The Way to Peace

By S. C. EASTVOLD, Pacific Lutheran College

"His Name shall be called the Prince of Peace"—Isaiah 9:6.

An inexperienced traveler lost his way among the many mountain paths. There were awful precipices, deep bogs, heavy woods. A poor lad happened that way and showed the distinguished gentleman how he could find his way out of his dilemma. No philosopher, no classic scholar was necessary. What he needed was somebody to set him straight and save him from a calamitous death.

We are living in a confused, chaotic world which seems to have lost its way. Mankind seeks ways out of the many dilemmas, but seeks the wrong ways. Mankind is lost in a great wilderness. Where are the tracks, the ways, the paths that may lead us out of our troubles? The hands of our leaders in all centuries have been red with the blood of human sacrifices. Juggernauts of war and human inequalities have been rolling across the universe, destroying men, property and crushing children. Under monuments of superstition and greed are the flesh and bones of human kind.

Man has been upon the way of good works to save himself. Good works are fine, but they do not save men's souls, nor do they bring peace, temporal or eternal. The Prince of Peace is rejected while man goes about trying to save himself. The stable is locked after the horse has been stolen. Th law of God has been broken, the alabaster box of good works is cracked, man's bucket is full of holes, and the goodness he thinks he has oozes out like water from a broken vessel. The way of sincere obedience is a deception. Supscriptions to charity, the building of alms houses, respectability, honesty and integrity are all fine things among men, but they do not save men before God.

In what manner is Jesus the way to peace? Jesus says, "I am the Way." He is more than a guide, more than a conveyance. He does more than just show the traveler the way. He does everything from A to Z. He takes man's troubles entirely out of his hands and brings him peace through His own self-sacrifice. He has settled with God Almighty. The utmost farthing has been settled. He has kept the law in our stead, magnified it and made it honorable. When the sinner accepts Jesus as the finished work of redemption, He becomes man's peace. Accepting Him, the sinner has his garments washed, his robes clean, medicine that heals, jewels that decorate, a crown that adorns and a life preserved forever. He is the way from ruin to the celestial city. He is the way from guilt to glory. He has discharged the debt in the past and offered and completed a way of payment for the future. The sins that disturb and steal man's peace are laid on Jesus Christ so that so far as the sinner is concerned they exist no more, they are annihilated, gone and ended. We are sinners yet, but before the judgment seat we have been made perfect in Christ. The wrath of God went with Christ to the cross and is not imputed to the sinner. He destroys the power of sin, and cuts the shackles from the wrists of the criminal. By His grace, the habits of sin are broken so that the cursing man doesn't swear, the drinking man is no longer a drunkard. He becomes the way to the Father where peace is. "None cometh to the Father but by me." Every other ladder is too short to reach to the Father's throne.

What kind of way is this way to peace? It is the King's highway, divinely appointed. Since God is satisfied, why shouldn't I be? It is an open way. The sinner needs no new permission, for he is no longer a trespasser. It is the perfect way, complete in Him. We need make no new way. It is a free way. There is no toll collector, no charges made. It is a permanent way. The saints, the prophets, every Christian dear one, have found their way to peace through Christ. There are no swamps, bog holes, earthquakes or chasms that can stop you from that peace. Jesus is the only way to peace. To substitute feelings, works, or character is an insult to the wisdom of Almighty God. This is the way to peace for everybody, including exiles, backsliders, captives, the poor, the rich, the whole world.

May the Christ of Bethlehem be the way to peace for every reader of this message. He was the way for the thief on the cross. Had that thief waited until he felt better, until he could pay his way, until he had gotten into a better state, he would never have gotten the peace of God which brought him eternal life. Christ is the only first class ticket which takes the sinner all the way to heaven. You need not change your means of transportation, get a new ticket, or expect to get a reduced rate. Show that ticket, if you please, and not yourself. The devil will tell you that you cannot get to heaven unless you look at yourself, or look at your past. He presents to you a way of illusion. Any other means will leave you without peace. The cab of morality has a broken axel and the driver has lost his way. Though you have many sins, the Savior has enough blood to cleanse. Though you are old, you may be born again to a new life. Do you say you cannot believe that? Remember He cannot lie for He is the **truth.** No one in hell can ever say, "I trusted Him and He failed."

