

BOXHOLDER OR OCCUPANT
RURAL ROUTE

By Clarence LaCrosse

Stella's Flowers can really deliver in grand style now that they have added a Chevrolet "suburban" to their thriving business. As near as I could determine, Stella hasn't been able to get much of a chance at the new wagon as yet due to the fact that her husband, Ken Jacobs, has been doing the initial breaking in. To say you can't blame him would only lead to bloodshed so we won't say it.

Vacation Time

A few more coats of tan are being noticed about the streets lately due to the nice Washington sunshine and partly due to other sunshine, such as California and the heat of the East. Milt Nesvig was in the office today with a beautiful tan. Even looked as if he might have had his hat off for a while, too.

I had the fun of taking a short weekend trip to Salmon La Sac near Cle Elum, attending a camera club convention. More than a hundred "shutter bugs" from all over the state gathered at that point. Some of the scenery was quite worn out from being snapped so often during the weekend. The ranger tells me, however, that it will grow back as beautiful as ever. A bright blue sky with billowy white clouds favored the group for some very excellent opportunities for scenery shots. Now, to wait for the color slides to be developed.

GI Again Getting a Beating

No sooner had the word been given to pack up to the weary GI, who is off to another man's war, than the few unscrupulous, always ready to benefit at another's misfortune, moved in quickly, grabbing up his equity at a price so low it is not even decent to the soldier, who is fighting their war.

The soldier who bought a home with what little money he had then settled with his family here in this community is now faced with the problem of either selling at a giveaway price or be forced to lose his home or car as the case might be. Real estate buyers are thick in this area at present trying to get their hands on a home at a loss to the soldier, who has no choice in the matter. Autos are being reclaimed without a thought as to the welfare of the soldier and his family. If not reclaimed they are being bought so cheaply that it is ridiculous. It appears from here that if a man is good enough to fight for his country he should be good enough to have some protection from the likes of such sharks and money-mad racketeers.

A check with the bank shows that the banks are making every effort to help the soldier in this respect. Whenever it is possible the banks are asking the soldier to have the bank sell his auto at a decent price, then send the money to them. This is highly commendable, thus indicating that most of the reliable firms are doing the fair thing. The same is true of the reliable real estate firms in this area.

Kiwanis Jaunt

Some twenty Kiwanians from the Parkland Area club took off on two cruisers for a jaunt to the Vashon Island club last Tuesday evening. Leaving from the Tacoma Yacht club, where Rufus Parker, captain for the excursion, keeps his Bonnie B, the party proceeded across the bay in company with the Gedoca, another cruiser belonging to Harold Sorenson, Yacht club.

On board the Bonnie B with Captain Rufus were such figures as Mor-

Don Eastvold Files For State Senate

Don Eastvold, civic leader, successful practicing attorney and part-time instructor of business law at Pacific Lutheran college, has filed as a candidate for the State Senate, 29th District, on the Republican ticket.

Attorney Eastvold, son of S. C. Eastvold, president of the Pacific Lutheran college, is a graduate of the University of Washington law school and a former national debating champion.

At the present time he is president of the Parkland Business club and Lutheran Brotherhood of Trinity Lutheran church; also chairman of the Boy Scouts of America, Southeast district.

Eastvold is a member of Kiwanis, Sons of Norway, Scandinavian society, American Legion, Veterans of Foreign Wars, World Affairs Council and legal advisor to the Pierce County Cerebral Palsy association.

The candidate's statement is as follows: "As State Senator representing the 29th district I shall work for immediate construction by Tacoma City Light of power dams on the Cowlitz River. Power is vital to the future development of Tacoma and dams at sites designated as Mayfield and Mossy Rock will insure power required.

I will also favor a program which gives protection to our valuable fishing industry and compensate both commercial and sports fishermen for losses due to necessary building of power project dams. My studies of this controversy prove we can have both power and fish.

"Initiation of an active reforestation program . . . using lands good only for growth of timber on a sustained yield basis is high on the list of requirements designed to insure a stabilized local economy. I also believe in an adequate construction program for schools and state institutions, and will work for a permanent and practical solution of the ferry problem."

