

SANTA CLAUS IS COMING TO TOWN!

Christmas is almost here. The calendar says it's only 19 days away. To children, that is a long time; grown-ups realize that there is no time to lose. So everybody in the community is very, very busy getting ready for Christmas.

Everywhere the stores are being decked out in colorful Christmas decorations, the better to display the fine

lines of holiday goods offered by merchants in Times-Journal territory. Sections are still good in a wide variety of items, making it possible to buy gifts for any member of the family, for friends, for the home. Whether you have much or little to spend, the local stores have attractive offerings for your choice. And there's plenty of room to park, too.

Merchants Decorate Streets
In many sections, the streets are being decorated. The Parkland Business club is hanging eye-catching signs across Pacific and Park avenues and the merchants along Garfield Street and Pacific Avenue are displaying silvery Christmas trees in front of their stores, giving a very lovely appearance. Schools are planning special Christmas

programs and the choirs of the local churches are busy with plans for Christmas concerts. Many clubs and other organizations will hold Christmas parties.

Christmas Programs
With Christmas the biggest item of news in the community for the next 19 days, the Times-Journal management wants to know what's going on. Let

us have the program for your church concert, the details of your club party, the news of the guests in your home and of the family dinner on Christmas day. Mail the items in or call GR. 7100 and share your Christmas cheer with the more than 10,000 homes into which the Times-Journal goes every week.

New Service For Elk Plain Church

A new type of service for Sunday school has been inaugurated by the Elk Plain Community church. The Sunday school meets at 10 a.m. for a 15-minute opening service conducted by the superintendent, Mrs. Fred Anderson, adjourns to classes for 30 minutes and then again convenes in one group for a 35-minute service conducted by the minister, the Rev. George Fulcher.

This schedule is being used in many parts of the country and it is expected that it will be satisfactory in the local church.

SOS marks the plea of the Sunday school kindergarten, which needs small chairs for the little folk. Anyone having a chair which children of the family have outgrown is called to Mrs. Anderson, Graham 421, or write to her at Rt. 1, Box 362, Spanaway.

Who ever saw a Santa Claus that wasn't smiling? It wouldn't be Santa Claus if he wasn't smiling, just as it wouldn't be Christmas without Santa Claus. After all, don't we all believe in Santa Claus, the spirit of Christmas? To the children, Santa Claus means gifts and candy and happy days of play; to grown-ups, the warmth and friendliness of the Yuletide season reaches into all phases of community life. Let us say, with Tiny Tim, "God bless us, every one."

MOON MULLINS PROVIDES FOR CURTAIN CARE

"Doing curtains is a dreaded burden at this seasonal curtain cleaning time," warns Moon Mullins, Puyallup Laundry and Dry Cleaning salesman, "but you can save yourself this hard work by sending your curtains to the Puyallup Laundry and Dry Cleaners."

"All curtains sent to the Puyallup Laundry for renovation are washed inside—protecting net bags," claims Mr. Mullins. "The bags get the wear and strain, the curtains receive the wash."

"Next curtains are dried to exact measure on pinless, hookless frames in a temperature-controlled unit. Finishing follows on special presses, including some crimping and fluting equipment that is remarkable in its operation."

"I believe that Puyallup Laundered curtains are the loveliest in the Parkland area. To enjoy this service, call me at Puyallup 5-6651 for pick up and prompt re-deliver service," adds Moon Mullins of the Puyallup Laundry and Dry Cleaning Company.

MEDITATION
YOU'RE A TEACHER

Marie Adams, a bride, moved into a district of shabby homes; her's became a bower of colorful flowers. Other women emulated her. That district became a show-place. Alex Martin told his son, "Carry your own load and part of your neighbor's, if necessary." Tom Martin, the boy, grew to be a leader of men.

On the other side of the page we see a father who barely hesitates at Sign signs, steals right-of-way, ignores traffic citations; his son emulates him, cuts classes, lies when truth would be easier, becomes a problem child. In every act and gesture and by our attitudes we are teaching the man at our elbow to do as we do.

