**MEDITATION**  
SHE'S OUR QUEEN  
There are many beauty queens, but the Queen we love the most is in our kitchen. She's the girl of our choice. She may or may not look good in a bathing suit, but she's the prettiest girl in all the world with a pan of nut-brown biscuits in her hand. Her throne is a chair across the table from us; her ermine wrap is loyalty; her diadem is her smile and her sceptre is family love. Her crown may not wear trappings but a pin of care, and her guard of honor has bare feet and tousled hair. The pictures she has of her Court are not done by an Old World artist, but a box camera and she wouldn't trade them for all the masterpieces in existence. Our Queen's face may have the bloom of youth or filled with care-worn, worry-grooved lines, but to us she's the most beautiful creature on this earth. She's our wife.

**Cosmetics Dangerous To Finest Fabrics**  
"Anything which effects the reputation of any fabric is a matter of concern to the Puwallup Laundry and Dry Cleaners," claims Moon Mullins, Parkland area salesman for that organization, "and so the Puwallup Laundry and Dry Cleaners, in their spotting department, has made deodorants and other common beauty preparations a source of intense study.  
"To protect the garments worn by women, the Puwallup Laundry and Dry Cleaners operate one of the finest testing laboratories in the Pacific Northwest. Stains from every source are analyzed to test their effect on various types of fabric and to insure their safe removal from such fabrics.  
"Many fabrics show positive chemical damage and loss of tensile strength as a result of the use of harmful deodorants. This same result can happen when other type stains spot a dress or suit. Some deodorants, and dozens of tested cosmetics, can easily be removed.  
"Information on dangerous spotting agents can be secured from the Puwallup Laundry and Dry Cleaners. If you have a spotting problem, we can lick it off the stain can be removed by any cleaners. Try us on the tough cases, or call me when you think you have an unusual cleaning problem. I'll guarantee that no spot removing service is better than that provided by the Puwallup Laundry and Dry Cleaners. ## DAVID FLATNESS WINS PARKLAND AREA BABY DERBY

Struggled down in his basket at Tacoma General Hospital, quite unaware that he is a V.I.P. (very important person), is David Flatness, son of Mr. and Mrs. Edward Flatness of Parkland, winner of the Baby Derby sponsored by merchants of the Parkland area.  
Little David was born at 4:21 a.m. Thursday, Jan. 3, at Tacoma General Hospital. He weighed nine pounds, 10 ounces at birth and is a fine, husky youngster. Waiting impatiently to welcome him into the home at 126th and East "C" St., are three brothers, Paul, Peter and James, Mr. and Mrs. George Knutson of Milwaukee, Wis., parents of Mrs. Flatness, are the only grandparents.

## NEW FIRST AID CLASSES WILL OPEN JAN. 14TH

By Trav Dryer  
Parkland Area CD Director  
"Put first things first" is a wise old saying and it may well apply to taking First Aid training. We are called on occasionally to act in an emergency and at such times what we do first may mean the difference between life and death for someone, probably in our own family.  
The classes in First Aid training begin Monday, Jan. 14, at 8 p.m. in the basement of Parkland school. Red Tatum will be the instructor. Those who took the training last year say that training under him is like taking medicine because it is good for you and finding it tastes good, too.  
It is hoped by those concerned with Civil Defense preparedness that there will be a large class enrolled for the course.

**Legion Meeting**  
Parkland post No. 228, American Legion, and the auxiliary will hold a joint meeting Friday evening, Jan. 11, at 8 o'clock in Sunshine hall. Frank Berry, commander of the post, and Mrs. Helene Linder, auxiliary president, will be in charge.

**Engaged**  
Mr. and Mrs. William G. Brown of Spanaway have announced the engagement of their daughter Amy to Phillip Thorliefson, son of Charles T. Thorliefson of Seattle. Miss Brown, a graduate of PLC in the June, 1951, class, is teaching in the Shoreline district. Her fiancé is a senior at PLC.

