

Western Rosemalers Association | Vol. 37 No.3 | June 2011

*Plaque for Byrd SDC
Corrections from the President*

We had a great time at the Spring Workshop painting Old Os with Pat Bergford teaching. At our class here on Camano Island, it rained all three days. No one felt guilty about being in and painting and not out in their gardens. I hope all of you have made good use of all our rainy days and been busy painting. I'm still working on getting my box finished for "Show and Tell" at our next gathering. Fellow class members, please remember to bring your box/trunk finished or not.

Marlene Echaniz will be selling raffle tickets at June's meeting. The new raffle is a Telemark Box by Sunhild Muldbakken. Please make arrangements with Marlene if you wish to sell tickets at another venue.

Cheers to you all until June 26 at the Nordic Heritage Museum in Ballard. Nina Kurrle, President
