Police Beat

Pair Beats, Robs Teen-Ager

By Em Matson

Two suspects, one wearing a heavy beard, beat and robbed a 16 year old Spanaway youth last week as he was walking home, Deputy Sheriff John H. Shields reported.

The pair gained about \$15 cash in the robbery. As the victim neared a vacant lot at 172nd and Spanaway Lane, two men approached him from behind, he told deputies. Shouting "Let's get him!" both suspects grabbed the victim, spun him around, then knocked him off his feet.

After repeatedly kicking the victim on the back and legs, one suspect ordered, "Get his wallet!". Forceably removing the victim's wallet, the pair fled on foot in the direction of Pacific Avenue.

Other than severe bruises, the victim appeared not to be severely injured, deputies stated.

SPSNWAY - Juvenile vandals entered Bethel Junior High last week causing an estimated \$170 damage before being interrupted by a night janitor, Deputy Sheriff Matt-

hew Medicus reported.

When detected in the school multipurpose room, the youths were in the act of fleeing the building, the janitor told Deputy Medicus. Three boys were believed to have been involved.

Several windows in the school were found to be broken with rocks, and raw eggs had been smashed against the building.

MIDLAND - Juvenile officers are continuing their investigation of the recent \$20,000 Vis Rey Lumber Company fire allegedly set by three youthful arsonists seen fleeing the scene on bicycles.

The three suspects were described as 9th or 10th graders riding a purple bike, a gold bike, and a blue bike. Two of the bicycles were 10 speed, one a 5 speed, witnesses stated.

SUMMIT - Burglars entered Summit Auto and Electric, 11002 Canyon Road East, to steal tools and merchandise valued at approximately \$113,

Deputy L.B. Lindsey reported last week.

Listed as missing were a 12 volt Atlas battery and a tray of mechanic's tools. Earlier in the week vandals entered the garage and tipped over a 1959 MG that was waiting repairs, Deputy Paul Mock stated.

BROWN'S POINT - A complete set of golf clubs including a cart was stolen from the garage of W.E. Libke, 4802 Slagen Road N.E., Deputy Sheriff Merl Sterling reported last week. The loss was valued at \$75, Sterling stated.

PUYALLUP - A 19 year old Sumner girl was apprehended after she attempted to shoplift an item valued at \$1 from the Wigwam Store, police reported last week.

Bail was set at \$200 in Judge Robert Campbell's court.

PARKLAND - Burglars smashed a window to enter the residence of Arthur Wing, 14405 Pacific Avenue, and steal a collection of Mexican coins, Sheriff's Captain Carl A. Skaggs reported last week. Juveniles are suspected, Skaggs stated.

Riverside Couple Grangers Of March

Pomona Granger of the Month honors for March went to a Riverside couple which has inspired community activity for a number of years, the organization announced this week.

Mr. and Mrs. George Richen, Sr., joined Riverside Valley Grange in 1934. She went on to join Pomona and to become a state and national member. Although her husband dropped his membership after several years, he continued to help with the building program and other Grange projects.

Mrs. Richen has been lecturer and home economics chairman for her home Grange and has served on many committees and has helped with the dinners and other projects.

The youth of the Riverside community have benefited from Mrs. Richen's 4-H leadership, now entering its 30th year. She is a project leader in cooking, baking and canning and has been a judge for meal preparation and other

demonstration contests. She has been secretary for the 4-H leaders meetings, president of the Pierce County Council for 4-H leaders, vice-president of the State 4-H Leaders and is a member of Mu Beta Beta, national 4-H honorary.

In addition to having been a board member of the Junior Fair in its early years, Mrs.

Richen has aided community fairs throughout the county by judging home economics

The Riverside Grange horticultural booth at the Western Washington Fair, which has won repeated awards, is another of the prime projects on which the March Granger works.

The Richens were well known dairy farmers in the Valley for years. They are members of the Northwest Brown Swiss Cattle Association and she has been its secretary for 15 years.

Although they are retired from the cattle business, he still farms five acres of raspberries which keeps him busy but allows enough leisure for his favorite pastime, fishing.

Mrs. Richen also has been active in church and school work. She was for six years a member of the Riverside School Board and is a member of the Margaret Chase Circle of the Presbyterian Church in Puyallup.

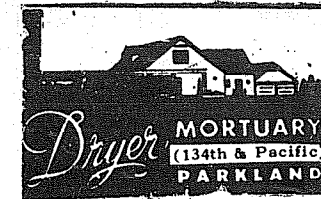

The Richens have two sons, George Jr. and Fred, and two daughters, Mrs. Jean Waldherr and Mrs. Gertrude Wargo, all of whom reside in the Valley area. There also are six grandchildren to liven the busy days of the Grangers of the Month.

