

### SUMMIT NEWS

By MRS. M. S. RAU  
GRanite 8391

What started as a pleasant vacation trip for Mr. and Mrs. James Bibby to the home of their daughter, Mrs. Mil-

dred Tippie, and her family at Lakewood, Calif., turned out to be a tragic two-car accident just three blocks from the daughter's home. Mr. and Mrs. Bibby left for the south May 17 and the accident occurred May 19. Mr. Bibby, with six ribs broken and other injuries, was taken to a hospital and passed away Wednesday afternoon, May 21. Mrs. Bibby is recovering from shock at her daughter's home.

Mr. Bibby was born in Liverpool, England, and was 52 years old. He came from England to Summit to stay with his widowed sister, Mrs. Jennie Cathcart, now Mrs. Jennie Holden, 37 years ago. Surviving are Mrs.

Holden and another sister, Mrs. Charles Carpenter, both of Tacoma; three daughters, Mrs. Mildred Tippie of California, Mrs. Barbara DuBois of Seattle and Mrs. Marjorie Simons of the home, and three grandchildren. Funeral services are dependent on the arrival of the family from California.

James Bibby was a machinist for the Milwaukee railroad and was a

member of the Summit Methodist church. Mrs. Bibby, known to friends as Maybelle, has lived near the present home for over 40 years. Deepest sympathy is expressed for the family.

### SUN OF CANADA CUTS COST OF INSURANCE

CANADA'S LEADING LIFE COMPANY AGAIN INCREASES POLICYHOLDERS' DIVIDENDS

With 47% of its assets invested in the United States and amounting a further increase in policy dividends, reducing insurance costs, the Sun Life Assurance Company of Canada has just released its 81st Annual Report revealing the largest volume of new life insurance issued by any Canadian company in 1951—over \$461 million; an all-time high in benefits paid, and an increase in the interest rate earned on the assets last year.

STAN BORESON, featured artist on Parkland Roundup coronation program Friday, June 6, 7:30 p. m. at PLC gymnasium.

George W. Bourke, President, in announcing 1951 figures for Canada's leading life company, stated that total Sun Life insurance in force now stands at \$4,801,000,000, an increase during theyear of \$340 million. Annuities in force provide immediate or future payments to the amount of \$104 million per annum. Group insurance in force now totals \$1,254 million, an increase of \$107 million during 1951. The rate of interest earned on the assets last year was 3.70% as compared with 3.61% in 1950; 3.48% in 1949 and 3.30% in 1948.

The Sun Life, a leading international life company with policyholder-service branches from coast to coast, last year paid out to policyholders and beneficiaries the all-time record sum of \$125 million. \$35 million was paid to beneficiaries of deceased policyholders, \$16 million under annuity contracts, \$36 million for maturing endowments, and the balance in dividends to policyholders, disability benefits, etc. Since the first Sun Life policy was issued in 1871, total benefits paid to policyholders and beneficiaries have amounted to \$2,486 million. While the Company operates in 20 countries, 90% of the business originates in the United States, Canada and Great Britain.

A copy of the Sun Life's complete 1951 Annual Report to Policyholders, including the President's review of the year, may be obtained from

**LETTERS to the EDITOR**  
 Whenever and wherever a talent show or contest is put on, all praise goes to the entertainers. I want to do a complete switch and give a word of appreciation to a good, responsive audience such as witnessed at the recent Waller Road Variety Show. Every entertainer there would have worked his heart out for that audience, despite the fact there were no prizes to be won. There were no empty seats and applause was in abundance.  
 On June 4 the Talent contest grand finale will be held at the Parkland theater, immediately following the first picture. Entrants will come from Tacoma, Olympia, Parkland, Sumner, Waller Road and Eatonville. All are previous winners and range in age from 4 to 20. One full hour of clean entertainment in a variety of acts. For the benefit of all participating, regardless of who is the winner, I would like to see an audience present like the above mentioned. It's a large theater and will take a lot of people. The talent is only one-half of the show. The audience is the other half; for one without the other is as nothing.

**Congratulations!**  
 Congratulations to those 4-H girls taking part in the Method demonstrations held recently at the Waller Road hall: Joanne Sorenson for winning a blue ribbon on her demonstration of threading and setting up a sewing machine; Betty Anderson and Mary Bostwick, red ribbons; Joan Palo and Sandra Miner, white ribbons. Joanne is a first-year student in 4-H work and won for herself a free trip to County 4H camp at Millers' Sylvania.  
**To 4-H Camp**  
 Seven girls from Waller Road will attend the 4-H camp at Pullman from June 9 to 14. They are Eleanor Gilbreath, Marie Shea, Vienna Sand, Nancy Bostwick, Sandra Miner, Betty Anderson and Barbara Spitzler. The girls will be accompanied by their leaders, Mrs. Gilbert Carlson and Mrs. Ellis Anderson. Money for the trip comes from the club fund, most of which was raised at the 4-H Carnival. Many thanks to our community for its generous support.  
**Entertain Mothers**  
 The Waller Road 4-H Ladies entertained their mothers at the annual Mothers Tea last Saturday at the Waller Road hall from 1:30 to 3:30 p.m. The affair was well attended by the mothers, each of whom received a lovely corsage designed by Monica Shea. Committee members for the occasion were: Marie Shea, food; Eleanor Gilbreath, entertainment; Vienna Sand and Barbara Spitzler, decorations; Irene Moran and Mary Bostwick, clean-up. The program was made up entirely of 4-H girls and brought out much unsuspected talent.

**AN INVITATION TO BETTER LIVING**

In view of all the discussion that is going on in the Tacoma area, relative to different freezer food plans, Pochel's salesmen are prepared to answer or clarify any questions in the minds of our many customers.

We would all like to have a food freezer in our home—especially if someone would give it to us. There are some who would have you believe that the freezer is yours as a bonus, if you will become a member of the club or freezer food plan they have to offer.

Let us assure you that such is not the case. In our day, when it is not so much a question of getting the dollar, but of trying to get the proper value out of the dollar we have to spend, we believe that at last we have a formula whereby you will receive a dollar value for a dollar spent. It is true that under the many food plans offered, the freezer you buy will eventually be paid for in savings made.

We too, at POCHEL'S have a freezer for you. But more, we have a simple savings plan that it may be to your advantage to know about. You, too, can own a freezer and live better than ever before, without the high cost food financing, etc., that is being highly promoted.

Owning a home freezer is no longer considered a luxury. Under our plan it is simply an introduction to better living and the best step you can take to cut down your monthly food budget, and even live better in the future for less than you have been spending in the past.

Please accept our invitation, call us for an appointment, or see us at the store.

### "BUGS" BUNNY PUBLIC ENEMY

"Bugs" Bunny isn't comical to our friends in Australia. Rabbits were first imported in 1862 to provide hunting sport for bored colonists and, naturally, some escaped to the sandy wastelands and set up house-keeping in the well-known rabbit fashion. By 1940 astronomers accustomed to dealing with large figures estimated there were 4,000,000 throughout the land.

Western Australia became so badly eaten by these hungry animals that an effort was made to protect it from further invasion by means of a gigantic fence across the land made of chicken-wire, a sort of Chinese rabbit-wall. The rabbits, however, soon learned to climb these fences and the plague continued unabated. Other stop methods were tried but they continued to multiply merrily.

Brookdale Lumber Company, your friendly dealer located at 136th and Pacific, has complete fence supplies and free estimates on fence materials or installed fences are gladly given. Their prices are fair, so why not stop "hare?"
