A committee was chosen to study plans for a proposed Booster club, which, if it is formed, will be open to all residents of the district. The purpose of this Booster club would be to further interest in the school and assist the school in various activities. The official disbanding of the P-TA will be effective with the May meeting.

COLLINS . . .

Fluoridation Cited Pro, Con

The pros and cons on fluoridation were heard at the Collins P-TA meeting held Thursday evening, March 21, at the school.

A panel of three dentists and one physician provided much interesting material: Dr. Norman Hagen and Dr. Ted Johnson of the Tacoma Dental Society favoring fluoridation, Dr. Fred B. Exner, M. D., and Dr. Arthur B. MacWhinnie, dentist, both of Seattle, opposing the proposed project. Hal Evans presided as moderator.

Highlights in "pro" arguments were: Tests in cities where fluoride was added to the water showed less than 50% tooth decay; when proper dosage is used there has been no bad physical side effects; fluoridation has been voted on in 11 states and each time fluoridation won; cost of fluoridation in the water is about 10c per person per year.

Highlights of the "con" arguments were: Fluoridation in recommended dosage will produce mottling of the teeth and discoloration will increase with age; adding fluoride artificially to water can be harmful to the human body; effect of fluoridation varies with the amount of water the person drinks, heavy water drinkers could injure their health; the use of chlorine and fluoride is not the same—one is treatment of the water and the other is treatment of the patient. Dr. Exner says that if there is some natural fluoride in our water now, it is that much too much.

P-TA Elects

Collins P-TA elected the following officers at the Thursday evening meeting at the school: President, Robert Iufer; vice president, Mrs. Wiliam Root; secretary, Mrs. James Ronon; treasurer, Mrs. Claude Mulkins. A life membership was presented to Mrs. Lamont Pulley.

Church Announces Interesting Speaker

"Will Israel be Exterminated by the Arabs and Russia?" will be the subject of the sermon by Rev. Gavin Hamilton tonight (March 28) at 7:30 in the Clover Creek Baptist church. Mr. Hamilton is a world-wide traveler, evangelist, conference speaker, and student of Bible prophecy. He has a very unique ministry of holding Bible conferences for missionaries all over the world. Just recently, Rev. Hamilton returned from a tour of Central and South America, and will be showing movies of these visits as well.

The many friends of the Clover Creek Baptist Church will remember with pleasure the week of meetings held two years ago with this speaker.

Services next Sunday morning include the 9:45 Sunday school which has classes for all ages and the 11:00 a.m. worship service. Pastor Vance F. Babcock will be bringing another message in the series of studies from John's Gospel, chapter four. The evening services include the 6:30 Young People's meeting and the 7:30 p.m. church service.

The Clover Creek Baptist Church is located on Military road, three miles east of Pacific Ave. at 159th, and opposite the Clover Creek school. Everyone is welcome to these services.

4-H Cloverbuds Complete Year

Georgia Gemmell and her mother, Mrs. Frank Baskett, were hostesses to the last meeting of the Midland 4-H Cloverbuds on March 19. The girls learned that their luncheon teams both received blue ribbons at the district Meal Preparation contest. They were Nadine Olsen and Georgia Gemmell and Janet Bombardier and Donna Ayers. Nadine and Georgia were among the high scorers and will now be eligible to compete in the elimination contest where the highest luncheon and dinner or food for fun teams will be chosen to represent Pierce County at the state 4-H Fair in Yakima in September.

The members also discussed what they are going to donate to the 4-H booth at the Harvard-Midland P-TA carnival to be held on Friday, April 5.

The 4-H Cloverbuds also wish to thank Johnny and Pete Bussanich for letting them use the Midland Thriftway for their bake sale last Saturday. The girls are trying to earn part of their summer camp money.

The 4-H'ers recently completed a four-lesson sewing course at the Singer Sewing Machine Center where they all made dirdnl skirts.

Mrs. Albert Bombardier and Mrs .Baskett served refreshments after the meeting.

