Pacific Coast Norwegian Singers Association

President's Greeting

The Pacific Coast Norwegian Singers Association enters its 73rd year with a continuing pledge to strengthen our Norwegian Heritage through song.

We have had a glorius trip to Norway in 1981 and the Norway Trip Chorus made the entire forbund proud by performing in such a professional manner. The reports from Norway have shown that our music touched the hearts of the people in Norway and that the experience touched the hearts of each singer on the trip. Now it's time to show that feeling to the people of Tacoma and the future Sangerfest cities!

Since it is now time for me to step down from the responsibility of being your president these past three years, I wish to thank the board members for their patience and understanding and thank all the membership for the honor you gave me in allowing me to serve you.

Med Sangerhilsen,

Gordon D. Rye, President
Pacific Coast Norwegian Singers Association

Chairman's Greeting

It is an extreme pleasure and privilege to greet all singers, wives and guests to this, our 73rd Sangerfest in Tacoma, the City of Destiny.

Singing in Norway can be traced back to the Skalds who held an honored place in the royal courts from ancient times. The father of the Norwegian Male Chorus is Johan D. Behrens (1820-1890), who founded Den Norske Studenter Sangforening in 1845, and who edited no less than forty volumes of male chorus songs.

The above paragraph came from the President's Greeting by Gunnar J. Malmin at the 1971 Sangerfest and was included because I feel it important to remember our roots on occasions such as this.

As the President of the Tacoma Normanna Male Chorus, a chorus founded in 1888, 14 years before the founding of the Pacific Coast Norwegian Singers Association, and as a relatively young man, I am extremely aware of the responsibility and privilege of helping preserve the Norwegian and Scandinavian culture through music. I am honored to be among such a fine group of men with voices that make culture come alive through music.

On behalf of our chorus and ladies auxiliary, I welcome you all.

Sverre G. Stuarset
Sangerfest Chairman and
President of Normanna Male Chorus of Tacoma

Actually, there's no "magic" involved in our "vanishing premium" life insurance concept. We can show you quickly how you can obtain *lifetime* insurance protection, but establish a program that will let your premium payments *stop* after four to seven years or so. It's easy-to-understand, completely legal and logical . . . and it's available through our General Agency.
