AMERICAN LEGION
 Meetings every second and fourth
 Friday at 8:00 p.m. in the
 Spanaway School

On Saturday last, the Auxiliary, represented by Mrs. Long and Mrs. Warmold, assisted in making Hallowe'en a jolly and wholesome occasion for the Cub Scouts of Spanaway, in a great party in Spanaway Park. Games, refreshments, prizes filled the evening.

Last Monday a number of Auxiliary members new to the program of hospital work were taken, under the direction of Auxiliary President Mrs. Irma Long, to spend the afternoon at American Lake Hospital.

During the past fortnight several of our members have been ill. Mrs. Mable Hart, now nearly her own self again; Post Commander Bill Long, also improving; and Commander Wm. Lee Bailey, still "confined to quarters," have all been out of circulation.

The next meeting will be held November 12. Save the date.

PARKLAND POST NO. 228
AMERICAN LEGION
 Meetings every second and fourth
 Friday at 8:00 p.m. in the
 Sunshine Hall

Now is the time for all good members to come to the aid of their Post. The big membership drive is on with everyone working on someone new or someone old. It's quota by December 1, and over the top by January 1. At the latest count it was revealed that the '49 membership is now at around 30 or 35. So, as you see, the goal is in sight and with everyone working there is no reason why victory can't be ours.

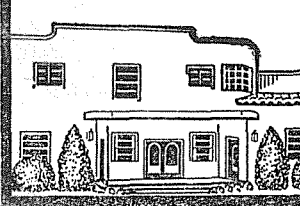

One of the easiest ways of doing this is to sign up those new members. There are many who are asking to come in and for those who have not been approached by one of our members: Do not wait, instead get on the phone and call Al Seman, at GR. 7224, Sev Kittelson at GR. 8663, or Jim St. John at GR. 7898, and they will see to it that someone is dispatched to your door with the application. In the coming year the program of the Parkland Post is large and many helpers are needed. We welcome the membership of all eligible members into an organization that is obviously going places and getting things done. There is a job for everyone and the social activities that are planned will tend to make many and lasting friendships.

The coffers of the organization are in a slightly anemic state and are in need of a transfusion. Got any ideas? If so, bring them to the next meeting and they will be cussed and discussed. Who knows, your idea may be the one that puts the building fund over the top. Stranger things than that can happen. With the membership of the post as large as it is it would seem that there would be quite a few luche-raisings plots spinning around in the brains of all. The ladies auxiliary is in the same state of mind and from reports stemming off the rumor channels is ready, willing and able to listen to any legal and honorable means of giving both halves of the outfit a shot in the arm (financial, that is).

While on the subject of women (and what is more pleasant—especially when they are our wives?) this column is not or has not been

\$1,130 Collected Here for Chest; Quota Is Missed

Parkland area contributed \$1,130 to the 1948 Community Chest, it was reported by Mrs. E. O. Totten, general chairman of the drive in this district, following the official closing of the campaign last Friday.

This year's total compares favorably with last year's campaign in the amount of dollars pledged—but there is this difference: Last year Parkland went well over the top of its quota while this year's collections came to but 86.9 percent of the considerably increased quota of \$1,300. However, though the quota was not reached, Parkland's percentage looks good in comparison with Tacoma Red Feather results as a whole.

Mrs. Totten emphasized that, although organized solicitation by her committee has been terminated, it is not too late for donations by any residents who may have been missed or who wish to make additional donations. Mrs. Totten or any of her workers will be glad to receive late contributions.

Community Club Will Not Meet Armistice Day

Since the Parkland Community Club's next regular meeting date falls on Armistice Day, November 11, when Parkland grade school, regular meeting place, will not be available, the November meeting of the organization has been postponed. Announcement of the postponement was made this week by W. W. Cline, acting president. A substitute meeting date this month may be announced later.

The board of trustees and all standing and special committees of the Community Club will meet next Wednesday evening, at 8 o'clock at the home of Acting President Cline.

