Arthur Wing To Head Dimes March

Arthur Wing (Shop-Ette Variety & Department Store) has been named chairman of the 1959 March of Dimes in the Parkland-Spanaway area.

He has been assured of assistance from Parkland Post No. 22 American Legion, and the Parkland Junior Chamber of Commerce. Dale Phillips (Parkland branch of National Bank of Washington), last year's chairman, will also lend a hand in the drive.

The vast advance made by science in the treatment and prevention of polio has made it possible for the March of Dimes to extend its help to the fields of arthritis and birth defects, both to receive a share of this year's donations.

Chairman Wing announces that several attractive benefits for the March of Dimes are being arranged, to be publicized next week.

Road Signs Indicate Personal Protest

Somebody was pretty mad at the Washington State Patrol last week end, very evidently a motorist picked up for speeding in a radar monitored section. To express his protest against his personal predicament, he turred out the two do-it-yourself posters pictured here, nailed up along Pacific avenue.

Although the signs didn't survive the rugged weather very long, they seem to have had considerable impact on the motoring public as many people reported seeing speeding cars slowing to a modest pace as the drivers caught sight of the crude warnings.

Bethel School District Seeks Millage Approval

Two school measures, described as vital for both the continued operation of the Bethel schools and the future of the district, will be

placed before the Bethel area residents on February 3 for their approval. The election on February 3 will have only the two school measures on the ballot and most of the major balloting polls are scheduled to be open that day from 8 a.m. to 8 p.m. according to Superintendent Dewane Lamka.

The millage measure that will appear on the February 3 ballot calls for the collection of less than 12 mills in the spring of 1960 for the support of the Bethel schools during the 1959-60 school year. This millage will amount to \$75,000 and will replace a \$96,000 millage that is scheduled to be collected this spring for use in the current school year of 1958-1959.

The second proposition to be considered by the Bethel residents is a \$175,000 bond issue. Superintendent Lamka has urged that the patrons of the district consider this issue carefully as it is deemed vital if the Bethel district is to keep up, building wise, with the rapidly increasing school population. The Bethel district must receive the approval of the voters for this bond issue if the district expects to keep up its bonded indebtedness to get matching funds from the state for future construction. The bonds will be used on building projects only, and at the present time the Bethel board is considering adding on to both the Clover Creek and Elk Plain schools in the near future.

Lorien Buck and men of Faith Chapter will serve coffee.

Mrs. Sanderson Rice and Ruby Parrish and their committee will be in charge of games.

Everyone is cordially invited and reservations are not necessary.

Pictured above, Mrs. Richard Strep cuddles her first-born child, Scott Allen Strep, whose birth at 9:12 p.m. Jan. 1 at Tacoma General hospital made him the winner of the 1959 Parkland Baby Derby. Mr. and Mrs. Strep live at 208 South 128th street and the young father is employed as a telephone installer at Fort Lewis. Grandparents are Mr. and Mrs. W. Icard of 821 South 115th, Parkland, and Mr. and Mrs. Stanley J. Strep of San Diego, Calif. Another factor making the week a memorable one was the fact that Mrs. Strep celebrated her 19th birthday on Monday, Jan. 5. (Photo by McKewen).

Spanaway P-TA Sets Dad's Nite Tuesday, Jan. 13

Spanaway P-TA will meet Tuesday, Jan. 13, at 8 p.m. in the old gym at the Spanaway school, the occasion featuring Dad's Nite. All the dads in the Spanaway school district are urged to come out and enjoy themselves.

Lee Whiteman from the music department of the school will be there with his accordion and will play requests from the audience.

Refreshments will be served by the 3rd grade with Mrs. James Sims, Mrs. W. W. Bruner and Mrs. Ray Bagley, room mothers, as hostesses. There will also be a free supervised nursery.

Winter Recreation Set for Spanaway

John Newell, chairman of the Spanaway Recreation Committee, wishes to thank Tom Cross, newly elected recreation superintendent of Pierce County, who has set up winter recreation classes in the Spanaway grade school gym, under the direct supervision of Ed Neihl and Earl Pratt.

The 6th and 7th grade boys meet Monday nights, 6 to 7 o'clock; Junior Hi, 7 to 8; High School, 8 to 9; merchant teams, churches, etc, 9 to 10. Although the classes have met only twice, the enrollment is already over 150.

The committee is trying to duplicate the schedule for girls and women for Wednesday nights under the direction of Mrs. Glenda Clemmons, Bethel Junior High P.E. director.

The success of the program depends on students using the playing time allotted to their age groups, leaving the gym promptly at the close of the periods. Pupils are directed to go straight home after play or be picked up by the parents.

There is need for additional coaches and assisting parents; How about it—don't you want to help the kids?

