By Clarence La Crosse

It's been a busy place around this sweat shop, for the past few days especially. All of a sudden we decided it was necessary to have some more room in the printing end of the shop (I say all of a sudden; really it has been apparent for several months), so what did we do but move a partition, shove several tons of metal around a couple of presses and some heavy walls . . . Sure, we were tired, but not too tired to go home and see a football game on the TV set. Thank goodness for those gadgets; sure keeps a man at home evenings.

Say, why don't you drop down one of these bright days real soon and see our latest piece of automatic press equipment. We purchased a new automatic press last week in order to keep up with the increase in business and to be able to give you the best service at the lowest cost. The darn gadget really runs, too . . . Our pressman, Bill Ruehle, is still muttering to himself about some other press he would rather run than this but then we are getting used to it by now and note that he sort of enjoys standing around with his hands in his pockets watching it run, inasmuch as he used to have to do it by hand before we installed this particular piece of equipment. Sure is a beauty; better than a new car to me . . . and costs a lot more, too . . .

Sheriff Doings

We see Doc Brown around here a lot lately . . . we understand that he is going to do a bit of policing for this area. He has written permission and authorization from Lee Croft, present sheriff, to operate as a deputy in this area, cooperating with the sheriff's office, thus giving this area some protection. We have always maintained and still do that this area needs more police protection. Possibly with the addition of Doc Brown to the staff it will be a step in the right direction. Until such time as the residents of this area see for themselves that we need to be incorporated, thus taking care of such problems, it will always be a headache. Perhaps after the election is over and people are again in their right minds it will be easier to convince them that we do need to incorporate, if only for this one reason . . . proper police protection.

About This Sheet

A lot of you good people have taken time in the recent past to tell us that you like to get your Parkland Times and that you like to have news in it about all your club doings, church, community happenings, etc. We are very grateful of the keen interest you have displayed regarding the Times. Every attempt is being made by the staff of The Times to continue to give you this fine news coverage and at the same time sell enough ads to cover the cost of publishing the paper, which is not a small sum.

It is increasingly difficult to defray the expenses of publishing a weekly paper exclusive for this area without going more and more to shopper proportions, which we know you do not like from your recent comments regarding same. After thoroughly discussing the matter with many of the local clubs, advertisers and the entire staff of The Times, it was decided that in order to give the community the best possible in a weekly newspaper that it would be necessary to operate as a newspaper, that is subscription basis. Many of you readers will like this because it immediately takes us out of the shopper category which we are automatically placed when we have a 3rd class permit as we do at present. Any paper operating as a free distribution sheet is placed in a 3rd class classification by the post office department. Only subscription papers can use a 2nd class permit, which we will now operate under commencing the first week in November.

By operating as a 2nd class newspaper we automatically fall into the classification of a newspaper as accepted by accredited advertising agencies and the post office department, which accept only the net paid circulation of a newspaper, not how many free copies that are distributed. By being a subscription newspaper we are limited to the amount of advertising which we can publish. A proportion of 60% ads and 40% news is the accepted proportion as an average. Thus you can see you are assured of a newspaper. From the standpoint of the advertiser it is also better because when he advertises in a 2nd class newspaper he is assured that his advertising message goes to the source and

A Step in the Right Direction . . .

Beginning in November, The Parkland Times will become a subscription NEWSpaper. This, we feel, is a step in the right direction.

We have been encouraged that the community wants and needs a NEWSpaper. Thus, with our pending application for a Second Class mailing permit, postal regulations will require and assure our readers a NEWSpaper.

Postal regulations will limit our advertising volume to an average of 60 percent, thus giving the readers at least 40 percent of news. The papers will each be addressed to subscribers—you'll be sure to get your paper each week.

Heretofore, with a "give away" sheet, (Third Class permit), our advertising volume was not regulated. This, we felt, did not give our advertisers the QUALITY circulation and did not give our readers the NEWS that they clamored for.

From the viewpoint of advertising and our advertisers, circulation alone is not the factor to effective presentation of merchandise and services. Quality circulation, measured by NET PAID circulation, is the real measuring stick of a NEWSpaper. This viewpoint is not only held by The Parkland Times, but accredited advertising agencies all over the country guide their clients' insertions on NET PAID. As we have said: A good paper to read is a good paper in which to advertise in, or in other words, something for nothing is nothing for nothing.

Community Club Set For Saturday Dance

"The Hoe Down at the Barn N" dance will be sponsored by the Parkland Community club this Saturday, Oct. 21, at the Sunshine hall.

Tickets are now on sale at local stores or from committee members. They may also be purchased at the door on Saturday.

The same orchestra that played last year will be featured, by popular demand. The "girls" and "boys" will wear cottons and jeans.

