Fire Prevention Week Activities

"LOOK OUT!" warns Capt. Raymond Hixon, Fire prevention director of Parkland Fire Department, as he demonstrates to a group of cub scouts what not to do with gasoline inside a building. Registering varying degrees of surprise, fear and close scrutiny

the boys from Den 55 watch as real flames leap forth from a model home. At far right Den Mother Mrs. Jean Moe, and Mrs. Koecke, wife of the cub master, look on, during the demonstration held Friday, Oct. 19th at the fire station.

Sewer Group Active Here

The Citizens Committee for Parkland Sewers was active this week arranging meetings and getting its story out to the people of the Parkland Sewer District.

Plans were being made for meetings with various organizations and for possible public meetings as the time before the election on November grows short.

The ballot proposition as set up in Resolution No. 6 of the Parkland Sewer District, reads, "Shall Parkland Sewer District, Pierce County Washington, for the purpose of providing the money necessary to carry out the comprehensive plan of the District for a system of sewers therein, issue its sewer revenue bonds in the principal sum of \$3,400,000 or such part thereof as found to be necessary to carry out said plan, said bonds to bear interest at a rate not to exceed the statutory tax rate, to mature in various amounts in various years in not to exceed 30 years from date of issue, and to be payable from the gross revenue of such sewer district and from assessments duly and regularly levied, all as more fully provided in Resolution No. 6 of the District, Adopted August 7, 1962?"

BONDS, YES

The engineers of Harstad and Associates have the vote on November 6, if approved, will provide funds to start the formalities necessary to provide sewer mains for all properties, a collection system, a 36-inch trunk line and a treatment plant for the proposed sewer system.

Then to the Ladies of the Discussion Group which called to the Pierce County Election Department last week; a majority vote is necessary to pass the sewer bond issue and NOT a 60% majority as you were told. The election official you talked to double checked on his statement and found his original statement was wrong.

Registered voters in the Parkland Sewer District will vote on the measure and a simple majority of those voting will be required to pass the measure.

tionnaire, requiring considerable individual effort on the part of the youngsters. Of the class pictured, 29 of 32 pupils handed in a completed questionnaire. A third grade class at the Spanaway School was also judged a winning entry.

Parkland UGN Drive Slated For Thursday

The Parkland Neighborhood Division of the United Good Neighbor Fund drive will be held on Thursday evening, it was announced this week.

Mrs. P. E. Bondo, chairman of the division, asked that all residents leave their porch lights on for the volunteers that evening.

George Potter is heading up the Parkland UGN drive.

Set Progress Report Monday

All Franklin Pierce elementary schools will dismiss early next Monday, Oct. 29, for student progress conferences between teachers and parents.

Kindergarten children will not meet in the afternoon sessions that day. First, second and third graders will be dismissed at 1 p.m., while fourth, fifth and sixth grade students will leave school at 1:45 p.m., according to a schedule announced by Mrs. Ruth Gaume, elementary curriculum director.

Bishop Palmer To Consecrate New Sanctuary

Bishop Everett W. Palmer of the Methodist Church, will consecrate the new Summit Methodist Church Sanctuary at special services Sunday, October, 28th at 11 a.m.

One of the major thrusts of Bishop Palmer's work in the Seattle area, where he now resides, is the development of new churches.

Church Rally At PLU Chapel Next Sunday

The Rev. George H. Muedeking of Berkeley, California will give the address at the Reformation Rally to be held Sunday evening, October 28, at 7:30 in Eastvold Chapel at Pacific Lutheran University. Twenty-six Lutheran Churches will participate in the Rally which is sponsored annually by the Pierce County Lutheran Ministerial Association.

UGN Drive Starts Here

NEIGHBORHOOD LEADERS hold up some of the literature that will be distributed when the Parkland Division of the United Good Neighbor Fund drive gets underway Thursday, Oct. 25th. From left they are: John Gibson, Mrs. P. E. Bondo, chairman; Bill Evans and George Potter, who heads the Parkland UGN effort.

8 FP Seniors Commended On Scholarship Test

Eight seniors at Franklin Pierce High School have been given letters of commendation for their high performance on the National Merit Scholarship Qualifying Test given last spring.

They are Leslie S. Betts, Leonard M. Chance, Robert L. Gunter, John R. Hiblar, Ronald L. Komp, Paul J. Olsen, Thomas M. Patrick and Leslie A. Powers.

Earlier Fred Ganders and Ken Solberg were named semifinalists in the national scholarship competition.

While these students did not rate high enough to be semifinalists, they did perform in an outstanding manner, according to John M. Stalmaker, president of the National Merit Scholarship Corporation. Their names and addresses have been sent to the two colleges of their preference and commendation winners are usually given considerable priority when scholarship winners at colleges are announced.

Shearing To Share In PLU Homecoming Activities

George Shearing, famous pianist, and his Quintet will be a feature of homecoming festivities at Pacific Lutheran University November 2 to 4.

Shearing and his group will appear Friday evening, Nov. 2, at 9 in the university gymnasium. Reservations may be obtained by telephoning the university homecoming office.

Homecoming will get underway at 7:30 p.m. Friday (Nov. 2) with the annual coronation of the queen in Eastvold Chapel. Dr. Robert Mortvedt, president of the university, will perform the coronation rite.

Queen candidates include Susan Schoch, Carole Haaland, Carol Mani, Jean Riggers, Joanne Threewit, Arlene Thorne and Thelma Reeve. The queen and two princesses will be chosen by student vote this week.

Saturday's program will include the Powder Puff Game at 10 a.m. on the lower campus. This annual tilt between the freshmen and upper class women will be a field hockey game. Handsome Harry will be crowned at half-time of this tilt.

PLU's football team will meet the Central Washington Wildcats in an Evergreen Conference game at 1:30 p.m. in Lincoln Bowl. Guests of

honor will be members of the 1952 football squad which won the league championship.

Dr. Mortvedt will give the address at the banquet for alumni to be held at 5:30 p.m. in the College Union.

"The Male Animal," a famous Broadway hit, will be the homecoming play slated for 8:30 p.m. on the university stage.

The Rev. John Larsgaard will give the sermon Sunday morning at 11 in Eastvold Chapel at the annual alumni worship service.

There will be open house in all campus buildings Sunday afternoon starting at 1:30 o'clock.

Connie Engvall and Mike McIntyre are co-chairman for homecoming which has as its theme, "Wonderland by Knight."

