filled now as a schedule for night sleepers at the fire hall will be drawn up soon.

### Roll Call Sunday For Lutherans

Pacific Lutheran College will reach the fifty-second milestone of its history on the fourteenth of October. The historic event is being observed by congregations of the American Lutheran Church, the Augustana Synod and the Evangelical Lutheran Church in the western part of the United States. The annual Roll Call Offering for support of the college will be taken this Sunday.

Trinity Lutheran in Parkland will commemorate Foundation Day. Dr. Ernest B. Steen, the pastor of the church and college pastor, will speak on the theme: "Hitherto—Henceforth." The annual Roll Call offering will be placed on the altar as a pledge of support by the congregation to the cause of Christian Education.

### Luther League Official to Be Speaker At Banquet in Trinity Lutheran Church

Rev. Burton Smith of Bethlehem Lutheran church in Tacoma will be the speaker at the young people's banquet Sunday evening at Trinity Lutheran church at 6 p.m. Pastor Smith is the president of the Pacific District of the Young People's Luther League.

The banquet, known as a "Pocket Testament Banquet," is sponsored by Senior and Junior Luther Leagues of the church. Marilyn Pflueger is president of the Senior League and Mary Olson heads the Juniors. A cordial invitation is extended to interested young people of the South End and Pacific Lutheran College to attend this function. Tickets may be purchased from Leaguers or at the church office.

In addition to the address by Pastor Smith, the following musical numbers will appear on the program:

Piano solos by Miss Ruth Jensen.

Vocal solo by Gerald Solvik.

Trumpet solo by Paul Steen.

### PATROLMEN ARE SWORN IN

Parkland School Students Who Will Serve on Traffic Squad Named

Nineteen students were sworn in to serve as traffic patrolmen for Parkland school by Officer Paul Pattison of the Washington State Patrol at a recent school assembly.

Officer Pattison addressed the student body, stressing the importance of observing safety rules. In regard to bicycles, he stated that improperly equipped bicycles would again be impounded this year. Bicycles must be equipped with pedals, fenders and tail-lights; handle grips must be glued on and ordinary traffic rules must be observed. Parents who do not wish to cooperate will be taken to court if necessary, Officer Pattison informed the students.

The school safety patrol is headed by Dexter Washburn as captain; Junior Tuttle, George Greene, Gerald Leap and Eleanor Nation as lieutenants; and Cliff Simonsen, Bob Hutton, Jerry Briggs, Art Getchman, James Stauffacher, Grover Akre, Terry Brady, Don Bortle, Wally Dugan, Dan Jung, Frank Burns and Billy Baughn as patrolmen. Special officers are Ronnie Colwell and John Younce.

Recent additions to the staff are: Marian Myers, Eddie Jung, Sara Walker and Spencer Phipps.

### Midland Club Drops Tennis Court Project

At the Midland Improvement Club meeting Monday night the group decided they would have to forego construction of tennis courts at Dawson Field. However, as soon as the treasury can be built up this project will be taken up again.

The matter of a stop light at 98th and Portland Avenue was discussed and it was decided that letters would be written to county officials urging the installation. This was taken up once before and the county obliged by painting a stop sign on the road, but club members feel that this is inadequate.

A large number of Midland folks attended the meeting in Midland hall with business being conducted by President Clarence Johann.

### Bellingham Trip For Jobs Daughters

Members of Bethel 23, Order of Job's Daughters, Fern Hill, will leave by private cars Saturday, Oct. 12, at noon to take part in the ceremonies of institution of a new Bethel of Job's Daughters in Bellingham.

Mrs. Adaline J. Catlow, a past grand guardian of Washington, is the organizer of the group. Mrs. Vidah M. Cox, grand guardian, will come from her home in Spokane to conduct the ceremonies of institution.

Those going are: Misses Lois Kidder, the Bethel's queen; Ruth Reinstrom, Donna Pederson, Margaret Parent, Luairce Sharpe, Rexine Norton, Winnie Johnson, Anita Herzog, Annedell Bushnell, Marilyn Hill and Eleanor Doering, Mr. and Mrs. Ross Boynton, Mr. and Mrs. James Jones, Mr. and Mrs. John Lowe and Miss Dorothy E. Lowe will accompany the girls. The group will remain over-night, returning the next day.

This new Bethel will make the 25th Bethel in the state since the Order was introduced in Washington a few years past. The International Order of Job's Daughters is outstanding in many states and provinces of Canada, and also in Washington.

### Friends Gather to Greet Newlyweds

Honoring Mr. and Mrs. Richard J. Bennett, recently married in Alexandria, Virginia, Mr. and Mrs. Sidney Bennett held open house last Sunday afternoon at their Elk Plain home.

