SANGERFEST

JUNE 24-25-26, 1965 ★ OAKLAND, CALIFORNIA

Pacific Coast Norwegian Singers' Association

DONATED TO:

Commander Coul M. Mose
Seattle, Washington

President's Greetings

IT IS MY GREAT PLEASURE on behalf of Normanna Glee Club of Oakland to wish the Pacific Coast Norwegian Singers Association and all their ladies and friends welcome to Oakland for the 56th Sangerfest.

I hope this Sangerfest will come up to your expectations musically and socially and that you will enjoy this visit to our city to your heart's fullest content, and that the usual good fellowship will prevail. I trust that our younger and newer members will be imbued with that wonderful and harmonious singers spirit that I personally received at the Sangerfest in Eureka in 1910, and have kept up ever since.

It is my hope that this singer's spirit will have the effect of inspiring all singers to continue and to make greater efforts to strengthen our choruses.

As Norwegians, we have a wonderful heritage in song and music.
