VACATION BIBLE SCHOOL
On Friday evening a program by students and the showing of their handwork climaxed the close of the two-weeks vacation Bible school held at Calvary church at Summit. In the afternoon Friday a picnic was enjoyed by all those taking part in the Bible school.

PARKLAND WILL OBSERVE 4TH

Plans are now virtually complete for Parkland's big Fourth of July celebration, an evening affair to be held on Tule Lake road near the county gravel pit. The location is ideal, since there is room for thousands of people to view the proceedings from their parked cars, hearing music, announcements and program features over the public address system. The affair will start at 9 o'clock.

Bob Lynd will be master of ceremonies and a military band from McChord Field will provide inspiring music. Exciting events of the evening will be a fire fighting demonstration by the Parkland fire department, a practice session by the Parkland Civilian Defense unit, a short Independence Day address and spectacular fireworks.

The celebration is sponsored by the Parkland Business club with the cooperation of the Community club, Legion post No. 228, Fire department, Civilian Defense and others.

Fun Fest to Benefit Crippled Children

Under the leadership of the Pierce County Spastic society, a "fun festival" will be held Saturday evening, June 30, at the South Tacoma Community center. Booths for the sale of hot dogs, etc., will be set up outside from 7 to 9 o'clock, with games in the building from 9 to 11. Admission will be free, but ample opportunities will be given for people to spend their money for the benefit of the Tacoma-Pierce county school for crippled children.

A number of handsome prizes will be given, including a 1951 8-foot Kelvinator refrigerator, a deluxe lawn swing, a redwood picnic table and benches, a round card table with four folding chairs and a deluxe fitted picnic basket. There will also be prizes for winners at the games.

Groups cooperating for the party are Canyon Road Community club, Young Ladies Institute, Tacoma Toddlers Cooties, 25th District Democratic club and the following societies: Zeta Tau Alpha, Kappa Delta, Alpha Xi Delta, Xi Zeta and Beta Sigma Phi.

JR. HORSEMEN WIN 3 AWARDS

Honors were won by the newly formed Parkland Junior Horsemen riding group, appearing in public for the first time Sunday at the Colts and Fillies Gymkhana on the Tacoma Unit club grounds at 113th and Bridgeport way.

In the Small Fry class, children under 10, Marcus Wickline won fifth place, while in the Western Pairs class two awards were taken, Evelyn Haakenson and Bob Simi placing third and Jean Michael and Bob Hildebrand fifth.

V. R. Selle has been directing the group, with Mrs. Evelyn Wickline serving as drill master. Parents attending the Sunday meet were Mr. and Mrs. Gerhard Haakenson, Mr. and Mrs. Ray Simi, Mr. and Mrs. Otto Siburg and Mr. and Mrs. Michael.

Four Birthdays in Family Celebrated

Sunday, June 24, was an occasion for much celebrating at the home of Mr. and Mrs. Harvey Weeks Sr. As the birthdays of Mr. Weeks and his daughter Geneva (Mrs. Floyd Barlow) and granddaughters, Gayle Ann and Candace Rae Weeks, all fall in the month of June, they were the honored ones.

Present for the family party were Mr. and Mrs. Harvey Weeks Jr. and children Steven, Jan, Candace Rae and Becky Jeanne; Mr. and Mrs. Harry Weeks and children Gayle Ann, Larry and Cheryl; Mr. and Mrs. Chet Robinson and daughters Bernice and Delores; Mr. and Mrs. Floyd Barlow and children, Leonard and Marcia, and Miss Jeanne O'Brien and Mr. and Mrs. Noah Weeks.

Coming from Bremerton were Mr. and Mrs. Herman Weeks and son Tom; Miss Judy Rogers, Miss Eve Robinson and Miss Micky Palczewski. The hosts and their sons, Gene and Frank, completed the group.

Judy, Eve and Micky will spend a week with the Weeks family here.

AWARDED \$300 SCHOLARSHIP

Miss Helen Heil, daughter of Mr. and Mrs. Joseph Heil of Cedar road, received one of the most desired awards Saturday at the 27th annual State 4-H Club Camp at Washington State college. Miss Heil, the junior Cloverleaf leader, received a \$300 scholarship.

For the past three years she has served as a junior 4-H leader, teaching cooking, canning, baking and sewing, and has also been the assistant secretary of the Pierce County 4-H fair.

While at the state convention last week Miss Heil enjoyed classes and lectures by well known authorities such as the head of the State Patrol and the president of Washington State college, William Compton. Each day included a tour of the campus, into the different departments, such as the agricultural, professional women, industrial and general departments. The last night at camp was closed by the ever impressive candle-lighting service, which was held in the large tract field. For an impressive closing, the symbol of the 4-H, a huge four-leaf clover, was formed by representatives chosen by the group, of which Miss Heil was also elected. Following the ceremony was a dance at the "TUB," a popular place on campus. Music was supplied by a 4-H dance band.