Dr. Arlton Writes Book of Bird Songs

Dr. A. V. Arlton of Parkland has disclosed that he has for some time been making arrangements for publication of his book: "Songs and Other Sounds of Birds." The manuscript is now in the hands of the printers and may be off the press before the end of this year, he said.

The book is a result of years of bird study as a hobby. Nearly 100 bird students contribute much to the value of the book, which discusses over 600 birds and contains many pages of bird music, as well as many topics directly or indirectly related to bird songs. Some of them are:

The origin of the voice of birds, why birds sing, factors that affect singing, part and chorus singing, singing with vibrato, singing out of tune, use of the musical staff for recording bird songs, how to obtain bird songs, how to imitate bird songs.

Dr. Arlton also gives stereopticon lectures on birds and imitates bird songs. For his imitations, he uses 15 different kinds of instruments, several of which are of his own making. In his judgment, his best development is the Arlton Bird Whistle, for obtaining, recording and writing bird songs.

NOMINEES FOR OFFICE BEFORE BUSINESS CLUB

The November meeting of the Parkland Business Club, postponed from November 2 because of conflict with the general election, will be held Tuesday of next week, November 9. The dinner meeting will take place at the usual time, 7 o'clock p.m. at the Indian Inn.

The Board of Directors, which has set the new meeting date, is to go into session this evening, November 4, as a nominating committee to compile a list of nominees for office to be submitted to the club at next week's meeting. Election of new club officers will take place at the December meeting and those chosen will take office in January, 1949.

Other matters of business expected to come before the club next Tuesday will likely include a preliminary report of the committee named last month to consider possible effects of the recent changeover of postal delivery routes in the Parkland area from rural box to street addresses included within Tacoma postal zone No. 4.

The committee is expected to submit for consideration a proposal that a survey be undertaken to obtain facts which could be expected to show that residents of this area could more efficiently be served by postal routes originating from the Parkland post office and which would maintain Parkland's identity as a community separate from the city of Tacoma.

Novelist Sale Is Local Visitor

Elizabeth Sale, ranking American novelist, who draws upon her intimate personal knowledge of Tacoma and the Pacific Northwest as background for her writings, is a current Parkland visitor. She is now a guest for some weeks in the home of Mrs. Doris Morrison, widely recognized photo portrait artist, on Park Avenue. The two outstanding women are very old friends.

Author Sale, whose home is at San Pedro, Calif., is presently working on the third in her series of novels laid in Tacoma. She quoted a remark by Tchaikovsky as inspiration for its title: "There Still Is Happiness." It will carry the development of the characters of her former novels into a later period, from 1908 through World War II.

Besides her fame in the field of fiction, the author has been in radio and was an editor of the magazine "Script." She was born in Tacoma, christened Bettie Sale Clemmons. John Clemmons, her father, came to the Northwest in 1889 and was one of Tacoma's first letter carriers. She received her schooling in Tacoma, graduating from the then Tacoma High School. Her first husband, James Stewart, is a Tacoma city employee and her two sons were both born in Tacoma. Both sons have since gained their own fame:

Harry E. Stewart created the character of "Yogi Bresson" with the old Al Pearce radio gang. He is presently directing the coast-to-coast Lassie show over NBC. Son James Stewart is a concert baritone who has sung in Tacoma within the past 18 months.

The author said she does not expect ever to write except with a Pacific Northwest setting or background.

Mrs. Morrison, her host, has just recently returned from a visit to her two brothers in Almirra, Calif. Just recently she announced her sponsorship of a county-wide baby contest which is to continue for some weeks.

PRE-SCHOOL DADS' NIGHT TO FEATURE EASTVOLD TALK

After the meeting, refreshments will be served in the lunch room with the following hostesses: Mesdames John McGrath, Ray Storlie, Rudolph Strom, William Garrett, Betty VanKirk, Helen McGhan, Mary Kerstetter, Jean Lewis and Margery Tack.

