

3 Explorers Plan Valley Forge Jaunt

The local drive is now in full swing to raise enough funds to send three Explorer Scouts of Parkland Post 228 to the national Scout jamboree encampment at Valley Forge, Pa., in July.

Tentatively chosen for the coveted junket are Gary Harvey, Kenneth Willard and Doug Kerr. Total cost for each will amount to \$300. There has been a good response on the appeal to date.

Donation tickets are being sold for 50 cents and 10 cents. One 50-cent donation or five 10-cent donations will admit a person to the Scout benefit ball to be sponsored by American Legion Post 228 on May 12 at Sunshine Hall.

Each 10-cent ticket will also go good for one vote for a girl to represent the Explorer group as Miss Valley Forge of 1950. The winner will be the post's official consort at all Scout social activities for the remainder of the charter year and will be conferred with the rank of honorary senior crew chief of the post.

Candidates for Miss Valley Forge are Carol Morhinway, Joann Kerr and Alice Shibley. Numerous Tacoma, Seattle and Olympia business firms have already contributed generously, and many others have indicated that they will support the campaign.

The boys going to the national jamboree will spend three weeks away from home, including 10 days at historic Valley Forge. They will leave June 22 with a selected group of 100 Scouts from the Tacoma area and will travel on a special Milwaukee train.

The party will make stops at Yellowstone Park, Minneapolis, Chicago, and Washington, D. C., prior to arriving at Valley Forge. Highlight of the jamboree will be an enormous 4th of July program including fireworks, which will be attended by many government dignitaries, including possibly President Truman.

On their return jaunt, the boys will have a two-day tour of New York, staying at the Waldorf-Astoria. Leaving New York City, they will stop at Niagara Falls, which they will see under floodlights, then proceed to Detroit, where they will spend a day going through Ford's Greenfield Village and some of the famous auto plants. At Omaha, the Scouts will visit Boys Town; at Denver, the U. S. Mint; and at Salt Lake City, the Mormon Tabernacle and Salt Lake. Via Union Pacific, the Scouts will return to Tacoma by way of Portland, arriving here July 14.

Business Club Strives For Better Attendance

Parkland Business Club last Thursday tackled two big projects: completing and distributing the maps of Parkland, now 75 percent finished, and improving attendance at meetings.

The club plans to bring in outstanding speakers to attract more interest, and have talks on merchandising. Jack Quill was appointed to arrange the program for the next session, set for May 18.

At the invitation of the South Tacoma Business Club, several members of the Parkland Business Club will trek to the Troubadour Inn on May 16 to sit in on the South Tacomas' confab.

SMORGASBORD DINNER AT TRINITY FRIDAY

Tomorrow is Smorgasbord Day at Trinity Lutheran Church. Under the sponsorship of the Ladies Aid, serving will begin at 5:30 o'clock.

Mrs. Anna Fenney, general chairman with Mrs. Carl Korsmo and Mrs. L. A. Halvorson, say their table will be heaped with many delicious foods such as sot suppe, meatballs and gravy, fishballs, sliced ham, potato sausage, pickled herring, anchovies, smoked ham, cheeses, salads, vegetables, lfkse and many other Scandinavian goodies.

The ladies extend a hearty welcome to all.

Civic Groups Defy County On 'Fast Time'

Parkland residents and civic groups, as always alert to their welfare were quick to protest the latest ruling of the commissioners as it affects Parkland and the "fast time."

Don Eastvold, representing the Business Club; Roy Kreger, Parkland Community Club, and College officials have telephoned the Parkland Times, since we have gone to press, asking that we present the recommendation of these clubs that Parkland go along with Tacoma and accept "fast time." In accepting such time, it is pointed out by members of those groups that by adopting such it will avoid considerable confusion.

Publisher, Editor Clash On "Fast Time" Issue; What Do You Think?

By Clarence LaCrosse

At least two of the trio that rule the county in the form of county commissioners are to be congratulated for the wisdom and common sense displayed in connection with voting against the acceptance of so-called "fast time" for the county. Evidently the earnest appeal of the farmer and rancher at last reached through the thick coating of political influence and registered.

