Let's All Go Western For The Parkland Round-Up

Colorful Pipers March

THE CLAN GORDON PIPE BAND of Tacoma will be one of the outstanding bands in the Round-Up Parade Saturday, marking their fourth year appearance in the parade. The band is made up of business and professional men from Tacoma and

surrounding areas. In addition to being in demand each year from Portland to Ellensburg, they are also traditionally the official escort band for the Queen and her court in the annual Daffodil Parade.

Come To The Parade Saturday

A shorter more concentrated route for the Parkland Round-Up parade has been made necessary this year by the opening of the 5G intersection at 109th and Pacific Avenue. Date of the parade will be Saturday, August 22nd; starting time will be 10:00 a.m. With the old route from 96th and Pacific Avenue to 138th and Pacific Avenue, it was necessary to stagger the bands, with each one marching one-half of the total distance. With the new seventeen block route, from Parkland Grade School to 138th and Pacific Avenue, which is the same length as the Tacoma Daffodil Parade, all bands will march the full distance.

The Fourth Division military band from Fort Lewis will participate this year. They had been invited in previous years, but declined because of the long route. The Clan Gordon Bagpipe Band, which last month won first place cup in the Olympia Twilight Parade, will enter again for the fourth consecutive year. This colorful group of bagpipers are in demand every year from Portland to Ellensburg, Washington. They are traditionally the official escort band for the Queen and her court in the annual Daffodil Parade.

After several years of effort, an eighty-five year old high wheel bicycle has finally been secured for the Parkland Round-Up parade. It was recently purchased by Lawrence Armstrong, along with an old tandem bicycle, an old ox yoke and other antiques from the C. C. Brown collection at Centralia, Washington. Danny and Larry Harrison are practicing daily at riding the high bike. They hope to be fairly familiar with it by parade time, Saturday, August 22nd. When the bicycle was sold new in 1880, part of the instructions furnished went into detail explaining how to fall so as to escape injury.

Pierce County 4-H Clubs will be well represented in the parade with ten to fifteen groups participating. One of them is the 4-H Horsemasters Club consisting of ten sharp mounted girl riders. Other 4-H groups will display old roadsters, buggies, ponies, carts and banners. Luis and Dorothy Atlee will co-ordinate all 4-H groups for the parade.

Horace Sada from the Ponies Unlimited Club guarantees there will be a great number and variety of ponies traveling the seventeen block parade route.

Hill Billy and Western music will supplement the bands and calliopes. Mrs. Pamela Bradshaw's Tacoma Starlighters will march 14 baton twirlers accompanied by drums.

Several horseless carriage club members will enter their prized machines. One of these will be Hans R. Sjoboem with his 1920 Model T Ford which will have as a passenger Stellacoom's Threshing Bee Queen.

Trophies will be presented to the best float, best riding group and best novelty entry.

Camp Fire To Meet At Park

Attention all Jr. High and Sr. High age girls. As a climax to summer activities and, we hope, a week of sunshine, the Tacoma Council of Camp Fire Girls is introducing a new facet to its camping program and we are happy to say it is in our area. August 24 through the 28th from 9:30 a.m. to 3:30 p.m. are the dates for this interesting advanced camp session to be held in area 3 at Spanaway Park.

Lovely Queen Lynda

NEWLY CROWNED ROUND-UP QUEEN Lynda Nystrom waves a royal welcome to all to come and join in the festivities beginning this Saturday with the parade. Lynda will reign as the 1964 Parkland Round-Up Queen, being crowned by last

year's Queen Val Clarkston, Sunday afternoon in the Parkland arena. Lynda is the daughter of Mrs. Norma D. Nystrom, 14602 Terry Lane E., and was a 1964 graduate from Clover Park High School.

18 Year Old Wins Over 12 Queen Contestants

Lovely Lynda Nystrom, sponsored by the Pierce County Sheriff's Posse, was crowned Queen of the Parkland Round-Up in ceremonies held Sunday afternoon at the Rodeo Grounds on 138th and J streets.

Queen Lynda, an eighteen year old graduate of Clover Park High School, was crowned by outgoing Round-Up Queen, Val Clarkston.