Mr. and Mrs. Robert Haner are co-chairmen of the dance and committee heads are as follows:

Mr. and Mrs. Roy Kreger, door prizes; Mr. and Mrs. Al Seaman and Mr. and Mrs. Charles Peterson, dutch auction; Mr. and Mrs. Neil Gaiser, kitchen; Explorer Post 228, decorations; and Mr. and Mrs. Quincy Carroll, tickets and publicity.

Keep in tune with the TIMES

not thrown away along the street or in the post office waste paper can.

We have enjoyed giving you the Parkland Times for the past fourteen months; now won't you give us a break and send us your subscription . . . we'll give you a better paper and we'll see that all of your local news is published . . . and you will also be sure of getting your Times each week as it will have your own address on it. It must be delivered . . . Thanks.

Trinity Parish House Receives Furniture From A. Buschmanns

New furniture, costing \$4,000, has been installed during the past week in the chapel of the Trinity Lutheran Parish House. This installation represents a gift from Mr. and Mrs. August Buschmann in memory of Mr. and Mrs. P. T. Larson, the parents of Mrs. Buschmann.

Mr. Ludvig Larson is a son and Mrs. L. Rasmussen is a daughter of Mr. and Mrs. P. T. Larson. Mr. and Mrs. Larson were pillars in Trinity Lutheran Church while they lived and very active in the work of the church.

The beautiful oak pews and altar furnishing in the knotty pine finish of the auditorium makes this chapel unusually worshipful and attractive.

Other furnishings have also been added such as the dorsal curtain, the altar cross and candelabra (given in memory of Mr. Bert Senner) and the chancel and aisle carpeting which was given by the Trinity Guild.

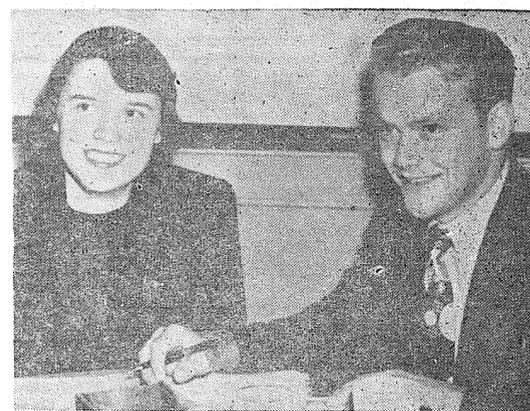

The chapel will be the setting for the third service which is being added to the Sunday calendar at Trinity. This service will be held at 9 a.m., starting Sunday. This added service has become necessary due to the crowded condition that has characterized the regular 11 a.m. service. The Junior service will be held in the chapel at 11 a.m.

MIDLAND ORTHOPEDIC Guild will sponsor a bake sale at the Midland Thriftway center Saturday, Oct. 21, from 9 a.m. to 9 p.m.

DORMITORY AUXILIARY No. 1 of PLC will meet at the home of the hostess, Mrs. Carl E. Rydell, 2401 No. Lawrence St., at 2 p.m. next Tuesday, Oct. 24.

SWC fire auxiliary will meet at 8 p.m., Oct. 25, at the Fire station. All members are requested to be present as votes will be taken on major by-law changes. Also on the agenda will be the final plans for the Halloween party.

MONTE VISTA Garden club will entertain their husbands at 8 p.m. Friday, Oct. 20, at the home of Mrs. Bert Palmer.

HOMECOMING PLANS at PLC are under the direction of Margie Anderson and Loren Rude, co-chairmen of this year's Mid-Century Homecoming festivities. The two look up from their work at a recent planning session held over cups of coffee in the college snack bar.—Photo courtesy T.N.T.

YLA Meeting Set At Searce Home

The Y.L.A. will hold its second meeting of the year at the home of Mrs. Frances Searce, 11251 Park Ave.

The first meeting was held at the home of Mrs. George Stewart where committee members were appointed to work with the following new officers:

Mrs. Gilbert Baker, president; Mrs. Robert Bernsen, vice-president; Mrs. George Stewart, secretary, and Mrs. Frank Hansler, treasurer.

Committees appointed were: Ways and means—Mrs. Neil Thomas, chairman, Mrs. Morton Anderson, Mrs. Floyd Skinner and Mrs. Robert Gottschalk; Year Book—Mrs. William Gregory and Mrs. George Stewart; Publicity—Frances Searce.

Spanaway P-TA, Pre-school Holds Saturday Carnival

It's Carnival time in Spanaway, according to Mrs. K. E. Reeves, publicity chairman for Spanaway P-TA and Pre-school groups. The affair is scheduled for tomorrow evening at the Spanaway school.

"There will be entertainment, prizes, food and fun for both young and old," said Mrs. Reeves.