May you at this Christmastime find Him who is the Way, the Truth and the Life who brings to you eternal peace.

MERRY CHRISTMAS

Trav Dryer

The Spirit of Christmas is that part of us we call Sentiment. It is found in a room within our hearts; Love is the key and Happiness is the guard.

Sentiment is a tiny little creature that bubbles up and up like a spring, building up pressure, and when Love opens the door, Happiness carries it to the ends of the earth.

When our Saviour lay in the manger, Sentiment in the hearts of mankind bubbled up, Love opened the door and Happiness has been distributing those gifts for two thousand years. It is this Sentiment that Love will release to the Guard of Happiness, that will be the best part of the gifts you give to others.

We sincerely wish the Spirit of Christmas has been working every hour of the day, that Love will open wide the door, and the Guard of Happiness will shower you with joy, peace and goodwill.

Merry, Merry Christmas to all of you, from all of us.

Bids Asked For New High School

Another milestone has been passed by the Franklin Pierce District No. 402. Construction of a 13-building campus-type high school is offered bidders. The sealed bids, as advertised in this paper, page 7, will be received by the architects on Jan. 16, 1952. The project will be located on the 60-acre site at Portland avenue and Airport road. The buildings will be one story reinforced concrete construction.

The 13 buildings are described as follows: Seven classroom units, an average of five rooms each; one administration building; one physical education building; the heating plant; a cafeteria; shop; and a sewage disposal plant.

The new high school being built to house around 800 pupils will eventually be expanded to accommodate 1600 pupils by the addition of six more classroom units, additional shops, storage and garage buildings.

"Dog Tags" Issued To Midland School by P-TA

First group in the entire county to come forth with the "Dog Tags" for students as a means of identification in case of disaster or war is the Harvard-Midland P-TA group, headed by Mrs. Thomas Oaks.

Friday, Dec. 15, each student of the Midland school was issued a "Dog Tag" with their name, address, phone number and religion engraved thereon. Designed primarily as a means of identification in case of separation during a disaster. The tags were made possible through the efforts of the Harvard-Midland P-TA group, who have spent many hours of donated labor towards this effort.

The students are to wear these tags at all times.

The P-TA group takes credit for being the very first district in the county to complete their program. Other schools are following suit with the net results that very soon every student in the area will have a tag as a means of identification.

It should be pointed out that this is a self-supporting program.

BUSINESS CLUB HOSTS FOR XMAS PARTY SATURDAY

A free movie show for all the children of the community, together with a visit from Santa Claus, a Christmas tree, gift and a treat, will be provided Saturday by the Parkland Business club. The show opens at 3 o'clock in the Parkland theater, the double feature and cartoon program being especially yselected for the children's entertainment. The Girl Scouts will sing carols.

After the show, the children will go outside to meet Santa Claus and receive their treat and gifts from the beautifully decorated Christmas tree in the nearby parking lot.

In case of stormy weather, the kiddies will be given their treat in the basement of the Parkland grade school.

The tree is something unique. Instead of being set up for this occasion only, it is designed to become a permanent community Christmas tree. It was dug up, roots and all, on the property of V. R. Selle, and transplanted in the parking lot, where it may be used year after year for the Christmas celebration of the club.

Members of the Business club provided the tree the hard way. In fact, they planted two trees. The first tree was dug near Kapowsin by Pete Cole-

SUMMIT NEWS

By MRS. M. S. RAU
GRanite 8391

Mr. and Mrs. Leo Eklund are receiving congratulations on the birth of a 7 pound, 12 ounce daughter, Dec. 10, in a Tacoma hospital. She has been named Sueanna Gay. Grandparents are Mr. and Mrs. Henry Clark and Mrs. Tillie Eklund.

