## COUNTY NEWS

MIKE STANTON, Washington High School Sophomore last year, recently joined the nine person Judy Lynn Show, a Las Vegas Nevada based country music group.

### Joins Vegas Show

Mike Stanton, 16-year-old son of Mr. and Mrs. Donald M. Stanton of 1616 So. 113th St., who was a sophomore at Washington High School last year, a few weeks ago became a regular member of the nine person Judy Lynn Show, a Las Vegas, Nev. based Country Music group.

Mike's first appearance playing pedal steel guitar with the entertainment unit was in

early September when they started a four-week engagement at Harrahs Club in Reno, Nev. Up-coming bookings this fall and winter include the Country Music Festival and Disk Jockey Convention in Nashville, Tenn., and the holiday season at Caesars Palace, Las Vegas. A tour of England and Ireland is tentatively scheduled for early spring and Mike will be in the Seattle-Tacoma area with the show for three weeks in April.

Mike will record with the band for Columbia Records, and be seen in the future on the Judy Lynn Syndicated TV show, viewed in many parts of the country, but not as yet in this vicinity.

Due to his traveling with the group, Mike will not be able to attend regular high school classes, however he plans to get a diploma through correspondence courses and by having a tutor when he is in Las Vegas.

Mike started taking guitar lessons when he was 7 years old, and began nearly three years of weekly television appearances in Tacoma with his sister Donita on Chubby Howard's "Western Jamboree," at age ten. He has performed on shows with such Country Music stars as Buck Owens, Conway Twitty, Red Foley, and Charley Pride. For the past year-and-a-half, Mike played shows and dances over a wide area of the Northwest with Jack Roberts' Evergreen Drifters western-swing band from Seattle.

THE FIRST CUSTOMER - Dr. Edward Hill, Franklin Pierce superintendent of schools, welcomes two pretty Franklin Pierce High School girls in his office, where they sell him the first box of 8,000 boxes the FP student body will begin selling throughout the community this Friday. Plying their sales techniques are Jerri Hartley, left, and Jan Scarlet, both seniors. The week-long candy drive will raise funds for the student body and the clubs at Franklin Pierce High School.

Also installed were Sam Harris, 2nd Vice; Harry Chambers, Secretary, and Bill Olson, Treasurer.

### Family Faculty To Meet

The Spanaway School Family Faculty Club will meet 7:30 p.m. Tuesday, October 14 in the school gym.

Introduction of teachers and a talk by Bethel Superintendent Dr. Fred Gramann will highlight the program.

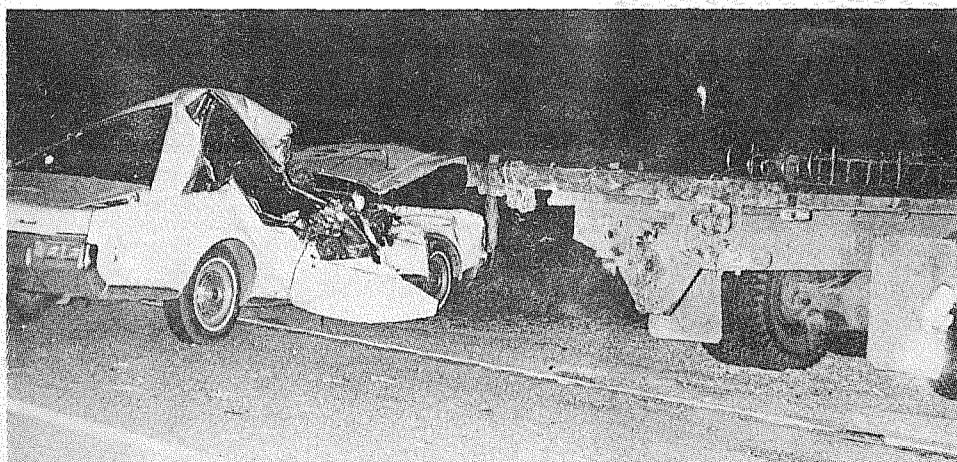

YVONNE GAETZ, National Bank of Washington teller, hands Bank Executive Officer Earl Dryden a cup of coffee while preparing for the 1st Anniversary celebration of the new Parkland Banking Center building. An open house will be held during the regular banking hours October 13-17. Refreshments will be served

