Ford Pupils Prepare Food Gifts For Buckley

More than 500 packages of cake and cookie mixes, coffee and candy were taken to the Rainier School at Buckleylast week by students at Ford Jun-

ior High School, The school - wide project, which the student council hopes will be only the first of many this year, was handled, under the direction of Frank Serviss, faculty adviser, on a room competition basis. Winner of the plaque was the seventh - grade room of James Williamson, which donated 125

packages of foodstuffs. The packages were donated especially for use in the cottage kitchens, according to Serviss. The patients at Buckley, he said, do not cook their own meals, but many have kit-

ing things for themselves. Students who helped organize the drive were Gordon Per ase, Chris Wong, Michelle Meuli, Joyce Yant, Deb Merryman, Jim Funk, Jim Cail, Randy Trathen, Linda Daffer, Diane Johnson, Jim Harmon, Ron Lucas and Deb Lester.

"We hope this is only the first project of this kind," Serviss said

the county commissioners. The culvert is being constructed as a part of the Clover Creek drainage project with a 15 foot bank abutting the school and playground. Need for the fence was pointed out by Franklin Pierce School Board member Phyllis Erick-

Quick approval was granted by the Pierce County Commissioners, mainly through the efforts of Commissioner Harry Sprinker, Dr. Hill stated. The fence will be built along the north border of school property between Park and Yakima Avenue.

Farm Foresters To Hear Expert On 25% Ratio

Robert Helgeson, land and tax administrator with St. Regis, will explain the significance of the proposed 25% assessment ratio at the next Farm Forestry Association meeting, January 5, 8 p.m., Purdy Community Hall.

At present, the State Constitution requires that County Assessors make assessed valuations of property at 50% of fair market value. However, none are currently over a 25% level.

Helgeson says that forest industries are among the many groups in favor of a constitutionally required 25% assessment ratio. This limit would provide some of the security needed to stimulate the longterm investments necessary in forest management.

Not only forest owners but all property owners may find the January 5 meeting topic of concern to them. Coffee will be served.

The man wearing the blue campaign hat and the badge of the Washington State Patrol takes a dim view of illegal drivers.

After riding a Friday night shift with Trooper Dave Boston, it becomes evident that the consequences of seemingly minor violations can turn

into a nightmare of reality. It did last Friday night for a 17 year old Mount Tahoma High School student who had recently put \$50 of his hardearned money down on a trip 1953 Chevrolet sedan. Although the vehicle was missing the left front headlight, he decided to give several of his friends a ride in his recent

purchase. The youth's demonstration ride ended in a two-car collision at 85th and Portland Avenue. Fortunately, no one was severely injured, but his car was demolished. Boston was called to assist Trooper T.E. Hewitt investigate the

accident. "I thought he was driving a motorcycle," the 37 year old woman driver of the second car told the troopers. She was cited for making a left turn in front of the oncoming youth; a "failure to yield the right-

of-way charge." The 17 year old, hopefully with the help of his parents, will have to pay off the balance due on his wrecked car. In addition, he is faced with a citation for "driving with defective equipment."

Patrolling the Mountain Highway, Boston spotted a red station wagon weaving back and forth across the center line. On one occasion the vehicle crossed completely into the oncoming westbound lane. then swerved back to the eastbound shoulder. The driver was stopped at 208th Street.

Admitting he consumed a couple of "5 or 6" beers at a Pacific Avenue Tavern, the driver denied he was intoxicated. After a detailed explanation of his civil rights, the man was given several sobriety tests.

"Can you say 'toy boat' 5 times?" Boston asked. "Troy Boat, Toy Broat," the prisoner mumbled.

At State Patrol Headquarters the driver was allowed to make one phone call before being booked into the Pierce County jail. He was also asked

Lions' Tree Sale Proves Successful

The Parkland Lions first annual Christmas Tree sale was a success, according to club president Dale Collison. Most of the 200 trees purchased for resale were sold,

holiday season is the opportunity to say thank you and extend best wishes for a Happy New Year," Collison stated on behalf of the Parkland Lions.