Some of the doings are: cake walk, movies, plant sale, Cook and Green sideshow, rummage sale, pony ride, fortune telling, games, white elephant sale and a long list of foods.

The main event of the evening will be the coronation of the King and Queen of the Carnival. The candidates are: Eugene Kirbott, Larry Symmons, Kathleen Corbett and Wanda Joy McClelland. Tickets will be sold entitling the purchaser to a vote for his candidate.

"If you enjoy the excitement of a carnival, or, if you just like to see all of your neighbors and friends," said Mrs. Reeves, "be sure to remember the date, Oct. 20."

Mrs. Louis Symmons is the general chairman, assisted by the P-TA and Pre-school presidents, Mrs. John Newell and Mrs. K. E. Reeves.

Route 13 Residents Requested to Make New Nos. Known

Residents on Route 13 were requested this week by the Fern Hill Post Office station to repaint their new box numbers and to notify all correspondents of their new numbers.

Mother of Parkland Youngster Asks For Accident Attention

By Lola Murk Staff Writer

Little Richard Parkhurst, son of Mr. and Mrs. Leslie E. Parkhurst of 11304 Park Avenue, is home from the hospital now; however, it is not certain when or if he will be able to return to school.

According to his mother, Richard was pushed by a child, unknown to him, through one of the school windows. He was standing outside near the window. This incident which happened on October 4th may very well handicap Richard, age 7, for the rest of his life. His right arm was cut severely down to the bone, severing nerves, tendons, and the artery.

The doctors will not know the full damage for over a year; although, they have said that at the very best they can hope for only a 50% recovery of the use of Richard's arm.

Mrs. Parkhurst has suggested to The Parkland Times that Parkland mothers should know what is needed in this community. Richard was not given complete medical attention until 3 hours after the accident. Her son will need a year's extensive and expensive treatment, now. Her plea is that, because accidents do happen, why is there no efficient and immediate care for such emergencies.

Cub Pack 92 Honors Ex-master E. Newton

By Mrs. Ray Gogan Granite 3127

Cub Pack 92 met last Friday at the Collins gym with Emery Newton, retired cubmaster, being presented a statuette for his cubbing work since 1941.

Cubmaster Vovan Curtis, after the presentation of honors, turned the meeting over to Ed Purdue, institutional representative, who introduced speaker Byron Johnson of the downtown scout office.

Dr. Olson presented a new charter to Mrs. Clinton Riis, Collins P-TA president, who accepted it for the organization. Following the presentation, Cubs lined up for inspection.

Skits were presented by each den and a social hour closed the evening. A father and son banquet, sponsored by Pack 92 and Scout 92 will be held Saturday, Nov. 18.

Mrs. C. P. Blanchard asks that donations for apples for the Halloween party will be appreciated Call her at GR. 3334, or leave the apples at the Collins school by Oct. 27.

Spanaway News

Keep the date Oct. 27 open for the first card party this fall of the Spanaway volunteer firemen's auxiliary. Mr. and Mrs. William Righetti returned last Thursday afternoon from a "wonderful" six weeks vacation trip.

Weekly Report . . .

Cement walk, lawn grading, inside painting, hanging fixtures — finishing touches.

Plans are brewing for Halloween. Kids, watch for next week's report!!

They visited relatives in Fredricktown, Pa., and returned through the southern states spending a few days with friends in Los Angeles.

One of the charming September weddings was that of Miss Nellie Patricia Mulligan and Robert Joe Nolan, MM U.S.N. The double ring ceremony was solemnized Sunday afternoon, Sept. 24, before 100 guests at the Elk Plain Grange hall.

The wedding vows were repeated before Clergyman Edwin Bowers.

The bride is the daughter of Mr. and Mrs. A. T. Mulligan and he the son of Mr. and Mrs. Howard Nolan. Maid of honor was Mrs. Rosemary Balmer, sister of the bride, who wore a pale aqua suit with white accessories and a peach carnation corsage. The groom's mother wore a black gown with white accessories and a red rose bud corsage.

Serving were Mrs. Rosemary Balmer and Mrs. Betty Lape. The gift table was in charge of

Miss Beverly Nolan and Miss Kate Mulligan, sisters of the bridal pair. The guest book was passed by Miss Marcella Mulligan, another sister of the bride.

The couple honeymooned a week at Pacific Beach. The groom is stationed at Newport, R. I., and they will make their home there.

Mr. Robert Nolan is a graduate of Roy high school and his bride is a graduate of Clover Park.

Mrs. Oliver Omat will have an "open house" at 3 p.m. Oct. 31 in honor of Mr. and Mrs. Harry Pillsbury, who are celebrating their 50th wedding anniversary.

Friendly Dozen Birthday club met last week at the home of Mrs. Jack Splane. Those honored were the Mesdames Ernest Tarpenning and Walter Ellis.