### Should School Board Members Give Opinion On Student Participation?

Yes: That was the consensus of the directors' executive committee meeting in Yakima on Sept. 26-27. Charles R. Guthrie, Wapato, chairman of the school board-teacher relations committee, was instructed to prepare a resolution on this matter to be presented to the heavily attended annual conference to convene in Spokane Dec. 1-2.

Other hot subjects to come before the December conference include resolutions on negotiations, supplemental contracts, and lobbying activities. Some members of the executive committee expressed the opinion that the directors' association should take a stand on the sex education controversy.

FATAL CRASH. Mrs. Lois Miller, Olympia, was killed when the car in which she was a passenger was involved in a collision with a truck on the Eatonville cutoff Monday evening about 7:30 p.m. Both vehicles were headed North when the accident occurred.

RIGHT NAME, WRONG MAN. Last week's Times Journal pictured Earl West along with a host of dignitaries in a front page picture. However, close examination after publication revealed that the man identified as West was really Olaf Hammer, who was honored recently as "1969 Employee of the Year" by Harold LeMay Enterprises. West was named "1969 Man of the Year." The correct picture is published above showing left to right, Harold LeMay, George Sheridan, West, Wallace Ramsdell, and State Senator John McCutcheon.

### Drivers Honored For Road Safety

Earl West, Spanaway, was named Pierce County Refuse "1969 Man of the Year" for safe driving and public service during a recent Safety Awards banquet sponsored by Harold LeMay Enterprises at the Pirs.

Present for honoring safe drivers were elected and appointed officials representing counties and cities from all points in Western Washington. Representing Pierce County were Commissioners Wally Ramsdell and George Sheridan, State Senator John McCutcheon, and mayors and councilman from Bonney Lake, Sumner, and Steilacoom.

Olaf Hammer was awarded an "Employee of the Year" plaque for his service. Hammer is a Parkland based mechanic.

Others awarded Safe Driving lapel pins for years of accident-free driving were:

- 13 Years: Eugene Murat and Harold LeMay
- 12 Years: John K. Hartsell
- 6 Years: Charles Duncan
- 5 Years: Tom Buchanan and Olaf Hammer
- 3 Years: Ed Black, Delroy Cox, Dayton Green, Hiram Patton
- 2 Years: Clifford Ansteth, Harold Davis, John Flanigan, Roy Grabski, Bill Green, John L. Hartsell, Emery Inermant, Francis Herman, Roger Schmidt
- 1 Year: Ron Austin, Floyd Cowan, Charles Jones, Bruce Ledbetter, LeRoy Linke, Raymond Markie, Barry Palmer, Robert Rice, James Sloppy, Earl West

### F.P. Students Raise Funds

To raise funds for student body and club activities, students at Franklin Pierce High School will sell candy in the community for 10 days beginning Oct. 10.

"This will be the only sale of food held this year," Richard Larson, activities director said.

Anyone at Franklin Pierce may participate in this sale, whether or not he is with a club or is selling as an individual. Two different types of candy will be sold. One type is a toffee miniature and the other one is a mint truffle. Each type of candy will sell for \$1.

The Associated Student Body will award \$20, \$10 and \$5 to the top three individual sellers.

HE MADE IT! Although it looks like halfback Jody Miller is running into the arms of Sumner tacklers, he sprinted through the defenders 18 yards for a Bethel touchdown last week. The Braves won, 14-8. Bethel Photo

## SCHOOL NEWS Bethel Schools Conduct Survey

The Bethel School District will conduct its annual survey of "Federally Connected Pupils" during the second week of October 1969. A pre-survey information bulletin will be distributed to all homes in the district on Monday, October 13th. Survey cards will be sent home with all children who are or may be "Federally Connected."

