Bethel Sophomore Tolo Royalty

TO REIGN AT BALL—Shown above are the Bethel Sohpomores chosen to highlight the class tolo to be held in the high school auditorium Friday evening, March 8, beginning at 8:30 o'clock. Seated are King Carl Schriver and Queen Doris Hoyt; standing behind them are their attendants: Jay Cole, Jean Jorgensen, David Holder, Sharon Volbrecht, Charles Ackerson and Marlene Horner. The tolo theme, "Dancing on a Cloud," has to do with the wonderland of space ships and men from Mars.

Girl Scout Cookie Sale March 9-23

CHAMPIONS—Pictured above are members of Mrs. A. C. Emery's Brownie troop, champion cookie sellers of the Southeast District last year. They are, left to right, front row: Charon Emery, Kathleen Holl, Shelia Schlesser; back row: Judy Berger, Janice Lingbloom, Bonnie Kay Sahs, Pamela Mills. Photo by McKewen

The Girl Scout cookies sale will be held from March 9 to 23 inclusive. The cookies will be the usual delicious chocolate and vanilla creme filled that have been featured each year. It is the annual drive to provide funds for the support of the day camp program and the established camp for Girl Scouts and Brownies at St. Albans.

Through the support from the cookie sale, it is possible for many girls to have camping experience who would otherwise not have the opportunity.

At the Spanaway Day camp last summer, 300 girls enjoyed swimming, archery, outdoor activities and cooking. Many arts and crafts were provided. The ages of the girls was from seven through the teens. The money from cookie sales paid approximately half of the day camp expenses.

This is to be a direct sale, with no orders being taken before hand. Each girl will be assigned a street, not necessarily the one she lives on. Therefore, everyone is urged to buy from the Girl Scout or Brownie who comes first with friendly smile and the fine tasting cookies.

Mrs. Rufus Harvey is the cookie chairman and depot manager for the Southeast District. Each troop has a cookies chairman. If anyone is not contacted and would like to buy cookies, they may call Mrs. Harvey, GR 7320, or Mrs. Lund, GR 3484.

Mum Society Mar. 11

Are you interested in growing Chrysanthemums right in your own yard? Have you ever admired these large "football" 'mums in display windows? Do you know that you can grow them outdoors? You are cordially invited to attend the meeting, Monday, March 11, at 8:00 p. m. in the fireplace room of the main library of the Tacoma & District Chrysanthemum society.

Mrs. B. H. Englund, president, will be on hand to make you acquainted with everyone. Mrs. H. J. Walters, director of horticulture, will give a lesson on growing 'mums. She will aid you with your problems and will help to find the answer to your questions. There will be a guest speaker, Art Hansen.

A social hour after the meeting will be held under the direction of Mrs. W. D. Leith and Mrs. Fred Gordon.

"People are just as funny to monkeys as monkeys are to people," asserts a zoologist. We differ from monkeys (somewhat) in that we don't think people are as funny as monkeys—we think they're funnier.

Pacific Lutheran College really proved what they could do last week against the Buchan Bakers. The Lutes certainly gave the 2700 packed fans a show.

With Jim Van Beek leading the way, PLC moved in front early, built up a 16 point lead and staved off a late rally to dump the AAU champs for the second time this season.

* * *

The whole Lute ball club played well with big Nick Kelderman adding some spectacular and timely hook shots to really befuddle the opposition.

With VanBeek and Rog Iverson hitting from out (And Beek's lunging drive-in's) Kelderman's hooks and Chuck Curtis playing in front of the free-throw lane the Lutes flipper a different attack at the puzzled Bakers. That along with the fine defensive play of Jack Sinderson and the reserve strength of Tom Sahli and Bob Roiko did the trick.

* * *

Chuck Curtis finished the regular season for PLC with a 19.5 scoring mark. This is better than last year when he hit for 15.7 per game. Rog Iverson increased his to 15.7 from last year's 14.8.

Van Beek, who averaged 4.4 last season, moved up to an even 11 points per tilt.

Reserved seats for each of the four nights of the Class A tourney are on sale at the UW ticket office, Edmundson Pavilion. You may order by mail. The tourney runs March 13-16.

