FP Plans Candidate Forum

A candidates' political forum will be held Thursday, November 3 at 8 p.m., in the cafeteria of Franklin Pierce High School.

Sponsored jointly by the Franklin Pierce Education Association and the Franklin Pierce PTA Council, the forum will feature short talks by political candidates in the district and give those present an opportunity to meet and talk with the candidates.

At the first forum two years ago, 600 people attended.

Expected to appear on the program will be Floyd Hicks and George Mahler candidates for Sixth District Representative, and Jack Berry and Jack Davelaar, candidates for Pierce County sheriff.

"We want to give the people who live in this area an opportunity to hear what these candidates have to say and to meet and speak with them," said Donald Dowie, the education association legislative chairman who is in charge of the forum.

"This is not a political rally," he emphasized. There will be no demonstrations, only short speeches by each of the candidates and a free time so they can meet the people."

Members of the Civic Affairs Club of Franklin Pierce High School will man booths for each of the candidates to pass out literature, and representatives of both political parties will be present with campaign literature for candidates of their party who are not present.

Montoya Heads List Of Stars For PLU

Guitarist Carlos Montoya will be the first of five attractions on the Pacific Lutheran University Artist Series Monday evening, Nov. 7.

Other events scheduled include an evening of dramatic interpretation by Vincent Price, Jan. 13; a concert by the Juilliard Quartet, a string ensemble from New York, Feb. 2; a recital by tenor Rolf Bjoerling, March 9; and a concert by the New York Sextet, a vocal ensemble, April 27.

A Spanish gypsy, born in Madrid, Montoya is a world renowned master of the flamenco guitar. He achieved national fame by the age of 14 when he was the toast of the "Cuardos Flamencos" during the heyday of flamenco singing and dancing. His debut as a solo concert artist in 1948 was preceded by years of accompanying.

Names, Issues Overflow Many Voting Machines

Pierce County voters will be expected to make nearly 40 decisions apiece Tuesday once they have decided to close the curtain in the polling booth for the general election.

Thirteen state ballot measures and as many as four local measures will appear on each voting machine or on supplementary paper ballots required in some precincts. These choices will be in addition to the 21 candidate levers they will be expected to crank in the short voting interval.

Below are listed, in order as they will appear from left to right on the machine, the ballot issues. Voters are urged to use this or some other notation to assist them in voting.

Initiative 226
Initiative 226 would allocate one-tenth of the state retail sales tax and use tax to cities and towns for public safety, law enforcement, fire protection, public health and park and recreation services.

Initiative 229
Initiative 229 would repeal an existing statute which declares it a crime on the first day of the week (Sunday) to promote any sport or amusement, conduct or carry on all but certain designated trades or manufacturing activities or open any drinking saloon or sell or offer for sale any except certain designated items of personal property.

Initiative 233
Initiative 233 would repeal a statute which prohibits operating freight trains having 25 or more cars with a crew of less than six, or light engines with a crew of less than three outside yard limits. It would prohibit the state from preventing railroads from manning freight trains in accordance with collective bargaining agreements or other settlement of train crew size.

Referendum 14
Referendum Bill 14 would authorize the sale of general obligation bonds up to \$16,500,000 to finance state assistance for construction of school plant facilities.

Referendum 15
Referendum Bill 15 would authorize sale of state general obligation bonds in the sum of \$40,575,000 to finance construction of buildings and facilities at five state colleges, and certain correctional and custodial institutions and an addition to the State Historical Society museum.

Referendum 16
Referendum Bill 16 would revise the boundaries of the First, Second, Third, Fourth Sixth and Seventh U.S. Congressional Districts.

SJR 6
Senate Joint Resolution 6 in a proposed amendment to Article IV of the state constitution eliminating the names of unopposed Superior Court judges from the general election ballot.

SJR 20
Senate Joint Resolution 20 is a proposed amendment to the state constitution removing the remaining limitation on land ownership by non-citizens.

SJR 22 - Part I
Senate Joint Resolution 22 (Part I) is a proposed amendment to Article IX, section 3, of the state constitution establishing a common school construction fund to be derived from (1) sale of timber and other crops from school and state lands, (2) interest, rentals and revenues from the permanent Common School Fund and from lands devoted to the permanent Common

School Fund, and (3) such other sources as the legislature may provide.

SJR 22 - Part II
Senate Joint Resolution 22 (Part 2) is a proposed amendment to Article XVI, section 5, of the state constitution permitting the legislature to expand the investment opportunities of the Permanent School Fund.

SJR 25
Senate Joint Resolution 25 is a proposed amendment to Article VIII of the state constitution permitting port districts to use public funds as the legislature may specify for industrial development, trade promotion and promotional hosting.

HJR 4
House Joint Resolution 4 is a proposed amendment to Article VI of the state constitution allowing U.S. Citizens meeting all constitutional qualifications for voting in the state, except for length of residence, to vote at a U.S. presidential election if they (1) intend to make this state their permanent residence and (2) have resided in the state at least 60 days immediately preceding the particular presidential election.

HJR 7
House Joint Resolution 7 is a proposed amendment to Article VII of the state constitution authorizing the legislature to grant relief from taxes on real property owned and occupied as a residence by retired persons, subject to conditions as the legislature may establish.

HJR 39
House Joint Resolution 39 is a proposed amendment to Article VIII, section 3, of the state constitution requiring the publication in every legal newspaper in the state at least four times during the four weeks immediately preceding the election, of the text of any law to be voted upon by the people authorizing state debts.

Mr. and Mrs. William Sundberg

Firwood Couple Named Grangers Of The Month

FIRWOOD - Mr. and Mrs. William Sundberg, long time berry farmers of this area have been selected to receive the October Granger of the Month honors bestowed upon them by Pomona Grange.

When Firwood Grange was organized April 3, 1934 the couple became charter members. They are also members of Pomona.

Sundberg was elected to the Master's station the second year and throughout his 32 years of active Grange work has served a total of 12 years in that office.

He has also held the office of overseer, steward, assistant steward and treasurer and has been on the executive committee.

The Granger of the Month was instrumental in organizing Drainage District No. 21 that serves the Firwood area and in getting the light installed at the railway crossing in that area.

Among his other activities, Sundberg lists the Plumbers and Steamfitters Union, Local 82 in Tacoma, of which he serves on the examining board and finance committee. He has been a board member of the Grange Supply for the past 20 years and served his area as a director on the school board.

In his work at the plumbing trade, Sundberg attended a union convention this past summer in Kansas City as a delegate.

Mrs. Sundberg accompanied her husband. The couple enjoyed a month long vacation that included a tour of Washington, D.C.

Mrs. Sundberg has been a faithful worker for her home Grange holding many offices throughout the years. She also has served on many committees.

"Grangers always received a warm welcome when Firwood entertained at County functions, because of the hospitality shown by Mrs. Sundberg," said her fellow Grangers.

Long active in community affairs, Mrs. Sundberg worked with the PTA at Firwood and has served as president

County Police Beat Cycle Riding Resident Pursues Dog

By Em Matson

A Midland area resident used a motorcycle to chase down a chicken-killing dog, then shot at the nimal on the grounds of Franklin Pierce High School, Sheriff's Deputies reported last week.

The incident took place about noon, Friday, Oct. 22. The suspect admitted shooting the animal twice during the chase on the school grounds. The first shot struck the dog in the leg, he said. After wounding the animal a second time on the Morris Ford Junior High grounds, the suspect stated the dog continued to run and could not be located.

When the dog first entered his yard and started to kill chickens, the man said he ran into his house and armed himself with a .22 caliber pistol. He used his motorcycle to pursue the animal because it was running too fast to make a good target as it fled his property, deputies were told.

The suspect did not know who owned the black and white dog he shot, police stated. The case was turned over to Pierce County Humane Society officers for further investigation.

PARKLAND - A 20-year-old Spanaway man was arrested and booked by Sheriff's Deputies after a Franklin Pierce football player reported a gas theft earlier the same evening.

The suspect was arrested at 134th and South Park, a short distance from the scene of the siphoning, Deputy Sheriff Tom Sotak stated.

Victim of the gas theft was Tom Marr, Franklin Pierce senior and football kick specialist, who was forced to leave his car in front of a teammate's house because of a flat tire. The teammate, Quarterback Glenn Hadland, had just returned from driving Marr home when he interrupted the theft.

Several men fled from around Marr's car, leaving a siphoning hose spewing gasoline out on the ground, deputies learned. A 5 gallon jeep-type can abandoned nearby.

The deputies found a car parked ahead of Marr's with the trunk partially open. It contained another 5 gallon jeep can, various hub caps, a 4 speed transmission, and a red suitcase, Sotak stated. A search of the vehicle revealed a knife reported stolen earlier that evening, and six packs of beer.

The suspect admitted owning the parked car, but insisted it was parked because it had stopped running. With the suspect's permission, Deputy Sotak started the car and discovered it ran perfectly.

The vehicle was impounded at Lucky Sales.

SPANAWAY - A truck belonging to a Grass Range, Montana, man was burglarized last week and striped of the cab radio, tachometer, and speedometer. The thieves also made off with two truck batteries, and siphoned about 50 gallons of gas from the vehicles tank.

The victim, Garry Nelson, told Deputy M.R. Knutson that his truck was parked near the Roy "Y" at the time of the burglary.

SUMMIT VIEW - Burglars used a heavy pry bar to break into Summit Drugs, 5405 East 112, and steal a 300 pound safe, Deputy R.A. Rasmussen reported.

After prying the front door open, the burglars moved a refrigerator and a display counter in order to move the safe out. Rasmussen said. The safe contained \$350 in cash and a quantity of narcotics, store owners stated. During removal of the safe, the thieves scattered a display of after shave lotion on the floor.

The safe was described as olive-crinkle finish and approximately 30" x 24" x 24". Total loss was listed at \$500 plus safe and door damage.

EATONVILLE - A Welch-Shetland pony was stolen from Otto J. Preugschat, Sr., Rt. 1, Box 106, Eatonville, Deputy Roy L. Durham reported last week. The animal was taken from behind the Preugschat barn and is described as 36" tall, a golden sorrow with flaxon tail and mane. It has a small white spot on its forehead.

MIDLAND - A front window of the Country Maple and Carpet Shop, 8021 Portland Ave., was smashed by burglars who netted less than \$3 in change for their efforts, Deputy M.R. Knutson reported early last week.

Filing cabinets, a cash box, and desks were ransacked during the burglary, Knutson said.

New School Addition

FRANKLIN PIERCE Superintendent Dr. E.E. Hill checks a refrigeration unit during the acceptance inspection of the new Collins Elementary School addition. Looking from left to right are Architect John Richards, Dr. Hill, School Director Wilbur Roberts, and Collins Principal Doug Vanderpool. The addition was accepted at the school board meeting held Oct. 25.

Public To Hear Sewer Proposal For Parkland

A public information meeting for persons interested in sewers for the Parkland area will be held Wednesday, November 9 at Keibley Junior High School at 8:00 p.m.

The meeting will be sponsored by the South Suburban Sewer District to explain the plans for providing a modern, efficient method for sewage disposal in the greater Parkland area.

State Senator George W. Kupka and Dr. Ernst Kredel, Director of Public Health in Pierce County, will be the main speaker. The commissioners of the sewer district will be on hand to explain the plans and answer questions.

In announcing the meeting, Clayton B. Peterson, President of the South Suburban Sewer District said, "The time has come for positive action. We live in one of the most progressive communities in the state. The Parkland Light and Water Company has pioneered in bringing many services to our area. We have a university that provides many cultural, social, and educational opportunities.

PTA News New Dist. 12 Officers

BEGINNING PLANS FOR THEIR two year term of office are newly elected leaders of District 12 Washington Congress of Parents and Teachers. Their president Mrs. John Hartsell (center) will be assisted by (left to right) vice president Bill Kalenius, third vice president Mrs. LeRoy Harvey, first vice president Mrs. Sidney Wood and second vice president Mrs. Alton Heinz. Absent for the picture was secretary Mrs. Dan Martin.

HE WHO DOES THE MOST, NEEDS LEAST TO BOAST!

ELECT **HOWARD O'CONNOR**
SENATOR, 29TH DIST. REP.

NOTICE!

IS THIS FAIR TO TAXPAYERS?

Why pay a representative \$3600.00 salary plus \$40. a day expenses? Mr. Len Sawyer accepted his full pay but did not give us his full representation.