Mrs. Robert Rhone bagged a deer recently. The meat has been processed and in storage at George King's market.

Parkland Hums with PLC Homecoming

With hundreds of alumni joining in the 3 days of activities, Pacific Lutheran College's "Mid-Century" homecoming will be held tomorrow through Saturday. All the events will carry out the Mid-Century theme and the campus will be decorated with a "new look." And Parkland will look like a big city.

THOR TOLLEFSON SPEAKS TONIGHT TO KIWANIS

Congressman Thor C. Tollefson will be the guest speaker at the dinner meeting of the Parkland Area Kiwanis club tonight, it was announced by Herb Socolofsky, program chairman.

Also on the program will be Mrs. Mardel Fendall, a Parkland accordionist with "exceptional talent."

Last week, the Kiwanis honored National Employ the Physically Handicapped Week with Robert Bourdon as their principal speaker. Bourdon is personnel director of Northwest Chair Company.

With Postmaster John McMonagle as M.C., last week's program included Cliff Stevenson on the banjo, L. P. Roscoe on the violin, and Floyd Levee with a vocal accompanied on the piano by Mrs. Frank Clark. These entertainers are all blind.

Harvard Church Aid Sponsors Festival

The first Harvard "Harvest Festival," sponsored by the Ladies' Aid of the Harvard Covenant Church, 84th Street and Portland Avenue, will be held this evening at 7:45 at the church.

This autumn attraction will feature the well-known director of Tacoma Youth for Christ, Jesse Leise, and other outstanding musical talent in a program of music and song, Mrs. Martin Johnson, president of the Ladies' Aid, announced today.

A special offering will be received which will go toward the purchase of new hymn books for the church. A fund of \$65 has already been set up, and it is hoped that enough funds will be gathered at this festival to make possible the immediate purchase of the hymnals.

Apple and pumpkin pie and coffee will be served following the musical program. Friends of the community and city are cordially invited to attend.

On Friday evening, October 20, the Young Married Couples will have a "hard times" party at the home of the Arthur Kempfs, near Sumner. Those attending are asked to meet at the church at 7:15 to form the auto-cavalcade. All young married couples are welcome.

On Sunday morning at 9:45 the Sunday Bible School will meet. For the 11 o'clock worship service the pastor, the Rev. Robert E. Bodin, has selected as the sermon theme, "Things That Accompany Salvation." Misses Janice Fisk and Barbara Taylor will sing.

At the Sunday evening service at 7:30, Del Grant will show movies of the Billy Graham Revival Campaign in Portland, Oregon. Mr. Grant is a traveler, author, missionary, photographer, youth speaker and songster.

The King's Teens will meet on Tuesday evening at 7 o'clock at the church. All teen-agers of the community are invited to come!

Activities will begin tomorrow night with a program at 7:30 in the Student Union Building. The highlight of the program will be the coronation of the Homecoming queen with Mayor John Anderson of Tacoma doing the crowning.

Mayor Anderson will crown the queen and her two princesses during intermission between two plays which are included in tomorrow p.m.'s program.

Following the play the students and alumni will snake down to the lower campus for a bonfire pep rally. Friday evening festivities will close with a coffee hour at the SUB.

On Saturday, the coeds will engage in a football game at 10 a.m. Following the frosh tug-of-war at 11 a.m., twenty floats, the band, students and alumni will parade east on Garfield Street to Pacific, swinging north toward and into downtown, then to the Lincoln Bowl. There, the Gladiator gridsters will tussle with the visiting Western Washington footballers in an Evergreen conference mixup.

The reviewing stand for the parade will be in front of the Parkland Post Office. A \$5 prize will be awarded the best float and each class, club and organization on the campus will have a float entered.

Incidentally, the PLC band will display their new uniforms for the first time during homecoming activities. It was in June that the Parkland Area Kiwanis club presented Dr. S. C. Eastwood with a check for \$4,054 for the purchase of these uniforms.

At the Saturday afternoon football game, PLC's all-time grid team will be announced and introduced. Kick-off time for the grid clash is 2 p.m. Following the game a huge smorgasbord banquet in SUB is planned, beginning at 5:30. After the 7:30 talent show, also in the SUB, a mixer will close the evening's festivities.

On Sunday a special worship service at the Trinity Lutheran church will wind up the homecoming.

Margarie Anderson of Tacoma and Loren Rude of Wallace, Idaho, are co-chairmen for the Mid-Century homecoming activities.

Couples Club Meets Tonight at Trinity

Couples Club of Parkland will meet tomorrow at 8 p.m. in the basement of the Trinity Lutheran church. The meeting will be short and plans will be made for the ham dinner scheduled for Dec. 3.

