Churchill Addresses European Assembly

STRASBOURG, FRANCE—The European Assembly Meeting in Strasbourg to map future security of Western, Democratic Europe, gets words of advice from an expert, Winston Churchill, who stands to speak at one of the meetings. The man who had much to do with coordinating defense and attack of the Western Allies in World War II may well be said to qualify as an expert in the planning to withstand any possible future aggressor.

KAPOWSIN P T A

The September Parent Teacher Association meeting was held at the Kapowsin High School at 8 o'clock the evening of September 15th.

It was announced by Mr. Homer Anderson, Superintendent of the Bethel School District, that due to unavoidable delays in the construction of the new Kapowsin Grade School that classes will be held for the first and second grades at Benston School; and for the third and fourth grades at Graham School until the new building is completed. School will begin for these grades on Tuesday, September 20, 1949. The children are advised to bring their lunch. A barbecue will be held at the new Kapowsin Grade School on Sunday, October 2, 1949, and the dedication of the new school and the teacher's reception will be combined at this event. The barbecue will be served from 12 to 2:30 p. m.; immediately following will be the dedication at which Mrs. Pearl Wanamaker, State Superintendent of Public Instruction, will be the principal speaker.

The regular monthly meeting night for the balance of this year will be the third Thursday of the month at 8:00 p. m. at the Kapowsin High School. Notices of these meetings will be mailed to parents.

LETTER OF THANKS

To Mid-County Shopper Readers: A large crowd attended the Waller Road Community Fair, Friday, September 9th. Due to the cooperation of our local merchants and many business firms in Puyallup, we were able to offer many more prizes to the people. We wish to extend our thanks to these merchants, and to the many others that donated. We greatly appreciate it.

Leona Hinkley, Rt. 13, Box 453 was the winner of the G. E. Roaster Oven. Although our vegetable and fruit display fell short of last year, they were nice. The flowers displayed were very beautiful. There were also

displays of canned fruit and vegetables, baked goods and fancy work. The heirloom and hobby tables were interesting. We do appreciate the interest shown by all; and thank you all for coming.

Mrs. V. W. Fogle