Of the 20 most important bills to be voted on the last session of the Leg. (as listed by the "Wash. State Central Labor Council") Mr. Sawyer was absent 9 out of the 20 times that he was supposed to be representing the taxpayers. Next to the worst record of all the 99 legislators.

Mr. Sawyer did not raise a hand to help the citizens of this area in trying to place the new 4 yr. college. Where was he and his "power"?

Where has "Mr. Highways" been? For the past 10 years, we here in the 25th have needed new and better roads, but the only time he speaks of them is at election time.

Due to his neglect of the needs of this district we now have a deplorable mess in our "State School" at Buckley.

IT IS TIME FOR A----- CHANGE!

WE NEED FULL REPRESENTATION IN THE 25th DISTRICT

VOTE HAROLD M. ANDERSEN

The Teen Scene

By Jeannie Crumb

Franklin Pierce and Puyallup both will take part in the Voice of Democracy Contest again this year. The contest, which is sponsored by Veterans of Foreign Wars and the Ladies Auxiliary of VFW, was held at FPH Friday. Three students will then be selected to give their speeches November 10 at the Veterans' Day Assembly.

Every student interested must transcribe a five minute speech on tape concerning "What Democracy Means To Me". Puyallup students will have this chance November 14-18.

Content 40%, originality 40% and delivery 20% will be the basis for judging. Finalists will then go on to compete in local, state, and national competition. Scholarships range from \$100 to \$5000.

Although Sumner lost its Homecoming Game with Puyallup, the Homecoming turned out very successful. With students, as well as the alumni, raising spirit for the bonfire, game and dance all last week.

Bethel High also completed Homecoming Week with great success. The seniors won the box drive Thursday night with a proud 5,700 boxes. Not bad! All the boxes that had been hauled in big trucks since three o'clock that afternoon, were then thrown into one big bonfire. BHS alumni and students also enjoyed a dance after their game Friday.

An "Ugly Man Contest" will be held this week by the Franklin Pierce Thespians or drama club. Each club in the school will select its own "ugly man" and which ever man collects the most money during the day is "The Ugly Man."

The Thespians will also be busy sponsoring a children's theatre December 17. Be sure to look for details later.

"Faraway Places," Puyallup's Rainbow Tolo, will be staged November 5 from 8:30 to 11:30. The Art Doll Combo will provide music for the annual formal dance.

The School Publication Conference, held Saturday at the University of Washington, provided a busy day for members of the Puyallup High annual and paper staffs.

Highlights included tours of the U of W publications and radio station, workshops, and career sessions. This gave students interested in any type of publication the opportunity to observe different fields.

Coming Events

CHICKEN DINNER and BAZAAR sponsored by the Mizpah Shrine #11, Order of the White Shrine of Jerusalem, will be held 1-5 p.m. November 6 at the Royal A. Gove Temple, 38th and Sheridan. Gift tables will sell cards, candy, and baked goods. The event is open to the public.

FALL RUMMAGE SALE will be held November 15-16-17 in Our Lady Queen of Heaven Parish Hall, 146th and A Street. Daytime hours will be 9 a.m. until 5 p.m. Evening opening hours will be 7:30 p.m. until 9 p.m.

FALL BAZAAR will be held in Yelm, 11 a.m. to 11 p.m. November 5, sponsored by St. Margaret Mary Catholic Church. There will be booths loaded with home baked goods, candies, jellies, jams, and fancy work.

TOASTMASTERS INTERNATIONAL AREA CLUBS will hold a special dinner 6 p.m. November 3rd at Brad's. Floyd Hicks will be special guest speaker and topic will be "Viet Nam." Also featured will be speakers from four area clubs. The meeting is open to all those interested in Toastmasters.

SPECIAL WORK DAY will be held Sunday, November 6 by the Lacamas Community Club to work on the foundation of the clubhouse on Hart's Lake Road. Painting and general cleanup of the facilities is also planned. Ladies will serve lunch at noon. Plans for a Harvest Festival dinner will be announced soon.

Simonson To Give John Regester Lecture At UPS

Dr. Harold Simonson has been selected to deliver the second John D. Regester Faculty Lecture November 9 at 8 p.m. in the Jones Hall Auditorium at the University of Puget Sound.

Title of the address to be given by the UPS English department chairman is "The Closed Frontier and American Tragedy."

One of Dr. Simonson's publications is a scholarly edition of Frederick Jackson Turner's essay entitled, "The Significance of the Frontier in American History."

Dr. Simonson was a teacher at Puyallup High School for some years before going to UPS.

Eatonville Homecoming To Be Cruiser Round-Up

EATONVILLE - "Cruiser Round-Up" has been chosen the theme for the 1966 Homecoming Activities of Eatonville High School, which will take place this week.

Starting Monday morning, and lasting all week, the Student Council decided to have a prediction contest and the person that comes nearest the score will win a prize.

An afternoon tea will be held in the Home Economics room on Friday at 1:15 p.m., and a panel of townspeople will judge the three senior class candidates for Homecoming Queen. The selected princesses from the senior class are Ruthie Van Cleve and escort Don Rose, Marilyn Rutter and escort Rick Hermesen, and Karen Ceccanti and escort Reed Mettler.

The citizens asked to judge the candidates this year are Mrs. Larry Ward, Mrs. Dale Parton, Mr. or Mrs. Joseph

Larin, Mrs. Larry Hosley, and Mrs. Richard Carlson. The Queen will be crowned during the half-time ceremonies of the football game Friday night and again at the dance. The Homecoming King is selected by the football players.

On Thursday evening, a Pep Rally will be held on the football field with a bonfire competition between the upper and lower classes with the dummy going to the classes with the biggest bonfire. The burning of the dummy signifies that homecoming game opponents, Montesano, will be handicapped without their star player.

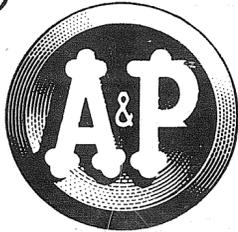

The yell staff will conduct the rally and football players will speak at the gathering in preparation for the football game on Friday night. The pep rally will last about an hour.

Early Friday afternoon, a Pep Assembly will be held at the intersection to invite all former students of Eatonville High School to attend the Homecoming game and other festivities of the evening. The Eatonville High School-Grade School Band will play the school song at the afternoon rally.

A car caravan will form at 7:00 p.m. at the high school and parade around town prior to the game. The highlight of all events will be the crowning of the queen during half-time ceremonies. New cars furnished by Van Eaton Chevrolet Company, Mashed Motors, and Van Cleve Ford Company will be used to transport the Homecoming Court. Representing the Freshmen Class will be Karen Ford and escort Dave Mettler. Selected by the Sophomore Class will be Becky Egeland and escort Larry Anderson. Chosen to represent the Junior Class will be Diane Doohan and escort Loren Simpson.

The Cruisettes will also perform during half-time activities in honoring the 1966 Homecoming Queen.

Following the football game, a semiformal Homecoming Dance will be held in the grade school cafeteria sponsored by the student council. Music will be furnished by a band called "Existence". The Queen will again be crowned by the King, surrounded by the court at intermission. Refreshments will be served by the Student Council, dancing will continue until 11:30. An invitation has been sent to the Montesano student body and all interested people are cordially invited to attend the dance.

MAYOR WALLACE Z. RAMSDELL HAS WHAT IT TAKES TO MAKE A GOOD COUNTY COMMISSIONER!

PROVEN ADMINISTRATIVE ABILITY

RAMSDELL'S EXPERIENCE

- *Fircrest Councilman 2 Years
- *Fircrest Mayor 6 Years
- *Executive Board, Association of Washington Cities, 2 Terms
- *Chairman, Urban Area Government Committee, AWC
- *Led Small Cities in the fight against "Super Government" Legislation
- *Led the campaign for legislation permitting cities to better serve the public

As Mayor of Fircrest, Wallace Z. Ramsdell has taken an active part in solving the complex governmental problems involved in the area of financing, budgeting, planning and zoning, as well as road and street construction, the improvement of water, sewer and light utilities, parks and recreation, police and fire department administration, public health and personnel.

REMEMBER:

74 per cent of the voters in the incumbent's own district rejected him in the primary election because of his continued absenteeism. Remember, too: ALL of Pierce county CAN and SHOULD vote for a change--for Wally Ramsdell.

RAMSDELL SAYS...

"Solving the many complex problems facing County Government today requires an ambitious, full-time hard-working Administrator--one who thoroughly knows, and is thoroughly dedicated to, good county government, I pledge I will fill that need.

Elect MAYOR WALLACE Z. RAMSDELL COUNTY COMMISSIONER

REPUBLICAN

Senator Henry M. Jackson: "Floyd has done an amazingly effective job in bringing long-needed diversification to the economy of the Sixth District -- such as the \$4 million coal de-ashing pilot plant to Tacoma and the Marine Sciences Center to Kitsap Peninsula. As a member of the House Armed Services Committee, he is also taking very good care of items beneficial to the district, so that we are no longer losing such projects in the House and they can move expeditiously through the Congress."

OUR SENATORS SAY;

WE NEED FLOYD HICKS

Keep This Great Working Team

Raspberry Growers Hold Annual Feed

PUYALLUP - The Independent Red Raspberry Growers Association held its annual banquet Saturday night at the Top of the Ocean. All of the members plus many new members heard president George Richter comment on the good quality of berries produced by the members which in turn helps the association to bargain.

Hot Line

The Hotline takes a peak at a row of new businesses setting up shop across from the Spanaway school at 116th and Pacific. I really shouldn't classify these as new as they have been in our community for many moons. For heaven's sake don't ask me just how long a moon is, it's just some jazz I picked up watching F TROOP. Seriously, both Ralph W. Hansen, Chiropractor, and Dorothy Hayden of the Mr. Way Beauty Salon are familiar faces in Parkland-Spanaway.

Dr. Hansen is holding an OPEN HOUSE Sunday from 2 to 6 and is inviting the public to inspect his new office. Dorothy Hayden will open for business this week and I think it would be a fine gesture if we all welcome her to the other side of the street . . . that really doesn't sound right but its the truth . . . Dorothy is moving almost across the street from her old shop located next to Ashmore's Drugs.

Ya know . . . the nicest thing happened to Mary Ann and me a couple of weeks ago, the Roy Pioneer Rodeo Committee invited us to an appreciation dinner. And let me tell you the food was out of this world . . . it was an honest to goodness, home cooked turkey dinner . . . all you could eat . . . and I did . . . bless my little 40 gallon stomach. The dinner was their thanks for the people who helped make their rodeo a success . . . and the nice thing about it was that they invited me anyhow. It was truly a wonderful dinner and I would like to express my thanks . . . pictured below is the committee president Leon "Chief" Rediske in top western form (a girl on each arm). To his left his wife Lizz and to his right, Marie Harrison. These three officers along with a very fine board of directors and crew consistently put on one of the area's finest rodeos. I'm looking forward to next year's season (mainly so's I can snap a few pictures while running at top speed to avoid being steam rolled by a bul . . . and then resting up the rest of the year in preparation for the dinner).

Adios

Senator Warren G. Magnuson: "I hope the people of Tacoma and Bremerton and the rest of the Sixth Congressional District are as happy with Floyd Hicks as we are back in Washington, D.C. It has been hard for him to get home often enough to report fully, but I know what he has done and what his plans will mean to this district. Floyd will get them done, too."

Senator Warren G. Magnuson:

Keep This Great Working Team

HOT LINE

touring Senator Bobby Kennedy of New York took care of the cornerman. Things already were looking good for the Congressman when President Lyndon Johnson as the first president to visit a battlefront and Hicks started for the corner. Mahler has great pursuit and is hot after the ball carrier. But in the absence of an administration fumble, a gross indiscretion or somebody coming off the bench to nail him, Hicks looks to be away.