**Note of Thanks**  
To the staff of the Parkland Times-Journal, businessmen and merchants who participated in the Parkland Baby Derby, a sincere thanks for the gifts extended to us. Every gift will be put to good use and is very much appreciated.  
Mr. and Mrs. Edward Flatness  
**VIOLET PRAIRIE GARDEN** club, under leadership of Mrs. A. L. Hunter, will hold the monthly meeting Friday, Jan. 11, at 1 o'clock at the home of Mrs. R. L. Medford, 514 So. 115th St., Mrs. William Sherman assisting. Mrs. A. A. Jinkins will have charge of the program on dry materials and members are asked to bring samples.

His singing is of such high calibre that it will go beyond the fondest expectations of any music lover, but coupled with this, which I like the best, is his deep con-secration and love for souls. Without question, his voice is equal to Caruso's (to which it has been compared), and no Christian audience will ever be disappointed in his program."

## MOSTLY ABOUT HORSES

By Clarence LaCrosse

By Clarence LaCrosse

The annual installation of officers of the Washington Governor's Mounted Guard will take place the 18th at Lee's Steak House, down toward Olympia. Members and their guests are all welcome. It is the one big social doing of the organization for the year. Members, don't forget the date, the 18th of January. A good program has been arranged as well as appropriate entertainment.

Incidentally, the Governor's Mounted Guard can use a few select members. One must possess a Palomino horse of standard characteristics and be willing to attend every meeting and function of the group. Unlike many other similar organizations, the Guard requires active participation by every member. There supposedly are no dragging feet in our group. If you are interested, please contact Colonel B. F. Fluty, GR. 5011, or me, GR. 3972 or 7100. You will enjoy the association of some mighty fine individuals, besides riding with the outstand-

ing All-Palomino horse unit in the state. Besides riding as honor guard for the Governor at many of his functions, the organization rides in some parades and exhibitions throughout the state. The group rides only by written request and by full accord of the majority of its members.

**Need a Compass, Del?**  
You should ask one of our Parkland Riding club members the way home sometime . . . but don't ask Del Cheney—he gets lost easy—especially while on a cougar hunting trip up in the mountains. Last weekend Del took off for a bit of cougar hunting with the plan to return home on Sunday night . . . he ended up a day late, because he got lost.

Speaking of basketball reminds us that The Great Harry of PLC fame has returned to play a game with the House of David. Harry really looks becoming in his black growth of beard. He has added a few tricks to his basket of many since leaving his Alma Mater, PLC.

If you want to try something interesting, try this . . . Watch the Huskies on TV while listening to PLC play Eastern and at the same time working on the income tax problem. After so long I decided it was not possible, so I listened to the game on radio and watched the game on TV . . . what else can you do when they both play the same night?

**Gambling?**  
Jim Kerr, fiery Commissioner of Public Safety of Tacoma, certainly places the city council and the mayor in a position at the moment.

It was very evident when Kerr was elected that the PEOPLE of Tacoma wanted to end all the gambling, vice, etc., which was running rampant with evident police sanction. Probably because he said he would put an end to it was the prime reason he was elected. Since his election he has had a tough job inasmuch as whenever he made it a point to enforce existing laws he was opposed by a pressure group with much adverse publicity pointing out all his faults, which in most every case had no bearing whatsoever on the case at hand inasmuch as he was actually accomplishing his mission, that of cleaning up the conditions of the city in spite of the city council and the mayor and the under-world controlled faction of the city.

To get back to the point . . . if the city council now opposes him in his overhauling of Jack Elich, his chief of police, it would appear that they were in favor of gambling which in turn would be against the wishes of the people . . . since some of the members of the council are up for re-election, this would impair their chances of winning again. The same would apply if the council voted to oust Jim Kerr by a vote of that body . . . that, too, would impair their chances of being re-elected since the people indicated that they wanted the city cleaned up.

No one can deny that Mr. Kerr has not tried . . . regardless of what one thinks of Mr. Kerr's personal conduct while away from office one must respect the fortitude of the man to oppose not only the entire city council and the mayor together with the alleged linked pressure group who control gambling in the city of Tacoma. In the opinion of many it would be very unwise to unseat Commissioner

Kerr. He is doing exactly what he promised the people of Tacoma he would do—try to clean up the mess. The trouble is that it is stepping on the toes of some who are in high office.