"The amendment of Initiative 172 by your State Legislature to eliminate milking and abuses which dissipate tax monies earmarked for widows, orphans and old age pensioners is imperative. I shall work for this improvement and tax saving.

"Enforcement of existing anti-pollution laws is needed, in fact long past due. This conservation and health requirement deserves more public attention.

"I believe in and will work for a balanced state budget."

Don Eastvold is married and lives with his wife and three children in the family home at Parkland.

South Tacoma Jumps With Festive Frenzy GOV. LANGLEIE TO OPEN NEW STREET

Things are really jumpin' over South Tacoma Way! Greater South Tacoma Days festival, set for July 27, 28 and 29, continues to grow like the proverbial downhill snowball.

The occasion is the completion of new concrete paving on Washington street and installation of new, efficient lighting on the Way.

Governor Arthur B. Langlie's ribbon-cutting on Saturday climaxes the celebration which is jointly sponsored by the South Tacoma Business club and the South Tacoma Kiwanis club.

The celebration begins on Thursday night at the community center where prizes in the merchants' jackpot program will be awarded. A 1950 deluxe Studebaker sedan is the top prize to be given away at 9 p.m.

Also on Thursday night, "Miss South Tacoma" will be selected. Reservations have been made by the Meeker Shows for a lot between South 54th and 56th streets for its carnival. It will be in operation during the 3-day celebration.

On Friday at 10 a.m. the kids will have a parade. Prizes to be awarded include: the most comic costume, the best decorated vehicle, the most beautiful costume, the largest pet, the most unusual pet and the smallest pet.

Also on Friday there will be a square dance contest and street dancing. The Tacoma Lariettes also are scheduled to perform that day.

On Saturday, Governor Langlie will officially open Washington street and a dedication parade will follow at 10:30 a.m.

The Kapowsin Pre-school held its regular meeting at the Electron clubhouse on Monday, July 17. Final plans were made for the Style show to be held on August 9 at the Kapowsin gym. Hostesses for the evening were Lois Jacobs, Marion Strassburg and Thelma Main.

KMO MAN TALKS TO KIWANIAN ON TV FUTURE

(Editor's Note: See Along the Street column for story on the Kiwanians' Vashon island trip.)

Speaking on "The Future of Television," Paul Benton, of KMO Tacoma, will be the guest speaker at the Kiwanis club meeting this evening in the parlors of the Trinity Lutheran church, program chairman Herb Socolofsky announced.

According to the publicity chairman, some heavy fineing will be in order this week with Jack Quill having a birthday, Art Swindland getting his picture in The Parkland Times, and other incidents known only to Kiwanians.

NORWEGIAN SONGS SPARK KIWANIS BIRTHDAY PARTY

Norwegian songs by Gunnar Carl Orstedahl, Oslo radio station executive, highlighted the Parkland area Kiwanis club's first anniversary party last Friday night at The Firs.

Here in this country to investigate and to study radio stations, television and auditioning methods, Orstedahl delighted nearly 30 couples with his Norwegian verses and his piano manipulations.

District officers and other Kiwanians from five other organizations in the immediate area were also present. Following the dinner and program, the group danced until 12 o'clock.

It was July 14, 1949, that the local Kiwanis club was granted its charter, although it actually came into existence on May 19 that same year.

Elk Plain Card Party Offers Sugar Prizes

By Amy Brown

Tomorrow at eight is the big night at the Elk Plain school activity room. The firemen's auxiliary will sponsor a card party that night. Pinochle and "500" will be played with sacks of sugar as prizes. Lunch will be served, and tickets are on sale at 50 cents per person.

With Mrs. W. G. Brown as hostess, the Elk Plain firemen's auxiliary held their regular meeting Tuesday.

The Elk Plain church council held its regular meeting last evening at the home of Mr. and Mrs. Thorne Tibbetts. Plans for the church building were discussed.