Recreation Institute Slated for Parkland

A county recreation institute, for training of volunteer leaders working with youth groups, will be held on Monday, Tuesday and Wednesday, November 8, 9 and 10, at the James Sales Grange hall in the Parkland area, it was announced this week by Mrs. George Cole of Puyallup, chairman of the county recreation advisory committee, sponsor of the institute. Sessions will be held each day at one o'clock in the afternoon and at eight in the evening.

The program will include practical demonstrations in folk and square dancing, social recreation, games, informal dramatics, action songs, community singing, story telling, home recreation and hobbies.

The three-day course will be open to volunteer leaders working with non-agency connected groups as well as leaders working with county youth groups, such as P-TA members, school teachers, and leaders in 4-H clubs, Girl and Boy Scouts, and Campfire Girls.

Trinity Guild's Annual Bazaar and Dinner Tonight

The annual dinner and bazaar of the Trinity Lutheran Guild will be the principal social event this Thursday evening (November 4) in Parkland.

The Inger Tonette Circle is in charge of serving the dinner, which will feature ham loaf. Serving will begin at 5:30 o'clock, in the church building. Other circles of the guild are arranging booths for the bazaar. Among items to be offered for sale will be aprons, fancy work gifts and baked goods.

The general committee in charge of the affair is comprised of Mrs. William Storasi, Mrs. Edwin Tingelstad and Mrs. George P. Knutzen. All members of the church are urged to attend and the public will be welcomed.

SPANAWAY P-TA PREXY NAMED TO COUNTY POST

The Pierce County P-TA executive board met with Mrs. Ruth Bethel at the county court house on Thursday, October 28, and Mrs. Matilda Symmons of Spanaway was appointed as County P-TA Publications chairman. The P-TA will hold its county convention at Kapowin on Thursday, December 2, and all P-TA members are urged to attend, as a silver cup will be awarded to the unit with highest attendance. The meeting will be at the Kapowin school, and not at the Grange hall as previously announced.

Future Farmers of America and 4-H delegates went on a cruise from Lake Washington through the government locks to Bremerton. They also went through Fisher's Flouring Mills, the Boeing plant and radio station KOMO. Awards were given out at a banquet.

Burial was in Mountain View cemetery. Pallbearers were Harley Franklin, Lake Bird, J. Elkins, Carney McFadden, Merle Handy and Howard Harstad. Honorary pallbearers were Ted Harstad, Harold Christian, Sam Bergeson, Marvin Lane, Bill Meyers, Chester Cresco, Elmer Chappel, and Fay Cooley.

PREFERRED BY LOCAL VOTERS

Rep. Thor Tollefson, returned to Congress from the Sixth District of Washington, and Arthur B. Langlie, apparent governor-elect, stood out from the debacle that engulfed GOP political aspirations across the nation in Tuesday's general election. Langlie and Tollefson salvaged some Republican prestige by their showings in Washington state balloting.

Park Development Program for Parkland Organized at Joint Session of Local Groups

First general meeting of representatives of various local organizations which are joined for the common purpose of securing adequate park facilities for the Parkland area was

held last week in Parkland grade school. About 20 delegates were present, representing some 12 of the 17 local groups expected to join in the cause.

Parkland Brevities

Possible formation of a mothers' club was discussed at Trinity Lutheran Church, Friday afternoon, October 29, when a group of about 30 mothers and their small children gathered around Hallowe'en-decorated tables. Devotions, led by Dr. Ernest B. Steen, were followed by a welcome from Mrs. Robert Olsen, Trinity Guild Cradle Roll secretary. She introduced Mrs. Harold Leraas, who talked on children's books and displayed different types of books, then told stories to the children. The book display was prepared by Mrs. Leraas and Mrs. Ernest B. Steen. Mrs. Gerhart Haakenson was in charge of refreshments for the occasion and the children were served by a corps of young waitresses.

Mr. and Mrs. Kenneth Jacobs were in Seattle on Monday of this week, on a buying trip to secure holiday merchandise for Stella's Flowers.