Surprise Shower

Mrs. Marion Porter and her mother, Mrs. George Batty, were invited to the home of Mrs. Elizabeth Paulus in Tacoma for Friday evening. It turned out to be a surprise bridal shower for Marion, who was married last month. Her husband is now in Germany with the armed forces. Marion received many beautiful gifts to take to her new home in Germany. Mrs. Alice Horsfalls of Nashville, Ore., and Mrs. Margaret Reitz of Puyallup assisted the hostesses.

Greetings From Germany

Friends of the Wallace Todds are receiving Christmas cards from Heidelburg, Germany. The Todds have been traveling for nearly a year and still like Washington best.

Visit Here

Mrs. Erma Wolf and small son Peter of Centralia were weekend visitors of her mother, Mrs. Parrott.

Sympathy

Deepest sympathy from old friends and neighbors goes to C. A. Norwood; his daughter, Mrs. Bonnita Thompson, of Thorpe, Wash., and sons, Tom in Tacoma and Andrew on Pioneer road, at the sudden death of the wife and mother. Mr. and Mrs. Norwood were visiting their old home at Midland. They had celebrated their golden wedding anniversary Nov. 25 at the home of their son Andrew. The couple were pioneer residents of Summit. The funeral was held Monday with burial in Tacoma cemetery.

Christmas Party

Central Avenue Preschool will hold a Christmas party in the school this (Thursday) evening at 8 o'clock. The program is being put on by the fathers, George Musser, chairman; Roy Van Alstine, decorations; Hershel Mobley, games; Stanley Willis, entertainment; J. E. Swanson, refreshments. All Preschool parents are invited.

Church Program

The Christmas program of Summit church will be presented in the church hall Sunday evening, Dec. 22, at 7:30 o'clock. All people of the community are invited.

New Management

Mr. and Mrs. Norman Isaacson have bought the grocery store and gas station at Airport and Mile B roads (Rt. 3, Box 511) and are now personally in charge of the business. The place will be known as Norm's Corner in the future.

Mr. and Mrs. Isaacson came out from Nebraska in October. They had lived in Tacoma from 1937 to 1945, returning then to their former home in the midwest. This time they are here to stay and are very enthusiastic about their location and the friendly people of the community.

Store hours are 8 a.m. to 7 p.m. every day in the week, but the Isaacsons plan to close for Christmas.

MR. AND MRS. FAY G. COOLEY of 173rd and East A street have just returned from a two weeks' visit with Mrs. Cooley's relatives in Los Angeles, El Monte and San Diego, Calif. They visited two of her aunts, one 83 years of age and the other 81. They report having a wonderful time but are glad to be home again. Of interest to many friends here is news of the marriage of their son, Gene F. Cooley, to Louise A. Brichner of Chicago, planned for Dec. 22.

MERRY CHRISTMAS

WCTU Christmas Party

The annual Christmas party of the Midland WCTU will be held Wednesday, Dec. 26, at the home of Mrs. Agnes Almquist. The 12:30 potluck luncheon will be followed by a Christmas program in charge of Mrs. M. C. Dillon. Christmas carols and other songs will be enjoyed and there will be a gift exchange for members and friends. All are invited.

MERRY CHRISTMAS

Christmas Beauty

Several especially attractive examples of Christmas decorations are to be seen in the community. General Supply Co. has completed a large scene; Dr. S. C. Eastvold, president of Pacific Lutheran College, has a beautiful Nativity scene on his lawn; the Spanaway school has a colorful display, and Steve Baskett (Baskett Lumber Co.) has a lovely decoration on the roof of his home. Other local displays will be mentioned as space permits.

Beverly Corrigan, Reporter

The Pierce County Senior 4-H'ers had their first meeting of the 4-H year at the Waller Road hall at 7:30 p.m. Tuesday, Dec. 11. Ernest Hopp acted as chairman. Officers were elected. They are as follows: President, Max Starkel; vice-president, Joan Arterburn; secretary, Joanne Morud; treasurer, Tom Farley; reporter, Beverly Corrigan.