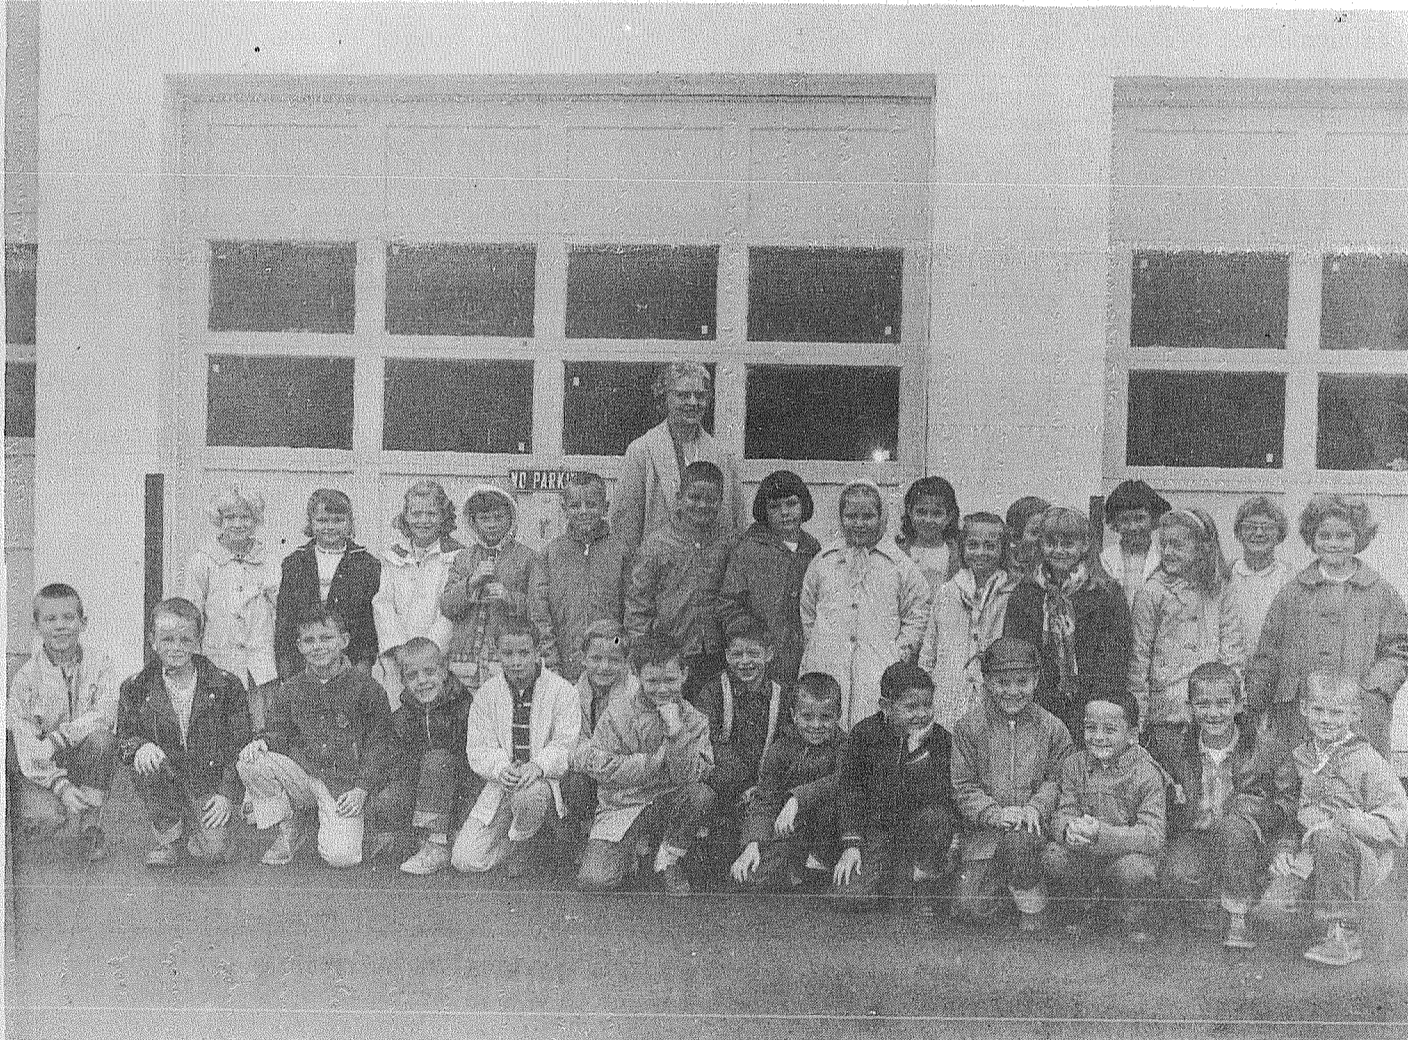

Kapowsin P-TA

Both aspects of SJR-1 will be discussed at the October meeting of the Kapowsin P-TA, slated for Thurs., Oct. 25th in the school gym.

Two speakers are scheduled to discuss the issue, and answer questions.

Fifth grade mothers will be the hostesses.

Much preparation is underway for the school carnival "Hallow'en Capers" to be held Saturday, Oct. 26th

WINNERS—in a fire prevention contest sponsored by the Spanaway Fire Department included Mrs. Klanders' second grade class from Spanaway Elementary School. Winning was based on the percentage of return by the children of a completed questionnaire.

Fall Bazaar At St. Ann's Parish This Weekend

The members of St. Ann's Parish are holding their annual fall bazaar in the parish hall 72nd and Park Avenue, Friday and Saturday, October 26th and 27th. The bazaar will be open to the public Friday from 7 p.m. to 11 p.m., and Saturday 11 a.m. to 11 p.m.

The women's booth, featuring many handmade items, including shrines and linens, is headed by Mrs. Albert Kostecky, who is being assisted by members of Immaculate Conception Circle including Mesdames John Sindula, Paul Hebert, Roland Roerber and William Medved.

Our Lady of Guadalupe Circle is sponsoring the sportsmen's booth with many articles of interest to fishermen, hunters and bowlers. Mrs. Edwin Kostecky, Chairman, is being assisted by Mesdames Ronald Peterson, Alfred Walter, Edwin Lewandowski and John Lovelless. Dolls, puppets, candy,

stuffed animals and games will be featured in the children's booth. Mrs. Fred Smart, Chairman of Our Lady of Lourdes Circle, is being assisted by Mesdames Archie Arger, John Nolte, Charles Hanly and Oresto Crivellone. Mr. Paul Thompson, President of the Holy Name Society, is in charge of the country store featuring groceries and he will be assisted by the men of the parish.

Our Lady of Fatima Circle is in charge of the kitchen booth. Handmade aprons, potholders, towels, kitchen gadgets and many other items, including homemade baked goods, will be offered. Members of the circle are assisting the three co-chairmen, Mesdames Carleton Sandhorst, James McMullin and Leo Fanning.

A snack bar will be open in the school luncheon room under the direction of Mrs. Ingwer Hanson, serving homemade pies, cakes and coffee.

15-Year-Old Opener Buck

A young Spanaway hunter bagged a 209 lb. (dressed weight) 4-point buck on the opening day of hunting season last Saturday, hunting just half a mile from his home.

Jack Nixon, 15, son of Mr. and Mrs. Roy Nixon, Rt. 2, Box 2665, downed the buck on his first shot. Young Nixon got a 90 lb. deer last year, about three miles from his home. He hunted alone both times.

Parents Attend Bethel School For One Night

Parents of Bethel Senior High School Students will take over their children's chairs and desks at next Tuesday night's, October 30, Back-To-School Night at Bethel Senior High. The evening's program is scheduled to begin at 7:30 p.m. in the Senior High auditorium.

Ground-Breaking Ceremonies Held Education Bldg.

The entire congregation of the Parkland Evangelical Lutheran Church, including children of the Sunday School, gathered on the site of the new Parish Educational Building at 123rd and Pacific Avenue last Sunday morning to take part in ground-breaking ceremonies for the new structure.

Mr. Albert Berger, president of the congregation, described the undertaking as "A great task undertaken by the congregation, but which has met with whole-hearted response on the part of every member and which serves as a great uniting force."

The building committee is composed of the following members: A. Langseth, chairman, A. Berger, M. Pedersen, L. Nord, M. Rose, D. Kelly, B. Wermedahl and R. Daniels.

Let Me Tell One

Now that the United States Government, meaning us, has seen fit to stake a stand on the creeping world conspiracy which is Communism, I feel compelled to make a few remarks about the situation.

