Woodland News

Mrs. Carl Cordes
Puyallup 5-2511

Woodland is not just an ordinary community but a community with a heart, as has been proven many times in the past. It is a group of people who are eager to help and to prove themselves more than just friends. This was found out ourselves during Mr. Cordes' recent illness. It would be impossible to thank individually each and every one who proved such good friends and neighbors. Cakes and pies were sent to our home, and flowers and gifts and prayers were so plentiful that I'd like to take this opportunity to say "thanks."

Thorp Issues

His Statement

Selmer T. (Bud) Thorp, seeking the office of Pierce County Superintendent of Schools, has issued the following statement in behalf of his candidacy:

"I have lived in Tacoma all my life, married, and have two children. I was educated in the Tacoma schools, graduated from Stadium High School in 1942.

That fall I enlisted in the Air Force and served in the European theater of war, flying 57 combat missions. In 1945 I enrolled at Pacific Lutheran College and was graduated in 1948 with a BA in education. In the summer of 1950 I received a BE degree. I taught for three years at Woodland and was principal at Clover Creek for two years. During the past year I have been a substitute teacher in the Tacoma area.

"I am a member of the First Presbyterian Church, Rhodes Post American Legion, the Teamsters Union, Local No. 313, the YMCA, the Eagles Lodge, the Odd Fellows Lodge.

"I believe I have filed for the most important office on the ballot this fall. The office of Superintendent of Schools is in my opinion a sacred trust that demands sincerity and devotion. I believe that the office should take the leadership in a program of Americanism never known before in this area. The challenges that face the public schools today leave no room for questionable individuals in its ranks. I believe it is time for people in public life to stand up and be counted, leaving no doubt in the minds of the public where they stand on the issues facing our great country.

"As your County Superintendent, I will stand for 100 per cent Americanism in the classroom and school personnel, no matter what their position might be, and do all in my power to suspend any person not living up to the ideals of our founding forefathers.

"I believe it is time for the rule of fear to be removed from over the teachers' heads, that they may feel and experience the blessings of democracy. It is impossible to teach democracy if you cannot enjoy its blessings.

"A vote for Thorp is a vote to return the schools to a philosophy based on the brand of Americanism that will survive the onslaught of the pagan Communist world."

When you receive your copy of the premium list for the Waller Road Community fair, to be held at the Waller Road hall Friday and Saturday, Sept. 10 and 11, you will also receive a recipe for a sponge cake. Don't think there has been a mistake made in the printing. Mrs. Gilbert Carlson, who is in charge of the cake baking contest, has chosen to print only the ingredients to be used; those entering the contest will use their own methods for making the cake. The person who receives the "high" blue ribbon award will receive a lovely stainless steel mixing bowl. Ladies, let's see the results; compete, with your friends.

On Friday evening the Waller Road Grange will be in charge of the kitchen. The menu for the dinner hour is very inviting; the cost is nominal. On Saturday night the dinner will be served by the P-T-A, with a different menu, also very tempting.

Attractive awards will be given both evenings. The co-operation of local merchants is greatly appreciated by the Fair committee. The two main awards will be an outdoor grill and a radio.

Garden Club

The Waller Road Garden club will meet Thursday, Sept. 2, at 8 p.m. in the Community hall. Mrs. Jack Johnson will talk on grooming of flowers for exhibit at the coming fair. Don't miss the meeting!

Registration

If you have a child entering school this year, there is still one more day for registering—Friday, Sept. 3, is the final day.

This year's staff is as follows: Florence Martin, principal, fourth grade p.m.; Grace Caldwell, first grade; Kathleen Usher, second grade; Priscilla Brown, third grade; John Durr, fourth grade, a.m.; Kenneth Keener, fifth grade; John Markarian, sixth grade; John Anderson, custodian. Mrs. Harriet O'Brien is the school cook.

The following day Mr. and Mrs. Carlson left for a four-day outing to the Olympics and ocean.

Spitler - Coffey
On the evening of July 31 Calvary church was lovely with baskets of gladiolus, baby breath, Esther Reed daisies and pale blue hydrangea and pink snapdragons for the wedding of Miss Barbara Spitler and Dale Coffey of the U. S. Air Force. The Rev. P. E. Pike read the candle lit double ring service.

