CLOVER POST NO. 118 AMERICAN LEGION Meetings every second and fourth Friday at 8:00 p.m. in the

Spanaway School The officers and members of the Post and the Women's Auxiliary are taking this opportunity to express their sincere thanks to all who helped so loyally in making our "Poppy Days" go over the top. In no uncertain terms we would like to express our appreciation of the cooperation of the Prairie Pointer, for the prominence of the publicity given in the interest of courtesies shown to the committees. The readers of the Pointer were kept well informed about our drive and the objectives desired, so give the farewell address. there were no misunderstandings ready response of our friends and the business people of the community has proven, once more, that "It pays to advertise."

Culminating our sense of gratitude at this time, was our pleasant surprise, when the members of the Post and the Unit, discovered that everything was neat and orderly at the Spanaway cemetery. This was done by some of the boys of Scout Troop 34, the troop sponsored by Post 118. Thanks for the cleanup, fellows.

After the decoration of the graves of our comrades who have gone on before, there followed the annual Memorial Day services, instituted and perpetuated by the Clover Creek Post. An impressive eulogy and address was made by William L. Bailey, the post chaplain, who charged us to remember the principles laid down by our forefathers, as far back as the drafters of the Mayflower Compact. He also charged that we conduct our lives that we may fittingly serve our great country as loyally as those of our comrades who gave their all. The old coot does give some good advice from time to time, at that. "Taps" by the diminutive post bugler wound up the morning activities.

The balance of the day was spent at the camp, where an excellent lunch was served and where some hard labor was indulged in We are hoping that in the not too far distant future we may be able to enjoy the fruits of our labors in our American Legion home.

This report does not seem complete without again saying to everyone who gave our "Poppy Days" such a good boost, "Thanks a Million."

> Yours in Comradeship, Uncle Pete.

GRANDDAD DELIVERS

The H. M. and L. fire chief, Dave McPherson, had a new problem on his hands Monday night. The problem was to beat the stork but he didn't make it and at 8:20 Monday night a baby boy was born to Mr. and Mrs. George Vance in their home.

Mrs. Vance was home with her father, Frank Johnson, who called the fire department to rush Mrs. Vance to the hospital. However, McPherson, seeing it was futile to attempt getting the women to the hospial in time for the birth, hurried to his home a few blocks away to get his wife, a registered nurse.

Summer Programs

School's out for more than 2,000 South End children Wednesday. this week, which means they'll have lots of time for swimming, picnic hikes, bike rides and the like.

But it also means that they'll have a lot of spare timespare time that often begets mischief.

For this reason, Parkland should be grateful for the supervised recreational plan which is being sponsored by the state, school district and PTA.

As the program includes everything from ping pong to swimming, it will have some interest for almost every Parkland child, and is designed to keep them busy during each illness and hope he will soon be week day and evening.

The children will be under the supervision of Paul Larson, Dammel and Mr. and Mrs. R. Borwho also had charge of the program last year.

Another program is already in operation in Tacoma which is also designed to help youngsters spend their spare time profitably. This is the Civil Air Patrol program, of which Capt. A. E. French of Parkland is the squadron commander. While this is a Tacoma organization, French is trying to get enough | held Saturday at Aberdeen. junior CAP members from Parkland to establish a flight in this area. Except for the uniform, there is no cost to the youngsters and he or she must only attend the meetings every Friday and carry the CAP card to be a member.