**Daffodil Time**  
It won't be long until the annual Daffodil Parade will be stretched out along the various main streets of the valley cities. Will Parkland have a representative float this year? That remains to be seen. However, if the efforts of the Alpha Sigma Lambda group at PLC have anything to do with the venture we will have a float—and one that will be tops. The boys are trying to get the various civic groups of the city behind the project. We at the Times-Journal are giving our support, both publicly and financially, to see if we can't place in the awards. Contact us for particulars on this. The plans which the boys have made of the proposed float should really go places . . . they need a little help, though.

**Firemen Planning Event**  
The Parkland Fire Department are making plans for a big affair to take place soon . . . help them out when they ask you to buy a ticket. It is their way of securing some funds to better our volunteer fire department, and we have one of the most outstanding organizations of that type right here in Parkland.

**Brandfas Sons All Home on Furlough**

Mrs. Myrtle L. Brandfas of Rt. 1, Box 490, Spanaway, has had the great pleasure of having her three sons, all in the service, home on furlough recently.

Pfc. Ralph L. Brandfas, who served in World War II for three years, re-enlisted in the Air Force in June, 1951, at McChord Field. After spending his 30-day furlough at home, he left Dec. 15 for overseas assignment.

Pvt. Leonard Brandfas, who was stationed at Atlanta, Ga., all summer, was also home on two weeks delay enroute, spending the time here with his mother and friends. His wife, the former Yvonne Boyce of Orting, was with him. Leonard reported to Fort Lawton, Seattle, Dec. 11 for overseas duty. His wife will stay with her family in Orting while he is away.

Cpl. James Brandfas, stationed at Fort Winfield Scott, Calif., is also home on furlough. He arrived here in time to see his brothers before they left. Jim spent the summer in Seward, Alaska, and Moose Pass. He will leave today (Jan. 10) to return to Fort Winfield Scott.

Mrs. Brandfas had five sons in World War II, one son, Floyd, having been killed in action.

December 29, 1951  
The Snowdens hope that all of our friends in the Parkland area have a very happy and prosperous new year. We had a very nice Christmas, although we missed the grandparents, who usually join us and help us celebrate. We did have a touch of home, however, as my mother shipped us a box of good old Washington greens to use in decorating our apartment. Sure did smell good!

We enjoyed a long weekend for the holiday, as the Navy Department, along with other government agencies, closed up shop from Friday afternoon through Tuesday, allowing us to make up the lost day the following Saturday. For New Year we will be off from Saturday afternoon through Tuesday and work the following Saturday.

Our sightseeing has been somewhat curtailed for the past few weeks because of the weather, but we did spend a couple of hours at the Smithsonian Institute. What a place to visit! We were only able to see a very small section of the displays in our two hours and are planning to revisit many times in the future so we can see it all.

**Much Activity At Waller Road Hall**

The Waller Road Community hall was the scene of much activity during the Christmas holidays.

As is the custom each year, a beautiful Christmas tree was set up by the custodian of the school, John Anderson, and decorated by mothers of the school children. It was left up for the use of all organizations in the district for their parties.

Wednesday evening, Dec. 19, parents and friends of the school children turned out for the annual Christmas program put on by the students under supervision of the teachers, Miss Priscilla Brown, Mrs. Grace Caldwell, Mrs. J. Gustafson and the principal, Mrs. Florence Martin.

The Waller Road Sunday school presented its Christmas program for the community Dec. 20. Other activities in the hall included the Fogle-McMahl wedding Dec. 21; the Boy Scout Christmas party, Dec. 23; the children's party of the Waller Road Sunday school choir, Dec. 26; the annual Grange Christmas party and pot-luck supper, Dec. 28.

It is the cooperation of all these organizations that goes to make the Waller Road community a wonderful place to live in.