A traffic officer stopped a prominent man for a minor traffic violation. The man was furious, boiled over. The officer asked to see his driver's license. The man raged imprecations. The officer smiled and said, "You are a prominent man. You're a teacher; others follow you." The man's anger died. He held out his hand. "You made me ashamed of myself. Where's the ticket?" The officer chuckled as he returned the license. "There'll be no ticket this time." "There won't be a next time," the man promised.

Duff May Reveal Eisenhower Plans

Will Eisenhower accept the Republican nomination that office? Senator Duff (R) Pa., the dynamic Republican personality behind the Eisenhower story and his candidacy for president, will reveal some of the mystery surrounding the issue on Monday evening at the Odd Fellows Temple on Sixth Avenue and Fawcett.

According to the chairman, State Senator Donald Eastvold, Mr. Duff will remove all doubt and mystery regarding the activities of the General. Senator Duff is the major backer of the Eisenhower for President move in the United States. He is a dynamic forceful speaker. He has the inside track on the Eisenhower story, having received it direct from General Eisenhower himself.

You will be impressed, enlightened and assured when you hear Senator Duff this Monday night at the Odd Fellows Temple. Senator Duff upset the powerful Grundy machine during the 1950 election when he defeated the entire mechanism of the ultra-conservative force which had ruled for years. He represents the liberal element of the Republican party.

The meeting has been arranged for and sponsored by the Young Republican Party of Pierce County.

The public is invited to the meeting, which starts at 8 p.m.

City Charter Discussion

Sponsored by the League of Women Voters, a panel discussion of the proposed City Charter change will be held at 8 o'clock Thursday evening, Dec. 6, at the Tacoma Y.W.C.A. Prof. Hugh Tudor of CPS, member of the mayor's committee, will lead the discussion. The public is invited.

Altar Society Meeting on Monday evening, Dec. 10, at 8 o'clock.
St. Benedict's Altar society of Spanaway will hold its regular meeting at the home of Mrs. James Keough with Miss Euthrope Keough as co-hostess, of fun.

By Clarence LaCrosse

Television certainly proved its worth last week when it presented in all its gory detail the dirty, throbbing, infected lifeblood of part of the city of Tacoma and its underground element. Never so thoroughly has the public been allowed to guess at what in part is taking place right under their noses day after day.

It is unfortunate that the Rosellini committee saw fit only to scratch the dirt a bit in its search for crime sources because as it is, it only barely got a hold of the subject. In order for a program to be of any use to the community as a whole it would be necessary to get all the factors and not just a few as they affect one department in the city, namely the police department. Most people have guessed that perhaps the police department had a few leeches in it, but most of the public also suspect that perhaps there are other departments which have a few more in it besides.

Business stood still as the alleged sins of a few were flashed on the screen for all to see. The eye of the television camera spared none. It saw all . . . it told all. Perhaps even more than the witnesses themselves.

It was generally concluded from the affair that all was not revealed, a lack of an overall picture not being secured.

Unless the information revealed in this investigation is immediately followed up and unless a Grand Jury is called, little or nothing has been accomplished except to allow the general public an insight as to what might be transpiring in the elected offices of our city.

A New Record

We are proud to present to our public this week ten pages of Christmas specials from your local merchants, who have everything you need for your Christmas shopping. In presenting ten pages of paper we have also broken a record of local newspaper endeavor. We hope you like our efforts, which were made possible because our advertisers recognize the value of advertising in their local newspaper . . . The Times-Journal of Parkland.

Seen and Heard in the Local Coffee Bar

Dr. Patrick of PLC has again submitted an article for publication in a National magazine. This is not his first success along these lines.

The entire crew and patrons of the Donut Bar of Parkland elected Morris Ford as "Mayor" last week while discussing the merits of local dignitaries. He seems to be on his way up in local politics, too, having been recently elected president of the biggest club in the area, The Kiwanis Club of Parkland Area.

Donuts and coffee seem to be in order for the bankers and their assistants, according to the bevy of pretty girls from the Donut Bar, Lorraine, Irene and Marie, who tell me that they all purchase quite a few donuts from that establishment.

