PRESIDENT'S MESSAGE

Greetings from sunny Lake Tahoe! I'm now alone with my dog at my cabin in Tahoma, left with a few major chores that would be difficult to accomplish with my grandsons underfoot: cleaning the carpets and putting preservative on the siding and decks! Terry and her family headed back to the Pacific Northwest at 6 am this morning. We got a lot work done during the week they were here, but we took some time off to play and enjoy Tahoe as well.

Before I left, I put three finishing coats on each of the 16 boards for the windows of Fritjof Lodge (with Marilyn's help on the first coat), and delivered them to Stanwood. There are still 4 to be completed. Over the next few weeks, the Fritjof Lodge members will be getting them into place on the building.