It is well known that the farmers and suburban living population are against the increasing habit of tinkering with the time elements of the universe in the manner of changing time at the expense of the entire nation. Railroads are experiencing considerable difficulty in maintaining a standard time schedule due to the confusion of already existing date lines and now the more confusing advance of the clock in some areas, while others content to be left as they are should have to figure out just what time it is.

Les Hudson, especially is to be commended on his stand regarding this matter at the last meeting of the board. He has always been against the matter, and justly so, since his portion of the county as he represents has plainly made it known that they do not want this time. Wisely enough he voted as his public demanded. That, in our minds, is as it should be.

By Paul Arlton

The recent edict of the county commissioners to keep the rural and suburban part of the county on slow time while Tacoma, Seattle and all the other cities move their clocks ahead an hour will result in a wave of confusion such as the county has never seen before.

If the rulings are followed starting Monday, all clocks north of 96th Street city limits will be striking one o'clock while all the clocks south of 96th street will be striking twelve.

Suburbanites will be arriving an hour late at their Tacoma jobs, and will miss buses, trains, radio programs, etc., until they get used to the confusing set-up. Likewise, the city slickers will be arriving an hour early at appointments in the suburban and rural districts.

Although the fast time possibly works hardship on a few, the majority of people appreciate the fact that they get an extra hour of sunlight in the summer evenings to go golfing or digging in the garden.

Personally, I expect to set my clock on daylight savings time!

Elk Plain P-TA Discusses Vote

Last night was a special meeting of the Elk Plain P-TA called by the president, Mrs. Ferd Kanton, for a discussion of the election held at the previous meeting.

Church services last Sunday were highlighted by baptism of 18 members of the community. They were Mr. and Mrs. Thorne Tibbits, Alice Mae Dale, Thorne and Michael Tibbits, Leah and Thomas Averill, Emmitt and David Rich, Mary Lee Crim, Robert Kuper, Colleen Melton, Millie Felkins, Wauna and Darwin Myers and Carol and Amy Brown.

Plans for a basket dinner on May 7 were discussed. That date was also set as the final day on which charter members of the church will be accepted.

Bethel teen-agers danced at Elk Plain Grange Hall last Friday night to the music of Bernice Libak's orchestra. On display was the jukebox which has been purchased by the Elk Plain teensters.

Chaperones included Mr. and Mrs. Ross Plumb, Mrs. Gordon Johnson, Mrs. Emmitt Rich and Henry Libak.

Prize-winners at the Gleaners card party at the school last Friday were Mrs. Dorothy Ockfen and Fred Pratt in 500 and Alice Randall in pinocle. Another in the series of parties will take place tomorrow evening.

Patricia Howe, who is to be an early May bride, was the guest of honor at a shower given April 24 by Amy Brown. The guests played pinocle, after which lunch was served.

Present were Miss Howe and her mother, Mrs. Ida Howe, Mrs. Alma Martivold, Mrs. Doris Crim, Mrs. Dorothy Ockfen, Mrs. Frances Dorner, Miss Sonya Martivold, Miss Eutropia Keough and co-hostess, Mrs. W. G. Brown.

Three Performances For Spanaway Comedy

Spanaway's thespians will present three performances of "Ever Since Eve," a three-act comedy. The curtain will rise at 2:30 this afternoon and 8 tonight and 8 tomorrow night.

Director of the Spanaway P-TA sponsored event is Mrs. Kenneth Reeve, assisted by Mrs. John Newell. They have assembled a cast of eleven, most of them teen-agers. The play revolves around the trials and tribulations of the editor of a high school newspaper.

Parkland P-TA Elects Gaiser; Buys Curtains

Mrs. Neil Gaiser of 117th Street was elected the new president of Parkland P-TA last Thursday. Also chosen were Mrs. Harold Leraas, vice-president; Mrs. Virgil Bergh, secretary; and Mrs. Robert Lynd, treasurer.

Members voted to send two official delegates to the state P-TA convention in Tacoma on May 2, 3 and 4. The Parkland P-TA will also contribute money for convention expenses.