Tonight the training-for-service class at Elk Plain Sunday school teachers will meet at the home of the Thorne Tibbetts. (Note the change from Friday to Thursday, which is for this week only.)

Pvt. John Parish, stationed at Fort Lewis, was a recent guest at the home of Mr. and Mrs. Lloyd Dillingham.

Mrs. William G. Brown represented the Elk Plain Parent-Teachers association at the workshop held last week on the PLC campus.

Mrs. Gordon Johnson had an operation at Tacoma General hospital on Monday. The community wishes her a speedy recovery.

Herman's Food Store Becomes Agency for Times Classified Ads

Herman's Food Store in Spanaway this week became an agency for The Parkland Times Classified Ads.

Because new Classified Ads are now payable in advance—a policy started two weeks ago—The Times felt that more convenient stations for receiving Classified orders were necessary.

In line with this belief, Herman Fuchs' Shurfine Food Store, at the end of the Spanaway bus line, became the first of several agencies to take Times Classifieds. Agencies in other communities will be set up soon.

HIGH BID ON GUN BY WILLIAMSON

Two bids have been received for the 38 S. and W. revolver owned jointly by the Business Club and the Community Club of Parkland. As you will recall this item was placed for sale on a bid basis by the two clubs, inasmuch as they desired to rid themselves of a piece of property which could involve them in trouble at some time by unauthorized use of same.

Highest bidder for the weapon is Sherman Williamson, who is at present doing duty as night patrolman for various business firms in Parkland. Williamson placed a bid of \$35.50 for the revolver, holster and handcuffs . . . a bargain. Final action is up to the executive boards of the two clubs.

HOME AGAIN—Just off the Milwaukee special at the Tacoma station are (left to right): David Steen, Ken Willard, Gary Harvey, Doug Kerr, David Bertsen, Tom Swindland and Dale Storaasli.

Boy Scouts, Their Souvenirs Return . . . LOCAL LADS LAMENT SHORT TRIP

"This is one trip we'll never forget," said Ken Willard this week after he and six others from Trinity Lutheran's Troop 33 and Parkland American Legion's Explorer Post 228 returned from the Pennsylvania Scout jamboree. They arrived in Tacoma last Friday evening.

Also in the local delegation were: David Bertsen, David Steen, Dale Storaasli and Tom Swindland, all of Troop 33; and Doug Kerr and Gary Harvey, both of Explorer Post 228. Ken also belongs to the Explorers.

Boys Get Help Besides the two sponsoring organizations, the boys were also helped by the Kiwanis Club of the Parkland Area and the Parkland Community Club and by a large number of South End individuals. They helped pay the cost of the trip which was over \$300 for each boy.

Yesterday morning over Station KTBI in Tacoma, Ken related his experiences on the "Breakfast Club" radio program.

Said he: "I thought one of the most interesting scenes at the jamboree was the convection . . . the candle-lighting ceremony where each scout lit-up a candle—50,000 candles in all . . ."

Met Interesting People Ken related that they had a "swell trip" and that they had a "good time" getting acquainted with scouts from various countries—the Philippines, China, Japan, Canada, Nova Scotia, Lithuania, Austria and Great Britain.

He added that souvenir hunting and trading was really something. They traded badges, clothing, hats, neckerchiefs, etc. Scouts from Mississippi had cotton to trade, Idahoans had potatoes and Ohioans, corn—all in souvenir sizes.

During the ten days the boys were "on the road" they saw for their first time Chicago, New York City, Washington, D. C., the Statue of Liberty, the Grand Canyon, Yellowstone Park, Niagara Falls, Denver and Salt Lake City, among other places. They heard President Truman and they heard General Eisenhower.

Bureaumen Stress Sound Credit Policy

Pointing out three C's to sound credit policy—Character, Capacity and Capital—two executives of the Credit Bureau of Tacoma emphasized to the Parkland Business club the need for businesslike credit policies, practices and procedures.