Recognition for School Bus Drivers

Twenty-four of the Bethel School District bus drivers gained recognition pins and certificates of safe driving from the General Insurance Company for their accident free driving in the 1957-1958 school year it was recently announced by Francis Olson, Bethel district transportation director.

In order to help gain this impressive record, the district's bus drivers have been operating under a fleet safety program for the past eight years, for all of its equipment and drivers, only six minor accidents and no chargeable accidents have been inflicted in the past eight years. The record is especially impressive as the Bethel buses have traveled over one million miles (1,096,541 miles to be exact) along the County highways in the Bethel area for the past eight years. At the present time, it is estimated that the buses travel nearly 1,000 miles per day in transporting the Bethel students to and from school.

According to Olson, the Bethel School Board has realized the tremendous responsibility that it

has in providing good equipment for the drivers so that the 2500 Bethel students will be safely transported. Much credit for the safety record of the Bethel fleet goes to the school board who has met this responsibility, Olson announced.

The school district administration in announcing the safety awards also commended the 24 bus drivers and the school district mechanics who operate and maintain this equipment. Without their fine cooperation, the award for safe driving for the district's fleet would not have been possible according to Olson.

PARKLAND POST NO. 228 BY LORENE SUMMERS
The next meeting of Parkland Post 228 and Auxiliary will be tonight, January 8, at the Sunshine hall. It will also be the tenth birthday anniversary of the Post and will be celebrated by a pot-lunch dinner at 6 p.m. followed by the meeting at 8 p.m. All members are urged to attend, also all veterans who are interested in becoming Legionnaires and VFW members.

The Auxiliary will entertain at the Hospitality Lounge at the American Lake hospital on January 11. We will serve refreshments to the Veterans and their guests.
Fourteen Past Presidents of the Auxiliary met for their Dec. 23 meeting at the home of Pres. Mrs. Hazel Mackey for luncheon and gift exchange.

The American Legion Auxiliary

members work the year around for their community, bringing assistance and joy to needy veterans and their families and to those ill in hospitals. Needy Veterans receive food baskets, toys and clothes. The Old Soldiers Home at Orting receives coupon books to distribute to non-compensated old soldiers and once a year we entertain them with a party. The patients at the Veterans Hospital at American Lake receive the bulk of our donations, the personalized gifts to the patients; gifts for the Gift Shop, Canteen books and many hours of volunteer work at the hospital by members.

Each year we sponsor a girl from the Community for Girls State, where they practice the fundamentals of good government. In 1958 the Parkland Aux. received the Helen Linder Poppy Trophy for the second year for selling the largest percentage of poppies in the 4th District.

We also received the Department Citation Awards for outstanding work in Child Welfare, Community Service and Legislation for the benefit of the Veteran. This money is raised throughout the year by the work and effort of each member. The American Legion Post and Auxiliary is a very worthwhile organization in a community, here and throughout the nation. Why not become a member?

Collins Grange

Collins Grange will meet in the Grange hall Thursday, Jan. 8 (tonight), at 8:00 o'clock. Lecturer Clara Heindselman will have a program about New Years. Refreshments and a social hour will follow the meeting. All members are urged to start the new year right and come to all the meetings.

TRADING STAMPS—Something For Nothing?

LEGISLATORS CONTACTED

We are informed that many legislators have been contacted and urged to repeal or amend our good Washington Trading Stamp Law. Naturally, the stamp companies who make great profits from stamps are interested in promoting them.

We know that all good legislators are interested in hearing both sides of issues which will be presented to them. Here is the real truth about trading stamps, and it is confirmed by 4200 Washington grocers, Washington Chambers of Commerce, Retail Trade Bureau, Department, Variety and Dry Goods stores, Druggists, Florists, Fuel and Ice dealers, Furniture stores, Furriers, Hardware and Sporting Goods stores, Jewelers, Ladies' and Men's Clothing stores, Music stores, Office Supplies and Equipment stores, Restaurants, Shoe stores, and Tailor Shops.

TRADING STAMPS MISUNDERSTOOD

Trading stamps are the most misunderstood and misrepresented form of advertising in use today. You have heard, no doubt, that trading stamps cost the merchant nothing because they increase his business and cost the consumer nothing, and with them she gets lots of valuable merchandise prizes. Because trading stamps have been misrepresented, we would like to tell you the truth about them.

METHOD OF OPERATION

They have been in use for many years and issued by hundreds of companies. The principle is the same for all, with slight variations. The stamp company prints sheets of stamps and sells them in pads to merchants who give them to customers — one with each 10c purchase. The customer pastes them in books. When a book is full it represents \$120 in purchases and has

a redemption value of \$2.00. The consumer turns these books in to trading stamp company redemption stores for merchandise premiums, most of which are grossly over-priced.