Pictures were taken of the couple as they cut the cake which centered the table from which the lunch was served. Moving pictures were taken of the guests as they gathered upon the lawn.

Assisting Mrs. Bennett in serving were her daughters, Mrs. David Judd, Miss Marjorie Bennett and her sister-in-law, Mrs. Victor Bennett.

Friends who came to greet the bride and bridegroom were Mr. and Mrs. Albert Johnson and son Herbert, Mr. and Mrs. Mathew Ferguson and sons Robert, Rollie, Dwane and Jimmy; Mr. and Mrs. John Ockfen Sr., Mr. Fawcett, Mrs. Margaret Ferguson, Mr. and Mrs. Robert Ertlin and daughters Marlene and Nancy; Mrs. Edward Flannery, Mr. and Mrs. Clarence Anderson, Mr. and Mrs. John Ockfen Jr., Mr. and Mrs. George H. Dorfner, Mr. and Mrs. Clinton Wilder and Mrs. William Andrews. Also present were Mr. and Mrs. David Judd and daughters Pauline and Emelia, Mr. and Mrs. Victor Bennett and Miss Marjorie Bennett.

The honor guests are extending their visit for another week when they will return to Alexandria by air where they will make their future home.

### LINCOLN HIGH PTA

Mrs. J. W. Yost, president of Lincoln High School PTA, has announced a meeting will be held in room 207 at 2 o'clock Tuesday, October 15. There are many students from the South End attending Lincoln high and their parents are especially invited to attend.

### COFFEE VS. TOLLEFSON

Tonight (Thursday) is Parkland Community Club night and an exceptionally large turnout is expected to hear the debate between Congressman John M. Coffee and his republican opponent, Thor Tollefson. Herbert Socolofsky, club president, has announced that the meeting is open to all South End folks.

### C.P.S. FANS TO HAVE A LOOK

North End College Makes Debut in Tacoma Saturday Against Pacific University

South End football fans will have a good chance to do some real scouting for Coach Cliff Olson and his PLC grid team this Saturday afternoon, for at that time the important cross-town rivals of the Gladiators, the College of Puget Sound, will tangle with Pacific University of Forest Grove, Oregon, in Tacoma Stadium.

With game time set at 2 p.m., Coach Frank Patrick, newcomer to the Northwest coaching ranks, will trot his 1946 edition of the Loggers out onto the field against the undefeated Badgers. Pacific, powerful in the ranks of the smaller colleges in this part of the country, opened its season with a 7 to 0 win over Everett Junior College and then turned right around and dumped Whitman College 6 to 0.

The Loggers, on the other hand, ran into a peck of trouble at Bellingham last Saturday night, and came staggering home with a 7 to 5 loss to Western Washington College of Education in their season's opener.

There isn't a lot to say about Puget Sound at the present time, except that the current team is typical of most eleven teams that have worn the Maroon and White in the past. It is light and fast and on a dry field offers a thrilling type of football to watch. Five former letter winners are listed on the large roster, two of them guards, the other three backs.

### Midland Girl Hurt When Hit by Car

The 93rd and Portland Avenue curve near Midland produced its second child casualty during a year's time last Friday when five-year-old Anita Bessie Suydon, daughter of Mr. and Mrs. Robert Suydon of Midland, was struck down by a car. Bessie was on her way home from Kindergarten and started across the street when a car suddenly rounded the curve. She was thrown to the ground and received multiple abrasions. She was rushed to the hospital for treatment and later returned to her home.

### Cuts Arm—While cutting wood at his home, Tony Hibler misjudged the distance for a piece of wood and suffered a cut on his arm.

### In Accident—While enroute from their home to the Clover Creek school, Mr. and Mrs. H. M. Baisinger, members of the teaching staff, had an accident while turning their car off the Airport road. Mrs. Baisinger, second grade teacher, received injuries and was treated at Puyallup hospital. She has been unable to teach this past week. Mrs. Harold McCannum has been substituting for her. Mr. Baisinger did not receive any injuries.

### Home From Hospital—John Grieler, who has been in a Tacoma hospital for some time, is now home and has been spending some time with J. Griffith.

### Visiting Uncle—Billy Edwards and his friend, Edward Moore, of Castleford, Idaho, are visiting with the former's uncle, Jack Dunn, and family.

### To Walla Walla—Mr. and Mrs. Robert McCullough left Friday morning, October 4, to visit with friends in Walla Walla, Wash.

