

PRESIDENT'S MESSAGE

Hello Rosemalers,

I am sending you a picture that I took in Oslo. I think this beautiful trunk is painted in the Vest Agdar style. It's not a real common style so I thought you would enjoy the photo.

Kelly Sooter has written a very interesting article for this issue of the Vine. I hope it generates some discussion. We would love to hear from you. Please send or e-mail a letter to the editor with your feedback and we will include responses in our next issue. Thank you so much **Kelly** for taking the time to write this article and thank
