AT THE JUNE 25th MEETING:

Hostesses

Peg Piltingsrud was thanked for the delicious refreshments furnished by her and the committee.

Membership

Jean Alfsen announced we now have 216 members.

Special Events

Jean Alfsen stated that \$737.00 was taken in at the PLU MAY FEST. FOLK LIFE FESTIVAL in Seattle yielded \$394.80. She suggested we consider preparing a printed slip with a brief explanation of rosemaling to be attached to each item sold.

Coming events: HERITAGE FESTIVAL at Marymoor Park July 1-4
SCANDINAVIAN DAYS Tacoma - October 9-13

Business Cards

A list was circulated for those wanting business cards. The cost is \$9.49 for 500 printed cards.

By-Laws

It was announced that if there were any changes to be made in the by-laws these would have to be presented in writing at the September meeting.

WRA Costume

Celia Hendrix discussed the WRA costume, which will be similiar to a Bunad, for the members to wear at sales and other events in which we participate. There would be rosemaling on the front of the apron and on the vest. Materials and colors available were displayed, and it was decided we have a striped skirt with unpressed pleats, rust colored vest, and a white blouse and apron. It was also decided the vest should have a rounded neckline. Patterns would be available at the September meeting. There will be two sewing sessions, one in September and one in October, the locations to be announced later. It was moved, seconded and carried that WRA buy the material and have it available for the members who wish to make the costumes. It was also decided that members could wear a solje or a brooch, whichecker they preferred.

Juried Show

Florence brought up the subject of sending painted items to Decorah for judging in 1979. We would have a year to paint. The members felt they would rather have a juried show on a local level. It would have to be arranged for a time when we would have a painter here from Norway. Elsa Sjovaag will be here next June to teach and this is a possibility. A chairman is needed.

Tole & Decorative
Painters Convention

National Society of Tole and Decorative Painters will have their national convention in Seattle in 1979. There is a possibility we can have booth space for this event. The convention will be held at the Red Lion Inn, Seatac, the 1st week in May, 1979. A motion was passed that we would take the booth space if available.

Door Prizes

were won by Barbara Hazen and Naomi Gunderson.

Program

by Mary Ellerman on finishing was very interesting.

PRESIDENT'S MESSAGE:

This year is going very rapidly and it soon will be time for a change of officers in our Association. The nominating committee will be selected at the September meeting and will soon thereafter be at work locating people who will be willing to give some of their time next year to help this group keep going. We've come a long way and have many worthwhile activities to look back on, but there are many more good times to be had. It is very necessary that we have a good strong group of officers to keep an organization going and those I've had the opportunity to work with these past two years have been just that. Now, it will be time for someone else to agree to take on some of these responsibilities and therefore, I hope that it and when you are contacted by a member of the nominating committee that you will give it very serious consideration. Please share your talents and time to help Western Rosemalers continue to be effective and to grow.

- Mary Ellerman

NILS ELLINGSGARD COMING

It is with great anticipation that we are looking forward to a visit from Nils Ellingsgard in November. Nils, who now makes his home in Oslo, Norway, is a member of the Sata family, a prominent family of rosemalers from Hallingdal. It is a rare treat to be able to enjoy a visit from this master painter and noted authority on the Hallingdal style of rosemaling, and you will not want to miss the activities planned. Tentatively, they are as follows:

- November 6 -- Demonstrate at Norway Center, 300 - 3rd W., Seattle.
1:00 - 4:00 p.m. Admission charge.
- November 7 -- Demonstrate at Pacific Lutheran University, Tacoma.
10:00 a.m. - 2:00 p.m.

- November 11 - Western Rosemalers dinner to honor Nils, Norway Center, Seattle

When plans are finalized for these activities, you will receive a separate mailing with reservation blanks for those activities for which they are needed. Costs will be announced at that time also. Please, however, be aware of these dates as it is not likely they will change and you will want to reserve them to be able to take advantage of this opportunity.

As you know, membership dues run from January to January each year. In the past we have waited until the beginning of the year to collect annual dues. This has caused a delay in getting out our roster. To correct this situation, we are attaching membership renewal form to this issue of the Acanthus Vine.