The two featured speakers at the meeting last night at Trinity Lutheran church were John Schlarb Jr., manager of the Bureau, and G. H. Weddle, manager of the adjustment department of the Bureau.

They told about collection problems as related to the mass military movement in this area and added that they have done their best to make things easy for the merchants.

Said Weddle: "We have things under control now . . ."

He advised local merchants to get all the information possible about the person before allowing credit, then to verify this information with the Bureau on the said person's ability and willingness to pay.

Weddle suggested that merchants ask three questions before allowing credit: (1) Can he pay? (2) Will he pay? and (3) Can he be made to pay? Or in other words, has he Character, Capacity and Capital?

Mrs. Virginia Seaman also spoke at the meeting on Parkland's defense program in case of an emergency. As usual, Trinity's Mary-Martha society members served dinner.

Mr. and Mrs. Rush Van Orman and family of Brookdale returned last Sunday from their vacation in Pacific Beach, Wash. They left a week ago Monday.

Loveland Ladies Aid To Picnic at Metro

By Mrs. Oliver Ornat
Next Thursday at the Metropolitan park, the Loveland Ladies Aid will hold their annual picnic. Coffee will be ready at 12 noon. The picnic will take place rain or shine.

Spanaway volunteer firemen's auxiliary will picnic next Tuesday at the Metropolitan park. Potluck lunch will be at 12 noon. Miss Alice Randall urges members to turn in their ticket money at the picnic.

Don't forget the Spanaway Square Dance club's get-together this Saturday at the Metropolitan hall. Everyone is welcome.

St. Benedict's Altar society met on July 9 at Elk Plain school. A family picnic was arranged at that meeting for August 13 at Little Spanaway lake. Games will be under the direction of Miss Eutropia Keough, Mrs. Mary MacFadden and Mrs. William Schmeckel.

The society's next meeting will be held at the home of Mrs. Lea Farren on August 7.

It was learned further, that Mrs. Harold Smithchen and Mrs. Mary Gardner will take care of altar during the month of August.

Mrs. Emerson Tarpennig was hostess at a picnic for the Friendly Dozen Birthday club at Wapato lake. The occasion was the birthday of Mrs. Jack Splane.

Prizes were won at the picnic by Mrs. Walter Ellis and Mrs. Jack Kanton.

Those present were Mesdames Ernest Tarpennig, Jack Splane, H. F. Pillsbury, Robert Schultz, Robert Manning, Emily Ball, Ed Flannery, Jack Kanton, Oliver Ornat, Walter Ellis and Oma Peterson.

The average Russian worker is paid the equivalent of \$34.61 per week.

State District Hdq. Calls for Reservists

Washington Military District headquarters issued a call for volunteers from the ranks of the United States Army Reserve. Members of the Enlisted Reserve Corps are urgently needed for active duty with the regular army for a minimum period of one year. Volunteers will be called to active duty in the rank they presently hold.

Volunteers are directed to contact their respective Unit instructors for additional information as to how they may serve with the nation's finest.

V.A. Drafts Rules On TB Presumptions

Veterans of World War II who develop pulmonary tuberculosis within three years from date of discharge are granted new presumptions of service-connection for purposes of compensation, hospitalization and medical treatment under the terms of Public Law 573, approved by the President, June 23.

Previous law provided a presumptive period of one year generally for chronic diseases, with additional presumptions running up to two years for varying stages of tuberculosis.

Presumption of service-connection means that, in the absence of evidence to the contrary, a disease which becomes manifest within the specified period to the extent that it is at least 10 percent disabling is presumed to have had its origin while the veteran was in service.

Veterans Administration announced it is drafting regulations to administer the new law for World War II veterans.

A surprise to her many friends was the announcement of the July 3 marriage of Miss Lillie Pfaff of Spanaway to Victor J. Bolenbaugh. She is a nurse at the Parkland office of Drs. Rosenblatt and Bondo.

58 percent of the urban fatal accidents occurred during the hours of darkness.

Broil mushrooms 10 minutes.
Broil pork sausage links 10 to 12 minutes.

