## President's Message

It is election time again  
excellent slate of officer  
new and those in-betwe  
and activities for our m  
strengthen our knowledge of Rosemaling. I want  
everyone to be sure to send in your ballot. Each and  
every vote is very important, show your support for the  
candidates of your choice.

This year we have worked on new Juried Show rules,  
categories and forms. Standing rules have been  
reworked, and will be presented at the January  
meeting; By-laws and Articles of Incorporation have  
been completed and up-dated.

We have a new Historian, **Carol Ramey**, and are  
confident that she will do a wonderful job. We all  
thank Louise and Howard Friar for all their hard work  
over the years as Librarian and then Historian, and  
wish them health and happiness in enjoying the new  
found space in the house, and more leisure time  
together.

Be sure to sell all the raffle tickets you have or order  
some from **Bernice Coleman**. This is our only  
fundraiser so lets make a big effort on everyones part  
to support this activity, after all, you could end up the  
lucky new owner of **Marlys Hammers** beautiful ale  
plate and shelf.

Let's all start our 1999 by supporting our new officers,  
contribute articles, patterns and whatever for the  
newsletter, send photos and articles to our new  
Historian; sign up for both major and mini-workshops;  
keep the Sunshine Chairman informed on the health of  
our members; make suggestions to the vice-president  
on informative and interesting programs.

Finally, I would like to thank those of you who have  
been so helpful and supportive throughout the year.  
Happy Holidays

**Gurine Nordby**, President