Mrs. Robert Haner entertained at her home on A street Thursday of last week, at a pink and blue shower honoring Mrs. Ernest Harmon. Mrs. Robert St. Clair was co-hostess. Guests included the Mesdames: A. Grodvgiv, Esther Seegar, E. Pitzler, L. Pilexy, Arnold Olson, Burt Streng, Lester Patterson, Robert Binckley, Robert Snyder, Earl Platt, James Stanzola and Mrs. H. Fife of Alder, Wash.

The Misses Carole Beitz, Jeanne Lynd and Nan McCaffery were guests of the Misses Marcia, Marveene, Kay and Carol Cline at a Hallowe'en party last Friday evening at the W. W. Cline home.

Cynthia Patterson was honored on her third birthday, last Sunday, at a party in her home on Hendricks street at Pacific avenue. Her mother, Mrs. Lester Patterson, was hostess, assisted by the two grandmothers of the honoree: Mrs. E. Patterson and Mrs. Ed Braidwood. The Hallowe'en motif was carried out in the decorations, balloon favors, games and the refreshments, which included cake and orange ice cream. Her guests included many present neighbors and friends from the former family home in Tacoma. Four cousins of the honoree present were: Linda and Pamela Patterson and Charlotte and Jack Montgomery. Other guests were: Valerie, Nancy and Brenda Jakle, Sally and Steven Shaw, Dana DeVita, David Hoffman, Patty Anderson and Barbara Harrison.

Over 50 Parkland Volunteer Firemen and their wives were present at the fire hall last Saturday evening for the annual Hallowe'en party at which the department is host to the Auxiliary—and, more than 50 firemen and wives were saying this week that they had never had a better time at a Hallowe'en party. The Auxiliary members expressed their thanks, but felt them inadequate. Most of the guests first attended the PLC-Western football game, then repaired to the fire hall for exciting games, skits, dancing, a shogasbord supper and barber shop harmony around the piano. No masks were required. The committee in charge of arrangements for the department, included: Woody Cline, Fritz Beitz, Bob Lynd, Morris Ford, Haley Peterson and Jack Spence.

As the session got down to business, alarm was expressed over the rapid rate at which open areas in this district are being built up—as such building affects park opportunities. It was pointed out that, if present residents of Parkland want a place or places for recreation, suitable lands must be acquired and set aside now, before the lands are built upon and their purchase cost becomes prohibitive.

It was a sober and determined group which proceeded with organization of the joint committee, electing: Mrs. Al Seman of American Legion Post 228 Auxiliary, chairman, and Hershel Mobley of Parkland Business Club, recording secretary.

Morris Ford was chosen to head a committee to contact Fred Hutchinson of the Tacoma Park Commission in an effort to secure information regarding organization and procedures for the park-sponsoring effort. Hutchinson would be asked to aid in an advisory capacity only, no official connection with the Tacoma Park Commission being established.

It is hoped that Hutchinson will be present at the joint committee's next regular meeting, which will be called as soon as the ways and means sub-committee has readied its plans. A film showing how a park was obtained by one community will be a feature of the coming meeting.

Other sub-committees were named to locate suitable park sites and buildings that could be converted to park use.

Spanaway P-TA to Meet November 10

Spanaway P-TA will meet next Wednesday evening, November 10, in the new Library building, Mrs. Matilda Symmons presiding. President Symmons commented favorably on the good turnout at the October meeting and asks that the good attendance be maintained.

The leather tooling project for teen-agers and mothers, sponsored by the P-TA, is reported getting well under way, with meetings every Thursday evening in the new library.

Communism and Education

In a recent "Open Letter to Friends of the University of Washington," President Raymond B. Allen, of the University, reports the position of that institution with regard to the investigation of the University by the Joint Legislative Fact-Finding Committee on Un-American Activities.

In the scholarly manner to be expected of him, President Allen answers the question: "Has Academic Freedom been abridged?" and points the irreconcilability of Soviet-communist doctrine with free education.

President Allen unequivocally states:

"Academic freedom has not been abridged. The legislative committee is a fact-finding body only and, aside from recommending legislation, has no power to take action of any kind. Actions affecting the status of faculty members, including dismissals, are the function of the University itself. The University should and does accept full responsibility for the maintenance, within its jurisdiction, of both faculty standards and academic freedom."