Wilbur Roberts will be in charge of entertainment and a social hour will follow the meeting. Messrs. and Mesdames Harris Victor and Byron Logan will be hosts.

GOOD HEALTH

1. WHAT IS THE "SCIATIC NERVE"?

2. HOW LONG WILL YOUR BABY LIVE?

3. SHOULD READING LIGHT COME FROM OVER LEFT SHOULDER?

Answer to Question No. 1:
1. It isn't one nerve but several, each of which starts from the spinal cord, joins its fellows from other vertebrae and proceeds down the back of the leg. Sometimes an operation is necessary for cure of sciatica. Your doctor can determine the cause and then recommend treatment.

Answer to Question No. 2:
2. A baby born this year can expect to live to be 67 and his expectancy will continue to rise as he grows older. Thus a man of 40 today may expect to live 30 years more and a man of 65 may expect to reach 77. A child born in 1900 could expect to live only 49 years. Americans today can look forward to increasing their life span because of improved medical care.

Answer to Question No. 3:
3. Right or left, it makes no difference in reading, despite the old saying. Right-handed persons can avoid annoying shadows in writing, however, by having the light come from the left.

Most Children Need Pets PETS AID IN SEX UNDERSTANDING

Most children need pets. The pet can be anything from a dog to a turtle. Living creatures give outlets for affection and are a polite audience if not real companionship.

The pet is to be depended upon. He is there when he is needed. As a rule, he is long suffering. Dogs and cats tolerate abuse and neglect and bear no resentment. They listen politely to the woes, the thrills, the misgivings and the problems of their owners.

Pets accept affection and caresses without embarrassing their owners. A boy of nine or ten can shower caresses on his dog where he would be ridiculed if he hugged his parents.

The pet demands care and makes children feel their responsibility toward him for shelter, food, and companionship. The pet teaches chivalry. Is there anything that can make his owner feel more like a worm than the pained look an abused or neglected dog gives him?

Pets further the sex understanding in children. A pet white rat that gives birth to young does a lot of explaining. A child thus learns how births take place, how the mother cares for her young, what produces offspring. Sex is no longer a mystery but a wholesome, interesting phase of life and its processes.

It is a mistake to give the very young child a young, untrained cat, rat, rabbit or dog. Each is too rough for the other. The child squeezes, the animal bites or scratches, tempers are unnecessarily tried.

When children are old enough to learn how to handle a pet, what hurts the animal, what it will and won't stand, then, and only then, are they ready for it.

Most children when five or six years old are mature enough to care properly for a pet and enjoy it to the utmost.

MAY I VISIT WITH YOU A FEW MINUTES?

Pierce County is now a Class A county, and under that classification annual salary of the County Clerk is SIX THOUSAND ONE HUNDRED DOLLARS. Inefficient administration of that office can cost the taxpayers much more. As an illustration:

On June 20, 1950, I recorded the remarks of a judge addressed to some attorneys in open court. Among other things, he said:

"We have a restricted Superior Court budget for these juries, and our jury expense is our biggest one. We had a very serious complaint from a juror here not over a couple of months ago, where a jury was called. The case had been settled, and it hadn't been brought to the attention of the judge. He did sign the order of dismissal about two months prior to the date of trial, but for some reason or other he didn't connect it with a case that was set on his docket with the result that a jury was brought here that morning at county expense which amounts to about—that is \$5 apiece per juror, and we bring about 25 jurors in a case of this kind—and there was no case to try. We heard from it very vociferously from the jury. In fact, we heard from it all over the county—'Why do you call a jury and spend the county money if you are not going to try the case?'"

It is many times difficult to know in advance that a case will be settled, but when the County Clerk through his deputy in the court room has notice that the case will not be tried by having an order of dismissal pass through his hands, and then does nothing about striking it from the trial docket, naturally the judge assumed the case would be tried when he looked at the docket later.

I submit that had we an efficient County Clerk this would not have occurred, another case could have been assigned for trial to take the place of the one that had been settled, and one of our expensively staffed courts would not have had to remain idle on that date, during a period of crowded dockets.

The nature of my work requires me to be present in court between now and the final election, and because I may not be able to speak to you in person, I shall visit with you from time to time through these columns.

Hoping our visit was both interesting and enlightening, I am

Sincerely,
Russell N. Anderson
Republican Candidate for
County Clerk

Elk Plain Elects Johnson to Head Civil Defense Work

By AMY BROWN
Elk Plain Reporter

Preliminary organizational work on civil defense for the Bethel community has been started. Gordon Johnson was elected temporary co-ordinator and Mrs. Webb Gilstrap, temporary secretary. A meeting for the whole Bethel district will be held next Sunday evening in the Grange hall.