### Back Home—Geo. C. Chessum arrived home Friday night, October 4, after an extended business trip over the state. Mr. Chessum left September 30 and went to the Yakima valley and from there to Vancouver, Wash. He expects to be home for a while.

### Cousins Coming—Mrs. Jack Dunn is expecting her cousin, Mrs. Etta Mae Berkenmeier and two small sons, from Cherryvale, Kansas, the first part of the week.

### Returns—Mrs. Ruth Allen arrived home from an extended trip to California where she visited friends and relatives at Compton, Los Angeles and Santa Ana. She reports an enjoyable trip.

### Sunday Visitors—Mr. and Mrs. S. V. Nordwall of Seattle spent Sunday with Mr. Nordwall's sister, Mrs. Fena N. Elledge.

### Weekend Guests—Mr. and Mrs. Curtis Bennett spent the weekend at the Robert McCullough home.

### Visits Parents—Mr. and Mrs. Glen Hartman and daughter Diane spent the weekend with Mr. Hartman's parents, Mr. and Mrs. Frank Hartman. Glen was discharged from the navy Friday, October 4, after receiving the purple heart for wounds received in the Solomons. (Continued on Page 4)

### COMMUNITY CHEST DRIVE

Annual Campaign Set For October 21 to 31 With Goal of \$382,812

With everything in readiness for Tacoma's twenty-fifth annual Community Chest campaign October 21 to 31, Charles E. Devlin, public relations chairman, announced completion of final plans to assure Tacomans familiarity with all phases of the drive.

The slogan for 1947, "Everybody Benefits, Everybody Gives," is being used in conjunction with the campaigns being conducted throughout the country. Locally, Parkland residents are being urged to contribute only once toward support of twenty-eight Red Feather agencies of the Community Chest. Tacoma's goal of \$382,812 this year will contribute toward the support of only one national agency, the USO.

H. Sanford Saari, acting chairman of the 1947 campaign, responded to President Truman's nationwide address on behalf of the Community Chest drives in a transcribed broadcast over stations KMO and KVI Tuesday, October 1.

In Parkland various displays have already been distributed among churches, firms and schools. These include bumper strips, posters, easels and window advertisements.

One of the most important phases of the publicity for the 1947 Community Chest campaign is the Speaker's Bureau under the chairmanship of Vern D. Patterson. The bureau, comprised of approximately fifty volunteer speakers, is spreading the story of the Community Chest among the workers and club members of firms and organizations throughout the city.

### HERE FRIDAY

The definite plans of Senator Hugh Mitchell in his tour of the Sixth Congressional District during October 10, 11, 12 will include a rally in Parkland tomorrow (Friday) at 4:00 p.m., and Spanaway at 5. Everybody is invited to come and meet the senator.

The caravan schedule which the senator will follow Friday is as follows:

10:30 a.m., Milton and Edgewood; 11 a.m., Sumner; 12:15 p.m., street meeting in Puyallup; 1 p.m., noon luncheon at The Poodle Dog in Fife; 2:30 p.m., South Tacoma; 4 p.m., Parkland; 5 p.m., Spanaway; 6 p.m., dinner at The Firs.

### TURKS FOR ALL AT SPANAWAY

Tickets Now on Sale For Second Annual Dinner Coming November 5th.

"Plenty of turkey for all" is the slogan for Spanaway Fire Department Auxiliary's second annual turkey dinner to be served on the night of Tuesday, November 5, in Spanaway school. Last year the dinner proved so popular that the food ran out before all were served, so the women are making an advance ticket sale this year and arranging for the turkey and fixings necessary to feed all comers.

At a meeting of the Auxiliary on Monday night plans were set for this affair and tickets were put in the hands of both the men and women of the fire department. Anyone wishing to purchase tickets need only contact one of the members.

It was also announced at the meeting that the Spanaway-Elk Plain Fire department will stage a parade on Saturday, November 2, as a preliminary advertising campaign for the dinner. All net proceeds from the feed go to the fire department.

The Auxiliary admitted four new members at the Monday session. They are: Mrs. C. J. Fedderson, Mrs. J. A. Henriksen, Mrs. Eugene Busby and Mrs. Ethel Hanson.

### Couples Wed in Double Ceremony

The morning of September 14 was the date for the double wedding of Miss Leona Nimick of Third street, Spanaway, and Raymond Massard of Tacoma and of Merle Nimick of Spanaway and Miss Evelyn Smith of Sumner.

The ceremonies were performed in St. Benedict's Church, Spanaway.

Miss Nimick and Mr. Massard wore matching silver blue suits. The brides' corsages were gardenias.

Miss Smith wore a blue suit with blue accessories and a corsage of gardenias and orchids. Mr. Nimick wore a dark suit. Both grooms had white buttonhole carnations.