Christmas Windows

Johnson Drug on Garfield Street has entered into the spirit of the season by making up a very attractive window display. Others are following

suit. I note that Payallup has blossomed out in full Christmas attire. All the streets are decorated and the windows have Christmas motifs . . . it really looks nice. It's about time we started getting our windows decked out for the occasion.

Pigeon Fanciers Win Blue Ribbons

The PSPF (Puget Sound Pigeon Fanciers) did well in the honors and ribbons they brought home from the new Northwest Winter Pigeon show at Chehalis. Just started this year, it proved to be a big success with an entry of nearly 600 birds. The Northwest show is sponsored by the C. C. Racing club of Centralia and Chehalis, the Portland club of Portland and the Puget Sound club here in this locality. Serving on the board of directors from this district are Ad Wagner of Tacoma and Karl Cordes of Puyallup.

The first gold cup, given at the annual PSPF Lawn show in the spring, was won by Charles Alder of Midland with a Blue Owl. The second gold cup won by a PSPF club member was won by Leon M. Robbins of Tacoma at the Northwest Winter show with an English Pouter. Art Whitecher of Puyallup won a special award for the "best young fancy cock bird." The bird winning for Mr. Whitecher was a white Fan Tail.

Members from the PSPF club who entered birds and came home with five or more blue ribbons were: Robert Collier, Charles Alder, Art Whitecher, Karl Cordes, Cecil Nordland, Kirk Bodhaine, Leon Robbins. Many varieties were represented at the show, by the members listed. Varieties shown were Fan Tails, Owls, Turbits, Kings, Rollers, Nuns, Homers, Jacobins, Helms, Trumpeters, Baldheads, Modenas, Pouters and Swallows.

Home From Trip South
 Mr. and Mrs. Larry Bartoloz, of Andrain Road, and their three children, Larry Jr., Ricky and Mike, have just returned from a 10-day trip to California. While in California they visited with Mrs. Bartoloz's mother,

Mrs. Wesley Howard of Sacramento. It had been eight years since they have been together and Mrs. Howard enjoyed the thrill of seeing her new grandchildren. In San Francisco they visited with Roy Regbart, who is Mr. Bartoloz's brother-in-law, and with his two children, Norman and Mary Lou. While south they visited in Cottage Grove, Ore., at the home of Paul and Laura Livings, former residents of Summit. Places of interest visited were Fletschacker park, which has one of the largest zoos west of Chicago, and Sacramento Park. The children enjoyed going barfoot in November and eating oranges and lemons and grapefruit off the fruit trees on the capitol grounds. The family drove home through the Redwood forest and up the scenic ocean drive.

SPEED AND POWER — OR TIME FLIES

Boxed in by the young and old, is the sleek white 335 h.p. "Car of Tomorrow," the XP-300, built by General Motors for experimental purposes and shown at McChord AFB last week. Low to the ground, "the thing" easily takes 45 degree curves at better than 90 mph and rides "nicely" at 120 mph with no hands on the wheel, witnesses claimed after a fast ride on the South road. To the left is a 1908 Palmer Singer, the only remaining model, which will still do 80 mph on six cylinders, according to Mr. Ed Griffin of Tacoma, owner. A 1912 Mercer Race-a-

Bout, on the right, in perfect condition and capable of 70 mph, is owned by Mr. Tom Carstens, a local meat packer. The XP-300, five years in the making and insured for \$1,000,000, burns a mixture of gas and alcohol. It jumps to 85 mph from a standstill in about three seconds. Mr. C. A. Chayne, chief designer and driver of the car, sitting in the cockpit of an F-94, is making demonstrations across the country with the power plant, showing new inventions, that, when perfected, will appear on stock cars in the future.

Local Men Enlist

Three men residing in Times-Journal territory recently enlisted in the Navy and are now receiving basic training at San Diego. They are Howard E. Lott, son of Wilbur F. Lott of 439 So. 96th St.; George W. Gorow, son of John G. Gorow of Rt. 3, Box 355, Tacoma, and Charles L. Laney, son of Clarence L. Laney of Rt. 7, Box 116, Tacoma.