Master of Ceremonies Lyle Clarkston introduced each Princess to the audience and judges after which each young lady gave a brief talk on herself and how she

would help boost Parkland as their Round-Up Queen.

The Princesses were judged on horsemanship, poise, beauty, personality, participation and the number of Round-Up buttons sold. Judges were Roy Dowling, Bob Evans, Dee Wetergard and Worthy D. Hecht. The top runners-up were Linda Glinewinkle, sponsored by United Pacific Insurance and Diane Nobes, who is sponsored by the Colts and Fillies.

Queen Lynda and the other eleven Princesses were the center of attraction in the Grand Entry Parade at the Grays Harbor County Fair Rodeo in Elma last Thursday and Friday. Many personal appearances are scheduled for Queen Lynda and her 20 year old chestnut Arabian gelding, Tralal, prior to the Round-Up. Wednesday evening she will be a guest of honor at the Salmon Bake at Owens Beach in Point Defiance Park.

Even though she is wearing a cast on her right ankle, Queen Lynda will proudly lead the parade through Parkland Saturday morning. Last week while putting Tralal through his paces, he slipped and fell on Lynda. The result: a broken ankle. Perhaps Queen Lynda will go down in history as the only Round-Up queen who was crowned while wearing a cast.

Post 288 Meets

The Parkland American Legion Post 288 and its Auxiliary will resume their meetings beginning Monday, August 24 at 8 p.m. in Sunshine Hall. At that meeting the new officers will take charge and the delegates who attended the convention will give their reports. Refreshments will be served

First RCA Show Marks Top Notch '64 Rodeo

When action explodes in the area of the Parkland Rodeo, slated Saturday and Sunday afternoons (August 22-23), spectators will be watching another professional edition of the roughest, competitive sport in the nation.

As one of the 500-odd rodeos approved each year by the professional Rodeo Cowboys Association — there were 582 approved rodeos held in 1963 — the Parkland Rodeo will be in the sport's

major league, conducted under the area of the Parkland Rodeo, slated Saturday and Sunday afternoons (August 22-23), spectators will be watching another professional edition of the roughest, competitive sport in the nation.

Like all R.C.A. sanctioned rodeos, the contest here will be built around the sport's standard events — saddle and bareback riding, calf roping, steer wrestling and bull riding. Contestants will be competing for slices of \$1,000 purse money put up by the rodeo committee, plus their own entry fees which will probably double the prize money payoff.

Rodeo livestock will be furnished by Joe Kelsey of Tonasket.

Prize money won here will be credited to the sport's world championship standings. National titles in pro rodeo are determined by the simple measure of who wins the most money in an event during the almost year-round playing season. Competition culminates in December with the game's title playoffs, the National Finals Rodeo, to be held again this year, December 1-6, in the Los Angeles Sports Arena.

Rodeos began as private celebrations by ranch hands. After the hard work of rounding up, branding and shipping cattle, cowboys entertained themselves with exhibitions of skill.

Not content with proving their ability at bronco-busting, calf-roping, etc. — cowboys created especially difficult contests to boost excitement. In one, a man had to saddle a wild horse and ride him the length of the arena.

A common cowboy superstition holds that "bandages before the rodeo prevent bandages after!" They have been known to wear a variety of braces, bandages, straps, and homemade corsets before a show in hope of warding off unpredictable injuries in action!

Those of you who are unfamiliar with the Rodeo Grounds, driving from Tacoma on Pacific Avenue you turn right at 138th Street and continue on 138th to "J" Street where you again make a right turn. The Rodeo Grounds will be on the left, just beyond the trailer court. Plenty of parking space will be available at the playfield.

For an afternoon of real Western-style family fun, come out to the Parkland Rodeo grounds on 138th and "J" Saturday and Sunday afternoon at 1:30 p.m.

We'll see you there!

Registration Starts At PP

Registration for all students new to the Franklin Pierce School District will begin Wednesday, August 19th from 9:00 a.m. to 3:00 p.m., and will continue until September 3rd. Students should register at the school they will be attending. No new elementary students will be enrolled opening day September 8th, but may report Wednesday, September 9th.

Kindergarten students must be 5 years of age on or before September 10th to be eligible for school. Parents should provide birth certificates for the kindergarten students at the time of registration.