WASH. STATE LAW

That is the way stamp companies operate in most states, but not so in Washington. Here we have a Washington State Trading Stamp law passed in 1939. This law requires a \$6,000 license by each retail outlet that issues trading stamps redeemable for goods, wares, or merchandise. No license is required if the stamps are to be redeemed for cash (no chance for deception here.) The Washington law is strictly enforced and our citizens are protected by it.

STAMP CO'S UNHAPPY

The trading stamp companies are not happy with our Washington Trading Stamp law and are preparing to attack it at the present session of the Legislature. Why are the trading stamp companies so interested in changing our Washington law? We know they are trying to change it because they are calling on Senators and Representatives all over Washington. The answer is very simple. They make enormous profits out of trading stamps in three ways when redeeming them with merchandise premiums.

First: The profit on stamps sold to merchants; Second: The big profit on over-priced premiums; Third! The enormous profit on unredeemed stamps that the merchant has paid for which are taken by customers and never used.

THE TRUTH
YOU DON'T GET SOMETHING FOR NOTHING!

All of the merchandise premiums and prizes which are greatly

over-priced and which the customers get in most other states for saving stamps must be paid for and by no other but themselves in increased prices, plus a big fat profit for the stamp companies. Trading stamps actually cost the merchants using them 2% to 3% of their gross, plus 1% for handling charge.

The stamp companies say that extra profit on increased sales more than pay for them. That is only theory. If one store takes business away from its competitors because of stamps, then the competitors take on other brands of stamps. Who wins? Only the stamp companies. Who pays the bill? The citizens pay the bill — 3% to 4% in increased cost of their regular purchases.

Stamp companies have flourished in some states for many years, but the fad is waning. Now they want to get into our state for their own selfish benefit.

We believe that the present Washington Trading Stamp law is better for the public and the retail industry alike, and therefore urge you to keep the Washington Trading Stamp law intact. It should not be amended in any way.

Most stamp companies are not local people, and they are not interested in Washington consumers' welfare — only in their own profit.

Help protect the economy of our state. Let your legislators know that you too feel that our present trading stamp law should remain as is.

Waller Road News

The Waller Road Garden club is meeting this (Thursday) evening at 8:00 o'clock at the Community hall. There will be general discussion on winter birds during roll call. Colored slides taken by members will be shown. Those wishing to enter into the fun of participating in arrangements are to bring miniature arrangements, not to exceed five inches. Bring a friend!

Attend Wedding
Waller Road folks who motored to Seattle to attend the Dec. 20 wedding of Howard J. Martin Jr. and Joan Ardelle Henriksen were Mr. and Mrs. J. M. Heath, Mr. and Mrs. R. C. Geise, Mr. and Mrs. John Sierman, Mr. and Mrs. Ed Valentine and Mrs. Edith Sullivan, formerly of Waller road. The Martin family lived on Waller road for many years and Howard Jr. was well known here.

Grangers Honored
Waller Road Grange shared honors with Ohop Grange at the installation of officers for 1959 held Dec. 29 at Fruitland Grange hall, when Pomona Master Frank Swalander presented Mrs. J. Asp-

lund, Mater of Ohop Grange, and Mrs. V. Fogle, Master of Waller Road Grange, with like awards for first place honors in the best conducted meeting of 1958 Gavel meeting program. The tie between the two Granges was the first of its kind the judges had encountered.

Pleasant Party
Mrs. Andrew Carlson entertained relatives and friends at a buffet supper Dec. 28. Enjoying the pleasant evening were Messrs and Mesdames Gilbert Carlson, Richard Pullin and Steve and Rod Bill Heiden and Cherie, Ron Fogle and Connie, Doug Fogle and Verne Fogle; also Jerry Fogle and Miss Bette Taylor.

Visiting
Mr. and Mrs. E. D. Constantine and daughters, now of Collins district but former neighbors of the Lee Hogan family of Waller

Road, made a trip to the Cispus river to visit with Mr. and Mrs. Earle Thompson. They stopped at Ohop Valley to pick up the Hogan family to make the trip with them. A very enjoyable day was reported.

Guest Day
The Waller Road Grange Auxiliary will hold a guest day luncheon soon. Ladies, plan to attend; call reservations to Mrs. Fogle, LE 7-5210.

Project Dropped
Due to lack of interest of the Waller Road residents in the proposed community club, the small group attending the December meeting voted to drop all plans for organizing at the present time.

Lovely Christmas Trees
The beautifully decorated Christmas tree put up at the Community hall for all organizations to use was by courtesy of the Mave-rick 4-H club. A community service such as this deserves a hearty "Thank You" from all. The attractive lighted tree at the corner of 64th and Waller road was put up by the Boy Scouts. Thanks go to their group also.

Spinsters
At the Jan. 3 meeting of the Waller Road Spinsters, the girls judged biscuits brought by three girls who chose "Let's Cook" as a project for the year. The next meeting will be at Mrs. William Hager's home. Four girls will bring cookies to be judged. Nani-Mae Lovell and Pamela Myron are reporters for the club.