Beverly Corrigan reported on the Doll and Wardrobe award to be held some time before Christmas. Loretta Milne was appointed chairman. Marlene Rockstad and Beverly Corrigan were also appointed to the committee.

The members voted to have a dance soon after the first of January. Joan Arterburn was appointed chairman. Her helpers are Melvin Bradley, Loretta Milne, Sharron Eshpeter, Eleanor Gillry, Marita Shea, and Max Starkel.

The meetings will be held one-half hour before the Leaders' Council every month. The next meeting will be at the Graham Grange hall.

Basketball Conference

Four former Midland students were chosen to represent Lincoln high school at the Basketball conference for girls held Saturday, Dec. 8, in Olympia, at the high school gymnasium. Those motoring down for the day with their physical education teacher, Mrs. Hutton, were the Misses Beverly Morud, Beverly Corrigan, Anita Steinbach and Marilyn Crossman. Skits were presented by the different schools represented, a program put on by the Olympia girls, nice luncheon served and quite a bit of basketball played. All of our girls were on one of the three winning teams.

Two new members were welcomed into the club, namely, Mrs. Lucile Andersen and Mrs. Shirley Colyer. The main objective of this club is to help the children at the Rainier school at Buckley and the old folks' homes and any other deed which comes under the heading of being a good neighbor.

Others present were Mesdames Evelyn Jensen, Naydene Dimond and Nancy, Cindy and Rickey; Darlene Harris and Chuckie; Irene Piper, Lucy Nouguier, Shirley Lorance and Danny and Christie; Dot Hendricks and Bonnie Jean and Patsy; Lydia Teffre and Mike and Craig; Margaret Corrigan and Pat; and Mark and Cathy McNabb. with TRIANGLE X-TRA EGG PRODUCER

Now is the time to cash in on the care and feeding you have given your layers through the chick and pullet stage.

Both young and old layers need the right feed. They need the right nutrients and in the proper combination to produce all the eggs they are capable of producing.

Triangle Xtra-Egg Producer gives your hens an abundance of egg making ingredients—it maintains bodily health and makes a flock lay right up to inherited production limits. Prove to yourself that Triangle is the best of all egg mash formulas—prove it with more eggs.

Your wife ... or daughter ... or girl friend ... will be thrilled by that extra nice gift: a watch, furs, good jewelry or something special for the house. Beyond your budget? Not if you arrange a Timeplan personal loan and spread the payments over many months. Best of all, you pay only low, *bank* interest, without "extras". It's simple to apply for a Timeplan loan ... there is no more red tape or embarrassment than there is in applying for credit at a store. Let NBW help you make this the most exciting Christmas ever.

Gladiator Service
22ND & PACIFIC GR. 9946

By Clarence LaCrosse

A lot of credit is due the hard-working crew who arranged for and did all the work on the raising of the Christmas tree for the youngsters. Harold LeMay donated all the equipment and a lot of time, as did Del Totten of Totten Realty and Del Cheney of the Parkland Cycle Shop. Pete Coleman of Patty Ann Bakery spent a lot of his time helping dig the tree and then replant it in the Parkland theater building square. Viv Selle donated the last tree. The first one the boys planted was vandalized during the night with the result another had to be hustled. You fellows certainly did a lot of work.

Decorations

Since last week my attention has been directed to many outstanding window displays and decorations of various businesses in the area. Many, many have spent a lot of time lately fixing up their various places of business for you, the observer, to see. Up at 98th and Pacific the Anderson Lumber Co. and the 98th Street Hardware were among the first to get their windows fixed up.

There are a lot of very nicely decorated windows and even home displays for your enjoyment if you will take a look around.

Dr. Eastvold has his annual display on his lawn on Park Avenue all lit up. Drive by and see it. The Baskett display, too—was made up by Steve and Ruth. It includes Rudolph the Red Nosed Reindeer up on the housetop with the other reindeer. There are a lot of interesting displays to see . . . drive around a bit and look.