The Rev. and Mrs. Lew Brown were unable to conduct services last Sunday at the Elk Plain community church, but Mrs. Dorothy Anderson filled in nicely. Incidentally, the Sunday school attendance is growing every week.

EPCC board last night met at the home of Mr. and Mrs. Ben Kuper.

Mrs. Alma Martivold last week disclosed the engagement of her daughter Sonya to James Morechart. Miss Martivold and Mr. Morechart were graduated from Kapowsin high school.

Mrs. Aane Beinstrom and Mrs. Norma Brown, primary teachers at EP, are taking a Thursday night psychology course at the Parkland grade school. Mrs. Irma Blethen conducts the classes.

Housewives Inc.

By Judith Lane

Do you know that 2 suits, 2 coats and a dress, plus all the important accessories will take you anywhere, any time, any year. Do you want the secret to this small wardrobe and large claim? Well, fashion authorities say and recommend a suit to be the best beginning for any wardrobe, especially a small one. Gray flannel is the most wearable all year round because it goes with velvet or furs, pique and fresh flowers, sweaters and silk shirts, and all colors. Next a good basic coat, in gray wool again, one that slips on easily over everything.

For your basic dress, take one in simple, well designed lines. Navy blue or black, which can be varied with a colored stole or scarf, a velvet rose or a real one, white faille dickey or pearls, is a good choice. Next comes a second timeless suit and coat with simplicity of line and absence of extremes. Your second suit might be a flecked wool or plaid that adapts itself to any season. If your first coat is flannel, your second might be a fleecy wool for variety and again the free, uncomplicated style that slips over suits.

Home Planning Department

So you have a wallpaper cleaning job confronting you, in your big fall housecleaning program; now there's no need to worry—didn't we say last week we'd be back again to help you. We have a recipe for a dough-like cleaner you can make in your own home. Bread, plain yeast bread, can be rolled into a doughy mass and used to clean small areas. It crumbles too easily for large spaces though, so if you have a large space to clean, do this:

Mix one and one-fourth cups of water and five teaspoons of ammonia with two cups of flour into which you've sifted four teaspoons of baking soda. Cook the ingredients in the top of a double boiler an hour and a half then knead to a pulpy mass and use this to roll over a dusty wallpaper surface. Oil or grease or crayon marks on wallpaper require a different treatment. For these make a thick paste of fuller's earth by mixing with benzine. Spread thickly over the spots and let remain overnight. Remove with a soft brush next morning. Spattered grease sometimes comes off if you merely lay a clean, white blotter over the area and press with a warm iron.

Children's Department

Mothers, here's a familiar problem in families where two children, especially daughters, of different temperament have to share a room and don't get along. One child is almost overly neat and the other just the opposite. "Daughter number one scatters toys and belongings all over the room and is always bringing friends to play there. Meantime, "daughter number two" wants order and privacy. Mother's called in to settle things. You have quite a job on your hands because it's not just an occasional problem but one that the children face every day. If you don't

MRS. JACOB HATFIELD, 58, of Summit, died Sept. 27 at her home after a long illness. She was a native of Denmark and came to this community from Boston in 1927. She was a member of the Bethel Lutheran church and was active in the Ladies' auxiliary. Surviving are her husband, Jacob, of the home, and a stepdaughter, Mrs. Virginia Aikens of Alder, Wash.

A Hearty WELCOME to All!

Men Outnumber Gals Two-to-One at PLC

Men outnumber women almost two to one at PLC, according to fall registration figures announced last week by Dr. Philip E. Hauge, registrar. There are 586 men enrolled to 322 women.

Incomplete enrollment figures show the freshman class as the largest with 254, 155 men and 99 women. The sophomores totaled 174, juniors 159, seniors 166 and 27 fifth-year students. Also there are 150 special and extension students.

118,000 Vets Eligible For VA Medical Care

Veterans of the Spanish-American War, Boxer Rebellion and Philippine Insurrection are now eligible for outpatient medical care without regard to service-connection, the Veterans Administration announced this week.

Regulations implementing their right to such care, based on Public Law 791, 81st Congress, have been wired to all VA Regional Offices.

To be eligible, a veteran must have served some time between April 21, 1898, and July 4, 1902 (or July 15, 1903 if the service was in Moro Province, Philippine Islands), and was discharged other than dishonorably.

An estimated 118,000 veterans have become potentially eligible for full medical and dental care in VA clinics, or at home by fee basis physicians and dentists for any illness or disability.

KNOCKING ON DOORS

By Don Eastvold
After a three-week vacation from politics, we have started down the home stretch in our campaign.

I attended a union meeting last week at which several candidates were given the opportunity of speaking for three minutes. When the meeting was over I overheard one of the union members ask another who the last speaker was. He replied, "I just didn't quite get his name, but he certainly did appreciate himself."