Grange Meeting
The Jan. 2 meeting of Waller Road Grange was cancelled because of the weather. The next meeting will be held Jan. 16, at which time the new officers for 1959 will take over their duties. Members, make a special effort to attend!

Sympathy
Sympathy is extended from the Waller Road friends of Franz Nelson to his family. Mr. Nelson passed away Dec. 19 at a nursing home where he had been confined for over eight months after having suffered a stroke.

Reporter—Mrs. Verne Fogle, LE 7-5210.

Flying
With **JEANNE**
Wayne Russell in his Cessna 195 took Jane and Harold Rauch and their children, Elaine Don, Gail, Yvonne and Alison from Olympia all for their first airplane ride.

Monte Johnson as pilot in the Mooney took his wife Lavonne and Steve Smith for a flight up towards the mountain and around to take pictures.

Jack Brown got in some of his solo cross country training time by flying to Snohomish and return. Art Wing with Monte Brown in Art's Ercoupe and Jack Brown in his Luscombe flew to Bellevue and return.

Phil Johnson furthered his flight training for his Private License by taking a solo cross country trip to Bellingham and return. Paul Newberry, who has been home on leave, checked out in Tahoma Flying Service's Tri-Traveler and did a little flying while here.

Spanaway News

Reservations for the Spanaway Volunteer Firemen and Auxiliary and the Elk Plain Auxiliary installation dinner can be made at the South End Plumbing, LE 7-4100, or at Tacoma Pump & Well Drilling, LE 7-7281. The party will be held at The First Jan. 14 and reservations should be made as early as possible.

ORTHOPEDIC
The Dr. Lee A. Rademaker Orthopedic Guild meeting scheduled at the home of Mrs. Carl Schwarz with Mrs. Ted O'Neill Jr., as co-hostess has been postponed until next month.

BEAUTIFUL TREE
Special mention of the beautiful lighted tree atop the Spanaway fire hall and the pretty outdoor decorations at the home of Mr. and Mrs. Robert Rhone, which were enjoyed by many.

WELL BABY CLINIC
The Spanaway Well Baby Clinic will be held Tuesday, Jan. 13, at the Assembly of God annex with registration from 8:30 to 10:00 a.m.

CONGRATULATIONS
Congratulations to Mr. and Mrs. Frank Kinton on the birth of a son, Edward Lee, Dec. 14. He is welcomed into the home by three sisters, Evalynn, Elaine and Frances, and two brothers, Benny and Dennis. Grandparents are Mr. and Mrs. F. E. Kinton of Downing, Calif., and Mrs. Donald Gilmore of Puyallup.

SYMPATHY
Deepest sympathy to Mr. and Mrs. Hugo Gonyeau whose infant daughter passed away last week.

GRANDMOTHERS
The Spanaway-Kan-Do Grandmothers club will meet Thursday, Jan. 15, for noon luncheon.

Reporter—Mrs. Oliver Omat, LE 7-6466.

a-Wondering . . . and a-Wandering . . .
With **JACK BROWN**

Christmas is over and is now just a subject of conversation and usually in any conversation about it you'll hear some one voice the age old lament about it being a losing proposition. They'll cry long and loud about giving more than they receive. What these people fail to realize is that in the difference between what was given and what was received lies the true spirit of the Yuletide.

We assume that the meanings of words are fixed—that they said the same thing yesterday as today, and that they will continue to say the same things tomorrow.

But that is not always the case. Words—and very important words—can apparently mean one thing in one era and an entirely different thing in another.

Take, for instance, the honored old word "liberal". For centuries, a liberal was a man who fought for the rights, the dignity and the independence of the individual against the monolithic power of the state. But now the so-called liberal is a man who seeks to place more and more power in the hands of the state, and to ever-broaden its authority over the lives and fortunes of the people.

Or take the equally honored word "federalism". Classically, as understood by this nation's founders, it meant a principle providing for a division of powers between a central government and the state governments. Neither was subordinate to the other, and the combination of the central and state governments constituted the federal government.

But nowadays federalism, as preached and practiced, simply means stripping the state governments of right after right and duty after duty and turning them over to the central government.

It's time — high time — we stopped perverting the meanings of words such as these and used them honestly and accurately.

Take nothing for granted. What's honey today can be bitter tomorrow. You married fellows know what I mean.

It looks like traffic problems in the State of Washington will soon subside. I see where the governor is advocating a state income tax and an increase in the sales tax. If this comes to pass all our traffic will be one way . . . Heading out of the state.