It seems that we have been in these situations before and the only way that we can view it is to stand firm on the decision. Regardless how close or how far we are away from a shooting war, we cannot allow this sort of buildup to continue along our borders. I am not one of the 'I told you so' people, but rather I leave the decisions to the people who know what they are doing, since they have the information at their fingertips, or should have.

Now is the time when all Americans should unite behind the leaders of this country, as most of the statesmen and politicians have in their pronouncements since Monday afternoon.

Cuba should be the last stand--from here we don't move. We've said this before at other, more remote places in the world, but I believe that

this time there should be no backing down.

We have been living under the threat that somehow, someone could push the button that would trigger the Last World War for a long time and each day adds the threat that a mad-man or a fool will lean on the button in a moment that those who live will regret.

The actions described as having taken place in Cuba during the past months just multiply the odds that the fanatic, or dolt, needs to trigger the holocaust.

This is not the voice of doom, since the world has survived the edge of doom before and probably will again. But, taking no chances on spreading the capability of starting trouble, is barring at least part of the door before the horse is all the way out of the barn.

Time will tell whether or not the action has been taken in time. And history will write the final chapters, and men will look back and know whether or not the decision was right in the light of what will happen.

Right now our course is to stand firm, and pray.

ORGAN SELECTIONS by Mrs. Floyd Hicks win smiles of approval from Mrs. Richard Larson, President of the Parkland Orthopedic Guild, and Mrs. Ole Magnuson, Chairman of the Models, as they plan for the Guild's annual benefit style show to be presented Monday, Oct. 29th at 8 p.m. at the Franklin Pierce High School.

Scandinavian Day To Be Observed With Lutefisk At Waller Grange

The tempting aromas of lutefisk and Swedish meat balls waiting through the Waller Road Grange Hall Sunday, Oct. 28, will announce the annual observance of "Scandinavian Day." The dinner, open to the public, will be sponsored by Harmony Lodge #244, Scandinavian Fraternity of America, from 12:30 to 5 p.m. Elof Johnson, president of Harmony Lodge, guarantees a fine dinner, prepared by Mrs. Ernest Jacobson and Mrs. A. V. Johnson, who are noted for their fine cooking of Scandinavian dishes. They will be assisted by a large group of ladies, also known as good cooks.

Serving will be under the direction of Mesdames Louis Benson, Oscar Jensen and Peter Solberg, who will be assisted by other ladies and men members of Harmony Lodge.

Martin Torve, Ernest Jacobson and Walter Waadne are in charge of tickets. Carl Jangord will entertain at the wurltzer.

A miscellaneous booth, with articles from all Scandinavian countries on display, will be under the direction of Mesdames Harry Rygmyr, H. O. Stromsness, Emilia Kronlund, Hilda Olsen and Esther Campbell.

General chairman of this year's affair are Mrs. Arvilla L. Dabroe and Anders Loifgren.

Pumpers Added To Rural District

The Graham Kapowsin, Benston Fire District recently purchased two used Ford pumper trucks from Bremerton, one of which will be stationed at the Kapowsin Fire Hall, the other at the Graham Welding Shop. These trucks carry an authorized rating and should lower fire insurance premiums for many home owners. Prior to purchase of these trucks, Firemen were using a 1500 gallon International and a 750 gallon Federal upon which the firemen themselves mounted tanks, plumbing, pumps and miscellaneous equipment.

Their most recent fire was at the home of Mr. and Mrs. David Fields on Webster road. It was a hot, stubborn chimney fire and eventually had to be cleaned out to be extinguished.

For those who do not know the Fire number, in case of emergency, call Eatonville TE 2-5111 or Graham VI 7-7706.

Singing Groups, Dancers, Socials At Center

The South Park Community Center now has several activities on its program for those interested in singing dancing and socializing.

The Treble Aires group consists of all women who are interested in singing for fun. Especially needed at this time to round out the organization are altos, second sopranos, and sopranos, preferably those women who can read music.

Programs are made up so that the group is available for civic, hospital, and rest home performances. Meeting from 10 until 12 noon on Wednesdays at the Center, those interested should call GR 2-0443, or contact Mrs. Norman Larson, President, at GR 4-3516.

Folk dancing for young and old alike, families, single persons and couples is available every Saturday evening from 7:30 until 10:30, under the instruction of Mrs. Elsie Wiedner. For more information, call the center at GR 2-0443 or Mrs. Wiedner at WA 7-9270.

The Fireside Group is organized for those persons 45 years and over who like to play cards or participate in informal activities, with refreshments being served. The group, sponsored by the Metropolitan Park District, meets at the Center from 7:30 to 11 p.m. every Friday evening. Anyone interested can call the center.

June Bugs Sponsor Summit Social Nov. 3rd

The June Bug Garden Club, which meets and has its headquarters in the Summit Youth Center, will have charge of the kitchen on SYCA Social night, Saturday, November 3rd.

This is strictly a money maker for June Bug. All proceeds--all of them--from the sale of coffee, cake, ice cream, etc., goes into the Garden Club's piggy bank.

For this reason, to say nothing of an exciting social evening, all June Bug Garden Club members and their friends, are especially invited and urged to spend the evening at the Youth Center on Saturday, November 3rd. Of course, the invitation is wide open for everybody.

The office of Pierce County Clerk receives a salary predicated on a full-time, full-attention administration. A candidate should not seek public office unless he is willing to devote a 100% effort to his position. Certainly business or industry would not pay a full-time salary for part-time performance. Let's put the important responsibilities of the Pierce County Clerk's office into the hands of an administrator who will devote all-out, full-time effort and efficiency to the office.

Theatre League Announces Stage Plays

The third season of the Broadway Theatre League in Tacoma will bring several seasoned artists and plays to the Temple Theatre stage, opening with "Shot In The Dark" November 27th, starring Annie Farge, making her American debut in the Leland Hayward production. Miss Farge made her Western bow as the star of a TV comedy series, "Angel" as a French girl married to an American.

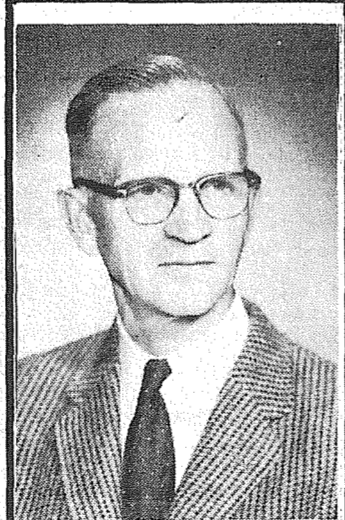

The bright comedy hit "Mary, Mary" will appear January 8th, starring Lee Bowman, known to millions as TV's Ellery Queen. Others who share the star billing are Patricia Smith and John LaSelle. In featured roles are Clinton Sundberg and Ellen Weston. The New York Company of "Mary, Mary" opened March 8, 1961 on Broadway, where it still plays to capacity audiences.

Acclaimed by the New York Drama critics as

the best musical of last year, "Carnival" will be at the Temple January 29th, starring Elaine Malbin, the lead soprano in NBC opera. Miss Malbin plays a French waif who wanders into Carnival life. With her is David Daniels, winner of the Donaldson Award of "Plain And Fancy."

The season will be climaxed by scenes from "Macbeth" and "Meida," of the Dame Judith Anderson and Co, with Miss Anderson in the starring role. Co-star will be William Roerick.

The Temple Box office is now open through Nov. 4th from noon to 8 p.m. for season tickets only.

Efficient operation of the coroner's office requires close cooperation with police investigative officials. As a former Captain of Detectives, Larry Amundsen will provide the type of cooperation needed to determine the cause of death under questionable circumstances.