Please send the form, along with your check made out to Western Rosemalers Association to: Jean Alfsen, 3815 Vernhardson, Gig Harbor, WA 98335.

HERITAGE FESTIVAL - MARYMOOR PARK July 1,2,3, & 4

Total income for this event was \$496.43. Though the weather threatened, it was possible to keep the display up and dry all four days. Last year sales for the festival which was 3 days long totaled \$209.25 which means we averaged \$54 per day more this year.

SUNSHINE DEPT!

If anyone in our organization is aware of any member who is sick or injured, they are asked to let the secretary, Esther Einmo know so she may send them a card from the organization.

Special Bulletin - WESTERN ROSEMALING ASSOCIATION

Dear Members:

You may recall during the regular March meeting, our members voted to allow \$200 toward air fare to bring Dr. & Mrs. Marion Nelson to the Northwest. Dr. Nelson is the director of the Norwegian American Museum in Decorah, Iowa. Bringing Dr. & Mrs. Nelson here is to be a joint effort between our Association and P.L.U.

Recently, the Board of Regents of PLU voted to proceed with plans for new buildings on campus, one of which would be the Scandinavian Cultural Center. Dr. Nelson's expertise in this area is highly respected, and is needed at this time of early development and planning.

I have coordinated with PLU and the following schedule resulted:

Monday - June 6, 1977, in Kris Knutsen Hall
1-5 PM - Dr. Nelson will lecture on
Scandinavian Folk Art

7-9 PM - Lila Nelson will speak about
Textiles and will show some
artifacts from the museum.

Dr. Nelson is the foremost authority in America on Scandinavian (particularly Norwegian) folk arts. He is an excellent speaker and promises to show a wealth of fascinating information. He has been to Norway 8 times for research and holds a PhD in art History from the Univ. of Minn. with which he is currently affiliated.

Mrs. Lila Nelson is well educated in textiles and will bring us much information about that facet of the museum. She has spent much time restoring textiles and was named curator of textiles of the museum by the board of directors last year.

This promises to be one of the highlights of our Association's activities this year. Your attendance will indicate to the WRA board that you want to continue such high quality entertainment!

Please plan to attend and feel welcome to bring interested family members or friends. No charge, of course.

Florence Buck

There is still space in the June 20-22 workshop in Tacoma. The Seattle workshop is quite full. However, if you are interested, please contact Mary Ellerman.

Also, if you can only attend a workshop on the weekend or have some other scheduling problem, and are interested in the workshop, please let Mary know. There is still time and opportunity to possibly schedule additional times. Mary's address is: 23406 - 94th Ave. N.W. Edmonds, Wash. 98020. Telephone : 542-1592.

WESTERN ROSEMALERS - SPECIAL BULLETIN

PLU MAY FESTIVAL

On Saturday, April 30th, Pacific Lutheran University of Tacoma, is hosting Norwegian days at the new University Center. This building is located on Park Ave. The hours will be from 12:00 noon until 7:00 p.m.

This day, the Western Rosemalers have the opportunity to display and sell their rosemaling. In addition to the selling, someone will be demonstrating rosemaling and there will be a table set up specifically to answer questions about rosemaling and the Western Rosemaler Association. There will be sign-up sheets for those persons interested in taking rosemaling in a class and membership applications for those interested in belonging to the Western Rosemalers Association. It is through this type of function that we hope to generate even more interest in Rosemaling.

Please help out the committee who is handling our booth at this event, by getting painted things to them to have on display or for sale in our booth.

Loretta Pullis, (537-4288) Tacoma, is the chairman for our participation in this event. So, if you have things for the show, please get them to her soon. Others who will see that items get to the show are, Florence Buck, Shirley Debower, Austa Oden from Tacoma, and Mary Ellerman (542-1592) Seattle, Celia Hendrix (659--1495) Marysville. If you haven't taken your items to one of these people by Friday, April 29th, please bring them to the University Center early Saturday morning. We will be setting up between 8:00 & 12:00 noon.