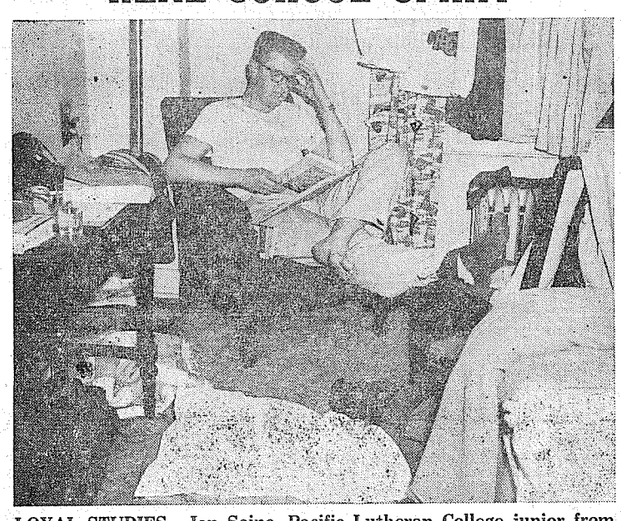
REAL SCHOOL SPIRIT



LOYAL STUDIES—Jon Soine, Pacific Lutheran College junior from Bellingham, sinks into deep study at Kansas City after a NAIA basketball game. Soine, who with several other PLC students, attended the games, studied at night. Soine and roommate Dean Leibner, who both acted as cheer leaders during the tourney, slept in sleeping bags on the hotel room floor. The hotel allowed the boys to do it with no expense . . . they also furnished the students towels and blankets at no cost. This is one of the examples of how Kansas City went all out for the friendly PLC followers. Photo by McKewen (direct from Kansas City).

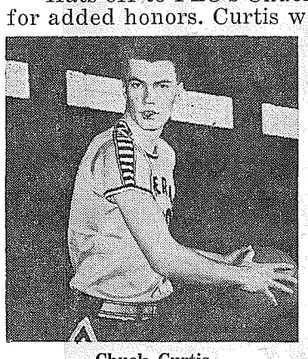
Hats off to PLC's Chuck Curtis and Roger Iverson for added honors. Curtis was named to the Little All-American cage second team, while Iverson was high on the list of honorable mention.



Chuck Curtis

* * *

Recently both of the sophomore Lutes were chosen on the first five of the All NAIA tourney squad. The only two from one team on the first dream team.

* * *

Jim Barnett, the man the Lutes won't forget very soon, was named to the third squad. Barnett is the fellow who dropped in the long shot for Tennesee State against PLC in the semi-finals of the NAIA for the 71-70 southern win.

Iverson and Curtis are All-Everything this year as they also made the Evergreen All-Conference team.

* * *

With the cage season finally at a close, the Northwest scoring race shows Elgin Baylor, the Seattle U All-American, way out in front with 826 points in 27 games. But Curtis and Iverson are in the top five.

Curtis is second with 643 and Iverson is fifth with 530. Last year the top scorer in the Northwest had only 553 points.

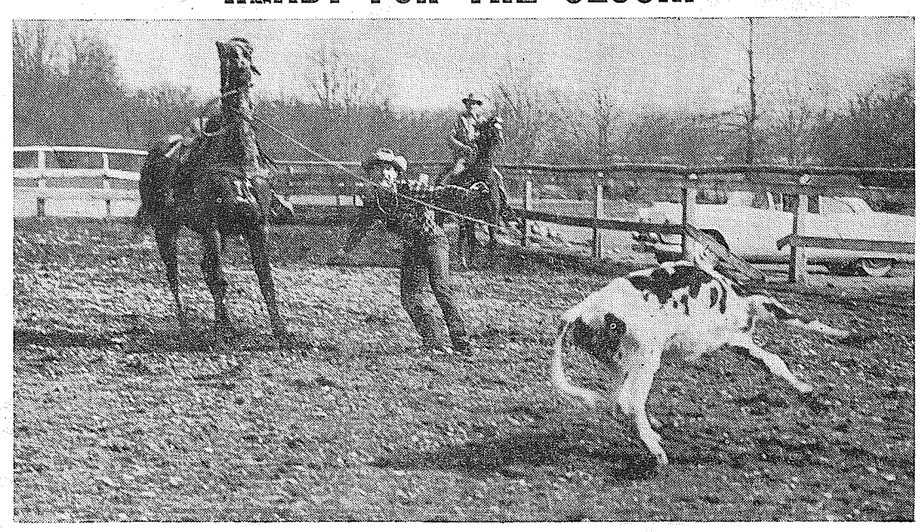
* * *

We were stormed with phone calls last week. All from angry junior high school girls. The story stating the Parkland Junior Hi team won the league over Midland, Collins and Central Avenue was incorrect.