Postal Rebuttal

Last week, if you will recall, I mentioned several bits about the postal service as it affected Parkland and the fact that we had to address several of the routes for every house.

Most of the comments were well received by the majority of the people. However, the carriers want it clear that all the routes do not have to be addressed—ONLY those routes which originate from Tacoma post office, the so-called Mounted Carrier routes. It seems that because of the fact that it is a city route all mail must be addressed. The rural routes are in no way affected. However, if you will recall, I in no way intimated that the carriers were to blame. In fact, we have been very fortunate in the fact that most of the carriers are well known to ourselves and have done a very admirable job of delivering your Times-Journal to you every week.

One other point which should be clarified is the fact that I mentioned that the mail, after it was taken from Parkland to Tacoma, was returned again to either Fern Hill Station or to Parkland for delivery. Actually, the mail is not returned to Parkland for delivery . . . the rural routes originate from Fern Hill Station. What I was trying to imply was the fact that mail was returned to Parkland via carrier for delivery—which is the case.

Most business men I have talked with since last week in regards to this feel that they would favor local delivery, as do practically the majority of the average people who live in the area.

The Parkland postmaster also informs me that only one letter requesting local delivery by any club was received at his office—therefor he should not be considered to blame in not getting the action. The local post office states that it would be impossible to handle rural delivery at this office due to cramped quarters, which leaves us right back where we started . . . simple, isn't it?

By the way, it's time of the year to remember your mail carrier with a cup of hot coffee or something. The carrier on route 3 likes cookies—I know.

Smith's jewelry at 84th is still having a lot of bargains in spite of the fact that we made a mistake in their ad, stating that a certain item was good for November only . . . the November should have been omitted.

MacArthur Day Compliments

Once in a while one really feels proud of an endeavor, especially when a bit of recognition is received for same. If you will recall the endeavor made by several of us here in Parkland to get MacArthur to visit our city a while back.

We are in receipt of a letter from the Greater Seattle chairman for the affair, wherein, in part, it reads:

"**. . . our brief visit through that area (Parkland) was one of the highlights of the two days. It was well organized and completely outstanding.**"

The letter was addressed to Fred E. Sandstrom, who did much to make it possible for us. Herb Socolofsky and myself feel quite proud to think that the affair here in Parkland was even recognized, much less praised.

WOODLAND NEWS

By Barbara Cordes — Puy. 5-2511

Woodland school Christmas program this Thursday evening at the Fruitland Grange hall at 8 p.m. The public is cordially invited to share the Christmas holiday spirit and join the youngsters in their plays, carols and stories. The teachers have all worked hard on their part and every child will be able to participate in some part of the program. The upper grades have been working on a play and carols and the lower grades have completed a "Toyland Dream" that everyone will enjoy.

Whois going to be sick from school on Friday? Santa Claus is going to personally visit each room on Friday morning during the regular room parties and give each youngster a treat.

Pigeon Fanciers Elect

The PSPF held their December meeting at the home of Ed Bodhaine of Waller road. Karl Cordes, president, presided at the meeting. This was the regular election of officers and the following were elected: President, Karl Cordes; vice-president, Charles Alder; secretary-treasurer, Dr. Cecil Nordland; publicity, Ed Bodhaine. The next meeting will be held at the home of George Morrise of Orting.

Injured

Morrill Wills of Cedar road had an accident while at work and suffered the loss of several fingers.

Preschool Party

A large crowd of mothers and preschoolers enjoyed their annual Christmas party at the school last Thursday. Movies were shown to the youngsters and they enjoyed their exchange of gifts. Refreshments were served by many of the Preschool mothers with Mrs. Pelesky in charge.