"Similarly, civil liberties are not abridged by procedures which seek to ascertain facts and which do not result in any action affecting those liberties. * * * in considering the facts elicited by the legislative committee, the University does not question the political rights of individuals but, instead, the effect that their exercise of those rights may have upon their qualifications as teachers."

Further asserting, "The usefulness and legality of congressional and legislative fact-finding committees can scarcely be questioned," President Allen declares: "The University of Washington should and does welcome any and all findings of facts about itself. It reserves only the right to its own opinion of the validity of those facts and of whatever actions are called for by reason of those facts. * * * The important point is that no action looking toward the dismissal of University personnel was or could have been taken by the committee. It can be just as emphatically stated that no action will be taken by the University itself except through the procedures laid down in existing University regulations."

In answer to contentions that an inquiry of this sort should have been conducted by the University itself, President Allen wrote: "I am convinced that a definitive finding of facts on this subject by the University itself is impossible. The University is not and probably should not be granted the investigatory powers of a legislative committee."

Few who really cherish our American heritage of freedom will dispute President Allen's conclusion, that:

"Freedom is essential to sound education. That academic freedom must be maintained in any university worthy of the name is beyond question. But academic freedom consists of something more than merely an absence of restraints placed upon the teacher by the institution that employs him. It demands as well an absence of restraints placed upon him by his political affiliations, by dogmas that may stand in the way of a free search for truth, or by rigid adherence to a 'party line' that sacrifices dignity, honor and integrity to the accomplishment of political ends."

All Safe—Or No One Is

The mobile x-ray unit of Pierce County will be in Parkland on Thursday and Friday, November 4 and 5. On Thursday the unit will be located at the Trinity Lutheran Church on the corner of Park Avenue and Wheeler Street from 3 to 5 p.m. and 6 to 8 p.m., and on Friday near the post office, at Garfield and C, from 1 to 4 p.m. and 5 to 7 p.m.

The services of the x-ray unit are available, without charge, and will include everyone over 15 years of age. All residents of Parkland and the vicinity are urged to have an x-ray, if they have not had one within the last year.

All reports are returned to the individual and are confidential. A period of about three to four weeks elapses before the report is ready to be returned. In this time the film has to be developed and read.

In order to have a successful case-finding program it is necessary that everyone take advantage of this service. Tuberculosis must be detected in its early stages and this can best be done by means of a chest x-ray. No one is safe unless everyone has an x-ray, as the person who may not be x-rayed may be the one who unknowingly has tuberculosis.

In order to protect yourself, your family and your community, take a few minutes to assure yourself that you are free from any worry.

CLOVER CREEK

Mrs. Ruth Kuper, Reporter

The Clover Creek P-TA Carnival provided a great deal of fun and entertainment for Clover Creekers the night of Oct. 30. A program by the school children, movies, music on guitars by Ted O'Neill and Maxine Smithlin, a clever skit by Nancy and Nina Boness, Ruth Failey, Dolores Smithlin and Paul Smithlin, and vocal solos by George Allen were enjoyed. A variety of booths for amusement were popular, as well as the delicious eats. Mrs. Harlow Tuttle was general chairman. Other chairmen were: Mrs. Ted O'Neill, Mrs. Virgil Rodius, Mrs. Jack Lemarr, Mrs. Fern Cox, Mrs. Ivan Collier and Mrs. Harry White, president. The P-TA is very grateful for all of the fine work done by the chairmen and especially for the help of the husbands, teachers and other members.

About 40 teen-agers attended the Grange Halloween party Wednesday, Oct. 27, at the Clover Creek Grange hall. The evening was spent in enjoying skits, games and dancing. Donuts and pop were served. Mr. and Mrs. Henry Libak, Mr. and Mrs. Erwin Ward and Mr. and Mrs. Pete McLeod are doing a fine piece of work, assisted by Jane McCammon and Elsie Keene, in providing recreation for the youth of Clover Creek in the Grange-sponsored youth program. Mr. and Mrs. Libak have provided music for the children and have gone to a great deal of effort with the help of the other committee members to get a first class recreation program started in this community. A teen-age club is planned and the young people interested in music are forming an orchestra. Dramatics are an outlet for youthful actors and the well-chaperoned dancing is especially enjoyed. This is a real step forward in providing good recreation for the youth of Clover Creek and deserves the support and help of every parent.