The great personal bearing of the retired Navy captain looked like a real promise for the Republicans when they were breaking the huddle. But the four-man charging front line of the GOP -- inflation, government spending, civil rights commotion and Viet Nam -- which were expected to break up the Democratic play, didn't come off strong enough. The inflation problem took itself out of the play chasing a supermarket boycott. Much of the government spending is coming close enough to home that it is trapped out of the action. The civil rights issue, which never had a great deal of punch here, is wearing thin. And when the president went overseas he took on the Viet Nam "safety man" in what was calculated to spring Floyd for pay dirt. If it sounds like we've already got the game films in the can and that Tuesday is just going to show the view

from the end zone camera forget it. Like all of our predictions, they are electronic, computerized, 18 - transistor guesses. There will be some cliffhangers in Pierce County Tuesday. Without predicting the outcomes, we suggest you watch: Republican Wally Ramsdell in his race to unseat ailing incumbent Democratic 3rd District Commissioner Fritz Geiger. The whole county votes on this one. Republican Charles Mellinger out to unseat Coroner Larry Amundsen. Independent Democrat Mrs. A. L. (Eleanor) Rasmussen battle it out for the 29th District senatorial post with incumbent Democrat John T. McCutcheon and Republican Howard E. O'Connor. The only three-way race in the general election. Democratic incumbent senator John Petrich fighting for re-election in the 26th District against Republican Larry Faulk. Again in the 26th Democrat John Heinrich trying to take representative District No. 2 post away from Thomas Swayze. Republican Harold Anderson coming from the outside

Senator Warren Magnuson was the man-in-motion to get the play underway, deep in Hicks' own territory. The Republicans, stunting with their linebackers, sent George Mahler crashing through on the red dog and it looked like Hicks would have to swallow the ball. But the Democrats had depth and power. Magnuson swept back to spring Hicks loose and the other guard, Senator Henry Jackson helped him turn the corner, where

by John VanDevanter Linebackers Governor Dan Evans and ex-Vice-President Richard Nixon may have slowed up his forward progress, but some beautiful downfield blocking has sprung U.S. Representative Floyd Hicks into the open in his race for reelection. Hicks, whose campaign style was considered so colorless that no one thought he could recognize a hole in the line if he ran through it, was scrambling hard a few months ago. But his blocking has formed up and he's hit his stride so that he appears to be on his way.

Senator Warren Magnuson was the man-in-motion to get the play underway, deep in Hicks' own territory. The Republicans, stunting with their linebackers, sent George Mahler crashing through on the red dog and it looked like Hicks would have to swallow the ball. But the Democrats had depth and power. County Schools To Note American Education Week

Most county school districts will open schools for public inspection during American Education Week, November 6-12, with the theme for the 1966 observance "Education Adds Up".

Sponsored annually by the National Education Association, The American Legion, the National Congress of Parents and Teachers, and the U.S. Office of Education, American Education Week reminds each citizen that good schools are, to a very high degree, his own responsibility.

32 million parents across the country are expected to visit their schools to see how education adds up.

PUYALLUP
The schools in Puyallup are preparing themselves for the welcome invasion of parents. The committee announced a full schedule of activities with schools open to the public. William Milton, chairman of the Education Week committee, said it had built its week-long program around the nationwide theme.

Beginning Sunday, November 6, each day will illustrate that education adds up to the following: to human dignity; to rational thinking; to a creative spirit; to self-reliance; to economic competence; to informed citizenship; and to lifelong opportunity.

Special teaching materials at the High School and Junior High levels, as well as Elementary will be displayed.

Elementary art project displays will be placed at the State Savings and loan office, Home Economics and Industrial Arts projects will be on view at the Hi-Ho shopping center.

The High School will have an Audio-Visual unit set up under the supervision of Glenn Crum, director of Visual Aids for Puyallup School, at Seattle First National Bank.

EATONVILLE
Eatonville School District has scheduled a number of events, Supt. H.C. Olson announced.

Weyerhaeuser School will host an open house 8 p.m. November 8.

A special program is planned by the P.T.A., 8 p.m. November 9 at Columbia Crest School featuring presentations by Mrs. Velma Kjelstad, District librarian, and Paul Robinson, district remedial reading specialist.

Both Eatonville Elementary and Eatonville High School are planning programs to be held during school hours November 10.

BETHEL
Bethel School District will kick off Education Week with a special open house November 2 at the High School according to Supt. John Milroy. The program will start at 7:30 p.m.

EDGE MONT
Education Week will also be

Eatonville Seniors Work On Class Play

EATONVILLE - The Senior class members of Eatonville High School have started rehearsal for the annual fall play, "The Whole Town's Talking," scheduled for Saturday evening, December 3, in the high school auditorium starting at 8:00 p.m.

The three act play is being directed by Alvin Smith and assisted by student, Pam Christian.

The comedy centers around the underhanded methods of a paint manufacturer marrying off his only daughter to his business partner who is considered to be a blank.

Gary Mack and Jim Hebert will play the leading roles, and the other cast members will include Mary Davis, Marilyn Rutter, Glenna Borden, Susan Smith, Arlene Lillenthal, Karen Ceccanti, Robyne Marshall, Larry Potts and Bob MacDonald. Other spots will be assigned later as needed.

Green River Urges Early Enrollment

observed early by the Edgemont School District. All schools will open to the public 7:30 p.m. November 2. Following the open house, a general session will be held 8:30 p.m. at the Edgemont Gym to inform parents of the possible future of their school district.

SUMNER
Parents are invited to visit classes during the school day at Sumner High School during Education Week. No open houses are planned during evening hours.

We Don't Eat Steel At Our House!

The George Mahler Family At Home

While the "Great Society" is screaming about a steel price increase ruining the economy, look at what has happened in the last 15 months:

Steel went up to \$3 a ton---much screaming and threats from the White House.

Pork Chops went up \$400 a ton---silence!
Bacon went up \$650 a ton---silence!

Now, we don't eat much steel at our house, but we do like pork chops and bacon!

ARE YOU SICK OF POLITICIAN'S UN-KEPT PROMISES?

How Often...and especially in the 25th District...have office holders made promises in order to obtain your vote...only never keep them?? You're right...MANY TIMES!!

THIS IS HAROLD ANDERSEN THE MAN WELL KNOWN FOR DOING WHAT HE SAYS HE WILL DO!!

HAROLD ANDERSEN said he planned on building a bigger better shopping center to serve the Puyallup area. (He did! The ultra modern Hi Ho Shopping Center is the finest of its kind anywhere)

HAROLD ANDERSEN pledged he would maintain the highest employee working conditions. (He did! The Puyallup Jaycees named him "BOSS OF THE YEAR" in 1964)

HAROLD ANDERSEN pledged he would offer the utmost in employee and customer safety. (He did! He installed an automatic "store-to-fire-station" fire alarm system throughout Hi Ho.)

HAROLD ANDERSEN promised to give customers and employees the cleanest facilities possible. (He did! In 1965 DuPont presented him with an award for the cleanest, most sanitary supermarket west of the Mississippi).

HAROLD ANDERSEN proclaimed he would help relieve traffic congestion and danger on North Meridian. (He did. His firm is currently constructing the North Meridian Underpass which will make the busy street safer for customers, employees and all concerned.

ISN'T THIS THE KIND OF MAN WE NEED IN OLYMPIA?

LET'S CHANGE TO A MAN WHO DOES WHAT HE PROMISES!

VOTE FOR HAROLD M. ANDERSEN

Representative 25th District Position 2 Republican

Voters Face Host Of Ballot Issues Tuesday

Continued From Page 1.

Franklin Pierce Dist. 402
Proposition I - A \$995,000 bond measure to be used for building and equipping a new high school, construction of an elementary school, planning and acquisition of a site for a third junior high school and improvements to the present buildings.

Proposition II - A \$598,000 (26 mills) maintenance and operation levy to continue the existing program. The measure represents a two mill

increase over the one approved by voters earlier this year.

Bethel School Dist. 403
Proposition I is a \$190,000 levy (16.2 mills) to cover maintenance and operation costs during the 1967 - 68 school year.

Proposition II would authorize a \$360,000 bond issue. Proposition III is a one year levy of an estimated 4.8 mills on 1968 property taxes providing \$55,000 to be used along with Proposition II as the local fund portion of the 1967 - 69 building program.

Eatonville Dist. 404
Proposition I calls for a special levy of approximately 5 mills or \$38,000 for the proposed science addition to Eatonville High School.

Proposition II calls for a special levy of approximately 10 mills or \$78,000 for maintenance and operation for the 1967-68 school year to continue the present level of education as well as being competitive with other districts in salaries.

Eatonville Library
A proposition to raise 3 mills for the town library. The County requires two mills

to maintain the local library and the other mill is retained by the town for its share of library costs.

Fife School Dist. 417
Proposition I requests approval of a \$150,000 maintenance and operation levy. The 21 mill request is two mills higher than the levy approved last year.

Proposition II asks for authorization for a \$350,000 bond issue for financing a long-range plan for capital expenditures over the next three years or more to provide for school modernization, additional classrooms and site acquisition and improvement.

Proposition III is a \$28,000 special levy for replacing the roof at Milton Elementary School and purchasing two new buses.

Puyallup Dist. 3
Proposition I would provide \$580,000 (18 mills) for the general fund to provide needed personnel to handle increased enrollment, maintain the number of students per classroom at a level which meets accreditation standards and allow the purchase of textbooks and other instructional and main-

tenance supplies. It would replace the current 17 mill special levy.

Proposition II would provide \$175,000 for the building fund to be raised by a special levy for one year only. \$74,000 would be added to funds already approved for construction of a second high school. The remainder would be earmarked for buying sites for future schools.

Summer School Dist. 320
Proposition I asks for approval of a \$198,000 (15.8 mill) levy for the general fund to provide for a continuation of the existing program.

Proposition II is a \$425,000 building fund levy request (34.5 mills) initiating a long-range program designed to provide classrooms for children moving into the Summer area as a result of the industrial expansion.

Fire District #22 (Lake Tapps)
A special levy for one year only to provide \$20,000 (12 mills) for the expansion of the existing fire station.

Bonney Lake
Residents will be selecting five new councilmen from a field of ten for the new council-

manager form of government. Seeking office are Robert Allen, Lewis Dahl, William A. Daniels, Jr., Alden Dobson, Earl Heckler, James O'Neill, Richard Pflugrad, George Ro-loff, Ronald Simmons and Carle Whisler.

Residents also will decide whether the fourth class town should move up to a third class city.

City of Puyallup
Proposition I
A \$450,000 bond issue for the construction of a new public safety building to house the fire and police stations and to remodel the present City Hall.

INITIATIVE 233 ASSURES SAFETY

With the passage of Initiative 233 TWO MEN will ride in the cab of Washington's freight trains. These two men are the engineer and brakeman.

Two men have operated passenger train locomotives through the entire history of railroading. National statistics prove that per-mile passenger travel by rail is thirty-four times safer than by automobile.

Two men in the cab safely operate freight trains in forty-three states throughout the nation. On January 1, 1967, Oregon's repealed train crew law will leave Washington as the only state in the West requiring a third man (fireman) in the cab of freight trains.

National statistics filed with the Interstate Commerce Commission on the record of all train accidents, injuries and fatalities for the years 1964-65 prove:

1. States not requiring extra crew men have fewer accidents, injuries and fatalities on the average than those states requiring extra crew men.
2. Injuries and fatalities decreased in states not requiring extra crew men and increased in those states requiring extra crew men.

Repeal of the train crew law is consistent with the railroads traditional policy of "Safety First." Safety is assured with passage of Initiative 233.

Here are the statements of qualified authorities: NATIONAL JOINT BOARD created by the Congress of the United States:

“The rate of accident and casualty frequencies has declined as the percentage of service operated without firemen has increased.”

THE INTERSTATE COMMERCE COMMISSION: “... the Commission has investigated no accident nor issued any report covering its investigation of any accident in which it was found that the absence of a fireman was a contributing or proximate cause.”

THE BROTHERHOOD OF LOCOMOTIVE ENGINEERS: “No instance was reported to the brotherhood by any of the employees it represents where an accident or casualty could be authentically attributed to the fact that a fireman was not employed on an engine involved.”

STOP COSTLY FEATHERBEDDING

Cards, Viks Battle For Division Crown

Undefeated Grid Powers Clash In Puyallup

PUYALLUP - The Puyallup Vikings and Franklin Pierce Cardinals clash head on this Friday night at Viking Field in what must be rated the top prep football game in the state.

Both clubs will lay unbeaten and untied victory slates on the line for their titanic struggle, with rock-ribbed defenses certain to play a major part in the outcome. Each team has an enviable "stop" department, with Puyallup allowing only opponents 40 points in 7 games and the Cards doling out a measly 33 to their opposition in 7 contests.

Up for grabs will be the Puget Sound League's southern division crown and a shot at the PSL title. If there are any tricks left in their offensive warbag, they will certainly be in evidence Friday night.

The state's third ranked Vikings blanked Sumner 32-0 in their last outing, as Dan Ross, Dory Clausnitzer, Marv Thompson, and Steve Alexander tallied in the victory. It was the seventh win of the season for the Viks.