Busy With Christmas

Christmas plans are the highlight of the Elk Plain Girls 4-H club. At a recent meeting Shirley Beaman suggested that the club send a gift box to the children at Buckley, the girls agreeing a hundred percent. The Girls and Boys 4-H clubs will hold a joint Christmas party in the new clubhouse, the old Ricky Ridge school building. The clubs plan to move into the new clubhouse as soon as the facilities are installed.

SGT. RODERICK L. CRESS, Rt. 7, Box 445, arrived in San Francisco aboard a transport which carried 4,451 Army Korean combat veterans home for reassignment.

Response to Christmas Seal Sale Gratifying

A good percentage of the quota, or \$12,122, has been received in the first ten days of the annual Christmas Seal sale, it was announced today by Frank T. Walters, treasurer, and Mrs. J. W. Kalkus, drive chairman of the Pierce County Tuberculosis association. The report is encouraging and it is hoped that the rest of the month will see the same rate of return, they said.

This veteran organization is now carrying on the 41st Christmas Seal sale in Pierce county, this being the 45th in the United States under sponsorship of the National Tuberculosis association. Inquiries have reached the local office about the different Christmas Seals that have been mailed out this year. It should be emphasized that only the seal showing the smiling Santa and carrying the distinguished red double-barred cross are sent out by the Tuberculosis association. The mobile x-ray unit paid for by sale of Christmas seals x-rayed and in 40,000 people last year. In addition to x-rays, the money raised goes to pay for medical research, health education and rehabilitation of cured patients.

The response to this year's Seal sale has been very gratifying and with the present outlook it appears that the quota will be reached, Mr. Walters said.

A MARRIAGE LICENSE application has been filed in the county auditor's office by Robert D. Bloom, 425 East 64th St., and Barbara Elaine Beckman, of Rt. 7, Box 169.

All firemen's wives of the Parkland area are again asked to donate baked goods. Gift aprons will also be on sale. Mrs. O. Ellingson is general chairman. The last sale was very successful and the patronage of the public will be appreciated. Anyone wishing pick-up for her donation may call Mrs. Kageler at GR. 5149.

Pierce County 4-H Leaders Honored at Banquet Thursday

4-H leaders and assistant leaders from all over Pierce County were honored last Thursday evening by the Pomona Grange with a full course ham banquet at Benston Grange hall. Invocation was given by the Rev. W. A. Moore, community singing was led by Ernie Hopp, county extension agent, with Mrs. H. L. Driggers at the piano.

The address of welcome was given by Frank Swalander, Pomona master, with the response for the leaders by Mrs. Harold McGee, Leaders' Council president.

George Purcell, county extension agent, introduced all those present, and the Rhythm Sparks (Lucille Bradley, Anna Cochicle, Mary Bradley, Bunny Fogle, Lonny McMahlill, James Evans, James Robins, Gene Weeks and Jack Pederson) rendered a number of songs.

Highlights of the evening was the enthralling speech given by Mr. F. E. Kirsten, inventor, farmer and retired professor of the University of Washington. His main theme throughout his talk was to teach the youngsters to be thorough in everything they attempt and that in turn would give them self-satisfaction as well as make them successful. Mr. Kirsten was introduced by Mr. Fred Sutter, principal of Clover Creek school.

Special mention was given to the 16 leaders and assistant leaders whose clubs had 100% completion in all their projects for the past 4-H year. County Extension Agent Claude Doran presented banners won by judging teams and demonstrators at the recent Puyallup Western Washington Fair.

Midlanders honored were Miss Joanne Morud for being champion senior home economics demonstrator, and the Misses Joan Arterburn and Beverly Corigan for being on the champion senior clothing judging team, which also consisted of Miss Charlene Van Hoof of Buckley. Congratulations, girls!

A vote of thanks goes to the Benston Grange members who worked on the grand dinner and to the Pomona Grange for honoring these volunteer leaders.