The Twilight Twirlers will dance with all ghosts and goblins at a box social Friday, Oct. 26th at the Canyon Road Community Club, East 80th and Canyon Road, from 8:30 to midnight. Sid Lane will be Chief Spook. Apple cider, coffee and tea will be served by Randy and Virginia Wenworth and Dallas and Marjorie Woolf.

Mrs. Mike Latterell returned last week from Lee's Summit, Missouri, where she attended the Autumn Retreat as a representative of Unity Center of Tacoma. Before returning she and her sister-in-law, Mrs. Leslie Tyler made sightseeing trips which included the home of ex-president Harry S. Truman and Dwight Eisenhower. They visited friends in Colorado and relatives in Wenatchee and arrived home just in time to be greeted by out near hurricane.

Mrs. Alma Peake of East 72nd St. celebrated her birthday with a very unique birthday present from her husband Everett. A trip to the World's Fair for her and Mrs. Sarah Field, also of East 72nd. They were there when the gate opened, had lunch at the space Needle, supper at the Food Circus and stayed until almost closing time. Alma said it was the nicest birthday gift she could have received. We also wish you many happy returns.

Speaking of Sports--8 Craig Runger, son of Mr. and Mrs. Robert Runger of East 72nd, has been elected the first boy cheer leader at Bremer-ton State College. Also, we would like everyone to know that Puyallup won over Clover Park 45-0.

Our deepest sympathy is extended to Mr. and Mrs. W. D. Tribble of East 72nd upon the passing of Mrs. Tribble's mother, Mrs. Charles Guthrie.

Mr. and Mrs. Royal Latterell and Mr. and Mrs. Mike Latterell of Canyon Road are entertaining Mike and Royal's sister, Mrs. Felicia Leitz of Minneapolis, Minnesota, who drove here with her son, Captain Verne Leitz from Delaware, Maryland. Mrs. Leitz expects to remain in Tacoma for some time.

MAGNUSON
KEEPS OUR STATE MOVING

 In the last 25 years no man has worked harder for the farmers of this state than U.S. Senator Warren G. Magnuson. He has led the fight on power, irrigation, reclamation. When farmers need help in Washington, D.C., Magnuson's office gets first call. Farm groups and farm leaders know that Magnuson has the skill, the experience, and the seniority to get the job done. He's proved it time and time again.

of the
ACCOMPLISHMENTS

of the Sheriff's department
 under the administrative leadership
 of Sheriff Frank Stojack

- The appointment of experienced law enforcement officers to head every department - Glenn Talbot, Jack Davelaar, "Rolly" Morrison, Jack Elich, Joe Gleva.
- A program to raise the standards of law enforcement. More hours of training for deputies than during any other comparable period. Every man is required to attend FBI and other courses of instruction open to him.
- County-wide protection increased. More patrol cars, new emergency search and rescue units, the new Lakes Patrol. The new Sheriff's Reserve Patrol has contributed over \$40,000.00 in services to the County in a little over two years.
- A jail and rehabilitation program that has received nation-wide acclaim, and has saved taxpayers of the County in excess of \$100,000.00 over the past 3 1/2 years.
- Expanded activities for the youth of Pierce County. A new Juvenile Control Division, sponsorship of the Junior Deputy Program and supervision of the Tacoma Giant's "Knothole Club".

Eleanor Vetter

Mrs. Donald D. (Eleanor C.) Vetter has been elected assistant cashier of the Parkland Branch of National Bank of Washington, it was announced by A. G. Swindland, vice president and manager of the branch.

Mrs. Vetter originally began her banking career at National Bank of Washington in 1939. After three years she found raising a family required part of her time so took temporary assignments at Tacoma Main Office, and the Fifty-fourth and Pacific and Parkland Branches. In 1957 she was hired on a permanent basis at the Parkland Branch where, in 1960, she was named operations officer, the position she will continue to hold.

She and husband, Donald, have two daughters, Constance and Linda, and a son, Dennis, all of whom make their home at 221 South 53 in Tacoma.

a - Wondering and a - Wandering

By Jack Brown

I had several things in mind to write about this week but this subject seems to keep popping back to mind, probably because it strikes the closest to home.

The other day I took the day off to take my youngest character over to see the world's fair. While there I was in a line waiting to get into the Nalley's free show along with what I'd guess would be another 60 to 75 people. No one was talking except in low voices and I happened to note three teenagers in front of me. All girls and all smoking. I wondered how they managed to get out of school on the week day and also the thought of their age crept into my mind as they blew smoke in my face.

In the middle of this meditation I was aroused by a shriek from somewhere in the rear as some rather hefty woman let out a yell of "Gini!" at the top of her lungs. One of the young girls ahead of me just about jumped out of her bloomers and her cigarette went flying. It was obvious. . . Caught in the act of smoking by an irate mother. The mother proceeded to elbow her way thru the crowd up to her daughter and then to really give her a tongue lashing about the evils of smoking, without once lowering her voice a decibel or two below the roar of Niagara Falls.

All this was well and good with the exception that the whole scene was completely ridiculous, for each time while seeking new words with which to put poor Gini (or Jeannie) in place, the irate mother kept sucking deeply on the very weed she spoke so loathingly to her daughter about. Obvious habit from many years of smoking prevented her from clearly seeing or realizing the absurdity of the situation. Not only did Gini get a good lecture delivered thru the smoke pall erupting from her mother's bellowous lungs but I and all those nearby caught downwind from the lecture were thoroughly smoked as well.

To further complete the picture I saw mother latch onto Gini and proceed with her into the show, the other two girls having long since faded back into the crowd. I saw Gini and her mother sitting down front before the lights were dimmed. We were then subjected to a movie on the great Northwest, and very well done too I might add, with one exception. The Nalley people I think when producing the show were like the mother, blinded perhaps by habit rather than clear thinking for in one particular scene of beauty a cowboy was the attention compeller in the foreground and instead of whittling, tying up his horse or doing anything else normally associated with a cowboy he naturally was posed squatting on his heels, drawing deeply on a cigarette. I couldn't see the expression on our Gini's face at this point but I didn't have to be a genius to know what was going on in her mind.

Ironically enough Gini and her mother turned up for the picture in the hall of science, sitting like myself and others on the floor while various scenes were projected on the huge screen. This was a scientific show produced to show us the advancement and the good things of life, past and present. Scenes of all types of scientific paraphernalia were shown and then in the right hand corner of the screen appeared an ashtray brimming full of butts with one still smoldering in the holder. This scene I suppose was to emphasize the long hours and sleepless nights spent by our scientists, but once again I couldn't help looking over towards Gini and just plain wondering.

In the light of findings as regards cigarettes and their relation to lung cancer it would seem to me that future world's fairs at least owe it to our youngsters not to glamorize a known harmful factor in modern living.

Whether I smoke or not has no bearing on the case at hand and whether you choose to smoke or not has no bearing on the case. Given time smoking will fade as has chewing but glamorized it will not fade soon enough to save countless young from flirting dangerously with cancer.

It's a problem we parents face and particularly tough when so many are themselves addicted to the weed. In my own home I have the problem of lining up my three sons, trying to explain the harmful effects of smoking to them while my wife blows smoke in their face from one side and my daughter from the other. It's a battle but I don't consider it a losing one and you too owe it to your youngsters not to consider it a lost battle nor to let habit carry you to the point of the ridiculous as in the case of Gini's mother.