Gary Stevenson led fourth ranked PP to their seventh win, a 26-7 conquest of the Federal Way Eagles. Stevenson scored on a pair of one yard runs, and also hauled in a 26 yard pass from quarterback Glen Hadland for his three touchdowns. The Cards pulled away from a surprising 7-7 deadlock at halftime to ice the contest.

There will be an element of revenge to incite the Viks, as they were beaten last year by the Cards 26-13, in a thriller that also decided last season's division champion. This year's titanic struggle will accomplish the same thing, as both squads go into the game with a 3-0 league record.

Because of the expected large turnout, the Puyallup athletic director Carl Sparks announced the gates to Viking Field will be open at 6:30 p.m.

Braves 13-Viks 7

With two consecutive upset wins behind them, the Bethel Braves set out to tangle with Peninsula Friday night on the Seahawk's home field.

After building a 13-0 half-time lead, the Braves managed to hold on to capture a 13-7 victory from the Curtis Vikings. The victory evened the Braves' season record at 3-3, and their league slate at 2-2.

Dan Dolfin toted the pigskin 53 yards to the Curtis 30, and Gary Brown capped the drive with a three yard jaunt for Bethel's first TD. Dean Ketter took a 19 yard pass from Mike Dukes for the second Brave tally. Bethel upset Sumner one week earlier, with a 3-0 defeat of the Spartans.

Peninsula is 3-4 in season play, and the Seahawks play a 1-3 record in league play. They were dumped 26-12 in their last outing, with the defeat coming at the hands of the Enumclaw Hornets.

Cruisers 21-Winlock 32

Having been upset by unheralded Winlock last week 32-21, Eatonville's Cruisers will attempt to get back on the victory track when they play host to Montesano Friday night.

John Wickert scored all five

winlock TD's to lead the Cardinals to their startling victory. The loss probably ruined the Cruisers' chances of being the undisputed champions of the Central League's Eastern Division.

The victors jumped to an early 19-0 lead before the Cruisers got untracked in the second period. Eatonville narrowed the gap to 19-14, but Winlock scored again before the half to take 25-14 advantage at the midway mark. Both teams tallied in the third period, but the issue had already been settled.

Knights Hit Road, Take On Pioneers

The Pacific Lutheran University Knights will be the underdogs when they travel to Portland Saturday to meet the high flying Lewis & Clark Pioneers in a Northwest Conference football contest.

Led by passing whiz Skip Swyers, the Pioneers have rolled to six straight victories after dropping their season's opener to undefeated California Lutheran, 22-16. Last Saturday Coach Fred Wilson's club scored their most impressive win when they toppled Linfield, in convincing fashion, 28-7, to take over the league lead with a 4-0 mark.

After playing Pacific U, to a 0-0 deadlock, Coach Roy Carlson's Lutes now have a season's record of 2 wins, three losses and two ties. In league play they are in fourth place with a 1-1-2 mark.

When it comes to common opponents, the Pioneers have the edge over PLU. They dumped Pacific, 27-0; and hold a 19-17 win over the University of Puget Sound, a club which dumped the Lutherans, 17-7.

Fircrest, TBC Tangle For Loop Crown

Fircrest and the Tacoma Boys Club Red Devils will decide the County - City Small Fry League boys football championship Sunday at 2:30 at Wilson High School.

The deadlock resulted from the Red Devils' 6-0 victory over the Economy Angels and Fircrest's 12-12 tie with NWBC last Sunday. The two teams now have identical records of 5-0-1.

Championships have already been determined in the Pierce County Park Department's Pee Wee and Rookie boys football leagues. The University Place U Cascaders claimed the Pee Wee title with a 13-7 victory over Fircrest last Sunday as Mark Wells ran for one touchdown and passed to Terry Storset for another. The Cascaders closed out their season with a 6-0 record.

Fircrest took the County Rookie League title with a 6-0 record, closing the season with a 24-0 win over second-place Economy Angels last Sunday.

Ye Old Neighbor

FOOTBALL'S FEVERISH FORECASTER and your old neighbor Royal Brougham was guest speaker during last Wednesday's Puyallup-Summer Rotary annual interclub meeting at Ivan's Restaurant. Brougham touched on practically every field of sports to answer questions from the floor. The 72 year old sportswriter has been with the P-I since 1911 and gave a highly informative talk on the great strides achieved in the sporting world during his colorful career.

Hunting Safety

Did you know that by memorizing 10 rules of safety that you will never have, or cause to happen, an accident with any firearms you are handling? This is true. They are:

1. TREAT EVERY GUN WITH THE RESPECT DUE A LOADED GUN. Handle "unloaded" gun as if it were loaded. Keep barrel turned away from yourself and companions. Keep safety engaged.
2. WATCH THAT MUZZLE! Carry your gun safely; keep safely on until ready to shoot. Some safe ways to carry rifle, depending on circumstances: A. Stock under armpit with forearm supporting rifle. B. Trigger hand holding small part of stock and barrel cradled in crook of other arm. C. Like "B" except barrel is held instead of cradled. D. With sling over shoulder and butt held with hand to keep barrel up. Barrel may also be turned straight down.
3. UNLOAD GUNS WHEN NOT IN USE. Take down or have actions open. Guns should be carried in cases to shooting areas. In vehicle, guns are carried best in rack. Without one, case gun or wrap in soft cloth and place where it won't be jarred or sat on. Remove blot or leave action open. Clear chamber and magazine of ammo.
4. BE SURE BARREL IS CLEAR OF OBSTRUCTIONS. Be sure that you have ammunition only of the proper size for the gun you carry. Avoid loading with wrong kind. Carry ammunition in separate container away from heat and objects that might strike it.
5. BE SURE OF TARGET BEFORE YOU PULL TRIGGER. Know identifying features of game you hunt. When you hunt your senses are tuned to pick up noises and movements. Never fire at these before you're certain of target. A tense hunter is a hazard to all. Self-control comes with practice. Develop it.
6. NEVER POINT A GUN AT ANYTHING YOU DO NOT WANT TO SHOOT. Avoid all horseplay. When hunting with others establish zones of fire for each.
7. NEVER CLIMB A TREE OR FENCE OR JUMP A DITCH WITH A LOADED GUN. Never pull a gun toward you by the muzzle. Before stopping for lunch, crossing ravines or fences, climbing rocks or trees, or entering dwellings, unload rifle and keep action open.
8. NEVER SHOOT A BULLET AT A FLAT, HARD SURFACE OR WATER. At target practice be sure your backstop is adequate.
9. STORE GUNS AND AMMUNITION SEPARATELY.

THIS YEAR'S elk seasons have solved one big problem for many elk hunters -- which side of the mountains to hunt opening day. With two openings, Nov. 5 in Eastern Washington and Nov. 11 in Western Washington, hunters can take in both if they wish.

Elk move with amazing speed for animals of such size when they leave in flight from a place where they've bedded down. They get up and leave in one motion, with better timing than a running guard pulling out of the line in football to lead interference.

Their idea is to place cover between themselves and the hunter as soon as possible. So to knock over an elk at this time, you must be able to identify it in the space of a few seconds and get off a good shot, not a wild one.

But what to do if you miss that first chance when an elk explodes out of its cover and crashes on ahead? It's best to crash straight ahead after it. Experienced hunters say elk will often wheel and look around, thus giving them a chance for a second shot.

One friend tells of running headlong after a bunch he jumped. Coming over a small rise of ground he almost ran into the middle of them.

MUCH LIKE a speed limit on a highway, our state is in the process now of setting water quality standards in the battle to control water pollution.

A series of 10 hearings will be held from Nov. 15 through Feb. 28 across the state to gather facts about the various bodies of water. The

Always keep both guns and ammunition beyond reach of children.

10. AVOID ALCOHOLIC BEVERAGES. Never drink intoxicants before or during shooting. As in driving, drinking and hunting do not mix.

COURTESY Always ask permission to hunt on private land -- in advance of the hunt. Leave fences and gates the way you found them. Disregard of these courtesies results in "No Hunting" signs.

COMMON SENSE Before season opens visit area you plan to hunt in. Thus you become familiar with the land and the habits of the animals you'll hunt.

CAUTION Some game has white markings, hence white clothes are dangerous. Wear colored clothes -- a red, yellow or orange shirt and red cap.

hearings are part of the state's compliance with the Federal Water Pollution Control Act. This was passed in 1965 and gave the states until June 30, 1967 to set up these standards.

Once these are set, they will be enforced by the attorney general of the U.S. In other words, there will be a "speed limit" stating how much of our civilization's wastes a given body of water can handle without damage to other users of that water.

The federal government only has jurisdiction over interstate waters, but the definition of "interstate" includes a lot. According to the law, coastal waters and estuaries, rivers which cross a state border and rivers which are any part of a state border are classed as interstate. In addition, if any part of a river is in this category, all of the river becomes interstate.

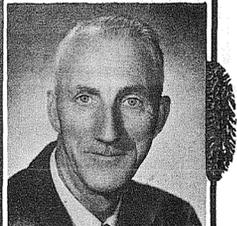

This means the vast majority of the waters in our state will come under the federal law.

The first four hearings are in Eastern Washington: Nov. 15 at Clarkston; Nov. 17 at Spokane; Nov. 21 at Wenatchee; and Nov. 22 at Pasco. We should attend the hearings in our areas -- with facts.

IF YOU want to have a safe hunting trip, choose your partners with care and then be careful yourself.

Statistics compiled in this state over the past 10 years show that about one hunting accident in every three is self-inflicted. Another big group of accidents is caused by members of one's own party, bringing the total of these two kinds to more than half of all hunting accidents. Most of the rest are at close range, so a third rule would be to watch the other guy closely.

WHY SHACKLE GOVERNOR EVANS,

ELECT **HOWARD O'CONNOR**
SENATOR, 29TH DIST. REP.

THE BEST CHOICE FOR COUNTY ASSESSOR:

In these days of expanding industry and population, Pierce County must keep pace by electing an assessor who realizes what must be done and how to do it.

VOTE FOR GEORGE TIBBITS
PIERCE COUNTY ASSESSOR (REPUBLICAN)

Money, Marbles & Chalk

Wouldn't you know it would come down to this? Talk about your grid naturals, the battle of the unbeaten, the late season game with a title at stake, the clash between two top rated state powers ... and here we have all of those ingredients right in our own back yard next Friday night.

If you dust the cobwebs from the ol' memory machinery, the same situation existed just a year ago when Puyallup hosted Franklin Pierce with the title up for grabs. Now the same two clubs, enjoying their finest seasons in years and ranked 3rd and 4th in state polls, again take to the field to decide who will wear the southern division crown. Oh, I tell you, it's enough to make a cardiac case out of Tess Trueheart.

Would you believe the teams were looking ahead in their games last week? The Cards found themselves in a 7-7 deadlock at halftime in a tilt with puncheonless Federal Way and the Vikings could have been playing Sumner in a long haul way the way they kept their offensive attack going up the middle.

A look at the records could indicate a low scoring ballgame with defense deciding the outcome. Both Eldon Kylo of the Cards and Gerry Redmond of the Vikings emphasize a lot of "stop" in their basic game pattern, and both apparently have the material up front where it counts.

After listening to Royal Brougham last week at the Rotary meeting, I'm going to take a page from the ol' neighborhood's scrapbook and pick this one as a 0-0 tie. He always does that when the chips are down ... and besides that, I'm chicken.

Upsets are like grapes ... they run in bunches. After last week's shockers by Bethel winning and Eatonville losing, your friendly gridguesser is about ready to hang up his crystal ball. Well, let's try it one more time ... just for laughs.

After neatly sidestepping the Puyallup and Franklin Pierce battle with a nifty 0-0 forecast, I look for Bethel to pickle Peninsula 13-6, Enumclaw to swamp the Spartans 20-7, Fife to foil Foster 12-7, Eatonville to massacre Montesano 26-13 and Orting to wrong Wright 27-0.

If you have any further questions, don't hesitate to call I'll be vacationing at Western State.

RON HENDRY will prosecute drunk drivers who kill and injure our citizens

An intoxicated driver ran into a prominent doctor and killed him. This driver was not prosecuted for negligent homicide, even though his license had been suspended for drunk and reckless driving on three previous occasions. This man is still driving around on our streets. Ron Hendry will vigorously prosecute cases of this kind.

SAFE

SAVINGS ACCOUNTS AT PCFS NOW INSURED TO \$15,000!