Actually Midland and Parkland shared the crown with identical 5-1 records. Collins had 2-4 and Central Avenue had 0-6.

Calf Roping Becoming Popular Sport in Southend

READY FOR THE CLOCK!



SPEED AND SKILL—With his horse smartly tightening up on the rope, Ken Dunlap, manager of the Murray Ranch, prepares to tie the roped calf during action in the weekly roping session. Dunlap trains horses for such an event along with other horse activities. Photo by McKewen Studios.

Murray Ranch is Cite Of Growing Activities

Hey Pardner!! Saddle up and let's get on out to the Murray Ranch and get some topnotch cowboy instruction.

That's right . . . the old Murray Ranch, four miles south of Roy on the Pole Line Road. That is where Ken Dunlap, the 24-year-old all-around comboy from the 1956 Parkland Round-up is giving all types of horsemanship plus having open calf roping and cow cutting three time a week.

From Oklahoma

Dunlap, the one time Oklahoman, who has been operating at the Murray site for six months, holds the popular event on Tuesday and Thursday nights and Sunday afternoon with everyone invited. Spectators and participants too.

The affair includes roping of calves from the arena chutes and practice of cow cutting. Dunlap stated that around 30 "part time" cowboys attend these sessions and he hopes to have more. If it rains the whole works is held inside the big 80x180 foot barn.

More Popular

Dunlap said that the roping is becoming more popular in the area and if things go as planned he hopes to have a more elaborate setup in the future.

Along with holding this roping event, Dunlap also trains, rents, breaks and boards horses.

Since adopting the Puget Sound area after being stationed at Fort Lewis, Dunlap has amassed an impressive record. Besides the All-Around Cowboy award last year he won the average bareback event and was second in the calf roping. He was Northwest champion of the cutting horse division at Yakima last year on the horse "Cherry Echols" and also took the title in the Novice Division on the horse "Necco Taylor". Each event covered Washington, Oregon and Idaho. Dunlap trained and rode the two championship horses.

The talented cowboy hopes someday of holding his own rodeo. And he has the facilities and experience to do it!

Bethel Opens Track, Baseball

Baseball and track action is underway for Bethel high school as the cinder squad hosts Eatonville and Peninsula this afternoon in a three-way meet starting at 2:30 p.m. and the diamond nine opens the season at Peninsula April 2.

Track coach Terry Brown, PLC grad, has five lettermen returning including Al Cantrell, Ken Riley, Larry Fritz, Gary Wymore and Eldon Chadwick.

Frank Pavia, the baseball head mentor, has high hopes with nine lettermen back. They are Kirk Bardwell, Rex Bell, Cal Christoph, Morris Bush, Wayne Bush, Eddie Hagen, Don Leigh, Walt Laycock and Jerry Shannon.

Pavia also figures on much action from hurler Steve Goings and catcher Earl Ogden.

County Agent's Corner

By George Purcell

Like Ol' Man River the 4-H new leaders of 4-H in Pierce clubs continue to grow. Recent new leaders of 4-H in Pierce County are being led by Mrs. Harold Gross of Eatonville, Mrs. Mary Hendrickson of Key Center and Whitney Roberts of Alderton; Mrs. Mary Steele of Lacamas plans to start soon. They accepted their community's challenge, the challenge to help develop better boys and girls 10 to 20 years of age. Why don't you accept the same challenge? There is no pay in money for services rendered.

There is pay though! As Mrs. George Richen of Riverside, who has led 4-H club for 20 years says "The satisfaction of seeing the development and improvement of my 4-H boys and girls into responsible citizens, not just producers of better farms and homes although this has too been a source of great satisfaction and gratification to me." "There just isn't any crop more important than crops of boys and girls." "All kids need the extra training in small groups and 4-H is the logical answer to teach them to work and play together and learn importance of taking initiatiive and responsibility concerning their animals, poultry, gardens, trees, cooking, sewing, etc."

In our travels over the country we county agents constantly are meeting successful farmers and other businessmen and good homemakers who were former 4-H'ers and give 4-H a lot of credit for having helped them. Actually I could not name them all. A few I recall off hand are Eunice Protrofke of Weyerhaeuser school area, Warren Picha of Puyallup and Hrs. Sheldon Stutz of Gig Harbor.