Any parent or guardian who is (1) employed on federal property, (2) a member of the Armed Services, or (3) works for a company under federal contract is eligible. The effective date of the survey is October 14, 1969.

The purpose of the survey is to qualify for federal funds which are available under Public Law 874-815. Under this law, the federal government undertakes to compensate the school district for part of the cost of educating those children who are in the district on account of federal activity. The amount of money the Bethel District receives is determined by the number of "Federally Connected Children" in the Bethel Schools. The cards which parents fill out and return are the evidence on which the school district's claim is based, consequently it is most important that all parents who qualify complete these cards and return them on or before October 20th.

### First Aid Class

A first aid class that will meet requirements for first aid or Red Cross certificates or their renewal will begin Oct. 15 at Franklin Pierce High School.

To meet each Wednesday for 10 weeks in room 410, the class will be taught by James Riis and Mel Zimmer. It will include the use of color films training aids and practical demonstrations. Emergency and disaster situations, infant and child care and perhaps emergency child birth will be covered in the class.

The class is presented in cooperation with Pierce County Civil Defense.

### F.P. Adult Education

Classes in a basic review of reading, English and mathematics are now being offered at Franklin Pierce High School Monday and Wednesday nights from 7 to 9:30.

The classes meet the requirements of foreign-born adults who are applying for citizenship, and also offer a basic education review for adults who feel a need for a refresher class.

### F.P. Budget Approved

At a special meeting held September 30th, the Franklin Pierce Board of Directors approved a general fund budget of \$6,373,931, and a building fund budget of \$301,500.

The general fund budget is \$38,393 less than the preliminary budget adopted by the Board in June, and is 10.9 per cent greater than the final budget last year.

Dr. Hill stated that this budget was an extremely tight budget, and the district was receiving \$126,000 less in state apportionment funds than had been anticipated in the preliminary budget. The loss in funds came from a reduction in elementary enrollment of almost 200 students, and a decrease in the Pierce County Assessment ratio from 20 to 18 per cent.

Dr. Hill made the following points about the budget:

1. TAXES — The total tax millage rate was reduced from the preliminary budget rate of 59.5 mills to a final budget rate of 54 mills. The decrease of 4.5 mills came because of increases in assessed valuation.

2. NEW HIGH SCHOOL — The budget provides for the opening of the new Washington High School and the addition of 10 per cent to the total building square footage of the district.

3. INSTRUCTION — The build of the budget is spent for direct instruction costs with 75 per cent earmarked for this purpose.

Other percentage costs include:

- Admin. 2.6 per ct.
- Pupil Serv. 1.2 per ct.
- Food Serv. 4.5 per ct.
- Trans. 4.0 per ct.
- Operations 8.7 per ct.
- Mainte. 3.4 per ct.
- All others .6 per ct.

4. SALARIES — Almost 84 per cent of the budget was spent for teachers and employees salaries. Salaries in the district were raised from seven to nine per cent and met minimum increases mandated by the legislature.

5. BUSESSES — Two replacement busses planned for purchase in the preliminary budget will not be purchased. The \$45,000 saved was used to balance other sections of the budget.

Dr. Hill indicated to the Board that the cuts were most difficult to make and that the State Superintendent of Public Instruction had been appraised of the financial problems facing the district. The Board accepted the budget with the understanding that upward revisions will be made in the budget if additional funds are made available at the state level.

## Society AND Clubs

### Parkland Altrusa Meets

Parkland Altrusa Club will hold their dinner meeting at Barle's Restaurant in Parkland this Thursday, October 9th at 7 o'clock.

International Relations committee chairman, Mrs. R. Simpson will have as the guest speaker for the evening Mrs. William Detering, President of Tacoma Chapter of United Nations Associations.

Initiation of new members will also be held. Evelyn Kramer, Publicity Chairman.

## Local Briefs

### REO Office Schedule

During the week of October 13 the Rural Employment Office will be at the following locations from 10:00 A.M. to 3:30 P.M.

