

An aerial photograph of the Tacoma Narrows Bridge, rendered in a monochromatic blue color scheme. The bridge spans across a wide body of water, with its two main suspension towers clearly visible. In the background, a cityscape is visible on the shore, and a large mountain peak rises in the distance under a clear sky.

A MESSAGE FROM THE GOVERNOR

It is a pleasure for me to welcome you to the State of Washington for the annual convention of the Pacific Coast Norwegian Singers' Association.

Music is a vital part of the culture of nations throughout the world. Members of the Pacific Coast Norwegian Singers' Association are to be commended for advancing the cause of music as an art and for extending its influence among nations, groups and individuals.

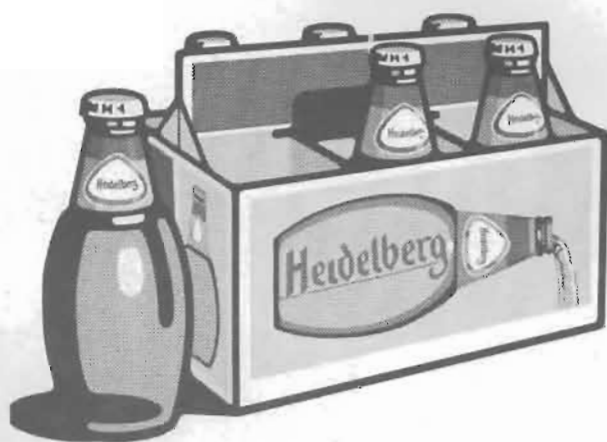

I send you my best wishes for a successful and enjoyable convention. May the year ahead be one in which you continue to give others a deeper appreciation for musical talent.

Sincerely,

PRESIDENT'S GREETING

It is a privilege to extend a cordial welcome to all singers, wives, and guests. May we have a real good Sangerfest. We want you to be happy and comfortable while you are here, and please let us know if there is anything we can do to help you.

Singing in Norway can be traced back to the Skalds, who held an honored place in the royal courts from ancient times. The father of the Norwegian Male Chorus is Johan D. Behrens (1820-1890), who founded Den Norske Studenter Sangforening in 1845, and who edited no less than forty volumes of male chorus songs.

The movement quickly spread to all parts of Norway, and Norwegian immigrants to this country soon formed male choruses. Both Nordmennenes, Chicago, and Luren, Decorah, Iowa, have recently celebrated their centennials.

The Normanna Male Chorus of Tacoma was founded in 1888 and is one of the oldest on the west coast. The Pacific Coast Norwegian Singer's Association was formed in 1902 and held its first Sangerfest in Everett in 1905, with Prof. Carlo A. Sperati as director.

These singing organizations have served to perpetuate a valuable part of our Norwegian and Scandinavian culture in this great land of ours.

Let us keep up the good work!