The daughter of Mrs. Walter Spitler and the late Mr. Spitler walked to the altar on the arm of her uncle, Oscar Almaas, in a beautiful wedding dress of lace and satin. Her short veil caught to a crown of seed pearls. Her bouquet was of pink rosebuds with satin streamers.

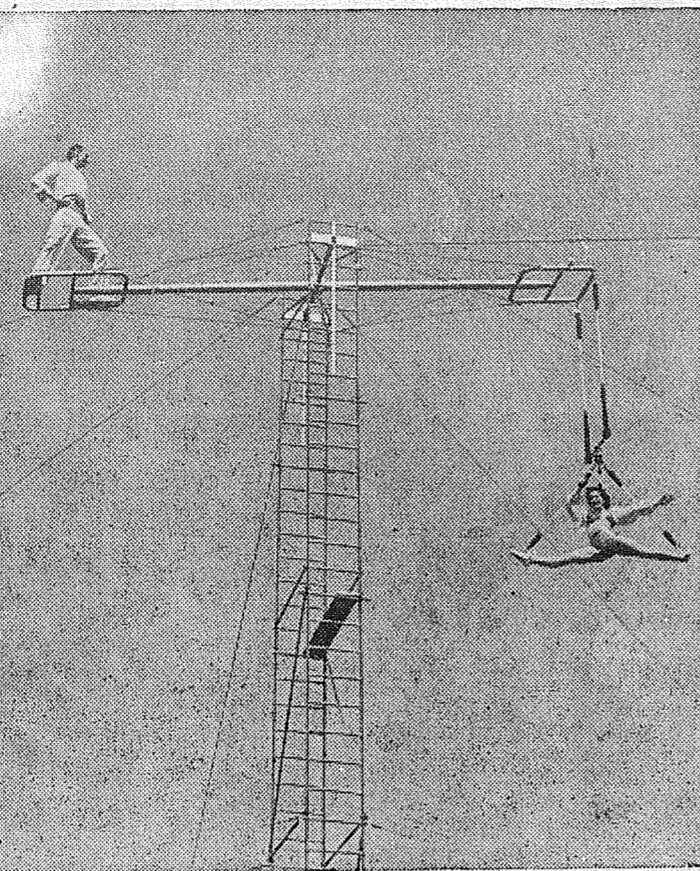

Vienna Sand, maid of honor, wore pale pink and the bridesmaids, Frankie Bliner and Helene Vasicko, were in pale blue, all with heart-shaped bouquets. Rodney Spitler was ring bearer for his sister and Cherrie Willbanks was flower girl. Ronald Frame acted as best man; ushers were Amos Reed, Dale Christofferson and Larry Pederson. Mrs. Marion Gidley played the wedding music and accompanied Robert Koch as he sang "With These Hands" and "The Lord's Prayer."

The reception was held in the church parlors. Mrs. Eleanor Carlson cut the cake, Marilyn Joers served the punch and Mrs. Reta Maitrejean and Mrs. Luella Willbanks poured coffee. In charge of gifts were Eleanor Gilreath, Nancy Bostwick, Mary Ellen Farley and Beverly Nelson; guest book, Ruby Marshall.

Before her marriage, Miss Spitler was honored with several gridal showers. One given by the Waller Road Grange Auxiliary was attended by a large group of friends who presented lovely gifts on the evening of July 20 in the Waller Road hall. Hostesses were Mrs. E. Thompson, Mrs. F. Wilder, Mrs. A. Carlson and Mrs. V. Fogle. Frankie Bliner and Helena Vasicko had charge of the games.

Frank Stojack In Statement

I believe that my election to the part-time job of City Councilman indicated that the voters have confidence in my ability to serve them as a public servant. Since that time I have been urged by many friends

to offer myself as a candidate for various offices which would enable me to serve on a full-time basis. The decision to file for Sheriff was reached only after long and careful consideration. No candidate plays fair with either the public or himself if he seeks election to an office which he is incapable of handling. If I did not think that I could serve the citizens of my county successfully and well as their sheriff, I would not have become a candidate.

During my appearances which have taken me from coast to coast and border to border, I have made it a point to meet and confer with leading law en-

forcement officials, and particularly with those serving in the capacity of sheriff. From these interviews I have been able to determine in general the factors which are most essential to the successful operation of a sheriff's office, and also the major problems which today confront this law enforcement unit. Details differ from community to community, but operation and problems fall into pattern which do not vary too much.