October 13, Wilkeson, Main Street.

Oct. 14, Carbonado, School.

October 15, Tillicum, Tillicum Hardware.

October 16, Lakeview, Richfield Service Station, 10621 Bridgeport Way SW.

October 17, Roy "Y", Spanaway Hardware.

## Fire Permits Still Required

October 15 normally marks the end of the fire permit season, however, in the Parkland and Spanaway Fire Districts, the permits will now be required the year around.

Reason for the year-around permits in Parkland was due to recent air pollution regulations, Chief Ray Hixon stated. He said the firefighters inform permit seekers of pollution regulations in an effort to prevent embarrassment and possible fines.

Chief John Farren's office told the Journal a policy of year-around permits has been in force for sometime.

Journal readers living in the Summit Fire District need not secure a fire permit after Oct. 15, but should secure an air pollution burning permit.

**WOMEN'S WORLD**

**Irrelevant Worries**

By Louise Chase  
Women's Medical News Service

Bal Harbour, Fla. (WMNS) - In the field of family planning, doctors sometimes worry more than their patients — and more unnecessarily.

That's the observation of Dr. Ronald Pion, associate professor of obstetrics and gynecology at the University of Washington and Director of Family Plannin in Seattle.

As an example, Dr. Pion cites the reluctance of many physicians to perform sterilizing vasectomies.

"Many doctors worry because this simple male operation is seldom reversible," Dr. Pion told a recent medical meeting. "They look into the future and envisage calamities. But the doctors are worrying needlessly. In India, out of approximately 1-1/2 million vasectomies, there have been fewer than 10 requests for reverses! What merits real worry is overpopulation — and not just in India. The two-child family is an essential goal for the United States and other countries as well."

**Advisory Role**

The Seattle doctor counsels his fellow physicians to function as advisers rather than judges. "If he is asked to

consider male or female sterilization," Dr. Pion says, "he should examine and suggest. But the final decision should be left to the husband and wife whether they have one child already or four, whether they are in their twenties or thirties. After all, the husband and wife are adults."

As for overblown fears about sex education, Dr. Pion believes that even kindergarten children can be exposed painlessly to the idea of contraception. They can understand readily that, unlike other species, human beings can plan their babies.

By adolescence, sexually-active teenagers must be "vaccinated" with modern contraception to avoid illegitimate pregnancies. Although Dr. Pion believes that sex education courses provide their own justification because they impart knowledge, he notes that a recent study of two equivalent high schools in Washington, D.C. — one with a sex education course, one without — showed that the high school with the enriched program had half the illegitimacy rate of the other school.

**Facing Reality**

"The situation exists," he says. "The only question is whether we are going to deal with it."

A FORUM ABOUT MATURE WOMEN

**Two Sisters**

Dear Miss Brookfield:

I would like to advise M.S. of Los Angeles not to move in with her sister. If she does she'll probably end up as we did. I asked my younger sister — she is in her early sixties — to come out here and live with me. I have a nice home with an extra bedroom. Well, she has been here for one year but is now moving back. The whole family is anxious for her to leave. We have all become enemies. I hope the woman in California does not make the same mistake. I would advise her to remain alone and happy.

A.F., Willimansett, Mass.

Dear A.F.:

Some sisters can live together in harmony. But others, for any of a number of complex reasons — such as personality clashes, ingrained habits, or childhood rivalries — are better off alone. You have certainly found this out — the hard way.

**Weekend Husband**

Dear Miss Brookfield:

I have a rather unusual problem. Over a year ago, my husband started to work out-of-town, coming home weekends only. We have no children. I go to business. Shortly after this arrangement began, he confessed that he had a girl friend in the other town. He refuses to give her up, claiming he loves us both. This arrangement has made me very edgy. I visited a marriage counselor, but she said that my husband requires therapy too. He refuses to see the counselor. A dear friend, who is the only one who knows about this unusual situation, suggested I read the riot act to my husband: either he gives up this liaison or

stops coming home. I haven't been able to tell him this. Do you suggest I try it?