The new Elmhurst Elementary School will open with the beginning of school. The opening of this school has necessitated several attendance area changes (boundary lines). These changes were previously announced last spring. They are:

All children who live East of Pacific Avenue between Collins Road on the North and 144th Street on the South, that were attending Brookdale School, will at

Nursery School To Begin Another Successful Year

Summit Cooperative Nursery School will soon open its doors for an active year for parents and children enrolled in its program. The Officers and Teacher have met already to discuss activities and the purchase of new equipment for the coming year.

Nursery School not only offers many and varied class room activities for the child enrolled, but also many interesting and informative field trips for the benefit and education of Mother and Child together.

Mothers who belong to Nursery School have the benefit of the Mothers meetings which are instructive on child growth and development and always feature a guest speaker, as well as a comradeship of Mothers interested in the growth of their child. The experience of sharing this program with your child while watching his development thru the school year is both gratifying and rewarding.

Summit feels especially rewarded in that Mrs. Carl

Cordes has again accepted the position of teacher for her sixth year. Mrs. Cordes has wide experience with the preschool age group.

The first meeting for the orientation of new Mothers will be held Tuesday, September 8th, at Canyon Road Hall at 7:30 p.m. This meeting will be open to all interested parties and Fathers are urged to attend also. At this time the purpose and activities of Nursery School will be discussed and explained.

Further information may be obtained by calling Mrs. Ronald Bush, LE 1-2904 or

Pre-School To Meet Aug. 28th

The new board of the Midland Preschool PTA will hold its first meeting of the coming 64-65 school year on Wednesday, August 26 at 8 p.m. at the home of president, Mrs. Leonard Ranson 10615 East Golden Given.

Mrs. Ranson will introduce her new board including first vice president, Mrs. Charles Boyer; second vice president, Mrs. Richard Marcelle; secretary, Mrs. Walter Killips; treasurer, Mrs. Brummet. Others urged to attend will be the chairmen of the following committees; hostess, hospitality, well baby clinic, history-record book, legislation, publicity, sunshine, inspiration, PTA magazine and library — and year book.

Mrs. Skaar Resigns

The Board of Directors of the Franklin Pierce School District, at its August 10th meeting, reluctantly accepted the resignation of Mrs. Kathleen Skaar from the Board.

Mrs. Skaar has represented the Central Avenue area on the Board since March 1963. Mr. and Mrs. Skaar plan to move to Oakville where Mr. Skaar will go into business.

In the absence of Mr. Nelson, the Superintendent of Schools, Mr. Robert C. Richardson, Assistant Superintendent of Schools, thanked Mrs. Skaar for the many hours of time she has given to serve the District.

The Board of Directors will appoint a replacement for Mrs. Skaar at a future meeting.

The Board also employed the architectural firm of Lea, Pearson and Richards to start work on the addition to the Ford Junior High School.

Two teachers were added to the staff: Robert Koehnke will teach elementary music and Darlene Russell will teach kindergarten.

Awards To Be Presented

All boys and girls softball and baseball teams who have participated in leagues sponsored by the Pierce County Park Departments this past summer will receive recognition at a special program to be held Thursday, September 10 at the Puget Sound Field House from 6 p.m. to 8 p.m.

Another Home Run

BOB MANN, Dawson Playground, readies himself to aid his team in a resounding victory over Heartwood Playground. Bob homered to give

his team a 14-6 victory to win the Pierce County Playground Softball Championship.

with JACK BROWN

We seem to be a nation of barn door shutters after the horses have been stolen. On every hand we read where some object or condition that has cost a life has been removed. Rarely, if ever, do we read of something being removed or corrected without this loss to shock those responsible into action.

Lately abandoned refrigerators, sand banks, snowslides and what not, have caught our attention in the headlines, each proclaiming a loss of life.

Now, let me make you a prediction of a headline or two yet to come. I predict that unless preventative measures are taken immediately, Tacoma papers will carry the story of some teenagers killed on park property in overturned cars right here in our area.

The county park property, lying south of 146th street and west of C Street, has become a testing grounds for the stupidity of a lot of teenagers of late. It is nothing unusual to see a car go roaring up to the end of C street and then careen madly through the ruts cut by others, across park property, without any thought given by the driver to his own safety, his passengers or any youngsters in the area.