The group also voted to send two members to the summer parent education workshop at PLC July 10-14. Mrs. Clothier attended last year's session in Pullman.

Then the association went on a spending spree. Approval was given the proposal to buy new velvet stage curtains from the war bonds purchased during the regimes of Mrs. Stan Rosso and Mrs. Vern Tuttle. It is hoped that the new curtains will be installed by the next meeting.

Also oked were \$25 for a new P-TA headquarters in Chicago, \$30 for the Parkland library, and \$30 from the recreation program for new athletic equipment. And since the Parkland Mother-Singers have merged into the Franklin Pierce Mother-Singers, they asked that the money they had raised for choir gowns be allocated for musical instruments for the school.

Prep Bandfest Here Friday

Pacific Lutheran College's gym will be the site of the annual Pierce County League music festival tomorrow afternoon and evening.

The afternoon session will be complimentary to the public and will include band competitions, solos, ensembles, etc. Bands will compete against a standard instead of each other, with Marion Oppelt, former director of the Clover Park band, as adjudicator.

Following the afternoon program, weather permitting, the school bands will stage a parade through the business district of Parkland.

Library Drive Steps Up; \$2400 Mark Is Passed

If you live within the Parkland school district and haven't yet been solicited for the new Parkland library, don't feel slighted, because you will be reached during the next few days.

After running into two consecutive wet Saturdays, the volunteer canvassers have decided to go out in the evenings as well as on Saturdays. Daylight saving time will give an extra hour of light, starting Monday evening.

Chairman Clinton Williams says the returns so far have been quite encouraging, and he believes that with one more good day of collecting, the fund ought to be ample to start construction of the building. He commends the solicitors for braving the swampy weather.

Until Monday night, Williams will not be able to determine exactly how much money has been contributed or pledged to the drive, but he believes the figure to be approximately \$2,400 or \$2,500. Quota is \$6,500.

At 7:30 Monday, all the solicitors will gather for a report session and question period at the Parkland School. More volunteers are still welcome.

It should be pointed out that everyone in Pierce County is paying taxes to support the county library system—two mills out of the 40. Parklanders will always pay this tax whether they have a library or not.

But if Parkland can provide a suitable building, it will get much better benefit from the levy. At present, 2,000 volumes are circulating out of a tiny cubbyhole in the Parkland

Barbara Pepper Is May Queen

Barbara Pepper has been chosen to reign over Parkland Jr. High in its annual May Festival. The affair will be presented to mothers and friends by the junior high students on Tuesday, May 4, from 2 to 4 o'clock. Ed Nelson, principal at Parkland, will crown the queen.

The queen's attendants will be Diane Delmore, Darleen Gammache, Nancy Crusan, Eunice Archer, Joan Kittelson, Mary An Richardson, Barbara Trapp, Diane Thompson, Karen Strait, and Lillian Nyberg.

Train bearers will include Barbara Berntsen and Sharon Berntsen. Jimmy Willis will be crown bearer.

Those included as ribbon bearers are Bernice Cearley, Jackie Colwell, Gayle Hart, Delores Karbo, Karleen Kohl, Mildred Leap, Kathleen Martin, Joan Shields, Connie Vantam, and Nancy Morris.

The program will include a welcome by Lois Overland, president of the Girls Club; a tribute to mothers by Barbara Bryan; and a response by Mrs. Frank Bryan; songs by a trio composed of Karen Taylor, Joan Hanson and Angela Stay; a musical reading by Nancy Morris accompanied by Martha Whitman; and folk dances and the May Pole dances by the eighth grade girls.

The program will be concluded with a tea given by the junior high girls, with the seventh graders serving.

PHOTO STUDIO OPENS WITH NEW MANAGER

Evergreen Studio in the Parkland Centre building on Garfield Street has re-opened under the new ownership and management of Wesley W. Doan. The establishment will hereafter be known as Wesley Studio.

Mr. Doan, formerly of Auburn, intends to set up residence soon in Parkland. He studied photography at the Southwest Photography Institute at Dallas, Texas, and at the Northwest Institute of Photography at Seattle, where he studied both color and black and white work.