Attending Miss Nimick and Mr. Massard were Elmer Bartelme and Mrs. H. I. Remme of Tacoma and Stan Lapinski of Roy and Mrs. Lola Curtis of Sumner attended Miss Smith and Mr. Nimick.

Reverend Edmond Barry, chaplain of Marymount Military Academy, performed the double ring ceremonies.

Following the wedding breakfast, which was held at the home of Mr. and Mrs. R. E. Drake of Spanaway, the foursome left on their honeymoon which they spent touring parts of Washington and Idaho.

Mr. and Mrs. Massard are living temporarily in Spanaway while Mr. and Mrs. Nimick are residing in Sumner.

### DEMONSTRATION CLUB

Midland Demonstration Club will meet at 12:30 o'clock on Thursday, October 17, at the home of Mrs. U. Stark at 91st and Van Buren. A potluck luncheon will be served.

### H. M. & L. DEPT. GETS TRUCK

Chassis Now in Portland For Addition of Modern Fire Fighting Gear

By MARGARET KEYS  
Pointer's Midland Correspondent

Though there is some doubt as to the honor bestowed, your Midland reporter suspecting it to be a bid for publicity, still treasures the memory of last Saturday when she clambered into the new H.-M.-L. fire truck for the ride that heralded her as the first person outside the department to take a spin in the new truck since its delivery.

Because of a three weeks' delay in shipment, Chief Dave McPherson was handed the keys to the 1946 truck only last Friday, after a four weeks' delay.

When the ride failed to enlighten your titled reporter as to the truck's potentialities, Fire Chief McPherson offered this data: South Tacoma Chevrolet Co., complying with orders, built up the spring leaves to twice the standard capacity to compensate for the constant 15,000 pound load. Two electric fuel pumps were added to use in case the others fail. Vacuum booster brakes to give more braking power were installed at the eastern factory and special large tires were put on to carry the load and for travel over the soft ground encountered on many runs.

The truck now goes to Portland, Oregon, where the Howard Cooper Corp., specialists in building fire fighting equipment, will install pumps, tanks and other gadgets to make this truck chassis into the most modern fire-fighting machine.

### Fire Auxiliary Grateful for Gifts

The Ladies' Auxiliary of the Parkland Volunteer Fire Department wish to thank the Pacific Lutheran College for donating dishes to the fire hall. This was very much appreciated.

There are many more articles that are still needed. Persons having contributions can have the stuff picked up by calling one of the following:

Mrs. H. W. Jenness, GR 7359.  
Mrs. Louis Duffy, GR 7795.  
Mrs. Haley Peterson, GR 8833.

The next meeting will be held at Mrs. Robert Haynor's with Mrs. Louis Duffy co-hostess, on Wednesday, October 16.

### IN PARKLAND

Vacation Trip—Mr. and Mrs. Lawrence Earlywine, operators of the Indian Inn, returned to Parkland last Saturday after a week's vacation trip. They went to Harrison Hot Springs, B. C., and also visited in Vancouver.

Baby Boy—Mr. and Mrs. Delmar Knudtson announced the arrival of a son on October 7 at 1:50 a.m., at Tacoma General Hospital. Delmar was passing out cigars and thumping his chest Monday when he told of the boy's arrival and reported his weight as 8 pounds, 4 ounces. Proud grandparents are Mr. and Mrs. George Knudtson of Parkland and Mr. and Mrs. F. A. De Wolf of Tacoma.

Dr. Leraas Visits—Coming to take the Washington state dental examination, Dr. H. J. Leraas was in Parkland Monday to Wednesday of this week visiting with friends. He was a guest in the home of Prof. and Mrs. G. J. Malmin. Dr. Leraas and family resided here for some time several years ago and was on the teaching staff of PLC. He is now a practicing dentist in Ann Arbor, Mich. but plans to open an office in this vicinity soon.

Baptism—On October 5 the R. E. Reed home on Sales Road was the scene of a baptismal ceremony for baby Sharon Lois Reed. Rev. E. E. Reed of Spanaway, grandfather, officiated. Others present besides Rev. Reed and the parents were the grandmother, Mrs. E. E. Reed, Mr. and Mrs. V. E. Wallace of Roy, Mr. and Mrs. Wm. Sergeant of Spanaway, Mrs. E. H. Wallace and daughter Prudence of Roy, and Mr. and Mrs. J. A. Black and sons Leonard and Wallace of Tacoma.