Royal Reception Awaits First Baby

A royal reception awaits the first 1967 baby born to parents living in the Herald's suburban edition delivery area.

Over 35 fine gifts will be presented to the first arrival by Pierce County business-

The suburban edition delivery area roughly includes a portion of Fern Hill, Midland, Parkland, Spanaway, Roy, and Elk Plain in Eatonville.

Special clock - watch arrangements have been set up with five hospitals to accurately determine the winner. Good Samaritan, Lakewood General, St. Joseph's, Tacoma General and Madigan General will cooperate in reporting arrival times. The winner must be born in one of the above hospitals to qualify for derby prizes.

Prizes vary from cases of baby food to dinners for dad while mother is in the hospital. For a complete listing of gifts, see the Baby Derby ads in this paper. Unless otherwise specified, all gifts must be claimed by January 31. Bank Manager The advancement of James R. Three Districts Join In Pre-School Program

will be participating in a 1967 summer Heat Start program for pre-school children if an application submitted recently by Tacoma School District #10 is approved.

Orting, Puyallup and Franklin Pierce were included in an application submitted by the Tacoma - Pierce County Opportunity and Development office in Tacoma reported executive director William Seline. The application to the federal government carried a request for \$115,000 in funds.

Bethel School District, which had a Head Start program last summer, had its application approved earlier this year for a \$15,000 program for 45 children. Tacoma's application pro-

vides for 375 children from low income families including 15 from Orting, 45 from Puyallup and 60 from Franklin Pierce. The decision on the application will be received sometime next spring. The Head Start program is

a "pre-kindergarten enrichment program" explained summer county director Jim Robertson of Tacoma Public Schools. "We try to provide experiences that the children probably have not had, but definitely need for kindergar-

The six week sessions revolve around a nursery school play theme with an emphasis on field trips. Group and individual activities, rest periods and a health program are also part of the schools.

Schools from Puyallup to be used for the sessions include Spinning, Meeker and Maplewood. The elementary school or the day nursery school have tentatively been reserved for Orting, Brookdale, Elmhurst and James Sales Schools will be used for the Franklin Pierce area youngsters.

Robertson related that should a greater need in another area of these districts arise, the centers can be mov-

Teachers will be selected as much as possible from the local districts. "We will gladly accept the recommendations from the districts, but can furnish teachers from the Tacoma District if needed," said Robertson.

To be eligible for Head Start the youngsters must come from a low income family - a household of four earning \$3,000 or less. Ninety per cent of those wishing to participate must be from this bracket to qualify. The other tenpercent is from middle class families.

"We can always make exceptions when and where necessary. If the family's income, number of children or need varies, so can our decision as to who is eligible."

Army Engineers To Sell 6,400,00 Board Feet Of Fort Lewis Timber

Two sales totaling an estimated 6,400,000 board feet of standing timber on two areas of Fort Lewis is announced for separate bidding by Colonel C. C. Holbrook, Seattle District Engineer of the Army Corps of Engineers.

The two sealed-bid openings are set for 2 p.m. January 19 in the District office. 1519 Alaskan Way South, Se-

The timber is Douglas Fir and other species primarily suitable for the manufacture of grades 2 and 3 sawlogs. An estimated 3,600,000 board feet is in the Goodman area covering approximately 1.150 acres south of the Freeway and east of the West Range road on the main portion of Fort Lewis. Some 2,800,000 board feet is in the Dupont area, about 550 acres also on the main portion of Fort Lewis.

The timber described for sale is an all-aged stand of Douglas Fir on terrain that varies from flat to steep. Sale boundaries are designated by signs, flags and painted trees.

The timber harvest will constitute complete removal of all designated merchantable timber from within the specified areas. The purchasers will be required to exercise care to prevent damage to residual timber stands, Colonel Holbrook said. The harvesting and all cleanup work must be completed by June 15,

The timber for sale may be inspected between 8 a.m. and 3 p.m. any day Monday through Friday, except holidays. Arrangements should be made with the Timber Harvest Unit, building T-7985, Fort Lewis; telephone 967-2004. Bidding documents are available at both the Fort Lewis office and the Corps' Seattle office.