Let's give Parkland a new first-class library building.

School. The new building will have a capacity of at least 5,000 books, which will be provided by the county library.

The new building, to be erected on 119th Street near Pacific, will be a brick veneer structure, measuring something like 24 by 38 feet. Mel Pedersen, who designed the beautiful new Fern Hill library, is donating his time to draw up plans for the Parkland building.

It was emphasized that those who wish may pledge a certain sum, paying one-third now, one-third when construction starts, and one-third when the building is half completed. The Community Club is relying on a generous response from all the residents of Parkland.

Trinity Broth. Picks Eastvold

Trinity Lutheran Brotherhood had its annual election meeting Tuesday evening. The following were elected for the coming year: Donald Eastvold, president; Eldon Kylo, vice-president; and Ernest Kiesow, secretary-treasurer. Oscar Morken has served as president during the past year.

Arthur Swindland, chairman of the troop committee for Troop 33, which is sponsored by the Brotherhood, presented a report of the troop and its activities. James McGuire is the Scoutmaster and Jerry Shine is the assistant. Troop 33 now has 33 boys in its membership. At the last meeting of the troop, a trip was taken to inspect the submarine at the Tacoma docks. Other members of the troop committee are: Dr. Harold Leraas, Dr. Robert Olsen, and Dr. Ernest B. Steen.

Following the report, the Brotherhood voted to make an intensive effort to raise funds to send four boys to the National Jamboree at Valley Forge. An "On to Valley Forge" starting campaign will be launched, but May 1.

An Explorer's Post is also sponsored in the scouting program of the church. "Bob" Johnson is the advisor of the Post and Dwight Zulauf is the assistant. The committee includes LaMonte Hedlund, Arne Sunset, and Neil Reed. Dr. Robert Olson is the Institutional Representative for the troop and the post.

Form New Girl Scout Troop in Parkland

The new troop received the number 162. It will meet at the home of its leader, Mrs. Fred McGuire. The troop membership includes:

Bonnie and Darlene Crall, Sharon Denny, Louise Duffey, Kathie Jo Hanson, Gracemary Harris, Patty Hartman, Grace Jensen, Darlene and June Johnson, Sally Ann Kalkagen, Bonnie Lillehei, JoAnn McCulloch, Dell McGuire, Jeanette Rich and Reba Waters.

Collins, Summit Boys Forming Ball Club; Purdues, Gogans Celebrate

Play ball! All boys of the Collins and Central Avenue districts who had not reached their eighteenth birthday by Jan. 1, 1950, are invited to turn out for the hardball baseball team. The first turnouts will be Saturday morning at 9:30 and Sunday afternoon at 2 at Collins School.

The club will be entered in one of the city leagues. It is sponsored by the Collins Recreational Council, which has donated money to buy equipment.

Men of the community are subscribing at the rate of \$5 each to buy uniforms for the boys. Anyone interested in helping outfit a boy for the games can send a donation of any amount to C. P. Blanchard Jr., Rt. 3, Box 592A, Tacoma.

Mr. Blanchard will be glad to answer any questions regarding this program. Call him at GR 7535. Members and leaders of Boy Scout Troop 92 staged a wiener roast at Camp Curran last Saturday evening. Afterwards, the scouts with assistant Scoutmaster Ray Gogan spent the night at the camp and enjoyed a hike Sunday morning.

The camp was initiated several years ago and the boys have done most of the work on it themselves. They have a stove in the shelter for cooking.

Mr. Gogan reports they were as snug as if they had slept in their own beds. Camp Curran provides a wonderful opportunity for boys to camp out inasmuch as it is close to home and the only expense involved is the food consumed, and I mean consumed!

The happy coincidence of wedding anniversaries on the same day—April 19 was the occasion for partying during the past week by the Ed Purdues and the Ray Gogans. The Purdues celebrated their twentieth and the Gogans, their ninth anniversary.

Last Wednesday evening, a group of neighbors and relatives were invited to spend the evening with the two couples at the Purdue home on Curran Road. At the close of a very enjoyable evening, cake and coffee were served, with Mrs. Purl Boyd pouring.