TESTED RECIPES Barbecued FRANKFURTER Rolls

SERVE WITH
French Fried Potatoes
Cole Slaw

There is good nutrition in any cut of meat

12 frankfurters
1 tablespoon butter
1/2 onion, chopped
1/2 teaspoon pepper
1/2 teaspoon sugar
1 teaspoon mustard
4 teaspoons Worcestershire sauce
1 teaspoon tabasco
1 teaspoon paprika
1/2 cup catsup
1/2 cup vinegar
1/2 cup water
Green onions

Melt butter, add onion and cook until clear. Add pepper, sugar, mustard, Worcestershire sauce, tabasco sauce, paprika, catsup, vinegar, and water, and bring to a boil. With a sharp knife, cut 3-inch slit in each of 12 frankfurters and place in flat baking pan slit side up. Pour sauce over all and bake in 350° F. oven for 25 minutes. Baste frankfurters with sauce. Serve in split buttered toasted rolls with green onions. Serves 6.

Army Reserve Needs Additional Volunteers

The United States Army Reserve is urgently in need of additional volunteers to bring its units up to full strength.

Colonel Leon L. Koetzbeue, chief, Washington military district, announced this week that there are 496 position vacancies in U.S.A.R. units here in the state of Washington.

He urges every qualified young man and woman to investigate the fine opportunities offered members of this organization. It is the duty and privilege of every young American to serve their country in a component of the Military establishment.

The vital mission of the United States Army Reserve is to furnish, in the event of a national emergency, units that are effectively organized, trained and equipped for rapid mobilization, expansion and deployment.

For further information contact Washington Military District headquarters, Bldg. 574, Fort Lawton, or your local ORC instructor's office located in all principal cities.

The economic loss in the State of Washington attributed to the reported rural motor vehicle traffic accidents during March of 1950 was \$1,430,000.

Why not travel the State of Washington on your vacation?

GI's in Korea Eligible For Benefits—V.A.

American servicemen called into action in Southern Korea might be eligible for several benefits administered by the Veterans Administration, it was announced this week by the V. A.

Those who suffer injury or disease in line of duty may be entitled to disability compensation pay at full wartime rates, despite the fact that this nation is not at war.

Also, if they carry National Service Life Insurance, premium payments may be waived in case of injury or disease "traceable to the extra hazard of service"—and any action in South Korea could fall under that category.

Dependents of those who might lose their lives in action may be entitled to death compensation benefits at wartime rates.

Full wartime rates for disability and death compensation, arising under conditions similar to the Korean situation, are authorized by Public Law 359, 77th Congress, passed 12 days after the attack on Pearl Harbor in 1941.

Under that law, wartime rates are payable for disability or death resulting from injury or disease received in line of duty "(1) as a direct result of armed conflict, or (2) while engaged in extra hazardous service, including such service under conditions simulating war, or (3) while the United States is engaged in war."

The Korean action brings the first and second categories into play. Peacetime rates of compensation, the VA explained, are 80 percent of wartime rates.

The VA also pointed out that those taking part in action in Korea would not be entitled to G.I. Bill benefits as a result of that service.

Tot Takes Vacation From Naughty Slide That Broke Her Leg

Barbara Turosik, 2 1/2, of Midland, is having a lot of fun being a "baby" again.

While Barbara (Curly Tops) was playing on the slide last Monday, she slid off on her right leg. A bone broke. Today her leg is in a cast, to remain for six weeks.

However, her mother, Mrs. Paul Turosik, says that Barbara "doesn't ask for a lot of attention."

Barbara refused to be quoted, but one could gather by her dimpled smile and laughter that she's getting more attention now than before.

It will be six weeks of "buggy ride" for Barbara—just what the doctor ordered!

Twenty-two fatal accidents occurred in March, resulting in 22 persons losing their lives as compared to 24 fatal accidents with 24 persons fatally injured during March of 1949.

Bob Jones Ensemble Performs at Harvard

This evening at Harvard Covenant church, the Bob Jones University brass ensemble will conduct a special service.