To my personal knowledge there have been two near serious accidents there in the last month. One: a load of teenagers were seen to come roaring down C street headed south and at the end of the street turn off on park property, lose control of the car and crash head on into a power pole, demolishing the car and hitting with such force that the insulators on the pole were broken and the pole sheared off at the bottom. A broken wire drooping on the car roof could have given us headlines of "Instant Roasted Teenagers." As it was, they climbed from the car, grabbed up some loot they had and scrambled. Some one of your daughters was in that car. She could have been killed. Was it yours?

Two: Then just the other day another load of mental giants in a pickup did the same thing, only the pickup tipped over, the kids got out with all their hide and eventually righted the truck and got out of the park.

Police action? None evident!
I think this area should be blocked off for cars—Not just by digging a ditch that a few daredevils soon fill in by driving their cars through them, but with definite barricades. This action, I am sure, will save a life. It could be the life of your child or mine. How about a little action, there. County Dads?

And besides, if the parks hot rod trails are shut off it will be less inviting to those too lazy to drive to the sanitary fill with their garbage. My personal feeling is that there should be a bounty on crumbs that dump their garbage on park land.

I may end up in the blink some day, but I personally guarantee that if I ever catch someone dumping garbage in there, they will eat a handful of it, on the spot.

A great deal has been heard about "consumer protection" of late, and I ran off at the mouth about it once before, but that vague and seemingly innocuous phrase covers a lot of territory from so-called "truth in labeling" bills, to elaborate governmental bureaus and study groups which, apparently, operate on the principle that the housewife is something of an economic idiot who simply can't take care of herself when she goes shopping.

The head of one of this country's major merchandising organizations recently had something interesting to say about this. In his view, consumers need protection against an "overproductive government". The federal government, he pointed out, now has 296 separate programs for protecting consumers. So, "The type of protection the consumer most needs is protection from the regimentation and the high costs of government itself."

It is pretty evident that if the extreme zealots of consumer protection have their way, an ever-growing bureaucracy will tell manufacturers what they can produce, retailers what they can sell, and consumers what they can buy.

It would seem that we have all the laws we need to give the consumer legitimate and reasonable protection — those 296 federal programs, remember, are piled on top of all manner of local laws and ordinances designed to keep the buyer from being misled or cheated. If there is a consumer protection problem, it is minor compared to the problem of big government with its murderous costs, and its depressing effects on the liberties of the people.

Presbyterian Church To Hold First Picnic

The new Parkway Presbyterian Church will hold its first picnic this coming Sunday, August 23, in area 3 of Spanaway Park. The area has been reserved for the church group. Regular morning activities will be held at the temporary meeting place, the Parkland Masonic Temple. Sunday School will be at 9:30 a.m.; coffee hour at 10:30 a.m. and the morning worship service at 10:45 a.m. The picnic is scheduled to get under way at 12:30 p.m. in the park.

All Sunday School pupils, their parents, members and friends of the church are invited. Each family is requested to bring enough fried chicken for their family, their own table service and one of the following: — those with last names A through E — Bring potato salad; those with last names F through M — Bring Salad; those with last names N through Z — bring Dessert. Coffee, tea, rolls, cold drinks and ice cream will be provided. Following the meal there will be supervised recreation for all age groups.

Construction has started on the new church building, which is located in the four acre site on East 138th Street, near the entrance to Mayfair. Brynstad Builders of Tacoma were awarded the contract for the new church. The building will provide a sanctuary, social hall and Sunday School Class Rooms. The newly organized church will observe its first anniversary on Sunday, September 13. Mr. David Weyerhaeuser will be the guest speaker for this occasion.

Guest Speaker For Dist. GOP

Guest speaker at the 25th District Republican Club in Buckley on Thursday, August 27th will be Max Benitz, Prosser farmer and president of the Washington State Farm Bureau Federation. He will show pictures and speak on his recent trip through the USSR and satellite countries.

Sponsored by the 25th District Republican Club, Mr. Benitz will appear at the White River School All Purpose Room in Buckley at 8 p.m. on Thursday, August 27th. Several Republican candidates will be introduced, including Dr. Hugh J. Kallrus, candidate for State Senate.

