EMBLA SCHOLARSHIP FUND DRAWING

Cultural Director, Esther Van Noy, has done it again! She has graciously donated another of her special dolls, dressed by her in a Hardanger bunad - complete with a stand, for an Embla Scholarship fund drawing. Our thanks again to Esther for being so generous with her time, talents and dolls.

This Hardanger doll will go to a new home with a lucky someone after the drawing on July 17th at Embla's Summer Luncheon.

One dollar for two opportunities to have her for your very own. All proceeds go into the Embla Scholarship Fund.

PRESIDENT'S LETTER

Dear Embla Sisters,

This is my first opportunity to thank all of you for your confidence in electing me as your President. As I reflect on our past presidents and the history of Embla, I realize what a responsibility and honor it is to serve our lodge. Your new board is looking forward to a good year, but, we can make it a great year with the support of all of you.

In order to grow and preserve our heritage we need your attendance and your participation in our activities. We have already had some excellent programs this year - I'm sorry if you missed them. Please clip our calendar of future events found elsewhere in this letter. Paste it on your desk, refrigerator or bulletin board so you won't miss a meeting. Mildred Baker

PROFILE OF YOUR PRESIDENT

Mildred Baker was born in Tacoma and grew up in Roy, moving back to Tacoma in 1945. She began working for Washington Natural Gas (then Washington Gas & Electric) that same year and will celebrate 48 years of service this July.

1945 was an eventful year for her - she was also married that year to Vincent Baker. They were happily married for 39 years until his death in 1984. Mildred has one stepson, Dwight, who lives in Puyallup, and three grandchildren.

She is very active in our community, having served as Chairman of the Board for United Way; been a part of the business partnership program with Tacoma Public Schools; currently president elect of The Humane Society; serves on the board of the Tacoma Symphony; and an active member and current elder of the First Christian Church. She loves flowers, reading, traveling and needlework - not necessarily in that order.

Her Norwegian ancestry is through her father, John Myhre. Her grandfather, Asbjorn Myhre was born in Ranland, Telemark, Norway, coming to South Dakota at

SYTTENDE MAI 17th of May Norwegian Constitution Day

May is the month of holidays for Norwegians. The 1st of May is a public holiday just as in many European countries. The 8th of May is Flag Day which celebrates the surrender of the German occupying forces and hence the end of World War II for Norwegians. May is also the end of exams for students, and thus a month for parades and relaxing.

The high point of the month is the 17th of May which is Norway's National Day commemorating the signing of the country's constitution. During the Napoleonic wars, Scandinavia was politically divided by a French connection. In 1810 a French military man, Jean-Baptiste Bernadotte became Crown Prince Karl Johan of Sweden. In 1814 Norway did not want to exchange 434 years of

Danish rule for Swedish rule. Church congregations throughout the land formed and elected a constitutional assembly who in six weeks hammered out a complete constitution at Eidsvoll, Norway. On 17th of May they finished their task and elected as king their former regent, Prince Christian Frederik of Denmark.

A short war ensued between Sweden and Norway, but even though Sweden continued to rule, the 17th of May became a day of celebration for Norwegians. The national anthem *Ja Vi Elsker* (Yes, We Love) was first sung in public on 17 May 1864. On 27 November 1905 Prince Carl, second son of King Christian IX of Denmark, became King Haakon VII of Norway.

Norwegians show their patriotism throughout the world in consulates, embassies, seamen's churches, families, and students abroad and nowhere are the celebrations as magnificent as those in the cities of Norway.