This group from "The World's Most Unusual University" presents a program which is unusual, yet appealing and inspirational. Many of the varied and interesting arrangements of the old hymns and other sacred works have been made especially for the Brass Ensemble.

Composed of young people from five different states, and the District of Columbia, the B.J.U. brass ensemble is typical of the institution whose student body is drawn from practically every state in the Union and more than a score of foreign countries.

The individual members of this group are young people of unusual talent. Frank Bradshaw, the director, holds the Master of Arts degree in sacred music from Bob Jones University and plays solo trumpet in the university orchestra. Julian Bandy plays solo trombone in the university band; Bill Jackson plays solo trumpet in the orchestra. Dale Crowley is an outstanding instrumental performer; and Warren Mack won honors in the 1950 university piano contest.

Midland Wins Game At Picnic, 14 to 2

Blue skies and sunny weather looked with favor upon the Midland picnic at Dawson Field Sunday, thus contributing to the success of that particular group. As a result a large group, possibly 350, gathered at that place for the annual picnic of Midland.

Probably the main attraction of the day was the baseball game between Midland and South Prairie. Midland soundly trounced over the invaders 14-2 in an impressive game.

Speech making by Doug Morris, contender for the commissioner's seat, was the feature event of the occasion as far as the older group was concerned. Spalt Wartenbe, also a contender for the commissioner's job, was the chief, inasmuch as his job of MC was probably the biggest job of the entire occasion.

A box of groceries donated by Midland Food Center was won by Harold Sherry, 90th and Portland Ave.

The next meeting of the Sixth Congressional District Democratic club will be held at 8 p.m. tomorrow at the Midland Improvement club hall.

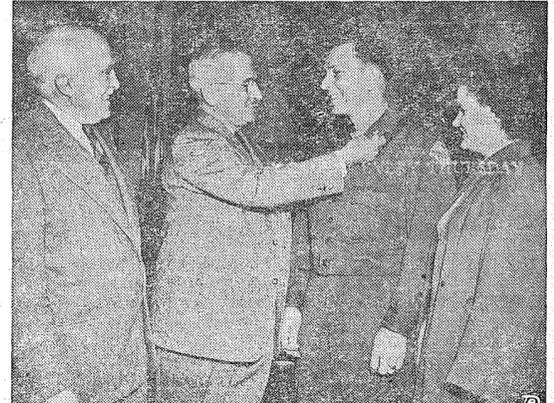

All democratic candidates for political office are invited to attend this meeting.

Honor Truck "Driver of the Year"

WASHINGTON, D.C.—Lloyd Reiser of Hancock Truck Lines, Indianapolis, receives congratulations of President Truman at White House on his selection as trucking industry's Driver of the Year. Left to right, Major General Philip B. Fleming, general chairman of the President's Highway Safety Conference and chairman of the three-man board of judges which selected Mr. Reiser over nominees from all parts of the country; the President, Lloyd Reiser and Mrs. Reiser. Mr. Truman is examining the diamond and gold pin presented to Reiser by the American Trucking Associations, Inc., sponsor of the annual contest designed to promote highway safety. Reiser's selection was based on his long record of accident-free driving, plus a life-saving incident on the highway near Louisville, Ky.

Freddy Hansch Fund Sure to Jump in \$'s As Friends Hold Hop

Freddy Hansch's friends in the Bethel district are dancing next Saturday night, July 29, to raise money for the little boy who has had four tough months in St. Joseph Hospital.

The 4-year-old boy was burned last April while playing near a fire. Freddy's doctor and hospital bills are piling up. But the boy's friends will dance at Benston Grange hall—they're offering more than sympathy.

His friends have already raised \$800 in a huge Fourth of July barbecue and have started a Freddy Hansch fund in the Citizen's State Bank in Puyallup.

More than 5,000 World War II veterans are studying under the GI Bill in 45 foreign countries, a VA survey reveals.

You can seldom put a price on a telephone call . . . but we do our best to make sure service is there when you need it.

