President's Message

I would like to thank all of you who have been so helpful to me as your President during the past year. Of greatest importance, has been the input and support of the members of the Board of Directors. Each member has done more than her fair share in furthering the goals of our organization.

We regret the loss of Marilyn Hansen who has been our secretary for the past year. She is moving to the San Francisco Bay area, so will be unable to participate actively in WRA affairs. Marilyn has set up our new "Lending Library", and we thank her particularly for that, in addition to her secretarial duties. Best wishes in California Marilyn!

Your Board has set some new goals for 1980. Among them are a Juried Show and the possibility of developing our own note cards and/or stationery. We look forward to your help in accomplishing these goals.

Jean Alfsen

Alfhild Tangen's workshop was held in Seattle on October 5th and October 10th at Norway Center. There were 14 people for the first day and 9 in the second day of the workshop.

Many facets of Alfhild's technique sparked the interest of those in the workshop. She had a little different way of placing her light values, her choice of colors for her detail and liner work were very pleasing, and her sunny and pleasant personality made the experience one to be thoroughly enjoyed by all.

Mary Ellerman

SCANDINAVIAN DAYS IN TACOMA

This was again another delightful festival in which we participated for the fourth year. I hope many of you come to participate in the activities.

We used our Viking Ship booth for our display and received many compliments. Fourteen artists contributed 221 items for sale and almost half of the articles were sold. Total sales for the five days were \$915.62. Our commission of \$128.87 to the Leif Erickson Society goes toward college scholarships for young people.

A big "Thank - you" goes to all members who helped with sales and demonstrations in our booth. A special thanks goes to Roy Barnes (Pat's husband) and Don Berg (Gudren's husband) who helped set up and dismantle the booth. We really appreciate your help.

Pat Barnes donated \$5.00 to the Library for a damaged book she had. Gloria Pederson graciously will donate Nils Ellingsgard's book on rosemaling to the WRA Library. The Library Committee will establish rules, purchase books, mailing containers and investigate insurance.

Tacoma members will be hostesses for the Jan. 13 meeting at Normanna Hall.

Jean appointed the Nominating Committee: Mary Ellerman, Chairman, Esther Einmo and Pat Barnes.

Schedule of meetings for 1980: Jan., Tacoma. March 16, Seattle. May 18, Tacoma. Sept. 14, Seattle. Nov. 16, Tacoma.

There is fabric at Hancock's in Tacoma and Burien for our WRA costume.

Betty Cooper and Florence Buck presented a very good program on finishing a rosemaled item and on base painting. They urged us to use several base colors, to experiment with colors, to finish a product with care since it can detract or enhance the design. They had several of their pieces and others from Norway to illustrate their points.