B.U., Baltimore, Md.

Dear B.U.:

Only when and if you are able to face the possibility that he may well stop coming home to you. Obviously, you are not prepared to do this or you would have read the riot act to him weeks ago, rather than acquiesce in this rather unusual arrangement. We wonder how other women would react to a similar situation? We would like to hear from readers — with suggestions.

**Skin Spots**

Dear Miss Brookfield:

I have a number of dark spots on my skin and would like to know how to get rid of them.

S.W., Paterson, N.J.

Dear Miss Brookfield:

Will you give me advice and help on removing skin spots. M.B., Little Falls, N.J.

Dear Ladies:

This is the so-called \$64,000 question for many women. There is really nothing very promising we can tell either one of you. These spots come with age and are the result of years of exposure to sunlight and wind. There are preparations on the market to either lighten or bleach them; some women recommend lemon juice as a home remedy for lightening them temporarily. Nothing, unfortunately, will remove them permanently. You can, however, help prevent further irritation by avoiding exposure to sunlight. During the summer months, use a protective skin cream to slow down the appearance of additional spots.

**Lute Aerial Attack Stops Pioneers**

Unable to move consistently on the ground against the Lewis and Clark Pioneers Saturday, Coach Roy Carlson's Lutes unveiled a strong passing attack in the second half and rolled to a 17-0 victory.

Jim Hadland, sophomore quarterback from Franklin Pierce High School in Tacoma, keyed the rejuvenated second half attack and scored PLU's first touchdown midway through the third quarter. Following intermission he hit on 10 of 14 passes, including six straight in the Lutes' initial scoring drive.

It was the first PLU win over the Pioneers since 1965 but it evened the all-time series between the teams. The Lutes won three games between 1933-35 when the Lewis and Clark campus was at Albany, Ore.

**STRING INTACT**  
PLU has now won six of its last seven games, scoring 232 points to its opponents' 50 during that string.

**SPOTLIGHTING THE STARS**  
Franklin Pierce High Alums again had a good day. In addition to Hadland, junior fullback Gary Hammer booted a field goal and two conversions, caught four passes for 60 yards and gained 23 yards in nine carries.

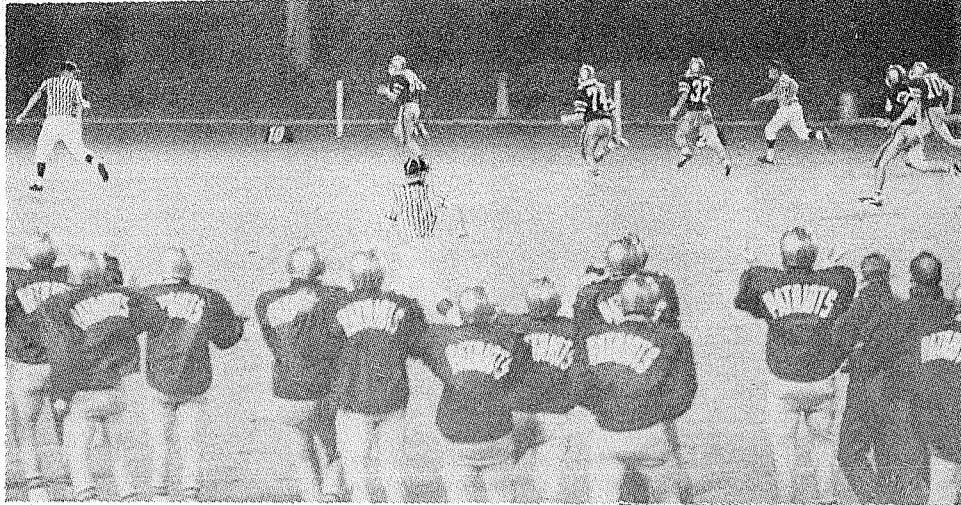

Junior split end Dave Roller caught three passes for 38 yards. \* \* \*

**Patriots Meet Clover Park**

The Washington Patriots travel to Clover Park Friday looking for their second South Puget Sound League win after losing to Jefferson last week.