Five will get you ten that Gini (or Jeannie) and her mother probably live in the Parkland area and I'll really catch you know what over this.

A recent story in the daily gave me cause to wonder the other day. It seems a young man who had just barely been defeated for public office was found to be the possessor of several thousand dollars worth of dope. It makes me wonder if our elective system might not need some added safety factor like a clearing commission for candidates or something. Right now the way it is, any joker lie you or I can gallup in and plank down our entry fee and be in the race regardless of our background and intellectual capacity. The only ones who can demand us against ourselves and prevent the election of some rotter is his competition and most of what I dig up only brings him the brand of a dirt slinger.

Perhaps our next legislators should give some consideration to this matter.

Honesty and integrity are like a parrot. There just is no substitute.

Roy News Now At Keesler

Miss Susan Crum, the daughter of Mr. and Mrs. Charles Crum, became the bride of Jerry Hankins at the Congregational Church on October 8th. Mrs. John Roush Jr., was matron of honor for her sister, and Robert Hankins, brother of the groom served as best man.

Mr. and Mrs. Ronald Ott announce the birth of a son, Lyle Eldon. The baby is welcomed by a brother, Kenneth.

Joanne Gay, daughter of Mrs. Christine Gay of Roy and Walter Gay of Chehalis, and Gerald Jacks of Pomeroy, Ohio, were united in marriage October 14th in the Methodist Missionary Church.

Residents of Roy and the surrounding area wish to express publicly their appreciation to the power and telephone linemen, who worked so hard to return service to normal in the area after the storm.

Roy Grange Booster night, which was scheduled for October 18th, has been postponed to November 1st, due to power outage in Town of Roy. At this time, plans will be made to make a survey of the needs and resources of the community in times of storm and power outages. Many times the article most needed lies unused at a neighbor's. It is hoped that this survey will result in a list, available to all, of their location.

A Vote For Nutley Is A Vote For Enlightened Leadership!

Intelligence:
 30-year old Hugh Nutley, Tacoma-born and educated in Tacoma public schools, is now a nuclear physicist at Boeing. Numerous academic awards and scholarships enabled Nutley to achieve his highest educational goals: B.S. in Physics from M.L.T. ('54) and Ph.D. in Nuclear Physics from U.W. ('60).

Religious and Civic Devotion:

Nutley is well acquainted with the problems of our youth. A former college professor, he was also active in Boy Scout work (Troop No. 13, McKinley Hill, Tacoma) and is now a deacon in McKinley Park Christian Church. He and Mrs. Nutley are also active in Mary Lyon PTA and Pre-School.

Labor Relations:
 A student of the problems of labor-management relations, Nutley is a member of S.P.E.A., collective bargaining agent, for Boeing scientists and engineers.

Military Service:
 Nutley has served 26 months in the Army and is now a Captain in the Army Reserve.

Your Growing Garden

With Harriet Kennedy

Many of us are still clearing debris from the recent storm. Some trees and shrubs roots may have been loosened by wind twist. It would be a good idea to check all of them, firming the soil where necessary. Trees that have been previously topped but have grown a new spire should be examined for wind damage, they may need to be topped again. This regrowth may look slender and flexible from ground view, but, may actually have become quite sizable, and dangerous if windblown.

All winter long Nature pulls and tugs growing things, stretching, strengthening the healthy one. This same wind prunes and pulls out the weak and sick growth, be it young or old - and Nature doesn't "go by the book" - but we can. By the time all the books and articles on pruning are read, one could become thoroughly confused. The main thing to remember is that if we don't prune, Nature will, ruthlessly. The beginner gardener is, usually, more afraid to prune than do any other garden activity. Tenacity to live is strong, plant life will do its best to adjust even when we make mistakes.

Even though books sometimes seem toot technical, it is best to have them at hand to refer to, and their diagrams are of real help. There are many excellent books on this subject. Books which cover specific species always include pruning information. A few of the ones I often refer to are - The Lorette System of Pruning by Louis Lorette, Encyclopedia of Organic Gardening by J.J. Rodale & Staff, The Garden Encyclopedia edited by E.L.D. Seymour, and sev-

eral of the Sunset books. It is advisable for the beginner to underprune rather than cut too much. Overpruning, especially along with overwatering, causes watersprouts which weaken plants and invite insects. "Thumb-nail" pruning is done any time of the growing season whenever a new shoot sprouts up where its growth will not be desirable. This pinching off prevents more drastic cutting back at a later growth stage, while it strengthens the remaining branches.

Unbalance of growth caused by prevailing winds, or growing plants too close together, or too close to a construction, can be corrected by pruning severely on the heavy side but lightly on the thin side, again at the proper pruning season of the plant.

As a general rule, summer pruning favors flower and fruit production, while winter pruning stimulates leaf and branch production as well as top growth, with the exception of grapes. Too much branch and top growth, however, is not always desirable. Intelligent thinning and shaping at the regular time for total plant growth is better.

Winter is an ideal time to take a good look at the skeleton of deciduous trees and shrubs. Each species has its own style of growth, their own beauty and grace lines. All branches which detract from this symmetry can be tagged so they will not be overlooked, or forgotten, when it is time to prune them.

This column will have more detailed explanations at appropriate pruning times throughout the year.

Here is a footnote to a recent column on "Planting Dates" - The second day after the first full moon of both July and August months is supposed to be especially good for permanently getting rid of weeds, blackberry vines or any unwanted plants, including trees.

Batali Urges Voters To Keep Lights On

TACOMA, WASH. . . . Inspired by circumstances relative to the historic ride of Paul Revere, Dino Batali, serious student of American history and Democratic candidate for Washington state legislature in the 29th District, today offered a non-partisan get-out-the-vote suggestion to the citizenry: Keep the porch lights and car lights burning all day during Election hours on Nov. 6. Mr. Batali hopes that widespread compliance with his suggestion will help implement voter interest in the up-coming election, already marked by new heights of apathy. The lack of voter concern, widely commented on by political pundits and prognosticators, is expected to produce a minimal turn-out at the polls, unless something drastic happens . . . soon. Mr. Batali avers that he owns no stock in any utility company or automotive accessories, but that he might even offer a prize for a really effective slogan along the lines of Light Up for Liberty. Mr. Batali may be reached at his Tacoma law office.

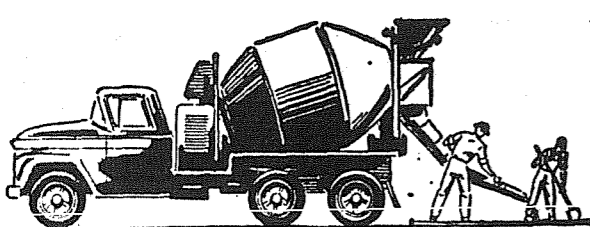

The present has a right to govern itself.

UGN Reaches Half-Way Point

The United Good Neighbor drive reached 52.7 per cent of their total, last Monday when campaigners reported \$564,080 on a goal of \$1,070,000. The report was made by Ed. V. Hudson, campaign chairman. Hudson said that "mop up" solicitation was continuing in neighborhood small business and in county communities. He urged all solicitors to continue their good work until everyone in the

county was given the opportunity to contribute. Chairmen from the following firms were present last Monday to receive their fair share plaque awards: Bon Marche, Boy Scouts of America, Children's Industrial Home and Jessie Dyslin Boys' Ranch, General Beer Distributing Company, General Plastics Manufacturing Co., KMO Radio Station, KTAC Radio Station, Office of Walter S. Gordon, Pacific First Federal Savings & Loan Ass'n, Retail Clerks - Local 367, Royal Broom Company, J. D. Shotwell Company, Tacoma Asbestos, Tacoma Community House, Mt. Tacoma Girl Scout Council, Twentieth Century Press, and Washington State Patrol.