The directory will list all producers and buyers and the numbers and species of trees they expect to buy or 2, Box 2699, Spanaway, and his 20 year old wife Patricia Gwyn died from injuries received in the crash. Driver of the second car was identified as Harley Passmore, 27, Route 5, Box 180, Puyallup. Richard D. Sandberg, 30, 2020 9th Avenue N.E., Puyallup, was a passenger in the vehicle driven by Passmore, and was registered owner. The Napiers had been visit-

ing friends in the Kent area and were enroute to pick up their 2 1/2 year old son, Wade, when the tragedy took place. The victim's brother, A.B. Napier, 7407 - 176th Street East, had been caring for the child.

Passmore was admitted to Good Samaritan Hospital with head and hip injuries. Sandberg was treated for head and leg injuries at Good Samaritan, then transferred to St Joseph's Hospital, police said.

Mrs. Napier died approximately 5 minutes after arrival at the Hospital, Deputy Coroner Dell Seigel reported. Napier expired about 2 hours later, he said. Napier had been employed by a Seattle firm as a carpenter, Seigel reported. Mrs. Napier was an employee at Weyerhaeuser Tacoma offices.

Funeral arrangements are being made at Powers Wrigley Clements Funeral Home in Puyallup for the couple.

F.P. Board To Consider Sabbaticals

A policy to enact a sabbatical leave program for teachers with seven or more years service in the Franklin Pierce District will be among the items facing the school board when it meets Tuesday, Januarv 10.

The proposed program will offer teachers meeting service requirements a one year leave of absence with pay to pursue advanced academic work, field study or research approval by the Superintendent of Schools. The measure would limit participation to no more than one percent of the total certificated personnel during any fiscal year.

Members on sabbatical leave who receive some form of grant in aid would receive one-half of their normal salary schedule stipend, or the minimum B.A. degree step on the district salary schedule, whichever is less. Those on the program who do not receive some form of grant in the district salary schedule. Successful applicants must guarantee in writing they would return to the Franklin Pierce District for a period of at least two years immediately following the leave.

The directors will also decide on job descriptions for elementary and junior high school principals. The meeting will be held 8 p.m. in the School Directors' Room of the Administration Building, and is open to the public.

Nettleton died last week in a hospital. He was born in Roy and had lived in the Roy-Eatonville area before taking a position with the U_oS_o Coast and Geodetic Survey in Alaska 30 years ago.

Nettleton was an Army veteran of World War I. He was graduated from Eatonville High School and entered the service shortly after-

Well, I'm as ready as I'll ever be to greet the New Year I cried all last week just thinking about taxes, insurance, new license plates, and Idon't know what all.

Speaking of license plates, they go on sale this week at Western Auto, Midland Shop Rite (by the Orthopedic Guild), and I believe South End Hardware.

You know about the rottenness thing in the world are people who get their kicks stealing Christmas tree bulbs. Where ever they find a joy in this type of thing is beyond me, but it happened in Parkland last week. The tree I mentioned in last week's column that was sponsored by Parkland Light & Water and the Parkland Business Club was stripped several times of its bulbs. This tree was truly beautiful and people with this type of attitude towards Christmas should at least have the decency to let the sane populace enjoy it.

Big SALE at Pochel's Appliance this week, don't miss it. Bob Purtel is putting just about everything in the store on special in order to clear his floor for inventory. Well, Bob's inventory headache is our gain, so if you want to save money on appliances, T.V., radios, stereos, and I don't know what all shop Pochel's Appliance this week.

Plans At Grade School

The vandals passed up money in desks, the deputy said. One of them dropped a five dollar bill and didn't bother to pick it up.

PUYALLUP - A 16 year old juvenile parolee was ar-. rested last week for attempting to cash a check stolen during the December 15 D.W. Briggs burglary, police re-

The youth was identified by a bank employee when he attempted to cash the check, and police were notified. The young suspect denied taking part in the burglary and told officers a "friend" gave him the check to cash.

PUYALLUP - A front tire blow-out was blamed for a bicycle accident that sent a 12 year old Puyallup boy to Good Samaritan Hospital Friday afternoon with head injuries. The accident occured at 1609 South Meridian.