Newcomers

The Robert Thurstons have moved into our community and now reside on Fruitland avenue near the school. Mrs. Thurston is the daughter of Mr. and Mrs. Howard Tareply.

man (Patty Ann Bakery), Harold LeMay (Lucky Sales & Service), Del Totten (Totten Realty) and Harry Behmer (Parkland Florists). Jack Brown (Times-Journal) modestly admits that he "helped a very little." It was planted in the proper spot and the men, all tired out, went home.

Next morning when they came back to complete the job, the tree was lying flat on the ground, the whole top broken out and most of the limbs torn off. They weer amazed at the evidence of senseless vandalism, but were determined to have a Christmas tree, so Del Cheney (Parkland Cycle Shop), Pete Coleman and Harold LeMay went out for another tree and Del Totten joined them in the planting work.

The tree has now been trimmed and strung with many lights, the Parkland Light & Water Co. lending a hand, and will be one of Parkland's contributions to holiday cheer until the first of the year. The Parkland volunteer fire department will water the tree as necessary.

Christmas Services At Trinity Lutheran

Three Christmas services fill the calendar at Trinity Lutheran church in Parkland. These services are in addition to the usual schedule of services and Sunday school on Sunday. The first of the Christmas services is scheduled for Christmas Eve at 11 o'clock. Two are listed for Christmas Day at 9 a.m. in the chapel and at 11 a.m. in the church.

The Christmas Eve service, which is probably the most beautiful service of the year, is a candle-light service. The church is lighted with candles. The audience is supplied with candles to be lighted in the closing climax of the service. Special music at this service will be sung by the choir and Prof. Newnham will sing, as a solo, "A French Carol," by Liddle. Mrs. Barbara Hedlund will be at the organ to play appropriate music. Dr. Steen will preach on the theme: "Sing It Again."

For those who enjoy an early Christmas Day service, there will be an opportunity to worship in the beautiful chapel in a Christmas setting. Prof. Newnham will sing "At Christmas Tide," by Morgan. The sermon theme by the pastor will be: "Our Christmas Quest."

The final Christmas festival service is at 11 a.m. on Christmas Day. The Senior choir will sing a carol arrangement and the Junior choir will sing "The Birthday of a King," by Neidlinger. Prof. Newnham will present as a solo number Luther's Cradle Hymn, "The Holy Child," arranged by Martin. The sermon theme will be: "Our Christmas Quest."

Parkland Cub Scouts

Parkland Cub Scout pack No. 9 will hold its December meeting on Friday, Dec. 21, at 7:30 in Trinity Lutheran church basement auditorium. The decorations for the occasion will be provided by the Cub Scouts themselves. Each of the six dens will set up a Christmas tree with hand-made decorations and present a skit showing how Christmas is celebrated in some foreign country. Gifts are being gathered for a children's home.

How to make good telephone service even better

You won't miss important calls if you're a good telephone neighbor

Your party-line neighbors will consider you a real friend if you remember that often, they, or someone in your family may be expecting an important incoming telephone call. These other simple points will also help to insure better service: When you have a series of calls to make, allow a few minutes between them • Replace the receiver properly after calling • Always make sure the line is clear before you make your calls.

faster long distance service can be yours, if you give the operator the out-of-town number you're calling—rather than just the name and address. That way, you see, you won't have to wait while she finds out the number from "Information" in the distant town you're calling.

Christmas Programs At Methodist Church

The United Methodist church of Parkland and Spanaway will celebrate the Savior's advent on Sunday, Dec. 23.

At the Sundav school hour, 9:45 a.m., the annual Christmas exercises will be held in the Spanaway church when the program will feature a film, "The Spirit of Christmas," and numbers by the little folks.

At the 11 o'clock hour, the worshippers will unite in a special Christmas service when the pastor, Reverend Alexander Pollock Aiton, will preach on "A Christmas Idyll."

The choir, Orville Weeks, director, Mrs. Donald Waddell, accompanist, will render special and appropriate music. The choir will sing Mozart's "Gloria In Excelsis" and a quintette from the choir will give a rendition of "O Holy Night," by Adam. This group is composed of Mrs. Joe Snyder, soprano; Mrs. Robert Gregory, contralto; Bill Gregory, tenor, and Bob, baritone. Rosalie Baker, soprano, sings the obligato.

