PARKLAND BUSINESS CLUB HAS SNAPPY MEETING

The regular meeting was held at an irregular time, on Monday evening instead of Tuesday, due to difficulties encountered in procuring a meeting place.

The meeting was devoted entirely to the discussion of future plans to build up the shopping potentialities and of creating a feeling of Good Will and Friendliness in the community.

Plans were developed for the presentation of a "Welcome to Parkland" folder and referred back to the committee for completion.

The question of membership was discussed and definite plans for improvement were formulated.

There was an interesting discussion on the question of incorporation in which everyone was agreed that it is purely an informative venture. It is an attempt to better our community by way of curbing lawlessness, to mention only one advantage that might be gained.

It is an attempt to become educated as to the advantages or disadvantages of such a step. Plans are being made to conduct a Town Meeting with speakers pro and con and with a competent mediator so that we may all become better informed on the subject.

Surely there is much to be said on either side. When the

meeting is announced, let us all "turn out" and become informed on both sides of the issue, and then formulate our opinions.

The Business club is an organization existing for the purpose of knitting more closely the merchants and service establishments and all others engaged in business in our growing community, so that by their united efforts each one is better qualified to serve the residents of the community.

That is our chief goal, to serve the people in a friendly, faithful, sincere and courteous manner.

Please watch the paper for announcement of the next meeting.

DINNER

A Progressive Dinner was given Sunday afternoon by the Luther Leaguers of Trinity Lutheran Church.