The victim was identified as Matthew Bodhaine, He was thrown over the handle bars. striking the pavement head first, police stated, First aid was applied at the scene by Game Warden George Small-

wood and a bystander. PARKLAND - Burglars took frozen food valued at \$50 from a freezer belonging to Elta Carlton, 11924 Vickery Road East, Deputy Sheriff R. A. Ras-

mussen reported last week. Listed as missing were a 17 pound turkey, 6 pints of oysters, y pints of clams, 6 pints of rhubarb, a salmon, andassorted baked goods. Entry was gained by breaking the handle from the locked freezer, Rasmussen said.

PARKLAND - A Westinghouse portable TV was stolen from the O.K. Barber Shop, 605 Garfield, early last week, Deputy R. A. Cartisser reported. Also taken was \$25 in

Entry was gained by breaking a window, Cartisser said. The TV was valued at \$175.

New Year's Revolutions

While scrounging around waste paper baskets for bottles and other bits of discarded goodies, I just happened to run across a few New Year's resolutions on crumpled up bits of paper. Here's a sample of some of the better known valley residents...

> RESOLVED: A victory over Aaron this year. Signed, the Linden Golf Club members. RESOLVED: An all out

recruiting drive to get Hans Lindstrom. Signed, Bob Ryan, UPS football coach. RESOLVED: Two first halves against Renton in

'67. Signed, Rich Hammermaster, Puyallup basketball coach. RESOLVED: A drive to obtain new grandstand facilities at Viking Field.

Signed, Puyallup football RESOLVED: A few more sports banquets to raise

RESOLVED: A rejuvenation of the old single wing . Signed, Paul "Socko" Sulkosky,

RESOLVED: One more chance to play number 6 at Linden over again. Signed, Phil DeTurk.

1966 proved to be a banner year for sports fans, with area teams capturing crowns in almost every field of endeavor.

The Puyallup Vikings, under the able leadership of Gerry Redmond, started the season with a bang when captain Hans Lindstrom took the opening kickoff from Renton and raced almost the entire length of the field for a TD. The Norse gained momentum from their 13-7 victory over the Indians and marched undefeated thru the season, culminating their successful year with a hard fought win over the Highline Pirates and the PSL champ-

ings included Gary Picha's unbelievable TD grab as the gun sounded the end of the half in the Franklin Pierce game. As things turned out, it proved to be the winning margin of victory. Puyallup's defensive platoon will never be forgotten for years to come when they turned back four successive Cardinal drives inside their own 20 yard line late in the game. Another never-tobe - forgotten highlight was Gary Hahn's field goal in the last half minute to beat Lakes 9-6 and keep the unbeaten record intact.

Other highlights for the Vik-

The Franklin Pierce Cardinals did everything right with a beautifully balanced ballclub and ended up just one game out of the Southern Division lead. Eldon Kyllo put together a formidable unit with great offensive punch plus a tough defensive unit. Any other year, they would have picked up all the

money, marbles and chalk. Fife's Trojans proved to be the Cinderella team of the year with a tremendous come-

Wildcats Undefeated

ELLENSBURG - Sensational shooting by rookie guard Dave Allen has figured prominently in the early-season success enjoyed by Coach Dean Nicholson's unbeaten Central Washington State College basketball

In his first starting assignment, Allen hit on eight of 13 from the floor as Central rolled to its fourth straight win of the season, an 85-80 conquest of St. Martin's College, and

Nicholson credited the fleet youngster with playing "a whale of a floor game to boot."

RESOLVED: A victory over Don Garlits. Signed, Rich Rogers.

RESOL VED: To find someone who got a picture of Gary Picha's TD catch that beat Franklin Pierce. Signed, Ted Picha.

RESOLVED: To find a way to make time stand still and play 1966 all over again. Signed, Gerry Redmond, Puyallup football coach.

RESOLVED: To stuff 3 more horses under the hood and catch Bob Rollins at Spanaway. Signed, Jackie Kuper, Ed Looney and Bob Short.

And from the Herald sports staff, a very happy and prosperous new year to you all.
