Welcome to the Sixty-Sixth Sangerfest  
Pacific Coast Norwegian Singers Association  
Seattle, Washington - 1975

### THE PRESIDENT'S GREETING

I wish to extend a heart-felt welcome to all the singers and friends of the Pacific Coast Norwegian Singers Association. May you enjoy our fair city of Seattle, and the fellowship of the brothers in song.

This, our sixty-sixth Sangerfest, continues the tradition of the Norwegian culture in America. A tradition of brotherhood in song and spirit. We sincerely hope that the strength of voices, lifted in song, will be carried back to your respective choruses to enrich our Norwegian heritage and that the harmony found here be reflected in the harmony of our daily lives.

To the new singers attending your first Sangerfest may you grasp the harmonious spirit of your brother singers.

A handwritten signature in cursive script, appearing to read "Karl K. Larsen". The signature is written in dark ink on a light background.

## *Notes and History*

Song and music is a birthright which has been entrusted to all peoples in a greater or lesser degree. In what more forceful way can the feelings of the heart be uttered than through the universal language of the soul - song? It is the vehicle through which the innermost feelings of the heart are voiced and it can not help but find responsive chords in the hearts of the listeners. Through this medium the bonds of loyalty, patriotism, praises to God and harmonious realtions with fellow man is created and strengthened.

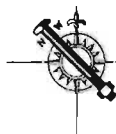

For over three quarters of a century the PACIFIC COAST NORWEGIAN SINGERS ASSOCIATION has functioned to promote the heritage of the forebears of its members, namely choral singing. The merger of the then existing Norwegian choruses was formed in nineteen hundred and two and has prospered continuously since in spite of the demise of many loyal key men as well as entire choruses and not to be overlooked, the competition with radio and television. The strength of the organization is principally due to its capable, enthusiastic music directors. Carlo Speratti was the first of such caliber to accept the challenge. Since his term of fourteen years many other very talented choral directors, such as Rudolf Moller, Henry Ringman, Gunnar Malmin, August Werner and others have wielded the baton. In nineteen hundred and seventy four, after twenty-five years as the association's director-in-chief, Professor Werner relinquished the baton to his assistant, Gunnar Malmin. This left the assistant directorship position open to the younger, capable musician, Alf Knudsen, who had previously succeeded Professor Werner as director of the ninety voice Seattle chorus.

Sangerfests have been held, almost every year, in different cities on the westcoast. This, the sixty sixth sangerfest, is the tenth hosted by the Seattle chorus, which incidentally claims two still very active members who have each served it for over fifty years.

Hosting a sangerfest is accomplished only with the good will and support of many friends and music lovers. The association is very grateful and in return attempts to fill the needs and desires of its many supporters.

# How to fly to Europe on Pan Am for about half fare.\*

## Round Trip Budget Fares from Seattle.

**London** \$ 524  
**Frankfurt** 589  
**Rome** 653

Enjoy PAN AM's Daily, Non-Stop 747 service between Seattle and London

**Copenhagen** \$ 574  
**Amsterdam** 559  
**Paris** 559

**First you call your travel agent now.**

Because seats are limited. And because you have to buy your ticket at least two months before you go. You can stay in Europe for as few as 22 days or as many as 45. Enough time to enjoy a visit with friends or relatives. Or to explore the country on your own. (To arrange better deals than you thought possible on hotels,

rent-a-cars, rail travel, and sightseeing, ask your travel agent about Pan Am's Europe On A Pass.)

If you have a change of plans before you go and you have to cancel or change your reservations, all but 10% of the price of your ticket or \$ 50, whichever is higher, will be refunded to you.

These Budget Fares apply to flights

leaving between June 1 and August 31.

After that fares are lower. If you want to travel on a Friday, Saturday or Sunday there's an extra charge of \$15.

If all this sounds like more trouble than it's worth, think of it this way. †Your Pan Am Budget ticket buys you 100% of our regular economy in-flight service for about 50% of our economy price.

The Spirit of '75.

See your travel agent.

Welcome Singers, wives and friends from the West Coast, from Los Angeles in the south to Vancouver, B.C. in the north. It is with great pleasure that the Norwegian Male Chorus of Seattle is host to Sangerfest this year.

This year takes on added significance since we are celebrating the Sesquicentennial Anniversary of Norwegian immigration to the United States of America.

Although our organization is not quite that old, this is our 66th Sangerfest and the 10th Sangerfest that the Seattle chorus hosts. Let us not forget that the Pacific Coast Norwegian Singers Association has been a vital part in preserving and promoting Norwegian culture in this country.

It is my hope that you gather here in anticipation of helping us fulfill the goals of Sangerfest: to promote interest in song and music, especially Norwegian Male Chorus singing.

Many old friendships will be renewed and many new friends gained as our days are filled with music, song and companionship. I hope all of you will have a great time here and that you will take many pleasant memories back home with you.

Med Sangerhilsen
