# 2nd Annual Baby Derby Bigger And Better

**IT WILL BE A LUCKY TYKE THAT WINS**  
Yes, merchants cooperating with this paper have this year donated an enormous amount of prizes. Enough to out-shine many other larger cities holding a Baby Derby.

The first baby born to parkland parents after 12 midnight, December 31st, will be the winner. There are no entry blanks to fill out; no calls to make. The only rule is that parents must live within the Parkland area, bounded by 102nd street South to 141st and from Golden Given Road West to McChord Field.

### LARGE CROWD SEES SANTA

Those on the Parkland Christmas tree committee were amazed and dismayed Thursday evening. Amazed at the large throng of people, and very dismayed because Santa ran out of gifts for the children. Nearly twice as many packages were made up this year as last year, but it still wasn't sufficient. What does it prove? Only that the South end is growing. Growing faster than anyone can visualize. Never the less, the program was a huge success. At 6:30 Christmas music filled the air from Catron Radio's sound truck. At 7:00 p. m. Carl Fynboe of the Centre Cleaners mounted the stand to MC the program. The Girl Scouts led by Mrs. Bordo sang "Oh Come AllYe Faithful," "Santa Claus Is Coming To Town," and "Silent Night."

Santa Claus made a timely arrival on one of Parkland's big red fire trucks, and joined in the singing, after having a chat with the children. Carl led the community singing of "Jingle Bells," and "Little Town of Bethlehem." The Parkland Business Club has extended thanks to those who made the program possible and has assured every one that next year, Santa's helpers will be sure to have gifts enough for every child.

**Larroc A YEAR-ROUND DAIRY FEED**

For economical, profitable feeding, use Larro "Farm-tested" Dairy Feed. It's a year-round feed—for fresh cows, milking cows, dry cows. This saves time and bother... cuts down on storage space needed. And you don't sacrifice a bit of production!  
● FOR FRESH COWS—You'll find that Larro Dairy Feed, fed as directed, will bring your cows to peak production steadily without setbacks.  
● FOR MILKING COWS—Larro Dairy Feed gives them the minerals, vitamins and other nutrients they need for continued heavy milk production.  
● FOR DRY COWS—Fed the Larro way, they get less feed, more low-cost roughage. This gives them a proper fitting ration at a very low cost.