A Speedy Solution To A Grave Problem ... AT NO EXTRA COST!

The Problem: Flagrant disregard by irresponsible boat operators for the safety of swimmers and others using our lakes. The present one-boat sheriff's patrol is inadequate.

Berry's Solution: Deputize responsible people in each lake area to eliminate reckless boat operation—at no additional expense to the taxpayers!

Timber Loss In Snoqualmie 1 Million

River and other drainages was affected. All available timber management personnel on the Forest have been assigned to the task of preparing timber in the blow-down areas for immediate salvage.

Barrett, just back from an aerial survey of storm damage, indicated that an estimated 48 million board feet of National Forest timber was blown down. Estimated value of the down timber is well over a million dollars. There was, however, no known damage to Forest improvements.

Most of the damage was confined to the western fringes of the Forest, from the Skykomish District South through Mineral. Heaviest damage was on the Mineral District, in the southwest portion of the Snoqualmie National Forest.

Flying with Jeanne

A dual cross-country training flight was made by Tom Dorum to Port Angeles and return. Later in the week Tom made his first solo cross-country to Port Angeles.

Sunday Jim Holland made a dual cross-country to Boeing Field and return for radio training.

Dinner at Shelton was enjoyed by Jen and Orv McCaughey, Hhaold and Irene Johnston and John and Louise Scholtens.

The Pierce County Chapter of the Washington Pilots Association will have their monthly meeting with dining and dancing at the Top of the Ocean Friday, October 26th. Let's all attend this meeting as it pertains to the bills that will be acted upon during this winter's legislation. There is a lot to be done and we as people interested in aviation are the ones to do it. If you are not a member come anyhow and join Friday night.

Summit Trading Seeks Witness

Owen Carlson, of Summit Trading Center, this week asked for information concerning the loss of a lawn mower from the store on the night of October 8, 1962.

Carlson asked that any person seeing anyone taking a mower from the front porch of the store that evening, to get in touch with him at the store.

Volkswagen Club Halloween Party Set For Saturday

Kreetha B. Alkire will honor fellow Volkswagen Club of Tacoma members with a Halloween season party at her home 7:30 p.m. Saturday, Oct. 27.

49'ers, Franklin Pierce Drop Final League Games

The Spanaway 49ers and Franklin Pierce both dropped the final games of the County Pee Wee League in last Sunday's tilts, the 49ers bowing to the Lakewood Bears 7-0 and the Lakewood Warriors edging the Franklin Pierce club 13-0.

The 49ers and Bears played on even terms throughout most of the contest, the only score coming in the third per-

iod when Jack Wingeter scampered 10 yards to pay dirt and Bob Josephson plunged for the PAT. The loss leaves the 49ers occupying the cellar spot. Despite their low finish in the final standing the Spanaway eleven played consistent football throughout the year losing all their games by narrow margins. Ray Burkhardt and Bob Langrebe, 49er coaches, had nothing but praise for the fine spirit displayed by their players.

The Lakewood Warriors proved a little too tough for the Franklin Pierce team as the newly crowned champions ran up a two touchdown victory. The winners got their first touchdown on a pass from Galen Melby to Bill Roberts, the play covering 40 yards. The second touchdown was set up

Initiative 211 To Add Problems, Says A. Lars Nelson

Seattle.— Initiative 211 "will not solve any problems," A. Lars Nelson, chairman of the statewide Bipartisan Committee for Direct Representation, said today.

"In fact it would create many additional problems," he added. "Seattle voters, in particular, are being told that they are discriminated against by the Legislature on highways and other matters. Actually, what delayed the Tacoma-Seattle-Everett freeway sections already under-represented."

Seattle alone elects about one-fourth of all state legislators under the present apportionment, Nelson said. "Initiative 211 gives additional representation to counties already well represented. It takes away from counties already under-represented."

Nelson denied that 211 gives "equal representation" to voters. "Among other things, 211 would create 11 districts with greater population per senatorial district than the average in King County," he declared. "Whatcom County is given one senator for 70,000 population. The King County average would be one senator per 58,312 people. Initiative 211 contains many instances of inequality and gerrymandering. It is not a sound measure."

Nelson said 16 to 18 counties would be "without direct representation" under 211. "The real meaning of direct representation," he said, "is resident representation, with personal understanding of problems in the area where a legislator lives. No one else can speak adequately for that area."

more by city dwellers, and commercial people than by those living in the areas of construction, are far less expensive and far easier to plan and complete. In any event, they serve Seattle and the larger cities just as much or more than other areas."

Nelson said Initiative 211 was "drafted primarily to give more senators and representatives to the Greater Seattle area by taking legislative seats away from areas already under-represented."

Revised Budget Announced By Regent Board

A revised budget of \$2,541,917 and a new committee system were adopted by the Regents of Pacific Lutheran University at the annual fall meeting of the Board on the campus last week. Announcement of the action was made by Dr. H. L. Foss, Seattle, Chairman of the Board of Regents.

The new budget as presented by A. Dean Buchanan, business manager and treasurer of the university, represents an increase of more than \$200,000 over last year's expenditures. The largest item in the budget was the salary schedule which totalled almost \$1,250,000.

As a means of expediting the work of the board, the Regents accepted the recommendation of President Robert Mortved that a series of committees be appointed to carry forward various phases of the work of the Regents. Six committees were named by Dr. Foss to serve for the coming year: Finance, Eider Knutzen, Burlington, Chairman; Harold E. Nelson, Tacoma; and E. A. Morken, Geness, Idaho; Buildings and Grounds, Rev. Arthur I. Anderson, Olympia, chairman; H. E. Anderson and T. Olai Hageness both of Tacoma; Academic Affairs, Rev. Olaf Anderson, Eugene, Oregon, chairman; Dr. Eric R. Paulson, Spokane; Rev. Karl Brevik, Kallispell, Montana; Student Life, Mrs. M. Neese, Bremerton, Chairman, Dr. Paul Bondo, Tacoma; Rev. Philip Engstrom, Pullman; Development, Earl E. Eckstrom, Seattle, Chairman, R. W. Stratton, Jr., Anchorage, Alaska; Dr. Eugene V. Stime, Seattle, and Dr. S. C. Siefkes, Seattle.

Chairmen Eckstrom, Knutzen and Arthur Anderson will serve the President Foss and Mr. Hageness, secretary of the Executive Committee. A report concerning the forthcoming ballot for sewer bonds for the Parkland Sewer District was received with approval.

A special resolution was adopted by the Regents expressing thanks and appreciation to retiring secretary Rev. O. K. Davidson, Tacoma who served as secretary for ten years. Resolutions were also passed commending other retiring members of the board, Mrs. O. M. Munson, Portland Oregon, Edroy Woldseth, Tacoma, Harold Widsteeen, Port Angeles and John Sather, La Crosse.

Knights Seek First League Win Over Whitworth

Pacific Lutheran University gridders face the resurging Whitworth Pirates' Pine Bowl and will be homecoming for Coach Sam Adam's Club which has rolled to three straight league victories after dropping their opener to the league leading University of Puget Sound. The Knights, on the other hand, have yet to win in league play, although they have a tie with Eastern on their record.