Elbe News
Mrs. Bud Iverson of Elbe, who is a sister of Mrs. Hollenbach who lost her life with her eight children when her home burned at Christmas time, spent some time

last Wednesday afternoon with Mrs. Engel to give an account of that tragic fire and she asked Mrs. Engel to pass it on to the Times Journal. She also wishes to express her hearty thanks and appreciation to everybody who so

wonderfully came to their assistance at the time of this terrible heart breaking catastrophe. Mr. and Mrs. Hollenbach and family lived near Auburn. The fire broke out in their home before the family was up. The bedrooms were upstairs and the flames spread through so rapidly that there was no chance to escape. Little eight-year-old Wanda was the only child saved and she received third-degree burns and is at the Seattle Orthopedic hospital where hopes are now held for her recovery.

The mother, Evalena Hollenbach, perished with the children.

Gale, Donald, Gary, Carl, Sharon, Patricia, Mary Ellen and Penny Belle. One son, Dale, the oldest of the family, is married and lives a short distance from his parents' home. The funeral was held at Auburn with a common grave for the five victims in the Auburn cemetery. City police from several neighboring towns donated their services to help control the traffic as nearly 1,500 people attended the funeral, which was conducted by the Assembly of God church at Auburn and at the cemetery.

Many kind hearted people from all over the state and elsewhere contributed money to help Mr. Hollenbach; he is so grateful to the many compassionate people who did all they could in this hour of extreme need.

SAVE STAMPS
Now that we have received our many greeting cards and have a lot of commemorative stamps which we can clip from the envelopes, let us all make use of them further to buy milk for the poor Korean babies. The stamps are worth their original value when turned in to Mrs. June Kast, Elbe postmaster, or to the Elbe Grange

It's The Law

A CHILDISH PRANK
Dennis, a boy almost six years old, was paying a neighborly visit to two elderly ladies in their backyard. As one of the ladies began the process of seating herself in a lawn chair, Dennis quickly pulled it out from under her and seated himself upon it. The lady fell and suffered serious injuries. The injured lady sued in an action for assault and battery. This presented the question of the liability of an infant for an alleged battery to the Court for the first time.

First, the Court held that when a minor has committed a tort with force, he is liable to be proceeded at Elbe. When cutting the stamps from the envelopes be sure to leave a margin on all sides of the stamp, otherwise the stamps are worthless.

WAYSIDE MISSION
The Wayside Mission plans to show a film, "The Life of Martin Luther," at the Sunday morning service Sunday, Jan. 11, from 11 to 12 noon. The film, two hours in length, is very instructive and interesting. Everybody is invited to share this event.

LOVELY TREE
Elbe neighbors have greatly enjoyed the large and beautiful outdoor Christmas tree in the front yard of the home of Bill and Overta Bartels. They have kept it lighted through the whole holiday season in both the morning and evening hours and it has given real pleasure to all who saw it. Thank you, Bill and Overta. Reporter — Mrs. Pearl E. Engel, Elbe.

against as any other person would be. Then, it briefly defined a battery as the intentional infliction of a harmful bodily contact upon another.

The word "intentional" was the key to the plaintiff's burden of proof. To prove a battery, she had to establish that when Dennis moved the chair he knew with substantial certainty that she would attempt to sit where the chair had been and would fall as the result of his action. If he did not have such knowledge there would have been nothing wrongful about his actions. But if he had such knowledge, he would be liable even though he only intended to play a prank upon her and did not intend to injure her. Dennis' age was important only to the extent of determining what he knew, as judged by his experience, capacity and understanding. The court held that the boy did know, when he moved the chair, that his neighbor lady would try to sit where the chair had been and would fall. Consequently, the boy was liable for the damages suffered by his neighbor.

(This column is written to inform, not advise. Facts may change the application of the law.)

Home From Trip
Mr. and Mrs. George Dorfner of 907 South 113th streets are at home again after spending the holidays with their son-in-law and daughter, Mr. and Mrs. Loren E. Melton (Alice Dorfner) and family at El Paso, Texas.

Iowa is the world's leading center for the popcorn crop. The Yukon, about 2,300 miles long, is the largest river in Alaska.

Witnesses Hold 3-Day Conference

An audience of 2532 overflowed Seattle's Eagles Auditorium Sunday to hear Matthew M. Kolar climax the three-day Bible conference of Jehovah's Witnesses from the Seattle-Tacoma area Dec. 26-28.

Mr. Kolar spoke on "The Watch Tower Society in God's Purpose." He said he based the name of this Society on Isaiah 21:8 which states: "O Lord, I stand continually upon the watchtower in the daytime." Mr. Kolar went on to state, "Today this Society is supervising preaching activity in 175 lands, having branch offices in 85 countries."

"An unusual arrangement in the field of religion," said Kolar, "is that all these ministers of Jehovah God are either being trained or are training others. There is no clergy-laity distinction, nor are honorary titles bestowed upon any."

