Here And There In The South End

Here we are again. Would you believe it? Quite a few folks called in and said they liked this column, and to keep it going. Oh, well, I'm not surprised. Lots of folks like corn in one form or another.

Thought I was seeing things the other day. Ethel Peterson, one of the Parkland Post office clerks standing outside the window doing business with some one inside.

Mrs. Cole, Fern Hill Postmistress, giving the shopper a hand at figuring out a hidden question for the week.

Dick Adams squirreling his 36 model A hot rod on the ice. Watch out, Dick. It's liable to buck you clear out.

Del Leverage of the Parkland Lumber and Hardware Co. running a table saw and listening to the radio at the same time. Must have been a good program.

John and Dick, Northwest Armored Car drivers easing their four ton jitney along on the ice. Having fun, boys?

Spanaway Pre-School
Spanaway Pre-school will hold their annual "Dad's Night" meet at the home of Mrs. Bus. Griffith. The home is located a mile and one half east on Henry Burger Road, then turn left and go about a quarter of a mile north and turn left on Gold St. First house with white picket fence. For further information call Gr 6121.

This will be a pot-luck luncheon. Mothers please come and try and bring a Dad.

NEW DENTIST FOR PARKLAND DISTRICT
Dr. Charles J. Cowan has opened an office in the Parkland Centre Building, announcing that he will engage in the practice of general dentistry.

Dr. Cowan is a graduate of Bellarmine high school in Tacoma and later attended Seattle university and the College of Puget Sound, Tacoma. He then studied for four years at the dental school of the University of Oregon, after which he entered the army. Receiving his honorable discharge last November, he is now ready to establish his own practice. His professional card, which appears in this issue of the Shopper, lists his telephone number as GRANITE 7131.

Pierce County Parent Teachers Association

The Pierce County Parent Teacher Association will hold its next Convention Thursday, Feb. 3rd, at Buckley, Wash., with their P. T. A. as hostess. Mrs. Hollis C. Young, president, is planning for a record attendance. Registration will start at 9:45 and the meeting will be called to order at 10 o'clock by the president of the county, Mrs. A. W. Millard. Business of the morning will include committee reports and the nominating committee will make its report for the election to be held in April. All P.T.A. per-capita dues must be paid before they may take part in this election.

Mrs. Joe V. Starkovich, County Health chairman, presents Mrs. Fred Pflaum as Moderator for a panel on "What's New in Community Health Programs". Dr. David M. Langdon, active member of the Fluorine Dental Treatment program in the city of Puyallup, will speak on the "New Fluorine Dental Treatment." Mrs. Stanley Staatz, of Summer, Chairman of Public Health Nursing Association committee will speak on "Work of the New Health Committee". Mrs. Edith Mitchell, supervisor of the County Health Association will conduct questions and answers concerning Public Health Programs.

Mrs. C. A. Spreen, Pre-school Chairman will give a report on Pre-school in the County. Mrs. W. W. Cline, Exceptional Child Chairman, will have a very interesting report.

Parkland Mother Singers will be present, they will sing a number of very enjoyable numbers.

This is the month that we honor our founders of P. T. A. Mrs. James Ward, Founders Day Chairman will present this part of the program. Mrs. J. H. Bunch, Student Aid Chairman, will present the Life Membership pin that is given each year to a deserving P. T. A. member, chosen by the group.

Something New Has Been Added

Have you seen the new yellow flags mounted upon the tops of mailboxes along the highways?

This is a new device to signal that your mail has arrived. When the mail man opens the door of your mail box to place the mail inside, a trip lever springs the yellow flag into view; thus you need not go to the box to see if you have mail; just look out your front window. A glance may save you many steps.

This flag, called Mail-O-Matic, is manufactured in Enumclaw, Wash. and is distributed by the Summit Lumber Co., at Airport and Canyon Road. GR. 8470.