The Raider's Steve McCully gave Washington trouble all evening racking up 163 yards in 20 carries, to lead his team mates to the 18-6 win.

Washington scored when lineman Tom Harman deflected a Jefferson pitchout and Len Smithingell picked it up and ran the distance. Opportunity knocked for the Patriots during the first half when Steve Butt sprinted 42 yards to the Raider 12, but Washington lost the ball on the next play on a fumble.

**TOUCHDOWN SPRINT.** End Leonard Smithingell (83) is followed by tackle Dave Rink (74) and Steve Butt (32) on his way to a Washington High School touchdown after he scooped up a wayward Jefferson pitchout and sprinted 45 yards to paydirt. Jefferson won 18-6.

**Brave X Country Seamount Leaders**

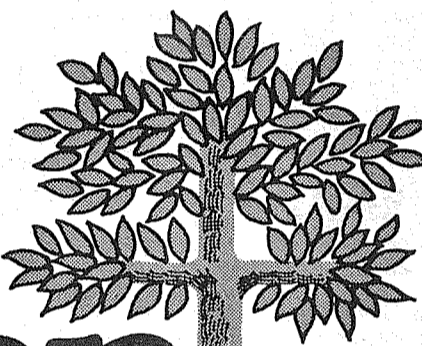

Bethel's harriers are leading the Seamount League. Victories over Peninsula, Tahoma, Enumclaw, Fife, and Curtis and up to the perfect record.

Leading the Braves is Mike Smithlin, Senior Co-captain, with a record of three firsts and one third. Sophomore Stan Adkins is second in team points with one first and three second places. Terry Browning, Bob Nylander and Jim Conant round out the scoring of the top five.

## open a growth account

There is a time to save and a time to spend. This is unquestionably saving time—sock-it-away time.

This is a very special time in our history. To help control inflation, we need to save. So, this is a time to plan and a time to start putting away at least 5% of your income regularly in a safe, interest-bearing Bank of Washington savings program.

We urge you to 'plant ahead.' Open a growth account. Here, at Bank of Washington, where we offer you a growing concern for your savings.

**5% Savings Certificates**—As little as \$100 enables you to obtain this higher return with insured bank safety. Interest on Certificates is paid quarterly.

**4% Savings Accounts**—This is the regular savings account, paying the highest rate of commercial bank interest the law allows. With this account your funds are always instantly available for in-and-out needs.

If you have—or wish to open—a Bank of Washington checking account, either of these savings programs can be set up on an *automatic* basis. Simply tell us the amount you wish to save each month or each payday—and we will automatically transfer the funds from your checking to your savings account.

Sock it away in '69. So you can spring into '70 with the cash (and the compounded earnings) to take advantage of new buying opportunities. Plant ahead. Open a growth account. There's a Banking Center near you that will provide a growing concern for your savings.

## Over The Fence Rail

By Barb. Menge

October 4 the annual Puget Sound Zone Banquet was held at the Top of the Ocean.

Highlights from that evening were exciting and numerous. Chet Kelly hosted as master of ceremonies, providing humor and suspense. Honored guests included Mr. and Mrs. Don McCuen, president of Washington State Horsemen; Mr. and Mrs. Gene Menge, president of Puget Sound Zone; Mr. and Mrs. Al Hansen, Hansen Saddle and Tack; Mr. and Mrs. Homer Olburst, and Mr. and Mrs. Clem Wulfekuhle.

Don McCuen opened the evening events with a welcome speech followed by Puget Sound Zone President, Gene Menge.

The evening's climax was the presentation of the Junior Achievement saddle. The young lady receiving the award was Lenore Kalapus.

Ray Johnson, director of the Trail Division, presented the Penny a Mile awards. This is a new concept in trail riding. Each trail mile ridden is to be represented by a penny sent into the Trail Division director. The proceeds go towards the financing of patches bearing the number of miles each rider has traveled. From September to September is the time limit so it would be wise to start counting those miles and sending in your pennies now.