I found during my survey that some law enforcement agencies place much more emphasis upon the prevention of crime than do others. Methods and ideas differ, but the prevention of crime is an inspiring goal and worthy of constant study. The punishment of crime is not a pleasant task. Too many people these days are starting out life behind the bars of a cell as penalty for some crime which might have been prevented.

All areas of the country seem to have one alarming problem

in common — a continued increase in juvenile delinquency. This is a problem to which I expect to give vigorous personal attention. I have always been deeply interested in youth and I know, as sheriff, that I will be in a position to make that interest much more practical and effective. During my athletic career I have always tried to be an inspiration to our youth, and when the kids flock around me for pictures and autographs I know that I have not failed.

My personal background, briefly: I am a graduate of Lincoln High School and Washington State College. Received both scholastic and athletic honors in high school and college. Followed a professional sports career. Have been a resident of Pierce County for 35 years, and am serving at present as a member of the Tacoma City Council, and on the Board of Directors of the Sea Cadets of Washington and the South End Boy's Club. Affiliations also include Kiwanis, Elks and the South Tacoma Business Club. Am married and reside at 5616 South Durango Street, Tacoma.

The best way to avoid nose bleed is to keep it out of other people's business.

McCutcheon In State Race

State Representative John C. McCutcheon, who has served one regular and one special session of the legislature, sets forth the following reasons why he desires to continue to serve the people of the 29th District.

He comes from a Tacoma family long identified with local politics and carries a name strongly identified with Public Power. He firmly believes that hydro-electric power development in this State by City Light and Public Power Utility Districts holds the key to future industrial expansion in this area.

Representative McCutcheon said that during the last session of the Legislature he worked earnestly for legislation beneficial to the laboring man. He said "Labor will need friends in the 1955 session for the all out fight against the present unemployment compensation act." McCutcheon was endorsed by Labor two years ago for the position that he now holds.

"I was one of the Charter Members of the 'Keep the Capital in Olympia Club' and led a minority fight on the floor of the House to prevent piece-meal appropriation of the capital, to Seattle", the Representative said.

McCutcheon added "I worked closely with the Directors of Highways in determining that U.S. 99 Freeway would cut East on the north side of McCord Field and come through the 29th District, down South Sprague. Preliminary work is now underway on this project."

"As an Attorney I voted against and am opposed to the Lien Law in our Pension Pro-

gram," McCutcheon said. Furthermore, Representative McCutcheon stated, "I voted for a full school program and adequate salary for teachers, and will continue to fight against the inequality of the school program resulting from the Local Level Tax Program."

McCutcheon is a veteran of World War II, having spent three and one half years in the U.S. Army during the war period. He was educated at Stadium High School, University of Washington, and Montana U., the school from which he graduated with a law degree. In September of 1951 he was appointed a Pierce County Criminal Deputy Prosecuting Attorney and has served in that capacity for three years. Representative McCutcheon is married and lives at 3331 Olympic Blvd. Tacoma. He belongs to the Eagles, Moose, American Legion and is a Civil Defense Warden and State Traffic Safety Representative.

Concordia 4-H'ers Win At Sumner

Many blue ribbons were received by members of Concordia 4-H club at the Sumner Junior Livestock fair at Spartan Field August 19-21. The members entered 36 exhibits of baked goods and received 23 blue ribbons for them. In their sewing, they entered 24 articles of clothing and received 16 blue ribbons.

Roxanne Johnson, Kathy Willis, Mary Alice LeMaster and Priscilla Pedersen modeled their four-piece outfits in the Dress Revue Saturday night. Other members of the club who entered articles were Beverly Stimson, Sigfrid LeMaster, Diane Perkuhn and Susan Pedersen.

Items of clothing on which Kathy Willis and Susan Pedersen won blue ribbons were chosen to be entered in the State fair at Yakima.

Ross LeMaster Jr. entered his white heifer and received a blue ribbon on fitting and showing the animal.

Legion Band At Parkland Planned

Parkland post No. 228, American Legion, are now on their drive for members for the year 1955. If you are a veteran of the World War I, World War II or Korean Action, you are eligible to join.