The Ladies Auxiliary of Clover Creek Grange met at the home of Mrs. Fred Sutter, Thursday, Oct. 28, to tie a quilt. As an evening session was needed to complete the work some of the husbands were guests also. Those present during afternoon and evening were: Mesdames Grace McCammon, Stella Carlson, Josephine Ward, Louis Sutter, Florence Parr, Alma Coffey, Ruth Kuper, LeRoy Gammon, and the hostess, Fred Sutter, Erwin Ward and Stanley Carlson were interested kibitzers during the evening.

An old-fashioned hay ride on a hay wagon drawn by horses was enjoyed by about 35 young people of Calvary Baptist Church of Tacoma last Friday night. Harold and

Elmer Fromm of Clover Creek were hosts to the group and during the evening the young people also enjoyed a wiener roast at the Fromm home. A distinguished guest was the Rev. H. J. Wilcke, new pastor of Calvary Baptist Church.

Kay and Bobby Mann entertained a group of their friends last Friday evening at their home. A lot of fun was provided by a scavenger hunt and the rest of the evening was spent in dancing. A. F. B. REPORT

More than a hundred Air Force wives, guests of the NCO Auxiliary, exclaimed over the lovely fashions shown at the style show at the McChord NCO Club, Tuesday afternoon, October 26. Mrs. Joe Bysak, president of the NCO Auxiliary, welcomed the many guests with a brief opening speech. She introduced Mrs. Harry A. Benson, who did a really fine job as narrator.

The garments, from the Margaret Allen Shop in Puyallup, were modeled by NCO Auxiliary members.

So many truly nice things were shown that it is impossible to mention nearly all of them. Mrs. John A. Moore modeled a perky little cotton with a black broadcloth top and an orange skirt with a black-bird print. Mrs. Mitchell Wawrzonek was definitely glamorous in a flame jersey negligee. Mrs. Ray Anderson wore a beige gabardine casual with leather trim and a leather belt; also a dark brown gabardine coat with a detachable hood and good back lines. Mrs. C. W. Manning modeled a green gabardine coat with semidolman sleeves—very smart.

And then there were the suits: Mrs. Moore modeled an ultra-smart mink mist suit with a boxy coat and straight skirt. With it she wore a mulberry velvet hand-made hat with a brown veil and a demure air. Mrs. George F. Juhl was in a dark green suit with a perky green hat and a square black leather bag. Mrs. R. C. Sillik showed a very good looking suit in a wonderful new red-brown called "Co-op red." Mrs. Ernest G. Ball wore an attractive boxy green suit, an all wool crepe with black accessories; Mrs. C. A. Loewen, a trim black gabardine suit, a turquoise hat with a black plume and a black corde bag. Mrs. Harold R. Frantz modeled a gray pin stripe men's wear worsted, with gray bag, black gloves and a jewel studded black hat with a small feather.

After the suits were shown there was a short intermission, during which punch and cookies were served by the hostesses, Mrs. Howard A. Case, Mrs. Elmer Smith and Mrs. C. B. Southall. And door prizes—gifts from the Margaret Allen Shop—were presented to Mrs. John J. Trauernicht, Mrs. John A. Moore, Mrs. R. F. Schrieder, Mrs. F. B. Halderson and Mrs. W. H. Parks.

After the intermission, the "after five" dresses were shown and to say they were well received is an understatement. Mrs. Loewen wore a dark gray fitted coat with a simulated peplum over a slinky black satin. Mrs. Kilgore modeled a very becoming black crepe date dress with a satin trim topped off with a black pancake hat with a veil. Mrs. Juhl was stunning in a gold and black