Zone President, Gene Menge and Bonnie Parker concluded the evening with a grand finale not to be forgotten. Over the years there have been certain workers displaying more than the usual output. Consequently they have been forgotten and recognition long overdue. Two members of the Puget Sound zone possess such qualities. Trudie Erickson and Chet Kelly received plaques representing only a minute portion of the gratitude we feel for rare workers such as they are.

Another thank-you goes to the donors of the numerous awards. Without the generosity of these merchants the Puget Sound Zone Banquet would lack in sufficient sums needed for trophies, ribbons, and other awards. Donors are Albers Feed and Farm Supply, Rodeo Custom Shop, Bunk House, Strohs Hay and Feed, and Hansen's Saddle and Tack.

Members of the Junior Achievement committee were Jane O'Leary, Bonnie Parker, Trudie Erickson, Betty Wulfekuhle, Jane Ackley, Karen Moye, Linda Pilcher, and Chet Kelly. The above people worked especially hard in the junior division and were greatly appreciated.

So ends the 1969 Puget Sound Zone show season. To all those who aided in its success thank you.

### Lariettee News

Betty Mitchell has donated a white parade saddle to the Lariettee Drill team, and is now a permanent possession the drill team to be used by the drill captain. The Lariettees are planning a Halloween Fun Night October 25. It will be held at the Tacoma Unit No. 1. The events will consist of various games.

Remember the first week in October, 1918, and . . . . .

**JACK WILLIAMS THE HUMAN FLY**

What kind of a day was it, exactly 51 years ago?  
 In Europe, victory was inching closer as the Allies were putting the Germans to their most severe test of the war, and Bulgaria had officially announced its move for an Armistice with the Allies.  
 Here at home in Puyallup, Governor Lister had just officially opened the Fair. Puyallup schools were back in session with a whopping gain of 109 students. The area was readying itself for an expected onslaught of Spanish influenza. . . . . and Jack Williams, "The Human Fly", who just before had scaled the 42-story Smith Tower in Seattle, was set to scale the Capitol Building in Olympia . . . . . "rain or shine" (He made it.)  
 And, during this week over a half-century ago, we here at Citizens had already compiled two decades of service to our friends and neighbors in the Puyallup Valley area.  
 Today, 51 years later, we are still here, and prouder still of the record of service and assistance we've compiled. We probably served your parents or grandparents? Isn't it time we served you, too?

IN THE SUPERIOR COURT OF THE STATE OF WASHINGTON IN AND FOR THE COUNTY OF PIERCE NO. 78228  
RETURN OF SALE OF REAL PROPERTY

In the Matter of the Estate of KARL HIRIS, Deceased.

COMES NOW the Personal Representative in the above referred estate and respectfully shows the Court as follows:

That in compliance with the Order of the Court heretofore entered, the subject hereinafter described real property was listed for sale with Collison Realty, Inc., a real estate broker licensed to do business in Pierce County. An earnest money offer has been received and the Personal Representative having examined the said offer, finds that the said offer is for 100% of the appraised value of the property, subject to the normal FHA discount rate and costs of sale. That the property is described as follows:

The East 1/2 of Tract 3, of SCHMIDS FIVE ACRE TRACTS; Except the South 198 feet, subject to Easements of Record;

Said bid was submitted through Collison Realty, Inc., who will be entitled to a commission of \$630.00 upon closing of the sale and that an FHA discount rate not to exceed 7% is the normal and existing discount rate, and would be estimated at \$735.00. That the subject property is without a water share, and that the earnest money increases the offering price to \$10,500.00, but requires the Personal Representative to pay the cost of a water share, which will not exceed \$500.00.

The Personal Representative has accepted the bid, sold the property subject to the approval of the Court, and recommends that this be approved and the sale confirmed on or after the 13th day of October, 1969, and that the Court direct the execution of the necessary instruments of conveyance to consummate the sale.