As Commander of Parkland post No. 228, I would like to organize a Legion Band composed of Legionnaires and sons from the ages of twelve (12) years on up. If you are a veteran and play a band instrument and would like to see a band organized, come on out and sign up for the Legion and help me with this project. I'm sure it will be fun for all of us. If you veterans and sons who play a musical instrument such as cornet, clarinet, sax, trombone, bass, horn and drums, call me at GR 3136 between 4:00 and 7:00 p.m.

Midland News
Marlene Corrigan
GRanite 8545

Winning more than their share of honors and blue ribbons at the Sumner Junior fair last week, members of the two Midland girls 4-H clubs, are all looking forward now to a Western Washington fair at Puyallup and the 4-H State fair at Yakima, both coming up in September. The 4-H'ers must earn a blue ribbon at the Sumner fair first, before being eligible to exhibit at the other fairs and the top exhibits in each class of clothing are the only entries being shown at the Yakima fair this year because the two fairs are being held at the same time.

Mary Benson, president of the Midland Girls 4-H club, is Pierce County's representative for Dress Revue in Yakima and will compete in the National 4-H Dress Revue sponsored by Simplicity Pattern company, the State winner receiving a trip to the National 4-H Club Congress in Chicago the first part of December. Mary modeled her sports outfit she made consisting of pink sail cloth pedal pushers, skirt, with reversible jacket of the pink and a matching pink varied striped sailcloth with the blouse and swimming bag of the striped material also, which looked very nice on Mary with her fair skin and blonde hair.

Marlene Corrigan made and modeled her complete school outfit of dark grey sheath basic dress fashioned from the new "Kyber-Tone" sanforized and fully washable cotton. Marlene's outfit also included a reversible jerkin of the grey and matching pink and black plaid of the same kind of material and two collar sets, both reversible, making many different outfits.

As each 4-H member can only enter one contest at the State 4-H fair at Yakima, Marlene had to decide between poultry judging, clothing judging, illustrated talk on poultry or dress revue, so Marlene decided to enter in her illustrated talk.

Nina Ayers also won a blue ribbon in Dress Revue for her four-piece bedtime outfit, consisting of red and white polka dot pajamas, red corduroy robe, plastic make-up cape and corduroy and polka dot slippers. Nina looked very nice in her outfit and did a very good sewing job.

Valeria Bombardier was another blue ribbon winner in the Dress Revue, making all four entries from the Midland clubs blue ribbon winners, which means they have to obtain blue in the sewing itself and also in the modeling and fit of the outfit and there is really some strict judging before the blues are announced. Valeria fashioned and modeled a red butcher linen afternoon dress with red stole lined in white and a matching hat and bag as well as a flower she made of the white material to wear at the neckline. Congratulations to all these four girls for a wonder-

ful job well done!
Entered in the clothing department was Janet Jensen's darling outfit of peacock blue and white cracked ice embossed cotton consisting of a jumper, jacket and purse and bag and Janet received a red ribbon; Joanne Mourid exhibited a beautiful four-piece college outfit of white orlon washable skirt and turtle-neck blouse with a brown and white orlon jacket of plaid with matching plaid belt and ascot tie, and her outfit won a blue ribbon and will be shown at Yakima as the outstanding outfit in that division; Janet and Joanne both received white ribbons on skirts they entered; Marlene Corrigan, blue ribbons on her blouse and dirndl skirt; Mary Benson received blue on her wool skirt and it will show in Yakima also as best in that class; she also received a red in hog wool jumper and white in unlined jacket.

Also entering contests in Yakima will be Valeria Bombardier and Nina Ayers in the clothing judging and Elizabeth Weir in the foods judging, so Midland will be well represented.

In the Baking exhibits, Nina received blue in drop cookies, red in muffins and white in baking powder biscuits; Valeria Bombardier, blue in drop cookies, red in refrigerator cookies and white in nut bread; Marlene, blue in white cake, chocolate cake, refrigerator cookies and drop cookies and white in bar cookies; Janet Jensen, blue in bar cookies and red in refrigerator cookies; Janet Spearman, blue in refrigerator cookies, red in drop cookies and white in chocolate cake; Marlene Spearman, blue in refrigerator and drop cookies, red in white cake, and white in muffins; Gloria Siehl, blue in chocolate cake and drop cookies and white in refrigerator cookies; Elizabeth Weir, blue in angel food cake, fancy bread and drop cookies, and her in bar cookies.