Savings counselors at Pierce County Federal take special care in setting up separate savings accounts for families so that each will qualify for full FSLIC protection. Since savings accounts may be held individually or jointly by two or more people, a family of three may hold as many as seven different accounts...each one fully insured to \$15,000.

Effective now! Federal insurance guaranteeing the safety of savings placed with Pierce County Federal has been raised to \$15,000. This is the first increase granted by the Federal Savings and Loan Insurance Corporation since 1950 when insurance was raised from \$5,000 to \$10,000. Savings account holders at PCFS automatically enjoy the benefits of this increased coverage.

Accounts are now fully protected to \$15,000. The FSLIC was created by Congress in 1935, and during its more than thirty years of service, no saver has lost a single penny insured by it. Financial institutions must be of the highest caliber to join FSLIC, and must maintain ample reserves and submit to periodic examinations.

Should your oil heat dealer be a good sport?

How do you make a sale? By telling about the advantages of your product, of course.

Take oil heat for instance. It has three big advantages: economy, cleanliness and safety.

So your oil heat dealer says that it will heat your house for less money than either natural gas or electricity.

He talks about cleanliness. The Better Business Bureau states that oil, natural gas and electricity provide equally clean heat.

But what should he say about safety? Your family safety is a compelling reason to choose oil heat. It can't explode and it won't asphyxiate you.

But when your oil heat dealer talks about safety it looks like he's taking advantage of the weakness of other heating fuels.

Should your oil heat dealer be a good sport and ignore this crucial selling point? Or should he stop pulling his punches and talk about safety?

It's tough being a good sport when you believe as firmly in your product as your oil heat dealer does.

Not Expected...But To Be Sought

It is not to be expected that the average voter can do a good job of evaluating the general election ballot by Tuesday next. For a citizen with so many modern demands and anxieties to give careful consideration to more than 30 candidates and 13 to 18 ballot issues in a limited time is expecting quite a lot.

But, for the citizen to dismiss the election as meaningless simply because he doesn't understand it, is just as unreasonable. Even though most of the candidates and measures won't bring an impact into your life for a couple of years, many of them will have a marked effect on your future and that of your society.

The time will never come when every eligible American registers, when every registered American votes or when every voter is fully informed even of his own interests. But anyone who can read is capable of exposing himself to the basic principles involved in this or any other election and should do it.

The State of Washington's voter's pamphlet, which this year for the first time carries candidate information also, is one of the greatest helps to the "too busy" voter which could be imagined. One short evening's perusal of the booklet may not be enough to prepare you for a debate on a question, but it at least will prepare you to pull a lever with a moderate understanding.

We think that people should vote. We think they should wonder before they vote. This exhibits and strengthens a healthy and jealous interest in the operation of their government.

There are several short evenings before the election Tuesday. Read, listen and vote.

Remember The Schools

With the preponderance of special measures awaiting the decision of the electorate, voters are urged to give consideration to annual school levies that might be overlooked on a crowded voting machine.

These seemingly "routine" requests by the schools are vital to maintaining the high level of education our youngsters now enjoy. The effectiveness of the entire educational program in many school districts will depend on the outcome of these levy requests.

Validation requirements preclude the possibility of the measures passing with the vote of only a simple majority. Unless 40% or more of the number who voted at the last General Election actually cast their ballot on each local school issue, measures receiving less than the 40% requirement will fail due to public apathy.

Without detracting from the importance of other measures that will appear on the ballot, we urge voters to remember the "routine" school requests when they vote November 8.

Diabetes Detection Planned

An active county-wide diabetes detection program is planned for diabetes week, November 13-19, according to Tacoma physician, James Lambing, M.D.

For the first time, free blood sugars will be run on anyone desiring to enter the program and complete the following procedure:

1. Purchase at your local pharmacy a bottle of Glucola.
2. At least four hours after your last meal, drink the entire bottle.
3. One hour later, be at a hospital laboratory to have your blood drawn. Allow a little time for a possible line-up and a brief registration. No doctor's order is required.

Your name, address and doctor's name will be asked. Abnormal results will be forwarded to the patient's personal physician for follow-up.

You Are Invited to MEET CONGRESSMAN HICKS

Prosecutor Gives Creed From Justice

Prosecuting attorney John C. McCutcheon in his re-election bid this week cited the definition of the office given by Justice Robert H. Jackson of the United States Supreme Court.

"The qualities of a good Prosecutor are as elusive and impossible to define as those which mark a gentleman.... A sensitiveness to fair play and sportmanship is perhaps the best protection against the abuse of power, and the citizen's safety lies in the Prosecutor, who tempers zeal with human kindness, who seeks truth and not victims, who serves the law and not factional purposes, and who approaches this task with humility."

"In the past ten years, as

your Prosecuting Attorney, I have attempted to follow that creed, and the honesty and integrity of this office has never been questioned," McCutcheon said.

"Under my leadership more than \$2600 a day is being collected from errant fathers ... nearly a million dollars in 1965 alone. This is said to be the best record in the State, with resultant savings to the Welfare Program and to the taxpayers.

"Although we have ten Deputy Prosecutors, working full time, I personally try the major felony cases.

"Our office, working closely with local law enforcement, has succeeded in holding down the rise in crime to less than

the rest of the state, and far below the national average. It is a fact that we have no syndicated crime, no organized vice, no commercialized prostitution, no syndicated gambling.

McCutcheon is a WWII Veteran, attended Stadium, the U. of W, and Montana University. Twice elected legislator. Lives in University Place with wife and two children.

WE WISH TO THANK

our many friends and relatives for the wonderful times and gifts and contributing to our 25th Wedding Anniversary.

Roy and Helen Thorsen

SOME REASONS FOR FILIS OTTO FOR JUSTICE COURT JUDGE

VOTE FILIS OTTO TO CONTINUE EXPERIENCED, UNDERSTANDING AND IMPARTIAL JUDICIAL ADMINISTRATION

THE ENDORSED, QUALIFIED AND EXPERIENCED CANDIDATE

FILIS OTTO FOR JUDGE

JUSTICE COURT, Dist. 1, Position 2

NON-PARTISON

Paid Advertisement

1 FILIS OTTO is qualified by 15 years of law practice representing a broad cross-section of the public and is the only woman currently practicing law full-time in her native Tacoma-Pierce County area, where she has spent her entire professional life and knows its people and their problems.

2 FILIS OTTO is experienced as a judge and has presided in all Justice Courts of District 1, hearing over 100 civil and criminal cases, and she is the only candidate for this position supported by retiring Judge Elizabeth Shackelford.

3 FILIS OTTO is the only candidate for Justice Court Judge Position 2 officially endorsed by Labor.

4 FILIS OTTO has the approval of many trial lawyers and business and professional groups.

5 FILIS OTTO is admitted to practice in the Supreme Court and all Superior, Justice and Municipal Courts of Washington and all United States Courts, and administrative boards.

6 FILIS OTTO is a member of the Washington State Bar Association and has served on its Family Law Committee; Tacoma-Pierce County Bar; American Trial Lawyers' Association; National Association of Defense Lawyers in Criminal Cases; Negligence and Compensation Section, American Bar Association; Phi Delta Delta, legal honorary society; and Tacoma Legal Aid Bureau.

Silks N Saddles Initiates Members

GRAHAM - At a recent organizational meeting of the Silks N Saddles 4-H Pony Club 20 new members were initiated making the group one of the largest in Pierce County. They meet the second and

fourth Saturday of each month at the Pioneer Park Club House to hear talks by junior leaders and see member demonstrations. An election of officers will highlight their November 12 meeting.

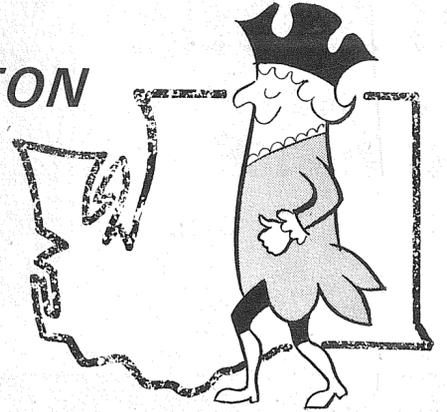

FP Board To Meet

Franklin Pierce School Board members will consider a South Suburban Sewer District annexation proposal and look into a discipline policy when they meet November 8 at

the Administration Building, 11124 Portland Avenue.

The meeting will be called to order at 8 p.m. and is open to the public.

GET WASHINGTON BACK IN STEP...

Support Senate Joint Resolution 25

Restore to Washington Ports the right to solicit job-producing trade and industry through promotional activity. Washington is out of step . . . ports of other states have the right to promote their facilities. If you want the State of Washington to successfully compete with Oregon, California and British Columbia in the fierce race for trade and industry, vote YES on SJR 25.

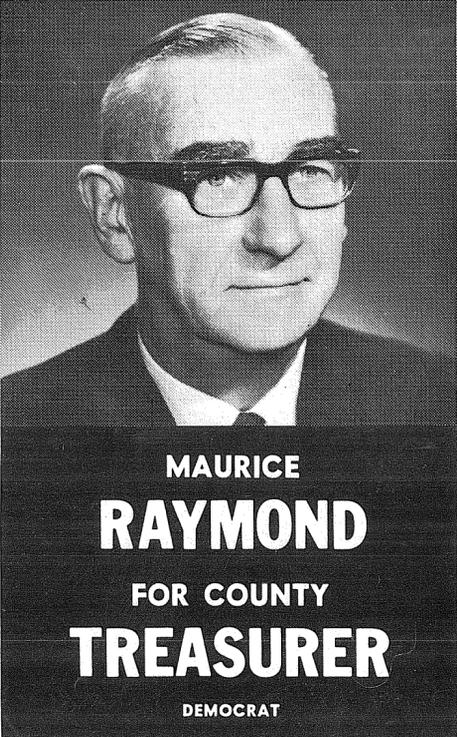

Endorsed by many civic, business and labor organizations including:

Tacoma Chamber of Commerce

Washington State Labor Council (AFL-CIO)
Seattle Area Industrial Council
Washington State Department of Commerce and Economic Development

(Paid for by the Pierce County Committee for SJR 25, Stanton Warburton Jr...Chairman)

VOTE YES ON SJR 25

MAURICE RAYMOND FOR COUNTY TREASURER DEMOCRAT

The Raymond record is your assurance of good administration in the office of county treasurer.

The Committee to Elect Maurice Raymond suggests you ask yourself what other candidate for the office has a record of working for the welfare and progress of this community comparable to his!

For County Treasurer . . . Vote for Raymond with a Proven Record of Public Service

ELIZABETH MORIARTY, CHAIRMAN
JOHN H. ("BIG JOHN") ANDERSON, CO-CHAIRMAN

What are the ideal qualifications for a County Treasurer?

Citizens of Pierce County have a very long and conservative record in support of the basic principles surrounding the office of Pierce County Treasurer.

For twenty years they gave continuous support to the Treasurer in the person of L. R. Johnson who stayed on until retirement, and built a solid, small staff of capable people who gave this vital county office the stability and continuity it must have.

Under our Federal Constitution and the constitutions of all states, the treasurer of each separate county is a fixed, vital public office who actually serves as treasurer of all school districts, port district and other sub-government activities within the county administrative area.

Pierce County now requires a man to fill Mr. Johnson's vacated position who knows all the problems facing all the people in Pierce County; and with a proved, tested record of unselfish Public Service, backed by proved ability in conduct of private business.

MAURY comes from a pioneer Tacoma family who first settled here from Minnesota in 1889 and made a success of farming, real estate and the hotel business.

He is a product of the Tacoma public schools and first tasted public life as School Director in the hectic years of founding today's giant Clover Park School District 400. Maury helped in the tough job of consolidating five small grade school districts into what is now the ninth largest school district in the state of Washington.

He served as Employee Relation Officer at Ft. Lewis, directing labor relations and welfare problems for some 5,000 civilian workers there.

He spent 18 years with the Northwest's oldest and largest printing firm, serving as vice president.

Back when the Port of Tacoma had drifted into an almost static condition, after the original idea that Tacoma could be another large commercial seaport comparable to Seattle, proved a costly flop, Mr. Raymond decided to become a Port Commissioner and breathe new life into the moribund Public Port that had lived its days in the dead dream of catering to passenger ships and a few large Alaska and transpacific shipping lines.