Med Sangerhilsen
GUNNAR J. MALMIN

Greetings from the Tacoma Chorus President

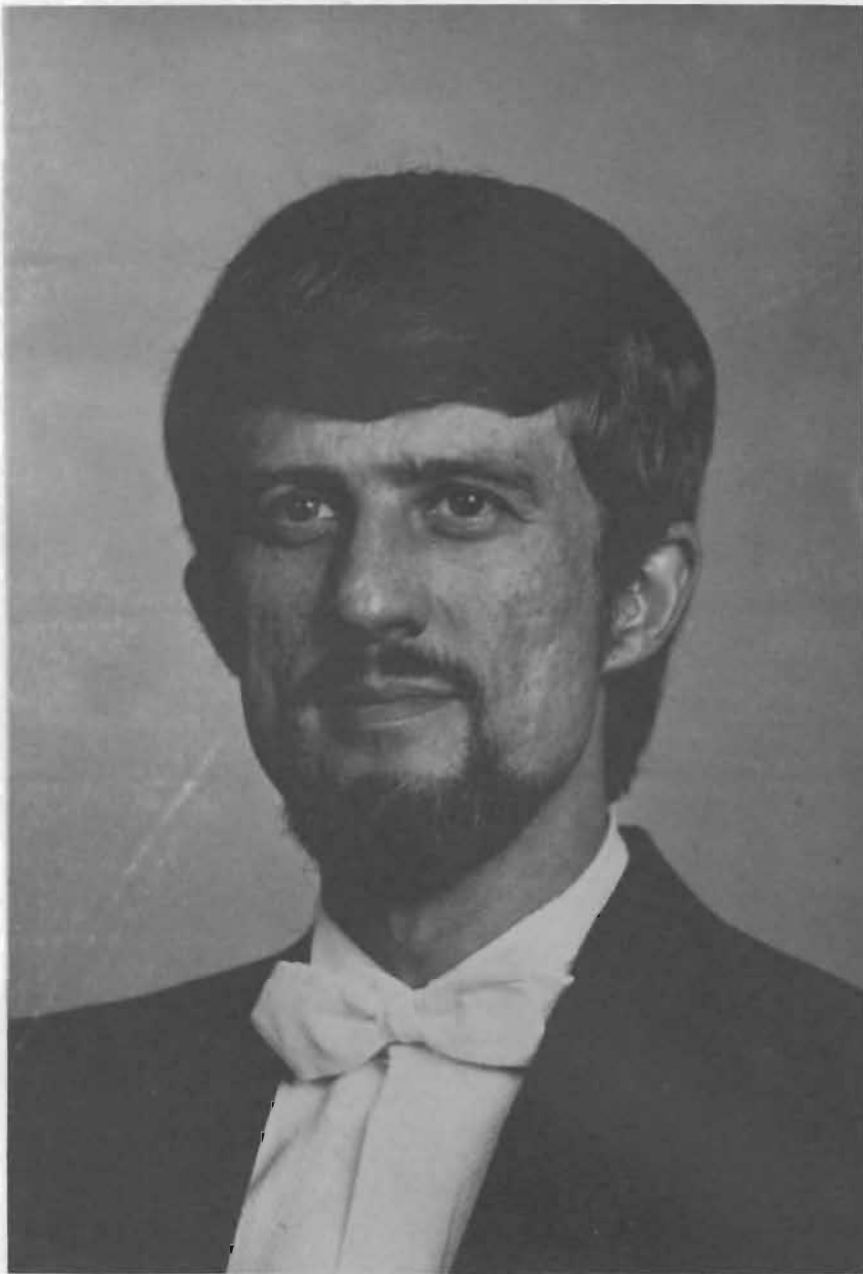

Almost half of my life has been spent singing with the Normanna Male Chorus of Tacoma. I now count my twenty-third sangerfest, and boast that I have never missed one since joining the society.

These have been twenty-three happy and inspiring years indeed, to make music with the finest fellows I could ever have met. I hope I can continue singing another twenty-three or more years.

I know that I am not alone with these feelings, for all around me I am seeing the smiles and spirit you have brought with you, and hearing the spontaneous echoes of harmony from men who live to sing. On the faces of your ladies is the proof that we do not sing in vain.

May we all keep this glow alive for many, many years to come.

FRED O. SWANSON

*We of the Tacoma Chorus will long cherish the memory
of our friend and departed fellow member,
a wonderful fellow and hard worker in our Chorus.*

*We are truly thankful to his "Inga," who
continues to further Fred's efforts
to keep our Chorus strong and active.*

NEW The engrossing history of your fraternity

FOR THE SCHOLAR
FOR THE HISTORIAN
FOR EVERYONE

AN INTERNATIONAL INFLUENCE

"An American Saga" focuses on the impact of S/N upon the American fraternal scene and reflects the dimension this organization has contributed to the enrichment of life in the United States and Canada.

Profusely illustrated with photos and for the first time a presentation of significant historical monuments located throughout North America as tributes to these gallant people and the fraternity's many benevolent activities.

A DREAM ACCOMPLISHED

The first definitive history of Sons of Norway — its origin, composition, development and who made it run throughout its 75-year history — has been compiled in an attractive format for the historian, the student of fraternal organizations, and for the enjoyment of everybody.

"An American Saga" capsules in readable text and historically interesting pictures the lives of some of the fraternity's leaders and explains the dream that led to the formation of the organization, its early trials through wars and depressions, and finally its emergence to the point of fraternal eminence it enjoys today.

THE AUTHOR

Sverre Norberg, Ph.D., has been a teacher, preacher, government official and author. He earned gold medals in theology and philosophy from Oslo University and taught at the University of Minnesota, Augsburg College and Macalester College. His ministry comprised parishes in the Cathedral of Bergen, Norway, the Norwegian Seamen's Church in Brooklyn, and the Norwegian Memorial Church in Chicago. He is the author of some 20 books on philosophy, political science, theology and history which have been printed in six languages. Out of his close association with and knowledge of S/N activities and philosophies, ideals and policies grew "An American Saga," destined to become a landmark in the literature of fraternal organizations and American Norwegian History.
