The Pacific Lutheran College basketball team is off to a rather slow start, losing their first two games. The Lutes lost their first start to the strong Seattle University five and man has been using mostly freshmen so far, along with the capable veteran Glen Huffman. "I'm glad I joined the Christmas Club at N.B.W...

Last year I went Christmas shopping with my next door neighbor. She was buying so many beautiful gifts, while I was having trouble stretching my budget to include even the most modest presents for the immediate family. Her husband doesn't make any more than Fred, so I asked her how she did it. "The National Bank of Washington Christmas Club, Mary! I've been putting a few dollars into the Club every week since last Christmas...and on December 1st the bank sent me a check for all I'd saved, plus interest. This year, Christmas is fun!" Well, I went right over to the bank and joined too. I took the \$5.00 plan, and this week I got my check for over \$250. My, I'm glad I joined Christmas Club at NBW."