In keeping with the phenomenal world-wide growth of this "New World Society," 59 newly ordained ministers symbolized their desire to serve God by water baptism during the conference. There are now nearly 800,000 Christian ministers devoting well over 100 million hours a year preaching the good news of the Kingdom.

The Busy Fingers 4-H club held the annual Mother-Daughter Christmas party Thursday, December 18, at the Richard Hamblin home on Golden Given road. Games were played and gifts exchanged. The members presented their leader, Mrs. M. O. Hammar, with a photograph album. Mrs. Hamblin made corsages for all the mothers. Enjoying the party were Mrs. Robert Fordice and Susan and Joyce, Mrs. Walter Olsen and LeAnne, Mrs. A. B. Thompson and Judy, Mrs. M. O. Hammar and Linda, Mrs. Hazel Malone and Susan and Linda, Mrs. Richard Hamblin and Kathy and Marleen, and Patricia and Peggy McCarthy. The girls made and sent Christmas treats (placecards with popcorn Christmas trees, fudge, and cookies) to St. Ann's Children's Home for Christmas.

BIRTHDAY CLUB
Members of the Birthday club gathered for their December meeting at the home of Mrs. Walter Corrihan, on the 30th. They honored the birthday of Mrs. Herman Portz. Others attending beside the honored guest and hostess were Mesdames Joseph Joringdal, Clifford Tuller, Fred Siehl, John Both, Allen Zook, Richard McNabb, Alex Thompson, and Harold Stavig. In January, they will meet at the home of Mrs. Allen Zook.

EVENING OF GAMES
Don't forget the St. John of the Woods big "Evening of Games," to be held Friday evening, January 9, in the new parish hall. Games will start promptly at 8 p.m. and the public is cordially invited to come out and enjoy the evening.

IMPROVEMENT CLUB
The January meeting of the Midland Improvement club will be held in the Midland hall, Wednesday, January 14, at 8 p.m. If you want to know what is going on in your community, be sure and attend these important meetings and voice your opinions.

JOINT 4-H PARTY
The Albert Bombardier home was the setting for the joint Christmas party of the Midland 4-H Cloverbuds and the Midland 4-H Cloverettes Tuesday afternoon, December 30. The mothers of the members were also invited. The two clubs held short separate meetings first and then joined together in the holiday-decorated "Rec" room for their party and gift exchange. Lovely vases were presented by the members of the Cloverbuds to Mrs. Bombardier, leader, and Mrs. Walter Corrihan, assistant leader; others present were Mrs. Walter Olsen and Nadine, Mrs. Arthur Hanson and Sally, Kathie Jones, Janet Bombardier, Donna Ayers, Mrs. E. J. Lawler and Jane, Mrs. Andy Pecki and Gloria Meyer, Marlene Corrihan, Junior leader. Attending from the Cloverettes were Mrs. E. J. Telephones Now World-Wide Link

Next time you pick up your telephone, pause a second. By spinning the dial, you can call almost anywhere in the world—just name it!

According to Pacific Telephone manager Bill McLeod, the telephone in your living room, or the one on the wall at the bowling alley, is a direct connection to 90 per cent of the telephones in the world—some 106,337,652 of them. It might take a little longer to call a maharaja in Hyderabad, India, than an old army buddy in Dallas, but if he has one of the 5769 telephones in that city of more than a quarter of a million people, the long distance operator can

have him on the line, in short order.

That fact, and a number of & Telegraph Company. The latest edition of "The World's Telephones," a yearly summary compiled by the American Telephone & Telegraph Company. The latest issue only shows totals through 1957 because it takes almost a year to assemble the figures.

McLeod said that in Tacoma there were about three people for every telephone. The average person here in Tacoma used his phone 460 times in 1957. That's a bit off the pace set by the average Alaskan who has 581 conversations during a year's time—and has to elbow four other people aside to do it.

Compared to the 37 telephones per 100 people in the U. S., there are only four per 100 people in the entire world. Sweden has 33

per 100, Canada, 29; Switzerland, 27. Russia reports for the first time since 1936 and has just two per 100 people. More than half of the world's people live in Asia, but there are more phones in New York City (4,204,007) and Chicago (1,800,103) than there are in all of that huge continent.

McLeod pointed out that an interesting parallel could be found in the figures relating to government and privately operated companies. In all the countries in the world, the average of telephones per 100 people is about 80 per cent higher in countries where the telephone company is privately operated.

Russian telephone customers increased 5.7 per cent during 1957 as did customers in the U. S. But at year's end there were 63,620,000 phones in the U. S. and only 3,558,000 behind the Iron Curtain.

Bethel Voters

(Continued from Page 1)
patrons cast "yes" votes for the school issues in the November General Election, the measures were defeated as they lacked the necessary 60 percent required by state law for approval of school financial measures.