For those of you who will be selling items, please be sure they are well marked. List the total number of items to be sold on a 4 x 6 card. List them by description and we will number code them as before. Please tell the person with whom you leave your items, what you want done with them after the show. THIS IS VERY IMPORTANT.

If you will be there most of the day, there will be food for sale. A special attraction will be Stan Boreson. He will perform at 2:00p.m. and at 4:00p.m. There will be a 50¢ entrance fee for adults (25¢ for children) to attend Mr. Boreson's performance.. Following the May Festival, the Mayfest Dancers will have a performance in Olson Auditorium at 8:00 p.m.

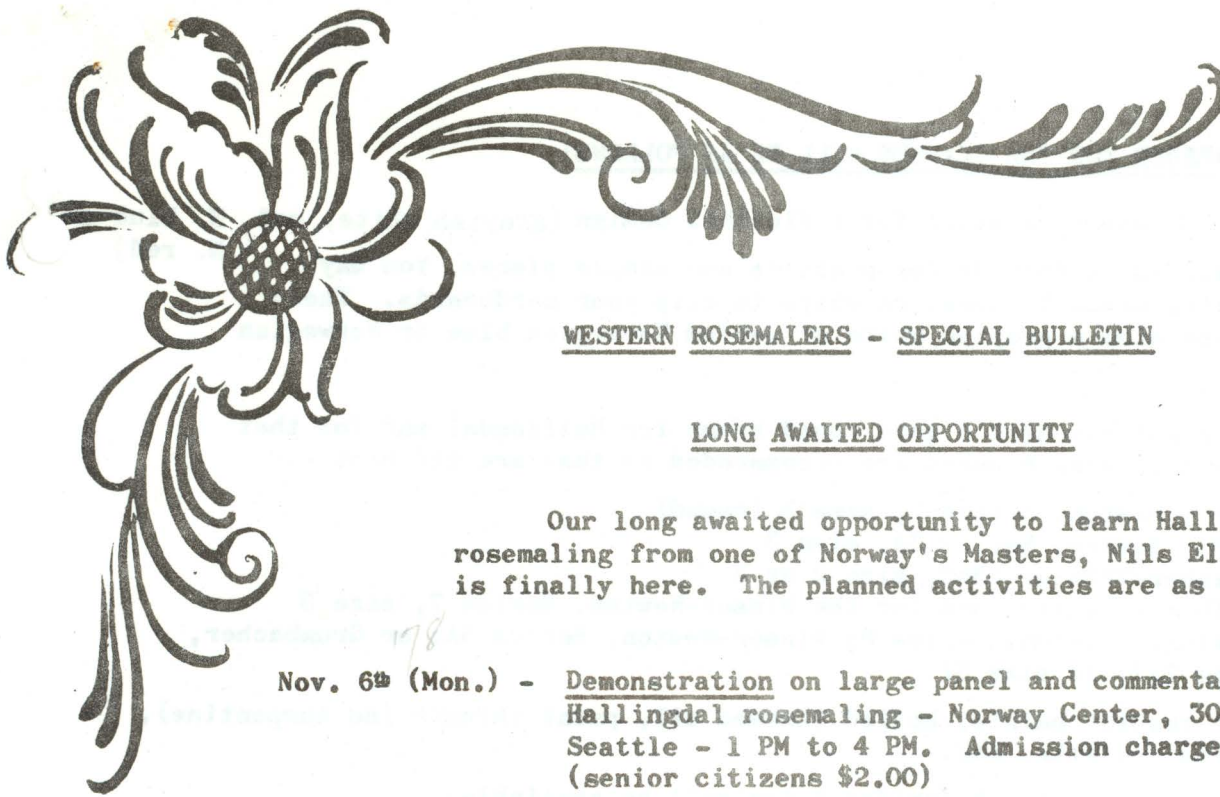

BERGLOT LUNDE WORKSHOP

Bergljot Lunde, rosemaling teacher from the craft school in Sand, Norway, will be in our area in June, and will teach workshops in Rogalund style rosemaling. The workshops will be June 20-22 in Tacoma, June 23-25 in Tacoma, and June 27-29 in Seattle. (The June 23-25 workshop in Tacoma will be established only if the June 20-22 is full).