Mr. and Mrs. Dennis O. Sweeney

Linda Mae Rud Weds Dennis O. Sweeney

PUYALLUP - Baskets of blue and white flowers graced the altar of Immanuel Lutheran Church recently for the wedding of Linda Mae Rud to Dennis Oscar Sweeney.
Rev. Erwin A. Gerkin officiated at the candlelight double ring ceremony for the daughter of Mr. and Mrs. Hans L. Rud of Puyallup and the son of Mrs. Margaret H. Sweeney of Tacoma and the late Mr. Sweeney.
Given in marriage by her father, the bride wore a floor length Chantilly lace gown with long sleeves, fitted bodice and scalloped neckline. Rows of tiered lace in front and a sweeping floor length train highlighted the full skirt. A cluster of seed pearl petals accented by tear drops held her shoulder length veiling of silk illusion and she carried a bouquet of white Amazon Lilies with blue net and white streamers.
Signifying the "something old" the bride wore a necklace of her grandmother's dating back to 1909. Her father placed a penny in her shoe for good luck.
Matron of honor Mrs. Kendall D. Rud, sister-in-law of the bride, wore a floor length gown of pale blue brocade and crepe featuring an empire waistline and scooped neckline.
Identically attired were bridesmaids Mrs. Kenneth H. Rud, sister-in-law of the bride, Mrs. Ronald G. Maxon and Leslie Haugen. Each wore a pearl necklace with matching teardrop earrings - a gift from the bride. Their matching tulle veil with organdy rose headpieces and colonial bouquets of white gladioli and blue roses added to their ensembles.
Attending the groom as best man was his brother Kenneth E. Sweeney. Ushers were brother of the groom John Sebourin, the bride's brother Kendall D. Rud and Dennis O'Malley.
Soloist Paul Nimick accompanied by Mrs. Donald Boyd provided nuptial music.
The mother of the bride donned a bright aqua blue crepe dress with bone colored accessories. The bridegroom's mother wore an orchid chiffon dress with brown accessories. Both wore orchid corsages.

Guests greeted the couple at the reception in the church parlors following the ceremony. Assisting with festive duties were Mesdames Fred O. Rud, aunt of the bride; Matt Sigetti, aunt of the groom; Lucien Letourneau, Jack Udahl and Miss Nancy Nimick.
For a going away trip the bride chose an orange knit suit with matching accessories topped with a white wool coat and wearing the corsage from the center of her bridal bouquet.
The newlyweds will reside in Tacoma where both are employed, after a short honeymoon.

Open House To Honor Newlyweds

An open house will be held from 1 to 5 p.m. Sunday at 6303 E. 112th St. to honor Mr. and Mrs. Herman S. Pehl who were married recently in the Puyallup First Methodist Church.

The bride, wearing a blue wool knit dress and coat ensemble, was given away by her son James Marcelle.
In charge of the open house will be the bride's mother Mrs. Ida Howe. Friends and neighbors are invited to call during the afternoon.

Sports Hampered By Weather

Rain, Wind Bog Down Diamond, Track Tournouts

March supposedly is the month that comes "In like a Lion and out like a Lamb," but somebody forgot to pass the word to the local weathermen. With April about to enter stage left, prep baseball, track and tennis teams are still hampered by Mother Nature's last Winter kicks ... and all indications are she still has some precipitation up her sleeve.

Practice sessions at best have proved to be a hide-and-seek affair with falling rain, causing many of the athletes to move inside for simple calisthenics.

With improved conditions in the offering after Spring vacation, here's a rundown on practice tilts slated for this week ... weather permitting. In the Puget Sound loop, Franklin Pierce horsehiders hosted Kent-Meridian yesterday and will travel to Tye Thursday. The Cardinal thin-clads will travel to Clover Park Friday for a tri-meet including Highline and the Warriors.

Puyallup diamondmen hosted Tye yesterday and hit the road for Glacier Thursday. Viking trackmen will be at home to Glacier Friday.

Summer's bats will be silent this week but their track contingent will travel to Peninsula Thursday for opening Seamount League action. Fife

glovesmen will play host to Bel-larmine tomorrow and their thin-clad squad travels to White River for a tri-meet that includes Mount Si. Bethel baseballers played a crossover game with Yelm yesterday and are slated to take on Peninsula today in another road game. The Brave's track team travels to North Thurston after completing a 4-way meet yesterday at South Kitsap.

Central League contenders Orting and Eatonville still have another week of practice before fireworks commence in their Spring sports slate.