I met a middle aged lady at her home in the South Tacoma district the other day and asked her what she thought about the campaign I was waging for the State Senate. She asked me a few questions about my qualifications and program. Then she inquired about who the opposition was. I am still not quite sure what she meant, but her parting remark was, "Well, all I can say is that I am glad only one of you can be elected."

I attended a meeting the other night at which a schoolman spoke in behalf of Referendum 7, 8, 9 and 10. He told of the tremendous problems which the schools of our state would face in the coming years because of the rise in the birth rate. His remarks made me feel rather guilty for my wife and I are making a contribution to our overcrowded schools that few will equal and none will surpass. Our little girl Dian is now two and a half years. Our little boy Carl is one year and two months and last week the doctor informed us that we would have twins in December. My friends are beginning to accuse me of being overly influenced by the movie, "Cheaper by the Dozen."

Two rival candidates for office were recently invited to engage in a debate before a local group. The first speaker made quite an oration. At least it was long and loud. The second speaker immediately followed him and introduced himself to the audience by saying, "Woofle, Woofle, Woofle!" He continued by saying, "I can see by the expressions on your faces that you are not acquainted with the story of the Woofle bird. High in the Andes mountains in South America lives the Woofle bird. It is comparable in most respects to the American Eagle. Each morning it arises from its craigy nest and soars heavenward until it reaches an altitude of 20,000 feet when it goes into a powerful plummet dive. When it is within 15 feet of mother earth it pulls out of the dive and screeches at the top of its voice,

School Improvement Topic for Discussion At Parkland P-TA

Ways and means for improving school conditions will be discussed at the next Parkland P-TA meeting on Thursday, Oct. 19, at 8 p.m. in the school auditorium when Don Eastvold will talk on "Fight for Better Schools."

Mr. Harlem Moen will lead the band in several selections, including "America," with the audience participating. A short business meeting is planned to follow the program with Mrs. Neil Gaiser, president, presiding.

After the meeting, there will be a social hour with the following second grade teachers in charge of decorations: Miss Elsie Blandau, Mrs. Harriett Havnaer, Mrs. Carol Storaasli, Mrs. Ida Berntson, Miss Leona Hinkley, and Mrs. Esther Jacobs. The following room mothers are to be in charge of refreshments: Mrs. James Slater, chairman, and Mesdames A. J. Stern, Clarence Berger, A. D. Pruitt, Robert D. Marshall and Edwin Beitz.

The first Parent Education group will meet Tuesday, October 24, in the Parkland school. Miss Mary Clamfield, director of Elementary Education in the Tacoma public schools, will conduct a panel discussion on report cards versus parent-teacher conferences. This topic was the major item for discussion in the summer workshop for parents at Pacific Lutheran College and the workshop for teachers at the College of Puget Sound.

PARKLAND COMMUNITY club will sponsor "The Hoe Down at the Barn N," a dance, from 9 p.m. to 1 a.m. next Saturday, Oct. 21, at the Sunshine hall.

"Woofle, Woofle, Woofle." As he looked at his opponent he said, "which translated into English means, cripes what a breeze!"

I suppose most of us who are candidates for political office can be accused of creating quite a breeze. However, there are several very important problems which must be solved by the voters and the legislators in the days that lie ahead. Some solution must be found for our overcrowded schools. Our Welfare laws need to be re-analyzed in light of the financial status of our state's depleted treasury. Locally, Tacoma is rightfully concerned with a long range plan for industrial expansion on the tidelands.

These are but a few of the problems that must be studied. It is important that we all vote on November 7th. It is equally important that we know why we are voting as we are. It is not so important to know who is right as what is right.

MIDLAND NEWS

By Mrs. Lois Johann

Dawson Field Recreation Club met last week with Mrs. Olive Huston presiding. The problem of splitting the junior and senior Teen-agers into two groups for the weekly teen-age parties as was done last year was discussed. The Metropolitan Park District will sponsor one group but do not have the funds for a second group.

Last year the youngsters paid a small fee for each party and the Recreation club attempted to make up the balance. Because of the lack of interest on the part of teen-agers' parents, it is feared the club will not be able to assume this responsibility again this year.

Until this problem is ironed out to the satisfaction of the Park District, the club and the teen-agers, our boys and girls will have to forgo teen-age recreation. A committee from the club, composed of Mrs. A. A. Frederiksen and Mrs. Clarence Johann, was appointed to meet with Tom Lantz, Metropolitan Park District Supervisor, Miss Audrey Archer, Recreation Supervisor, and the college student who will be the Dawson Field leader this winter.

