Weekly Contest

Join our weekly contest. Win a merchandise gift of at least \$5 in value, given free every week from one of our advertisers to the person who finds the secret number in their paper and is the first one to call GR 5582. Each week we will stop the press and mark by hand in pen and blue ink ten papers with a secret number. Each paper will have a different number. The papers will then go through the folding machine and their location will be lost to all. So look close. Your paper may have a number on it in ink that will make you the lucky winner. This week's gift is on display at Parkland Cleaners, Airport and Canyon Roads. Last week's winner was Mrs. H. Clink, Rt. 7, Box 434. The winning number was FB402.

Saved From Anti-Red Mob

DARTMOUTH, ENGLAND - Police in Dartmouth, England reported that they had rescued British Communist Harry Pollitt from a village mob angered at Chinese Communist killing of British seamen. Before police hustled Pollitt from a Communist rally where he was scheduled to speak, John Akhurst, the father of a seaman killed in China, handed Pollitt a rope and note, suggesting that he use the rope. Pollitt is British Communist party secretary.