NEW PHONE NUMBER

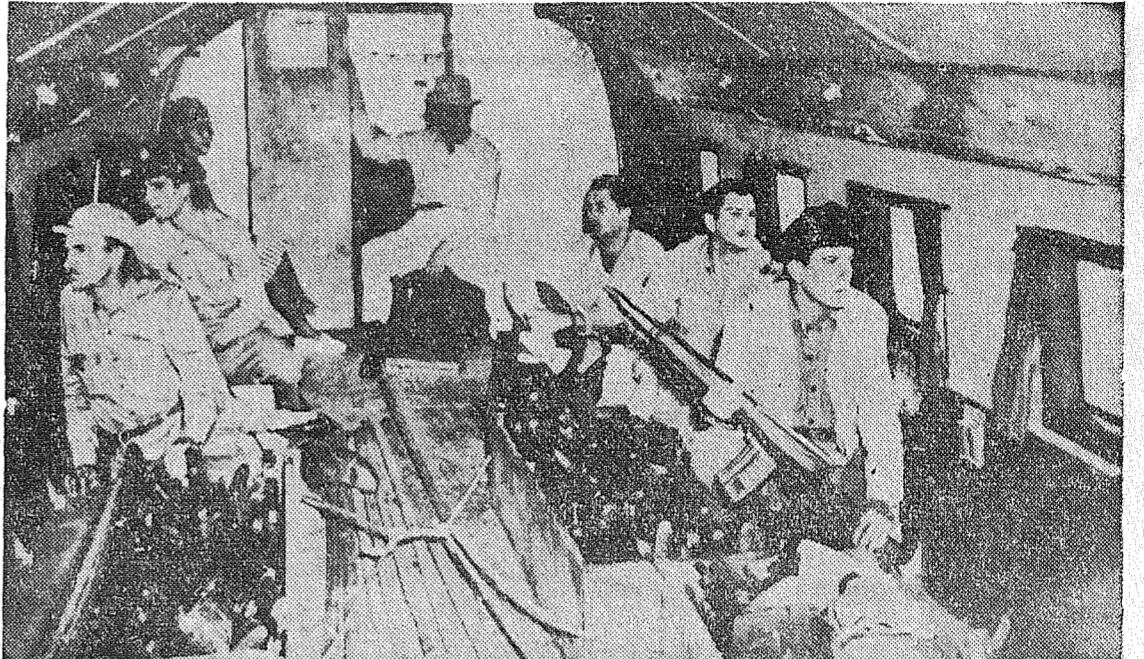

Like a lot of other folks and businesses in the area, we will have to suffer thru the inconvenience of a number change. This is inconvenient for all of us, but we must remember it is due to the growth of the district and well worth our trouble. Our new number is GRANITE 5582.

64th Street And McKinley Avenue

The Hillsdale Improvement Club at their last meeting decided to have a card and Bingo party every Saturday night at 6301 McKinley, beginning at 8 o'clock. All funds are going to the building of the 64th street Youth's Center Building.

Winter Car Care

CLEVELAND, OHIO—Many car owners put antifreeze in the radiator, lighter grease in the transmission, thinner oil in the crankcase and think their car is winterized. Not so, say the technical and service experts of Willard Battery. The equally vital electrical system, often overlooked, needs winterizing, also.

Motorists should take these six steps in preparing the electrical system for cold weather, the Willard experts advise: Test battery and recharge if necessary, clean battery terminals, tighten battery hold-downs, check voltage regulator, tighten all electrical connections and adjust generator belt. Unless a battery is fully charged, it will face an almost insurmountable task when required to start an engine in zero weather. At zero a fully charged battery has only 40 per cent of the cranking power it has at 80 degrees. A battery can be ruined by freezing in cold weather unless it is kept fully charged. No liquid other than pure water should ever be added to the battery.

NEW DAIRY FOR PARKLAND

Announcement is made this week of the opening of a new dairy in the Parkland community with two young brothers, Dick and Ed Enderbitzin, as the proprietors.

While not old in years (Dick is 20 and his brother 26) the two boys have been in the dairy business since early childhood and know every angle of this highly skilled work.

Their new enterprise, operated under the title of Liberty Dairy, is located on the old Glenwood Dairy place, and they will start serving customers February 1.

The young men received their training from their father, Joe Enderbitzin, who has been in the dairy business for over 25 years. As he formerly operated as the Liberty Dairy, the name is not new. The patronage of the many friends and neighbors is solicited for the new venture.

Careless for a moment — Car-less for months!

A little slip, by you or the other driver, can result in your losing your driver's license unless you can prove financial responsibility. New, strict laws effective in most states may require you to post up to \$11,000 in cash or security in case of accident. Don't take chances. Get State Farm Mutual's complete protection now. Lower rates make this an extra-wise investment. Call or come in today.