PUYALLUP SPRINTER Neal Hedges breaks the tape to win the 100 yard dash event during a recent Puyallup-Franklin Pierce High School practice meet held at Cardinal Stadium. Puyallup won 80-47. The two schools will meet again in a regular PSL meet in Puyallup April 6.

Co. Softball Clubs Set Planning Meet

Managers of recreation softball and slow pitch teams throughout the County will meet with officials of the County Park Department and the Metropolitan Park District at 8 p.m. April 6, to discuss the upcoming season.

The pre-season meeting will be held in the South Park Community Center, S. 50th and South Tacoma Way. Officials practice sessions for all recreation teams will begin at Peck Field Monday, April 10.

All teams which intend to compete in recreation softball or slow pitch leagues supervised by the two agencies are asked to send a representative to the meeting. Softball and city slow pitch teams which turn in league application forms at the meeting may receive practice space at Peck Field starting Monday, April 10.

Softball competition will be offered in City and Church Leagues. Slow pitch leagues which will be offered include Pierce County, Metro, Cascade, Evergreen, Municipal, Church, Industrial, Commercial and Old Timers.

Puget Sound Amateur Golf Title At Stake

Defending champion Jon Wilhelm of Portland will face a strong challenge from a combination of young chargers and seasoned veterans in the 36-hole Puget Sound Amateur Tournament Saturday and Sunday at the new Lake Spanaway Golf Course.

A field of 200 top amateurs from all sections of the state will compete for \$2,500 in merchandise and golf awards—the top prize list of any amateur tournament in the state. The Tacoma Sports-Recreation Federation is sponsoring the tournament to benefit the junior golf program in the Tacoma-Pierce County area.

Wilhelm, who won the first tournament title last year in a nine-hole playoff with veteran Russ Wiecking at Mea-

dow Park, may find the toughest competition among the younger entries. The most likely choices to succeed the Portlander are 18-year-old Dennis Tyson, a former City Match Play champion; and three Seattle collegiate performers — Orrin Vincent of North Shore and Rory Rice and Steve Cole of Rainier.

Although not a veteran, another possible winner is Clint Names of Elks - Allenmore, better known perhaps as a top basketball performer but equally adept on the golf course.

The corps of veterans includes Ron Hume, Jack Walters and Bob VanDeMark, three former City Amateur champions who will find the tree-lined Lake Spanaway

course similar to their home course of Fircrest; one-time Northwest left-handed golfers champion Bob Morris of Elks-Allenmore and former City Match Play king John Kahaniak of Meadow Park.

All tournament contestants received a free practice round to become familiar with the new Lake Spanaway course, which is operated through the Pierce County Park Department.

The field of 200 will be divided into three divisions for the two-day competition.

The tournament will follow on the heels of the grand opening ceremonies Friday to officially open the 6,800-yard course for public play.

Crappie Fishing Sure Sign Of Spring

CRAPPIE fishing is one of the surest signs of spring in this part of the country. Blossoms on trees, early flowers, winds that don't have quite such a cutting chill are all signs too, but when you see people poking around the old familiar crappie spots, you can be sure spring's about here.

April and May are two of the best months for these little panfish -- although sometimes they're not so little. Crappies to 12 inches can be found on both sides of the mountains.

The big secret in this kind of fishing is to locate a school. Once you do this, the action can be fast. A good way to find the school in a shallow lake is to troll a crappie streamer fly. This can be red and white, yellow and white, yellow and brown, or blue for that matter. Others troll pork rind. One thing about this type of fishing is that on a trolled fly a crappie will sometimes jump as if it thought it was a trout. I've had them come out of the water a foot or more when the fly was fished with no weight other than the swivel which connects the main line and leader. Others cast or dabble a weighted fly.

One thing, you'll hear a lot of southern accents on the lakes where crappies bite. It's the men in our armed services from the southern states, who cut their teeth on crappie fishing. Many of these southerners use bobbers and worms.

Some fishermen look down on crappies. But with one of these ultra light rods, I personally can have a ball putting a couple of dozen crappies in the boat.

OUTDOOR QUIZ: March 19-25 was National Wildlife Week with the theme, "This is Your Land." How much land in this state is owned or managed by some agency of government? (Answer follows.)

WITH crowds in many places where fishing is good, it's always fun to find a kind of fishing which most people either don't know about or don't care about.

Catching sea bass -- which normally are bottom fish -- on flies on the surface in Puget Sound is one of these. That's what can be done in many spots during April and May.

The sea bass may be coming in close to spawn, but whatever the reason, they are close enough so you can cast out with

regular fly casting gear and get them. One specific spot is under the Tacoma Narrows bridge. They should also be along other shores near their normal deep water haunts.