After learning of the defeat of the two measures in November, the Bethel School Board announced that steps would have to be taken to either drastically cut some of the services in the schools, limit personnel and increase class sizes or hold a special election. In December the Board voted to re-submit the measures to the voters in hopes that the drastic cuts could be prevented.

"Rising enrollment" has been given as the biggest factor in the need of this special millage request by the Board. At the present time, 2445 students are enrolled in the Bethel schools and the number is expected to increase to 2720 by next fall. This increase will be about 10 per cent over last fall's opening date figure and necessitates the hiring of additional teachers to keep up with the increase.

Getting by with three less teachers than are now employed would be the only choice of the district office if the one-year millage request is rejected. This in the face of an increase of about 275 students. Possibly a fee for supplies might also have to be charged if this millage is defeated and the present plans to revise the texts in the district will have to be halted.

All these reductions will have to be faced if the voters refuse approval of the millage. At the present time the Bethel district is managing to keep up with the increase in enrollment by means

of a special \$96,000 millage that the voters approved last spring for use in the 1958-1959 year.

The proposal that the board has approved to be placed on the February ballot actually represents a cut in financial support of the Bethel schools, Lamka points out. The \$75,000 millage request will take the place of, and not be added to, the present \$96,000 millage that was approved last spring as school millage be approved for only a one-year period.

The bond issue to be placed on the February ballot is also a vital need of the district, Lamka states. At the present time the conditions in the elementary schools are not too bad, but by next year and the following year they will be crowded and require more room for the youngsters. Approval of this bond issue is needed if the Bethel district is to keep up so that the district can be eligible for future matching funds from the state for school construction.

Plans are also being formed for the addition to both the Elk Plain and Clover Creek grade schools if this issue is approved. Originally there was some talk about the construction of a new school, but the Board feels that the addition to the two schools will bring about a more economical operation.

Lamka reports that 912 voters will have to come out to vote on February 3 and that 60 per cent of them will have to approve the measures if the Bethel schools are

Telephone Hour to Feature Top Stars

Folk singer Harry Belafonte, distinguished actor Maurice Evans with the Baird Marionettes, two-piano virtuosos Gold and Fiddale and the New York City Ballet, and reigning opera soprano Renata Tebaldi headline the new Bell Telephone Hour to be presented live over KOMO-TV, Channel 4, Monday, January 12, at 8:30 p.m. The Bell Telephone Orchestra, conducted by Donald Voorhees, will accompany the all-star cast.

"This inaugural program, titled 'Adventures in Music,' typifies the new Bell Telephone Hour series," Pacific Telephone Manager Bill McLeod said. "Its concept is to present the best of music and dance from all the many fields of these lively arts. Each program will feature great artists from different fields."

The first program will present adventures in folk song, in opera, in orchestral music, and in the dance, with instrumental soloists and with visual interpretations.

to receive the needed financial support to keep operating the schools at the present level.