Miss Heil plans to use the scholarship to attend Washington State this fall and will major in physical education. This is only the second year this award has been given and there were 34 members competing.

Jersey Cattle Club Holds Picnic Meeting

Pierce County Jersey Cattle club members and friends gathered around heavily laden picnic tables set in a beautiful grove at Kirsten Farms, Roy, Wash., June 17.

A short business meeting was held in the morning, and after the picnic dinner almost 200 interested spectators spent the afternoon watching the official classification of the Kirsten Jerseys. Professor Harold Ewalt, Corvallis, Ore., was the official classifier. Those classified had an average rating of 85.5%. There were 12 very good, 6 good plus and 2 good. Kirsten Farms is the home of two cows formerly classified excellent.

Before arriving at Kirsten Farms, Professor Ewalt had classified the herds of B. F. Peabody & Son, and Mr. Root, both of Port Orchard, and a delegation of Jersey folks from the Port Orchard area arrived at the picnic grounds in time to enjoy the rest of the day.

EXPLORER GROUP VISITS M'CHORD

Nine Explorer Scouts of Post No. 23, with their scoutmaster, Howard Freeman, were among the group of over 130 Scouts who were guests of the McChord Air Base last weekend. A 45-minute flight on a C-54 was one of the exciting events the boys enjoyed. They camped out, but for once they didn't have to eat "Boy Scout style" as they ate their meals in the mess hall.

Each Scout paid \$2.50 to cover expenses.

The Waller Road party included Melvin Bradley, Doug Howard, Loren Carlton, Larry Pederson, Tom Farley, Donnie Johnson, Allan Heinz, Ronnie Freeman, Ronnie Hopkins and Scoutmaster Freeman, decked out for the occasion in a new uniform.

Boy Scouts of Troop No. 23, with Lawrence Howard, scoutmaster, made a trip to Alder lake and to their camp site on the Nisqually river on Sunday. Mr. Howard reports that the high water of last winter has washed out the foot bridge, but they were able to get to their camp by crossing on logs.

MEDITATION

INDEPENDENCE
When a community, after generations of solid and steady but un spectacular growth, reaches a point where it becomes an ideal place to live, trade and do business in, community spirit begins to bubble over. Parkland is bubbling over!

On the evening of July 4th the Parkland Business Club, with the cooperation of the Fire Department, the American Legion, the Civilian Defense Organization, Kiwanis, Trav Dryer Club, and Army and Air Force units, is staging a gigantic Independence Day celebration.

The public is invited, free. The show by the Fire Department and by the Air Force unit promises thrills, and the fireworks—out of this world!

We could, of course, suggest that mothers tell their small fry, "None of those dangerous fireworks of your own—we will take you to see the big fireworks." But knowing American youngsters, believe me, the suggestion is no good. They will prefer to fire their own six-bits worth, independently. Help them to do it, safely, then come to the big show.

Navy Man Home

David O. Johnson, seaman apprentice, USN, son of Mr. and Mrs. Iver Johnson and husband of Mrs. David O. Johnson, all of Parkland, recently returned to the U. S. from the Far East aboard the aircraft carrier USS Philippine Sea.

Since her arrival in the Far East last August the Philippine Sea has steamed more than 121,500 nautical miles, approximately five times the distance around the world. Her air groups have flown more than 10,000 combat sorties and are credited with the first MIG-15 shot down by a Navy pilot.

While operating against the enemy, a record total of 7,872 tons of high explosives was dropped in one operating period in support of UN ground forces.

It isn't the overhead that makes government so costly — it's the fatheads.

Former Spanaway Boy Wins Honors

Keith H. Sweeney, son of Mr. and Mrs. George D. Sweeney, received a degree as master of philosophy at the annual commencement exercises at Oregon State college, Corvallis.

The young man will be remembered as a small child at Spanaway, his parents having moved there when he was one year old. Prior to his retirement in 1942, the father was the mail carrier on Rt. 1, Spanaway, having served in this capacity since 1921. Mr. and Mrs. Sweeney now live at 4337 So. Thompson.

Keith attended and graduated from Spanaway grade school and Lincoln high school. He took his bachelor's degree from the University of Washington before entering OSC. He is a member of Sigma Xi, science; Phi Lambda Upsilon, chemistry, and Sigma Pi, physics honoraries. He was awarded the Dupont scholarship at OSC.

While at Spanaway, he was an active member of the Methodist church and of troop No. 34, Boy Scouts, and also attended the Parkland Methodist church. Boy Scout activities won him Eagle Scout rating with gold, silver and bronze palms.

The young man is now employed by the Aero-Jet Co. of Azusa, Calif., as a research chemist. He is married and has two sons, the family living at Baldwin Park, Calif.