Parkland Preschool To Meet on Monday

The December meeting of Parkland Preschool will be held at 8 o'clock Monday evening in the school auditorium with the president, Mrs. A. J. Stern, officiating.

The program chairman, Mrs. David Freeman, will present Prof. Otto Bochimoto and the College of Puget Sound German club. They will portray a 16th century Christmas. A violin solo and carols sung in Spanish and German are included in the musical program.

A business meeting will follow. Hostesses for the evening will be Mrs. June Brunton, chairman, Mesdames Katie Skinner, Marie McQueen, Emma Heidal, Mattie McDowell and Aline Bernsten.

Everyone is asked to bring Christmas paper, ribbon and seals to be used at the coffee hour in wrapping the kindergarten children's gifts.

Talk is cheap—the inevitable result of overproduction.

MIDLAND NEWS

Beverly Corigan, Reporter

Altar Society Meets Thursday
 The Altar society of St. John of the Woods church will meet this Thursday noon at 12:30 at the home of Mrs. Larry Cleary on East 95th street. All members of the parish are cordially invited to attend and there will be a small exchange of Christmas gifts (not to exceed 25¢—something more or less on the humorous side) to make the meeting more of a party as the holiday time approaches.

On Sick List
 Mrs. Allen Zook has been on the sick list and we hope that she will get better real soon. She spent a week in the hospital and is now to take it easy and is under the doctor's care.

Good Neighbor Club Luncheon
 The Good Neighbor club will have its monthly potluck luncheon meeting at the home of Mrs. Richard McNabb on East 95th St., Friday, Dec. 14. Each one is bringing bright-colored tee shirts or socks for the bigger boys at the Rainier school at Buckley, which are to be wrapped as Christmas gifts.

Junior High Elections
 The Midland junior high school held elections in their home rooms for their student body officers for the school year of 1951-52, October 24.

Those who were elected are: President, Tommy Hansler; vice-president, Bonnie Deck; secretary, Joyce Webber; treasurer, Glenna Parriott; sergeant-at-arms, Richard Arneberg; publicity chairman, Sharron Eshpeter.

Halloween Party
 The Midland junior high school held their Halloween party October 31 in the school gymnasium. They played games, danced, saw a movie and enjoyed a program. Those participating in the program were: Bill Hiller, Rodney Adler, June Cannon, Dianne Schrag, Betty Steinbock and Perry Keithley, Jr.

The program committee was made up of the following: Sharron Eshpeter, Joyce Webber, Mike Anglea and Jerry Rody.

Injured While Swimming
 Mary Benson, daughter of Mr. and Mrs. Roy Benson of Midland, was taken to the Washington Minor hospital Wednesday evening of last week. She had a serious accident while swimming in the girls' pool at Lincoln high school. Mary had a hemorrhage in one of her eyes and was in critical condition. She came home from the hospital Sunday afternoon and is much improved.

"Sew and So" Club Meeting
 The Neighborhood "Sew and So" club held their monthly meeting at the home of Mrs. Ed Hendricks on Golden Given road last Thursday evening. Although there weren't many present due to sickness of members and other engagements, it was reported that all had a good time. They decided not to hold a meeting during the month of December.

To Sharpen Scissors Fast
THERE'S nothing like a dull scissors to fray the temper! Since it isn't always convenient to take the scissors to the sharpener, knowing a quick method of putting an edge on the blades is helpful.

Either a fine sandpaper or emery cloth may be used in this reconditioning operation. The piece of abrasive should be a little longer than the cutting edge of the blade.

As the scissors cut through the sandpaper or emery cloth, the blades are automatically sharpened.

Richard C. Bartron Dies in Germany

Mr. and Mrs. E. R. Bartron, 870 So. 80th St., have been notified by the Defense department of the death of their son, Cpl. Richard C. Bartron, in Germany the day before Thanksgiving.

According to Mrs. Bartron, the 25-year-old serviceman had been well. She received a letter from him last week which was apparently written the same day he died.