The public is cordially invited. Refreshments will be served and Mrs. Sam Hale, hospitality chairman of Puyallup, announces that Mrs. Robert Wallace of Buckley will be refreshment chairman.

Those wishing to join the caravan leaving from the far end of Hi Ho Parking lot, be there by 7:15 p.m.

Rev. Bob Williams

THE SPANAWAY ASSEMBLY OF GOD, 166th and Pacific Avenue, will open a Children's Revival Sunday morning, which continues through Friday, August 28th. Services will be held at 7:00 p.m. through 8:30 p.m. each evening. There is no registration fee. Both young and old are invited. The Rev. Bob Williams will be guest speaker. "Donny, the talking Dummy," will assist him. A puppet family, flannel-graph messages, chalk paintings and sword drills, etc., will be included in the evening programs. Adults and teenagers are also encouraged to attend. Mr. Williams' headquarters is Springfield, Missouri. He has conducted children's and youth crusades for the past seven years.

Number Of Park Visitors Rose In Month Of July

Visitation to Mount Rainier National Park rose 5 percent in July as compared with July 1963. Park Superintendent John A. Rutter advises that 326,852 visits were recorded this past month, 16,997 more than entered the Park in July last year. With the good weather of Sunday, July 26, an all-time record day was set for the

Park when 33,448 visits were counted at the Park's entrances. Campgrounds, picnic areas and other facilities were used to capacity.

Even with the increased travel of July, 1964 visitations still lag behind that of 1963 by 18 per cent Rutter advises. Through July, 647,066 visits have been recorded this year as compared to 790,248 through July of last year.

Softball Winners

The Grade School softball team of The Lutheran Church of Christ the King, at Midland just finished their most successful season. They had a record of twelve wins and one tie game.

Last Saturday a party was given for the team by their coaches Al Kusterer and Harry Hintz.

The players are: Mike Brown, Jim Camp, Greg Culbertson, Richard Dimond, Mike Draper, Lee Galyean, Dale Harshman, Jim Hintz, Karl Jacobson, Ricky Jacobson, John Kusterer, Bobbie Lee, Jim Kinder, Dennis Moe, Donnie McClure, and Roger Turnbull.

Radley Reunion

OWENS BEACH at Point Defiance was the scene of the Radley family reunion Saturday afternoon. This is a yearly celebration for the 5 children and 14 grandchildren of Alvin Radley, at one of their homes. The hosts for this year's gathering were Mr. and Mrs. Orville Thomas of Spanaway, their daughter and husband, Mr. and Mrs. Claude Mulkins of Puyallup. The gathering brought relatives from Oregon, Iowa, Minnesota, South Dakota and California.

Sporting a new private pilot's license is Floyd Sargeant, of Fort Lewis, who received his "wings" last week.

Mr. and Mrs. Vernon Young and Melvin Kauzlarich left last Friday in a 182 for Yellowstone Park. Upon arriving there, they rented a car and drove 211 miles through the park on Saturday and were back in Tacoma in the 182 by 1:30 p.m. on Sunday. Every time they saw a stop sign in the park, the sign really should have read "BEARS".

Claude Welch flew to Reno and back in Milton Fisher's 170.

Orv and Gene McLaughy have flown to Arizona on a vacation trip in a 182.

Mr. and Mrs. John Scholtons flew their 1929 bi-plane to the Vancouver, Washington, Antique Fly-In last Saturday and Sunday.

The Mel Gleim family, formerly of this area and now residents of San Jose, were here visiting in their Stinson Voyager.

Dean Eschelman visited here for a week, having flown from Bedford, Mass., in his Bonanza.

Capt. and Mrs. Bill Butler flew to the Antique Fly-In at Vancouver last week-end in the Signaleer's DX'er.

Dr. Ellis, of Redding, California, last week flew into Spanaway Field with his

by John Thun and John Schell

Howard Phillip flew in recently from Van Nuys, Cal., in his Bonanza.

Allen Cole flew in Sunday in his helicopter to pick up Senator Henry M. Jackson.

Bill Gebinini flew the state aero twin in to pick up Gov. Rosellini who was returning from the Loggers Festival in Morton.