The following officers were elected to serve for the new year beginning this month: President, Mrs. A. A. Frederiksen; vice-president, Mrs. Clarence Johann; secretary, Mrs. Robert Sharpe; and treasurer, Mrs. Raymond Ellison. Mrs. Palmer Holmes was appointed as membership chairman. The club will meet on the second Thursday of each month. The next meeting will be November 9.

The Midland Senior 4-H girls met last week with Beverly Corrigan, assistant leader, in charge. Officers elected for the year 1950-51 were: President, Joan Arterburn; vice-president, Janet Wagaman; secretary, Carol Frederiksen; treasurer, Beverly Morud; reporter, Susan Ellertson; and historian, Sally Mickelson. Mrs. Walter Corrigan will be the girls' leader and Beverly Corrigan, assistant leader.

Merit awards for the past year were announced. High scores went to Beverly Corrigan, Carol Frederiksen and Joan Arterburn. Following the business meeting, refreshments were served by Beverly Corrigan and Joan Arterburn. Guests for the evening were the Mesdames Walter Corrigan, F. C. Wagaman, Paul Arterburn, Aage Frederiksen, and Elmer Morud.

Harvard-Midland Pre-school will meet Wednesday, Oct. 25, at 1:30

p.m. in the Midland school lunch-room. Mrs. Kenneth Webb, president, will preside at the business session when plans for a baked foods sale will be discussed. Hostesses for the coffee hour before the meeting will be Lillian Harvey, Mary Howell and Grace Sherry.

The Pierce County Senior 4-H met last week at Firgrove with President Paul Hawkins presiding. Following the business meeting, plans for the forthcoming "Harvest Moon" dance were discussed and committee chairmen appointed. Those heading the committees are: Music, Beverly Corrigan; tickets, Beverly Morud; decorations, Carol Frederiksen; refreshments, Malene Rockstead and Jim Calvert; and cleanup, Ruth Sullivan. The time and place of the dance will be announced in the very near future.

LaFleur Garden Club met yesterday (Wednesday) at the home of the president, Mrs. Arthur Rolfe. During the business session, committee appointments were made as follows: Historian, Mrs. E. A. Brittain; Sunshine, Mrs. Phil Zurfluh; Birds, Mrs. Henry Bjorklund; plant exchange, Mrs. Norman Berger; telephone, Mrs. John Russell; magazine, Mrs. Frank Becklund; program, Mrs. John Deering; and publicity, Mrs. Robert Clinton.

A report on the Yearbook was made by Mrs. Deering and Mrs. Clinton gave a paper on chrysanthemums. Other officers of the club include Mrs. Stan Lipke, vice-president; Mrs. William Hiller, secretary; and Mrs. W. R. Mercer, treasurer.

Members of the St. John of the Woods Parish Altar Society met at the home of Mrs. Al Edtl on East 96th Street to discuss plans for a third hard-time social to be held at the Midland hall, Friday evening, October 20, from nine till twelve.

Prizes will be awarded for the best costumes. Society president, Mrs. Frank Couture, announced the following committees: tickets, Mesdames Ernest Paul, John Mikelich, Robert Reding and Katherine Logan; refreshments, Mesdames Viola Townsend, Violet Parker, Harry Vawter and John Mikelich; awards, Mesdames Frank Reding, Jake Stumpf, Robert

Reding and the Misses Mary Ann Reding and Katherine Stumpf; jackpot, Mr. James McCarthy.

Plans were also discussed for a food sale to be held Sunday, October 29, after each Mass with the following ladies in charge: Mesdames Elvin Bombardier, John Derig, Al Edtl, Larry Cleary, Albert Bombardier and John Mikelich. John Derig will make the posters.

The committee serving luncheon at the meeting were Mesdames John Erck, Harry Vawter, Frank Baker, Violet Parker, Elvin Bombardier, Peter Coleman Sr., James McCarthy and the hostess, Mrs. Al Edtl.

Come See Our New Addition

You Are Cordially Invited

★

RAY E. POCHEL, Owner

OUR SUCCESSFUL "Open House" was last weekend, but we are still open for your inspection. Come see our beautifully enlarged showroom. We shall be happy to show and explain our vast lines of merchandise. The quality of our merchandise is told by their names: Frigidaire, General Electric, Gibson, A. O. Smith, Deep Freeze, Zenith, Admiral and Coleman.

ABOVE—Office Manager Roger McDonald watches Mrs. June Cleveland and Mrs. Margaret Brady at work on ledger cards. The new addition made possible a cycle-billing accounting system which is designed to give customers an accurate and efficient method of handling their accounts.

Pochel Distributing Company
140TH & PACIFIC GRanite 8624

RIGHT—Tom Moore, head of the Sales Department, explains some of the features of an electric range to Mrs. June Cleveland. The 1900 sq. ft. addition provides a spacious, modern showroom for BIG and small appliances.