On this kind of gear, a 5-pound sea bass is real sport. One reason they aren't rated high is that we almost always catch them on salmon gear which is stout enough to battle a 50-pound salmon into submission. The fly should be a big one, similar to a coho which is used for salmon.

ANSWER to Outdoor Quiz: The U.S. Forest Service alone owns 22 per cent of the total land in this state. There are an additional 1,100,000 acres in the two national parks. Another 910,000 acres are under the U.S. Fish and Wildlife Service, Bureau of Reclamation or Bureau of Land Management. The state owns 3,000,000 acres and state parks 73,000 acres. Add in city and county parks and the total comes to about a third of the land in the state owned by a governmental agency of one kind or another.

Mary Elizabeth Holcomb Weds Gale Brian Nickel

Mrs. Gale B. Nickel

PUYALLUP -- First Methodist Church was the scene of the March 18 afternoon wedding in which Mary Elizabeth Holcomb became the bride of Gale Brian Nickel.

Rev. Douglas C. Mitchell read the service for the single ring ceremony before an altar banked with bouquets of white gladioli, yellow daffodils and green ribbon bows.

The bride is the daughter of Mr. and Mrs. Wallace L. Stricklin of Tacoma. Nickel is the son of Mr. and Mrs. Ralph Berrie of Puyallup.

Brother of the bride Wallace L. Stricklin accompanied the groom's sister Mrs. Gary Knuth who sang "I Love You Truly" and "Sunshine of your Smile."

Gowned in green linen street length dresses trimmed with lace were bridal attendants maid of honor Linda Jo Stricklin, bridesmaids Linda Church and Mrs. Wallace L. Stricklin, Jr. and junior bridesmaid Merida Kay Stricklin.

They each carried bouquets of yellow daffodils set amidst yellow net and ribbon.

Given in marriage by her father, the bride was radiant in a white linen floor length gown fashioned with scoop neckline, empire waistline and accented with a bow in the back of the skirt. Bridal illusion veiling was attached to a de-lustered satin flower headpiece and she carried a short cascade bouquet of yellow daffodils, white daisies and ivy.

Armin Sutterlin was best man and ushers were Jim Carlisle and Clyde Stricklin.

For her daughter's wedding the bride's mother chose a blue taffeta jacketed dress and a corsage of pink rosebuds. Mrs. Nickel donned a deep pink knit dress with which she wore a white rosebud corsage.

Daffodil arrangements highlighted the collation tables for the reception which followed in the Fireside Room of the church. The groom's aunt Mrs. Richard Noll and the Misses Mary Elizabeth Burke Marie Garrison, Merida Kay Stricklin and Lorna McCormick assisted with festive duties.

The bride changed to a green linen dress trimmed in yellow for a going-away trip. She is a librarian at Spinning and

What does Opal McNiven do in her spare time? She recently took over the Milk Break, 11314 Pacific Avenue, in addition to operating Opal's Gift Shop 166th and Pacific, and the Go Cafe at 72nd and South L. Opal also manages the Copper Craft Guild. Her son Don helps manage the Milk Break.

"We plan to remodel and expand into the adjoining building to create more display space," she said in disclosing her plans for the Milk Break. The store features Dari-Lane Grade A Raw Milk and carries a complete stock of pasteurized and homogenized milk, plus the popular Wisconsin raw milk cheddar cheese.

About 300 children swarmed over the vacant property across Pacific Avenue from Parkland Piggly Wiggly to hunt down 900 Easter Eggs hidden earlier by the Parkland Jaycees. Prizes ranged from chocolate bunnies to stuffed toys, and included a complete fishing outfit.

New Lake Spanaway Golf Course staff members include associate pro Roger Weister, and Catha McDonald, office manager and pro shop assistant. John X. O'Brien will operate the clubhouse restaurant.

JOHN X. O'BRIEN Jr., manager of the Lake Spanaway clubhouse restaurant, got the surprise of his life last week when his father, John X. O'Brien Sr., unexpectedly walked into his kitchen and announced that he was ready for work.

O'Brien Sr. took leave from his Ontario, California restaurant to fly up and give John Jr. a hand during the grand opening of the golf course and clubhouse facilities. He plans to return to California April 3.

With over 600 invited guests to feed during the grand opening, O'Brien Jr. said he couldn't think of a time his father's 30 years experience in the restaurant business would be more helpful. O'Brien Sr. started in the business in Seattle in 1937, and now operates the Keg and Platter in Ontario.

Prior to taking over the clubhouse restaurant, John X. Jr. managed the Colonial Pancake House, Seattle, for four years. Patrons will soon find a complete selection of homemade buttermilk and Swedish pancakes on his breakfast menu, plus a full luncheon and dinner menu. He will also cater banquets and parties using the clubhouse facilities.