Mrs. Bradley made a cross-country flight to Hoquiam in the 172 recently.

Flyers attending the Abbot'sford, B.C. Fly-In from Thun Field included John Schell in his Hughes Helicopter, Mark Hoskins in the STA Ryan, Jim Moss in the Cessna Airmaster, Dave Gauthier in his Fokker Tri-Plane, Mitch Meany in the Waco UPF 7, Bob Young in the Cessna 172, Ted Robinson in a PT22 and Jim Henderson, also in a PT22.

Mr. and Mrs. Atlee Dyson flew to the Vancouver Antique Fly-In their Student Prince. Also attending was Bob Cansdale in his J-3.

John Overhulse recently flew into Thun Field from Phoenix in his 172. Other recent visitors included Gordon Larson from Minot who made the trip in his Pacer.

Merl Maxen flew to South Dakota in his Cessna 170.

CAP Cadets Host Missionaries

Five Montana girls who came to Tacoma on a missionary program visited the McChord Civil Air Patrol Squadron last Wednesday night during their meeting.

The Montanians, aged 17-23, are attending a Summer Workshop in Missions at the Tacoma Christian Reform Community Church at 2410 East 72nd Street. They are from the Christian Reform Church of Bozeman and Manhattan, Mont.

Rev. Rits Tadmara, Pastor of the Tacoma church, who hosts the young teachers, is also staff chaplain for the McChord Cadet Squadron. He invited the girls to the squadron where he lectures on moral leadership.

Major William Wilson of 17818 E. B Street, Spanaway, the squadron's operation officer, briefed them on the organization and mission of the CAP and the cadet training program. They also received a run-down on the mission and function of the squadron's host base, McChord.

The Montana visitors will be in Tacoma two weeks. They teach the church's daily bible school and attend lectures on city life, social structure and theology.

Tips on GOOD LANDSCAPE GROOMING

By Howard & Elaine Motteler

The yard with an edger, you'll probably wear the blade down. After the edger is established you may still hit a rock occasionally. It is a good idea, if the soil is rocky, to go around the beds and sidewalks with a flat shovel, working most of the rocks out before using the power edger. The soil along the sidewalk tends to have more rocks where as the edger about the flower beds usually has had more of the rocks already raked out. To maintain crisp edges it is necessary to edge about every other time you mow.

There are many types of edgers: electric, gasoline, battery and hand powered. We use the gasoline powered engine. The price of a power edger varies from about thirty to sixty dollars. Replacement blades cost about seventy-five cents.

About this time of year many people run out of enthusiasm for gardening and lawn maintenance. It is a tiresome job to edge by hand and a temptation to let this chore go. With the aid of an edger, the problem is lessened.

Dear Sirs:

We would like to let you know by letter how pleased we were with the response to our recent ad in your paper. Altogether we had seven calls on the ad for the two weeks we ran the ad. Your paper may be small but it brings results in advertising.

For myself I would rather check the For Sale items in a small paper than to go through pages and pages of a week-end ad in the Tacoma News-Tribune. The result of our week-end ad in the Big paper was 0 and the price let's face it yours can't be beat either in price or results. Thanks again.

The Waller Road Word

Mrs. Vern Fogle
LE 7-5210

A special feature of the recent Waller Road Grange Community Fair took place when Nancy Wearne, Pierce County Jr. Fair Queen, made the presentations of the Trophies to the winners in the Livestock and Poultry Show. Trophies for Fitting and showing in the Junior Division went to Darrel Foote for Beef and Frank Blessing for Dairy. In the Senior Division, Trophies were presented to Greg Haaland for Beef and to Neil Henriksen for Dairy. In the Fitting and Showing of sheep, the Senior Division trophy winner was Ted Mezen and Jr. Division winner was Charles Temus. Trophy winner in the Fitting and Showing of Rabbits was Arlie Ireland and in Poultry, Randy Larsen. Twenty Grand Champion Ribbons were also awarded.

There were 80 entries in the outside show at the Waller Road Fair. The Fair was attended by well over a thousand people throughout the day. Barbecued chicken was served to close to 500 persons.