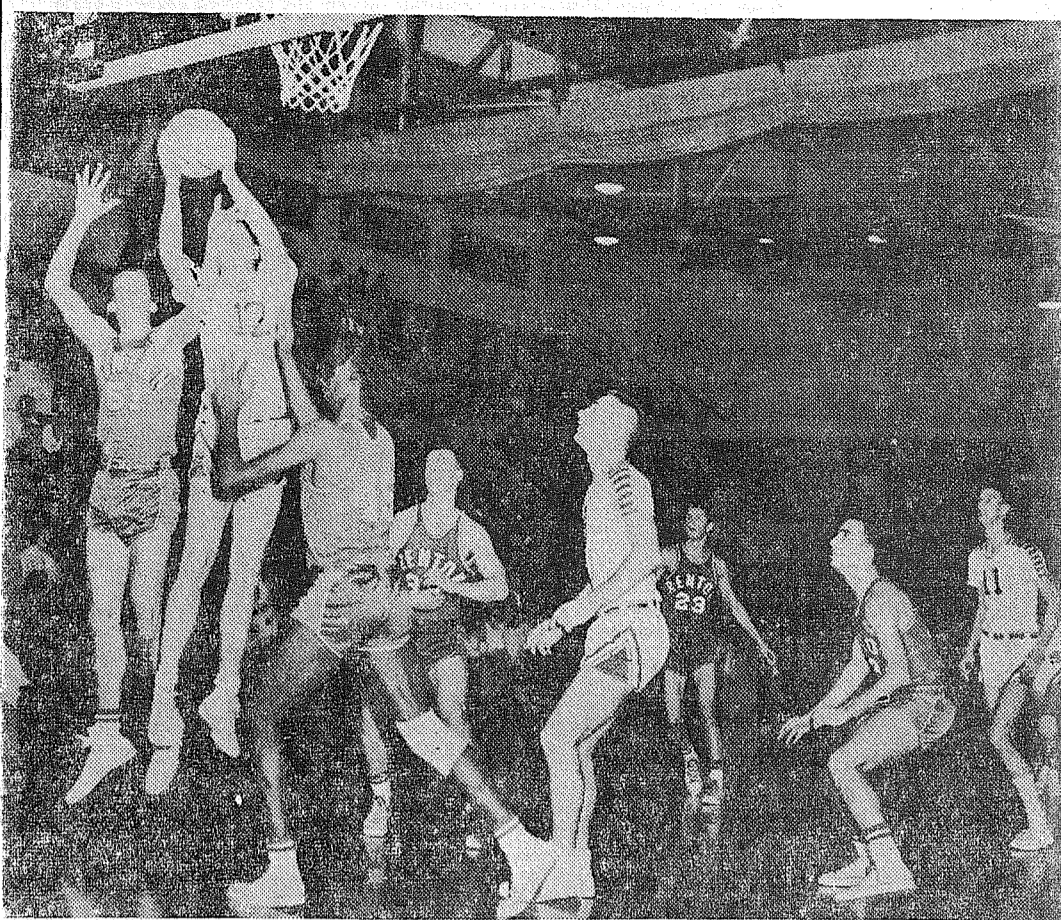

Bethel Drivers

(Continued from Page 1)
were: Joe Butcher, Sam Goddard, Lyonel Hamblin, Mrs. Fern Kenard, Duane Lobeda, William Pier, Ronald Poage, Lee Reeves, Mrs. Adele Ruth, Henry Schmidt, Bob Sims, Mrs. Ramona Matchett, Charles Gardner, Howell Sparks, Mrs. Albertina Butcher and Ed Glenn. Eight of the Bethel drivers not only received the recognition pins, but also special certificates for their long records of safe driving. Two of the drivers were especially noted as their safe-driving records extend back to the date when the Bethel district started this safety program. They are Ed Kenrick and Pete Gund who both have accident-free records for the full eight years. The other drivers who received these special certificates were Ben Kuper, Jim Nylander, Walt Sahli, Lester Coss, Ernie Wallace and Robert Miller.

Altar Society

The Altar Society of Our Lady Queen of Heaven parish will meet in the parish hall Monday evening, Jan. at 8:00 o'clock. Mrs. John Karamon presiding. Father William Greiger will talk on "Reading in the New Year." Hostesses will be Mrs. James Washburn, Mrs. Mildred Abra and Mrs. Gertrude Aarhus.

Franklin Pierce Basketballers in Cage Action

Franklin Pierce center Reynoir Peterson is shown in action against the Renton Indians in a recent Puget Sound league game. The Cards meet the Clover Park Warriors Friday night in the Card gymnasium in a crucial tilt for both teams. Tipoff time is 8:15 p.m.

Franklin Pierce basketball takes place Friday night when the Cardinals meet arch-rivals Clover Park in the FP gymnasium at 8:15. It will be the Cards' second start of the new year in Puget Sound league play.

The Cards will have their hands full in contending with the Warriors who field a team which has both the height and the experience to give anyone trouble. The Warriors have defeated the Highline Pirates on the latter's home floor which gives some indication as to the Clover Park prowess.

Off to a shaky season start, the Cardinals will counter with Ken Southall and Larry Carlson at the forwards, Reynoir Peterson at center, and Ricky Smidt and Gary Rihtrich at the guards. Likely to see considerable action are Forwards Bud Hellwich and Jon Malmin. Coach Del Schafer and crew needs this one if they are to have any hopes of capturing first or second place and an automatic berth in the state tournament at Seattle.

In games thus far the Cards have defeated Renton, Kent-Meridian, and Olympia. The Red and White have dropped games to Sumner and Lincoln over the holidays. Pierce met Evergreen Tuesday night in Card gymnasium in a Puget Sound league encounter. A preliminary game will precede the Clover Park game starting at 7. Schafer who doubles as Athletic Director stated Wednesday that plenty of seats are available at home games with the new west balcony bleachers adding approximately 700 seats.

Letter to the Editor

Letter to the Editor:
Some years ago there was a poem pasted on the Recorder's cage at the Court House. I would like to get a correct copy of it and learn the author's name. It went something like this:

Behold! the hunter
He riseth up early in the morning,
He disturbeth the whole household.
Mighty are his preparations.
He goeth forth when it is yet dark
And when the day is far spent
He returneth
Smelling of strong drink and the truth is not in him.
Perhaps some of your readers can supply the desired information.

ANTHROPOLOGICAL FIND

BALDWINVILLE, N. Y.—A workman digging a ditch at a construction site uncovered a human skeleton which an anthropologist said had been buried about 1,100 years. Dr. Harry L. Schoff said the bones belonged to a male Indian. He said the deterioration was surprisingly low. The bones, which have been given to the Onondaga County Historical Association, were found at a depth of six feet.