Pupils of Woodland school presented their Christmas program Thursday evening, Dec. 20, in the Fruitland Grange hall. The hall was filled to capacity, not even standing room left.

The program cleverly opened with the Toy-maker and his helper dusting, cleaning and preparing the toys for Christmas. When they dropped off to sleep, the room of toys were awakened by a lovely fairy who touched them with her wand.

The awakening of the toys brought action to the members of Mrs. Arnold's first grade, who represented books, elves, trains, teddy bears and tops.

Mrs. Parker's second graders, also "awakened," were kewpie dolls, soldiers, and cowboys. Mrs. Cook's third grade pupils were clowns, dolls and jack-in-the-boxes.

Members of Mrs. Wickstrom's fourth grade served as the carolers, accompanied by Mrs. Mabel Litton.

Pupils of the four upper grades presented 1,000 FEET OF SANDY BEACH Point Ohop Resort

"Milk Stimulating Factors"  
Remember when APF was first discovered? It turned out to be one of the greatest advances in poultry and animal nutrition in modern times.  
Now some outstanding dairy research workers feel that there are some new nutritional factors which stimulate milk flow...similar to "second freshening" when cows first go on early spring pasture.

**WOODLAND NEWS**  
By Barbara Gordes - Puy. 5-2511  
Woodland P-TA will meet at the school at 8 p.m. Friday, Jan. 14, with Principal Fred Sutter and August St. Pierre in charge of the topic, "Juvenile Protection." The 4th grade provide the program and 4th grade mothers will be hostesses for the social hour.  
Sympathy  
We extend our deepest sympathy to Mrs. George Newcomer on the passing of her father, Fred G. Groll, a Spanish-American war veteran and a retired chemist. He was 81 years of age. He came to Puyallup from California in 1935 and was well known to many Woodland residents. He leaves two daughters, Mrs. Newcomer and Mrs. Sarah Rinehart of Sumner, and three grandchildren.  
Neighborhood Club  
The January meeting of the Neighborhood club was held Jan. 2 at the home of Mrs. Walter Waller. The afternoon was spent with various games with the hostess serving dainty refreshments at the close. Present were Messdames Oscar Swallow, Bill Henry, Frank Wiggins, Karl Cordes, Polly Lobdell and the hostess, Mrs. Waller. Mrs. Lobdell was here from Seattle visiting her daughter, Mrs. Waller.  
New Year Guests  
Guests of the Howard Allens for New Year's were Mr. and Mrs. Robert Hawkins, Miss Mae Hawkins, Mr. and Mrs. Nels Mork and Charles Windblade.  
Home for Holidays  
Home for the holidays were Sgt. Andrew Hutche, U. S. Army Air Force. Sgt. Hutcho is still stationed at Sheppard Field, Texas, and drove home. Car trouble on the return trip prompted him to finish the trip by bus.  
New Year's Dinner  
Mr. and Mrs. F. W. Gates entertained at dinner New Year's Day at their home on Airport road. Those present were their daughter and her family, the Rev. and Mrs. Gelbert Grant and Stewart, Raymond, Burdella and Joybelle, all of Auburn; their nephew and family, Mr. and Mrs. M. K. Thomas and children, Leona, Lena, Faye and Keith, of Yelm, and Miss Maude Belle of Puyallup.  
P.F.C. JOHN F. MILLER, son of Mr. and Mrs. W. J. Miller of 1051 So. 86th St., is spending his furlough visiting relatives and friends here. He has been training at Fort Bliss, Texas, with the 717th anti-aircraft battalion. He is a graduate of Lincoln high school.

I want to appeal to every car driver, whether my policy-holder or not, to drive more careful in 1952. The loss ratio of my policy-holders in 1951 was nearly double that of 1950. A lot of companies have raised their rates because of heavy losses and State Farm must do likewise, unless you, as a car driver, exercise more caution and drive more carefully. Please remember that slogan, "The Life You Save May Be Your Own."

Make this your New Year resolution, "I will not be involved in even one car accident in 1952." Remember, if the other guy wants the road let him have it. Drive Safe; Be Safe; Still Be Here in 1953.