The entries came in from folks far and near to make the exhibits worth looking at. The hobby show drew many compliments, as did the Junior Grange Craft display. There were several worthwhile 4-H projects that added interest to the Fair. The flower show entries were numerous. The vegetable entries were not up to par due to adverse weather conditions. Canning, sewing and baking entries turned out well.

The H. Lovell family received the Grand Award of the day, the barbecue set. The six-week old piglet went to Terry West who captured it in the "pig scramble".

The united working efforts of over 100 persons made the 1964 Fair a huge success. Mrs. William Hagar extends a hearty thanks!

35th Anniversary Celebrants
Mr. and Mrs. Rudolph Geise were presented a lovely 3 tier cake for their 35th wedding anniversary by Mr. and Mrs. Vance VanWoert last Sunday afternoon. Mrs. Geise got on the phone and issued a few invitations to friends to come in for an impromptu buffet supper. Those attending were Mr. and Mrs. Galen Nehler, Mr. and Mrs. Howard Freeman, Mrs. Goldie McCall and Richard, Mr. and Mrs. Lyle Parker, Mr. and Mrs. Verne Fogle, the Van Woerts and sons Don, Jim and Larry Geise.

Sewer System Applications Being Taken

by Wayne B. Russell

Central Utilities Co. proposes to install a sewer system and disposal plant to service the Midland and Woodland areas. As the sketch will show the rough outline of the area covered by 152nd Street to Pioneer and from Pacific Avenue east to Woodland. The Company advises that it will include service lines to all areas that applications are received from if there are sufficient connections to make the line extensions feasible. The Central Utilities Co. is cooperating with the Midland Improvement Club in every way possible to make this system a reality.
Your applications for sewer service may be signed and given to the Midland Improvement Club or submitted

DeMolay Conclave To Open

August 20-23, 1964 is the date of the 39th annual Washington State DeMolay Conclave. This year the statewide convention will be held on campus at the University of Puget Sound in Tacoma, Washington, and will see the election of a new state corps of officers for the Washington State Chapter, as well as various competitions in sports and in DeMolay ritual. The first activity of the Conclave will be a public opening of the convention outdoors in the newly completed University of Puget Sound Sports Stadium. The main public attraction of the Conclave will come Saturday night when the nationally famous Northern California DeMolay Show and Band will present a two-hour program.

SHRINKS HEMORRHOIDS Without Surgery

Stops Itch—Relieves Pain For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 119. At all drug counters.

Household Insect Pests

Our homes harbor a tremendous number of different insects, some of which to a great deal of damage, others just seeking a better place to live than outdoors. County Agent Jack Parsons says these insects range from carpenter ants and termites that infest wood to the confused flour beetle that mysteriously occurs in different types of stored foods. Also, carpet beetles that attack different fabrics, wasps, yellow jackets, and fleas that may cause you a great deal of discomfort are common. Then we have earwigs and several different weevils that cause little damage but are annoying to have in a home.

University Extension Service Bulletin No. 472. This booklet, entitled "Household Insects and Their Control" was written by David Brannon, Extension Entomology Specialist. If household insects are a problem with you, then this bulletin should be very helpful. A copy of Bulletin No. 472, "Household Insects and Their Control" can be secured from your County Extension Office.

Summit Sluggers Take Jr. Girls Baseball Title

The control of these household insects is given in detail in Washington State Uni-

The Summit Sluggers, down five runs in the championship game with the University Place Nine, winners of the northern division, began a rally in the fifth inning which carried them to a 14-7 victory. Carla Parker's single started the girls on their deluge which brought a total of six runs in the fifth and continued on into the sixth inning with six more. The University Place Team was held scoreless after the fifth inning, Chris Nelson's triple

with three aboard produced three of the tallies for the victors. Also helping in the winning cause was Judy Hart, with a home run and a triple which scored two runs. Pam Tresch batted a double with the bases loaded. All members of the Summit team are in the Seventh

grade, with the exception of one eighth grader, so they have two more years to compete in the Junior Girls League. They have played against teams all season with girls in the eighth and ninth grade, but yet came out victorious. They are coached by Jim Tresch.