BETHEL BRAVES

THIRD PLACE—Finish third place in the West Central League, the Bethel Braves finished a successful season last week. Left to right (front row) are: Cal Christoph, George Bennett, Dave Leigh, Ken Riley, and Eddie Hagen. Back row (left to right) Coach Bob Fincham, Gary Gregg, Al Cantrell, Jim Dean, Kirk Bardwell, and Dale Nielsen. Bennett, Riley, Cantrell, Dean and Gardwell are seniors.

Only 1 Will Survive; Peninsula Out Early

Three teams from the Puget Sound League will continue their battles for berths in the State A basketball tourney Friday night at Renton as loop winning Highline meets Renton and Kent-Meridian faces Bellevue.

Highline, the class of the league and only once beaten during the regular season, was dropped by West Bremerton 57-51 last week in the second round of the opening bracket. They won their opener against Bellevue 50-49.

Meanwhile Renton lost its opener to powerful Port Angeles 51-31 but won over Lake Washington 53-49. Kent-Meridian dumped Lake Washington 70-50 the first night then lost to Port Angeles 58-55 Saturday.

Saturday the winners of Friday night's games play for the district third place and a spot in the state tourney. West Bremerton and Port Angeles (who already have tourney berths clinched) play the final Saturday for the top spot in the district.

The West Central League's representative, Peninsula, found things too rough as West Bremerton whipped them Friday 59-47 and Bellevue did the same Saturday 67-45.

JC BENEFIT BASKETBALL GAME MARCH 15TH!

Yelm Stops Eatonville In Tourney Finale

Eatonville's Cruisers nearly made it to the State B tourney, but a team they beat earlier whipped them in the final District battle.

The Cruisers, who were dumped by one of the B tourney favorites, Port Townsend 61-33 Friday night, fell to rival Yelm 50-27 in the deciding game.

Eatonville whipped Yelm the opening night of the tourney but was a victim of revenge the final night.

Against Yelm on Saturday Hollis Barnett paced Eatonville with 10 points. The Cruisers had an ice cold first half netting only 10 points.

Against Port Townsend Carew tallied 10 points to lead Eatonville.

Training Course

The Belle King Guild of the Washington Association for Retarded Children will meet at the home of Mrs. R. E. Little Thursday evening, March 7, at 8:00.

The evening will be spent continuing work on the dolls for Buckley Hall at Rainier State school.

Jesse Browning, son of Mrs. Anne L. Browning of Allison road, has joined the Army and is now receiving basic training at Fort Ord, Calif. He is a graduate of Clover Park high school and attended the University of Wash.

Mara's Cafe Is Now Open

New this week is Mara's Cafe (formerly Ada's Cafe) at 99th and Portland, with Mrs. Mara Law welcoming old friends and new at her cozy restaurant.

Mrs. Law has spent the past 10 years in the cafe business in western Washington and feels that she knows how to please her customers. She will feature a merchant's lunch at noon, with meals and short orders at all hours the cafe is open, 7:00 a. m. to 9:00 p. m. week days.

For the present she will be asisted by her son Chuck, the two living in an apartment in the building.

CANYON ROAD . . .

Canyon Road Auxiliary Busy

"A Day in the Life of a Policewoman" was the theme of Capt. Myrtle VanBever's interesting talk at the Canyon Road Ladies' Auxiliary luncheon last Thursday. She related several incidents to show how necessary it is to have a woman accompany the arresting officers. Her hopes are to have more women on the force than the four now on duty.

The lovely luncheon had St. Patrick's Day for its motif; hostesses were Sarah Field, Beverly Campbell, Mrs. Zeemer and Mrs. Dugwyler.

Sorry!

We are very sorry to learn that the Smiths—Herold, Betty, Susan and Robert—are moving to Tacoma as soon as Robert recovers from the chickenpox. They have sold their home on Canyon road.

Clinton Smith of East 72nd St. has been temporarily retired from the school ball team. He broke his finger playing ball at school.

