GREETINGS:

It is my pleasure to welcome the singers of the Pacific Norwegian Singers Association, and their families, to the

74th ANNUAL SANGERFEST.

You can be proud of this occasion where the traditional songs of Norway are honored. Many Oregonians are proud of their Norwegian heritage and appreciate your efforts to bring the culture of Norway to this area.

This celebration will be especially noteworthy in that the Grand Concert will be held in the new Hult Center for the Performing Arts in Eugene.

On behalf of all Oregonians, best wishes for a successful and enjoyable convention.

Sincerely,

Vic Atiyeh
Governor

R. A. 'GUS' KELLER

Pacific Coast Norwegian Singers' Association

It is my pleasure to welcome the participants and guests arriving in Eugene for the Pacific Coast Norwegian Singers' Association's 74th Annual Sangerfest.

It is always pleasing to see different cultures display their heritage with their talents---and the size of your organization is most impressive!

We are very proud of our City and the facilities that it has to offer and are proud that you chose to hold your competition here in our area once again. I am sure that your stay here will be a pleasant and entertaining one. The rivers and streams, parks, running and biking trails, the newly remodeled 5th Street Market, the Hult Center for the Performing Arts, and the University of Oregon are a few of the additional reasons that make Eugene a fun place to visit.

I hope that your time spent here will be a comfortable, happy and fun time. We will look forward to hosting you again.

Sincerely,

& GIFTS

Welcome . . .

It is my very great pleasure and honor to welcome all brother singers, wives and guests to Eugene for our Sangerforbunds 74th annual Sangerfest. We are quite proud of our city's new Performing Arts Center and the adjacent Hilton Hotel, both of which we will be using and which we hope you will enjoy as well. Everything possible has been done to make this a memorable Sangerfest for you and if we can be of help to you in any way, you have only to ask.

Again, a most hearty welcome on behalf of The Norsemen, The Noras, and all our associate members.

OSCAR R. THOMSEN
President
The Norsemen

A hearty welcome to all members, family and friends of the Pacific Coast Norwegian Singers Association. We in Eugene are delighted to be hosting the seventy-fourth Sangerfest and hope that your stay here is filled with enjoyment, fellowship and good singing!

The festivities that this week bring are the culmination of a year and a half of intensive planning and coordination for what we anticipate as being a Sangerfest that will be enjoyed by all and held in fond memory for years to come.

It has been my pleasure to serve in the capacity as the Sangerfest chairman for it has enabled me to get to know so many of the fine people involved in this organization.

I would like to extend a personal thanks to the Norsemen, the Noras as well as the people in the community, without whose efforts this Sangerfest could never have succeeded.

Saga

The beauty and grandeur of Norway, with her lofty mountains, deep blue fjords and wooded valleys, inspired such masters as Grieg, Kjerulf, Nordraak, Reissiger, Borg and many others to express themselves in music and song. They produced compositions of lasting beauty that rightfully belong among the finest the world has known. Singing has been the heritage of the Norwegian people since the days of the Vikings. In towns, villages and farm lands singing societies were formed for young and old. It was in Norway that male chorus a capella singing developed and grew to the high level it maintains even down to the present day.

Bringing with them their traditions and the characteristic love of song, the Norwegians in America forged and made strong the bond between those of Norwegian birth and those of Norwegian ancestry through music and fellowship.

To further the cultural and fraternal singing on the Pacific Coast, representatives of various choruses met in Seattle in 1902 and organized the Pacific Coast Norwegian Singers Association. The first Sangerfest was held in Everett, Washington in 1903.

In the fall of 1938 Tom Kaarhus invited men from the Sons of Norway lodge in Eugene to meet in the apartment above his cabinet shop, in order to organize and rehearse a men's chorus. The chorus grew and practiced there until 1941, when the outbreak of World War II sent many of the men into the armed services and others out of town to work.

After the war, the men took up singing again, this time rotating from house to house, rehearsing wherever a piano was to be found. In 1953 when the Sonja lodge purchased its present day building, the Norsemen found a permanent place in which to sing.

In 1958, Howard Herbranson attended the Sangerfest in Everett, Washington at which time the Norsemen applied for membership in the P.C.N.S.A., and were accepted. In fact he was voted president of the Forbund and was "more or less" convinced to host the next Sangerfest.

1959, then, was the year of Eugene's first Sangerfest, which also coincided with the 100th anniversary of the State of Oregon. Sangerfests were hosted here again in 1967 and 1976. This year brings the 74th Sangerfest, the fourth to be held in Eugene.

We are also proud to note that two of the original charter members of the Norsemen, Jens Thorsen and Obert Andrews are still actively singing with the group.