Words of the Wise

To be able to live, at ease but without complacency, with one's prejudices is good. To be able to live, with regret but without shame or agony, with one's limitations is still better. —(Clifton Fadiman)

Well, our little Terrie Smith of Walts Drive Inn didn't make Queen but she is one of the Princesses in the Parkland Round-Up. She will be in the Rodeo Parade August 22nd with the other lovely runner-ups. Terry is sponsored by the 4-H Horse-Masters. Terry has appeared at the Sumner Jr. Fair, the Enumclaw Parade; also on KFHA radio and on KTNT radio and TV. Terry was present at the Coronation of Queen Lynda on August 16, when Queen Lynda was crowned. She will be appearing at the Rodeo, August 22 and 23.

Limits Caught on Columbia
George Yamada of the produce department and Bob Lodge, manager of Summit Thriftway, spent Sunday with Clete Christenson down on the Columbia, fishing. Clete didn't tell this, but they said George and Clete limited out for the day. Clete's largest being slightly over forty pounds and George's slightly over thirty pounds. Both kings and nice fishing we think.

Firemen's Ball
Don't forget the Summit Firemen's Ball at Sportsman's Chateau this Saturday night, nine to two. Every body is welcome.

Picnic
The Summit Bible Mission Sunday School picnic will be Wednesday in Mrs. Mason's back lawn. Cottage prayer meetings are being well attended, this week's meeting to be at Mrs. Dicksons on Portland Avenue.

Stokesberry off in Camper
The Bernard Stokesberry family have hooked onto their camper and headed for an outing in the northern parts for a week or ten days.

VA Appeals Court To Visit

Veterans in the State of Washington will soon have an opportunity to appear personally before the Veterans Administration's Board of Veterans Appeals. The Traveling Section of the Board will hold open hearings at the Seattle VA Regional Office October 14 through 16, 1964. John B. Kirsch, Manager, said today.

This provides an unusual opportunity for state veterans to tell their own story to the decision making body regarding any benefit denied by the local office.

Normally, appeals to local VA decisions are reviewed at Washington, D.C.

Veterans interested should contact the Seattle VA Regional Office for the purpose of having their claims placed on the reviewing docket.

Barbecue Held
Bill and Carolyn Thielen of Thielen Auto Parts entertained about eighteen friends Sunday at a small barbecue at their home. All report a very enjoyable time.

Bert's At Lucy's
Any one, perchance, needing Bert in a emergency, just call Lucy.

Dowling's On Vacation
Myrt Dowling is vacationing a few days from McAuley Drug. The Dowlings are exhibiting their prize winning Quarter Horse down in the southern part of the State.

Kyak Races Well Attended
Many from the Summit Area were in the mob attending the Kyak races down on the Puyallup River Sunday. The KVI Gang were there, broadcasting the thrilling events. A very large crowd attended the event this year.

Lacamas Fair Plans Under Way

The people of the Lacamas community are preparing for the 29th annual Lacamas Fair, to be held Sept. 12. Gardens are being watched hoping those squash or pumpkins will grow a little more by then for the largest squash contest and the largest pumpkin contest. Beef are being fed a little larger ration for that final bloom. Boys and girls are grooming and leading animals for those fitting and showing contests in dairy, beef, horse, etc. Baking foods are being practiced trying for that \$2 best show yeast award.

Our neighbors in other communities are welcomed to participate and help to make this a bigger and better fair. Many 4-Hers are glad to have this last chance to practice in competition before going to the Puyallup Fair.

An Auction is to be held at the Community Hall on the Harts Lake Loop Road on Sept. 5 to help defray the expenses of the fair. A little bit of everything is going to be at this auction so come out to look and stay to buy. This year, tickets are being sold on a beef steer, a 200 pound block hog, and a fifteen pound turkey.

For a premium list or for more information on making

entries in the fair, write Mr. Carl Essman, chairman of the Fair Board, Rt. 1, Roy, Wash.

Sponsor Incorrect

Parents of members of the Summit Teen Club; the teen dance which was held on August 15th was not sponsored by the Summit Teen Club. Because of misinformation received by the Times Journal, the story pertaining to the dance which was printed last week, stated that the dance was Teen Club sponsored. It was not. And in the future it is hoped that we of the Times Journal will not be misled into printing something which is not entirely true.