MAURY RAYMOND, with his vigor and drive, turned his effort in that direction and in the 14 years he has served as Port Commissioner and Port President, Tacoma has seen the finest and almost biggest industrial developments backed up by an expanding port to handle all the traffic the industrial complex will generate.

These 14 years as port commissioner gave him the administrative skill and the deep perception of the complex financial problems involved in acquiring large areas of idle mudflat, developing into industrial sites and selling this newly created public land to industry that brings payrolls to Pierce County and returns the land to the tax rolls.

As Treasurer

... with his background of proved administrative and business ability, he will organize the Treasurer's office on efficient lines and be able to serve Tacoma and Pierce County in many useful capacities and aid other county departments in giving the taxpayers better and more economical public service.

A few of his organizational ties prove his broad contacts with all groups of citizens which give him the depth of background for the position of Pierce County Treasurer. Community and service memberships include Pierce County Tacoma Port Commission since 1953; Tacoma Chamber of Commerce (chairman, Armed Forces Committee, 1950; chairman, Citizens Armed Forces Committee, 1951 and 1952); National Rivers and Harbors Congress; Bonneville Power regional advisory council; school board director, Lake City and Clover Park High School, 1936-1941; past president and director; Sea Cadet Corps of America; past vice president, Washington State March of Dimes; Mason Methodist Church; Masonic fraternity, Scottish Rite and Shrine; De Molay Legion of Honor; Bellarmine Boosters and Tacoma Elks Lodge.

Maury Raymond is the one candidate of proved ability as a trusted public servant who can bring a crowded, colorful background of results to a vital county office.

Veteran Port Commissioner, Businessman, and Administrator, Maurice Raymond

Is the Ideal Man for Pierce County Treasurer

PUYALLUP MAYOR JACK

GEIGER

ENDORSES

FIRCREST MAYOR WALLACE

RAMSDELL

FOR PIERCE COUNTY

COMMISSIONER

Geiger says: "I encourage all of my friends and neighbors to cast their vote November 8 for Wally Ramsdell, the Republican nominee for Pierce County Commissioner. The continued absenteeism on the part of the incumbent, Fritz Geiger, is having a seriously adverse effect on the operation of our county government. We are sorely in need of a change. Wally Ramsdell is highly qualified for the job." Jack Geiger

WASHINGTON STATE UNIVERSITY

Office and Laboratory facilities, Western Washington Research and Extension Center, Puyallup, Wash.

Naramore, Bain, Brady & Johanson

Ref. 15 Would Remodel Extension Center Bldgs.

PUYALLUP - If Washington voters decide in favor of Referendum 15 next Tuesday, some of the first major modernization since the early 1920's is in store for the Western Washington Research & Extension Center.

Washington State University has a \$1.3-million stake in the issue and all of it is earmarked for the construction of new research and extension service.

One new building to replace inadequate and out-moded facilities will take the biggest part, but an addition to the veterinary poultry building and a central heating plant also are in the plans.

As the day of decision at the polls approaches, leaders of planning for Referendum 15 say there is little or no opposition to the measure among those who know about it. The key to its passage, they say, lies with the spread of awareness among the voters.

The Referendum was authorized for the ballot by the 1965 Legislature and calls for the issuance and sale of general obligation bonds not to exceed \$40.5-million. The funds are designed for use at the University of Washington, Central, Eastern, and Western Washington State Colleges, the Departments of Institutions and Natural Resources and by WSU at Puyallup.

"We think passage of the measure can result in a significant educational and scientific step forward for all Washington citizens," said Dr. David Allmendinger, superintendent of the WWR&EC. "Here at this center, for instance, our 35-to-50-year-old buildings are outmoded and inadequate for the modern research programs needed."

If such a building does become a reality, it is scheduled for completion by late fall of 1968 and will replace two well-used structures built in 1909 and 1920 and the pre-fabricated building that has housed Extension personnel since 1959.

Certain preliminary work by Architects Naramore, Bain, Brady & Johanson, Seattle, already has been done and if the Referendum received a favorable vote, the schedule calls

for construction drawings to be authorized immediately. These, along with other specifications, would be finished by mid-May of next year, according to the time-table, and bids would be opened by mid-July. Construction completion would be expected by the middle of October, 1968.

An estimated budget of \$1,334,782 would include: \$902,000 for the main laboratory building, to be built just west of the present administration building; \$103,000 for the heating plant; and \$71,000 for the addition to the veterinary facilities.

G.S. Leaders Meeting Set Tues., Nov. 15

All Girl Scout adult leaders have been invited to attend the annual meeting of the Mount Tacoma Girl Scout Council Tuesday morning, November 15, at the New Yorker in Tacoma.

Registration will begin at 9:30 a.m., followed by the business session. A roast beef luncheon will be served at noon for \$1.75.

Those attending are asked to bring a friend who is interested in the Girl Scout program.

AN ESTEEMED CANDIDATE

Throughout Pierce County, Charles C. Mellinger, Republican nominee for Coroner, is held in high regard by people in public life, people who know the job that needs to be accomplished in the Coroner's Office. Here are two typical comments:

The Rev. Harold E. Hansen of Browns Point: "I have observed the incumbent coroner is resorting to an ugly smear-type campaign in his effort to win re-election. Such tactics are inexcusable. I have known Charles C. Mellinger for years and can honestly say that his integrity and morals are of the highest caliber. I would like to believe that all public officials could be recommended as highly."

Richard S. Childs, National Municipal League: "We list it (The State of Washington) as one of the 'Best states for a murder' and your adversary is proclaiming in effect that Pierce (County) is probably your best county for a murder; that is to say, the county where a murderer's victim is least likely to encounter an autopsy."

Elect CHARLES C. MELLINGER CORONER (REPUBLICAN)

"Send these the homeless, tempest tossed to me..."

S.J.R. 20

Removing Limitation on Land Ownership

1) S.J.R. 20 is a resolution passed 136 to 1 by the 1965 Washington Legislature to bring our land laws up to date.

Although they are inconsistent relics from the gaslight era, through our neglect Washington's obsolete land laws remain on the books to needlessly restrict the economic development of our state. Because these archaic statutes are holding back progress, the State Legislature has asked the voters to ratify their removal through Senate Joint Resolution 20. Passage of S.J.R. 20 will bring our land laws up to date with the rest of the nation.

2) Your "YES" vote on S.J.R. 20 will rid us of harmful favoritism and help our state to grow.

Under present land laws, you may sell property to any foreign corporation but not to individuals from any other nation except Canada. Engineers, scientists and skilled workers recruited from the world's technical centers to serve our growing Washington industries are therefore prohibited from owning their own homes here. Yet they may own property in neighboring states competing for the same talent. Our embarrassing land laws also hinder development of trade with the nations around the Pacific Rim.

3) Washington is the only state in the U.S. with such a law still in effect.

Oregon, Idaho, California, Utah and other states have already rid themselves of the inequities and disadvantages of obsolete property laws. In fact, Washington alone among the 50 states still has them. If we are to compete on equal terms, your "YES" vote is needed now. Help maintain Washington's reputation as a state where the people of other nations are welcome.

DANIEL J. EVANS Governor, State of Washington

A. LARS NELSON Master, Washington State Grange

VERY REV. JOHN FITTERER, S.J. President, Seattle University

HENRY M. JACKSON United States Senate

WILLIAM M. ALLEN President, The Boeing Company

JOE DAVIS President, Washington State Labor Council, AFL-CIO

WARREN G. MAGNUSON United States Senate

4) S.J.R. 20 has the unqualified support of a long list of organizations and community leaders across the state representing a total cross section of Washington interests. Here are just a few examples: Henry Kruse, Washington Department Commander, American Legion... Dr. Charles E. Odegaard, President, University of Washington... Dr. C. Clement French, former President, Washington State University... Louis J. Burke, President, Washington Land Title Association... Lawrence Mabry, President, Washington Association of Realtors... Jim Martin, President, Home Builders Association of Washington... Reno K. Odlin, President, Puget Sound National Bank... Max Benitz, President, Washington State Farm Bureau... Joseph Drumheller, leading Spokane businessman... and all seven of Washington's Congressmen... Bishop Everett W. Palmer, Seattle Area Methodist Church... Rabbi Raphael H. Levine, Temple De Hirsch... Neal R. Fosseen, Mayor of Spokane... and many others, including those shown above.

"A Job Well Done"

...that's what they say about JOHN G. McCUTCHEON

McCutcheon at work on Dr. Boehme Trial. A Candid shot of McCutcheon gesturing during the Boehme proceedings.

When a man seeks re-election he must have earned the respect and confidence of the people he works with, as well as the public.

McCutcheon does have this respect and confidence... earned by demonstrated ability and a record of fair play.

- Voters should be reminded that in Pierce County there is: * No syndicated crime * No organized vice * No commercialized prostitution * No syndicated gambling

This enviable situation is due in part to McCutcheon's close cooperation with local law enforcement agencies.

You need continued experience in the Prosecutor's office.

Re-elect "A Job Well Done" JOHN G. McCutcheon PROSECUTING ATTORNEY DEMOCRAT

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SUBSTITUTE SENATE JOINT RESOLUTION 6 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

ELECTION OF SUPERIOR COURT JUDGES

Shall Article IV of the state constitution be amended to provide that where only one candidate has filed for a superior court judge position in a county of 100,000 or more inhabitants, or where after a contested primary in any county only one such candidate is entitled to appear on the general election ballot, certification of election shall issue to such candidate without a further election, unless a write-in campaign is to be conducted?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 43; Nays, 1; Absent or not voting, 5. HOUSE: (99 members) Yeas, 91; Nays, 4; Absent or not voting, 4.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

The state constitution now requires that superior court judges be elected at the November state general election, when other state officers are elected. This is true even where only one candidate has filed for a superior court position, or where after a contested September primary election, held pursuant to statute, only one such candidate is entitled to appear on the November general election ballot because he has received a majority of the votes cast at the primary election for the particular judicial position.

Effect of Substitute Senate Joint Resolution No. 6 if approved into Law:

The proposed constitutional amendment would provide that (1) where only one candidate has filed for a superior court judge position in a county of 100,000 or more inhabitants, or (2) where after a contested primary in any county only one such candidate is entitled to appear on the general election ballot, certification of election shall issue to such candidate without a further election, unless a petition is filed within ten days after the date of the primary indicating that a write-in campaign is to be conducted.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SENATE JOINT RESOLUTION 22 PART 1 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

ESTABLISHING COMMON SCHOOL CONSTRUCTION FUND

Shall Article IX, section 3, of the state constitution be amended to establish a common school construction fund to be used to finance common school construction, with funds to be derived from (1) certain proceeds from timber and other crops from school and state lands, (2) certain interest, rentals and revenues from the permanent common school fund and from lands devoted to the permanent common school fund, and (3) such other sources as the legislature may provide?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 44; Nays, 1; Absent or not voting, 4. HOUSE: (99 members) Yeas, 84; Nays, 8; Absent or not voting, 7.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Under the state constitution as adopted in 1889 there exists a fund known as the common school fund. The primary sources of this fund include money obtained (1) from the sale of lands and other property granted by the federal government to the state for the support of its common schools, and (2) from the sale of timber, stone, minerals or other property from those school or state lands which have not been granted to the state for some specific purpose.

The present constitutional provision declares that the principal of the fund shall remain permanent and irreducible. It permits interest accruing to the fund, as well as rental or other revenues derived from lands or other property devoted to the fund, to be used for current support of the common schools. However, neither the principal of this fund nor any of its income can presently be used to construct school buildings or other school facilities.

Effect of Senate Joint Resolution No. 22—Part 1—if approved into Law:

If this constitutional amendment is approved, the principal of the common school fund as the same existed on June 30, 1965, will remain permanent and irreducible. The fund will continue to receive money from all of its former sources except certain of them which will become sources of a new fund. This new fund will be known as the common school construction fund and will be available to be used for financing the construction of common school facilities. The sources of this new fund will be (1) the interest accruing on the permanent common school fund from and after July 1, 1967; (2) all rentals and other revenues obtained from and after July 1, 1967, from lands and other property presently devoted to the permanent common school fund; (3) certain proceeds from the sale or appropriation of timber and other crops from school and state lands subsequent to June 30, 1965; and (4) such other sources as the legislature may direct.

The proposed amendment further provides that the first of these four sources, the interest accruing on the permanent common school fund after July 1, 1967, may be used only to pay off such bond issues as may be authorized by the legislature for construction of common schools. The remainder of the new common school construction fund may be used for direct financing of common schools.