On Friday evening, some 70 friends associated with the Purdues and Gogans in civic organization work joined them at Collins Grange for an evening of dancing and a midnight lunch. Collins Tots Club will hold its regular meeting Tuesday evening at 8

MOTORISTS, TAKE IT EASY AT INTERSECTIONS

South End motorists should remember that many of the stop signs on intersections have been taken down during the past two weeks, creating new safety hazards.

The county road crews removed the signs with the feeling that there had been too many, and motorists had been uniformly ignoring all of them. The only stop signs left now are along arterial streets and highways, such as Pacific, Park, Airport, 116th and Sales.

Although the signs are gone, motorists shouldn't breeze through intersections at 60 miles an hour. They should be more careful than ever to avoid collisions. Carelessness may lead to a ride in the Parkland ambulance.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Beware, Insects! New Spray Here

Most of the gardeners in the Northwest are familiar with the small white legless maggots they find in their radishes and turnips or feeding on the roots of cabbage, cauliflower and broccoli plants. These maggots are from one half or one-third inch long, blunt at the rear and pointed in the front.

Plants attacked by the cabbage maggot appear sickly, off-color, and if the attack is severe, they wilt suddenly during the heat of the day and die. Roots of cabbage, cauliflower and the fleshy parts of turnips and radishes show brownish grooves on the outer surface and slimy winding channels running through the flesh, while many of the small fibrous roots are eaten away.

Many years ago it was discovered that we could protect our crops by the timely use of repellents. The most effective repellent proved to be neutral coal tar oils. These have been prepared for use in various ways. The original product of this kind was "Carco brand vegetable spray," which has been on the market since 1913.

Now the manufacturer can furnish you with a new formulation with hexachlorocyclohexane that has all the advantages of Carco—plus many more uses. They have named it "Carco-X." Tests they have made have proved it to be more than twice as effective and also useful for the control of many other insects. All of their tests are under scientific supervision and observation.

They recommend spraying before the insects start to infest your garden. Also recommend that for certain spraying jobs you either buy or borrow a good sprayer that is built to do a good job for you. The time to start spraying will depend on where you

live and whether the seasons are early or late.

You can obtain a booklet describing the many uses of Carco-X by inquiring at Parkland Garden Supply, 125th and Pacific.

MIDLAND WCTU EYES ANNUAL INSTITUTE
Midland WCTU will hold its annual spring institute Tuesday at the Harvard Covenant Church, 84th and Portland Ave.

The institute will start at 10:30 a. m. with a song service. On the program will be Mrs. M. C. Dillon, giving the opening prayer, Mrs. Anna Thompson, leading the flag salutes, Rev. Josephine Sulsten and Mrs. Harry Anderson, giving reports, and Rev. Robert Bodin, singing several numbers.

Following lunch, the program will be resumed with numbers sung by the Midland School girls' nonette. Mrs. Luella Engler, president of Midland WCTU, will lead devotions. Two speeches will be given by Mrs. F. M. McKenzie and Mrs. Edith Stine. Keynote address of the day will be given by Mrs. Maude Isaacs, state WCTU president.

Look For The Union Label
On Your Printing
This Is Your Protection Against
Poor Workmanship

The LaCrosse Printing Co., publishers of the Parkland Times, and the Mid-County Publishers, Inc., publishers of the Mid-County Journal, employ 100% union labor. Fifteen families drawing \$1175 per week in wages are dependent upon these two plants for a livelihood. This money is spent in your own communities for clothing, food, medical, housing and other needs.

Property and business taxes, paid on these two shops, which amounts to a considerable sum of money, helps to support your schools, your roads and other public properties.

These two plants are open for your inspection at all times. You will be surprised to find that high class workmanship and competitive prices go hand in hand. Craftsmanship as demanded by the printing business is not readily acquired. Our employees are experienced men. Combined with modern equipment, they produce the finest work possible in the printing industry. Under paid, secluded, inexperienced, "backroom" shops cannot possibly produce this type work and further economic stability.

By insisting on the Union Label on your printing you are supporting your neighbor and maintaining higher standards of living for you and your community.