THE SERVICE THAT NEVER SLEEPS
Round the clock, your telephone is one of today's best bargains

1. Keeping night patrol throughout the West, hundreds of telephone people are on duty to help meet emergencies and make sure your telephone will be ready to work for you when you want it. Many maintenance jobs are done at night while most telephone users are asleep. Lines are checked with electronic testers. Sensitive switching equipment is vacuum cleaned to help stop trouble before it starts.

2. In the quiet hours of the night, operators handle relatively few calls . . . but often they are unusually important. Repairmen are on call for service on important lines . . . doctors, hospitals and the like. Garagemen check and equip trucks for the next day's installation rounds. Building service workers make offices spic and span. All have an important part in keeping your service reliable.

3. Day or night, workday or holiday, your telephone remains one of your most valuable and useful servants. In spite of postwar inflation, telephone rates have gone up far less than our costs of providing service. On the average, rates have gone up less than half as much as the cost of living generally. A few pennies still buy a call . . . whether it be important or routine. Your telephone still gives you a big value for your budget dollar.

He Who Horsed 3500 Miles . . . THAT KENNEDY'S BACK AGAIN!

That man who rode a horse 3500 miles to see the President is back in the news again! His name: Ned Kennedy.

This weekend he stages the grand opening of his barn-dance hall, at the Horse & 1/2 Ranch.

It was May 19, 1947 that Uncle Ned hopped on Honey, his mare, and went galloping Eastward. He was "on the trail" for 263 days, but he came back Feb. 5, 1948 treasuring the 20-minute conversation he had with Mr. Truman. And incidentally to collect the \$500 bet.

Says he: ". . . I was younger then—I was only 52!"

Today, his horse Honey is on "pension," he says, for the rest of her life. And he? Well, he has decided to "retire" by starting a business enterprise.

And so, his barn out Spanaway is no longer a barn. Says Uncle Ned: "I don't think Honey will care too much if we intrude . . ."

During his trip, Uncle Ned met 100,000 kids and shot 2,000 feet of colored films. He says he has written letters to 700 kids and his morning mail still brings in scribbles from them.

Since his return home, Kennedy has been writing a book about his trip and one day hopes to complete it and have it published. He has also

shown his colored movies to groups and adds that he will loan them out to interested clubs and other organizations.

Uncle Ned unhitched his specs and gave out directions to his Ranch: "Turn off (East) on Mountain Highway at Dick's Tavern (Spanaway), then say "WHOA" after 1 mile . . ."

Yes, sir, that man's in the news again!

4-H County Camp Offers "Lots of Fun"

By Max Starkel

The announcement that county camp will be July 31 to August 4 brought pleasant memories to many members who attended last year.

One of the memories was of Benbow lake, 17 miles southeast of Puyallup, which is the camp site.

Senior 4-H'ers will register July 31 from 12:30 to 2 p.m. Junior members will register at the same time August 1.

The cost of camp will be \$8, which includes all camp facilities, craft materials, meals, housing, and health and accident insurance.

Classes will also be taught. A new class, camp cookery, taught by Jim Huntley, will prove to be interesting as well as worthwhile. Mr. Huntley will have everyone cook one meal over an open fire. This meal will be wrapped in aluminum foil.

Margery Erp will teach skits and dialogue. Square dancing, first aid, life saving and other craft classes will also be taught.

To give credit where credit is due we must mention the people who planned and will carry out camp activities. Frank Marsh is head of all classes, Larry Christensen has charge of sanitation, Jim Calvert wrestles with recreation, Mrs. Thielman has charge of food and Gene Schumaker plans the evening program.

Gospel Team Appears Tuesday at Harvard

On Tuesday evening at 7:45 o'clock a gospel team from North Park college in Chicago will appear at the Harvard Covenant church, 84th St. and Portland Avenue, for an evening of sacred music.

Composing this team are two young married couples, Mr. and Mrs. Gordon Johnson and Mr. and Mrs. Silas Johnson. They hail from Foley and Milan, Minn., and Grantsburg, Wis.