Lastly, the amendment provides that in the event there should be moneys in the common school construction fund in excess of amounts needed to fulfill its purpose, they shall be available for deposit in the permanent common school fund or for current use of the common schools as the legislature may direct.

Bottiger Vows Continued Representation

R. Ted Bottiger, seeking re-election to the House of Representatives from the 29th District, Position No. 2, promised continued representation of the voters if he is successful.

"It has been a privilege and an honor to serve as your State Representative. I have attempted to acquaint myself with the problems that faced the people of my district and the State of Washington, to propose possible solutions and to vote as I believed a majority of the people would have voted had they had the same information that was available to me. If re-elected I will continue that practice to the best of my ability.

"I believe that my experience as an Assistant Attorney General, representing many of the major divisions of state government, my membership on some of the key committees of the Legislature and my service during the interim on special committees of the Legislative Council will enable me to do a better job for you in the next session.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

HOUSE JOINT RESOLUTION 7 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

RETIRED PERSONS PROPERTY TAX EXEMPTION

Shall Article VII of the state constitution be amended to authorize the legislature to grant relief from property taxes on real property owned and occupied as a residence by retired persons, subject to such restrictions and conditions as the legislature may establish, including but not limited to level of income and length of residence?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 34; Nays, 10; Absent or not voting, 5. HOUSE: (99 members) Yeas, 83; Nays, 15; Absent or not voting, 1.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Article VII, section 1 (Amendment 14) of the state constitution presently requires that all taxes shall be uniform upon the same class of property within the state or other taxing body. In addition, Article VII, section 2 (Amendment 17) of the state constitution, limiting the aggregate of all property tax levied by the state and all taxing districts without a vote of the people to forty mills on the dollar of assessed valuation, states that the assessed valuation of property shall be fifty per cent of the true and fair value of such property in money.

Effect of House Joint Resolution No. 7 if approved into Law:

The proposed amendment would grant to our state legislature authority, notwithstanding these abovementioned provisions, to grant relief from property tax on real property owned and occupied as a residence by retired persons. The legislature would be authorized to place such restrictions and conditions upon the granting of such relief as it deems proper. Such restrictions and conditions could include, among others, the limiting of the relief to those property owners below a specific level of income and those fulfilling certain minimum residential requirements.

Approval of this proposed amendment will specifically validate the provisions of chapter 168, Laws of 1965, Ex. Sess., which, subject to certain specific qualifications, will grant an exemption from the first fifty dollars of real property taxes to certain elderly heads of households having a total income (including income of a spouse) not in excess of three thousand dollars during the preceding calendar year.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SENATE JOINT RESOLUTION 22 PART 2 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

INVESTMENT OF PERMANENT SCHOOL FUND

Shall Article XVI, section 5, (Amendment 1) of the state constitution, restricting investment of the state's permanent school fund to national, state, county, municipal or school district bonds, be amended by removing this restriction and thereby permitting the permanent school fund to be invested in such manner as may be authorized by act of the legislature?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 44; Nays, 1; Absent or not voting, 4. HOUSE: (99 members) Yeas, 84; Nays, 8; Absent or not voting, 7.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Article XVI, section 5 (Amendment 1) of the state constitution presently restricts the state in investing money in the state permanent school fund (derived from the proceeds of leases or sales of lands granted to the state by the federal government at the time of statehood for the support of public educational institutions) to investments in national, state, county, municipal or school district general obligation bonds.

Effect of Senate Joint Resolution No. 22—Part 2—if approved into Law:

The proposed constitutional amendment would eliminate this restriction. Additionally, it would expressly permit the permanent common school fund to be invested in such manner as may be authorized by act of the legislature.

"I am firmly convinced that state and local government should be strengthened so that the government closest to the people is given the responsibility to provide the services which we must have. I will work for legislation to provide air pollution controls, a county service bill to give counties the authority to solve water and sewage pollution problems, and for a reformation of our antiquated tax structure."

Shackleford Support Cited By Filis Otto

The endorsement of retiring Judge Elizabeth Shackleford was cited this week by Filis Otto in her campaign for Justice Court Position No. 2, District 1.

"Judge Elizabeth Shackleford, retiring after dedicated service in the Pierce County Justice Court since 1955, has stated; 'I have been given assurance by Filis Otto that she will run for my position. I feel there should be a woman on the Justice Court bench, and with her in the race, I feel I can retire. I will support her candidacy.'

"Since I am the sole woman candidate for this non-partisan office, my candidacy provides the only opportunity for voters to continue the 40-year tradition of a woman's insight and understanding on the bench.

"Upon graduation from the University of Washington Law School, I was chosen by the late Chief Justice William Steiert of the State Supreme Court as his law clerk. Since 1951 I have been actively practicing law in Tacoma with both civil, and criminal trial experience, with clients from a broad cross-section of the public. I have presided as judge in all the District 1 courts, and have heard over 100 cases, civil and criminal. This broad experience, both at the bar and on the bench, and a fair, objective outlook are among my qualifications.

"I have been approved by local business and professional groups and by attorneys, as well as having the official endorsement of organized labor -- COPE of the AFL-CIO. "I was born in Roy and attended Tacoma schools. All my professional life has been in this area and I know its people and problems. I am proud of the opportunity to offer my experience and such abilities as I possess to the people of Pierce County."

Women Voters Support H.J.R. 4

PUYALLUP - "Be fair - be for 4", urged Mrs. Gilbert J. Price Jr., president of the League of Women Voters of Tacoma-Pierce County, in announcing her organization's support of HJR-4.

This proposed constitutional amendment to be voted on at the general election would allow new Washington state citizens to vote for president and vice-president of the United States.

"Every United States citizen should be able to vote for president and vice president," said Mrs. Pierce. "Eighteen other states have already made such provisions. We feel strongly that the basis of good government is the participation of all citizens. We believe that the voters of Washington will agree that the law of the state should not deprive new residents of their right to vote for president and vice president."

HJR 4 on Voter Qualifications for Presidential Elections would change residence requirements from one year to 60 days for voting for state and local offices and measures would remain the same.

Leagues throughout the state have studied election laws for the past three years. Members agree that residence requirements for voting for president and vice president should be less than for voting on state and local affairs.

Dr. Williams To Be Speaker On Nutrition

PUYALLUP - WSU dairy extension specialist Dr. Grady Williams will speak at the third dairy nutrition meeting from 1:30 to 3:30 p.m. next Wednesday at the Winter School Building, Western Washington Research and Extension Center.

County Agent Eddie Thomason, chairman of the meeting, emphasizes that the modern dairy cow's high productive capacity makes nutrition

Don Perry Unopposed, But Running

County Clerk Don Perry, who is unopposed for re-election next week, still wants voters to remember him on the ballot, he explained in making a pre-election statement.

"Inasmuch as I am unopposed this election, I feel that the activities and accomplishments in office during the past two years should be briefly outlined for the voters and taxpayers of Pierce County. "As many of you may recall, I served as Superintendent of Elections for 14 years,

was appointed County Clerk in 1963, and elected to that position in 1964, for the unexpired two-year term.

"I am happy to report to you that the office is operating efficiently and economically. We have a well-trained staff, with experienced personnel handling their specialized assignments and duties with smoothness and dispatch. "Our program to update and modernize record - keeping procedures is nearing completion, and we have established a very workable Association. We have adopted a uniform system for the maintenance of court records and have been particularly successful in expediting court-ordered payments for child support. "Our project to microfilm

the old records is moving voluminous files into compact cabinet drawers. This program will greatly facilitate reference to old records, and also make space available for other purposes. The growth of the county and increasing functions of local government have already placed a premium on space in the County-City Building.

"A constant attention to improvement in the operation of the office will continue to be my policy during the next four years.

"I am indeed grateful for being accorded the opportunity to continue to serve you, the people of Pierce County."

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

HOUSE JOINT RESOLUTION 39 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

PUBLICATION LAWS AUTHORIZING STATE DEBT

Shall Article VIII, section 3 of the state constitution, requiring the publication, in a newspaper in each county for three months prior to the election, of the text of any law to be voted upon by the people authorizing state debts, be amended so as to require only that notice of the law be published at least four times during the four weeks preceding the election in every legal newspaper in the state?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 45; Nays, 0; Absent or not voting, 4. HOUSE: (99 members) Yeas, 93; Nays, 1; Absent or not voting, 5.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Article VIII, section 3 of the state constitution presently requires the full text of any law to be voted upon by the people authorizing the contracting of state debts to be published in at least one newspaper in each county where a newspaper is published for three months immediately prior to the election at which the law is to be voted upon.

Effect of House Joint Resolution No. 39 if approved into Law:

This proposal would substitute for the above publication procedure a requirement that notice of submission to the people of a law authorizing the contracting of state debts be published in every legal newspaper in the state at least four times during the four weeks immediately preceding the election at which the law is to be voted upon.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SENATE JOINT RESOLUTION 25 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

PORT EXPENDITURES—INDUSTRIAL DEVELOPMENT—PROMOTION

Shall Article VIII of the state constitution be amended to declare that the use of public funds by port districts, in such manner as may be prescribed by the legislature, for industrial development or trade promotion and promotional hosting shall be deemed a public use for a public purpose and shall not be deemed an unconstitutional gift of public funds?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 42; Nays, 6; Absent or not voting, 1. HOUSE: (99 members) Yeas, 89; Nays, 5; Absent or not voting, 5.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Present state constitutional provisions prohibit the expenditure of public money for nonpublic purposes. In a recent decision the supreme court indicated that port districts could not expend funds for the purpose of acquiring and developing industrial sites for the use of or resale to private industry. In its decision the court stated that industrial development is not a public purpose.

Other state constitutional provisions prohibit the state and its political subdivisions from making gifts of public money or property to private individuals. The state supreme court has recently interpreted these provisions to mean that port districts in our state cannot expend public funds for a certain type of promotional or advertising activity known as promotional hosting. Promotional hosting in the case of port districts is generally understood to mean hosting individuals and groups of individuals at lunch or dinner for the purpose of cultivating trade relations and promoting business for the port.

Effect of Senate Joint Resolution No. 25 if approved into Law:

The proposed constitutional amendment would permit port districts to use public funds, in such manner as the legislature may specify, for both industrial development and trade promotion and promotional hosting.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SENATE JOINT RESOLUTION 20 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

REMOVING LIMITATION ON LAND OWNERSHIP

Shall the limitation on the ownership of land in the State of Washington by certain non-citizens be removed by repealing section 33, Article II, as amended by Amendments 24 and 29 of the state constitution?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 42; Nays, 1; Absent or not voting, 6. HOUSE: (99 members) Yeas, 94; Nays, 0; Absent or not voting, 5.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

There remains in our state constitution a limitation on landownership by certain noncitizens who have not made a declaration of intention to become citizens of the United States. However, the constitution presently permits some noncitizens (including nonresidents) to own land:

- (1) If acquired by inheritance, mortgage foreclosure, or in the ordinary course of justice in the collection of debts;
(2) If acquired by a corporation;
(3) If the land contains certain mineral deposits, or is necessary for mills and machinery to be used in developing those minerals and in manufacturing products from such minerals;
(4) If the landowners are Canadian citizens of provinces which do not prohibit the ownership of provincial lands by citizens of Washington state.

Effect of Senate Joint Resolution No. 20 if approved into Law:

The passage of the proposed amendment would remove the remaining limitation on landownership by noncitizens.

A Legal Publication from the office of A. LUDLOW KRAMER, Secretary of State

To be voted upon November 8, 1966:

SUBSTITUTE HOUSE JOINT RESOLUTION 4 Proposed Constitutional Amendment

Ballot Title as issued by the Attorney General:

VOTER QUALIFICATIONS FOR PRESIDENTIAL ELECTIONS

Shall Article VI of the state constitution be amended to allow United States citizens meeting all constitutional qualifications for voting in the state, except for length of residence, to vote at a United States presidential election solely for presidential electors or for the office of president and vice president if they

- (1) Intend to make this state their permanent residence; and
(2) Have resided in the state at least sixty days immediately preceding the particular presidential election?

Vote cast by members of the 1965 Legislature on final passage: SENATE: (49 members) Yeas, 45; Nays, 2; Absent or not voting, 2. HOUSE: (99 members) Yeas, 95; Nays, 0; Absent or not voting, 4.