Beverly Paulik entered exhibits in crafts with her ceramics and received a blue on her Madonna and a red in her other entry, and Marlene received a blue in her photography album. Janet Spearman was the only member entering in the new project, roses, and brought a new honor to herself and her club by winning the sweepstakes trophy given by the Rose Society for the best over-all rose entry and was presented the cup at the Friday evening program. Janet received blue in her best six roses, her best three roses, red in her arrangement and white in her best single rose. The Rose Society is also presenting rose bushes in the fall to the high winners in each class. Nina also gave a demonstration on "Summer Salad" and Bev Paulik, an illustrated talk on "Ceramics."

Dear Sir:

I would like to take this means to thank you for myself and Trudy Norfleet for the beautiful Herdsmanship trophy which was presented to us at the Parkland Round-up through the courtesy of the Times-Journal. I would also like to acknowledge the co-operation of the Journal in printing all 4-H articles submitted by myself as reporter for the Allison Road 4-H club.

Yours truly,
Janice Petrich

Times-Journal, Editor
Parkland, Wash.

Dear Sir:

The Spanaway Progressive Community Club wishes to thank you for your cooperation in giving our recent Fourth of July celebration publicity.

Sincerely yours,
Spanaway Progressive Community Club.

Lula A. Slater,
Corresponding Secy.

We wish to express our thanks and appreciation to the Spanaway Volunteer Fire department for their free ambulance service.

My husband took quite ill and needed to be taken to a hospital and we had no way of getting him over there. I called my daughter-in-law, Mrs. Doris Eaton, and she advised me to call the Spanaway fire department ambulance. I did and I wish to say that they responded in a very few minutes and my husband is back home now and feeling good.

For the first time I heard that we have such wonderful service here at Spanaway in our community. How wonderful it would be if every neighborhood, everywhere, were co-operative volunteers as are the Spanaway Volunteer Fire department. "As ye would that men should do unto you, do ye also to them."

Thanks again.

Sincerely,
Mr. and Mrs. Dan Heney

Paul Sandegern Is Candidate

Paul Sandegern, Democratic candidate for state representative, 29th district, issues the following statement:

"My previous experience as a member of the state legislature, as representative from the 27th district during the sessions of 1939 and 1941, serves as a background upon which to base my qualifications for the position I now seek in the 29th district.

"It is my contention that a good legislator must represent the will of the people of his district, pursuant to the basic concept of the American form of government. He must not be bound by commitments to particular pressure groups, but must recognize the legitimate lobby elements as representative of the various segments of our society. A good legislator will relegate his personal interests to the background, and must have the individual capacity to weigh the good against the bad. "If elected to the legislature, I will work for an improved school program which would ensure most equitable state support, a program which would attract more qualified teachers

to alleviate the serious shortage, and one which would correct restrictive election laws which now beset school districts. I favor restoration of state support of kindergartens which was withdrawn by the 1953 legislature.

"I am in accord with legislation endorsed by the Washington State Federation of Labor. At the same time, I am heartily in accord with legislation which would be of benefit to industries within the state, fully realizing that labor's welfare is dependent upon healthy business conditions and upon good labor-management relations.

"I would particularly work for legislation which would benefit this community, such as enabling act passed during my previous service in the legislature which made it possible for the Port of Tacoma to acquire title to property and improve it for industrial purposes.

"I was born in Tacoma in 1904, attended the old Hawthorne and McKinley grade schools, was graduated from Lincoln high school in 1922, and received degree in journalism

Sip 'n' Sew 4-H Wins At Summer

The Brookdale Sip 'n' Sew 4-H club is very proud of the record piled up by four of its members who entered the County Junior fair at Summer. Kathy Jo Hanson, Sharon Van Beek, Rosemary Traill and Evelyn Haakenson between them won nine positions in which to represent Pierce County at the State 4-H fair at Yakima. As each girl can compete in only one contest at Yakima, each girl had a choice to make.

Kathy will go on the Clothing Judging team and Sharon and Rosemary will compete in the Dinner contest. Evelyn Haakenson made the rough decision of turning down the enviable spot of competing in the state and national contest and instead will give her illustrated talk in Home Improvement. Her winning garment, which she tailored, was a wool and orlon suit, the reversible jacket of steel gray and matching grey and robin egg blue plaid, the slim skirt topped with matching blue wool jersey blouse which she styled herself, accessories are blue hat and grey purse and heels.