A graduate of Clover Park high school, young Bartron attended Seattle university and the University of Washington before entering the service in September, 1950. He was a member of Phi Kappa Tau.

By coincidence his brother, William, is in a German hospital receiving treatment for a collapsed lung, suffered when he contracted pneumonia. The News Tribune carried a story recently of William's graduation from a service school, where he had received further training for his educational work in the army.

In addition to his parents and brother, Corporal Bartron is survived by a number of aunts and uncles.

MRS. ARTHUR G. (Maude Esther) WOLFER, 66, of Rt. 4, Box 342-A, died Nov. 25 in a local hospital. Born in South Dakota, she had come here from Sheridan, Ore., only a year ago. Surviving are her husband; a daughter, Mrs. Grace Ihrig of Portland; six sons, Sgt. 1/c Glenn R. Wolfer, in Korea; Henry M. of Portland; T/Sgt. Harry H., in France; Sgt. Norman A., at Fort Lewis; T/Sgt. Raymond G., in the Philippines; and Leonard E. of San Francisco, three brothers and four grandchildren. Funeral services were held Nov. 30 in the Fort Lewis chapel, the Rev. Oliver Gill of Puyallup officiating; burial in the Fort Lewis cemetery.

Those who borrow trouble will find it never too late to lend.

ON THE P.L.C. CAMPUS IN PARKLAND

Church Choir Gives Four-Act Play Nov. 30

A four-act play, "Granny of the Hills," was presented in Parkland on Nov. 30 under the auspices of the music committee of the United Methodist church. A fine crowd attended in spite of this season's stormiest night and in response to the requests of many who witnessed the play, it will be given a second time and at the vesper hour, 5 p.m. Sunday, Dec. 9, in the Parkland Methodist church.

The minister of the latter church, who coached the play, states that he has an "all-star cast," with which comment those who saw the play are in hearty agreement. There will be no admission charge, but an offering will be received to help purchase new vestments for the choir.

Miss Frieda Peterson, in the title role, Granny Woodhall, whether in her mountain home, on the college campus or in the commencement scene, acted as to-the-manner born. She was well supported by her fellow players, consisting of Duane Weeks, Virginia Dryer, Mrs. Dick Simpson, Marilyn Wallace, Diana Brown, Nancy Logan, Betty Stokes, Byron Brady, Ivan Makinster and Rosalie Baker. Sergeant Makinster, as the college president, and Byron Brady as valedictorian, upheld their parts with dignified efficiency and the numbers rendered by the chapel choir gave the finishing touch to a very creditable performance in a noteworthy event.

4-H Leaders' Council To Meet December 11

The next 4-H Leaders' Council meeting will be held Tuesday evening, Dec. 11, at the Waller Road Community hall at 64th and Waller at 8 p.m.

The Senior 4-H's of the county will have their meeting the same evening and place but will start their meeting at 7:30 so that most of it will be through before the leaders' session starts. They have had quite a time getting members out to meetings, so they are going to see how it will work out having them the same night as the leaders.

All 4-H'ers in Pierce county 14 years of age or over are eligible to belong and it is hoped that a special effort will be made to get a large group of young folks out for this meeting. There will be election of officers for the coming 4-H year. To help put a little money in their nearly depleted treasury they will award a lovely doll and wardrobe to some lucky person before Christmas and reports about this will be asked for at this meeting. Dances, parties, picnics and boat cruises are just some of the things this group have had a great deal of fun with during the past years.

\$500,918.50 in Christmas Club checks
are in the mail to NBW's 5888 members

The first of December is a happy time at NBW... as we pay out hundreds of thousands of dollars to our Christmas Club members. Each check means a merrier, carefree Christmas for another family... more business for merchants... a greater outpouring of the holiday spirit. If you are not one of those receiving a check this week, why not join our Christmas Club tomorrow... and be sure of a very Merry Christmas in 1952. You can set aside as little as 50¢ a week, or as much as you wish. You'll never miss the small change through the year... but the accumulation will be welcome indeed, in December 1952.