Gordon will bring the message and lead the service, while his wife is the pianist. Silas is a trombonist and his wife a vocal soloist. Instrumental and vocal solos, duets, trios and quartet numbers are featured by the group.

These young people are currently on a western tour of Idaho, Montana, Oregon, Washington and British Columbia. North Park college serves Mission covenant churches throughout the country as it sends on concert tour gospel teams and a quartet every summer. These Christian students present programs of songs and testimonials.

Along The Street

Continued from Page One

ris Ford, Stan Willis, Herb Socolofsky, Bob Haner, Fred Danielson, Bud McGuire, Roy Rostedt, and R. L. Parker.

Passenger list for the Gedoca was equally prominent. Heading this party of individuals was Jack Quill, prankster of the crowd, Art Swindland, Ole Stuen, Gunnar Malmin, John Bussanich, Clarence La Crosse, Dr. Leraas, Clay Rolley, and, of course, the skipper, Harold Sorenson.

In due time we arrived at Quarter-Harbor, making dock and up to the Barbecue Pits, where we were met by the Vashon group. Stuffing ourselves consumed the next hour or so. Barbecued clams, oysters, hot dogs, salad, coffee, and other picnic ingredients disappeared shortly under the onslaught of Parkland appetites. Much merriment and frolicking was had by all. No one landed in the bay, luckily.

A ball game between the two clubs provided most of the fun for the next hour or so. As it started out the Vashon club and the Parkland club were to play till one fell victim to the other. Things began well with the Parkland team, led by the best ball player of the Parkland Area, Art Swindland, leading the Parkland outfit in a batting rally which totaled some eight points for the first inning. With Johnny doing the pitching, Stan Willis, the catching, first baseman seemed to have sneaked in from somewhere, possibly South Tacoma, La Crosse on second, Swindland holding down third and a host of some fifty or sixty South Tacomans doing the fielding, the game proceeded such as your imagination might conjure.

According to the two groups, each side won. We will never tell and no one will ever know. It seemed that the batting order included some twenty that were not even on the team. Such is a ball game with the Kiwanians. But what was more important, we all had fun.

Trip home was quite interesting with the Gedoca leading the field. Our thanks to Rufus for providing the transportation, to Jack Quill for handling the party so well.

Mistaken Identity

Our bit about the McNicholas case last week deluged us with congratulations and "That's what I think, too," remarks. We might point out one error we might have insinuated, however. We were "graciously" informed that the matter of relationship between the prosecuting attorney and the investigator did not exist as we had been led so to believe. Our regrets. Other than that we will not enlarge upon.

PARKLAND BASEBALL CLUB PLAYS PUYALLUP TOMORROW IN VALLEY

Tomorrow evening at Puyallup, Parkland's Junior Legion ball club winds up its season with an engagement with the valley boys.

The local aggregation is still in the thick of championship contention. Parkland has the Puyallup game, while Rhodes, also with only two losses, have to play Olympia, Wednesday (July 19, Post 138 tonight and Orting tomorrow.

Tuesday at Shelton the local boys won a 13-11 contest in a wild and woolly game marked with errors, walks and crazy base-running.

Joe Jones, Parkland second sacker, led the batsmen with four bingles in five trips to the plate. Ronnie Rihel and Richard Wallace also got into the hitting with a triple apiece.

RHODES EKE OUT 4 TO 3 WIN OVER LOCALS FRIDAY

Boots at the wrong time, coupled with their inability to whack in the clutches, proved their downfall as Parkland's Junior Legionnaires suffered their second setback of the season. Both losses were to Rhodes.

Parkland still leads the loop with an 8-2 record, but Rhodes is breathing down their necks only a half game behind at the time of this writing with 7 wins and 2 losses.

A walk to Chilton and R. May, Jones' single and Bricker's double shooed in two tallies for Parkland in the bottom of the seventh. But, with two more on, Everett Gub settled down and struck out Parkland's Dihel and Wallace to end the rally and the game.
