VOLUME THREE-NUMBER 6

FREE \$5.00 In Merchandise

New Weekly Contest

\$5.00 in merchandise will be given free every week from one of our advertisers to the person who finds the secret number in their paper and is the first one to call GR 5582. Each week we will stop the press and mark in ink five papers with a secret number. Each paper will have a different number. The papers will then go through the folding machine and their location will be lost to all. So look close. Your paper may have a number on it in ink that will win you a free gift. This week's gift is on display at Young's Gift Shop, Garfield Street, Parkland.

Last week's winner of our previous contest was Mrs. A. Helander, Rt. 11, Box 63, Tacoma, Wn. The question was: Who is the youngest man in the U. S. Senate? The answer was Russel B. Long, from Louisiana.

Evelyn Smith of Smith's Jewelry acting hostess for the Mobile X-Ray Unit.

New Business For Midland

Frank Gural, a resident of 84th and Portland Avenue for the past 32 years has announced that he will have his shoe repair shop open for business at 98th and Portland Avenue by Saturday. Frank, who is well known to all residents of the area, has had sixteen years experience in the shoe repair business, having worked in the shop at the Fort Lewis Exchange, the Bone Dry Shoe Store in Tacoma, and owned his own shop for a number of years before entering the Army in 1942. Frank is married and has two children. The Shopper joins the residents of Midland in wishing Frank luck in his latest enterprise.

Bob Haner, of Parkland Jewelers, making like a W.P.A. worker, leaning on his shovel, instead of shoveling snow.

Lights Out
A familiar sight along the
Mountain Highway has been
missing lately. We refer to the
flood lights and neon sign of the
Pochel Distributing company.
Pochels are doing business as
usual but are doing their part
to save electricity during the
power shortage.