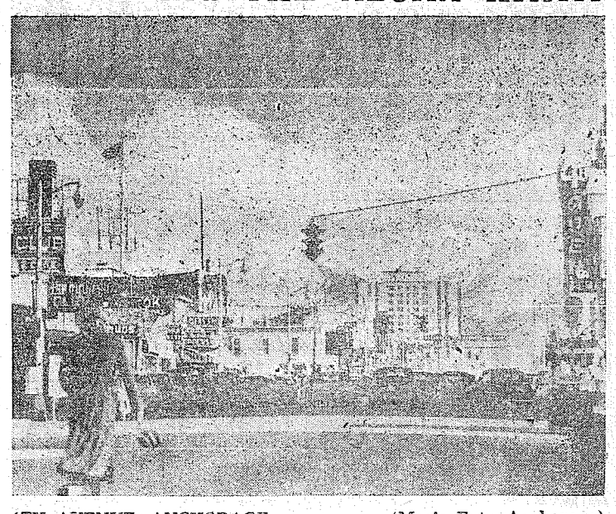
TRAVELING THE ALCAN HIWAY



4TH AVENUE, ANCHORAGE (Mac's Foto Anchorage)

Leaving Palmer and traveling the Glenn Hiway towards Anchorage will take you across the Matanuska River bridge at milepost 46. At this point you can look back up the tremendous gorge thru which the river flows. On this portion of the road you will be traveling over the old "Tote Road" constructed in the early days.

At milepost 38 you will cross the Knik River bridge. The headwaters of this river are formed by the Knik Glacier. This glacier is famous in the north as it blocks the gorge leading to Lake George. Some time in August of each year the glacier thaws sufficiently to let the hugh ice dam holding back the waters of the lake break. The water from the lake comes rushing through the gorge draining the lake and sending countless tons of ice down the river. This great rush of ice and water usually floods the highway below and the adjacent country. This event is of great interest to thousands of persons who hold tickets in the break up pool, with some lucky person that hold the correct time of the breakup winning a small fortune.

At milepost 27 you will reach a junction with a side road leading off to your left for 12 miles to beautiful Eklatna Lake, a popular camping and picnic spot, noted for it's abundance of rainbow trout. This lake also supplies the water power for the hydro-electric plant furnishing electricity to the city of Anchorage. You will pass the plant on the main highway.

From milepost 27 to milepost 13 you will find quite a few public camping grounds and picnic sites. If you have a trailer and plan to rough it without staying at a regular trailer camp it will be wise to select one of these spots for your permanent camp while taking in the scenic spots around Anchorage. Three of the main ones are Peters Creek, Pelka Park and Eagle River, the latter being only a few minutes drive from downtown Anchorage.

At milepost 13 you will come to a fork in the road. Straight ahead will take you into Fort Richardson, the road to the left will bypass the military base. In the past, before this new bypass was constructed, all traffic was convoyed through the Fort and sometimes resulted in quite a delay for the motorist passing through.

After skirting the Fort you will travel through the suburban community of Mountain View and pass the municipal airport, Merrill Field. Once again you'll be amazed at the number of small planes to be seen. They actually seem to be as common a sight around Anchorage as cars.

Here in Anchorage as well as other cities in Alaska you will find that foodstuffs you brought with you will represent quite a savings to you over local food prices, so before you leave the States, be sure to stock up at the

hello

Bill McLeod, your Telephone Manager

By now most of you folks are undoubtedly aware of the city-wide telephone number change coming up this June. This number change is necessary in order to fit Tacoma into the nationwide numbering plan. Most of you will have your present number changed only by the addition of a prefix. For example, Market 0556 would change to Market 7-0556. Lakewood 7081 will change to Juniper 8-7081.

We were able to keep such familiar prefixes as Market, Broadway and Waverly. We were sorry to have to eliminate others such as Proctor and Lakewood. The nationwide numbering plan divides the country into areas and there cannot be any duplication of numbers in these areas.

The telephone number translation list appearing in this column gives you a means of determining your new telephone number. However, in a few individual cases, equipment rearrangements might make a total number change necessary. All telephone customers will receive a notice in May confirming their individual number.