PFC. HAROLD V. KNABEL JR., son of Mr. and Mrs. Harold V. Knabel of Rt. 7, Box 480, Tacoma, is reported wounded, according to a recent Korean casualty list. He is a Marine.

Local Veterans Home

Among the 3,759 combat veterans from Korea who arrived in Seattle earlier this month on the military sea transport vessel General M. C. Meigs, were several whose homes are in Times-Journal territory.

Included are M/Sgt. Robert E. Henry of 1215 So. 117th St., Parkland; Sfc. Robert R. Lavigne, Rt. 1, Box 515, Spanaway; Sgt. James L. Phillips, Rt. 2, Box 653, Puyallup; Sfc. Harvey A. Walker, 10117 Villa Lane, Tacoma; M/Sgt. Leroy F. Wedl, 805 Violet Meadow St., Parkland.

At Kiwanis Meeting

Parkland was well represented at the recent 36th annual convention of Kiwanis International at St. Louis. Herbert Socolofsky, president of the local club, and Clay Roley attended the convention, which drew an attendance exceeding 10,500 men and women from all sections of the United States and Canada.

RAINIER NATIONAL PARK

NOW OPEN TO THE PUBLIC

OFFICIAL OPENING SATURDAY, JUNE 23RD.

Plan Your Trip Now

MT. RAINIER NATIONAL PARK . . .

containing 378 square miles of America's superlative mountain grandeur, is easily accessible from the gateway city of Tacoma. Towering above all this is Mt. Rainier, an extinct volcano, 14,408 feet above sea level. It is the highest perpetually ice-clad peak, and has the largest single system of glaciers in the U. S. These glaciers, 26 in all, contain more than 45 square miles or 29,000 acres, of ice. Beneath these masses of moving ice are born many turbulent rivers which flow through the Evergreen Playground to the waters of the Pacific. Almost 700 species of flowering plants in addition to hundreds of ferns, mosses and fungi; 34 waterfalls, 62 lakes, and trees centuries old, add to this mountain of grandeur. Here is fun for all—hiking and mountain climbing, saddle horse riding, fishing, dancing and easy walks through flower meadows. Hotels, lodges and camp grounds are provided for your comfort. Guides, Ranger Naturalists, spacious lobbies and experienced, intelligent personnel provide for your entertainment.

Naturalist Conducted Tours see the beauties of Paradise Valley and the Tatoosh Range with Mt. St. Helens sixty miles away.

Beautiful Mountain Lakes and streams offer a variety of fishing.

Narada Falls, on the highway to Paradise Valley, is one of 34 waterfalls in Mt. Rainier National Park.

Be sure to plan a trip to the park this summer. On this page you will find listed many businesses and their location shown, who will endeavor to make your trip more pleasant. Keep this page, referring to it on your trip. . . .

SPANAWAY NEWS

Mrs. Chet McAtee - GR. 8066
Well Baby Clinic
The Well Baby clinic sponsored by the Spanaway Preschool will be held

July 3 at the Spanaway school with registration from 9:30 to 11 a.m. Dr. Gordon Parrott is the attending physician. This will be a good time for the children entering kindergarten in the fall to have their shots and exam-

inations. Further information may be had by calling Mrs. Hayden Stewart, Preschool president.

Firemen to Meet July 2
Spanaway-Elk Plain firemen will meet at 8 o'clock Monday evening, July 2, at the Spanaway fire hall. The

Firemen's auxiliary has adjourned for the summer months but will resume regular meetings in September.

Sunday School at 9:45
Spanaway Methodist Sunday school will meet at 9:45 a.m. instead of 10 a.m., starting July 1. Church services each Sunday will be a union worship hour with the Parkland Methodist church at Parkland at 11 o'clock. This is during July and August only. Rev. Alexander Aiton is the new minister for Spanaway and Parkland.

"Happy Hemmers"
The Happy Hemmers, 4-H girls club group under the leadership of Mrs. Hayden Stewart, plans a busy summer of sewing projects and fun. A picnic luncheon meeting was held June 14 at Mrs. Stewart's home, the girls entertaining their mothers as guests, modeling the peasant aprons which had been their latest project. The girls are meeting this (Thursday) evening with Beth Scarse as hostess at her home. The girls will start a new project and make plans for a trip to the Tacoma museum in the near future. Members will present demonstrations.

Free Movie
For the free show patrons, Friday night's attraction will be "Tom Brown's School Days," with Sir Cedric Hardwicke, Freddie Bartholomew and Jimmy Lyden. Owing to the overtime work to be done by Mr. Miller, there will be no show on Tuesday, July 3, and Friday, July 6.

Surprise Housewarming
Mrs. Bob McCullough is to be complimented on the complete surprise housewarming arranged for Mr. and Mrs. Ansel Dugan. The group all went equipped with cake and sandwiches and presented the Dugans with a beautiful table lamp.