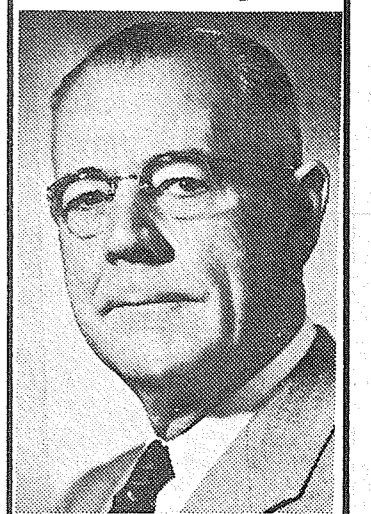

Knights coach, Roy Carlson, is spending this week sharpening his passing game and setting up defenses which he hopes will stop the sharp and well balanced Whitworth running and passing games.

Fullback Keith Shahan rambled for 102 yards in 26 carries in the Lutes' 13-7 loss to Western last week to run his season's total to 327 yards in 96 carries in five games. He also leads the Knights scorers with 24 points. Jim Cypert, the junior transfer from Grays Harbor College, continues to be the knight standout on defense. The sterling linebacker made 15 tackles against Western and has averaged 13 tackles per tilt for the season. The Knights came out of the Viking tilt in good physical condition with the exception of halfback Dennis Langston who got a head injury and may have to miss the Whitworth tilt. Halfback Bob Hoey,

speedy freshman, was used sparingly in the Western game because of injuries received in the Eastern game, but he is expected to be ready to go against the Pirates. Coach Carlson's probable lineup against Whitworth will have George Vigeland and Mike Smith at ends, John Aune and Dave Shurstat at Tackles, Norm Juggert and Dave Olson at guards, and Kevin Thomas at center. His backfield will be Garry Nevers at quarterback, Ray Gish and Hoey at halfbacks and Shahan at full.

Abolishing Restrictions on Land Ownership

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Senate Joint Resolution No. 21
ABOLISHING RESTRICTIONS ON
LAND OWNERSHIP

Shall the constitutional restriction upon the ownership of land in the State of Washington by certain non-citizens be removed by repealing Section 33, Article II, as amended by Amendments 24 and 29 of the State Constitution?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 Members—41 Yeas; 6 Nays; 2 Absent or not voting
HOUSE: 99 Members—90 Yeas; 0 Nays; 9 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

The State Constitution now prohibits the ownership of certain land by certain non-citizens.

Ownership of land in this state by non-citizens who have not declared their intention to become United States citizens is prohibited, except where acquired by inheritance, under mortgage or in good faith in the ordinary course of justice in the collection of debts.

The prohibition does not apply to Canadian citizens of those provinces which do not prohibit the ownership of provincial lands by citizens of Washington, nor to non-citizens owning land through a corporation. In addition, the prohibition does not cover lands containing certain minerals and necessary land for mills and machinery to be used in developing those minerals and in manufacturing products from such minerals.

EFFECT OF SENATE JOINT RESOLUTION NO. 21 IF APPROVED INTO LAW:

The passage of the proposed constitutional amendment would repeal the existing constitutional prohibition against ownership of lands by non-citizens.

A Legal Publication From the Office of
VICTOR A. MEYERS
Secretary of State

Voters' Pamphlet—Publication and Distribution

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Senate Joint Resolution No. 9
VOTERS' PAMPHLET—PUBLICATION
AND DISTRIBUTION

Shall Article II, Section 1, Amendment 7 of the State Constitution which presently directs the Secretary of State to send each registered voter a copy of the voters' pamphlet (a publication containing the laws and constitutional amendments referred to the people together with arguments for and against each measure) be amended so as to require only mailing to each individual place of residence, together with such other distribution as the Secretary of State deems necessary?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 Members—44 Yeas; 1 Nay; 4 Absent or not voting
HOUSE: 99 Members—88 Yeas; 1 Nay; 10 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Presently, our State Constitution requires the Secretary of State to send one copy of the voters' pamphlet to each registered voter.

EFFECT OF SENATE JOINT RESOLUTION NO. 9 IF APPROVED INTO LAW:

The proposed constitutional amendment requires the Secretary of State to send one copy of the voters' pamphlet to each individual place of residence (instead of to each registered voter) and further requires that he make whatever additional distribution he deems reasonably necessary to provide each registered voter an opportunity to study such pamphlet.

School Districts: Increasing Levy Periods

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

Substitute Senate Joint Resolution No. 1
SCHOOL DISTRICTS:
INCREASING LEVY PERIODS

Shall the State Constitution be amended to permit school district voters to authorize tax levies in excess of the 40-mill limit at a specified maximum rate for up to four years for operations and/or capital outlay, if the proposition or propositions be approved by a three-fifths majority, and the number of voters voting thereon constitutes not less than forty percent of the votes cast at the last preceding general election in such district?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
SENATE: 49 Members—42 Yeas; 1 Nay; 6 Absent or not voting
HOUSE: 99 Members—92 Yeas; 2 Nays; 5 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Article VII, section 2, Amendment 17, of the State Constitution (commonly known as the 40-mill limit provision) limits the aggregate of property tax levies by the state and taxing districts, including school districts, to forty mills on the dollar of assessed valuation, except that the voters of a taxing district, under certain specified conditions, may authorize the following levies in excess of the 40-mill limit:

- (a) An excess levy for one year.
- (b) Excess levies sufficient to meet the required annual payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, or to refund such general obligation bonds.

In each case, the proposition must be approved by a three-fifths majority of the voters at an election where the number of persons voting constitute not less than forty percent of the total number of votes cast in such taxing district at the last preceding general election.

There are further limitations as to the number of such propositions and the time within which they may be submitted to the people.

EFFECT OF SUBSTITUTE SENATE JOINT RESOLUTION NO. 1 IF APPROVED INTO LAW:

The proposed constitutional amendment would add a new subsection additionally permitting school district voters to authorize, at a single election, tax levies in excess of the 40-mill limit for a specified number of years, not to exceed four years, for either operations or capital outlay purposes, or both. Such propositions would be subject to the same percentage requirements for voter approval as now govern excess levies.

No school district would be permitted to submit to the voters a proposition to authorize additional levies under the new subsection for any year for which the voters have previously authorized an excess levy under this subsection for the same purpose. However, under certain specified conditions, a school district could submit to the voters at any time a new proposition for the same purpose as a substitute for a prior excess levy authorization made under this subsection.

Temporary Performance of Judicial Duties

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 6
TEMPORARY PERFORMANCE OF JUDICIAL
DUTIES

Shall Article IV of the State Constitution be amended by adding a new section providing that when necessary for the prompt and orderly administration of justice a majority of the supreme court is empowered to authorize judges or retired judges of courts of record in this state to perform, temporarily, judicial duties in the supreme court, and to authorize any superior court judge to perform judicial duties in any superior court of this state?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—74 Yeas; 0 Nays; 25 Absent or not voting
SENATE: 49 Members—45 Yeas; 0 Nays; 4 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Our State Supreme Court is composed of nine judges who are the only persons authorized to perform judicial duties in the Supreme Court.

Under the constitution, any Superior Court judge may hold a Superior Court in any county of the state at the request of the judge of the Superior Court of such county, and, upon the request of the governor, it shall be his duty to do so.

In addition, by statute, the Chief Justice of the State Supreme Court is authorized to direct any Superior Court judge to hold Superior Court in any county of the state.

EFFECT OF HOUSE JOINT RESOLUTION NO. 6 IF APPROVED INTO LAW:

The proposed constitutional amendment would add to our constitution a provision empowering the State Supreme Court, by the approval of a majority of its members to:

- (a) Authorize any judge or retired judge of a Superior Court or any retired judge of the Supreme Court to perform judicial duties on a temporary basis in the State Supreme Court whenever it is necessary for the prompt and orderly administration of justice.
- (b) Authorize any Superior Court judge to perform judicial duties in any Superior Court of this state.