Busy boys and girls seldom get in court, according to our judges, and that tells very simply why 4-H boys and girls seldom appear in court. In Pierce County during the last 11 years to the best of my knowledge there has not been a single girl or boy in court among the some 3,000 Pierce County 4-H young people. The 4-H leaders and the 4-H concept of busy boys and girls get the credit for this record. Have you ever stopped to think seriously about how much tax money the 4-H leaders and 4-H program may have saved you? Maybe none, but maybe hundreds.

Rearing healthy, profitable pullets was discussed very thoroughly at the last meeting of the Peninsula poultrymen's association held at Purdy. L. C. Boggs presented interesting information on the subject. Highlights of his discussion included isolation brooding to avoid leukosis, confinement rearing, and restricted lighting for growing pullets. He pointed out that even with improved strains of birds it is still important to isolate young chicks from adult birds. The older the chick before it is exposed to leukosis the less the trouble experienced during the laying year. Many poultrymen have fine isolated brooding rearing houses. Ed Yanasak from Orting; E. M. Antonson, Gig Harbor; Harold and Cole Foster, Sumner; Leo Doty, South Prairie are a few. Others such as Sig Sivertson, Edgewood; Bob Berg, Puyallup; Chas. Pasquier, Sumner; and Les Schaffner, Summit, have fine brooding-rearing houses that are not isolated by much distance between adult birds but the operators themselves are careful to change footwear between brooding and laying houses. Isolation doesn't always pertain to distance but rather to the spreading of troubles by feet and clothing in many cases.

In regard to lighting growing pullets, Mr. Boggs suggested that no lights be used until after the birds come into egg production. As proof he offered results of summer hatched birds that started laying during short daylight days during the fall and winter. These birds produce in many cases better than early spring hatched pullets.

The Pierce County Homemakers Council met at the home of Mrs. Daniel Neilson of Eatonville March 21. Mrs. Clarence Guttormsen of Gib Harbor presided at the meeting.

The Standard of Achievement for homemakers clubs was discussed so that all presidents would have a preview of the requirements for each club to finish in order to get a certificate from the State Homemakers Council.

Programs for next year were discussed. Each year the homemakers club members choose the subjects for leader training meeting they feel will benefit them the most.

A book review on "I'm telling you kids for the last time" by Parke Cummings was given to the council. All parents would find this interesting and amusing reading.

Tibbitts Wins AAU Top Award In Northwest Gymnastic Meet

Thorne Tibbitts, former Bethel high school athlete, won the first place AAU medal in the Northwest Gymnastic Championships at Seattle Pacific Colege last weekend in the horizontal bar division.

Tibbitts, son of Mr. and Mrs. Thorn Tibbitts, Graham, won the only first for Washington State College. The University of Washington took top team honors with WSC second.

The win for Tibbitts was the second consecutive first place medal for the local gymnast as he recently took similar honors in a dual meet against the University of Washington.

Lute's John Fromm Resumes Cinder Honors With New Javelin Mark

John Fromm, PLC's NAIA javelin champion, is expected to continue this season where he left off last year for the Lutes' cinder squad.

Fromm, one of the Gladiators' top rushing football players, set a new record at the Washington State College invitational indoor track meet last week with a heave of 217 feet 9 and three-quarter inches. His new mark was the only record broken at the meet.

WSC took team honors with 83 points followed by Oregon, Whitman, Eastern Washington, PLC, Whitworth and Idaho.

The heavy cruiser USS Toledo has steamed enough miles since her commissioning in 1946 to have sailed around the world 10 times.

Paton, Thomas Lead Rolling Bee Kep Loop

Mary Paton, with a high single of 184, and Marceline Thomas, with series honors of 475, took top awards for the Roling Bee Women's Bowling league this week while Carlson Brothers held on to first in team standings.

Folowing Carlson Brothers in team standings are H & W Wiring, Parkland Pharmacy, State Savings and Loan, Bazaar of Originals, Rucker Brothers, Puget Sound Nursery, Bryan's Apparel, Park Ave. Shoes and Lincoln Furniture in that order.

Splits were picked up by Frances Dailey, Emma Unkreer, Gladys Larson, Phyllis Myers and Doris Kamcheff.