Dinner Guests—Saturday night dinner guests at the home of Mr. and Mrs. Byron Bryson were Marion Lee Jensen, navy corpsman from Coifax, Wash., Miss Grace Carlson, Miss Alice Kjesbu and Silas Torvend, PLC students.

Postmaster Away—Roy Peterson, your Parkland postmaster, has spent the past week in Minnesota. He visited a few days in Grand Rapids with his mother. (Continued on Page 4)

- 1 AMERICA MUST ACCEPT WORLD LEADERSHIP. The sick, hungry world looks to free, healthy, prosperous America to lead in avoiding power politics and war to achieve world reconstruction in terms of common sense, integrity and decency.
- 2 WE MUST PRESERVE THE AMERICAN SYSTEM. America, with less than 6% of the world's population, enjoys over 1/3 of its wealth and income. It would be both stupid and tragic to radically ALTER the proved American system. Yet our present administration desires to do just that!
- 3 WE MUST TAKE ADVANTAGE OF WASHINGTON STATE'S OPPORTUNITY. Eastern and Western Washington have just begun to grow, expand, develop. Agriculture, manufacturing, processing, exporting are the state's opportunities which must be forwarded for the prosperity of all.
- 4 THERE IS A WAY TO INDUSTRIAL PEACE. Restrictive labor legislation is no reasonable answer. A free economy must include free labor and free management. Government should have no part to play in collective bargaining. There is absolutely nothing wrong with our industrial relations that sane, sound, fair-minded labor-management leadership cannot correct. Effective legislation will recognize the principle of equal opportunity and equal responsibility for both management and labor.
- 5 WE MUST WORK REALISTICALLY FOR WORLD PEACE. America must not reduce its present military fitness in idealistic hope that other nations will follow suit. As a strong nation we shall be a respected witness or advisor before any disarmament conference.
- 6 VETERANS DESERVE HELP—NOT DOLE. The average veteran is a citizen who served his country well. He looks for neither pity, handout or special privilege. Veterans legislation should develop opportunities, not gratuities.
- 7 You cannot further the brotherhood of man by inciting class hatred. You cannot build character and courage by taking away man's initiative and independence. You cannot help the poor by destroying the rich. You cannot help men permanently by doing for them what they could or should do for themselves.

**Motor Trip to Utah**—Mr. and Mrs. Mathew Ferguson have recently returned from a very pleasant motor trip. After visiting with friends and relatives in Walla Walla, they went on to Ogden, Utah, where Mr. Ferguson attended to business matters. From there they went to Salt Lake City and after enjoying a swim in the lake, they visited the Bingham Copper Mines, returning home via Portland.

**Small Girl Injured**—Little Nancy Ettlin, daughter of Mr. and Mrs. Robert Ettlin, was slightly injured on September 29, when the car door came open and she fell to the pavement. The family were on their way with friends to Mt. Rainier when the accident occurred.

**Birthday Party for Carolyn Van Alstine**

A surprise birthday party was given for Miss Carolyn Van Alstine at her home on Friday night, October 4, by her parents, Mr. and Mrs. Robert Van Alstine.

Games were played throughout the evening. Refreshments included a large cake with five candles.

**MILLIONS of DOLLARS of YOUR MONEY ARE ABOUT TO BE SPENT Without a Vote of the People!**

Today there is a deal pending for the sale of Puget Sound Power & Light Co., to a group of PUDs for 135 MILLION DOLLARS. Sixteen counties containing over a million people are affected.

And yet these people are powerless to vote YES or NO on whether they believe the plan sound; whether the price is satisfactory; or whether they want to assume the obligation for the bonds to be issued. Other PUD purchases, of which several run well over the million dollar figure, are being planned . . . all without a vote of the people affected.

**INITIATIVE 166 Gives YOU the Right To Vote on how YOUR MONEY Is Spent**

Initiative 166 does not stop PUD deals—if the people want them. It merely permits the people, instead of PUD commissioners, to decide. It provides that the plan of purchase, and the amount of bonds to be issued be submitted to a vote of the people.

**Vote  FOR INITIATIVE 166**

Why should anyone object to giving the people this democratic American right? Who is afraid to allow the people to vote on how their money is spent?

**Pacific Coast's amazing growth makes job bigger than ever**

We are adding equipment and installing telephones just as fast as conditions permit... at a faster pace this year, in fact, than ever before.

But continuing shortages of equipment and restrictions on building construction have so far made it impossible for us to keep pace with the Pacific Coast's spectacular growth. Though we have already added more than 253,000 new telephones during the first eight months of this year and every bit of our equipment is working to capacity, there is still a big job ahead. You can be sure we are doing everything we can to get your telephone to you as soon as possible.

Thank you for your understanding and patience.