Qualifications of Voters

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 19
QUALIFICATIONS OF VOTERS

Shall Article VI, Section 1 of the State Constitution relating to qualifications of voters be amended to reduce the periods of state and county residence required for voting at all elections; eliminate disqualification from voting by Indians not taxed, and allow citizens intending to make this state their permanent residence to vote for presidential electors or President and Vice-President of the United States, after sixty days' residence?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—90 Yeas; 4 Nays; 5 Absent or not voting
SENATE: 49 Members—35 Yeas; 12 Nays; 2 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

Presently, in order to be entitled to vote a person must be at least twenty-one years of age; be able to read and speak the English language; be a citizen of the United States; have lived in the state one year, in the county ninety days, and in the city, town, ward or precinct thirty days immediately preceding the election at which such person offers to vote. *Those Indians who are not taxed are prohibited from voting.

* (Note: While the supreme court has not interpreted this prohibition, the attorney general of Washington as early as 1916 and as late as 1938, concluded that Indians who are citizens are entitled to vote like other citizens under the 15th Amendment to the U. S. Constitution which provides, in part, that the right of any citizen to vote shall not be denied or abridged by any state on account of race. These opinions have been followed by the secretary of state and other election officers of this state for many years.)

EFFECT OF HOUSE JOINT RESOLUTION NO. 19 IF APPROVED INTO LAW:

The proposed constitutional amendment would reduce the period of state and county residence required for voting to six months in the state and thirty days in the county.

*The prohibition against voting by Indians would be eliminated. (*See note above.)

In addition, those persons who can meet all the qualifications for voting except for residence and who shall have resided in this state at least sixty days immediately preceding a presidential election with the intention of making this state their permanent residence, shall be entitled to vote in such election for presidential electors, or on the office of President and Vice-President of the United States, as the case may be, but for no others.

**Governmental Continuity During
Emergency Periods**

**Proposed Amendment to the
State Constitution**

to be voted on NOVEMBER 6, 1962

OFFICIAL BALLOT TITLE

House Joint Resolution No. 9
GOVERNMENTAL CONTINUITY DURING
EMERGENCY PERIODS

Shall Article II of the State Constitution be amended by adding a section empowering and directing the legislature to provide a method of temporary succession to elective and appointive offices when because of an emergency resulting from enemy attack the incumbents are unavailable to act and further empowering the legislature to depart from certain constitutional provisions if, in discharging this duty, the emergency renders compliance impracticable?

VOTE CAST BY 1961 STATE LEGISLATURE ON FINAL PASSAGE:
HOUSE: 99 Members—78 Yeas; 0 Nays; 21 Absent or not voting
SENATE: 49 Members—46 Yeas; 3 Nays; 0 Absent or not voting

EXPLANATORY COMMENT

Issued By The Attorney General As Required By Law

THE LAW AS IT NOW EXISTS:

This state has no laws specifically designed to fill temporary vacancies in the various public offices or to otherwise provide for the continued operation of state and local government during a period of emergency resulting from enemy attack. The power of the legislature to enact such laws is limited by the provisions of the State Constitution which cannot be superseded by an act of the legislature.

EFFECT OF HOUSE JOINT RESOLUTION NO. 9 IF APPROVED INTO LAW:

The proposed constitutional amendment empowers and directs the legislature to immediately provide for the continued operation of state and local government during periods of emergency resulting from enemy attack by prescribing a method of temporary succession to elective and appointive public offices of whatever nature should the incumbents and their legal successors become unavailable.

In addition, the legislature is empowered and directed to enact such other measures as may be necessary and proper to further insure the continued operation of government during such emergencies.

During a period of emergency caused by enemy attack, the legislature is authorized to deviate from certain specified constitutional provisions if, in its judgment at the time of such emergency, conformance to such constitutional provisions would be impracticable or cause undue delay in providing for the continuance of governmental operations.

Big Trees Mean More Money --- County Agent

Growing trees to the right size and quality will produce a higher value product. Loren Curry, County Extension Agent, says this was one of the findings when the figures at the McCleary Experimental Forest were added up.

Price received for a 10-inch diameter tree sawed into logs and delivered to the mill as \$1.60. A 14-inch tree brought \$8.20; an 18-inch tree \$19.35; and a 30-inch tree \$73.35. Board foot volume increased with size, but equally important in obtaining higher dollar returns were the higher grades of sawlogs and peeler logs produced from larger trees.

The trees cut in the study were obtained from thinnings in a Douglas fir forest near McCleary, Wash. The study is conducted jointly by the Pacific Northwest Forest and Range Experiment Station and the Simpson Timber Company.

Also, taller trees result from better spacing. These conclusions, says Curry, were drawn from recent forest research studies in the Wind River Experimental Forest in Skamania County.

Better spacing provides more crown space and more root space, thus giving the trees a more favorable environment. The end result of better spacing is the production of more useable wood per acre and a greater dollar return to the owner.

Joe Buhaly, WSU Extension Forester, tells of the research study started over three decades ago. At age nine, a thick stand of Douglas fir was thinned to an exact eight foot spacing. A check plot was left for comparison. The average tree at the start of the study for both the thinned stand and the unthinned stand were essentially at the same height of six feet. Today, at age 41, 32 years after thinning, the average tree in the thinned stand is 67 feet tall. The average tree in the unthinned stand is only 54 feet tall.

Additional information from this experiment shows that the average diameter in the thinned stand is greater, as is board foot volume. Board foot volume, by international rule measurements, shows 23,655 board feet per acre for the thinned stand as against only 11,094 board feet per acre for the unthinned stand.

Agent Curry suggests to persons interested in thinning their own timber stands to ask for a copy of "Early Thinning in Douglas Fir Wood Lands," Extension Circular #318, available at the County Extension Office.

Cheney Named To NBW Board

Ben Cheney, one of Tacoma's leading industrialists and sports philanthropists, was elected to the board of directors of National Bank of Washington on October 9, it was announced by Goodwin Chase, president of NBW.

In commenting upon Cheney's election, Chase said, "We are all exceedingly pleased to have Mr. Cheney in membership on our board of directors because of his depth of experience in the lumber industry on the Pacific Coast, together with his many other successful activities in business, and particularly his dedication in encouraging young people to engage in sports. The directors join me in welcoming him to our board."

Cheney, whose head office is in Tacoma, has lumber companies in Washington, Oregon, and California. In addition to the Cheney Lumber Company, Inc., and the Cheney Port Mill in Tacoma, other companies include the Cheney Forest Products, Central Point, Oregon; Cheney-Grant Lumber Company, Pondersa, California; Cheney California Lumber Company, Greenville, California; Cheney Redwoods, Inc., Arcata, California; Cheney Westwood, Inc., Westwood, California; and the Cheney-Sierra Lumber Company, Willits, California.

Cheney's great interest in sports for youngsters is well known throughout Washington, Oregon and California, wherever a Cheney company is located. A firm believer in the important part supervised sports can play in developing youngsters for adulthood, Cheney companies each year sponsor at least 25 teams with some 500 participants, in sports covering football, baseball, basketball and bowling. To date, well over 3,000 boys and young men have participated in Cheney sponsored teams.

In recognition and appreciation of his outstanding contribution to the field of sports, when the new home of the Tacoma Giants was built in Tacoma in 1960 it was named Cheney Stadium.