Vesper Hour

The Sunday school of the Parkland Methodist church will enjoy the annual Christmas exercises at 4:30 Sunday afternoon. It will consist of "a modern version of an old fashioned Christmas program," with the entire Sunday school taking part.

Following the program, all are invited downstairs to share in the fellowship hour. Refreshments will be served and St. Nicholas will look in at the feast as a symbol of the Christmas spirit. The public is invited to any and all of the services of the day.

Immediately following this event, the members of the Methodist Youth Fellowship will go a-carolling, winding up the evening at the home of their counsellor, Miss Rosalie Baker, near Spanaway.

LETTER TO EDITOR
Dear Editor:
We wish to express our thanks to the Lutheran young people in the company of Rev. Steen who so beautifully sang Christmas carols for our patients. They enjoyed it very much. SPANAWAY NEWS

Mrs. Chet McAtee - GR. 8066

The regular meeting and annual Christmas party of the Spanaway Community club was held Tuesday evening, Dec. 11, at the home of Mr. and Mrs. Oscar Storlie with Mr. Storlie, vice-president, presiding due to the illness of Bill Righetti, the president. After a short business session, Mrs. Oliver Omat had charge of an evening of fun, games and a delicious Christmas lunch.

GOP Club Meets

The Republican club met at the fire hall Thursday evening, Dec. 13. A sound picture, "America's Creeping Socialism," was shown by Chuck Bailie of Republican headquarters. Election of officers for 1952 named Harris Victor of Brookdale, president; Ed Purdue of Collins, vice-president; Mrs. Turner of Clover Creek, secretary-treasurer. Lunch was served by the Firemen's auxiliary. George Brewer is area counselor for the group.

Home Burns

Fire completely gutted the home of a Mr. Howard in the Clover Creek district Sunday noon. There was no one at home at the time and when the Spanaway firemen reached the place, it was too late to save the house.

Christmas Program

The Spanaway school children will have their Christmas program this (Thursday) afternoon for the students and again at 8 o'clock tonight for the parents.

Parkland P-TA Plans Christmas Program Tonight

The regular meeting of the Parkland P-TA will be held Thursday, Dec. 20, at 8 p.m. in the school auditorium. There will be a short business meeting with Mrs. R. Gottschalk presiding.

Following the meeting, the story of Christma as it is welcomed in many lands will be presented by the Parkland grade and junior high school, under the direction of Miss Marie Hedlund and Robert Winters. They will be assisted by James McNeese, as general chairman, and David Sannerud, accompanist.

As an introduction, the program will start with an overture by the Parkland band and also the "Santa Claus Revellie," under the direction of Mr. Winters. Other numbers will include: "We've Been Awhile Wandering" and "Jingle Bells," by boys' and girls' ensembles; "To Bethlehem, Singing," "Christmas Spring," "Jesu, Snowy Lamb," by the combined girls' chorus. Miss Betty Brown and a group of obligato sopranos will finish this part of the program with a solo, "Oh Holy Night," together with the chorus.

Tableaux of traditional Christmas scenes will be augmented by the glee club, which will sing the French carol, "Pat-a-Pan," the Latin "O Come Emmanuel," and the chorale, "How Brightly Shines the Morning Star." A further rendition of carols with the participation of the audience and the band will end the program with the exception of the children's chorus which will act as a surprise feature.

All the songs used are unique in their own national peculiarities, whether in presentation, rhythm or tradition.

ST. BENEDICT'S ALTAR SOCIETY met recently at the home of Mrs. James Keough. Carols were sung and games played. Presents were exchanged, following which the hostess served luncheon. A Christmas party for children of the parish, to be held at Marymount Academy the afternoon of Dec. 22, was planned. Mrs. Edward Kintz is chairman and will be assisted by members of the society.