Explanatory comment issued by the Attorney General as required by law

The Law as it now exists:

Presently, under Article VI, section 1 of the state constitution, a person, in order to vote at any election conducted in this state, must:
(1) Be at least twenty-one years of age;
(2) Be able to read and speak the English language;
(3) Be a citizen of the United States; and
(4) Have lived in the state for one year, in the county nine days, and in the city, town, ward or precinct thirty days immediately preceding the election at which such person offers to vote.

Effect of Substitute House Joint Resolution No. 4 if approved into Law:

The proposed amendment would allow those persons who can meet all the above qualifications for voting except for residence and who shall have resided in this state at least sixty days immediately preceding a presidential election with the intention of making this state their permanent residence, to vote in such election for presidential electors, or for the offices of President and Vice-President of the United States, as the case may be, but for no others.

PTA News

More Than 400 Attend District 12 Conference

PUYALLUP - Over 400 members of District 12 Washington Congress of Parents and Teachers gathered Thursday morning at the Shakespeare Inn for their fall conference.

New officers elected for two year terms included president Mrs. John Hartsell of Spanaway, vice president Bill Kahlenius of Clover Park, first vice president Mrs. Sidney Wood of Franklin Pierce, second vice president Mrs. Leonard vice president Mrs. Alton Heinz of the Pierce County Council of PTA's, third vice president Mrs. LeRoy Harvey of Puyallup and secretary Mrs. Dan Martin of Franklin Pierce.

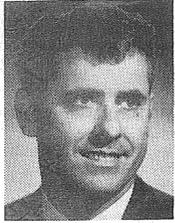

Vice president of Region 6 Dr. Frank Price gave the keynote speech, "Moral and Spiritual Education."

CENTRAL AVENUE PTA will hold their "Back to School" night at 8 p.m. next Wednesday at the school's multi-purpose room. Following the business session a short program will be presented. Parents are urged to attend to visit their child's classroom and meet the teachers.

WALLER ROAD PTA elected officers at their recent meeting, choosing Mrs. Carol Kersey as president.

Assisting her will be vice president Mrs. Joanne Ehnat, second vice president Mrs. Shirley Wadsworth, secretary Mrs. Henrietta Powell and treasurer Mrs. Mariba Kontos.

ROY P.T.A. will meet 7:30 p.m. November 7 in the Grade School. A 1st and 2nd grade open house will be held with the 5th and 6th grade mothers serving refreshments. Speaker for the evening will be Mr. William Viert, attorney. His topic will be "Responsibility of Parents for Their Children."

BY JOHN VANDEVANTER

You might as well get your forefinger out of my buttonhole, Plebescite, you're stretching both YOUR luck and MY lapel. If you could just tell me WHERE to vote and leave the HOW to chance, we'll carry fond memories of one another.

Don't be argumentative, now. There'll be no coffee hours, rallies or debates for me until after the election. I've already made notes on how I'm going to vote and in order to avoid friction I don't even carry the notes with me.

Remember them? I don't even remember where I LEFT them. But I know where to ask. Now, the polls for my precinct were at . . .

Of course my mind is closed. Fifteen minutes of attention and my well-ordered ignorance would be torn to shreds. It was hard enough getting THIS far without thinking.

Well, you EXPECT a citizen to vote. It's his duty, like remembering his mother, standing for the Star Spangled Banner and "clothes line night." But it never occurred to me that you expected him to understand. Let's see, last time I voted . . .

Believe me, Plebescite, I've tried. After just one evening reading up on Initiative 233 for instance, I had nightmares about railroad firemen running their 24-car featherbeds over children on bicycles. Not only got to hating the railroads and the firemen, but children, bicycles and feathers in the bargain. It took days to get rid of my convictions and reduce my vote to a simple, narrow-minded "yes" or "no."

Important? The reins of government? Sure. But should we hand them back to the "complacent, entrenched, corrupt" incumbents or hand them over to the "brash, untrained, avaricious" hopefuls? I don't know whether it's harder to pilot the ship of state while you're "pointing with pride" or while you're "viewing with alarm". My kids always pick the guy with the white trunks and THEY do all right.

Like "The Lady or the Tiger"? Golly, Plebescite, there's a couple I didn't even know were running. No . . . no . . . I don't WANT to know about them. Just let me jot their names . . . "and the T-I-G-E-R . . ."

RETAIN FRITZ GEIGER COUNTY COMMISSIONER-DEMOCRAT

A SOLID TEAM-The County Commissioners work together in the support of community progress-- in this case, the construction of a new picnic shelter. They also work together for good government for Pierce County.

We solidly support the re-election of Fritz Geiger as County Commissioner. We urge all voters of Pierce County to retain his knowledge and experience in continued strong government for our County.

- GEIGER'S YEARS OF ACCOMPLISHMENT**
- * Tolls removed from Narrows Bridge
 - * Regional land use planning
 - * Centralized data processing installed
 - * Regional parks developed
 - * Road construction accelerated
 - * Planning department organized

RE-ELECT FRITZ GEIGER
YOUR COUNTY COMMISSIONER-----DEMOCRAT
(Pd. for by Committee for Fritz Geiger)

ASC Committee To Be Chosen

The County Agricultural Stabilization and Conservation (ASC) Committee for next year will be elected by farmer-chosen delegates Friday at the ASCS County Office, 506 River Road, at 9:50 a.m. Fred Kropf, chairman, announced the convention will be open to the public, and any person interested in observing the voting procedure may attend. However, only farmer-delegates at the convention may participate in the election process. Election is by written ballot and plurality vote.

The delegates to the county convention and the communities they represent are: Buckley-Arthur Kaelin, Harold Eatherton, Daniel Hilde; Eatonville - Jonas Asplund, Fred Kronquist, Louie Mettler, Jr.; Peninsula - A.R. Fenton, Lawrence Newman, Paul Alvestad; Puyallup - Harold Knutson, Wilmer Reise, Albert Holdener.

The elected county committee is composed of three regular members and two alternates. Terms of office are staggered. They are three, two and one year.

Two Win UW Scholarships

Two area students were among 17 University of Washington students awarded more than \$7,000 in scholarships at the eighth annual Honors Convocation of the UW School of Communications.

Sharon Shannon, senior, received a \$250 James Murphy Memorial Scholarship and a \$100 Washington Press Women Scholarship. She is the daughter of Mr. and Mrs. J.S. Shannon of Spanaway.

Harold Anderson, senior, was awarded a \$300 J.H. Reid Scholarship. He is the son of Mr. and Mrs. O.H. Anderson, 3812 South L Street.

Fire Marshall Award

PARKLAND ELEMENTARY students proudly display the "Junior Fire Marshall Award" flag their school earned by helping eliminate fire hazards in the home during Fire Prevention Week. Assisting the students hold the display are Principal Paul Larson (left) and Deputy Parkland Fire Chief Ray Hixson. The youngsters, Gilbert Simmons and Fae Korsmo, along with 90% of their classmates participated in the project.

Obituaries

Perry E. Rankin

Services for Perry Eugene Rankin, 56, of 1506 South Sheridan Avenue, Tacoma, were held Saturday afternoon at the Lynn Funeral Chapel.

Rev. L.D. Moorey, Rev. Robert Tremble and Rev. Jonah Parker officiated. Interment was in Mountain View Cemetery.

Rankin died last week in a hospital. He was born in North Carolina and had lived in Tacoma since 1956.

Rankin was a retired sergeant first class in the Army and had served in World War II. He was a member of Miles Memorial Church.

Survivors include his wife, Beulah; a daughter, Zanthia, of Tacoma; two sons, Thymischene and Michael James, both of Tacoma; two sisters, Mrs. Claudia Barbour and Mrs. Kelsie Anderson, both of North Haven, Conn.; and two brothers, James, of New York, and Hubert, of North Carolina.

Laura M. Henning

Friday afternoon services for Mrs. Fred A. Henning, 64, of Rt. 1, Box 1364, Spanaway, were held at Dryer's Fir Lane Chapel.

Pastor Harold Aalbu officiated. Interment was in Fir Lane Memorial Park.

Mrs. Henning died last week in a nursing home. She was born in Eau Claire, Wis., and had lived in this area the past 30 years.

She was a member of Hope Lutheran Church.

Besides her husband, she is survived by a daughter, Mrs. Ray (Barbara) Bader, of Tacoma; a son, Richard L., of the home; two sisters, Mrs. Esther Nissen and Mrs. Paul Harlow, both of Tacoma; a brother, Clarence Hadley, of

Tacoma; and four grandchildren.

John McDermaid

Private services were conducted Friday at Dryer Mortuary for John McDermaid, 79, of 3611 E. 120th Street, Tacoma.

Rev. Herbert E. Miller officiated. Interment was in Mountain View Memorial Park.

McDermaid died last week at his home. He was born in Penicuk, Scotland, and came to Tacoma 15 years ago from Kenilworth, Utah. He was a retired coal miner.

He was an Army veteran of World War I and was a member of Parkland Barracks No. 2131 of the World War I Veterans.

Surviving are his wife, Lillian; a daughter, Miss Collette McDermaid, at home; a son, John F., of Mountain View Calif.; two sisters, Mrs. Blaine Freeman, of Tacoma, and Mrs. Louis Balmer, of Spanaway; and two brothers, Arch, of Magda, Utah, and Robert, of Carlsbad, N.M.

Infant Rogers

Graveside services for the infant daughter of Mr. and Mrs. John O. Rogers, Rt. 1, Box 1385, Spanaway, were held Monday afternoon at Fir Lane Memorial Park.

Rev. Bill Murphy officiated. Arrangements were made by Dryer Mortuary.

Besides her parents, she is survived by two brothers, John

Jr., and Odis Glenn, and three sisters, Bonnie Lou, Cynthia DeAnn and Rebecca Yvonne, all of the home; and her paternal grandparents, Mrs. Daisy Rogers, of the home, and Mrs. Pearl Richards, of Odessa, Tex.

Alice E. Guthrie

Services will begin at 2 p.m. tomorrow in the Mountain View Valley Chapel for Mrs. Arthur Guthrie, 79, of 8401 McKinley Avenue, Tacoma.

Burial will be in Mountain View Memorial Park.

Mrs. Guthrie died Sunday in a hospital. She was born in Kansas and moved to Tacoma in 1942.

Mrs. Guthrie was a member of the Methodist Church.

Survivors include six sons, Cecil C., John O., and Gail W., all of Tacoma, Thomas, of Medicine Lodge, Kan., Wilber of Sawyer, Kan., and Lloyd, of Kalispell, Mont.; four daughters, Mrs. James (Marjorie) Bocalera, of Tacoma, Mrs. Ivan (Nellie) Rose, of Wichita, Kan., Mrs. William (Bonnie) Stoops, of Sawyer, and Mrs. Olaf (Elsie) Matthews, Lenavah, Okla.; a brother, John Rhea, of Sawyer; three sisters, Mrs. Lester (Lois) Miller, of Eugene, Ore., Mrs. Erple (Gladis) Decons, of Hutchinson, Kan., and another sister, Carrie, of Pratt, Kan.; 25 grandchildren; and 16 great-grandchildren.

Ext. Service To Conduct Tours

Woodland owners will have an opportunity to see and learn about money - making forest management methods on a tour of two tree farms in the Graham area beginning at 9:30 a.m. Saturday morning announced county agent David Klemperer.

Participants should take the Muck - Kapowsin Road east from Graham for about one-third mile and turn South on Davis Road. The tour will convene one mile south on Davis Road. Klemperer says pick-up trucks will be appreciated to help transport people on the tree farm road.

The tour will stress thinning in 35 to 40-year old Douglas-

fir to maintain rapid tree growth, gain current income and reduce the investment in standing timber.

At a thinning on the Stan Baker Tree Farm - which won the 1963 conservation award - participants will see a portable mill which is helping the land-owner and logger cash in on better utilization, lower unit hauling costs and higher volume scale.

Operations will be explained and questions answered by farm forester Steve Harvey, forest manager Jack Whinn and county extension forester Klemperer.

O'CONNOR IS NOT SEMI-RETIRED HE'S NOT EVEN TIRED!
ELECT **HOWARD O'CONNOR**
SENATOR, 29TH DIST. REPUBLICAN

ON THE SUBJECT OF . . . PATROL

Jack Berry fulfills another promise. Areas which were desperately in need of additional police protection are now receiving it. Eleven new deputies, specially trained, are now providing greater security for the entire county through increased coverage. Additional deputies were furnished to the Puyallup-Sumner valley and the Peninsula area.

Re-Elect Sheriff JACK BERRY (REPUBLICAN)
